## From the Principal

### Welcome Back

Welcome to all new students and parents, starting at High for the first time this year. Welcome back to returning students, staff, parents and Old Boys. There were a lot of positives about our all-round outcomes last year but this year we hope to improve on both our academics and our co-curricular achievements. We are starting a new 5 period per day, three-week cycle timetable. I am sure that the High community will adjust rapidly and productively to what is a major change to our organisation. The focal priority for 2013 is **building personal capacity in gifted boys**. We will be adjusting to the pedagogical style of the National Curriculum and further developing our skills in process-based teaching and twenty-first century skill development.

### High Talent

Oliver Kirk (Year 12), Shobhan Baranwal (Year 11) and Shaleen Baranwal (Year 10) have gained places in The Performing Arts Unit's NSW Public Schools Symphonic Wind Ensemble. They will be competing in the Open C Grade at the National Band Championships at Perth in March. Congratulations, boys! Bailey Musulin (Year 10) won a silver medal at the U16 national championships for baseball, representing NSW in the final. A great job as catcher, Bailey! Well done to second grade basketball for their great results over the holidays in winning a championship at Newington.

### Staff Changes

Ms Collignon (visual arts), Ms Dunk (English) and Ms Lim (music) are all returning from maternity leave on a two-day a week basis. There will be some job sharing occurring as a result. Mr Dunne is filling the mathematics vacancy until an appointment is made for Mr Kourtesis' position. Mr Perre is filling the science

vacancy until an appointment is made for Mr Webb's position. Ms Kim is filling the music vacancy until an appointment is made for Mr Crouch's position. Mr Benett is replacing Mr Kay who is on long service leave.

### Sick Bay and Sport

Parents are advised that boys who desire to go to sick bay rather than participate in sport must supply an acceptable reason or medical certificate by first period of the day of the sport afternoon. Students without a note who fall sick during the day that sport is scheduled will be processed like any other student and if they do not recover, parents will be called and asked to take the student home.

### Year 7 Welcome and Summer Sports Assembly

This year we combined the Year 7 Welcome Assembly with the Summer Sports Assembly for Tennis, Swimming and Sailing. Special guest, Michael Tebbutt, described his personal journey through high school to university in the United States as a tennis player / scholar and his transition into a successful career in professional tennis. He reiterated the virtues of perseverance in a career path. My address to the assembly is reprinted below:

Special guest, Michael Tebbutt, Year 7 boys, new students to Years 8 to 11, GPS team members in tennis, swimming and sailing, parents, coaches, staff and students – welcome to our assembly this morning. Today we are celebrating the arrival of 211 new boys to the High community, as well as honouring the summer GPS sports teams from tennis, swimming and sailing. Competition for most of these teams starts this Saturday.

One of our traditional rites of passage at this school is the clapping-in ceremony for Year 7. This is an acknowledgement by the High community of the academic success of each student who earns a Year 7 place at High. You were all selected by means of a test. We

understand that each one of you is an academically gifted person with a range of natural abilities. Our task is to turn your demonstrated natural abilities into talented performance in all areas of school life. I expect that in the years ahead you will all adopt our all-rounder culture and take advantage of life at High. We want you to work hard, train hard and play hard. We will also expect you to give some of your time and effort back into school and community service. Our High ritual comes full circle with a clapping-out of Year 12 at their final assembly. By then we will all be acclaiming what you have become. By then we can celebrate your growth and achievement as secondary students. By then you will realise what the High experience means to you.

To the new students joining us in Years 8-11, I extend a special welcome to you from the High family. You were selected because of your all-rounder achievements in secondary school so far. You have demonstrated talent in a variety of activities or excellence in one and competence in others. We welcome you and expect you to add value to the High culture.

Swimming is quite a competitive sport at High. Our junior squads have had some good results in recent years. Thanks to Mr Loizou's organisation, our program runs smoothly. Thank you to Ms Crothers for her caretaking MIC role last year. With the addition of quite a few accomplished swimmers this year, I look forward to even stronger results in 2013.

Sailing had a great year in 2012, thanks to Graham Moody as MIC and Adam South as coach, with assistance from Alex, our teams were successful at CHS and qualified at the NSW teams racing competition for entry into the Australian Schools teams championships in Melbourne. Thank you to the Sailing Committee, particularly Richard and Sachiyo James and Nick Evans, for all their work for the sport. The refurbished Double Bay Sailing Club is a great venue. With an expanded fleet of Pacers, our program is popular and increasingly competitive. GPS tennis has gained in strength over the past couple of seasons. Thanks to the organisation of MIC Paul Wright and the coordination of coaches by David Deep, the program is building its competitive capacity.

For the boys heading into competition this weekend, I want you to think about an insight from a famous competitor. Kieran Perkins was a champion swimmer in the most gruelling event, the 1500metres. He lifted himself when it counted – Olympic finals. He said: "Being your best is not so much about overcoming the barriers other people place in front of you as it is about overcoming the barriers we place in front of ourselves..[Being your best has] everything to do with having the vision to dream, the courage to recover from adversity and the determination never to be shifted from your goals". Kieran's insights apply to academic life as much as to sporting life. I urge boys to have the vision to develop goals for personal bests and to persevere until you have achieved them.

I congratulate all boys selected in teams to represent our school at the highest level.

**Dr K A Jaggard**

Welcome back to a new school year everyone! We had our last game of 2012 against Joeys, and similar to our last encounter with Joeys, High's teams throughout all age groups showed many wins and few, a very positive effort from the school. In the conclusion of the first half of the season, the AAGPS 1<sup>st</sup> and 2<sup>nd</sup> Grade tables show the most promising results. 1<sup>st</sup> Grade ended this half of the season with a top 4 finish, as per Mr Ben Hayman's aims for 1<sup>st</sup> Grade this season. The High 2<sup>nd</sup> Grade team this first half of the season can be said to be one of the strongest 2<sup>nd</sup> Grade teams High has ever had. High 2<sup>nd</sup> Grade ended up undefeated, scoring the 2<sup>nd</sup> highest number of points in the league and the least points scored against. Well done to 2<sup>nd</sup> Grade!

In our other news Christian Jurlina, currently training with the Sydney Kings, has been selected in the Under 20 State Basketball side; congratulations to him! Powerhouse Geoffrey Gerlach also holds the record for both the most field goals made and highest field goal percentage at the Australian All Schools Basketball Championships 2012.

1st and 2nds trained all holidays and concluded their training entering the Newington and Trinity Grammar all NSW School Tournaments. High 2<sup>nd</sup> Grade won all their games despite being behind in the first five minutes of every game to be premiers for the first time in school history. 1<sup>st</sup> Grade side ended up fourth after being knocked out by Scots College by a single point. This game proved that the High side has really improved over the summer as no other opponent has come close to defeating Scots during the tournament.

This Saturday we will have a game on the first week back, so make sure you mentally and physically prepare yourself to shake off the holiday laze. Good luck, everyone!

*Calling for expressions of interest from all Musicians, Dancers, Actors, Singers and...PERFORMERS!*

Only students from Years 9, 10, 11 & 12

Call Back Auditions will occur on Tuesday 12 February at the Great Hall. Rehearsals will take place on Tuesday afternoons and some Sundays in Campbell Hall, SGHS.

A nominal participation fee will apply to successful candidates to help cover costs. The production will be staged in Week 6, Term 2 2013.

Dear Parent/Guardian,

Each year NSW Health offers the vaccines recommended by the National health and Medical Research Council (NHMRC) for adolescents as part of the school-based vaccination program.

In 2013 the following vaccines will be offered free:

**Year 7 students (male and female students)**

- Hepatitis B vaccine who have not received 3 doses of hepatitis B vaccine when they were a baby
- Varicella (chicken pox) vaccine for those who have not previously received chicken pox vaccine or had chicken pox disease.
- Human Papillomavirus (HPV) vaccine
- Diphtheria, Tetanus and Whooping cough vaccine. This is a routine adolescent booster for students.

**Year 9 (male only students)**

- Human Papillomavirus (HPV) vaccine as a catch-up vaccination program. The girls in this year group were offered and should have received vaccination when they were in year 7; they are not eligible to receive the vaccine whilst in year 9 at school.

*Parent Information Kits* will be sent home to parents/guardians. To consent to the vaccination of your child you are advised to read all the information provided, complete the consent form and return it to your child's school.

Parent/guardians who wish to withdraw their consent for any reason after returning a signed consent form to the school may do so in writing to the school Principal. The procedure for withdrawal of consent can be obtained from the school and is also available on the NSW Health website at [www.health.nsw.gov.au/immunisation](http://www.health.nsw.gov.au/immunisation).

A record of vaccination will be given to your child to take home for each dose of vaccine they are given. Please keep these records in a safe place as your child will need them as a record of immunisation for future employment, travel and work experience. It is also recommended that you inform your local doctor that the vaccines have been given so they can update their patient records.

To improve vaccine course completion, students who have returned a consent form will be offered missing doses at any of the scheduled clinics throughout the year at school. Catch-up vaccination for missed doses will not be offered by your GP through the year whilst your child remains in the eligible year group at school.

A letter will be sent home at the end of the year informing you if your child has not received a vaccine that you consented for.

Please note that the free vaccination is only offered to the above year groups. Vaccination outside these year groups will not be free.

Yours sincerely  
School immunisation team
