

From the Principal High Talent

Congratulations to Kevin Ke (Year 11) on his selection in the 2015 Australian Science Olympiad Summer School, organised by Australian Science Innovations. He will be one of the 80 students selected from the competitions in biology, chemistry, physics and earth and environmental sciences that attracted 4000 elite science students in Australia. The Summer School is held at ANU in January. The Olympiad team of 17 is then chosen. Good luck, Kevin. The program is sponsored by BHP, ANU and the Commonwealth Department of Education, Employment and Workplace Relations (DEEWR).

Valé Gough Whitlam

Gough Whitlam, who passed away on Tuesday, was an extraordinary figure in Australian politics. He has generated great respect in recent years on both sides of politics for his prescience, vision, sense of purpose and drive. He had a plan to move Australian society forward. His great legacy is the game-changing suite of initiatives in education, health, social welfare, industrial relations and foreign affairs that he made in just three years as Prime Minister (1972-75). His crash through or crash approach to getting things done really shook up the Canberra establishment. His vision was confronting and stirred intense conservative opposition. A political crisis was engineered which led to action by the Governor-General to dismiss the Prime Minister. The irony is that Whitlam's political life has come to be defined by his dismissal by the Governor-General rather than by the great work he did as our country's leader. He will be missed by all Australians who admire people who see things clearly through a lens of principle and act courageously to do what they see as right for society.

House Captains

House captains play an important role in the school. They help to build engagement with school life. Having a sense of belonging and a sense of contributing to something greater than ourselves are important human needs. When boys are growing up they are particularly sensitive to these needs. House rivalry brings a sense of tribalism to the school community. To belong to a House makes you have a bond with all those other wearing the same colours. You are united in a cause. The House Captains' role is to provide a rallying point for members of his House. He needs to lead the support for all competitors in his House at swimming and athletics carnivals and at House competitions at school, such as basketball. Collectively, House Captains rally support for whole school events such as GPS carnivals, Head of the River and home games against SGS. Congratulations to Rick Saha (Eedy), Bennette Jiang (Fairland), Anthony Allingham (McKay), Leonard Mah (Rubie), Daniel Ahn (Saxby) and Tom Luo (Torrington). I expect that all students will support their House captains and the other members of their Houses.

Educational Research and Resourcing at High

Recently conducted student usage surveys have found that our students make very heavy usage of research and resourcing facilities at High. Whether they are accessing school-supplied PCs for private research, or using electronic or hard copy reference material, or privately studying, reading books, newspapers or magazines, or working collaboratively with friends, or asking research or study advice, students enjoy the dedicated spaces for these purposes. High is fortunate to have two places, catering for 220 students simultaneously. Each space is headed up by a Teacher-Librarian. Both spaces have extended opening hours to cater for students arriving early for various commitments or because travelling is easier early. Both spaces have Support Staff to administer the resources and help student who borrow books or want to access resources.

One of these spaces (Killip Library) is resourced entirely by DEC – staff and support staff. The other (McDonald Library) is financed **entirely** by the school. The standard DEC cost for a teacher is \$104,000 per annum. Each learning space has around \$50,000 in support services and a materials / fiction / subscriptions budget of \$15,000. The school invests \$205k of its DEC delivered resources in order to provide services to every student. Similarly, the school spends \$205k of school and community raised funds to provide this range of educational opportunities. The bulk of this money comes from tax deductible donations to the Library Fund. In order to describe the purposes of the Fund more accurately and explain the educational reasons for enlisting parental financial support more sharply, the Library Fund will be renamed the ***Student Research and Resources Fund*** as from December 1. The change will be for internal marketing purposes and will not alter the status of the Fund or change its ABN.

Just to reinforce why support for the Libraries is needed, in the Killip Junior Library during the last calendar year to October, nearly 100,000 people passed through the gate counter, going in or out of the library. Individual students used the library 24,000 times during breaks in the school day. Individual laptop use totalled >5,000. Nearly 8,000 resources were borrowed from the Junior Library during the year. There is no doubt that our boys make great use of our libraries.

Year 9, 2015 Mentors

In 2015, there will be 30 new enrolments into Year 9. It is always difficult to transition to a new school, so we need people to help us make the orientation to High as smooth as possible. In past years, current Year 8 boys have volunteered to act as Peer Mentors for the incoming students. Some High boys already know students enrolling in Year 9 as they have played with them in a sports team or went to the same primary school, or live in the same suburb or know them socially. Some new boys have had visits to the school or have had holiday training sessions with our boys. The role of Peer Mentor is not very onerous. We need boys familiar with the routines and policies of high to share these with new boys and to act as a contact when information is needed. Usually boys swap phone numbers and the Mentor makes contact before school starts and then is available in the first few weeks of term to act as a support person for the new enrolment. School Service Award Scheme points are issued in recognition of the efforts made by effective Mentors. If you would like to help, please contact your Year 8 Adviser – Ms Eggleton, Mr Fuller or Ms Mack.

HELP NEEDED - ORIENTATION DAY

Tuesday 11th November

Can you spare a couple of hours **between 2:00pm and 4:30pm; or between 4pm and 6:00pm?**

Please join our team of volunteer parents serving refreshments in the courtyard outside the Great Hall. Our aim is to make incoming families feel welcome and to encourage their involvement in the school.

Please contact Francisca Sjahry on fsjahry@gmail.com if you are able to help.

Thank You

SYDNEY BOYS HIGH SCHOOL 2014 P&C ANNUAL GENERAL MEETING

Please be advised the SBHS P&C Annual General Meeting will be held Monday 10 November at 6:30pm in the staff common room.

If you are interested in contributing in any way, please contact Ian Sweeting and the P&C at sbhs.pandc@gmail.com for more information.

The November P&C general meeting will be held at the conclusion of the Annual General Meeting. This will be the last P&C meeting for 2014.

We look forward to seeing you there.

Boggabilla Billets needed

In Week 5, the students from Boggabilla Central School will be coming to Sydney for their annual exchange and we need a number of billets for these students. If you are able to host these students could you please have your son pick up a permission note from Mr J Kay this week?

Boys who are billeting these students will also be involved in some of the activities held with them during school hours over the course of their exchange. If you have any questions about the exchange please contact **Mr J Kay**

MIC of Cricket Report

1st XI, Vishal Nomula, setting up for a cover drive

This term we see many of our teams go on fantastic cricket tours. Our top year 9 cricketers will be participating in the annual Barberis Cup that is played against Melbourne High School. This year our boys will be travelling to Melbourne from 16th – 19th November. The U15s and U14s cricketers participate in the annual East Coast Cup against Brisbane High School and they will be travelling up to Brisbane from 23rd – 26th November. Then our main tour that the 1st XI compete in is the highly competitive 5 Highs Tour. This year Brisbane is hosting the carnival and our boys will be travelling from the 30th November – 5th December.

In the July holidays 2015 we are aiming to participate in a once in a life time opportunity to play in a cricket tournament hosted in Sri Lanka. We will be representing our school and Australia in the "World Premier Schools Cricket Challenge" Tournament. This is open to anyone in the current U15s-Opens cricket team. If you are interested in attending please notify me by email.

I have created a Twitter account for regular updates in results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account. <https://twitter.com/SydHighCricket>

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats, tops and long white pants.
- They are not to wear thongs to and from their fixtures.
- Apply plenty of sunscreen throughout the day.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coaches if they are unable to attend training or their fixture.

This was an exciting week for Sydney High Basketball. Sydney Kings players Kendrick Perry and Tom Garlepp came on Thursday to help coach the 14's and 15's. Kendrick is a recent import from Florida.

For team results this week; 1sts and 2nd both won their games with an unlucky loss in the 16 C's. It's good to see that we are maintaining a high win percentage with a slight drop this week to 65% vs Newington. We should not see this as a bad thing however as it means we can improve.

A reminder that on the 23rd is a meeting for the USA Basketball tour at 7PM upstairs in the gym (901). All are welcome to attend. Good luck to all teams next week against The Kings School and go HIGH!

Personal goals have been set since 2011. The boys highlighted in bold have achieved their personal goals on two occasions. The following boys have achieved their personal goal in three consecutive years. **Year 9:** Sadin Afsar, Jason Feng, Terrence Feng, Conor Fisher, Shadman Habib, Harrison Li, Tony Li, Nathan Quan, Jerry Sung, and Ruilin Zhang. **Year 10:** Manil Abeysekera, William Chen (T), David Kim, Remington Lim, and Tim Luo.

Special mention: Adam McCaffery and Nafis Rahman in Year 10 have achieved their personal goals in four consecutive years, a great effort from Year 7 to 10.

The goal challenge will continue in 2015. Goal times for 2015 will be posted in Room 901 during Term 4. I look forward to more students taking up the 1.6k challenge and achieving their personal best times next year. The complete 1.6k run results for 2014 follows.

G. Stein, HT PDHPE

An assessment of 90% or better required a student to run the 1.6km in a time of 6 mins 30 secs. 50% or better, required a time of between 7 and 8 minutes. 10% or less means the 1.6km run was completed in a time greater than 9 mins 30 seconds.
