From the Principal High Talent

Dominic Grimm (2005) won a world championship title in the coxed pair at the Championships in New Zealand. Congratulations, Dom! Great work was done also by the Year 9 first Quad to finish a close second in the Loretto Regatta last weekend. High won the Inter-Regional Final of the NSWJCL Intermediate Division, defeating North Sydney Boys. The team was: Jonathan Ren, Dominic Mah, Ennes Mehmedbasic, Darryl Chan and Elbert Ly. Congratulations to Old Boy Sean Windsor (1995), our guitar tutor, who won an ARIA award this year for guitar and bass on an Urban album.

School Certificate Examinations

The School Certificate examinations were completed successfully with 400 boys doing geography and history and civics papers. However, I was disturbed to discover so many students leaving the examination room after just one hour. Consequently, the new school policy for examinations is that no student may leave prior to the scheduled conclusion of the examination. This policy will be enforced except for the Higher School Certificate where it will be highly recommended.

Year 11 Reports

There are still boys who have not collected their reports and have not discussed with me their program of study for the HSC. Technically, students cannot commence in Year 12 until they have completed requirements for Year 11. One of those requirements is that all books, equipment and materials belonging to the school are returned. Textbooks are often required for immediate issue to the succeeding academic Year group. Another requirement is that financial obligations have been met or assistance sought. Parents, please urge your boys to get on with the process of transition from Preliminary to HSC study.

Early Leavers and Clearance Forms

Many students have applied for and been granted early leave from term 4 to travel

overseas for various purposes. If their date of departure precedes the day for issuing of school reports to their academic year, such students do not get their end of year report. When they return in term 1 the following year to collect their reports, there is often a problem about their Clearance Form. Clearance Forms have to be completed by all students at the end of each year. My advice to all boys who have applied for permission to leave the school early in term 4 is that they obtain a Clearance Form from the Office or Mr Dowdell, complete the form by obtaining teachers' signatures or office certification as necessary, then submit the completed form to the Principal's Assistant, Ms Williams prior to leaving school for the year. I will hold both the submitted Clearance Forms and School Reports for discussion with the early leaving boys when they return.

The Australian Sports Foundation – Sydney Boys High Project

Our Sports Development Project is expiring at the end of November after its five years of fundraising. This is the second 5-year project that I have been associated with. Using this vehicle, the school has raised well over \$500k in the life of the projects. I need to renew the project – stage 3. The current project can be viewed at www.sydneyboyshigh.com/sport/sports-donations. MICs and P & C Committees are invited to submit fund raising objectives for the next 5 years. Each sport has three areas - equipment, facilities and sports development. Project goals can be registered for each. There is also a sports museum and a new school bus in the project. Committees should consider where their sports are headed and what their 5-year development plans are. Paying for coaching or coaches is not permitted as a legitimate tax deduction for the project. However, non-school sources like Old Boys, can pay for coaching development because they can have no direct benefit from the donation, unlike parents who may donate and have a son receive a direct benefit through coaching. Please email your sport's wish list in the next ten days so that I can complete the online application process.

FROM THE 2 LIBRARIES

EDUCATIONAL WEBSITES, TEACHING SOFTWARE, E-BOOKS, MEDIA PRESENTATIONS (SLIDES, PODCASTS, VIDEO, AUDIO) NOW ON LIBRARY CATALOGUES – double click!

Thanks to some intelligent decision making at DET Libraries, school library cataloguing is now making it easier for both **staff and students** to read E books, access websites and for **teachers** to find all the new and exciting teaching software now scattered through lots of databases. *When everyone is at school* it is going to be as simple as a double click in to access the text or the software. Library Enquiry is on the last list after you click through schools and sites.

The librarians are going to be quite busy downloading age and ability appropriate resources for our school. *Please let us know your favourite educational software, websites and E books* so we can ask SCIS to catalogue them and to add them to the DET database and to the unique SBHS Library Catalogue.

ANNOYED BY THE DET NET NANNY? (Teachers)

If you give our Librarians your “disallowed” websites we will send them to be catalogued and they are then automatically put through the “approval process”. By sending us a list of websites you like to refer students to, you are also creating a resource list for your subject area or topic. We can then tag this as a Year 8 English resource or a Year 10 Science resource which can assist Head Teachers to break in new staff.

TEACHERS - WOULD YOU LIKE TO BE ABLE TO THROW STUDENT LAPTOP SCREENS UP ON YOUR WHITEBOARD? HEAD TEACHERS MAY LIKE TO ASSIST THEIR STAFF IF WORTHWHILE.

Are students clicking in and out of games on you when you are trying to teach them? If you all send the DET a request for Vision or other software to be installed on student laptops you will be likely to be listened to. The librarians were told this “squeaky wheel” comment by the **Head of IT** this week at our in-service. (Go to DET Portal/My Applications/ICT Service/ Service Request on Software Applications)

Share market. Game Semester 2.

Over 400 students participated in the ASX Semester 2 Game with fantastic success. Leading the way was Howe Chen of Year 10 who finished first in NSW. He will receive the prestigious first prize medal at the glittering awards ceremony held in late November. Howe won \$800 for himself as well as \$2,000 for the school!

Howe's Eternity Star syndicate achieved a portfolio value of \$60,348. Here is how he did it.

Howe used a buy and sell strategy, buying 13 times and selling 12 times. He invested in the Materials, Financials, Energy, IT, Health Care and Consumer Discretionary sectors. The companies he invested in were: BHP, SLX, AMP, GNS, LONC, WTF, CGF, MOG, TEN, SHL, GNS & KAR.

Strategy: "At the beginning of the competition, I selected companies that I thought had the greatest potential for growth; this included mostly small companies (e.g. Gunns Limited, Infigen Energy). I thought that this would be the quickest way to increase the value of my portfolio. Also, I bought shares which had high dividends which was a major part of my success.

Checking constantly on the Dow Jones the night before, I anticipated the performance of the ASX, selling my shares when the Dow Jones went down. One major share which contributed to my success was 'ASX' which was associated with merger rumours with Singapore Securities (Exchange) causing the share price to go up 20% in one day. What happened on the last day was probably the most important. I sold most of my shares in the morning and the All Ordinaries went down by fifty points causing most other syndicates to drop while I remained the same. This was an important strategy which allowed me to finish ahead of my competitors in a very close Game."

Well done to everyone who participated in the Game. In this Game

- The All Ordinaries (XAO) was up 4.68%
- 72% of players finished in profit
- The average portfolio value was \$51,240

Sydney Boys High School Sailing

Saturday Sailing 30/10/10

The day started with a fresh north easterly wind increasing to around 15 knots as the wind swung to the east later in the day. The conditions were perfect and allowed for some exciting and highly competitive sailing.

This season, High has finally been rewarded for the dedication and hours put in by the coach and the boys. The fleet has been completely changed with a number of the very good Year 12 sailors from the other schools graduating, including a Youth Squad member (junior Olympic team). With a relatively young squad and an increase in numbers especially in the juniors, High has become a real force in the schools' sailing competition held every Saturday at Rose Bay.

Our sailors consistently sailed in the top ten out of around 25-30 boats with good starts and smart sailing especially on the upwind legs. Ennes Mehmedbasic raced the Laser Radial rig (larger sail than Laser 4.7) for the first time and sailed very well finishing in 4th and 6th place. In the Pacer class races, High sailed strongly and dominantly with some great results. The top three finishing places are as below.

Saturday Sailing 6/11/10

Awful conditions threatened racing early in the morning, with pouring rain, storm clouds and virtually no wind. Our sailors showed good commitment with nearly everyone present despite the weather. On the other hand, Cranbrook chose not to sail and were consequently penalised. Eventually, the wind increased and around 11:30 am, a patchy east-south-easterly wind filled Rose Bay.

The first race was held in very light winds resulting in a frustrating and slow race. In this race, High did not sail very well and had trouble adjusting to difficult conditions and an unusual downwind start.

The second race was sailed in more wind making the race more competitive. High sailed very well including an impressive third place from Connor Robinson. The results for both races are as below.

Bart Daniels	Tim Pillien	3 rd	Connor Robinson	Dexter Gordon	3 rd

Try Sailing Day, Sunday 7 November

Sunday was 'Try Sailing Day', a state-wide event held annually by Yachting Australia and Boating Industry Australia to promote sailing. The event is held each year on the second Sunday of November.

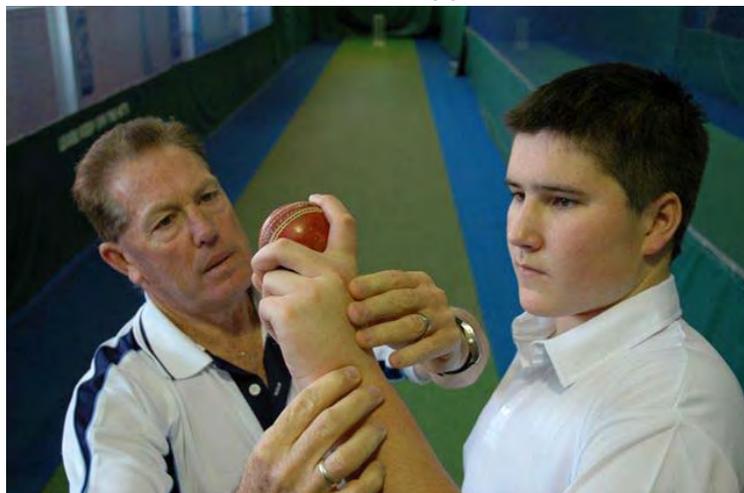

SBHS Sailing's home, Double Bay Sailing Club, was one of 33 clubs that offered 'Try Sailing Day' in NSW.

Special thanks to **Ben Hillier (Yr 10)** and **Marcus James (Yr 9)** for volunteering to help coach Adam South & family to run the event at DBSC. Ben & Marcus took first-timers out in our Pacers on a perfect Sydney Harbour morning. SBHS Sailing holds its own fun sailing days periodically and welcomes all to give Sailing a go – watch High Notes for notices.

SYDNEY BOYS HIGH SCHOOL ROWING COMMITTEE

Loreto Normanhurst Regatta Results

We had 3 crews compete at the Sydney International Regatta Centre (SIRC) in the Loreto Normanhurst Regatta on Saturday. All 3 crews came away with encouraging results.

Our Year 9 1st Quad did brilliantly! They recorded the fastest time by a Sydney High Year 9 quad ever - 3.35.17, and just got pipped for 1st overall by 0.8sec after leading for 900m. Congratulations to **Ray Fang, Anthony Tran, Rex Yi, Steve Comminos** and (c) **Josh Lane** on an outstanding result. (Unfortunately, Andrew Zhang couldn't row on the day)

The Year 10 1st Eight had a tougher job, stepping up into the Open School 2nd Eight event. They rowed admirably in the time of 7.14.58 in their 2nd race, and experienced good racing practice for future events. Well done **Ashley Chan, Alex Pereira, Nelson Tang, Edwin Li, Ronald Tran, Daniel Keogh**, and (c) **Albert Chau**. (James Wang and George Chen couldn't row, so two senior rowers filled in)

Our School 1st Eight - **David Andrews, Max Jones, Ryan Caetano, Andreas Purcal, Isaac Eveleigh, Jonah Petrie, Tim Montanaro, Ben Wilcox** and (c) **Daniel Tam** came 3rd in their first race to Shore and Grammar in a time of 6.40.74. They had a fantastic second race leading King's and Joeys until the 1km mark posting a 3.02 for the first 1000m. They came 3rd to Joeys and Kings with a time of 6.21.37 putting them on level pegging with Newington and Riverview.

These results and times are an improvement on last season so congratulations to all rowers.

Upcoming Events –

- **Saturday, 13th Nov** - we have the School 1st and 2nd Eight and the Year 10 1st Eight competing in the Senior Head of the Parramatta. This is a 4.5 km race down the Parramatta River finishing in front of the Sydney Rowing Club.
- **Wednesday 17th – 20th Nov** - Melbourne Boys High Year 10 Rowers are visiting our sheds and rowing with our Year 10 rowers.
- **Saturday, 20th Nov** - all Junior Year 8 and Year 9 quads and both Year 10 Eights will compete in the Junior Head of the Parramatta
- **Family Regatta Day** has been moved to Saturday 11th December when the new pontoon will be installed and we have enough room to boat our rowers and families wishing to try rowing.

Sydney High Old Boy, Dominic Grimm (2005) won a gold medal at the World Rowing Championships in New Zealand on the weekend in the Men's Coxed Pair event.

Congratulations to Dom for such a massive achievement.

To see if your team has improved, look at the age group below your current one. For example, 15As this time would be 14As last time.

This week High reinforced their position at the top of the table with another massive win over King's. However, over the next few weeks there are two very important games at home against Scots (the other undefeated team) and then Newington (last year's premiers). It's proven that teams perform better when the crowd is supporting them- so come and support your school- everyone who is there is a part of it!!!

2nd Grade start at 10.00am and 1sts straight afterwards (usually about 11:15)

1st Grade Table

FIRST GRADE	Played	Won	Lost	For	Against	Points
High	4	4	0	374	194	8

Teams to watch out for next week...

-**1st Grade** will look to continue their success so far against Scots next week and entrench their spot at the top of the table

-**2nd Grade** who after coming off a loss against Shore made a huge improvement to beat King's 61-27

-**16As**, who are the future of High Opens basketball have won their last 3 games to show some impressive consistency

Sydney High Water Polo

Round 4

Opens v Trinity Grammar

Lost 9 - 6

Hoping to back up on the previous week's victory, High took to the pool last Saturday against a strong Trinity Grammar team. A full strength squad promised plenty of subs and each player started the match with high intensity. Our defence was challenged early, but Jeremy and Brendan delivered on the counter attack to keep us in touch. Still goal for goal with a quarter to play, the season's second opportunity for victory was well in sight, 6-7 at 3 quarter time.

Trinity's last quarter defensive aggression resembled that of Aloysius; this along with the fatigue of every player meant High was unable to produce the crucial goal. The final score was a disappointing 6-9. Goal scorers this week were Brendan (4) and Jeremy (2).

We will draw on this experience next weekend, with another week of training under our belt, in what is sure to be another close-fought 4th quarter against Waverly College.

Samuel Beston

14Bs v Trinity Grammar

Lost 11 - 3

During a very wet Saturday morning, the sun shone, briefly, for just enough time for the 14Bs to play their fourth game of water polo. The boys were very enthusiastic before the game and very eager to get into the pool. We displayed some patches of brilliance but these were out-numbered by our lack of structure. We need to stick to the basics and make them work: Keep our formation, man-on-man defence and communication.

We have lots to learn, but tonnes of enthusiasm. Keep up the good work and make the most of each training session to develop out skills.

Sydney Boys High Cricket

High 1st XI v Kings S.Dias (25) L.Katupitya (18) J.Moffat (17) S.Subramaniam (14) (S.Dias 1-0 S.Haque 0-4)

The first XI was the only team to take to the field on Saturday against the mighty King's outfit. The wet weather conditions saw a delayed start on what appeared to be a "grassy pitch". Skipper Michael Phung losing the toss resulted in us batting; the team felt positive and determined to reach a strong total. Bhagwat (3) and Phung took to the middle, positive and determined to reach a big innings. Unfortunately they exited very early. High seemed to be in a lot of trouble at one stage being 3-3. A quick knock by Jesse Moffat (17) alongside Sam Lane(13), built a steady partnership until Moffat was dismissed by a spectacular catch. Sangeeth Subramaniam(14) went to the crease determined to fight back after a disappointing start at Joeys. Lane and Subramaniam built a partnership of 30 odd runs as the pair looked strong for a long innings. Unfortunately both were dismissed the over before lunch to accurate bowling lines. Rain once again

delayed play after lunch. High needed a big partnership to get them to a respectable total. Coach Davo had set the target of 100. Lahiru (18) with his strong defence and technical shots and Sudam Dias (25) employing his explosive shots down the ground saw High reach a total of 110. High 1st XI put the batting to one side and wanted to prove themselves on the field. The team, all fired up, took to the wicket tight fielding and aggressive bowling lines. Sudam Dias picked up a wicket in his second over, with a beautiful catch by Sangeeth Subramaniam.

As the rain started once again the umpires decided to call it a day, High were disappointed that they couldn't use these conditions to advantage and continue their perfect start. King's 1-4
