### GPS Captains dinner (St Ignatius) - Monday night 6th<sup>th</sup> Feb 2017

Congratulations to Jake Rowlands (Captain) and Kevin Guo (Vice-captain) who represented our school with such pride at the captain's dinner on Monday night. They were all fine ambassadors for the school. Jake's speech emphasised the importance of passion, teamwork, attitude, training, his swimming journey from a young age, HIGH's improvement in swimming, commitment and never give up a and always performing to the best of your ability. He also focused on the benefits of the GPS competition. Well done.

### GPS Swimming Season 2017

Following the school swimming carnival, it was not long before the GPS competition began. This season the competition intensified as the strength of GPS swimming became evident through the many records that were broken this season.

After the departure of a strong senior team last year the emphasise this season was to gain GPS selections based on individual performances rather than relays. Our relay teams have performed credibly throughout, finishing on average in 4<sup>th</sup> to 5<sup>th</sup> position just missing out on selections. Over the qualifying carnivals at Newington and Riverview our performances were strong, but those results did not eventuate at the championship carnivals 1, 2 and 3. .

The atmosphere on the last carnival at SOPAC was electrifying with 225 supporters showing up which made the night special for our team, especially for Jake Rowlands (SBHS and GPS captain), who went on to win the 100 m championship blue ribbon event.

A special thanks to Dr Jaggar and Mr Aldous for supporting the team and to the parent community who go to extra lengths to facilitate the swimming needs of their children.
