

H I G H N O T E S

From the Principal

Valé Terry Ryan (1955-2011)

The High community was shocked by the sudden, untimely passing of Terry Ryan, a long-serving PE Teacher at High (1981-2010). As I understand it, early in December Terry complained of pain in the groin and hip. After visiting his GP he was referred to a specialist and following a series of tests, was diagnosed with an aggressive form of cancer in various parts of his body. He succumbed to his illness on January 4, just a week after his fifty-fifth birthday.

Terry was a dedicated PE teacher. He was very involved in expanding the 1.6km run program at High where boys benchmark their performance and are tested several times in the year to measure improvement. Terry was the mainstay of High's 'Learn to swim' program for many years. He managed Junior GPS Tennis teams. He gave a lot of his time as co-driver and mentor on several trips in the school bus to Boggabilla. He became quite adept at changing bus tyres! Terry loved swimming, fishing and rugby league. He regularly worked out at the school weights room with TJ.

Terry was passionate about sport. I enjoyed annual conversations with him about the strengths and weaknesses of various sports at the national, local and school level. He had survived a serious accident when knocked off his bike by a vehicle and more recently, a spinal operation to repair disc problems. He was looking forward to resuming work full time. Terry will be sadly missed by his many friends at High but most intensely by Sue McGuinness, his partner, who retired a few years ago from the SASS staff at High.

Welcome to Term 1, 2011

WELCOME Welcome to our new staff, parents and students. Thank you for choosing High for your education. This year the theme is 'Making a difference through opportunity'. At High we pride ourselves on the variety of supervised co-curricular activities that we offer our students. We are seeking ways to

provide more opportunities within the regular curriculum too. Our course offerings are under constant review, in response to student preferences. Students have the opportunity to customise their academic pathways through acceleration options. Choices are offered in every academic year's curriculum pattern. This year half of the school will have laptops. Research and communication opportunities will be increased for many boys. We will try to provide opportunities for choices within courses – topics, assessment forms, extension work etc. We want to have more opportunities for students to have their voices heard. Apart from a wide range of leadership opportunities, initiatives like voting for Prefects on line and student on line surveys give individuals an opportunity to be involved in school life. We hope to increase these opportunities during 2011. If you have ideas about how the school staff could communicate better with their students or if you have issues you would like to see addressed, please contact the SRC or me directly. I want to build the capacity of students to see themselves as partners in their learning, not just consuming customers.

Staff Changes

On behalf of you all I offer a warm welcome to new staff members, both permanent and temporary, who are working with us at High this year. Permanent teachers appointed this year are Rhiannon Davis (replacing Mark Jones - History) and Kerry Ibbott (Brian Deeming - Science). Temporary teachers engaged this year are: Andrew Carmen (Paul Hagan - Science), Paul Wright (Amanda Kaye - English), Anna Barry (Edd Pearson - English), Alex Hayman (Mary Boukatos - English), Annalise Mack (Susan Roessler - English), Daniel Comben (Dinah Eadie - Industrial Arts), Graz Perre (Michael Smith - Science), Ross Elliott (Chris Kourtesis - Mathematics), Michael Gubb (Debra Gilmore - Music), Matt Mulroney (Terry Ryan - PE) and Paris Munro (Jocelyne Isaacs – Visual Arts).

School caps at PE

School caps must be worn by students in Years 7 & 8 in PE. The policy was introduced

last year for Year 7 and we are rolling it through the Junior School. We are in heat wave conditions. The sun's effects can be serious if exposure is prolonged. Students in outdoor activities generally are exhorted to wear hats.

Dr K A Jaggar

Student Support Service

Welcome back to all our students and parents and a particular welcome to parents of Year 7. In your diaries it states that Mr Codey is the Anti-Racist Contact Officer but I will be replacing him this year. I would like to take this opportunity to thank Mr Codey for his diligent and dedicated work in this important area of school life.

At High we pride ourselves on our multi-racial community and we maintain racial harmony because we are tolerant and thoughtful people. It is important that everyone plays their part in this and is respectful towards each other and considerate of our many differences.

If you are in the unfortunate position of feeling that you have been the victim of racism then you should report it to me. I will deal with your concerns confidentially. Please note that we do not tolerate racism at High.

Ms Powell Head Teacher History.

ANZAC DAY – JOINT WAR THEME STUDY HISTORY AND ENGLISH

It has been amazing how much of our fiction is about war. We have found 125 books so far.

The Andrews Library has been working with the students in finding and "tagging" (putting in subject added entries to the Library Catalogue) for a joint History/ English Anzac Day unit of work on war.

Thanks to the boys and teachers who worked co-operatively with the Librarian on this.

Mrs Crothers

Debating

Welcome back to debaters and parents. I would like to introduce myself as the new MIC of Debating and would like to take this opportunity to thank Dana Quick for her passion and hard work over the last few years as MIC. Ms Quick will now be the Coach Coordinator. Between us we think we can deliver a fantastic program for Debaters – particularly for the younger years. I would like to encourage Year 7s to consider taking part in Debating at High.

For more information about the many benefits of being a debater please see our website

<http://www.sydneyhigh.org.au/debating/>.

There is a very thorough Powerpoint for parents which gives a full explanation of Debating at High. Coaching starts on 18 February. Anyone wanting to take part in Debating this year needs to come and sign up by 11 February. There is a sheet outside the History Staff room for you to add your names. Please come and speak to me if you have any questions about Debating.

From the Canteen

A very warm – literally speaking - welcome to all new boys and parents to Sydney High – and welcome back to everyone else.

IMPORTANT: Boys please stay hydrated. With the high temps we are currently experiencing, it is important you do not allow yourself to dehydrate. You need to be drinking at least 2 litres of water each day to keep your body temp down and allow your body and brain to function properly – particularly with the level of physical and mental exercise expected of boys at High. *Use the bubblers or take advantage of the wide variety of refreshing cold drinks we have at canteen!!*

Canteen Prices:

We have only had a few price increases this year from 2010. Any price increases in pre-packaged or processed foods we pass on to the consumer each year. We sell these goods at a marked up price so that we can then discount all food that is freshly prepared at canteen. This allows us to keep the healthiest food options as cheap as possible for our boys. We have had virtually no price increase for much of our fresh food for the last 3 years!!

It is thanks to the efforts of our canteen managers – Karen and Tracey – with the help of our volunteer parents that we can offer such a wide range of fresh food options to the boys. To keep doing this, we do need your help.

We appreciate how busy life can be for today's parents, which is why we'd especially like to thank our loyal volunteers for their contribution to the smooth running of the canteen. The canteen at High is the main income source of the P&C for allocation to school projects as decided by Dr Jaggar.

'And the winner is.... !!'

It is lovely to see new parents and names on the canteen roster for this year – THANK YOU so much. We like to show our appreciation by rewarding our volunteers with the chance to win a \$10 Canteen voucher for their sons to spend at canteen. All volunteers have to do is turn up for duty as usual and sign the duty roster book. A draw will be held each month for the lucky voucher winner. Remember, if you find you can't make your shift, just call a fellow parent on the roster and arrange a swap.

We were not able to publish last year the lucky winner for November who is.... Usha Arvind
Congratulations and Bon Appetit!

The following people from December last year will go into the next draw to be published next week.

Many thanks to...Betty Chan, Nina Liu, Jian Ping Li, Iris Lau, Kate Price, Vicki Moller, Cindy Tseu, Mary Nguyen, Alana Liang, Sachiyo James, Helen Chong, Katrina Morrow.

Please phone Tracey and Karen on 9360 4027 to organize a day that you may be able to help in canteen. We need help at the moment on some Fridays and Mondays in particular.

Thank you The Canteen Team

FROM THE HIGH STORE:

A warm welcome to all new students and their families. Thank you to those families who took the opportunity to make appointments to avoid standing in long queues.

Special thanks go to Stam Farrugia, Kate Price, Jenni Rajendram, Marisa Hoad, Agnes Leo and Cindy Tseu who gave their time through the school holidays to help in the High Store. Their continued support and dedication is much appreciated.

GPS sports competition is very demanding on people and resources. At High we have ongoing needs for facilities development, equipment and development through expert coaching. If you would like to help through a tax deductible donation for a particular sport, the appropriate form can be posted to you by calling 9361 6910. Alternatively, you can go to our website www.sydneyboyshigh.com click on Sport /Sports Donations to download either *Development Donation Form* or *Equipment and Facility Donation Form*.

The 2011 Taree Rowing Camp

After the success of last year's trip to Taree, the Sydney Boys High Senior Rowers travelled up north in expectation of a tough 6 days of rowing. The Croker family has been nice enough to let us use their facilities for two years running, and upon arrival the boys spread out across the farm to set up their tents. From here we headed straight into training on the Manning River, its flat water giving us the opportunity to make large improvements in our rowing. The last spot of the 1st VIII was finally chosen on the 2nd day of camp, enabling members of the 1st and 2nd Vllls to commence training in their respective crews. Training together as a crew is vital, and over the course of the camp both crews were able to make significant improvements to their technique whilst also improving in strength and fitness. The long endurance rows took place before breakfast, followed by a technical session, a large break throughout the day which was topped off with a speed session in the late afternoon. The longest row was a row into the town of Taree, 15 kilometres of perfect water for technical work, followed by a time trial on the return leg. All up a gruelling 30 kilometres, which improved both our mental and physical endurance. Downtime during the camp was spent playing cards, eating, sleeping and at the beach, proving to be a fun experience with the boys as well as beneficial to our rowing.

Many thanks must go to the Croker family for letting us use their facilities, the parents for cooking the meals that kept the boys going, the rowing committee for organising such an important camp, and the coaches Oliver Wilson and Shahar Merom; without these people's help the camp would not be possible.
