

From the Principal High Talent

Well done to the first grade basketball team on their GPS co-premiership for the 2010-2011 season. High has not won a premiership in basketball since 1994. The boys have played a lot of basketball together and several individuals have represented in basketball or other sports at a high level. It is a great credit to them that they worked so well as a team. A good effort was put in by the first grade tennis team to finish 4th in the GPS competition despite an end of season loss of form. Congratulations to Arman Abdollahi (Year 12) No3 and Patrick Rynsaardt (Year 10) No. 12, for their selection in the combined GPS tennis team to play CAS. Congratulations to Sam Marques (Year 11) on his successful audition to join the NSW Public Schools Drama Company. Thank you to the Rifle Shooting Committee for their barbecue fundraising efforts last Saturday after the small bore 'friendly' competition against Scots. Congratulations to Chris Morrow (Year 12) who was selected to represent NSW Combined High Schools in the Trans Tasman Volleyball competition.

Annual School Report

The Annual School Report has been published. A PDF of the document has been posted on the school website under 'publications' on the navigation bar. I urge you to read about the school's activities and accomplishments. For anyone without access to a computer, a strictly limited number of hard copies are available from my Executive Assistant, Ms Lynne Williams.

Sir Roden & Lady Cutler Foundation

This week I met with Vince Delzio, CEO of Sir Roden & Lady Cutler Foundation, to discuss our relationship. We have been with this charity since it took on Sir Roden's name in 2002. The Foundation is the Year 11 community service project. We agreed that a great goal for fundraising this year would be to try to fund a scooter to enable a handicapped person to become mobile. The target for this project is \$3000. I hope that

this year's Year 11 will take on the challenge of making a great difference to someone's life. As community service projects, we also discussed our boys helping to produce a quarterly digital newsletter using text supplied by the Foundation and lay-out editing and production supplied by Year 11. Another desirable project that I think we could help with is a promotional DVD. Students could get images of volunteer drivers at pick-me-up client homes, interviews with volunteers, carers and clients, as well as statements from patrons and management about the work of the charity. A very welcome decision by the Foundation's Board means that one deserving Year 10 applicant will be awarded the Sir Roden & Lady Cutler Foundation Scholarship, worth \$1500 a year for the final two years of his schooling at High. This is a generous gesture by the Foundation which is much appreciated by the school. I hope to work with the community services committee to increase the mutual benefits of our relationship with the Foundation.

Big Night Out

The *Big Night Out* was a great High community success, with 280 tickets sold. Despite it being a rainy Sunday, families came out in numbers to celebrate the diversity and uniqueness of our High family. The wonderful collaborative effort produced food from many cultural backgrounds. The entertainment from our Jazz Ensemble and String Orchestra was impressive, thanks to our Music Staff. There were still walking musicians and very energetic Bollywood dancers in full costume. Old Boys formed a band *Icebergs* who concluded the night's entertainment. The purpose of the evening was to make social ties with each other by sharing a meal and conversation in a relaxed atmosphere. This year the evening was enlivened by a raffle, a heads and tails game and by a round of bingo – with numbers in English and Mandarin! I congratulate the Big Night Out Committee for a great job. Julie Connolly brought the people together. Course coordinators – Min Wang, Keshani Radharkrishnan, Geoff Waring, Soogie Sim,

Sachiyo James – and Treasurer Richard James, played big parts in the evening's success. I thank them and all the parents who gave up most of their evenings to serve others. Thanks to all the boys who helped in various ways. The High community has a lot to be proud about in our culture of cooperation.

Year 12 Personal Identification Numbers

Year 12 boys will soon be issued with a PIN by the Board of Studies. They will then be responsible for both accessing and providing information at the Board of studies website. Boys will find the PIN a very useful device for communication about all matters pertaining to their HSC.

THE ANDREWS JUNIOR LIBRARY AMATEUR CHESS COMPETITION

Semi-finalists were:
Johnson Lin – Year 7,
Jemmy Ma - Year 8, Kit Man
Cheng – Year 12, Andy Ho -
Year 12

Finalists were Johnson Lin, Andy Ho - Year 12 and Kit Man Cheng – Year 12 and Johnson Lin - 7

The final which was played by Andy Ho and Kit Man Cheng was won by Kit Man Cheng

The Year 12 boys were battling the Junior boys to retain their supremacy and many of the wins were from the clock and not the board. Congratulations to those boys. Well done also to all the entrants who all demonstrated their ability at the game. Come back next year and win.

The winners were decided after 8/9 gruelling back to back rounds every recess and lunchtime since last Friday. This competition was designed to give the boys who do not play chess competitively for High a bit of fun with blitz chess. It proved just as popular this year as in past years with 64 entrants (many of them Year 12s competing for the last time). Everyone noticed how involved and serious the players were. The enjoyment was quite riveting.

The competition was played with clocks and was administered by our trusty Library Prefect – Tim Chan and his Chess expert organisers Anthony Xu and Darwin Shi. Thanks also to Mr Harvey and the Chess team who uncomplainingly loan out chess boards, clocks and competition players who have also judged non-stop – eating on the job every recess and lunchtime to complete this long exercise.

Mrs Crothers – Librarian- Andrews Junior Library

WHAT'S UP IN THE MCDONALD SENIOR LIBRARY?

Library borrowing in the McDonald Library is increasing as students realise that this is now a fully functioning library and that there are many new titles to choose from. We continue to transfer appropriate senior resources from the Andrews library and although limited this year our budget has allowed us to purchase some quality fiction and non-fiction to keep the collection growing and increasing in usefulness to students. Some new books added this term include:

Fiction

When I was Jo by Keren David – this is a fast paced thriller about a boy who witnesses a particularly violent murder and has to enter the witness protection along with his Mum as the gangsters responsible pursue him.

When Courage Came to Call by LM Fuge – Imm lives on the island of Zamascus and when war comes to his homeland he has to use all his resources to survive. This is another thriller and fast paced read that will keep you reading late into the night! It "grips you right from the first page, exploring the horrors of war and the cost of courage." (from Readings bookstore website)

Spinner: a novel by Ron Elliot – a great story for all cricket lovers about a young boy with an amazing gift and his promise to a dying man.

Non Fiction

Green Style – A title of interest to art students "[bringing] together the concepts of the eco-philosophy prevalent in the 21st century, offering the reader alternative ways of living which reconcile design and aesthetics with sustainable development." (book blurb)

World Cricket Records 2011 – of interest to cricket fans of which there are many here at SBHS.

Cambridge Checkpoints 2011 series covering

Mathematics – HSC

Mathematics Ext 1 – HSC

Biology – HSC

Chemistry – HSC

Physics – HSC

Ancient History – HSC

Business Studies – HSC

Economics – HSC

English (Advanced) – HSC

Legal Studies – HSC

Modern History – HSC

Studies of Religion – HSC

These are just a few of the new titles added to the Senior Library collection.

For those who are still in doubt, the McDonald Senior Library is a LENDING library with all resources available for loan!

Peer Mediation at SBHS

Hey got a problem? Get peer mediated! Peer mediation is a program run by a select group of Year 11 students which seeks to solve conflict between students without getting teachers involved. The program seeks to help the students resolve their issues while under the guidance of the Year 11 students. The program is confidential and stays between the peer mediators (Year 11 students) and the students who have a problem with each other.

How it works When two students have a disagreement they are to email the following address:

PeerMediation@sydneyboys-h.schools.nsw.edu.au requesting a Peer Mediation session. From this point Ms Barr will receive the request and will appoint two Peer Mediators to accompany the disputers in a closed off room, whereby the two students will eventually resolve their problem and sign an agreement to not create more problems with each other. Remember. The email address is:

PeerMediation@sydneyboys-h.schools.nsw.edu.au

SBHSDEBATING

Parents Information Evening

The Debating Supporters Group is holding a meeting at 6.30pm on Thursday 7th April. The purpose of this meeting is to inform parents about the Debating Program at High. It is also an opportunity for parents to meet other parents of debaters and for you to be able to ask any questions you may have to members of the DSG or to me. Please come along and show your support for your sons who are debating.

Eastside

Round	1	2	3	4	5
Y7	L	W	L	L	W
Y8	L	L	W	W	L
Y9	L	W	L	L	W
Y10	W	W	L	L	L
Y11	W	L	W	W	L
Y12	W	W	W	W	W

The final round of the regular Eastside season saw High hosting SCEGGS Darlinghurst. Our junior teams performed solidly, Years 7 and 9 claiming wins, and the Year 8s falling to a very strong undefeated SCEGGS side. Our seniors, debating the omnipresent topic of adopting nuclear power had more mixed results; our 10s and 11s falling, while the Year 12s continued their undefeated run. With two wins each, our Year 7s to 10s will need other results to fall our way to make the semi-finals, while the two most senior teams can look forward to finals debating early next term. It was again good to see substantial support from students and parents, both at the senior debates, and in supplying the supper table.

Ashwin Rudder Debating Prefect

FED

With a couple of extra socials on the card the FED round against Newington again proved to be a solid night of debating. While we saw success in the 8s, 9s (social) and the remaining teams, apart from the Year 11s who won, fought valiantly to be narrowly defeated. With Newington again proving to be increasingly tough competition it is certainly shaping up to be a competitive GPS season.

Dana Quick Coach Coordinator

Termly Round-Up

I would like to take this opportunity to thank the coaches for their hard work this term; the parents who have organised supper, watched debates and paid their co-payments already and to the boys who have been well behaved, enthusiastic debaters - especially those who have represented High in the competitions.

In particular I want to thank Dana Quick who has been guiding me through my first term as Debating Coordinator. Her thorough preparation and useful advice has been invaluable. Thank you so much Dana. I hope we have you around for a few more weeks next term.

Harmony Day Basketball

Wet weather didn't dampen our spirits for the first-ever Harmony Day Basketball Game with our Cleveland St friends to celebrate diversity.

World's Greatest Shave

Over 20 students chose to be brave and shave for the **Leukaemia Foundation**. Nearly \$500 was donated on the day plus more in sponsorships. Our Events Coordinator Andrew Gaffney went the extra mile, dyeing his hair auburn and then blond in the lead up to the event. More photos on our Facebook page.

Maroon and Blue Day for QLD Floods

Our state-colour-themed Mufti Day was a resounding success with a record \$2214.75 collected! Proceeds went to the **Queensland Flood Appeal**.

Convo @ Clevo - Fridays

15 Senior students trek to Cleveland St Intensive English High School to talk with their pupils. We have an awesome opportunity to meet people from a range of backgrounds while they have a chance to practice their English skills with peers. The student response on both sides has been overwhelmingly positive.

Y10 Lak Saviya Mufti & BBQ

The **Lak Saviya Foundation** funds education, technology, libraries and hospitals for the needy in Sri Lanka. Your generosity (and stomachs!) amounted to over \$2000 in collections and BBQ profits all going to the foundation.

Red Cross Blood Drive

Our combined Blood Drive with SGHS is on Tuesday, 5 April. Last year, our blood drives brought in 233 donations. We're looking to better that but we need your support! Your donation can save up to three lives and donors are in high demand for Easter. We're at capacity for this drive but the next one is in late Term 3.

Big Brother Spreads Wings

When the Big Brother program began it may not have been anticipated that by 2010 we would be able to say we have sent our student ambassadors to 12 schools to help with the transition process for new students. In Term 4 last year, 23 Year 9 boys were given the opportunity to return to their former primary school to meet students who would soon be arriving at SBHS for their first day at high school. Reports from all participants indicate this is a very popular program for all involved. Ms Karen Flowers, Assistant Principal of Carlton Public School had this to report about her student ambassadors:

The boys conducted themselves in a way befitting students from Sydney Boys. Both boys were polite and courteous at all times and took an active role in all class activities. Their presentation and informal discussion with the boys attending Selective High school in 2011 was most informative and was delivered in a positive manner. Both students participated in activities both with 5/6F and other Year 6 classes. It was a pleasure to have both boys visit. They were outstanding examples of the calibre of student that I have come to expect from Sydney Boys High School.

High Success with High Resolves

The Year 11 boys who are continuing their **Community Action Project** that they began through **High Resolves**, are now reaching a global audience. By raising awareness about **Gender Equity** issues they are having an impact way beyond their initial expectations.

Roya Baghai, co-founder of High Resolves recently reported the following:

You are probably aware of the outpouring of positive responses that the 2010 High Resolves group have had over the weekend to their Gender Equality project from last year. Girl Effect posted the clip to their Facebook page, which went out to over a quarter of a million subscribers. Their clip has now had over 5000 hits on YouTube, from all over the world.

Check out the links below:

www.youtube.com/watch?v=_gFNlnn71mo&feature=related

Congratulations to these boys. We look forward to the 2011 Year 10 group's Community Action Project. Thanks to Mr Coan (High Resolves Co-ordinator) and Lee Martin (HR Program Manager) for their valuable guidance and commitment.

Steep Learning Curves

By now, all our families will be aware of the new format for our junior Values Education course. We have made the Daily Planner our central focus for all classes (Years 7-9) for two main reasons. We have identified planning, goal setting and time management as areas for further development across the whole junior school and we believe the daily/routine use of the planner will benefit students greatly as a tool for establishing sound work and study practices at home and at school. Secondly, the planner contains a wealth of teaching and learning material which will be used as a weekly focus for Values Education classes and teachers of this course are able to supplement this with additional material available on the Learning Curve website. (See URL below)

<http://learningcurveplanner.com.au/about-the-planners.html>

This website also contains a link for parents. The material in the planners was written by an experienced teacher and father of three sons and the aim is to empower parents to make a contribution to their child's education. Parents are encouraged to look closely at the website and the monthly newsletters in which they will find very useful ideas and topics for ongoing family discussion.

Later in the year we will be running a competition for students who would like to create a suitable cover for the 2012 planners. This year we have used our pride in our school environment as the focus for the 2011 covers.

We welcome feedback about the design and use of the new planner (via email).

BIG NIGHT OUT – Fantastic Turnout and Thank You

What a terrific night was had by all who came to Big Night Out – thank you for your support of this P&C and school family event. Congratulations to the raffle, bingo and heads & tails winners and our sincerest thank you to all the people who donated prizes for the raffle and games.

Thank you to all the marvelous entertainers - The Music Department organised the Jazz ensemble and String orchestra. The Henna Tattoo artist has agreed already to return next year. The Napur dance troupe were sensational with three Bollywood numbers and of course Ali and Alex – the still walking musicians - were greatly admired. *The Icebergs* played the night out and sounded fantastic! Good luck to these talented ex-students for their future music careers.

In the end we had pre-sold over 210 tickets and approximately 70 tickets were sold at the door – thank you High Family!

Congratulations to the History Faculty for the most number of staff attendees.

Thank you to the staff of High, who have been involved in very many ways with the organisation of Big Night Out. The Library staff for printing of posters and tickets, the general office for selling and laminating of tickets and all the admin that goes with this, those who lent us BBQs and moved things around and cleaned up the school – thank you. Thank you to Richard James – P&C treasurer – for keeping the finances and cash flow well organised.

We grossed over \$6,500.00 for the night but the whole point of Big Night Out is to come together as a High community and share our many different heritages through a wide variety of food and entertainment. It was terrific to see so many people involved who do not always have the opportunity to play a role in contributing to the P&C and the school for the benefit of all the boys.

Most of all, congratulations and biggest “Thank You”s to our Big Night Team who excelled themselves in their preparation and presentation of our dinner: **Sachiyo James** coordinated entrees; **Min Wang, Keshani Radhakrishnan** (with a boy no longer at school !), **Geoff Waring** and **Soogie Sim** coordinated main courses; **Susan Adams** coordinated desserts; **Andrew Kirk** soft drinks; **Chris Andrews** (Old Boy Class of 2008) the bar; **Nina Liu** tea and coffee. And behind these people were teams of fantastic cooks and organisers – rice paper rollers, cake bakers, rice cookers, BBQers, vegetable preparers, curry chefs and so on. Thank you to everyone. Again, it was great to have so many different parents involved in different ways right across the school family, with the common purpose of helping our boys.

Speaking of boys - our prefects excelled in the selling of raffle tickets and bingo cards. Cameron Morrison was fantastic calling the Head & Tails game. Shuming, Eric and Sangeeth – and others ! Where terrific calling bingo particularly Shuming with his numbers from 1 to 90 in Mandarin – thank you for being part of the night. Thank you to Charles Ovidia who helped establish this event and in his final year as a parent is always supportive.

We would really welcome your feedback to input into the planning for next year’s Big Night Out.

SYDNEY BOYS HIGH SCHOOL ROWING COMMITTEE

High Regatta Results

SHS Rowing hosted a very successful regatta last Saturday, 26th March. The racing and the catering were outstanding thanks to a great team of parents, Old Boys and past parents. It was a shame about the wet and windy weather that kept the crowds away, but the spectators there and the High parents enjoyed the day.

The day started very early, in the dark, setting up the barbecue/catering area at Bayview Park, and on the water placing buoys for the course. Particular thanks to Anita Bezjak, and the committee, for coordinating the logistics, formulating a roster, and rallying the troops for the catering. Thanks also to old boys, Chris Watson, Con Barris, Dave Luscombe, David Blomberg, Dom Grimm, Shahar Merom, Gareth Deacon and Pat Desmond, and past parents Barry Schilling and Katharine Deacon for helping with the regatta.

Our best performances of the day went to our Year 9 3rd Quad, coming 3rd to Riverview and Newington – **Brendan Kong, Kohen Lau, Byron Zhou, Chris Wang, (c) Joseph Tang**, and the Year 9 1st Quad also coming 3rd to Riverview and Newington, beating Kings well – **Brendan Guan, Rex Yi, Andrew Zhang, Steve Comminos, (c) Josh Lane**.

We have our own decorated marquee with the School Stage Band playing, so put on the blue and brown and come and cheer! All rowing parents are invited back to the sheds for a presentation at approximately 3.00pm to thank everyone involved in the season – coaches, staff, committee, parents and the boys.

Combined GPS Team Selection

Congratulation to the following boys who were selected for the combined GPS basketball teams! The trials were held on Monday & the quality of the teams reflects how difficult it is to be selected: Andrija Dumovic, Christian Jurlina and Craig Moller, were all selected in GPS 1sts. The others did not try out due to State Basketball clashes.

1st Grade Ladder

	Played	Won	Lost	For	Against	Difference	Points
High	14	12	2	1180	747	+433	26
Newington	14	12	2	982	618	+364	26
Scots	14	12	2	1090	764	+326	26

Kings	14	1	13	550	1050	-500	15

Although we unfortunately lost on the weekend to Newington, High still tied for the premiership with Scots and Newington, and was 1st on points differential, the best result for the school since 1994 in the GPS. Adding our first National Championships and Raschke Cup victories means that this is the most successful season for High basketball ever, hopefully with many more to come. Congratulations to all involved in the basketball program, particularly players from the 1st and 2nd grade team for producing some phenomenal results.

The Editor's Experience by David Li Wang

This issue of Shootin' Hoops will be the final issue that I'll be writing and so I would like to share some of my experiences of High Basketball. Back in 2006 during my first season, I played for 13Es and was coached by Mr Baldock and like the majority of 13s teams, we lost every single game, but did come close to winning a match. When I played in the 14s Ms Ward was my coach and early on in that season I experienced my first win and a few more followed in that season. In the following season I captained the 15Es, once again coached by Ms Ward and we experienced quite a successful season as our team was quite a potent one, often winning against the Ds and Cs during training sessions. That season will remain as some of the best memories of my time at High, not only because it was the best in terms of my individual performance and our team's success, but because I was in a team with some of my closest friends and we enjoyed every moment of basketball that we played and because of the competition and enjoyment factor, we were able to lift our games to another level.

In the 08/09 season I became the full-time editor of Shootin' Hoops taking over from Johny Shih. I was picked in the 16Cs and coached by Joel Richards, and although the season wasn't as successful as the previous season, we learnt a lot as basketballers. As I moved into the Opens division, I returned to playing under my old coach Mr Baldock in 8th Grade. In 09/10 we were the only Year 11s playing in the 8th Grade comp and so needless to say we were unable to defeat some of the more experienced Year 12s in the other GPS schools. However in this 10/11 season, 8th Grade assured Mr Baldock that we would have an incredibly successful season. We set out to win every game but unfortunately due to injuries, we were only able to field 7 players against an Iggy's 15 man team, narrowly losing that game, finishing the season with 12/13 wins and 2/2 wins against the 1st and 2nd Grade teams of Alexandria Park.

I can honestly say I've had no regrets during my time with High Basketball, and like myself, I strongly encourage you all to get more involved either through doing scoring on the weekends or supporting 1sts and 2nds on the weekends. High Basketball has truly blossomed in recent years, evident from the exponential growth of accolades and the work Mr B Hayman has done has been phenomenal. I wish High Basketball all the best in the years to come and hope we can continue the legacy of playing hard, playing smart and playing together.

Go High Basketball!

Thank You!

A huge thank you to everyone who turned up at the Newington match on Saturday. It is estimated that about 400 students, parents and supporters of High basketball were present at the final game of the season. Although it is unfortunate we didn't win, your support made the final game a memorable one for all involved.

As well as this thank you to everyone who came to watch 1st grade matches during the season. The extra effort you put in certainly went a long way to make the basketball program as successful as it was.

The parents of all the players who have supported their sons, must all be thanked, in addition to those parents who have helped out at the Basketball canteen on Saturdays.

To all the players who turned up for your matches and training every week: congratulations on choosing the best sport in the school and for your improvement every week. It is very pleasing to see a remarkable improvement from week to week, especially within our junior teams!

Last but certainly not least, thank you to Mr Ben Hayman for his dedication and impressive hard work which has made this all possible! GO HIGH BASKETBALL!

ATHLETICS 2011
Information for Athletes and their Parents

PLEASE NOTE THAT THE 1500m RACE STARTS AT 8.15AM

I would like to warmly welcome all athletes, new and old, and their families to the 2011 season.

Sydney Boys High School offers boys the opportunity to compete in the prestigious GPS Athletics competition. The GPS Athletic season is run in the last four weeks of Term 3. The season culminates in the AAGPS Athletics carnival held at Homebush. Here the nine GPS schools compete against each other in two different age divisions (senior and junior). Boys from each Year group represent Sydney Boys in these divisions. They compete in front of nearly 10,000 spectators. The nature of GPS Athletic competition is team oriented with a points system designed to reward a good all round performance from a team rather than one strong individual performance. The coaching staff stresses the importance of this aspect of the competition.

Athletics at High welcomes all athletes regardless of ability and it is our aim to develop you as an athlete in your discipline. The strength of our team lies in the enthusiasm of all athletes challenging each other for a place to represent the school at the AAGPS Athletics Finals.

There are tremendous benefits to be gained from athletics training; these include physical, mental, social and educational rewards. I hope that you become involved in High Athletics and that it is a rewarding experience in all these ways.

Good luck in the upcoming season.

Please check out Athletics on our Moodle website.

GPS Athletics

The Athletics season is short, but intense, and the boys involved always enjoy the experience. Boys (and parents) considering Athletics in 2011 should be aware of the following points....

- Athletics does not compete with Soccer and Rugby. Boys are encouraged to do Athletics and another Winter GPS sport during the season
- Sprint training for Athletics is held after school on Mondays on Moore Park West and Tuesdays for longer distance training at the same location
- Athletics does not continue as a regular sport after the GPS Championships – 17th September
- Boys are expected to take responsibility for their own training outside these times
- High will host an Invitational carnival this year at ES Marks on Saturday 3rd September.
- **If your son is competing in the 2011 season please make yourself available to help at this carnival**

The Student Award Scheme and Athletics

Athletes need to satisfy the following 5 criteria if they wish to get the student award scheme for athletics.

1. Athletes must complete **five** of the six holiday training sessions at ES Marks
2. Athletes need to compete in the **3** invitational carnivals
3. Athletes must complete **three** athletics training session per week for the 4 week season
4. Athletes must train every Monday or Tuesday in the five weeks up to the start of the GPS Athletics season
5. They must also complete **another** sport's training session or a weights session

This may seem a lot of training but in relation to winter or summer sports it is relatively light. Be committed to the training so we can challenge our rivals

Sydney High Water Polo

Thomas Whalan Cup – Round 3

Opens v Saint Ignatius College

Lost 16 - 1

It was a testing match up in our last water polo game, but the result did not reflect the positive season to end 3 years of High water polo for most of our team. GPS representative Brendan Hancock scored in every game, Jeremy Dobrowolski outswam dozens twice his size, and keeper Ashwin Rudder consistently played to the high level demanded. With 2 successful years of experience going into this season, our team was taken over by supercoach Lachlan Hollis who provided the structure and strategy needed in the Opens competition. Every team member increased his training and contributed significantly each Saturday. Our success was shown in finishing 5th on the GPS/CAS table, and a victory over Sydney Tech in the CHS knockout was again a highlight to the year. I would like to thank Ms Evans on behalf of the team for a memorable sporting season.

Dear Year 7/8/9 Parents,

There will be a school dance for Year 7/8/9 students held in the School Hall, Sydney Girls High School on Monday, 4th April from 7:00 pm - 10:00 pm. This function is only for **CURRENT** students at Sydney Boys and Sydney Girls. No other people will be permitted.

Staff and security guards will provide supervision and students will only be allowed to leave before 10:00 pm if we can contact parents for permission. Drinks and chips will be on sale in the Cleveland Quadrangle. Students will be allowed to go into the Cleveland Quad from the School Hall and all this area will be secure.

We do request that parents are prompt to collect their daughter/son at 10:00 pm. Boys are to be collected in the Boys School Car Park and girls in the Girls School so as to reduce congestion. Please do not allow them to make their own way home at this time of night.

Students need to be **fully** aware of the expectations we have for them regarding acceptable behavior. Should any incident occur parents will be contacted to collect their child. The NSW Department of Education Guidelines are the framework for conduct of this, and all other social events.
