

## From the Principal High Talent

Well done to the 15s CHS knockout basketball team.

They defeated Dubbo to qualify for the last 8 tournament in Terrigal on November 18 & 19. Let's hope High can be successful again. Congratulations to Daniel Fang (Year 7) who was selected to perform in the Schools Spectacular on November 27-28. The Making Movies Festival – DET has selected two short films by High boys to be screened on Wednesday, November 18 at the Palace Norton St Cinema. They were *Watched* ( G Samarasinghe, A Dutta, N Ooi Year 9) and *Reel friends* ( A Hau, L Sheldon – Year 10). Great work, boys! Dr Finnie and her team of environmentalists made a difference in their recent campaign to save electricity. In the Beyond Earth Hour Challenge 2009, High reduced its consumption of electricity against the base week by 22.1%, thereby reducing greenhouse gas emissions by an annualised 7154 kgs and a saving of \$1230.82 in the electricity bill. Well done to all concerned!

## New Head Teacher Sport

This week our new Head Teacher Sport, Mark Pavone, joined us. Mark comes to High from his position as Director of Sport at Cannon Hill Anglican College, an independent school in Brisbane, competing in The Associated Schools sports competition. Mark has had three years experience managing and developing sport in a comparable environment to the AAGPS. The responsibilities of his position were aligned to those of the role required at High. He holds a degree in Education. He is a professional personal trainer and is a level 2 rugby union coach. He has level 1 qualifications in AFL, football, cricket, basketball, touch football and volleyball. Mark brings vision, vitality and experience to the role. On behalf of all staff, students, parents and Old Boys I welcome him to the High community.

## New School Leaving Age

Pursuant to the *Education Act 1990*, as from January 1, 2010, the *Education Regulation*

2007 has made it compulsory to attend school from age 6 until the completion of Year 10 or attaining the age of 17, whichever comes first. Children completing Year 10 must continue schooling until 17 unless engaged in full time approved education and training or paid work or a combination of training and paid work (25 hours per week). Parents of children can be prosecuted if their child does not satisfy this requirement. Also, children over 15 are now personally responsible, in place of their parents in certain circumstances. Completing Year 10 has three components: satisfactory attendance; undertaking an approved program of study comprising approved courses; application with diligence and sustained effort and achievement of some of the outcomes of each of these courses. The NSW Government has no plans to phase out the School Certificate. It defends its standards-referenced tests claiming NAPLAN is held early in Year 9 and tests only literacy and numeracy.

## Subject Acceleration

Subject acceleration is **NOT** an elective subject. Acceleration is a competitive entry special intervention on behalf of talented learners in a curriculum area. Subject acceleration policy for each department is published on P drive and on the website. There will only be one class of subject acceleration in each subject area offering it as an intervention, with the exception of mathematics (in Year 11). Academic qualifications are not the only consideration. Autonomous, self-managed students succeed at acceleration. **No** student has permission to enter an accelerative intervention without approval from the Head Teacher of the Faculty concerned **and** as from this year, the Principal. Students should make elective selections on the basis that they **do not** succeed in their application for acceleration. That way, should a student succeed in his application, he can be removed from one of the elective classes to which he was assigned.

## ONE HUNDRED YEARS OF THE RECORD

*This year marks the 100th anniversary of "The Record" – the magazine of the Sydney Boys High School – which was first published in December 1909. To commemorate this milestone, "High Notes" is publishing a selection of editorials from the various editions published over the past century.*

*This week we are publishing the editorial from the issue of August 1924. It describes the start of a program that has continued to this day of commemorating achievement within the Sydney High community around the walls of the School.*

*The Editor for this issue was Sydney Charles King (1924) who was School Captain in 1924 and also received an honour cap in that year. After school, he pursued a career as a journalist and also represented Australia in Rugby, 1926-1932.*

### Editorial

An excellent suggestion was made by Mr J H Smairl, on the eve of his departure, that we should have the portraits of those masters, students and ex-students who have done something to enhance the reputation of the School, hung on the walls of the Assembly Hall and corridors.

We agree that some steps should be taken to place before the succeeding generations of school boys a reminder of what their predecessors have done. This would no doubt prove an inspiration and instil into them a desire to emulate the lives of those who have helped to establish the School spirit. Our aim is to turn out boys with high ideals, and there is no better way than by setting before them examples of those who have shown nobility of character and have achieved something for the good of mankind. There are many whose portraits would be an inspiration to all.

A beginning has been made in this direction by placing photographs of the winning four at the recent GPS Regatta in the entrance hall of the School.

We should add the portraits of the Headmasters, who have given so unselfishly of their best. The present scholars owe a great deal to their untiring energy and devotion to duty.

Rhodes scholars, Olympic Games representatives, and many other distinguished ex-students, have received their early training at this School. We are proud of them all, and we feel that their photographs should hang in our School.

Great War would certainly grace our walls, and would be a constant reminder to us to do our utmost to maintain those ideals for which they gave their lives.

We feel confident that the whole School will co-operate to give effect to this excellent suggestion.

Joseph Henry Smairl, MA (1864 - 1937) English Master, Sydney High School, 1914-1924. This portrait, by A E MacDonald, was donated by Mr Smairl's former pupils, in 1930, and still hangs in the main stairwell.

### Support 1sts and 2nds!

The crowd that turned up for the both the 1<sup>st</sup> and 2<sup>nd</sup> grade games, was phenomenal and played a major role in the massive wins by 1<sup>sts</sup> and 2<sup>nds</sup>. The tunnel made for 1<sup>sts</sup> paved a path to their dominance over Shore. This week, there's another chance to support both teams at the gym. 2<sup>nds</sup>, who are equal 2<sup>nd</sup> on the GPS table play St. Ignatius, who are on the top of the table at 10:00. Be there and experience one of the best games of this season. 1<sup>sts</sup> will then take on Iggy's at 11:15. Don't miss out!

# SYDNEY BOYS HIGH

[www.sydneyboyscricket.info](http://www.sydneyboyscricket.info)

Last Saturday was appalling in the number of players nominated in school teams who failed to attend and caused our coaches to apologize to the opposition team and parents for our tardiness. Whilst several were due to late injuries the number of excuses on Friday for "family commitments" by the boys was beyond belief that the parents would not have advised their boys in advance of the day before their commitment to school sport. That may appear as harsh words but to think that most advised absences were less than 12 hours prior to their sport commitment, whilst the remainder just failed to turn up without advice. It is totally unfair to the boys who are committed to their sport and reputation of their school and supporting parents present were very critical. I hope we see an improvement this week from the teams who suffered the most.

**1st XI (Day 1) HIGH 10 – 56 (33 overs) and 1 – 13 -V- SHORE 7 decl 157 (52 overs)**

The 1st XI went to Northbridge determined to take on the defending Premiers and in an inexplicable display with the bat were all out in 33 overs with the only run scoring contributions from Avindu Vithanage (21) and Brian Kelly (14) Wicket takers were Saif Haque 3/21 and Avindu Vithanage 3/59. See the Website report from the team coach describing the sequence of events on the day.

**2nd XI (Day 1) HIGH 10 - 86 (48 overs) -V- SHORE 3 – 92 (28 overs)**

In a day which was to be the benchmark for 2nd XI selection, only three players stood up and passed the tough-it-out-grit-test in trying to save High from total embarrassment through inept performances from the remaining batsmen. Krishan Sivayogarayan (31), Krishnendu Dutta (20) and H.Sit (11) being the only run scorers.

The day was then left for the bowlers to take wickets and rescue the team with Tom Connolly 1/8 (5), Sudam Dias 1/18 (7) and Shejil Kumar 1/22 (6) giving us some hope of recovery.

**3rd XI (Day 1) HIGH 4 – 45 (14 overs) -V- SHORE 8 decl – 243 (48 overs)**

Shore batted first as well as supplying players to substitute in the field for High (due to 4 selected players being absent and amassed 243 runs before declaring. Wicket takers for High were Caspar Price 2/25 (10), Prashan Prabakaran 2/14 (4) and Hashan Subasinghe 2/42 (9). High started the run chase with Rayan Khan (30) as a makeshift opener showing the way but 3 quick wickets have put us on the back foot and a long haul on Day 2 to limit Shore to 1st innings points. Our appreciation to the coach and players of the Shore 3rd XI for their sportsmanship in substituting for all of our absentee players during their full innings

**16 A (Day 1) HIGH 3 – 14 -V- SHORE 10 – 262**

Shore batted first and the quality of their batsmen indicated that the High bowlers were in for a torrid day and any loose balls were put away with ease and assisted by a poor effort in the field by some players. Best of the bowlers were Subhodh Weeratunge 4/15 (6), Pasan Pannila 3/82 (16), Andrew Hyunh 1/41 (9). At stumps Subhodh and Leon Li are the not out batsmen

**15 A (Day 1) HIGH 10 – 54 (30 overs) -V- SHORE 5 - 122**

High batted first and looked set for a big score at 16 overs being 2/42 and collapsed to be all out for 54 runs. Then the High bowlers took 3 wickets to have Shore at 3/52 and as they passed our score the fielding and bowling fell apart until we recovered late before stumps. Wicket takers were Anirudh Ramesh 1/20 (5), Tushar

Joshi 2/30 (5) and Michael Liu 1/14 (3). We will be chasing early wickets next week and see if we can achieve a result our way,, or limit the Shore points. See website report

**14 A (Day 1)                      KINGS    8 decl – 280                      defeated                      HIGH 10 – 143 and 6 – 133**

A Round 1 report on one of the more encouraging performances from our youngest cricketers who displayed true grit in holding the King's XI to a first innings win and points. A result that should be viewed and read by many of our under performing senior players. See the Cricket Website report.

#### **GROUP 2 Teams. ONE DAY FIXTURES**

**4th XI                                      SHORE    2 – 98 (13 overs)                      defeated                      HIGH    10 – 97**  
Run Scorers Oliver Fio (44) and David Ma (13). The only wicket taker with 2 wkts was Robert Ma. No website report lodged.

**16 B                                      HIGH    9 – 145 (32 overs )                      Defeated                      SHORE    10 – 140 (30 overs)**

**A thrilling finish with one run to win and the last ball of the day Gamitha Samaarasinghe hit a 6 to take High to a 5 run victory. Our only success for the day. Run scorers were Daniel Smith (40), Aman Saklsena (26) and Lalitha Katupitiya (18). No bowling figures were available. See website report**

**16 C                                      SHORE 3 – 233 (32)                      Defeated                      HIGH    10 – 69 (20)**

Suman Prusty 1/16 (4), Shumit Hoque 1/26 (5) Allen Fu 1/30 (5) Run Scorers Abhi Dutta (19), Shubash Quazi (13) and Chris Oei (11) . See website report.

**16 D                                      SHORE 3 – 53                      Defeated                      HIGH                      9 – 49**

Shore bowled first and High capitulated for a total of 49 with Richard Li (18), Ryan Gu (7) and Yasar Chowdhury (3) contributing half of the team score. In reply High made Shore work for 14 overs to get the runs with Yasar 2/15(5), Ryan 1/26(5) and Richard 0/1 (1).

**14 B                                      SHORE    8 – 193 (30)                      Defeated                      HIGH                      9 – 60 (30)**

Wicket takers were Howard Gu , Michael Yu and Bevan Xie who took 2 wkts each and kept pressure on Shore throughout. With High started their innings needing 6 runs per over with David Feng, Aaron Wong and Bevan Xie holding out determinedly until the last ball was bowled in the 30th over. A tremendous team improvement and well done. See website report
