From the Principal

Welcome Back

Welcome back to staff, students, parents and supporters. Term two is always the busiest term as examinations, assessments and reporting all have to be completed for the entire school in ten weeks. Everyone is under pressure to meet deadlines. We change into winter sport competition this week so students and parents will need to make an effort to source all communication channels – High Notes, school website, sports website links, and GPS website – to keep informed about activities.

High Talent

Congratulations to Jason Kok (Year 12) on his selection in the NSW Public Schools Symphonic Wind ensemble. A big 'thank you' to all the students and staff who represented High at the Anzac Day March in the CBD. The High Marching Band was by all accounts the biggest and best we have sent to the march so far. Your efforts, particularly in trying weather conditions, were admirable and a credit to the school.

Staffing Changes

Welcome to High to Mr Peter Loizou, our newly appointed Head Teacher Social Sciences, formerly a teacher at Randwick Boys High. Welcome back to Mr Smith, returned from long service leave. Two very unfortunate accidents have left PE short staffed. Mr Farrington ruptured his Achilles tendon playing basketball and Mr Ryan was seriously injured in a cycling accident. The High community wishes them both a speedy recovery and rehabilitation. For term 2 Mr Matthew Hoggett will replace Mr Ryan, while regular relief teacher Mr Brian McDermott will fill in for Mr Farrington.

Submission for the Additional Year 9 Class

Our proposal for an extra class for Year 9 2008 has gone from the School Education Director to the Sydney Region Director and is now with the Director, Educational Measurement and School Accountability. I hope to have a decision on whether we are

allowed to establish this class for next year soon. My feedback so far has been negative, given the Minister's recently announced expansion of selective school places. It may be that political, rather than departmental support will be required to see it through.

The New Classroom Demountable 801

In preparation for our proposed expansion to 7 classes in Year 9, the school community has purchased and installed a top of the line 7.2 X 9m demountable. It is carpeted and air conditioned and has been connected to McDonald Wing for power and data. The demountable is being financed using P & C (\$18k) and Sydney Boys High Building Fund monthly instalments of \$1,900 for three years. Hopefully, in the medium term, 5-10 years, the new library will be constructed thereby easing the pressure on general classroom accommodation. The demountable could then be sold or assigned other uses. This classroom provides a most welcome new facility for the benefit of our students.

Sir Roden Cutler Memorial Gates

In the holidays, thanks to efforts by the Department of Commerce, our memorial stone has been laid outside the gates in the garden. Ben Ingle built the edging, fashioned and planted the garden. A garden inside the wall is being constructed too, under the guidance of Ms Mary Ann Cradock and Marcia Shepherd. Additional plants and shrubs are being planted. New trees will also be planted around the site. The uprights should be fitted next week. The dedication plaque has been made. I hope all will be in readiness a couple of weeks before the Governor-General comes to dedicate the gates. The gates project has taken five years

to complete. I trust it will be respected by all our students.

The Phillip Day Memorial Trust Appeal

There has been a good response to this appeal so far. Thank you to all those who have given so generously thus far. A small committee of High staff has been formed to promote the appeal and to determine the range of physical and financial tributes that will be established with the proceeds. I urge people who admired and respected Phil to support this appeal in his memory. We will close off the appeal and make decisions about it this term.

Electronic High Notes

Anecdotally, I have heard that readership of High Notes has declined since it has gone out electronically. I would really like to know how much substance is in that suggestion. If you would like to have your son receive a hard copy of High Notes, please register via the office email account and he can collect a copy each Friday.

UNSW Invitational Debating Tournament

The UNSW Invitational Debating Tournament held on March 18 was an enriching experience for those involved. This year, we sent six junior teams: three teams each in Years 7 and 8. It is great to see the enthusiasm of the new Year 7s.

All the Year 7 teams showed up, but two Year 8 debaters were unable to attend. Unfortunately, they were both from the same team, meaning it was left with only two people in it. Our fourth speaker, Michael Tickner, had to give up his place in our team, and debate for the other team. So our team consisted of only three members: Samir Kinger, Ashwin Rudder, and Nikhil Autar.

Our first debate was against Pittwater House 2. The topic was an interesting one: *That car-pooling should be compulsory*. This was a relatively easy win for us.

The second debate was against a Sydney Boys High Year 7 team. The topic was *That 50% of seats in all political parties should be reserved for women*. The Year 7 team was a great example of budding new

debaters that should go a long way this year. We managed to overcome them, to move onto the third round.

The third debate was a very close one. Our opponents were Killara High, who had also won both of their debates, and it meant that whoever won this would proceed to the final. The topic was *That Australia is a good global citizen*. In a very close debate, the momentum swung from one team to the other. The adjudicator was not allowed to give us the results until the finalists were announced, meaning we would not know who had won until that time.

We returned to the quadrangle for afternoon tea. The suspense began to mount. More time passed without it ever looking like the finalists would be announced. The suspense and nervousness continued to rise. About half an hour passed before we were finally called into the auditorium. At last they announced the finalists. The first was Pittwater House 1. And the other was...us!

The topic was *That private schools should not get public funding*. We were affirmative. As they are a private school, this was sure to lead to an interesting debate. In the end, they lost it by repeatedly insisting that without public funding they would miss out on their "luxuries". We were able to win, with the five adjudicators voting 4-1 our way.

A thank you must go to the other Year 8 debaters and parents who stayed behind and sacrificed their Sunday evening to watch us in the final.

DID YOU KNOW?

Did you know that 13 old boys of Sydney High have held a seat in the Commonwealth Parliament? The first was **Eric Bowden** (1892) who was elected as a Free Trade member for Nepean in 1906. Six old boys have held positions in the Commonwealth Ministry: **Eric Bowden** (1892) was Minister for Defence 1923-1925; **Sir Earle Page** (1895) was Treasurer 1923-1929, Minister for Commerce 1934-1941 and Minister for Health 1949-1956; **John Lawson** (enrolled 1911) was Minister for Trade and Customs 1939-1940; Sir **Howard Beale** (1917) was, with other appointments, Minister for Supply 1950-1958; **Lionel Murphy** (1940) was Attorney General 1972-1975; and **Gary Nairn** (1968) is currently Special Minister of State. **Earle Page** was also Prime Minister (Country Party) in April 1939. For 59 years of the 106 years since Federation the Northern NSW seat of Cowper has been held by old boys: **Earle Page** 1919-1961 and **Gary Nehl** (1951) 1984-2001.

More details about old boy members of parliament can be found in the [Archives](#) section of the School's website.

SYDNEY BOYS HIGH SCHOOL ROWING COMMITTEE

I think it fair to say we can all breathe a sigh of relief that the season has ended.

Just a reminder - the next one is just around the corner.

There have been many people throughout the season who have pitched in and helped with the many different tasks; be it the SBHS Regatta at Hen and Chicken Bay, the cutting of rolls on Saturday or the helping with the BBQ. To those committed parents at the shed every week, thank you very much.

As the season closed, I had the opportunity to attend the Rowing Assembly. If you have never attended one, I recommend you do, it was a special day.

Rowing Staff

On behalf of the committee a huge thank you to the all the teachers, coaches and staff for their contribution and support for the boys throughout the season.

Head of the River

I would like to thank Sara Eriksson and Juliet Schilling for decorating the shed for the boys and also the people who pitched-in in the kitchen with the rolls etc. On the BBQ thanks to Barry Shuttleworth, Sam and Nicholas Phillis, for cooking many a sausage and Peter Ambrose and Julie Blomberg at the bar.

The Working Bee

What a great turnout! Thanks to everyone that came along.

Noticeable was the activity in the kitchen, the BBQ (Yuk) and around the boat house. The sheets are gone for decontamination and ready for next year.

Fund Raiser

Please do not forget this important date, May 18. I have a table with 8 vacancies available for those of you who have not yet booked a space.

This event has all the hallmarks of a great night!

The Committee

As happens each year the parents of the year 12 boys move on and this year is no exception. There will be a number of vacancies on the committee and it would be great if we could see senior parents pick up a few of the positions.

Junior parents (year 7 or 8), we are in desperate need of people to learn the ropes by join the committee and required is a BBQ coordinator for Saturdays.

In closing, I would like to thank the committee for all the hard work put in during the season. I would like to pass on a special thanks to Andy Frieman and Judith Shuttleworth for their enormous effort in catering; Merrilee Linegar our nutritionist and to Elizabeth Hurrell our long suffering treasurer. Sadly all of these ladies are leaving us.

Until we all meet up again, thanks for your support.

Year 10 and 11 Student Opportunity MODEL UNITED NATION ASSEMBLY

Model United Nations Assembly or **MUNA** is about developing appropriate minds for a peaceful and purposeful global future.

MUNA events are mini versions of events negotiated in the same style and using the same protocol as in the UN.

MUNA challenges young people to respect and tolerate differences of race, religion and nationalism whilst retaining their own individualism and the best of their national traditions.

MUNA is a unique and important opportunity for students to research issues from different perspectives and gain a greater understanding of issues facing and shaping our world.

It is a very challenging day for the students who have to synthesise their research with what is presented by other nations on the day and re-evaluate their stance with regard to what has been presented.

There are two MUNA events being held in our region in 2007.

SYDNEY ROTARY MUNA

Saturday May 19

Nan Tien Temple, Wollongong

Year 11 students - two teams of three people.

This is a senior level competition in which students are allocated a nation to represent. Successful teams may go on to represent NSW and Australia at higher levels of the competition. Further details → <http://rotaryd9750.org.au/projects/muna/index.htm>

RANDWICK GIRLS HIGH SCHOOL MUNA

Thursday June 21

Randwick Girls High School.

Year 10 Students - up to 12 students

This competition is in its second year and is a great introduction to the protocols and conventions of the UN. Last year SBHS won the event.

COACHING FOR ROTARY MUNA STARTS APRIL 26

Preparation and research is the key to success in MUNA events. SBHS provides coaching by Julia Fetherston (two time world Schools debating Champion) on **Thursday mornings from 7.30am starting from week 1 of term 2**. No experience in public speaking or debating is necessary.

If you are interested in participating in either of these events please see Ms Brewer in Social Sciences or email sbhsdebating@gmail.com by April 30.

THE ONION BAG

Sydney High Football

This Saturday marks the start of the winter sports season. Trial matches are scheduled for this weekend v Cranbrook.

All players need to ensure that they know their fixture times and venues. Remember to organise your travel arrangements and plan to be at the venue at least 45 minutes prior to kick off. This allows time to gear up and be fully warmed up and prepared for the match. As a courtesy to the team, if you are running late, a call to either the coach or a fellow team member can greatly reduce the disruption to the team.

Details of Cranbrook's Dangar fields can be found at <http://www.cranbrook.nsw.edu.au/contactus/maps.cfm>
All other games will be at High grounds.

With the recent wet weather there is the possibility that the fixtures may be cancelled. The wet weather numbers are:

Dangar Fields – 9294 5089 and MPW/ McKay fields 93396670.

During the holidays, High's 1st grade squad, along with 9 other schools, played in the St Andrews cup which was held at Newington College. High played four games over two days. Whilst the results were not as we would have liked, encouragingly, there was a noticeable improvement in team play and cohesion. This was particularly evident in a trial match v Scots played on the last Saturday of the holidays.

Real Rowing for Rigour Racing Shells on the Parramatta River

If you want to learn Rowing in Sydney, then this course of 6 classes is for you. Whether you are a raw land lubber or have some previous experience, come and learn the skills of rowing. If your son is a rower then here is another experience that you can share. If your son does not row then you are still most welcome to join these classes. Rowing is the ideal aerobic sport for the entire body as it is low impact and has a low incidence of injury. You will also enjoy messing about in boats as well as the magic moments of early mornings on the water. Further courses will be planned for **Terms 3-4**. **Under 18** Learners must be accompanied by a participating adult.

Agenda

Week 1:

Orientation to the pontoon area
Racing shell setup
Safety precautions
Fundamental rowing technique

Weeks 2-6

Development of rowing technique
Style correction
Crew rowing

Learning Outcomes

At the completion of the course participants will possess the following skills and knowledge:

- Basic knowledge of rowing style and boat rigging
- Basic navigation rules and river etiquette
- Ability to row with a crew in a racing shell

Other Information

Complete crews are desirable but not essential. Other adult participants from a number of Community Colleges will also be in attendance. Make-up crews can be arranged in the IVs and VIIIs used.

Safety Notes: Participants must be able to swim 50 metres and tread water as a safety requirement. All participants must sign The Sydney High School Foundation Indemnity Form, stating swimming ability, before they are allowed on the water. Qualified coaches will be appointed to take charge of each crew.

Participants should bring: a hat, sunscreen, sunglasses, snack, water, well-fitting shorts and top (loose clothing may become caught in rigging), football socks as well as a change of clothes to wear home. All participants must wear suitable footwear (no thongs or sandals) for carrying boats in wet areas.

Absences: In case of illness, heavy rain or bad weather, please contact **Ross Bowey** on **0428 519705** to make arrangements or reschedule dates.

Expression of interest: Please contact **Judith Shuttleworth**, Foundation Venues Manager and a rowing parent, on **0427 070 569** or at sales@shsfoundation.org.au
