

From the Principal High Talent

At last week's NSWCHS Athletics Championships at the Olympic Centre in Homebush, High was represented by 16 athletes. Roger Burrell won a silver medal in the shot put and was 4th in the discus. The 15 years 4 x 100m relay team of Joshua Hui, Joel Livingston, Nelson Ridges and Lachlan Street were very competitive in their bronze medal run. Despite the very windy conditions, Justin James (formerly James Barker) won a bronze in the 3000m and finished 4th in the 1500m. Finalists were: Dakshika Gunaratne 110 hurdles, Jeremy Ireland 1500m, Ty Linegar 800m and Lachlan Street 100m hurdles. Congratulations to all our representatives. Conditions were very adverse for athletics competition but everyone stuck to his schedule. I wish more of our boys showed your determination and persistence.

International Night

Our inaugural International night was hailed as a great success with families, students and staff entertained and fed in a convivial atmosphere. After cocktails and entrée food in the foyer, Ms Lim gave an impressive display of martial arts using a bamboo pole to demonstrate multiple methods of inflicting damage on a would be assailant. A Chinese Lion led the way into the great Hall accompanied by cymbals and drum. The dance culminated in a lettuce devouring and regurgitation ritual with traditionally lucky portents for those in attendance. Simon Chan was MC for the evening. Mark Nam (School Captain 2002) gave an opening address to the 160 strong group that linked school family participation to enduring qualities of character

nurtured by the High experience. The essential support of parents for our co-curricular programs was highlighted. Dinner entertainment was supplied by Jason Phu on a haunting traditional Chinese string instrument, along with belly dancers who got several parents on their feet and a Bollywood tap dancer who literally lit up the floor. Greek dancing was provided by a trio of our students who were joined on stage by Perennial performer Paul Pang played beautifully as usual.

Speeches from Shane Brown on the newly formed Sydney High School Development Committee and its role and from Charles Ovadia on the proposed Parent Mentoring Scheme were the only 'business' of the evening. Straw constructions from each table were judged. The flights of paper aeroplanes flown from the stage by a 'pilot' from each table were measured. Raffles and guessing competitions were decided and prizes distributed. The evening was well planned, suitably paced and entertaining. Congratulations to Valda Roser for the idea and to her committee of Ann Kurts and Barbara Taylor for a fine job. The organisation managed by Valda from conception to completion took 5 weeks – a great effort! We hope to stage an even bigger event next year.

Prefect Elections

The Prefect elections for 2007 were held this week with staff and current Prefects, Year 11 and Year 10 voters making up the three constituencies. Again, a rigorous culling process occurred before qualified candidates were placed on the ballot. The policy prescribes that the highest polling 36 boys plus any ties are elected. Prefects elect have to demonstrate appropriate behaviour during the probationary period until investiture at the Founders Day Assembly. The Prefects will vote for a School Captain. The winner of the poll will be declared Captain and the runner up, Vice Captain. The two captains, with the advice of Mr Kesting, the Prefects Master, will select a Senior Prefect whose role will be to inspire and organise the Prefect group to carry out their roles diligently. As a refinement of previous practice, complaints about the

behaviour of a Prefect will be referred to the Senior Prefect by the Prefects Master before disciplinary measures are implemented against a member of the Prefect body.

Congratulations to the following boys who were elected as **probationary** School Prefects for 2007.

From The Library

International Night – *"and a great time was had by all"*

Never were truer words spoken. If you missed out on this Year's International Night you missed out on some heartfelt fun *and games!*

Not only were there commercial belly dancers – there were a number of parents who were very competent in the art. There were not only the three Greek dancing boys from Sydney Boys High they were joined by a great rush of boys (and staff, and parents) all eager to show off their Greek dancing skills on stage. It was not only the children who made the f111's fly off the stage and out into the audience but the fathers who could not resist getting into the act as well.

There was a lit up, tap dancing Bollywood performer, who upstaged Paul Pang. Paul bounced back with some of his showiest piano pieces. There was a Chinese dragon and games of chance and skill and endless prizes. Jason Phu played the Chinese violin,

(and after only one year playing it will sit for his HSC in this instrument this year), and there was plenty of food and good company.

The President of the P&C, Shane Brown, also made a low key launch of the work of the Sydney Boys High Development Committee. This Committee, ably chaired by Professor Tailoi Chan-Ling is commencing a major Capital Works Drive to fund the building of the new library hopefully to begin in 2008 the 125th Anniversary of Sydney Boys High. A projected \$1.75 million is needed for this. So much of the infrastructure of High is undergoing refurbishment and development that when it was put up to examine on boards at the back of the hall it was a matter of great pride for the school bodies – the P&C, the Senior Executive, the parents and the boys, who are always at the heart of every piece of fundraising, and who inspire everyone who is involved with them.

Huge thanks to the enthusiasm and dedication of Valda Roser, who has inspired 6 years of parents by her efforts at Sydney Boys High, for thinking of and putting on a night which officially recognises the valued, multicultural nature of Sydney Boys High. The night was ably compared by Simon Chan who is, incidentally, the architect who is drawing up the plans for the new library. Simon is a key member of the Development Committee and the School Council.

Join the Parents of Year 7

The Year 7 Parents are meeting to discuss the final examinations schedule for 2006. Complementing this is a presentation on study skills and time management – how to assist and guide our boys.

Please join us to discuss Term 3 and prepare for the end of year examinations

If you would like to attend the Parent's meetings or receive copies of the minutes from these meetings, please send your contact details to:
sydneyboyshighyear7@gmail.com

Where: Staff Common Room Sydney Boys High
Time: 1800 hrs
Date: 20 September 2006

High Store

As of Term IV, any boys requiring lines for their blazer need to bring their blazer with authorisation by Mr Ayre to the High Store by the 1st week of the month. Any enquires, please see Michelle in the High Store.

Michelle Gentele

A SPECIAL NOTE TO ALL YEAR 12 PARENTS

On Friday 17 November (6.30pm - 8.30pm) the parents of Year 11 will host a cocktail party to farewell the Year 12 parents on behalf of the P & C and the whole school family.

The function will provide an opportunity to say your farewells to each other and the school in a relaxed and pleasant atmosphere and for the P & C to say thank you to you for the input you have had in the school over the last 6 years.

You will receive a personal invitation to the function shortly, please diarise this date so you can plan to be there.

Looking forward to seeing you at the function.

Chess News

Last Friday as Eastern Region Champions, the Junior High team defeated Southern Region winners Leumeah 4-0. This Friday they play in the Grand Final against Baulkham Hills, winners of the

North v West Regions. The last High team to win the Junior division of the NSW inter-school competition was in 1991.

GPS Invitational Chess Tournament

Next Tuesday High will be hosting the inaugural GPS Invitational Chess Tournament. All the schools will be sending their best 8 players (no age divisions) for a one day tournament to be played in the Great Hall. Spectators are welcome but please remember to be quiet and under no circumstances is there to be any communication with a player during a game.

The High team: Jason Cohn(10), Dominic Nguyen(7), William Cao(12), Dimitriy Shurapey(9), Declan McCrea-Steele(8), Charley Peng(9), Dawen Shi(7), Ben Encel(8). Reserves, Steven Zheng(9), Harrison Lane(9), Edward Lu(9), Oleg Koudashev(11), Anthony Hopkins(9)

If you would like to represent your school in the future or simply improve your game please come along to room 104 any Monday afternoon and meet our coach Alex Feldman.

The Weights Room

Welcome to those boys who have taken up the ½ term \$20 offer and either re-commenced or begun their Strength Training journey. I remind you all once more that if you aren't a currently paid up member doing an approved program then you will not be allowed to use the weights room during the forthcoming holiday period (holiday opening times to be published shortly).

This week I want to make special mention of a couple of groups of young boys who have had their first taste of strength training, starting in the gym during the late weeks of term 2 and continuing through to this term. They are the **year 8's**, or the **mini me's**, as I call them. This group of dedicated young men has shown a real purpose in their application to strength train, and their interest to not only listen but also to also train 'the right way' has seen them make outstanding progress. To all you boys they are now the Weights Room 'bench mark' trainers and the reasons I refer to them as such are simple. I don't have to keep my 'second set' of eyes on them continually to make sure a full program is completed or continually berate them for not adhering to the number one rule of 'technique first, weight second'. They listen once, implement corrections immediately, and get on with it. They get in early, work together, plan their attack, work

solidly, and then get out. The intensity is high, enjoyment high, commitment high and the progress exceptional.

These boys have grown incredibly in strength and confidence during this period. Size will come in time. They will all have growth spurts and at different periods over the next few years the volume (not only in the gym but all activity) will need to drop to allow the growing body to adapt. But grow they will. What they have done is set their bodies up to grow, not shrink like the ill informed believe. Strength Training gives you control over your muscles and therefore your body. It excites the neural system and allows the brain to become more adept at controlling more of your muscle fibres than ever before. In the years to come I will watch this group with anticipation. Some of them already have experienced success on the sporting field. From here on in the sky's the limit..... or is it?

For the record they are:

James Whiting

Alex Koerber

Andrew Blomberg

Leo Gordon

Gareth Deacon

Michael Ambrose

Ilya

&

Gregory S.....for Superman!

Sorry if I missed any

TJ

Rowing Committee

You can find the Minutes for the Rowing Committee Meeting held on 5 September on the school website at www.sydneyboyshigh.com

Final Fencing Report for 2006

NSW Schools Fencing League (Team) Results:

Division A: SBHS-A: 5th, SBHS-B: 14th

Division B: SBHS- E: 4th, SBHS-D: 8th, SBHS-F: 13th, SBHS-G: 18th

MINI Boys: SBHS: 9th

Whilst this year none of our teams qualified for a top three spot in the Schools League, there were a number of well deserved individual medals.

Division A

Bronze Medal: Yu Lin

Division B

Silver Medal: Julian Byrnes

Bronze Medal: Samuel Sathiakumar, Addison Clune, Caillin McKay

The SBHS-A team was expecting to win a medal in the Schools Fencing League after our Bronze Medal performance in the AJ Ray Shield back in May. However it proved a challenging competition for our injury riddled team. To earn a medal in Division-A at least three uninjured fencers are needed, something we just did not have.

Whilst SBHS-A convincingly eliminated NSBHS-A in the finals last Saturday we were then just as convincingly eliminated by St Aloysius-A, leaving us in 5th place. Thank you to Jeffrey Chan who despite his shoulder problems agreed to replace me in the finals due to my ongoing ankle injuries.

The most valuable Division-A fencer of the Schools Fencing League was Yu Lin, given his outstanding team spirit, dedication to fencing and excellent effort under pressure in less than ideal circumstances. Yu Lin's individual Bronze Medal is a highly deserved one.

In Division-B, SBHS-D finished 8th after being eliminated by the number one team, St. Ignatius-B, with Samuel Sathiakumar qualifying for a Bronze Medal. SBHS-E finished a respectable 4th after comfortably defeating Trinity-B, losing to St. Ignatius-B and then to Arden. Congratulations to Julian Byrnes, the most successful Division-B fencer, who was awarded an individual Silver Medal for his efforts, and Addison Clune, who received a Bronze. SBHS-F finished in 13th place with Caillin McKay qualifying for a Bronze Medal, and SBHS-G finished 18th.

The MINIS achieved 9th place after being defeated by Edgecliff-A. Ian Ho, Pasan Pannila, Albert Nguyen and Anthony Xu fenced enthusiastically and displayed great team spirit. Remember that you will still be MINIS in 2007, just more experienced ones.

It is important for all fencers to keep training in the off season and if anyone requires information on UTS training, development camps or extra coaching please speak to me at school or send me an email.

On behalf of all fencers I would like to thank our MIC, Ms May, for her dedication to fencing, our coaches, Alwyn Wardle, Tuko Maia and Chris Markey for their excellent coaching, and finally all parents for their support. I am looking forward to see you all back at fencing in 2007.

Amadeus Klocker (Captain)

Final Words From Fencing MIC

At the close of the Fencing season this year, my first season involved with this sport, I would like to express my

admiration for the High Spirit displayed by the fencers. Every Wednesday, when furniture had to be removed in the Great Hall, Fencers would just pitch in and do it, Senior Fencers waited on Saturdays for the Minis to fence their first ever bouts to offer them support and encouragement, fencers like Kevin Lee and Boris would wait until other teams were fully formed on Saturdays to ensure they would not be required to substitute before heading home and Patrick Duffy would lead fencers on footwork sessions on a weekly basis.

I would like to take the opportunity to thank the 2006 Fencing Captain, Amadeus for his outstanding work. He was most dedicated, organised and generous with time, energy and encouragement to other fencers.

I would also like to thank all of the parents who attended the Saturdays to cheer on and assist their son's teams. It was most enjoyable to spend the Saturdays in their company.

On a personal note, I wish to thank Gabriele Klocker for her amazing energy and organisational skills. Gabriele registered teams, reserved electrical equipment, trouble shot, ordered and took delivery of student's fencing gear, booked coaches, patiently explained the fencing rules [over and over] to me, liaised with the fencing association and much, much more.

Thank you also to our Coaches Alwyn Wardle, Tuko Maia and Chris Markey who have inspired our boys and to Ms Carol Werner for her work on Thursdays with Years 7 and 8 Fencers.

Congratulations to all of the teams for their performance over the season. There were a number of individual medals awarded: Division A Bronze Medal: Yu Lin; and in Division B Silver Medal : Julian Byrnes and Bronze Medals: Samuel Sathiakumar, Addison Clune, Caillin McKay.

I am looking forward to the next season and encourage students to participate in any camp opportunities that arise. Students who attended the camps displayed noticeably more skill and confidence.

Thanks again Amadeus for your very fine work as Captain for Fencing 2006.

J May

TSC/NC Invitation Athletics, ES Marks Saturday 9 September

At the Scots / Newington Invitation Carnival the High Athletics Team was presented with the challenge of facing torrential rain and gale force winds, however upon arrival, it was announced that all Field events were cancelled. This meant it was up to the High track team to face the elements and compete bravely in those events which were not cancelled.

In the 3000m young Harrison Lane showed good staying power to hang onto to the much older field and he could be one of High's rising stars of the future.

In the Hurdles the officials reduced the events to Championship only due to the dangerous conditions, however the High runners competed valiantly. The High boys were all ready for the 800m races with many having 'warmed up' in the rain. However the lightning and thunder put the nail in the coffin and the officials wisely made the decision to call off the carnival. Big thanks must go out to all those High boys who braved the weather to turn up at the carnival but remember that the GPS Championships, this Saturday, will be run no matter what the conditions, so be prepared.

This Saturday, 16th September is the Combined GPS Athletics Championship which will be held at the Sydney International Athletic Centre at Homebush. I hope everyone, students, parents and teachers will come out to SIAC to support the High Athletics Team and participate in one of the greatest events in the GPS calendar. Following this there is a BBQ at Abbotsford for athletes and parents of athletes. On Saturday I would like to see all the High competitors running, jumping and throwing Personal Bests because every competitor we beat adds to our school's points tally.

Roger Burrell
Captain of Athletics

CHS Athletics Report

Over the course of 3 days High competed strongly at the prestigious Combined

High Schools Athletics Championships. High came away with 3 medals, a solid achievement considering the pool of schools competing is many times larger than the GPS. The winds were strong, with tempestuous rains testing the boy's mettle, but High overcame the inclement weather to post impressive results.

In the 12 years age group Michael Phung sailed to 4.37m in the long jump, the considerable winds making his result more incredible.

In the 13 years our prodigious sprinter Shadman Ali was feeling under the weather but still managed 13.35 in -3.1m/s winds. In the high jump, Chris Morrow jumped 1.5m to come in the middle of a strong field of 20.

In the 14 years Jeremy Ireland placed a credible 6th with a promising time of 4:48 in similarly atrocious conditions.

In the 15 years Lachlan Street competed in the 200m and the hurdles, unfortunately not being able to snare a podium finish. The 15 year 4x100m relay team has been going from strength to strength, running a time of 46.34 and coming third to fellow regional rival Westfields. This gives, them along with James Barker, the track performance of the meet.

In the 16 years Ty Linger galloped to a 2:04, a very quick time, a PB and not far off a national qualifier; unfortunately it was a very quick final, and he ended up in 6th place.

In the 17 years Roger 'Buzza' Burrell was extraordinary in his placing of second in the open age group throwing 14.82m, a national qualifier, giving him the field performance of the meet from the High boys. He also competed strongly in the discus, throwing just under 40 metres for a courageous 5th. Come and support Roger as he is a firm favourite for the GPS Championships this weekend.

Also in this age group James Barker ran the first event of the championships, the 3000m, and managed to come away with a 3rd place - beaten by the state record holder 1st and the National Cross Country Champion 2nd, it was a sterling effort. He backed up on Saturday to run the 1500m where he was just edged out for fourth.

The boys should be commended on the results in such a high standard of competition - with each of the events having 20+ competitors, it was not an easy ask for our small group of boys, but High rose to the occasion. Thank you Mr Ayre for coming out to cheer on each of the boys in wind, hail or rain. Every boy should come and support High at the GPS Championships; it attracts the largest crowd for any athletics event in the nation. Come give our boys that extra push over the line.

Come rally round!
James Barker

Basketball AGM
Tuesday 19th September 7:30 pm
Room 901 (upstairs of the gym)

I am writing to urge all involved with Sydney Boys High to attend the AGM for the SBHS Basketball Committee. In particular, if your son plays basketball I would greatly appreciate your support.

I declare all positions vacant and will accept nominations via email to my school address HaymanB@sydneyboys-h.schools.nsw.edu.au The Positions are Chairperson, Secretary, Functions Co-ordinator (post game and post season), Senior Event Organiser (communications for canteen and score bench), Junior Event Organiser, Car Parking Co-ordinator.

Agenda at this stage is as follows:

- 1) Election of Office Bearers
- 2) Strategic plan handout and discussion- B.Hayman, Robert Pluis
- 3) Other business

We will not be able to function without an abundance of parental support. I look forward to meeting you at the meeting!

Enthusiastically yours in Basketball,

B Hayman (MIC)

MUSIC NOTES

The year 12 HSC music performance exams were held last Wednesday and Monday with the students practicing diligently on their instruments leading up to their exams. We wish all our boys the best in their preparation for their musicology exams coming up. Well done on all your hard work and efforts so far in this busy time of the year, also a big thank you to Jason Phu and Paul Pang who performed brilliantly at the Inaugural Family Night last Saturday held in the Great Hall; a most fun-filled and entertaining evening.

China Music Tour 2007 Expression of Interest

The Music Department in collaboration with the Australian Chinese Culture & Arts Group will be organising a 16-day music tour to China in the 2007 July holidays. This is a wonderful opportunity for the students to perform in the Beijing International Youth Carnival 2007 with other youth bands from 21 countries worldwide.

As well as participating in the Grand Parade in Wang Fu Jing and the music show of Olympic Opening Music, students will visit renowned tourist sites around Beijing, Shanghai, Hangzhou and Nan Jing. The anticipated cost of this tour will be approximately \$2000 which includes all meals, accommodation, and entries.

Students and parents interested in coming on the tour need to complete the form below and **return to the music staff no later than Wednesday 20th of September 2006 (Week 10)**. We will be holding a meeting on **Monday 25th of September at 6:30pm** in the Great Hall to provide you with more information.

SCULPTURE PUZZLE SOLVED

Congratulations Rohit in Year 9. The Icon Image Year 11 appropriated in the collaborative plastic wrap sculpture was Joe Rosenthal's "Soldiers Hoist the Stars and Stripes at Iwo Jima" 1945.

Iwo Jima

Mitchell Landsberg writing for AP: "The battle for Iwo Jima was the costliest battle in Marine Corps history. Its toll of 6,821 Americans dead, 5,931 of them Marines, accounted for nearly one-third of all Marine Corps losses in all of World War II. Rosenthal's picture has been called the greatest photograph of all time. It may well be the most widely reproduced." The photo appeared on 3.5 million posters, was used on a postage stamp and on the cover of countless magazines and newspapers. It served as the model for the Marine Corps War Memorial in Arlington, Va.

The Iwo Jima image has also inspired other icon images such as the three firemen hoisting the flag at ground zero New York in 2001.

Are there such well known Australian images?

Congratulations Year 11

When the gale force winds brought down the huge tree near the cricket nets on Thursday your sculpture remained standing and whole

SYDNEY BOYS HIGH CRICKET

www.sydneyboyscricket.info

Next Wednesday and Thursday we swing into nets and trials in our pre season which will put us in a solid position for the start of AAGPS Competitions in Term 4.

I would like to welcome our new cricketers who are now joining the most consistent performing sport at High and well done to all who have returned from last season and prepared to carry on the task of helping High become a leader in the field.

TRIAL MATCHES Sat 23 SEP

Due to the current weather pattern and uncertainty of grounds being available we have had to put in place a realistic "B" Plan leading up to the day. To ensure that cricket is the winner on the day and we achieve proper grading of teams, we have cancelled the planned Barbecue which will be held later as a pre- Christmas fun day function. Cricketers will need to supply their own lunches and we will supply drinks for field drink breaks. Please ensure you check the cricket website on Friday evening (22 Sep) in case of ground restrictions or weather problems.

YEAR 8 CAMP

All Year 8 cricketers will be on camp leading up to the Trial Matches and to ensure all are aware of their participation the preliminary teams appear herein.

BLUE TEAM S.Ali, L.Aylmer, A.Chawla, J. Lam, N.Chowdhury, B.Encel (A/Capt), O.Fio, A.George, J.He, H.Huang, R.Kamal, B.Kelly and S.Kumar

GOLD TEAM A.Liu, H.Lu, D.Ma, T.Molloy, K.Perera, S.Sandhu, D.Sreetharan, K.Taylor(A/Capt), J.Ubaldi, G.(Bill) Wang, N.Wang and T.Wang.

Ground locations and match times will appear on the cricket Website with any changes or updates. Correct cricket attire is to be worn for trial matches and personal cricket equipment should accompany the boys. Batting pads and gloves will be available to those who do not have personal equipment

GENERAL MEETING

On Wednesday 20 Sept. a General Meeting of parents, coaches and players will be held in Room 901 at the Gymnasium to review the 2006 / 07 Season and to establish support groups. We need your attendance so that we have assistance on the sidelines for Saturday 23 Sep Centre Wicket Trials and we urgently need volunteers to assist at the Open Camp which commences on Friday 29 Sep through to Sun 1 Oct. The response for the latter Camp has been disappointing to date.

NEW CRICKET NETS –

The slab has been completed and we now have a 2 week wait for the slab to cure and the final installations of synthetic grass, nets and wicket markings will then occur. Great news is that the Nets will be in action for Term 4 and we will see the bowling machines in regular motion thereafter.

CRICKET WEBSITE

We are having a Server problem with our Cricket Website which has been identified by several users. The fault is being attended to but in the meantime please ensure that you use the Links on the Home Page to access all areas of the Site. We anticipate the Server fault will be rectified within the next 10 days and an announcement will appear on the Home Page. By the way High Notes appears on site each week, so there are no excuses for not being aware of current news.
