

Year 11 2024 Subject Selections Evening

6:00PM TUESDAY WEEK 7 2023

These slides are accessible on the school website at:
<https://sydneyhigh.school/curriculum/subject-choices>

Participants can send questions
at www.slido.com with #**SBHSYear11**

**N.B. A lot of questions will likely be answered within the
presentation**

Pre-requisites for eligibility

- ▶ All My Own Work – completed in Year 9 Values Education
- ▶ Minimum Standards Online testing in :
 - ▶ Numeracy
 - ▶ Reading
 - ▶ Writing(during Year 10 Term 4 Examination Block)

Stage 6 – Years 11 & 12

- ▶ Preliminary course:
 - ▶ Terms 1 to 3 Year 11
- ▶ HSC course:
 - ▶ Term 4 Year 11 to the end of Term 3 Year 12
- ▶ Term 4 Year 12
Study Vacation and HSC examinations

Year 11 at Sydney High

- ▶ English and English Extension 1 are compulsory (3 units)
- ▶ NINE additional units:
 - ▶ FOUR 2-unit subjects and
 - ▶ ONE of either:
 - ▶ Mathematics Extension 1
 - OR
 - ▶ Studies of Religion
 - OR
 - ▶ Philosophy

NESA requirements

▶ You must satisfactorily complete:

- ▶ a preliminary pattern of study that includes at least 12 units
an HSC pattern of study that includes at least 10 units.
- ▶ Both patterns of study must include at least:
 - ▶ 6 units of Board Developed Courses
 - ▶ 2 units of a Board Developed Course in English
 - ▶ 3 courses of 2 or more units (either Board Developed or Board Endorsed Courses)
 - ▶ Total of 4 subjects.

Assessment

- ▶ Students must make a genuine attempt at assessment tasks that total more than 50% of the available school assessment marks for the HSC courses only.
- ▶ **Assessment Mark** - a mark issued by the school, based on the formal internal assessment and moderated by the HSC examination performance. The assessment mark comprises 50% of the HSC mark.
- ▶ **Examination Mark** - the mark gained by the student in the HSC examination. The Examination mark comprises 50% of your HSC mark.
- ▶ **Medical certificates** - They need to be provided for students who are absent in the five days leading into an exam period as well as for any exams that are missed. If an exam is missed, the medical certificate must be accompanied by an illness/misadventure form.

HSC Grading

- ▶ HSC Mark – a mark which is a 50:50 combination of the external examination mark and school-based assessment mark for each course.
- ▶ Performance band: A student's HSC mark for each course will fall within one of six performance bands, where the highest achievement is Band 6 (90–100 marks) and where the minimum standard expected is 50 marks. A performance band of E1–E4 is shown for Extension courses.

Satisfactory completion of a Course

- ▶ Students must:
 - ▶ follow the course developed or endorsed by NESAs
 - ▶ apply themselves with diligence and sustained effort to the set task and experiences provided in the course by the school; and
 - ▶ achieve some or all of the course outcomes

N Warning letters

- ▶ If a student is not meeting the requirements, they are awarded a 'Non-completion Warning' (or N award). A copy is sent home, which outlines: 1. any issues of concern or outstanding work, and 2. a date by which students should redeem the outcomes of the missed work.
- ▶ If the work has not been completed by the due date a reminder letter will be sent home.
- ▶ If the work has not been received within one week of the date of the reminder letter, students will be placed on an in school detention.

Subject choices should be based on:

1. Interests
 - ▶ What provides enjoyment
 - ▶ Willing to work harder
2. Strengths
 - ▶ More likely to succeed
3. Career or Tertiary study needs
 - ▶ Should align with the points 1 & 2 anyway

Subject choices should NOT be based on:

- ▶ What your friends choose
 - ▶ Different interests, strengths & potentially different classes
- ▶ A specific teacher
 - ▶ The teacher might not teach the subject next year or may teach a class that you are not in
- ▶ How it scales
 - ▶ Subjects scale differently every year & it depends on how well you do on how well it scales

Scaling

- ▶ Boys are able to achieve a high ATAR score in subjects which are both “scaled down” and “scaled up”
- ▶ If a boy scores 90 in Subject A and this is “scaled down” to 80, this is still better than scoring 60 in Subject B which is “scaled up” to 70

How many units should be studied in Year 12?

- ▶ Depends on the student:
 - ▶ more than 10 units with a backup in case of problems
- OR
- ▶ use additional time wisely (i.e. study periods, less homework and fewer assessments) to remove the need for a backup subject
- ▶ i.e. opportunity cost

Major works

- ▶ The following courses include practical examinations or major works/ projects:
 - ▶ D&T
 - ▶ Drama
 - ▶ English Extension 2
 - ▶ History Extension
 - ▶ Music 2
 - ▶ Music Extension
 - ▶ Visual Arts

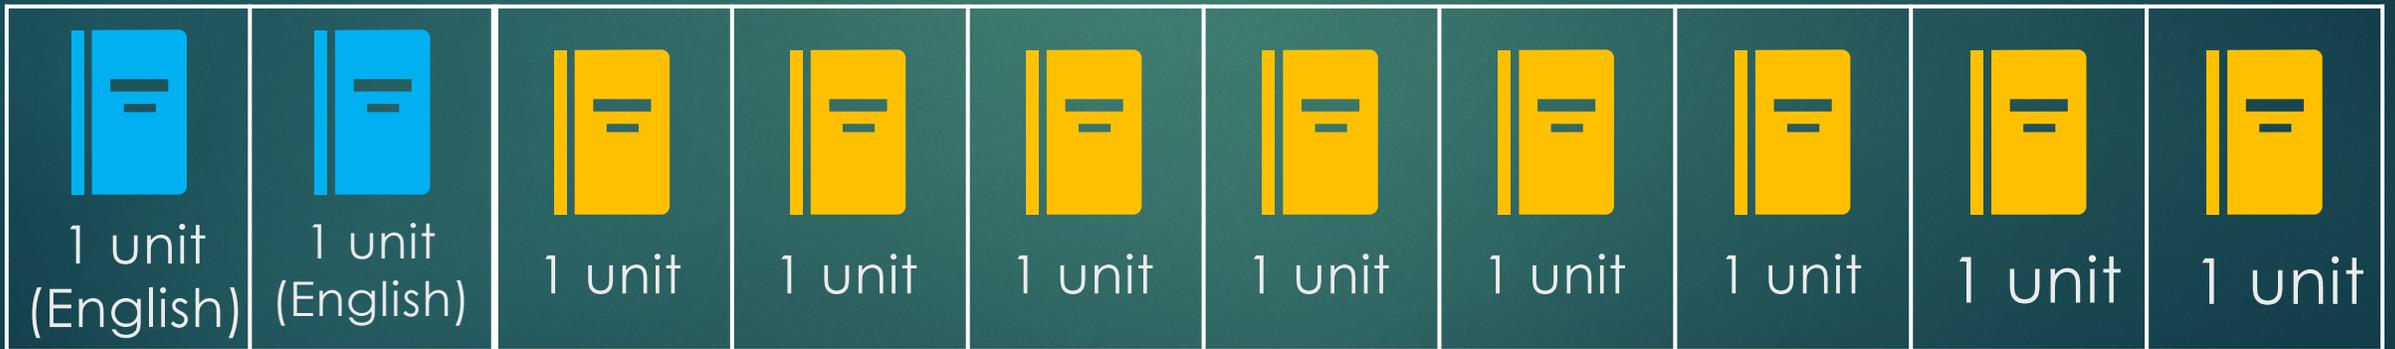

ATAR Calculation

Best 2 units of English

Best 8 of remaining units
(up to 2 units of Category B
courses)

Australian Tertiary Admissions Rank

The **Australian Tertiary Admission Rank (ATAR)**:

- is for students wishing to gain a place at a university
- is a rank **NOT** a mark
- provides information about how a student performs overall in relation to other students
- Is calculated by the University Admissions Centre (UAC)

The Subject Selections Process

Studies of Religion II ←
Visual Arts

Which subjects are prerequisites for HSC study?

- ▶ Study of Continuers Languages in Years 11 & 12 assumes study at Year 10 level
- ▶ Preliminary Music 2 (and HSC Music Extension) require study at Year 10 level

Choosing Courses

- ▶ Students submit their preferences online through Edval
- ▶ Nominate English AND English Extension 1 plus:
 - ▶ four 2-unit courses
 - ▶ one 1-unit course
- ▶ ONE reserve 1 unit course is required
- ▶ ONE reserve 2 unit course is required (a second 2 unit reserve may be added if you want)
- ▶ the five main choices are used unless a problem arises. This will be communicated with the student
- ▶ Every year several accelerated students list the wrong course – pick the **HSC course** as you may not get your correct subject selections

N.B. timetable and staffing capacity limits students to 12 units maximum in Year 11

How are these preferences used?

- ▶ Subjects are grouped into timetable lines based on student preferences to maximise student choice
- ▶ It's not always possible for every student to study what he has chosen
 - ▶ Some subjects often have only one class e.g languages, creative arts, industrial arts and history
 - ▶ Some subjects will have to appear in the same line causing "clashes"
 - ▶ Highly demanded courses may have limits due to staffing
e.g. 26 boys might choose a subject and only one class of 24 may be running. 2 boys will have to be eliminated.

Boys who have given the subject the lowest preference will be identified and 2 boys will be removed.

N.B. In the sciences and mathematics, this decision will be based on results in Year 10 assessments

How to Pick Courses

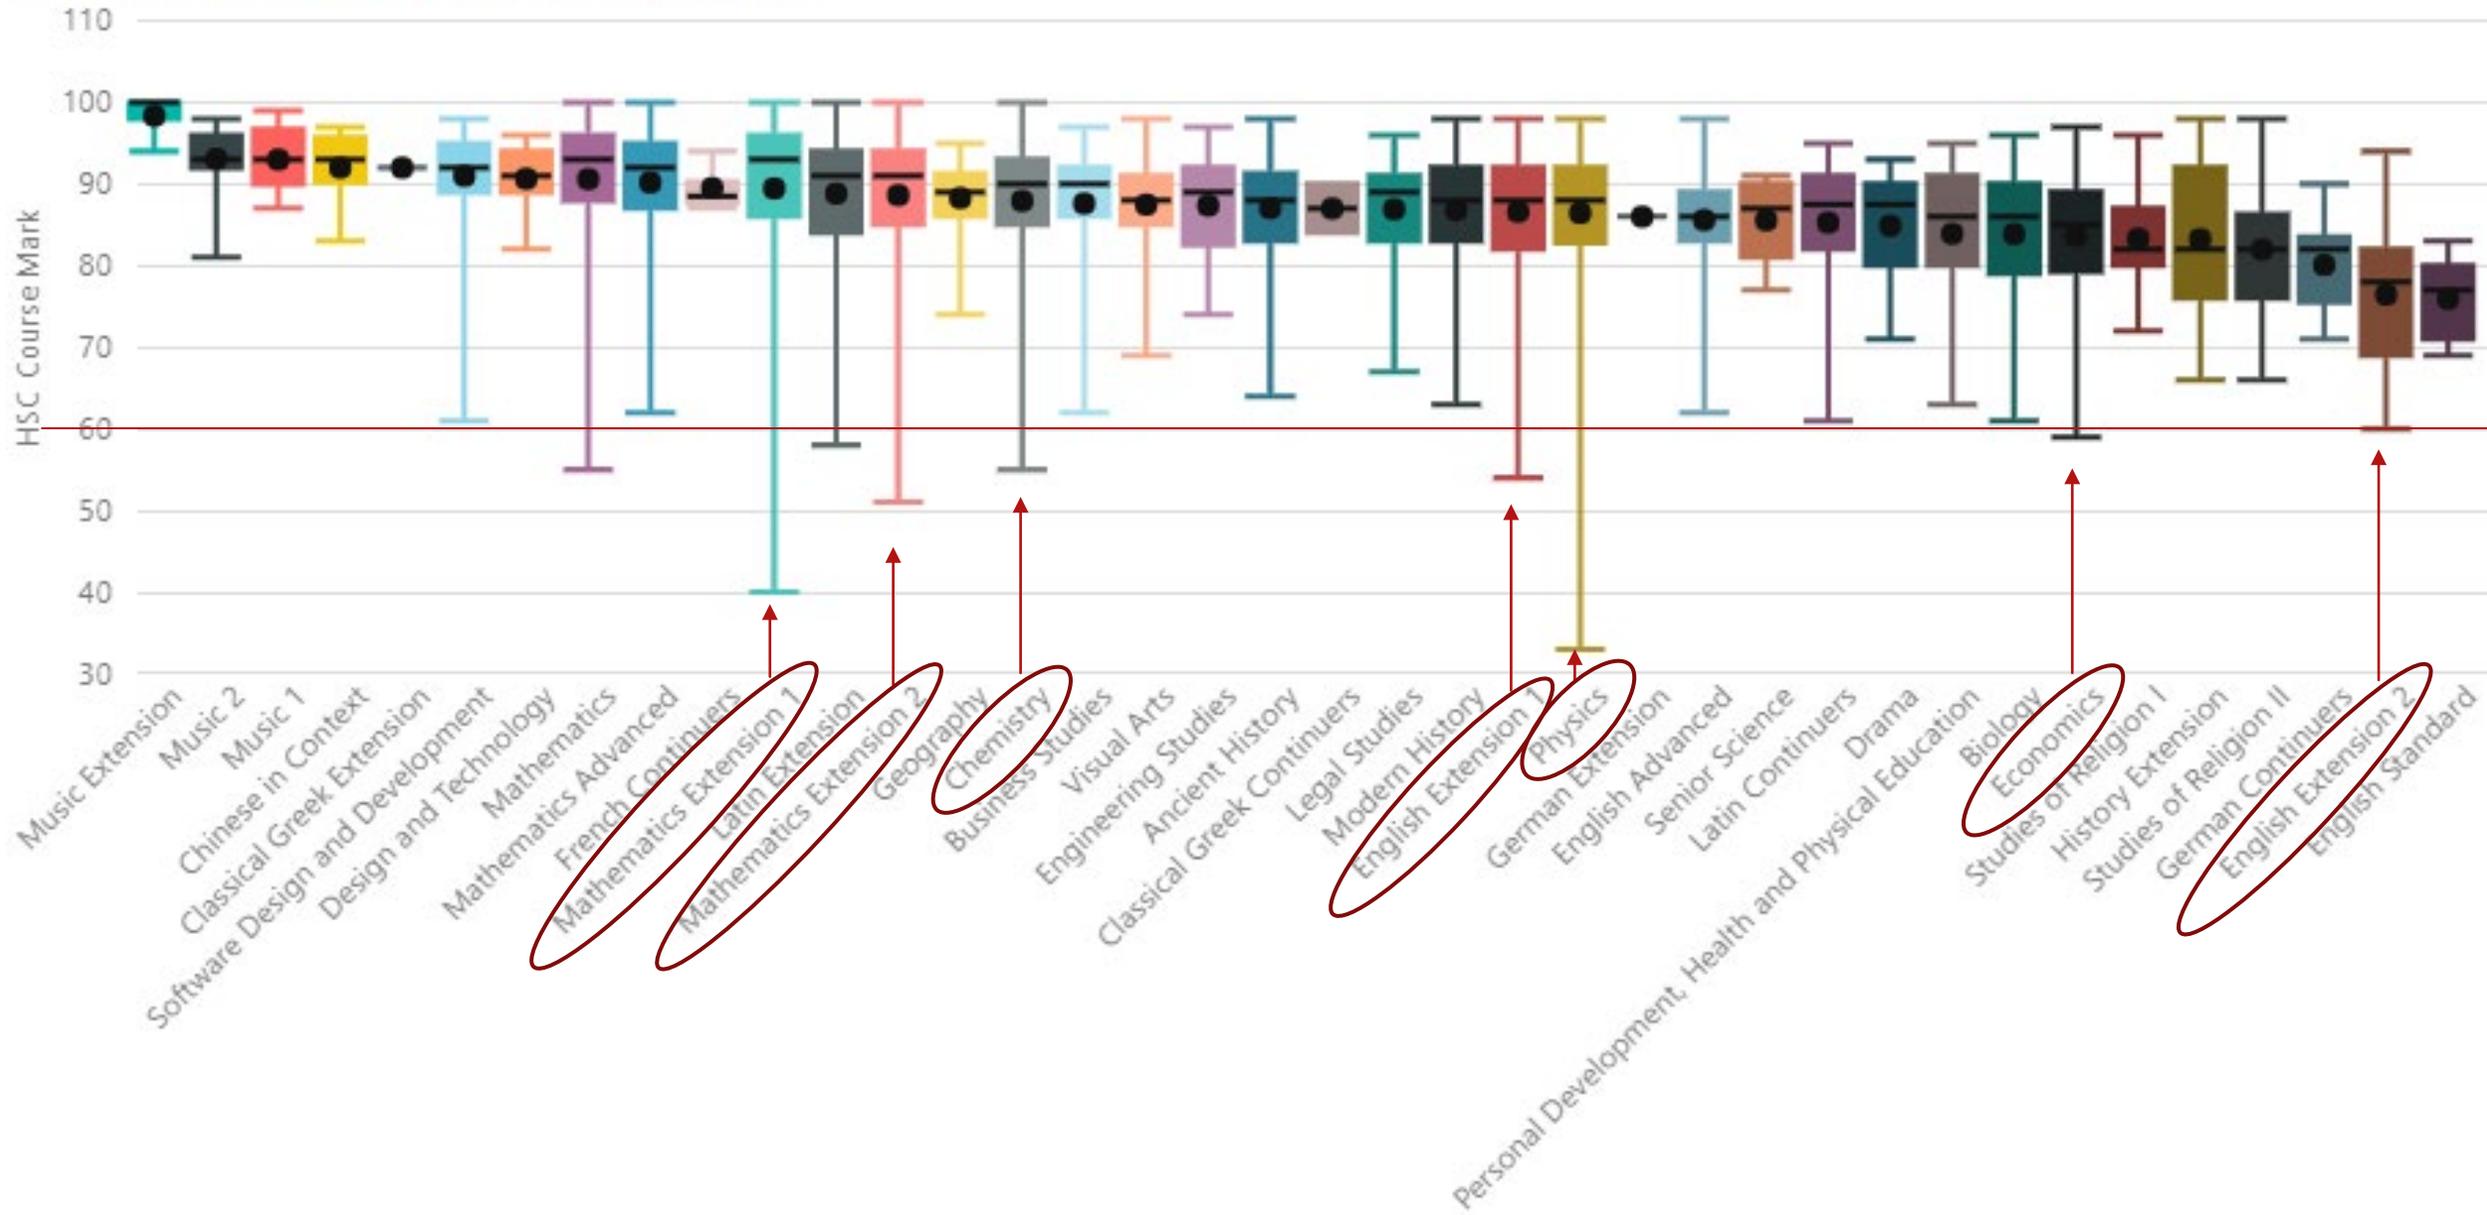

- ▶ Pick wisely
 - ▶ initial preferences are largely met, later decisions often not
- ▶ Know what the courses are about before finalising your choices
 - ▶ E.g. Business Studies greatly differs to Economics
- ▶ Class numbers based on original interest
 - ▶ Your changed decision may not be possible
 - e.g. 2022 Economics and Drama classes, 2023 Legal Studies
- ▶ Don't blindly list reserves that you have no interest in
- ▶ Don't leave out courses because you think you won't be accepted
 - ▶ you'll automatically get a reserve
 - ▶ you don't want to be stuck doing a course you don't want to do just because your preferences were incorrectly entered

How to Pick Courses (for parents)

- ▶ Your son will be studying the course
- ▶ Happier children will be better off
- ▶ Students often struggle doing courses not suited to them
- ▶ Success and enjoyment filters to other courses studied

Common questions answered

- ▶ Always place subjects in order of preference – FOUR 2-unit courses, ONE 1-unit course + reserves
- ▶ No decisions on subjects are made until 9am Tuesday Week 9 – just enter preferences on time
 - ▶ You can change your preferences anytime up until this cut-off in Edval
 - ▶ Log in to Edval early to ensure webcode works
- ▶ Mathematics is NOT compulsory for Years 11 and 12 (only for 2024-25)
- ▶ Current accelerated students continuing **MUST** select the HSC course in their preference & this makes up 2 of the 12 units for next year
- ▶ Accelerated students may choose to discontinue their course & choose another 2 unit course
 - ▶ Repeating not recommended
- ▶ The current Year 11 & 12 Assessment Schedules are on the R Drive in the portal to provide more information if needed

What next?

1. Consider your subject choices & how to balance your time
 - ▶ Fill in the interview preparation sheet – distributed by Mr Cotton
2. Speak with your allocated teacher in Week 8 & any subject teachers to gain further information
3. Webcodes will be available from tonight
 - ▶ Check your @student.sbhs.nsw.edu.au email (**SAVE THIS EMAIL**) (ensure the correct year is **2024** by clicking your name at top right and press Switch Year if needed)
 - ▶ new students use the paperwork – no Edval codes
4. Fill in your preferences online **AFTER** your teacher interview
 - ▶ Cut-off for preferences is **9am Tuesday Week 9 (13/9)**

Year 10 into 11 Subject Selections

To help finalising your subject choices for next year, you need to complete the following form. Use the subject overview booklet to help you start thinking about your choice of subjects. Once the form is completed, book a 10-minute meeting with a member of staff in **Weeks 7 or 8** this term to discuss your likely subject selections or any other thoughts you'd like to raise going into Years 11 and 12.

What if I change my mind?

- ▶ Preferences close 9am Tuesday Week 9
- ▶ In Week 8 of Term 4 ONLY, after reports distributed, students may email any course change requests to Mr J Kay

N.B. Once timetable lines are formed and the timetable is underway your new preferences may or may not be possible

- In demand-courses
- Line clashes

In-demand courses

School-imposed limits on student numbers:

- ▶ Year 11 Mathematics Extension 1 – 7 classes (max. 168 places)
- ▶ Year 12 Mathematics Extension 2 – 5 classes (120 places)
- ▶ Year 12 Mathematics Extension 1 – 2 classes (max. 48 places)
- ▶ Year 12 English Extension 1 – 2 or 3 classes (48 or 72 places)
- ▶ Where cut-offs are needed for Year 11 courses e.g. Mathematics Extension 1, Physics and Chemistry, results in Year 10 are used to determine who is accepted
- ▶ 168 places in Mathematics Extension 1 – others complete Studies of Religion or Philosophy (allocated based on 1 unit reserve provided)
- ▶ If you enter preferences after the 9am Tuesday Week 9 cut-off, your place for in-demand courses may be jeopardised

N.B. you must still list courses in order of preference, regardless of whether in-demand or not

Physics & Chemistry

- ▶ If you don't get into Physics or Chemistry then your reserves are used
- ▶ Add TWO reserves if picking Physics or Chemistry and close to the cut-off rank of 144
 - ▶ Your mark must be above 70%
- ▶ Investigating Science an option for those not doing Physics or Chemistry

New students in 2024

- ▶ Enter subject selections using hard copy sheets already sent with your offer
- ▶ Interviews with SBHS staff not available – speak with current school staff or contact SBHS office for anything else
- ▶ More flexibility for entering in-demand courses – must demonstrate capacity in the Preliminary Course

Confirmed Courses

- ▶ Course places finalised end of Term 4
- ▶ Confirmation of places in courses posted in Term 4 Week 9
- ▶ Students are NOT permitted to change courses after Week 3 of Term 1

Remember - **Not every student will be able to get into a course of their choice due to staffing requirements**

N.B. NSWSL Ms Matsos will help you apply at start of Term 4
