

## From the Principal

### High Talent

Congratulations to the open basketball team who made history last Saturday, defeating Newington to become GPS Champions – a first for High! The team comprised: Mitchell Flynn, Geoff Gerlach, Nathan Sutton, Bailey Musulin, Noah Fowler, Anthony Wu, Max Menzel, Jack Hutchison, Stephan Bell and Eugene Lee. Our consistency was recognised by selectors with Nathan Sutton, Geoff Gerlach, Mitchel Flynn and Bailey Musulin being selected in the Combined GPS Firsts team. Jack Hutchison and Noah Fowler were selected in GPS Seconds. At GPS Swimming James Luo won 5 events in the 12 years division. Kazuo Nakamura came back to form with two wins in butterfly. Brendan Yoon, Christian Haddo and Leonard Mah had good wins as did our 15 and 16 years medley relay teams. Another strong result, boys! Well done to Riley Irwin who was named best speaker at the Commonwealth Day debate at Parliament House this week. Thank you to Shreyas Pulapaka and Alex Hossain for their organisation of the *World's Greatest Shave* this week, raising \$432 for the Leukaemia Foundation.

### Government House Function

Last Wednesday evening Ms Kim and Mr Kay accompanied our volunteer musicians to Government House to play for the Governor and her guests at the Sir Roden and Lady Cutler Foundation Reception for benefactors and volunteers. Her Excellency Professor Marie Bashir and her guests were very impressed with the standard of the music played. The musicians were, as always, a great advertisement for the School. Thank you to Sara and Jamie for giving up their time and to the ensemble (Riley Irwin, Eugene Lee, Justin Ng, Jasper McCahon-Boersma, Sagar Nagaraj, Richard Hao, Kai Matsumoto, Daniel Yam, Jason Loh, Kevin Lou and Felix Zhang) for their service to the school and accomplished musicianship.

## Rowing Assembly

My address to the assembly is reprinted below:

Special guests, Karl Kruszelnicki and Joshua Scharfegger (SHS2005), crews representing High, coaches, parents, teachers, students; welcome to our 2014 rowing assembly. It is great to welcome back two members of the 2005 VIII which rowed 6.06 for a fourth place at the Head of the River – our best result for more than 15 years. Unusually, we gather this year on a Wednesday morning because the CHS Championships are being held at SIRC tomorrow and Friday, followed by the GPS Head of the River on Saturday. High and SGHS are co-hosting the CHS event. We expect to win again the Peter Bond Cup for Champion Boys School in the points score. We will have a close contest with SGHS to retain our Rowing Association Trophy for Highest Points Score School Overall. We dedicate this assembly to introduce and honour those crews who will compete for High and themselves at the CHS and Head of the River.

The Head of the River is a very important event for our school because of its long tradition, its profile in the Sydney sports calendar and its high exposure in the wider community. We have been in the GPS competition since 1906 and rowing is still our most successful sport with 8 wins. The boys in our crews have done a great deal of training to reach this day. Many of them have a hectic schedule ahead with three races and finals ahead of the Head of the River.

I want to thank Julie Blomberg again for her work as MIC rowing. It was another very testing year with equipment and management challenges. Thank you to Beryl Crockford for her oversight of the rowing program as Head Coach. It was back to the future as Simon Hoadley returned to mentor the first VIII. Thank you to Pravin Radhakrishnan who helped with our 2<sup>nd</sup> VIII, Isaac Eveleigh with the 1<sup>st</sup> IV and Gareth Deacon and Alan Low with the second IV. I'm pleased to see that we are boating in more races at the Head of the River this year. In the Junior Shed, Hayden Schilling and Koren Fang have guided the quads well.

As always, the rowing program relied heavily on its parental input this year to make a hectic schedule doable. Whether as cooks, stall holders, drivers, dormitory supervisors, financiers or fund raisers, they really give a lot

for their sons. Thank you to the Rowing Committee, particularly: George and Noi Comminos, Jenny Nixon, Sylvia Peng, Diana Sutherland, Carol Davis, Hong Zhou, Zixiu Guo, Kate Sands, Tracy Whittaker, Ron Trent and Tevita Katafano. Without your great efforts and those of other parents who helped out we could never deliver the high quality rowing program that we do.

In the last decade in particular there has been an accelerating trend towards more professionalism in sport. Parents expect higher standard coaching for their children at all levels. Schools have more specialist coaches employed now than ever before. The equipment is better and the understanding of training and nutrition is highly refined. In most sports the difference between amateurs and professionals is mainly to be found in superior consistency. Professionals work towards the complete eradication of error during their performances. They train very hard on the simple things and always strive to perform them to perfection. Let's hope as our new sports policy is embedded we can achieve higher quality training sessions in preparation for competition.

During the last 15 years, crews at High have averaged 6m24sec for the 2000m journey at the Head of the River. When they are goal setting. I know every boy in every crew at the Head of the River will strain to his utmost to help his crew achieve their goals. Just being on the course is its own reward. Soak up the atmosphere of this great occasion. Stay calm and focussed. Push yourself through the pain.

Congratulations to all boys who have done the work and been selected to represent the school this week.

## Free workshop for supervisors of learner drivers

Ensure your learner driver has the best possible introduction to driving; their life could depend on it!

The City of Sydney aims to improve road safety with a workshop for supervisors of learner drivers.

Wednesday 9 April 2014  
6pm -8pm  
Customs House  
Alfred Street, Circular Quay

The two hour workshop will provide pertinent practical advice regarding:

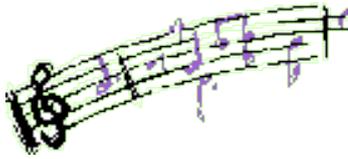

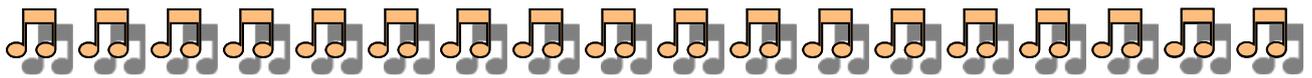

- laws for learner and P-plate drivers.
- how to use the Learner Driver Log Book
- how to plan on-road driving sessions and supervise learner drivers
- understanding the benefits of supervised on road driving experience

Bookings are essential, please phone The City of Sydney on 9265 9333 or email [lmccConnell@cityofsydney.nsw.gov.au](mailto:lmccConnell@cityofsydney.nsw.gov.au) to reserve your seat.

## FROM THE JUNIOR LIBRARY

CYBER WEEK SURVEY – An Award Scheme Point for completing! It is in Moodle. Complete online now?

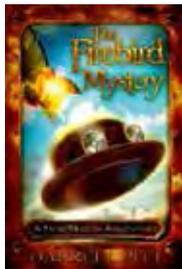

As online information/research has a lot to do with finding information - our Library has put together a survey so that we can quantify your cyber and library requirements more accurately. This survey has a lot to do with the library but also looks at how you use cyber based school information services. It will only take you 5 minutes as most answers are "tick the box".

*The more boys who complete this survey the more accurate our information will be.* The deadline for completion will be the end of Cyber Week.

We will publish a **summary** of the results in High Notes. Nothing you say will be attributed to you personally. Only the Librarian will see individual results. Our aim is overall statistics not individual information.

### YEAR 7 REVIEWING *The Firebird Mystery* FOR SPINEOUT MAGAZINE

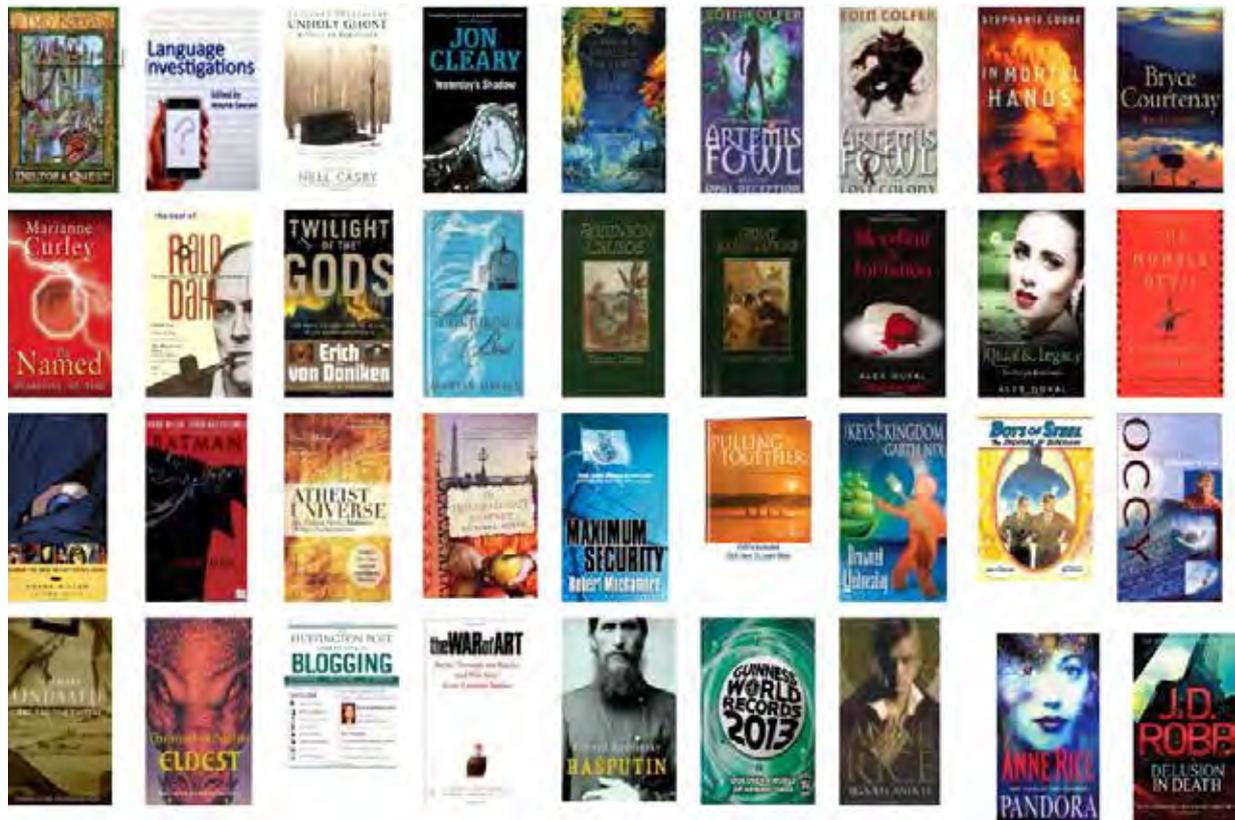

Thank you Mrs Gordon for corresponding with and co-purchasing *SpineOut Magazine* an e magazine resource (See Library Enquiry main screen). *SpineOut* have offered a Year 7 student the opportunity to review this book and to have his review published in *SpineOut Magazine*. High Notes will also be publishing this review. The student who volunteered to read this book is Kim Nicholls, Year 7. Thank you to the generous Year 7 boys who also volunteered and to Kim who got there first.

Kim will get to keep this book. We look forward to his review.

### TELLING THE LIBRARIAN WHAT BOOKS TO BUY

Thanks to the Years 8 & 9 boys who let the Librarian know what to buy. All of your suggestions are now on my list to purchase. Year 7 this week I will be constructing a suggestion list for you. And I will be emailing you. Please do not hesitate to put your own suggestions before mine and return my email to [crothersv@sbhs.nsw.edu.au](mailto:crothersv@sbhs.nsw.edu.au). Both Librarians had a purchasing day last Tuesday at Kinokuniya Bookstore. This bookstore is take-your-breath-away big and worth a visit to Galleries Victoria near the Queen Victoria Building for book lovers.

**NEW RESOURCES 2014 ALREADY OUT IN THE LIBRARY** – See new book display stands. You can borrow.

## Debating MIC Report

Last week I was at FED and watched our Year 10s speak up as Year 11s and do an excellent job at beating the Trinity Year 11 in a definitional debate. Our Year 10s showed themselves to be confident and highly competent debaters and the debate was one of the most interesting I have ever seen. Our three Senior teams won and our three junior teams lost. Well done to all of you. Ms Rigby was at Rose Bay where we had Years 9, 10 and 11 wins on the topic of gender issues.

On Monday Riley Irwin debated in a Public School team at Parliament House for Commonwealth Day. Congratulations on being chosen for the team and more congratulations for being chosen as Best Speaker. This is the third year in succession that we have been invited to send one of our students to this debate and the third year they have been chosen as Best Speaker.

Just a reminder that NSW trials are on this weekend 15-16 March. Antony and Chris very strongly encourage the seniors to trial, including Year 10s, and especially the boys who have received a callback. You need to register online by 5pm Wednesday - so just rego now! Go to [www.nswdu.com](http://www.nswdu.com)

The premier's debating challenge starts its 2014 run this week with our Year 12 team debating Endeavour High School. Good luck to the boys.

## Debating Prefect Report

In last week's competitions, we had three wins apiece in both Eastside (Years 9, 10 and 11 prevailed against Rose Bay) and FED (Years 10, 11 and 12 prevailed against Trinity). In both competitions we learnt valuable lessons for the season. The senior topic in Eastside was "Hollywood has been damaging for feminism". This debate descended into an example war with both sides naming female-centric Hollywood films and what feminism is about. In cases like this it is important to know what you are talking about especially the definition of feminism. In the FED competition, the senior topic was "That medical records should be kept online" and this week Arthur Chao (Year 10 Debating Coordinator) has kindly written about his teams' experience –

Last Friday, some Year 10 debaters (Thomas Shortridge, Max Koslowski and myself) went to Trinity and debated against their Year 11s. The topic we received was somewhat vague and hence open to interpretation. Unfortunately, it turned into a definition debate, with us being the NEG. Generally, it is the duty of the AFF to set up the definition and the bounds of the debate in a reasonable manner. If the AFF does so appropriately, then the NEG should agree and debate in those lines, ensuring a normal debate occurs. However Trinity (the AFF team) set up the debate to be that currently we use paper for medical records and proposed this should be changed to keep records on computers and online. In actual fact as we learnt after the debate, the status quo is currently that records are kept online for immediate access by individual clinics and hospitals in a regional or local manner. Evidently, they were not aware of this and so they essentially defined us to arguing for paper. This is a position which is neither fair nor defensible so in these cases the NEG must contest the definition and propose a more compromising definition to set the parameters of the debate. We set it up as that health records will be kept on the internet and thus allowing general public access. According to the adjudicator this was also too extreme and he would've preferred a more central position where there is consent involved. In the rest of the debate neither side agreed on a definition and so what we did was to argue both cases, their case and our case, thereby winning the debate.

### Tips of the Week

1. It is pivotal that we research the topic areas of each rounds' debates and be prepared for all topics. Having a legitimate statistic really strengthens your argument. So remember, in debating, knowledge is power.
2. If you would like your debating teams' experience to feature in my weekly report feel free to email me a report about it (my email is [lok.and.lol@gmail.com](mailto:lok.and.lol@gmail.com)), just as Arthur did, or come and talk to me about it.

## World's Greatest Shave

On Tuesday 11th of March, our CSC (Community Service Community) held the World's Greatest Shave to raise money for the Leukaemia Foundation, Australia's peak body for blood cancer, who fund research and provide free services to support people with leukaemia, lymphoma, myeloma and related blood disorders, and their families. The day began at 8:15, with \$2 hair colouring at the flat and junior quad. This continued until the bell. Then at lunch, the main event began at the amphitheatre. Over 30 heads were shaved, while speakers blasted music and encouraged enthusiasm from the crowd. Our donation collectors amassed an amazing \$432.50 by the end of the day. This year WGS was organised by Shreyas Pulapaka and Alexander Hossain, assisted by Adilmorad Nadir, Soloman Saleh and Ethan Ou. We also had Andrew Nam, Angus Wu, Bosco Tran, Alif Khondaker, Josh Sanguenza, Tahmeed Hossain, Niyaz Mostafa and Joshua Tran helping with colouring and money collection. Our outstanding shavers were Shayan Vatandoust, Michael Dadson, Boris Amromin, Nick Phillis, Niyazul Bari and Tarun Sethi. Gautham Shankar, Michael Dadson, Shayan Vatandoust and Denny Fu lent us clippers to use for the shave. Thanks to all who participated and/or donated to help make this such a successful fun day for a necessary charity.

The end of another season, and to the 13s, the end to their first! First grade did not only come in first place, but were UNDEFEATED with 520 points for and a spectacular 352 against, this was an amazing season for first grade (THE BEST EVER!). Another big congratulations to all teams for encouraging the spirit of Sydney High and putting their heart and soul into every game and good luck for next season! The b'ball dinner is at max capacity with 290 approx. in attendance!!!

Glanden Zheng is giving up his position as Shootin' Hoops editor and I will be stepping up to his spot. Kudos to him for editing many Shootin' Hoop editions.

- School 1<sup>st</sup> IV races at 11.20am
- The School Eights race at 11.35 and 11.50am

This is the big day on the GPS school calendar and it is quite a spectacle with all GPS schools attending. We have our own decorated marquee for schoolboys and spectators so put on the blue and brown and come and cheer!

All rowing parents are invited to the Rowing Dinner/Presentation Night that evening in the Great Hall, where thanks are extended to everyone involved in the season – coaches, staff, committee, parents and the boys.

## 1<sup>st</sup> Grade

After a disappointing washout last week where First Grade tennis had a chance to accumulate much needed points First Grade faced Newington at High for the last round of this season's GPS tournament. Newington having already confirmed the victory had proven their ability throughout the season and we were well aware of the opposition we were facing. However, despite this we intended to finish the season on a positive note. 1 and 2 doubles fought hard in the first two sets both having the opportunities to clinch the opening sets however were unable to. Stevie and Eddy in number 3 doubles again showed their dominance in doubles however could not finish off their match before their opponents were able to get back into the match. In the singles results varied. Newington being a very talented side managed to win the 1, 2, 3 and 6 singles matches however Eddy and Jack had close encounters lasting three sets. Both players played great matches showing their consistent improvement but again displayed our team's major weakness - not being able to finish off matches. Finishing in equal 7<sup>th</sup> position it is obviously not a position that we were hoping for but one we can improve on.

### -First Grade Captain

-Adam Smagarinsky

## 2<sup>nd</sup> Grade

High Seconds were confident going into the last rubber of the season to see all their blood, sweat and tears to be put into action. With an unfortunate wash out against Joeys, High were ready to finish the season strong. Doubles 1, Richard and Bohan, fought against tough and aggressive net players and were overwhelmed, losing 6-2 6-2. Doubles 2, Carl and James, fought against tough baseline players. However, aggressive net play resulted in a 6-4 6-2 win. Doubles 3, Danny and Aaron, played consistently combined with solid net play, overwhelming their inconsistent opponents and comfortably winning 6-0 6-1. With 2 out the the 3 doubles won, High were confident with only 3 more matches needed to bring home the win. Number 1, Richard, played consistently with a tough baseline strategy tiring out his opponent and winning in an intense 4-6 6-2 6-2. Number 2, Carl, played a chip and charge style with the inability to play consistent ground strokes and unfortunately had an unfinished match due to time restraint with a result of 6-2 5-7 3-4. Number 3, Danny, played a strong and fast paced opponent and was overpowered resulting in a 4-6 2-6 loss. Number 4, Aaron, played a tough baseline style player and was outplayed in consistency and power, losing 1-6 1-6. Number 5, James, played with solid ground strokes and aggressive net play comfortably winning the first set 6-1. However loss of focus after a 3-0 lead in the second led to a 4-6 loss. But regain of concentration allowed for him to finish his opponent with a 6-1 4-6 6-3 win. Number 5, Bohan, played a consistency type player but consistent play from Bohan too led to a tight but unfortunate 1-6 6-3 3-6 loss. The rubber finished with 4 wins per team and 1 draw resulting in an overall 6-6 draw. This was a great way to finish off the GPS season against one of the strongest schools, and High are confident for the coming season.

- Second Grade Captain -Carl Yang

## 5<sup>th</sup> Grade

---

It was the last match of the season, and High Fifth Grade was looking to end the season on a high note, playing Newington College. Doubles 1, William Du and Gordon Qian had a tough match pulling through at the end with a 6-5 (7-5) win in the tiebreaker, coming back from being 5-2 down. Doubles 2, Michael Hauser and Jason Garrett played a stronger game than their opponents winning 6-4. Despite the great doubles match results, W Du and M Hauser unfortunately lost their singles match 4-6 and 3-6, respectively. However J Garrett won his singles match swimmingly, outplaying his opponent with a 6-0 win, as well as G Qian also winning 6-4. Overall, High has had a great tennis season greatly enjoying the GPS tournament. Hopefully coming back next year with a new and stronger team.

-Gordon Qian

## Junior Results

### 16 As

It is the last match of the GPS tennis season and everyone arrived early to prepare for the devastation of Newington College. Although the Cs and Ds matches took longer than expected and took up our warm up period, that did not deter us. The matches started off with doubles as usual with the A1 pair winning 6-2 but the A3 pair losing 6-2. In the singles area the A1 lost 6-3, the A2 pulling off a 6-1 win. The A3 performed well and managed a 6-2 win but the A4 lost 6-1. Today was an overall win for the As good effort this season.

-Ervin Zhou

### 14 As

Congratulations on the outstanding results on our last match against Newington. SBHS 14A tennis played at Newington courts on the 8th of March. A1 and A2 doubles we won 6-0. A1 singles we won 6-1 and A2 singles we also won 6-1. A3 and A4 doubles we won 6-3. A3 singles we won 6-5 and A4 singles we lost 3-6. Overall we had an amazing game and we won 5 sets to 1. Congratulations and see you next season!

### **P&C General Meeting- 2013 HSC Analysis**

The P&C thanks Dr Jaggar for his presentation at our General meeting last Monday where he provided an analysis of the 2013 HSC and ATAR results. We had a large number of interested parents in attendance and the information provided was invaluable in gaining an understanding of these complex processes. This was the last P&C meeting for Term 1. The next General Meeting will be held in Term 2 at **6:30pm on Monday 12<sup>th</sup> May** in the Staff Common Room. We look forward to seeing you there.

### **NSW Government Announces Light Rail Bridge for Students of SBHS and SGHS**

Many of you would have seen the item in the Telegraph this week announcing changes to the Light Rail in the Moore Park area, including provision for a separate bridge across Anzac Parade between the schools and the Light Rail station to provide safe crossing for students. The P&C was represented on the Light Rail working group and would like to thank those involved for their work in bringing this issue to the attention of the Departments involved. The co-operative and collaborative approach adopted by the two schools was a key element in this positive outcome.
