

## From the Principal High Talent

Congratulations to Andrija Dumovic (Year 12) who was selected in the Australian U19 Basketball Squad to travel to Croatia in June. Well done again to Kazuo Nakamura (Year 8) who will be competing at All-Schools state swimming. Best of luck, Kazuo! Gold Medals and 'summa cum laude' certificates in the National Latin Examinations were also earned by: Year 11 –William Ho & Timothy Chin; Year 9 – Anes Karahasan, William Wu & Christopher Chen. Great results, boys! Congratulations to Christian Jurlina and Daniel Jones who were selected in the NSW CIS basketball team. Well done to Shobhan Baranwal and Henry Feng (Year 9) and Shaleen Baranwal (Year 8) who competed in the National Band Championships in Adelaide where they placed second as members of the Northern Youth Symphonic Wind ensemble. High has been ranked No1 in Australia again in the National Geographic Channel Australian Geography Competition! Ashwin Rudder and Dawen Shi were equal first in Australia in the senior level. Max Wei was equal third in NSW. In the intermediate level Daniel Tam was equal 5<sup>th</sup> in NSW. Great results from all competitors!

## Train travel praise

It is gratifying to have eye witness accounts of boys doing the right thing on public transport. A commuter emailed me this week on Tuesday congratulating boys who travel on the Summer Hill line. On one carriage every single boy immediately vacated his seat for a paying passenger. Well done indeed!

## Old Boys Union Mentorship Scheme

Year 12 students should think about the benefits of Old Boys Union membership as a means of accessing professional mentoring during and after their secondary education. The Sydney High School Old Boys Union website offers this service. "Are you looking to begin your professional career? Talk to an Old Boy who is willing to act as a mentor

to offer you advice and insights. Full details: <http://www.shsobu.org.au/mentorship/mentees/>" I commend the program to you.

## University Workshops for Secondary Students

The Industry Advisory Board of the UNSW School of Electrical Engineering and Telecommunications has recommended repeating and expanding last year's successful workshops for school students. The workshops included practical work in the School's laboratories, as well as an industry visit to Cochlear. The School plans to offer two workshops this year, in November after SC for Year 10 students and the October holidays for Year 11 students. More than one industry visit may be incorporated into the 2011 workshops. If you plan to undertake tertiary studies in Engineering or you are interested in electricity and telecommunications, these workshops might be for you. Check with Mr Cipolla later in the year for details.

## The National Plan to Reduce Violence against Women and their Children

2010-2022

### Why do we need a National Plan?

The main types of violence targeted are domestic and family violence and sexual assault. These are gendered crimes. One in three Australian women have experienced physical violence since the age of 15 and one in five have experienced sexual violence (ABS 2006). People who experience this kind of violence are women – in a home, at the hands of men they know. Domestic violence affects not only the victims themselves but also *children who are exposed to it*, their extended families, their friends, their work colleagues and the broader community.

Violence against women means "any act of gender-based violence that results in, or is likely to result in, physical, sexual or psychological harm or suffering to women, including threats of such acts, coercion or arbitrary deprivation of liberty, whether occurring in public or in private life." (p3).

Domestic violence refers to acts of violence that occur between people who have or have had an intimate relationship. A central element is an ongoing pattern of behaviour aimed at controlling a partner through fear.

Domestic violence includes: physical, sexual, emotional and psychological abuse. Psychological and emotional abuse can include: control of finances, isolation from family and friends, continual humiliation, threats against children or being threatened with injury or death. Family violence refers to violence between family members, including marital and kinship relationships.

From my perspective boys schools in particular need to start raising awareness of this significant social problem. It is a social and health issue as damaging as smoking and drink driving. Our young men need to be trained in skills to establish respectful relationships with girls and women so that the intergenerational cycle of gendered crimes of violence is broken. Our High Resolves boys showed the way last year with their PowerPoint presentation on the international plight of women. Now we should focus on our own society and confront the problem. Only long term educational interventions, supported by government-financed professional support coupled with more resolute legal responses, can lead to a significant reduction in violence against women.

### Year 12 Reports

Year 12 boys will be issued with their reports next week. However, *Clearance Forms* may be needed by more students this year as many have yet to finalise their accounts for term one, particularly in respect of co-payments for participation in summer sports. In addition, captains of teams in summer sports competitions need to submit written season report summaries to Ms May for inclusion in The Record. Until those responsibilities are met, *Clearance Forms* will not be signed.

Dr K A Jaggar

### Die deutsche Frage

Die deutsche Frage im April ist noch nicht beantwortet worden – es gibt also eventuell zwei Schokoriegel in dieser Woche. Die Frage für den Mai ist: Warum ist "der Riesling" ein Oxymoron? Answers to me in the Language Staff Room.

## NEWS FROM LATIN

On Monday, 9th March, students of Latin from Years 9-12 sat the National Latin Exam, an international examination organised annually by the University of Mary Washington, Virginia, USA.

The results this year were pleasing, with eleven boys each achieving a Gold Medal and 'summa cum laude' certificate, and thirteen boys achieving Silver medals, and a 'maxima cum laude' certificate each.

The recipients of medals are as follows:

### **Year 9 Latin:**

Silver medal: Richard Cao, Ray Cheng, Peter Choi, George Farrugia, Henry Feng, Michael Hauser, Riley Irwin, Mesbaah Lalee, Robert Tan, Jens Waring

### **Year 10 Latin:**

Silver medal: James Chen

### **Year 11 Latin:**

Gold medal: Timothy Chin, William Ho

### **Year 12 Latin:**

Gold medal: Rahib Azwad, Declan Gorey, Ryan Gu, Samuel Beston, Lawrence Cai, Jeffrey Tang

Silver medal: Bryan Do, Matthew So

The six gold medallists from Year 12 have also been offered the opportunity to apply for a University Scholarship valued at US\$1,000.

Indeed, students of Classics at Sydney High are offered a number of opportunities to excel in a field beyond the school. Another annual competition is the annual Latin and Greek reading competition. This is available to Years 9-12 and will appeal to the orators among you. Students are required to recite a passage of verse or prose in Latin or Greek. Judges are usually academics. Last year, the reading competition for seniors was held at the University of Sydney. Details of this year's reading competitions will be provided soon.

## From the Canteen.

Thank you students and staff for your support of

### High canteen!!

It is only with your support through making purchases at canteen that we are able to supply much needed funds to the school to keep upgrading resources. *We make most of our profits with the large quantity of healthy food items we make fresh in canteen to sell at recess and lunch.*

Our manager, Karen and Tracey are always looking to keep the menu interesting with a wide range of healthy, cheap food options and are always open to new suggestions. So if you know of a food item that you think would be good for our menu that is healthy and affordable, let canteen know.

### **Winter specials on the menu**

Here are some menu items this term that are great for those colder days....homemade chicken and corn soup, tandoori rolls, steak and onion rolls plus more to come...check at canteen. Order and you don't miss out!

### Thanks Katie

Next time you see Katie at canteen give her a big smile to say Thank You!! She did a wonderful job keeping the canteen running smoothly while Karen and Tracey were away for a few weeks recently. Many thanks (and a smile too) to Samson and Chris for your help as well. It's great to know we have such capable young people on board with a very professional approach. Thank You all!!

**The following parents** have given the canteen much needed help the last week of term 1 and this term to date.

Pam Jepson, Dani Hillier, Helen Kon, Yoshie K-Leong, Annette Ng, Huiyu Ni, Pauline Chan, Cindy Tseu, Jim O'Sullivan, Fabienne and Charles Ovadia, Rita Shackel, Jenny Mou, Maria Farrell, Debbie Dukes, Helen Torak, Shihong Yang, Pam Jepson, Usha Arvind, Angela Feng, Vicki Moller, Jenny Mou, Min Chen, Sachiyo James, Kate Sands, Katrina Morrow, Hellen Lin, who did so well when we were short staffed on a busy day.

Thank you all very much and your names will be going into the \$10 lunch voucher draw.

It is always lovely as well when we receive unexpected help from people outside the school community. Just recently, we had Sky Suen in – a student dietitian who not only volunteered for the day to have experience in canteen, but is also happy to help out again!! Thanks for your help that day, Sky. We certainly do have a diverse range of people helping – Dads, mums, grandparents, siblings, friends, tertiary and senior students...

You are all very much needed and appreciated.

**Thank you The Canteen Team**

***What's Up in the McDonald Senior Library?***

Now that the exams are finished there will be a very brief reprieve for Year 12 students prior to final assessments and then Trial HSC exams and they as well as Year 10 and 11 will have opportunities to borrow lots of brand new resources. These can supplement the required texts and provide related texts for those boys still searching for something relevant or provide terrific reads for pure pleasure!

Books requested and next in series have arrived and will be processed and put out for borrowing as soon as we can, so if you are waiting for the next Assassin title or the second title to follow Patrick Rothfuss's "In the Name of the Wind" ask the librarians when they'll be ready.

These materials will be displayed in the Senior Library and will be available for loan. So watch the display stand near the circulation (borrowing) desk!

Speaking of new things...keep your eyes peeled for an exciting new lunchtime mystery event to be held in the Senior Library this term! Posters will be around the school to advertise this next week some time so look out for them.

## Next P&C Meeting – 7.30pm Wednesday 18th May, Staff Common Room

All parents are welcome to attend the next P&C meeting – starting at 7.30pm and usually finishing around 9.00pm – on Wednesday 18<sup>th</sup> May in the Staff Common Room. Dr Jaggar presents a Principal's report at each meeting and is available for questions, which is a great way to find out about current and future directions for the school.

## Phillip J Day Scholarship Dinner

All parents are invited to attend the Phillip J Day Scholarship Dinner - 7.00 pm, Tuesday 31 May 2011 in the Great Hall. Held every two years, this event is the major fund-raiser for The Phillip J Day Memorial Scholarship Trust - established in 2007 in memory of Mr Phillip Day - to provide outstanding Sydney Boys High School students with financial assistance to maximise their opportunities whilst a student at the school.

The scholarship is awarded each year to a student from any year within the school with selection criteria including outstanding talent in a particular area of academic or co-curricular endeavour, particularly good all round achiever or a student with special needs, financial or otherwise. Phillip John Day (1965) was a much esteemed Old Boy, Head Teacher of Social Sciences (1984-2006) and mentor to a generation of High boys. The Scholarship is intended to perpetuate the ideals of mentorship.

This year's dinner is hosted by Daniel McPherson (Class of 1997), host of *Dancing with the Stars*, *City Homicide* and *The Bill* – with guest speaker Tom Cusbert (Class of 2002), University Medalist (2008). Cost is \$60.00 per person and is tax deductible as a professional learning opportunity. You can put a table of 8 to 10 together or join an existing table. It is a terrific opportunity for parents to mix socially with a wide cross-section of the High community including many Old Boys, staff and

parents from other schools who had an association with Phil Day, while supporting this very worthwhile initiative for talented students.

Please RSVP by 26 May 2011 on the invitation in *High Notes*. All enquiries should be directed to Mr Barris: [barrisc@sydneyboys-h.schools.nsw.edu.au](mailto:barrisc@sydneyboys-h.schools.nsw.edu.au) Further details about the Phillip J Day Scholarship, including a form for donations, may be found on the School's website.

## Peer Mediation at SBHS

Hey got a problem? Get peer mediated! Peer mediation is a program run by a select group of Year 11 students which seeks to solve conflict between students without getting teachers involved.

The program seeks to help the students resolve their issues while under the guidance of the Year 11 students. The program is confidential and stays between the peer mediators (Year 11 students) and the students who have a problem with each other.

### How it works

When two students have a disagreement they are to email the following address: [PeerMediation@sydneyboys-h.schools.nsw.edu.au](mailto:PeerMediation@sydneyboys-h.schools.nsw.edu.au) requesting a Peer Mediation session. From this point Ms Barr will receive the request and will appoint two Peer Mediators to accompany the disputers in a closed off room, whereby the two students will eventually resolve their problem and sign an agreement to not create more problems with each other.

Remember. The email address is:

# SBHSDEBATING

## Debating Co Payments

Please can parents make sure they have paid their debating co- payments this week? I am going to be doing a check of payments against rolls over the next two weeks and it will be much easier if everyone who attends debating has paid in advance.

Some students have asked if the co-payment is for a term or for the year. The co –payment is for the whole year. Doesn't that reflect excellent value for money? The high quality coaching goes on for three full terms and for the FED and Eastside teams we are the only school which rotates our team members. Although this means we are not as successful as we could be with one consistent team, it does mean that the majority of our debaters get an opportunity to debate in a real competition each year.

Rachel Powell  
MIC Debating

### Eastside Report

SCEGGS Darlinghurst played host to the Eastside semi-finals last Friday. With our junior teams unlucky to miss the semis, it left our senior teams to carry the High flag. Debating whether to have a national DNA database or not, *our Year 10s on the tougher negative, were unlucky to be beaten*, while the Years 11s and 12s, both on the Affirmative, were successful. The Year 12s stretched their unbeaten run to six, but our worst performance of the year means we have a lot to improve upon if we are to take out the final this Friday. It would be great to see support, both from debaters, and the general school community, for *both* teams in their Eastside Finals this Friday.

Ashwin Rudder  
Debating Prefect

### FED Report

After a long holiday break the FED competition finally resumed with High hosting Barker College. This round proved to be one of the toughest yet with Barker topping the table in three divisions and many teams needing to win to make the semis. The Year 7s had the topic "that mobile phones should be banned in schools," which they unfortunately lost, whilst Years 8 and 9 managed to win with the quite interesting topic that "organ donations should be compulsory." In the much anticipated senior rounds, the topic "that Wikileaks has made the world a better place" caused a few groans but the Year 12 side won their debates (and they were made up of Year 11s) on the affirmative whilst the Years 10 and 11 teams were unable to defeat strong Barker sides. But well done to the two Year 9s who stepped in to replace missing Year 10s. Now with the end of the competition approaching I encourage all debaters to come and support our teams.

Christopher Chiam

# Growing Gorgeous Boys into Good Men!

Adolescent boys – they seem to disappear into another world where they barely communicate, and where fast cars, alcohol and drugs are constant temptations.

Will they survive to become good men? How can parents and schools understand and help them through this difficult and dangerous time?

## Celia Lashlie

After 15 years as the first female prison officer, Celia knows what can happen when boys make the wrong choices. She also knows what it's like to be a parent – she raised a son on her own and feared for his survival. During the recent Good Man Project she talked to 180 classes of boys throughout. The result was a significant insight into the minds of teenage boys and what they are feeling in this period of their lives. There are challenging suggestions for parents if they want to see their sons become the good men they want them to be. Celia is a great speaker and her talk gives parents plenty of food for thought and plenty of hints at how to work with their teenage sons. *All parents will find something valuable in this talk -regardless of whether they have sons or not.*
