

From the Principal High Talent

Congratulations to Joshua Lane (Year 10) whose syndicate

"Iceman Cometh" won 3rd place nationally and was 1st in NSW/ACT in the ASX Schools Sharemarket Game 2. Not only did Joshua win a handsome prize for himself, but also the school is awarded \$2,500 from ASX. Great job, Joshua! The U15s basketball team has qualified again for the CHS NSW Knockout Competition final series at Terrigal next week. Congratulations and good luck to: Boris Amromin, Brian Chan, Brendan Fattore, Noah Fowler, Michael Hamilton, Jack Hutchison, Joshua Leo, Bailey Musulin, Alex So, Nathan Sutton and Anthony Wu.

High Parents and Friends Rowing Challenge

The rowing challenge six weeks

of training culminated in early morning races at Abbotsford last Saturday on a sparkling morning on the river. The parents and friends who did the hard hours of dawn training benefited their health and the rowing program to the amount of \$7000. Julie Blomberg and the Rowing Committee work hard to promote and manage the rowing challenge. Thank you to all concerned! The Old Boys VIII was too strong for the 2013 SBHS crew in the annual sprint race.

Bob Outterside Honoured

The Outterside Centre has new signage. At the Teviot St entrance a new sign describes the Outterside Centre. On the river frontage a new sign under the balcony advertises 'Sydney Boys High School Boatshed'. Last Saturday, at the 'Back to the Sheds' event, Bob's daughters and a number of people associated with Bob in his time as Principal (1977-1991) and in his work for the Outterside Centre Management Committee (2002-10) were in attendance at the unveiling of a portrait of Bob to be hung in the Centre. In an entertaining speech Bob thanked the High community for the honour and recounted how the Centenary Project of extending the Centre was conceived and

promoted. We are all glad that he talked the High community out of building a chapel on The Flat to celebrate the occasion of 100 years of the school!

Since February, 2000 the newsletter has been a vehicle for celebration of achievement and information about school activities and personalities. I want to thank the many editors and contributors over the last 13 years who have helped to get the news out to students and their families. The regularity and quality of the publication are tributes to their dedication and professionalism. Thank you to staff who take the time to email me good news about the many and varied achievements of our boys. The format of the newsletter lends itself to on-screen reading. I urge any families who have not yet registered to read *High Notes* electronically via an emailed link to do so. Just go to www.sydneyboyshigh.com/publications/high-notes enter your email address in the blue box on the right hand side of the screen and click on 'signup'. You will be notified by email when each edition is ready to peruse.

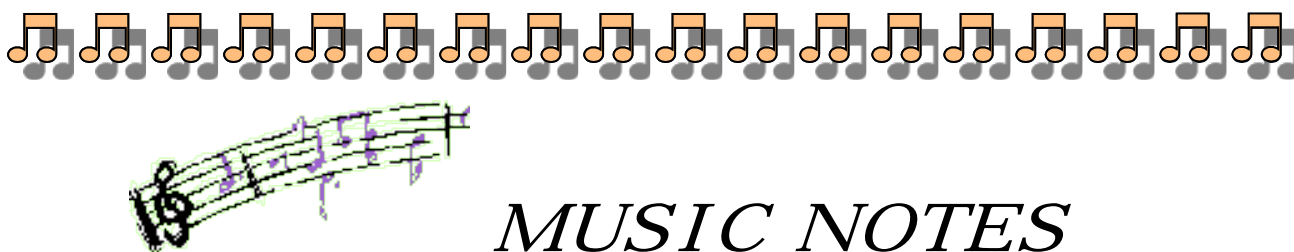

Year 11 Reports

Too many students have not yet discussed their progress with me. Clearance Forms have been issued to all boys and they should be meeting their commitments. The boys are deciding on their courses for the HSC and it is imperative that I speak to them all before next Wednesday. Please ask your son for his report and his plans for courses for 2013. Boys need to start focussing on the important weeks of HSC learning ahead! As from November 5, negative consequences will have to be applied to force boys to comply with school policy.

FROM THE ANDREWS JUNIOR LIBRARY

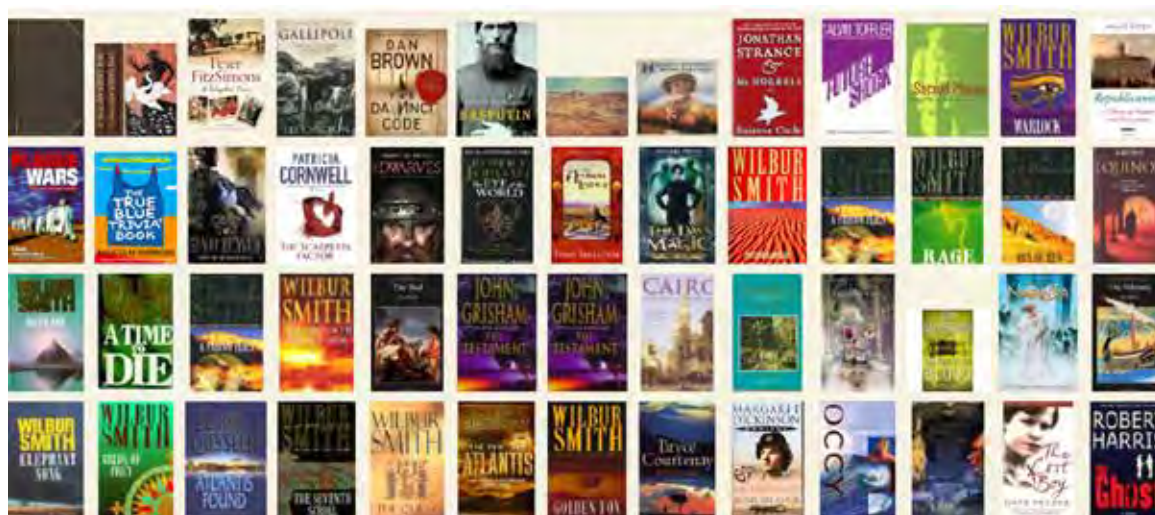

THANKS TO 2012 LIBRARY MONITORS AND OUR PERIOD 6 OFFICE BOYS

As this is term 4 and we may forget to do this, our Library staff would like to acknowledge the incredible assistance we receive every year from our 240 Library Monitors. These boys put every one of the 9000 or more books our students borrow per annum back onto shelves. This year the boys have put subject added entries onto 700 Links for Learning Websites- a job that is close to being finished. They have also looked up every one of our 2058 websites on our OASIS catalogue to find out if they were still working. They do numerous other jobs that make us much more effective as a Library, such as making up our new books window displays. We would also like to thank the Office Boys who come up in period 6 and shut and lock all our windows, turn our computers off, put books away and tidy up the chairs and newspapers. This is again saving our staff 50 minutes of repetitive work per day and gives us extra time to accomplish other tasks. The beautiful grace the boys display when they help us is a joy. Thank you to all our helpers!

COMING UP IN TERM 4 The last half of the Fiction Stocktake and the Film Festival and a final run at Literacy Circles for Years 7&8.

DONATION THANKS

Many thanks also to Ms Meredith Thomas, who has worked on a temporary basis in the Library this term, for her donation of books and DVDs. Thanks also to the Heatrick family who donated more books again this term. Also to Ms Kilmore from Maths for her recent donation :

From the Canteen

Thank you for supporting our canteen throughout the year. We are very fortunate to have one of the few school canteens not privately owned. This means that all profits are returned to the school and are used for extras not provided by the Department of Education, which benefit all of our sons. Canteen has been able to give the P&C a further **\$40,000.00** this term, making a total of **\$80,000.00** for the year. We are so fortunate to be able to make this large amount of money, whilst still providing healthy, home-made food choices for our sons at very affordable prices. This would not be possible without the professional running of the canteen by our fantastic, hard-working Managers Karen and Tracey to whom we are extremely grateful.

We are losing a number of Year 12 parents this year and in order to continue to raise this much needed money for the school we are seeking some new volunteers. If you have any time available, please contact the canteen on Ph: 9360 4027, even if you can only help one day a term it would be greatly appreciated.

Thank you to our volunteers last week.

Sydney Boys High School Sailing

20th October 2012

Sydney High sailors achieved mixed results in Round Two of the Saturday Points score Term 4 Series sailed on Rose Bay on Saturday morning in very light and shifty SW to W winds.

Earlier, the Christening and Naming Ceremony for the new Pacers "Moves like Jagger", "Don Roach" and "Narrina" had seen a large crowd of sailors and their parents at the Double Bay Sailing Club sheds.

This allowed Sydney High to field a ten boat fleet for the first time and the start this week saw a larger fleet with thirty boats from four schools (High, Scots, Cranbrook and Ascham) contesting the second round.

Bec Loder and Lailie Walker (SGHS) sailed the most consistently this week with a 6th and a 7th placing in the two races held. David Evans and his crew were also very consistent (8th and a 9th). Tim Pilién sailed very well for a 13th and 10th placing and good placings were achieved by Marcus James (6th in the first race), Darren Tiang (12th) and Connor Robinson (11th). Hayden Rabone sailed competitively for his first race on the helm and should show improved results in future regattas.

27th October 2012

Round Three of the Saturday Point Score Series saw an increase in wind strength compared with previous weeks and with this 10-15 Knot SW to SE wind, the racing was more exhilarating.

Both races were typical long course fleet races, with a triangle, sausage and triangle course to the finish. The Cranbrook and Scots boats took an early lead off the start and looked very comfortable in these conditions. They were closely followed by Bec Loder, David Evans, Marcus James and Tim Pilién. Things were tight at all marks and boats sailed well to anticipate and avoid penalties. The best sailor was Bec Loder with a sixth placing, David Evans and Tim Pilién in the top ten. With the absence of at least three normal skippers this week, the junior skippers were given the chance to perform well in the difficult conditions.

Race two was an even better result from Sydney High sailors with a win both due to excellent sailing by Bec Loder, with Lailie Walker (SGHS) as crew and the disqualification of other boats for being OCS or over the line at the start and failing to return and start again. David Evans sailed well with Tom Du to claim a fifth place and Tim Pilién and Daniel Fang an sixth and eighth place

Both this week's races achieved the MIC benchmark of three in the top ten places in each race.

A number of skippers have sailed well this week at training. Vincent Xu has moved confidently into one boat and displayed a reasonably high level of competence whilst sailing on both Saturdays and Thursdays.

The student roster put into place this week was not successful and so all students will need to turn up for Saturday Sport this weekend, unless they have been granted leave and possess a note (with a very good excuse). Students that cannot adhere to this policy will need to find another sport to compete in this Term.

Next week it is essential for all boys to turn up, as it is our Regatta for the Saturday Point Score Series. Sailing will be conducted on a course within Double Bay and it is hoped a better result will be achieved. A number of sailors will be needed to help on the start boat and the laying of marks.

A final reminder that the Sailing Dinner will be this term and that further details will be advised soon. It is anticipated that it will be held at the DBSC clubrooms. It will be a plate dinner where everyone brings a plate of food.

Thanks to those sailors who did extra this week by turning up to increase the numbers sailing, even though they were rostered off. Their help is very much appreciated.

This week our 1st Grade side had pulled off their first win of the season against King's! Having lost to the same team by only one point at the Sydney School's Shoot out in the holidays, it was sweet revenge for 1st Grade when it counted as we won by 11 points this time round. Characteristics of the King's School in any age group are **their gigantic size that tower over many of our High players**. However, this week our Opens still managed to do extremely well having only 7th and 8th Grade losing by narrow 3 point margins, with Captain Weber Liu of 7th Grade extremely apologetic after stacking it in the final seconds and throwing the game away.

Following this, we have another match report from the captain of 6th Grade, who's on a fiery winning streak since the beginning of the season:

Entrenched on a two-game winning streak, the 6th Grade Basketball team embarked on a long road trip to the King's School for Round 3 of the GPS. Captain Kenneth Ho was quarantined from the team after failing to overcome influenza. After a one-week hiatus, speedster Terence Pham was reinstated to the starting line-up. Head Coach Mr W Baldock looked for a boost from new acquisition Marshall Li, and was extremely satisfied when Marshall continuously blocked out all the space in the key. Former All-Star Andrew Wu continued his renaissance with another vintage Air Wu performance, bulldozing his way to the bucket relentlessly, whilst also utilising the fly-swatting technique in defence. During the second half, Andrew Wu's jaw dropping finesse held the King's School at bay. In the closing seconds, Sydney High held on tenaciously, passing the ball around to burn the last 40 seconds of the game away.

Kenneth Ho

We also have Mr Hayman's team of the week:

I was very impressed with the 14As who tied the second half of their game 14 points all. I'd like to see us break the Kings full court trap consistently next time. Most of the schools we play against have been practising for a number of years together when we meet them in Year 7. Such a close, tied game in the second half is a great result for us going forward.

This week we will be playing Sydney Grammar. Grammar has been an arch rival to High in basketball and academically. We look forward to seeing High winning most of this Saturday's games, with the lower grades possibly pulling off their first win of the season if they haven't already won!! Remember to use your time well and prepare yourself both mentally and physically this Saturday for a big game ahead. Good luck!

~ Go HIGH!

SYDNEY BOYS HIGH SCHOOL ROWING

Back to the Sheds Regatta 2012

High Rowing welcomed Old Boys, parents, and supporters to the Rowing Sheds last Saturday, 27th October for the Back to the Sheds Day. The day started well with beautiful weather for the High Challenge rowers to finish off their six week rowing program with a mini regatta right in front of the sheds. Congratulations to all 3 crews who rowed their best on the day and entered the spirit of the event with some colourful rowing outfits and crew names. Our Captain of Boats, **Alex Pereira**, welcomed old boys back to the sheds and thanked the High Rowing Challenge crews for their donations.

Then it got serious with the feature race of the day - the Best of the Old Boys challenging the School VIII. Congratulations to the Old Boys crew (which included some very recent Old Boys!) who had to put in a powerful and less technical race to beat the current School VIII over 500m for 2012.

Old Boys – **Vlad Boulavine**, **James Gerofti**, **Isaac Eveleigh**, **Jack Musgrove**, **Dom Edgton**, **David Andrews**, **Andrew Blomberg**, **Tim Gollan** and coxed by **Gareth Deacon**.

School VIII – **Alex Pereira**, **Nelson Tang**, **Steve Comminos**, **Daniel Keogh**, **Ashley Chan**, **Ronald Tran**, **Kin Pan**, **Brandon Vu**, and coxed by **Dan Tam**.

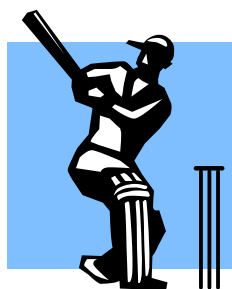

A highlight of the day was the short ceremony to celebrate new signage provided by SHS Foundation - 'The Outterside Centre' at the entrance to the centre, and 'Sydney Boys High School Boatshed' on the riverside of the sheds. **Geoff Andrews**, Chairman SHS Foundation, unveiled a portrait of **Bob Outterside**, Principal 1977 – 1992, to be mounted next to **Jim Budge**, as recognition of Bob's outstanding contribution to Sydney Boys High School over many decades.

Upcoming Rowing Events -

- **Junior Head of the Parramatta – Saturday 3 November.** This will be the first opportunity for all our Junior Quads to race. We will enter three Year 8 Quads, five Year 9 Quads, and two Year 10 Eights. A good vantage point to watch this time trial is from the Sydney Rowers Club.
- **Senior Head of the Parramatta – Saturday 10 November.** Our senior eights and four, and the two Year 10 Eights will compete in this time trial 4000m down the Parramatta River.

The boys were in high spirits for the upcoming trial match against King's, however missing our captain Frank Zhang it was always going to be a tough match. The doubles combinations worked well together to bring High to a 3-0 lead at the start of the day. The number 1 pair consisting of Patrick and Brian won in straight sets after a close second set tiebreak to end the match 6-4 7-6. Adam and Josh fought back from a set down to win in a nail biting 3rd set tiebreak with only 2 points being the difference 4-6 6-2 10-8. After losing the second set Ian and Eddy regained their focus and overcame their opponents in the 3rd set tiebreak. In the singles, Brian played a tough opponent and overcame many mental barriers to win his match in a deciding set 4-6 6-2 6-4. After an awesome first set Pat's scorching forehand began missing only marginally, causing him to dig deep and defeat his opponent in a 3rd set 6-1 6-7 6-3. Josh played a solid match, not giving his opponent any chances of getting on top, winning in straight sets 6-2 6-4. Grinding his opponent down, Adam played an awesome match only dropping 3 games to overcome his opponent 6-2 6-1. After losing a close first set, Eddy played controlled and aggressive tennis to dispatch his opponent in a quick 3rd set 5-7 6-4 6-2. Filling in for first grade, Ian faced a tough task in his singles going down to a formidable opponent 4-6 2-6. The final result showed High on top of King's with a score of 11-1. This is High's first win over King's in a number of years. The boys will be looking forward to our next match against our long-time rivals Grammar.

2nd Grade

2nd Grade headed to King's in round 3 of the trial season fielding an inexperienced team, looking to improve on the performances of the previous weeks against Joeys and Newington. The doubles matches were close and competitive. Number 1 doubles Richard and Carl fought hard to win the second set after losing the first, but were unable to close out the match in the super tiebreaker, going down 3-6 6-4 8-10. Number 2 doubles Ryo and Calvin played well but could not overcome their opponents, losing 4-6 6-4 6-10. James and Bohan played together for the first time at Number 3 doubles, and could not maintain their level of play after a close first set, going down 4-6 0-6. In the singles, Richard played a solid opponent with a strong serve, and was unable to win some key points, going down 2-6 4-6. Carl played a very consistent opponent and took the first set, but lost the momentum in the second and third, losing his second three-setter in as many weeks, 6-4 1-6 1-6. Ryo performed well and had good rallies, but was outplayed by a quality opponent, 4-6 2-6. Calvin took the fight to his opponent and claimed the first set, but let the match slip after a close second set, going down 6-4 5-7 2-6. James played well against a solid opponent and unfortunately went down 4-6 2-6. Bohan had a tiring match with long groundstroke exchanges, but lost to a more consistent opponent 4-6 2-6. Although the end result was a loss, our team gained valuable experience and will train hard in preparation for next week's fixture against Grammar.

16s Match Report 27/10

Captain: James Chee, A1

The SBHS 16s Tennis played the King's School for the third week of the GPS trial season. The early doubles performances from each pairing looked promising for the rest of the day. The A1 and A2 doubles won a very close set with the one break in serve 6-4. Whilst in the Cs and impressive show of class from C3 and C4 blasted a 6-1 win. However, as the matches progressed High started to lose form with only three of sixteen singles having been won by High, and all coming from the C and D teams. We intend to use this experience to prepare us for the main season in Term 1 of 2013.

3rd-4th Grade Tennis Match Report

Coming off dominant performances last week against Newington, and with the arrival of our new coach Antoine, 3rds and 4ths ventured up north to Parramatta with high hopes to face King's. The day started off well, with High clinching 3 impressive wins in the doubles. However, in the singles, despite bravely consistent hitting from 3rd Grade, we were outplayed by our big-hitting King's opponents. 4th grade had much more impressive results, with commanding victories from Denny Dien and Andrew Tayeh, 6-0 and 6-1 respectively, to ensure another convincing back-to-back win against King's. Keep up the great work!

6th Grade Tennis Report

SBHS vs TKS 27/10/12

On the weekend Sydney High's 6th grade tennis team played against The King's School in a tight series of games. As they are among the top GPS schools in tennis, we knew the day's matches would be a challenge. To start off the morning the 6th1 (Jason Garrett) and 6th2 (Michel Hauser) won their doubles convincingly 6-3. However 6th3 (William Du) and 6th4 (Gordon Qi) were soundly beaten 2-6 putting the set score between the schools at 1-1. In singles, despite playing fiercely and attempting comebacks through many difficult points, Jason Garrett, William Du and Gordon Qi were all defeated 3-6, 4-6 and 1-6 respectively making King's the overall winners. However, Michel Hauser stole the spotlight of the day. Despite being down 1-5 early in the set, he managed to pull himself together and bounce back to admirably win his set in a tiebreaker.
