The Weekly Newsletter of Sydney Boys High School

Vol 8 No 3 February 16 2007

From the Principal *High Notes* Publication

Our webmaster, David Isaacs, has over 800 email addresses to send an html link to parents so that they can quickly access *High Notes* online. Consequently, next Friday 23/2, will be the last full print run of *High Notes*. Email addresses on our data base will be sent a reminder email and link to High Notes each week. A limited number of hard copies will be available from the front office on Fridays. If you haven't yet registered your current email address I urge you to do so. If you have no access to email you can write to me and I will have a copy of *High Notes* held in reserve for your son. We hope the new arrangements will save time, printing costs and will be more effective in communicating with our community.

High Talent

Phillip Kurts won the state 4.7 Laser championships last weekend. Well done, Phil!

Rifle Shooting Arrangements

We really need a staff member interested in shooting as a sport to help keep our sport functioning. There is an Open Day hosted by Sydney High Rifle Club Inc scheduled for March 17. I encourage anyone interested in the sport to experience it on the day. Boys in Year 7 who want to join rifle shooting as a sport need to have a permit. These permits take quite a while to organise. Mrs Meaney in the front office knows what procedures to follow. You need to act now to be ready for term 2. Boys in Years 8 and 9 with permits may take rifle shooting all year. Rifle shooting is held at Malabar at the small bore range on Thursdays, under the guidance of Mr Peter Wrigley and the Woollahra Rifle Club. Full bore for years 10-12 is held on Saturdays at Malabar. Training is in the morning and competition in the afternoon. Daniel Comben will support our training program in a part time capacity this year. Until the team gets together for the All Schools and GPS meets, individuals are shooting with other clubs at

Malabar on Saturdays. If you are registered with a club and taking part in this program, let Mr Ayre know to be exempted from Wednesday sport.

Monthly Giving Plan – Sydney Boys High Building Fund

Our monthly giving plan has now attracted a dozen subscribers. This is a very new scheme and the response so far is modest. Parents and

High supporters are gradually becoming aware of the ease and convenience of automatic monthly deductions. In order to speed up a start on our new library and performing arts space, we will need hundreds of monthly donors or many large one off donations. Pick up a 'green form' from the office or use the donation form from the High Notes or download one from our website. Do as I do and together we can make a grand vision into a reality.

'Global Plus' Co-payments, Transport Levies and Music Fees

Once numbers are established, invoices will be generated and posted from week 4 term 1. All students who are being transported to sports are to be invoiced at \$40 per season. Students accessing music tutor services will be invoiced for their lessons.

I introduced the *Global Plus* proposal in *High Notes* on 10/11/06. I have not had any written feedback about the possible impact of its implementation. The *Sports Council* at its recent meeting voiced mixed opinions about how individual sports might be affected by *global plus*. There has been a recommendation made to me that junior students should be exempted from Global Plus payments. The rationale is that High encourages participation and a co-payment might inhibit participation, particularly when *High Junior School* students are experimenting with different sports and activities. Comparisons and choices between sports or activities on the basis of cost might become divisive and counter productive. If we

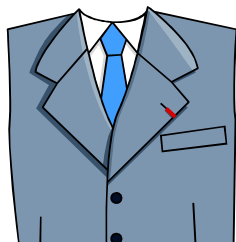

truly believe in Years 7-9 as being about individual development (so the argument runs) why restrict choice and make financial arrangements more complex? Why not leave co-payments to the *High Senior School* where most of the resources are consumed, where most coaches operate and where students have demonstrated commitment to the sport or activity? A further extension of the argument says: 'Just increase the school fees for the senior school by \$100 and use the extra funds in the co-curricular program.'

In the context of our GPS competitors with \$20k. per annum fees, High offers great value. However, we are struggling to maintain standards in a market of rising coaching and OH&S costs. Before a final decision is made on these important matters I would appreciate feedback at Kim.Jaggard@det.nsw.edu.au

Clearance Form Arrangements

Students should prepare for *Clearance Forms* to be signed at the end of first semester as well as at the end of the year. Students in semesterised history and geography in stage 4 need to change subjects and teachers and need to return texts and/or materials. Students completing summer sports may owe co-payments or workbook purchases or transport levies or kit or sports reports for *The Record*. Students in the performance music program need to meet their payments for semester one lessons. The forms will be personalised as usual, to minimise the effort required to comply.

School Uniform Policy

Students are reminded that this is a full uniform school. I have been disappointed at the dress standard I have observed in the opening couple of weeks. Let us all do our collars up, push our tie knots up to our necks and tuck our shirts in. We need

to demonstrate pride in ourselves and in our school. Correct dress shows that we care.

Teachers are reminded that they get the standard of uniform compliance they will accept. Negative consequences can be applied for students not wearing uniform. Senior executive support is there to assist individuals trying to make a stand against sloppy standards. If we worked together our boys would lift their game.

Lockers

New Procedures for 2007

Year 7

All students in Year 7 have been allocated a locker and issued with a lock and two keys without charge. This occurred early in Week 2.

Year 8

Year 8 students were not automatically allocated lockers this year. Students who required a locker for the year registered with Mr Beringer, paid a [non-refundable] fee of \$10 to the office and were then allocated a locker. About 80 Year 8 boys requested lockers.

Years 9 – 12

The 100 lockers remaining were then made available to students in these years on a first come, first served basis. There are still 14 lockers not allocated.

Special Cases

Boys in Years 8 – 12 who have a medical or other reason which they believed requires them to have the use of a locker were asked to make a case to Mr Beringer early in Week 2. Three such requests were heard and lockers were allocated in each case.

Locks and keys

Only the locks and keys supplied may be used. If a key is lost, a replacement charge of \$5 per key will apply. All locks and keys will be collected during the clearance process at the end of the year.

EXCITING OPPORTUNITY FOR YEAR 9-12 STUDENTS UNITED NATIONS YOUTH ASSOCIATION ANNUAL CONFERENCE 2007

The **United Nations Youth Association of Australia**
is holding their **annual conference** over the weekend of
the 9-11th March 2007.

This year's conference will have the theme of **"Changing Climate Change"**.

The annual event brings together over 100 high school students from around NSW.

Delegates attending the event hear from informative and engaging speakers on a plethora of issues including human rights, youth empowerment and related matters.

Delegates also take part in issue based and interactive workshops. On the final day, delegates represent a member state of the UN in a model United Nations General Assembly debate.

This is an excellent opportunity for the boys to implement their general knowledge and debating skills, meet new people and be involved in community matters.

Delegates attending the annual conference may be selected into the state and territory teams and find themselves representing youth around Australia and potentially the world!

It is also a good experience and gives you a taste of what MUNA (Model United Nations Assembly) events are like. There are several MUNA competition which SBHS enters each year.

The conference is held at the Collaroy Conference Centre, Collaroy from **6pm on Friday until 4.30pm on Sunday**. Boys with Saturday sport commitments can go to the conference after sport.

The cost is \$140, however depending on the number of students interested in attending **each place will be subsidised from the school debating and talent development budget.**

Students who are interested in attending the conference should email Ms Brewer at sbhsdebating@gmail.com or write a short statement about why they would like to attend the conference by Friday Feb 23rd.

More information can be found at
<http://www.unya.asn.au/nsw>

MIC HAYMAN'S OVERVIEW:

"It was very disappointing to have lost so many close games this week. However it wasn't that long ago that we didn't even get close against Kings! Many players need to remember what it was like (back then) to have your self-esteem hammered every week when you stepped on the floor to represent this great school. Bring everything you have from the jump ball and want it more than your opposition on Saturday. Push your team to new levels of confidence. Juniors need to get onto our new courts and hoop every day full court-don't be scared off the flat by the seniors"

Also from now on, the 'Your Call Ref' section will be inside shooting hoops!

reports

At the start of the game we were confident because we had beaten Kings last term. High took an early lead when Kings produced a few too many early fouls. The shell drill that we had been practising so much was played the best we had ever done and Kings had trouble putting the ball in the hoop. High had a substantial lead. During the second half Kings applied more pressure and High had trouble bringing the ball up the court and resulted in a lot of turnovers. They also found a way to break through our shell drill. Kings scored 8 unanswered points closing in on High. Then Michael Wong produced an ankle breaker and that lifted High's spirits. At full time Kings were fouled according to the Kings ref and given two free throws at 25-25. Missing the first and scoring the second, High was closely defeated 25-26.

YOUR CALL REF!

Last week's question was:

7 BLUE receives a pass from 8 BLUE and is knocked over by the force of the pass. However 7 BLUE at no stage loses control of the ball and without lifting his feet off the floor he manages to stand back up.

The call should be:

- a) Travel on 7 BLUE?
- b) Technical foul on 8 BLUE for throwing the ball too hard?
- c) No call because 7 BLUE did not lift his pivot foot?

Art. 25.2.3 tells us, in part*. It is a violation if the player (who has fallen, is laying or sitting on the floor) the slides, rolls, or attempts to stand up while holding the ball. Therefore a) is the answer.

Now for this weeks "point to ponder"

BLUE 22 is driving towards the basket when RED 15 sets a guarding position in front of BLUE 22. BLUE 22 moves to go around RED 15 who slides sideways in an attempt to continue guarding BLUE 22. BLUE 22 makes contact on RED 15's torso

What should you call?

- a) Blocking foul on RED15
- b) Charging foul on BLUE 22
- c) Double foul
- d) Phone Super Junior 1sts Coach Alex Hayman and ask him

SYDNEY BOYS HIGH CRICKET

www.sydneyboyscricket.info

The three Under 13 teams took to the field last Saturday and performed creditably after only an assessment trial and afternoon clinic before hand. The 13As pulled a well drilled Kings team, whilst the 13Bs were impressive in their efforts and were capable of a victory which made Kings fight off a challenge and the 13Cs, mainly newcomers to cricket, did remarkably well considering their limited cricketing experience. Well done for your enthusiasm, on-field efforts and for the committed turn up to the games which saw us field 3 full teams plus reserves.

AROUND THE GROUNDS -GROUP 1 TEAMS

1st XI (Day 2) KINGS 7/129 & 4/134 -defeated- HIGH 10/125 & 10/135

Batting Tom Castleton 48 Gehan Karunaratne 40 2nd Innings Kerrod McPherson 42, Matthew Fetherston 27. See Website match report. See Cricket Website for match report

3rd XI (Day 2) KINGS 10/232 -defeated- HIGH 10/60 & 10/126

High batted poorly in its first innings losing early wickets and a middle order collapse had High at 7/42 with only Nick Lochner (26n.o.) adding any respectability to the final total of 60. Kings then batted and at 5/52 were under pressure but a 104 run partnership paved the way to their final total. High then showed some grit after a dismal start in its second innings but fell 46 runs short and were beaten outright. Best bowling Nimal Sridharam 5/23. Run scorers Shiva Sheth (23) and Ziggy Harrison-Tikisci (38) . See Cricket Website match report

16A KINGS 3/369 -defeated- HIGH 10/80 & 8/105

Finishing at 6/23 on Day 1 High continued batting and were all out for 80. Run scorers were Nick Lochner (30), Harrison Lane (25) and Arthur Kourtesis (14). Batting a second time and showing some mongrel and determination to stave off an outright, High were still at the wkts at 8/105 at stumps. Run scorers Nakul Pedneker (27), Avish Sharma (26), Arthur Kourtesis (15). Best bowling in Kings innings was Timmy Lim who took 2/56 and Avish Sharma took one wkt. See Cricket Website match report.

15A KINGS 10/200 -defeated- HIGH 10/106

High resumed on 1/20 chasing 200 on Day 2 but poor application and shot selection saw High all out for 106 in the 46th over. Run scorers Andy Liu (18), K.Taylor (16) and Nafiz Chowdhury (16n.o). A team with talent that requires leadership and maturity in their approach to matches. See Cricket Website match report.

GROUP 2 TEAMS

5th XI (20/20 fixture) HIGH 8/121 -defeated- KINGS 10/56

High batted and were 2/6 before Rommo Pandit 43n.o. and Dexter Isaacs 31 helped steady the innings after some unacceptable on field cricket earlier by several of High's batsmen and the team finished at 10/121. Kings then took the crease and were soon in trouble and ended up all out for 56. Rommo Pandit took 5/9 off 4 overs and Adnan Husaini took 2/5 from 2 overs. See Website match report.

6th XI HIGH 9/120 -defeated- KINGS 3/90

Results only submitted.

15B KINGS 7/204 -defeated - HIGH 10/100

A most improved team who were all out for 18 runs against Kings in Term 1 2006 and put 100 on the board for the first time. Bowling honours went to Tim Molloy 3/63 and Nelson Wang 2/16 but the team catching and fielding was the stand out. Run scorers were Jia He (24), Liam Aylmer (18) and Rafat Kamal (14). See Cricket Website match report.

14B KINGS 1/71 -defeated- HIGH 10/70

High lost the toss and was sent in to bat and after a steady start the match changed with disruptions and injured players on both sides. A batting collapse after the first drinks break really identified our need to improve our batting skills and running between wickets as Kings produced accurate and consistent bowling. Kings batted and fired off at nearly 8 runs an over and passed High one down in the 9th over. Run scorers Iftiar Khan (23), Shanaz Razeen(13), Krishan Sivayogaryan (10) and Eric Ovadia (8). Bowling belonged to Eric Ovadia who took the only wicket. See the Cricket Website for a complete report.

14D KINGS 10/153 -defeated - HIGH 10/76

High won the toss and through inexperience put Kings in to bat on a bowler's wicket but battled on and had them all out for 153. Wicket takers were Rahib Azwad 2/0, Saif Haque 2/27, Vino Anandaselvakumar 1/10, Tahmid Shahriyar 1/17, and SaqibBhuiyan, Sheikh Siddiqui and Ryan GU 1 wkt each. High batted and against a creditable attack gamely put together 76 before the last wkt fell. Run scorers were Saif Haque (25), Rahib Azwad (22n.o) . See the Cricket Website for the full match report.

UNDER 13A KINGS 7/84 -defeated- HIGH 10/28

Best batting from Alexander Hughes (13), Krishnendu Dutta (5) and Emtiazul Hoque (4). Best bowling Emtiazul Hoque 2 wkts, Christopher Oei 2 wkts, Branavan Jeyarasa and Wade Yang one (1) wkt each

UNDER 13B KINGS 5/158 -defeated- HIGH 9/99

Best batting from Hiram Yu (26), Luke De La Cour (10), Ahdil Ansareen (8), Suman Prusty (8) and Tom Connelly (5)

UNDER 13C KINGS 7/199 -defeated- HIGH 10/30

Best batting from Harry Heo (6) and Derrick Foo 3 runs. Best bowling Benjamin Lee 2 wkts, Allen Fu, Vincent Chen, Jeremy Yao, Harry Heo and Michael Pham one (1) wkt. each.

YEAR 7 – CRICKET ROOKIE AWARD (Term 1): This Award is based on 1 pt for each run, 5 points for player who effects a run-out, 5 pts for a stumping, 10 pts for a catch, 20 pts for a wicket and 5 pts for participation in a school team. Players in the rotation each week are credited with 5 pts. **Points after Round 1. are** Luke De La Cour (55), Emtiazul Hoque (49), Christopher Oei (45), Benjamin Lee (45), Tom Connelly (35), Ahdil Ansareen (33), Hiram Yu (31), Harry Heo (31), Alexander Hughes (28), Michael Pham (26), Vincent Chen (26), Wade Yang (25), Jeremy Yao (25), Allen Fu (25), Lucas Fang (13), Suman Prusty (13), Ben Wilcox (10), Krishnendu Dutta (10), Brian Lam (8), Derrick Foo (8), Zafar Mohamed (6), Kenny Zhang (6), Shi Feng (6), Peter Wu (6), Shumit Hoque (5), Minwoo Yim (5), Sooraj Prakash (5), Dhruv Sabharwal (5), Kevin Krahe (5), Wilson Lin (5), Jim Kourourkas (5), Sanbib Ahmed (5), Tian Ling (5), William Yeung (5), Rotation players Naya Rahman (5), Adrian Phan (5).
