With the maximum contribution you get the value of one year of equivalent private school education for your son for about one-twelfth of the price. Please support the school in its goal to provide opportunity for your sons to pursue excellence in a wide range of endeavours.

Presentation Night

This week we honoured all the achievements of our boys from 2013. There were two Awards Assemblies for the Junior School and Senior School. The celebrations culminated in the awards at Presentation Night. The Occasional Address was delivered by Hon Peter Jacobson of the Federal Court (SHS 1961). He spoke about the dangers of plagiarism in modern life. He outlined the judgements he was involved in for several high profile cases in which ownership of intellectual property was contested. He warned against the modern habit of treating information as something to access and use without thought for the composer of the text. Such use undermines creativity and composition in our culture,

especially if we come to doubt whether what we create belongs to us and is protected by law.

My address is reprinted below:

Special guest, Hon. Peter Jacobson, Mr. Alex Greenwich (Member for Sydney), Dr. Sylvia Corish (Director Public Schools NSW – Port Jackson), Lieutenant Commander Paul Koerber, Mr Vince Del Zio (CEO Sir Roden & Lady Cutler Foundation), Mr Brad Hall, Development Manager, School of Computer Science and Engineering, UNSW, Ms Andrea Connell (Principal of SGHS), former Headmaster of High, Robert Outterside, guest presenters, staff, parents and prize winners – thank you for celebrating High's 2013 achievements with us tonight.

Last year at High we focussed on '*building personal capacity in gifted boys*'. We did this by increasing the quantum of processed-based teaching affecting individual learning. We implemented a 5-period day, three-week cycle timetable. It facilitated embedded learning in many classrooms but created a frequency issue for some faculties. We still have work to do to get the most out of longer blocks of time. Some staff experimented with 'inverted learning' in a 'flipped classroom' environment. We ran a successful i-pad trial. We provided small group support to senior boys. We ramped up personal accountability for learning with qualifying scores for several courses. We investigated the causes of underachievement at High and shared a range of strategies to combat it. We broadened our cyber management program. We surveyed our boys in the *Tell Them From Me* pilot to ascertain their attitudes to schooling. Six Year Advisers looked after 360 boys resulting in fewer students placed in the Academic Support Group for Years 7 & 8.

At the HSC, Edric Wang came first in Music 2 and 3rd in Mathematics Advanced. Kevin Zhang was 4th in Business Studies and Nathan Wang-Ly 6th. Marcus James was 5th in visual arts. James Yang Hu was 10th in extension 2 mathematics. In music 2, fourteen *Encore* nominations were awarded to eleven students. Sherman Du had his film *Presence* selected for exhibition in *On Screen*. Marcus James had his work *Syncretism* selected for inclusion in ARTEXPRESS.

Overall, the average ATAR in 2013 was a pleasing improvement on 2012 at 93.17 for 200 students – the third best result at High since the new HSC began. The top end results were not as strong as usual with only 37 boys ranked at 99 or higher. Nonetheless, the depth was very good with 78.4% at 90 ATAR or better. The tail was shorter with 8% at 80 or less. The standard deviation was narrower at 7.39. Many courses achieved or exceeded targets. In short, it was a successful year.

In competitions there were some impressive results. Kevin Ni (Year 10) was invited to attend the AIOC Informatics Olympiad Selection School. Christopher Chen (Year 11) won a gold medal in the Chemistry Olympiad and Edric Wang in the Physics Olympiad. They both gained entry into the Science Olympiad Summer School. Shang Lin (Year 8) won a gold medal for the highest score in NSW for the Computer Skills Competition. Gold medals were achieved by James Goh and Vishal Karnamadakala (Year 9) and Kevin Liang (Year 10) for Writing. High slipped to 4th in Australia in the National Geographic Australian Geography Competition. Daniel Cai (Year 8) achieved a perfect score in the Australian National Chemistry Quiz. Scaled scores of 100% were earned by Jason Lam & Jason Hu (Year 12), Robert Tan (Year 11), Gordon Dexter (Year 10), Rafael Ng (Year 9), Dallas Yan and Kieran Shivakumaarun (Year 8). In Theatresports our senior team came second in NSW and the juniors 4th.

Our Hume Barbour debating team captured the trophy for the 25th time for High. They also won the Eastside Competition. Connor, Wilber and Riley were selected in the CHS debating team. The Year 9 FED team won the competition. The University of Sydney Debating Competition was won by our Year 8 team. In public speaking, Andrew McNaughton (Junior Division) and Kushaal Vyas (Senior Division) represented High at the NSW final of the Rostrum Voice of Youth Competition. Kushaal won through to the Nationals in Canberra where he was runner up.

High surrendered the GPS chess trophy after seven consecutive victories. Our team placed 5th at the National schools Competition.

The Community Services Committee was again very active in 2013, raising over \$125k for various causes and running four outreach programs. Thank you to the executive: Shuming Wang, James Chan, Frank Zhang, George Dzero, Eamon Kelly and Edward Zhang.

At the GPS Athletics Carnival Ivor Metcalf won the open high jump and long jump but was beaten into second in the 110m hurdles. At the National Athletics Championships he was awarded a bronze medal in hurdles. At the NSW CHS Athletics Championships, high won the Kippax Trophy for Champion Boys School. The U14 and U17 teams won bronze at the NSW CHS Cross Country Championships.

In Basketball, our Open 2nd grade team were GPS Premiers for only the second time in our history. The Open first grade Basketball team finished 3rd in the Australian Schools Basketball Championship Division and the U15s second. The boys won the Ken Cole Trophy for the Sydney Shoot-Out. Geoff Gerlach was selected in the All Schools team.

Our open volleyball team won the All Schools Competition and the GPS competition but placed 3rd at the CHS Volleyball Knockout Tournament. Pinyan Gao and Yu Peng Man (Year 11) were selected in the NSW CHS volleyball team. The U16s won the GPS competition and bronze at the National Schools Tournament.

High has been competing in target rifle shooting since 1918 in second grade. The boys made history to win their first premiership for High – and by a wide margin. The first grade team won the All Schools Competition but failed to defend its GPS Premiership by a single competition point! However, the team captured the Buchanan Shield for the first time since 2001. Wilbert Wu, Dominic Tran and Terry Fong were selected in the Combined GPS team, with Wilbert elected as captain.

In table tennis at the CHS Schoolboys Shield Tournament, High teams filled the first three places. At the National Fencing Championships, James Siu won gold in the U15 sabre and John Tian won the U15 épée.

Much of the great work for the school is done by parents. I would like to acknowledge and congratulate all those parents of Year 12 boys who helped during their son's time at High. There are too many to list but I want to thank Richard and Sachiyo James, Anne-Marie and Patrick Keogh, Susan Adams and Andrew Kirk, Ruth Brian, Lucy Pereira and Ian Robinson for their commitment to High.

The environment in which our Old Boys will be learning and earning is changing and its future shape is indistinct. A Chinese slowdown, weak commodity prices, globalisation and disruptive technologies, are challenging our comfortable, mining-boom fed lifestyle. Many Australian companies are now earning more than a third of their revenues internationally. People buying online and sourcing goods from overseas through Amazon and Ebay, are impacting on the profitability of bricks and mortar retailers. They have responded with 'click and brick' strategies to meet the needs of online shoppers. Print media revenues have been undermined by Seek and Real estate.com. In manufacturing, our market is too small and too far away to compete in labour intensive production. From car manufacturing to tinned fruit processing, we are clinging onto a time that is slipping from our grasp. We are told of an end to the age of entitlement (except for Cadbury's and paid parental leave) but I don't foresee a new age of enlightenment, where a better balance between capital and labour is

struck, perhaps with Paul Howes's 'grand compact'. Ross Garnaut's *Dog Days: Australia After the Boom*, warns us to restore discipline in public choices, stop living beyond our means and reduce our tax breaks for the middle class. He argues that our collective complacency **about** government breeds complacency **in** government. He parodies Donald Horne from 1964 to assert we are in danger of becoming "an unlucky country, run by second rate people who share the country's bad luck". Nonetheless, I remain optimistic. Our coal resources may not be in so much demand, but our Australian resourcefulness is. Additive manufacturing using 3-D printing and robotics applications, has the potential to revolutionise Australian manufacturing and spare parts supply in the future. We have to start turning our home grown great ideas into marketable products. We have energetic people corporatising medicine, dentistry, veterinary science, pharmaceuticals and law. We have great innovators and researchers in agriculture, solar and nanotechnology. I am confident you young men will combine with others to figure out how to save Australia Fair from a second rate future. You have the vision, skills and drive to keep us a 'lucky country'.

I honour the achievements of the class of 2013 and congratulate all other prize winners.

AAGPS Head of the River 2014

Attendance by students (in full school uniform) is recognised by 5 points in the School Award scheme. It is the day everyone works towards, a day filled with history and tradition, where all schools congregate with school pride. We are there too, with our High chants, colours and banners. If there is one day you should experience while at High it is the Head of the River!

- At the very least please make sure you send food to school if your son is debating at home and that your son always has a safe form of transport home from the debate.
- Ensure that you have signed up to the Gmail account and regularly check your emails.
- Read the High Notes and talk to your son about the debating program.
- You could volunteer to help out with suppers.
- You could volunteer to do parking
- You could consider taking one of the positions in the DSG.
- Watch your son debate.
- Please pay your co-payments as soon as possible.

Communication

- **For Parents**
- High Notes
- Weekly emails sbhs@gmail.com
- **For Students**
- Daily notices
- Debating Notice Board
- SBHS debating

DSG - SUPPERS

- At Home Debates we provide food for the debaters and other visitors. We get the same hospitality when we go to away debates.
- At HOME debates ALL students debating, chairing or watching debates are requested to bring a **plate of food** to contribute to supper.
- Parents work in two shifts to lay out the food for the debaters AFTER they debate (one lot for the juniors another for the seniors). We would like more volunteers for this.

Co-payments

- The co-payments help the school towards:
- the cost of coaching
 - the entry into the 4 debating competitions
 - subsidising as many debating opportunities as we can

They offer remarkable value for money

Dear Parent/Guardian,

Each year, NSW Ministry of Health offers the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the School Vaccination Program. In 2014 the following vaccines will be offered free:

Year 7 students (male and female students)

- Varicella (chicken pox) vaccine for those who have not previously received chicken pox vaccine or had chicken pox disease- one dose only needed.
- Human Papillomavirus (HPV) vaccine - 3 doses over 3 visits needed.
- Diphtheria, Tetanus and Whooping cough vaccine. This is a routine adolescent booster for all students- one dose only needed.

The format for the Year 7 Consent Form for 2014 has changed. All 3 vaccines offered are now on the one consent card. *You will need to ensure you tick the vaccine box(es) you want to consent for, as well as sign the consent card, or we will not be able to complete the vaccination for your child.*

Year 8 (male and female only students)

- Missed doses will be offered up to the end of June 2014, to any student who **commenced, but did not complete** the course of Human Papillomavirus (HPV) vaccine last year when they were in Year 7. The nurses will have the consent forms that you completed last year on the day of vaccination and we will ask the school representative to retrieve the students from class to receive their vaccine. You should have received a letter from us explaining this.

Year 9 (male only students)

- Human Papillomavirus (HPV) vaccine as a catch-up vaccination program. The girls in this Year group were offered and should have received vaccination when they were in Year 7; they are **not** eligible to receive the vaccine whilst in Year 9 at school. 2014 will be the last Year 9 HPV will be offered. (Year 9 Consent Forms will remain the same as per 2013)

Please note that for HPV vaccine only, parents/guardians must record their Medicare Number (all 10 digits and the 11th number beside the child's name) on the consent form, as this is required to record the student's information on the National HPV Vaccination Register and (for female students only) link to the National or State Cervical Screening Program.

Parent Information Kits will be sent home to parents/guardians. To consent to the vaccination of child, you are advised to read all the information provided, complete the consent form and return it to your child's school.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal. The procedure for withdrawal of consent can be obtained from the school and is also available on the NSW Health website at www.health.nsw.gov.au/immunisation.

A record of vaccination will be given to your child to take home for each dose of vaccine they are given. Please keep these records in a safe place as your child will need them as a record of vaccination for future employment, travel and work experience. It is also recommended that you inform your local doctor that the vaccines have been given so they can update their patient records.

To improve vaccine course completion, students will be offered any missed doses throughout the year at any of the scheduled clinics at school. **A letter will be sent home at the end of the year informing you if your child has not received a vaccine dose that you consented for.**

Please note that free vaccination is only offered to the above Year groups. Vaccination outside these Year groups will not be offered at school and will not be free at the GP.

Yours sincerely,
School Immunisation Team

This week, High saw the unfortunate first loss of the season for 2nd Grade this year, losing in a very tight overtime match against St Ignatius, a school whose 2nd Grade had always excelled for many years. However High managed to put up a very impressive fight, allowing the team to only score 8 points in the 4th quarter to put the game into overtime, before an unfortunate series of turnovers combined with strong rebounding by the opposition team rendering High with the loss. 1st Grade held up especially well against Riverview, however; winning by 6 points with Mitchell Flynn once again as the top scorer of the team with 20 points, nearly a third of the total team's points of the game. Both first and second grade can still win or lose Premierships and need your support.

Although leading the AAGPS tables, High 1st Grade is still faced with strong opposition from Newington and St Joseph's who High haven't played yet this season. High 2nd Grade is now second, behind Riverview, as a result of their weekend loss. However the boys are to be reminded that it was a terrific game; and they should not be bothered by the loss and keep their heads up and aim to not lose any more games and achieve as high a ranking as possible on the table by the end of the season. Anything can happen including a possible forfeit by Riverview v Scots.....

MIC of Cricket Report

Going from the past few years it seems we can't have a full cricket season without a washed out day. Last Saturday all matches were washed out except for our 1st XI. Shore declared early in the day knowing the conditions will be tough. Our boys fought gallantly, but with Shore's strong bowling attack and a damp wicket it was always going to be difficult. This Saturday sees all teams play against Sydney Grammar. Good luck to everyone and continue with the great behaviour, uniform and attitude out on the field.

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- They are not to wear thongs to and from their fixtures.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coaches if they are unable to attend training or their fixture.

1st XI Report

High's efforts in the first hour of play, following the rain delay, were too little avail. It was tough for the bowlers to grip the ball, and Shore promptly passed High's total; with a sporting declaration to put High straight in. Wickets fell in clumps and despite some resistance from Shashank, High were soon bundled out for 49 in two sessions. A majority of the wickets fell behind the wicket, with the top order unable to cope with the ball jaggling around viciously. Once again looking to salvage some pride, the fast men made it tough for the opposition; with a special mention to Barry – who despite having nothing to work with, bowled with some real heat and had both openers in all sorts of trouble for the entirety of his spell. Another disappointing loss for the 1st XI, yet still no real question of our potential, but that of our ability to perform each Saturday. Next week is one of the biggest games of the season, against rivals Grammar, second last round of the GPS. With the 1st XI looking to finish the season strongly, the Year 12 boys now only have two games left to finish their High careers on a high. And only two last chances to sing the song of Sydney High.

School Swimming Carnival 2014

The school swimming carnival was held on Monday the 3rd February at Des Renford Pool, Maroubra. The sunny weather contributed to an excellent attendance with over 800 boys showing up. It was great to see so many boys participating in so many events. This year, we have discovered some extraordinary talent, especially in the junior and intermediate years, with many school records broken. All results/records can be viewed on the school website listed below:

GPS Captains Dinner (St Ignatius) - Monday Night 3th February 2014

Congratulations to Eugene Lee (Captain) and Yu Peng Man (Vice-captain) who represented our school with such pride at the captain's dinner on Monday night. They were all fine ambassadors for the school. Eugene's speech emphasised the importance of training, HIGH's improvement in swimming, commitment and never give up attitude and always performing to the best of your ability. He also focused on the benefits of the GPS competition. Well done.

GPS Swimming Report: Newington Carnival 1

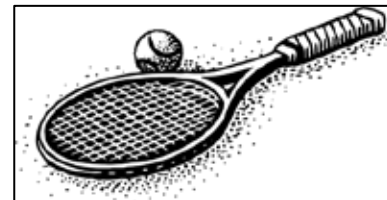

The first GPS swimming carnival of the 2014 season was held last Friday evening at the Newington College. Following the 14 records set at the school carnival and the 3rd place finish in the GPS Opens relay, higher expectations were placed on the High swimmers to deliver at this carnival. The competition was intense at this preliminary carnival as all schools wanted to make a point for the season ahead.

Overall, our swimmers performed creditably. Congratulations to the following top 3 finishes:

1st Grade

After a close match against Shore last week, High First Grade were ready to take the battle to Ignatius, confident on a win with the constant doubles training throughout the week. The weather was proving unfortunate with slight drizzles coming and going throughout the day. Doubles 1, Josh and Matt, had intense and aggressive net play, but solid defense by the opponents led to a 2-6 5-7 defeat. Doubles 2, Eddy and Stevie, played strong servers and aggressive play, and inconsistent strokes and rallies led to a 2-6 0-6 loss. Doubles 3, Jack and Carl, played hard in the first set winning in a tight 7-5. However loss of focus and serve led to a 0-6 loss in the second and a 6-10 loss in the super tie break. Number 1, Josh, had aggressive baseline and net play, however extreme defence and consistency from the opponent resulted in a 4-6 1-6 loss. Number 2, Stevie, faced solid serves and baseline play and lack of focus led to a 0-6 loss in the first. rain however resulted in an unfinished 1-2 in the second. Number 3, Eddy, faced a consistent and strong baseline player bringing it to 1 set all at 4-6 6-3. However loss of focus in the third and lack of consistency led to a 1-6 loss in the third. Number 4, Jack, faced a consistent and strong defence player, and pain from leg injury unfortunately led to a 2-6 3-6 loss. Number 5, Matt, played a hard hitter but consistency and smart play pulled through and although winning the first set 5-1, math play was stopped due to weather unfortunately. Number 6, Carl, played a strong defensive player and lack of consistency and reckless net play led to a 6-4 1-6 3-6 loss. There was bad weather during the rubber which was unfortunate and although results were not as successful as expected, High will make sure to train harder and with the return of injured captain Adam, chances are high for the next rubber.

2nd Grade

This week Second Grade played St. Ignatius at home, looking to gain a win after a fantastic result last week. The weather didn't look good, however the matches started on time after the courts were dried. In the number one and two doubles, the two pairs were both convincingly beaten by aggressive opponents. The number three pair had a chance to win in the match tiebreak, but unforced errors let them down. After dropping all three doubles, the boys knew the only hope of winning was taking five out of six singles matches. Aaron had a difficult start in the first set, before improving in the second, losing 6-0 6-4. James was outplayed by a big server with aggressive groundstrokes, losing 6-2 6-3. Danny could not match his classy opponent, going down 6-4 6-3. Junjie had a tough day, unable to get on top in a 6-3 6-1 loss. Richard failed to finish his opponent from a commanding position of 6-3 3-0, and the match was drawn at 6-3 3-6 1-2. Bohan had a lead of 5-0 in the first set, but lost momentum and was down 6-7 1-4 when play was

stopped due to rain. The team did not play at its best this week, however we know the aspects of our game we need to work on during the week to beat rivals Grammar in our next match.
