

## From the Principal

### High Talent

#### CONGRATULATIONS

Congratulations to Jack Hutchison, Bailey Musulin and Nathan Sutton who have been selected in the combined GPS first team. Well done to Luke Schroeder who made the GPS seconds. There were some strong results at the GPS Swimming carnival 2 – Leonard Mah took out the open 50m freestyle in 25.41; Khalil Youssef won the 13s 50m backstroke; Adam Feng won the 15s 50m backstroke and the 16s 4x50 freestyle relay was won by – Jake Rowlands, Kalem Best, Luke Schofield and Isaac Haddo. Great job, boys!

### Instructions for accessing *Tell Them From Me* Survey.

We are again asking as many boys as possible to access and complete the anonymous research instrument *Tell Them From Me*. We hope that students will take advantage of an opportunity to express their views about different aspects of school life. Please take the questions seriously. An Award Scheme point will be awarded to participants. The staff has analysed the 2014 data and found many useful insights into what students think and how they feel about many aspects of school life. The more you share your views and feelings with us, the better we can try to meet the needs of more boys at High.

The school is likely to respond with to the accumulated data that it receives from this instrument, so long as it represents a significant sample of student voice. The site will be open from **Monday 9 March** until **Friday 12 April**.

### Log into the Student Portal:

1. Click the "Student Survey 2015: Tell them from me" link in the Portal Services menu
2. View your survey username and password
3. Click the link to access survey website at <http://nsw.tellthemfromme.com>
4. Log in to the survey site using your survey username and password

### Speed limit on school grounds is 10 km/hour

Students move around inside the school grounds very frequently, presuming they are safe. They frequently do not attend well to their surroundings, being distracted by their friends or technology. They may run out from behind a parked car or across a driveway. In the area in front of the UTS gymnasium there is a great deal of pedestrian and vehicular traffic. Several cars driven by parents have been observed travelling towards the school building at speeds well in excess of 10km/hr. There have been several tragedies involving SUVs and small children in recent years. In the interests of providing the maximum possible safety for our students, staff and visitors, please be careful and drive slowly in school grounds.

### New agreement for awarding grades

In order to reflect more accurately the improved overall standard of the school's outcomes in the last decade, the protocols for awarding grades to students for their reports has been modified by the Executive.

The school standard of 90 ATAR is maintained but the expected rate of achievement has been adjusted upward from 75% to 80%. Consequently, the grade breakdown now becomes: HD 20%, D 30%, CR 30%, PM 15-20%, P 0-5%.

I have asked again that all faculties investigate the prospective P awards to ascertain whether they are only assigned to: those who failed to meet deadlines and then didn't complete the class tasks or homework set, or those who exhibited very few if any of the understandings or skills expected. I would expect that some communication with parents had taken place during the reporting period expressing the teacher's concerns about lack of student progress, prior to a P award being determined.

## **Our School Plan 2015-17. 2 – Sophistication and skill in reading and writing**

At the HSC level our boys lose valuable examination marks due to imprecise reading, poor inferences and simplistic or overwritten answers. Our boys need to develop more confident and sophisticated 'voices' as writers. They need to appreciate the opportunities that the NAPLAN testing presents to them to measure their growth in Years 5-7 and 7-9. In stage 4, boys need to master the core subjects so they can learn to think broadly and deeply about the valued areas of knowledge and skill.

Teachers need the skills to set stimulating and challenging writing tasks. Parents can work with staff to help their boys build grit in tackling their reading and writing growth. School culture will show how literacy is valued and growth is measured and reported. Teachers will engage in more collaborative tasks across KLAs to build expertise and confidence in creating literacy tasks. The DEC 'Literacy continuum' will form the basis of our assessment and reporting of the components of literacy growth.

We intend to improve NAPLAN results for reading and writing in the highest bands. We will use the literacy continuum to audit our progress in the Junior School. We will compare HSC means across courses with major literacy tasks being assessed to monitor our progress in reaching our targets for performance in bands 5 and 6. Our focus will be on professional collaboration to raise the standard of targeted aspects of literacy.

## **LOST PROPERTY**

A large number of Lost Property has been collected over the past few weeks. Please urge your son to clearly print their name on all items of Clothing especially Sports Bags, Sports Jackets and School Shirts.

If the item is clearly labelled with your son's name we can easily return the item to your son. A large number of items have been found with no name or indication of who the owner is.

If your son has lost an item of clothing please encourage them to speak with the Front Office and staff in the MacDonald Wing.

## **From the Canteen**

We realise our canteen volunteers are priceless and we could not possibly afford to pay them all. However to show our appreciation for their help, we offer a \$10 canteen voucher to a volunteer once a month.

When you attend on your rostered day, don't forget to sign the duty book and you will be included in the draw for the voucher. Remember if you can't make your shift, just call a fellow parent on the roster and arrange a swap.

Congratulations to **Ling Cui, Sophie Sun and Fumiko Cheong** your sons have all won \$10 to spend in the canteen.

Thank you to our volunteers last week:

MON: Sharon Wang, (Maria) Wai Pho, (Sophie) Yin Sun,

TUES: Susan Mitchell, Anne Chen,

WED: Ria Lam, Yasmin Khan,

THURS: Deepali Johri, Kim Ngan Do, Maria Farrell,

## DEBATING

Each week of the debating season (Terms 1-3) I send out a debating email with important information about the debating program with news about the up and coming competitions and our progress so far. Occasionally I use these contact lists to distribute urgent information about debating events. For example this weekend I sent information out about our legal debating program to Years 10 and 11 students. As you can see below I have a significant number of parent contacts in Years 7-11. In fact I have been especially impressed with the number of Year 7 parents who have already signed up to be on the debating contact list. However, there is a lack of students receiving emails directly. This means that students in Years 10 and 11 who may have been interested in taking part in legal debating were excluded because they had not signed up to the debating emails. In order to sign up for debating emails please send me an email to [sbhsdebating@gmail.com](mailto:sbhsdebating@gmail.com). Please tell me your (or your son's) name and Year group. I can then add you to the appropriate contact list. If you are on the list and you (or your son) no longer do debating then please send me an email simply saying: PLEASE REMOVE.

This week I have the pleasure to announce the senior Debating teams for 2015 which are as follows:

### GPS 1st Grade:

Thomas Shortridge (c)  
Max Koslowski  
Ganesh M

### GPS 2nd Grade:

Kai Matsamoto(c)  
Liam Jepson  
Hugh Bartley

### GPS 3rd Grade:

James Goh  
Esmond Ye  
Masrur-ul Joarder

**GPS 4th Grade: Rotating squad of the senior classes**

**Hume Barbour Year 11/12 As:**

Thomas Shortridge

Max Koslowski

Ganeshmoorthy Chandrasekaren

Masrur-ul Joarder (4th speaker)

**Hume Barbour Year 11/12 Bs: This year we have entered two teams which means that these four boys get a great opportunity to enter the competition on behalf of the school in addition to the four above.**

Esmond Ye

Peter Lin

Elias Hall

Thomas Nguyen

**Karl Cramp Year 11As:**

Kai Matsamoto

Liam Jepson

James Goh

Arthur Chao (4th speaker)

This year the competition was fierce and it really shows the strength of the debating program at High that we had so many very strong candidates in discussion for the senior teams. Well Done to all of you and commiserations to those of you who were unsuccessful.

**Rachel Powell****MIC Debating**

A late, but warm welcome to all of our new debaters and their families. While we are always sad to say goodbye to another year of debaters it is great to see them replaced by enthusiastic and keen Year 7s. Having recently adjudicated a Year 7 house debate between Fairland and Eedy, I was amazed by their skill and potential, and continue to recommend other Year 7s to try out house debating, as it would help out with trials.

First of all, congratulations to all those who made a senior team, and my commiserations to those who were unsuccessful. I've personally seen many of you debate and you are all fine debaters. There will be many opportunities throughout the year to debate, in the FED comp, social debates, schools day at universities and the number of other activities that High participates in. I'm sure most of you will have a good shot at making a GPS team next year. It's great to

know we will leave debating in good hands next year after the abundant numbers of Year 12 debaters leave. Good Luck to all the Year 10s and anyone else trialling.

Now for the Debating tip of the week. One of the simplest but hardest things in debating is improvisation. As a debater you would be required to improvise often, whether as part of your speech or as rebuttal. The prospect of improvisation can often be daunting to those who've never attempted it before. However you have probably done improvisation without realising. Whether it was just a conversation with friends, or a classic heated argument where you refuse to admit you were wrong, when you clearly were, you probably exhibited fine examples of improvisation. Simply put the key to improvisation is confidence. If you appear confident, and seem to believe in your model, the chances are it is easier to convince the audience and the adjudicator. Not only will your manner improve but you will also find it easier to express your argument better. It often helps to take a deep breath first and most importantly to imagine yourself as the world's best debater. Beyond confidence it also helps to have a firm understanding of your topic and your arguments. A good way to have that understanding is to take time out of prep to discuss the topic and what arguments you are going to run and what you can expect from the opposition. Because the first speaker's arguments are the most important it is often useful to help write the first speaker's points.

Hopefully the tip was useful to you. I hope you all look forward to a great year of debating ahead, and maintain your current level of enthusiasm and interest.

**Ganeshmoorthy Chandrasekaren**

## FROM THE JUNIOR LIBRARY

### NEW E BOOK CAPACITY LIBRARY SYSTEM – WELCOME OLIVER /GOODBYE OASIS

The staff of both Senior and Junior Libraries have been very busy for the last 2 terms and particularly for the last 2 weeks cleaning up our OASIS database so that all our data will migrate successfully to the new library system. Mapping of the 2 systems took place on last Thursday and Friday. The actual migration of the data will happen on the 25<sup>th</sup> of March. Library staff have already been training but there is more to do over the next few weeks and a full day's training for all library staff on 18<sup>th</sup> March. By 26<sup>th</sup> March the new system will be operational.

When we begin to operate our new system the staff of our 2 libraries will still have a lot to learn. We will need you to be very patient with us. A new system will also mean that we have to change many of our current processing and communication practices including lessons on how to use the system. So we are all in for a very interesting time.

### AN E BOOK COLLECTION AND BRING YOUR OWN DEVICE

E books for our very carefully selected boys' fiction collection will still have to be purchased and individually chosen by our 2 librarians. The cost will roughly be the same as purchasing paper based resources. *Our parents who donate to the Library Fund currently pay for all of these.* At present we are loaning out approx 8000 resources annually to our students. Both our Librarians hope that the convenience of E books, especially as all of our boys this year own a device to read them on, will mean boys read even more than they have done. Borrowing our e-book collection will also register as a loan so we will see this quite soon in our statistics on our system. The Librarians will make sure everyone is informed regarding the successful reading of e books. The Junior Library will concentrate on purchasing e-books this year in order to build a viable collection quickly.

### YOUR LOCAL LIBRARY HAS AN E BOOK COLLECTION – TRY THIS OUT – YOU HAVE THE DEVICES

Our students are not aware of the e-book collections held in local council libraries. Most local councils have been loaning out e-books for the last 3 years. Could IT savvy Mums and Dads please make their sons aware of how easy it is to borrow these resources? The boys all have the personal devices to read them on now.

## THE IMPORTANCE OF THE STUDENT AND PARENT PORTALS TO NEW PARENTS

### WHERE TO GO TO GPS SPORT THIS WEEK

Year 7 students have been asked to demonstrate their portal to their parents. Please take the time to explore this portal with your son. The Parent Portal is very similar. You can find your son's School Carnival results, every school report for the past 6 years, his attendance record for the last 6 years, his timetable, where he has to be for Sport this Saturday when his exams are and so on. Parents can register for the Parent Portal on [sydneyboyshigh.com](http://sydneyboyshigh.com) front page. Parents can ensure their email addresses, contact details and son's email addresses are all correct in "My Details".

There is a wonderful online diary and Calendar for your son to record his homework and for him to plan his attack on exams three weeks in advance. Please ask your son to show you how he is recording his homework and assignments and his assessment task ratios in this online diary. **Your sons have a unique opportunity to be the best organised students we have ever had.** They might need your help and quiet suggestions on how to best drive their online diary. Please go with them on their BYOD journey of discovery.

### PRINTING AT SCHOOL

New boys need to bring \$10 to top up their printing account. Both Libraries have colour and b&w printing facilities. It is very stressful for a high achiever who suddenly finds he has no money in his print account and who has a wonderful assignment he has worked very hard on. Could parents please make sure your son does not suffer this disappointment and insist that he takes the money to the Front Office asap?

### WONDERFUL DONATION WORTH \$3000 – 40 resources to Junior Library alone

My apologies for being slow to show everyone the study guides a very thoughtful parent Cindy Tseu parent of Oliver Tseu-Tjoa in Year 12. donated to our 2 Libraries. Our library monitors have already shown an interest in these fabulous resources. Please see some of these lovely resources below. We will process them quickly.

As our Junior Library will be purchasing less paper resources this year **we would be really grateful for any 5 year old or younger book donations** if you are having an annual book toss.

Mrs Crothers

## World Challenge: an unexpected journey

Our following week in Africa was spent along the Okavango Delta, an impressive delta system full of wildlife and vegetation. Our first night was spent at the 'Audi Camp', a small campground for passing tourists which also offered a 'mokoro' (traditional African canoe) guided trip along the Okavango, staying one night in the African wilderness. After our first attempt at something resembling fried rice, we packed up camp to set off for our boat station via a huge multi-terrain bus. Each mokoro fit two people with small bags, just enough for absolute basics and food for the night.

The mokoro canoes were paddled along using long wooden poles to push off the shallow river bottom, the trip to our campsite taking an hour. After setting up camp, we were offered the chance to try paddling the canoes ourselves: This turned out to be highly difficult, despite how easy it looked! There were many crashes and bumps that day with both mokoros and river banks, and we all returned after an hour tired and hot.

Taking a ride in traditional mokoros

Just 100m from our campsite, we encountered a huge herd of around 30 wild elephants, lit by the fantastic afternoon sun. After our tuna mayo pasta dinner, we were treated to a traditional song and dance by our mokoro polers, which was very enjoyable in the dim light of the campfire.

Our breakfast of traditional African 'papata' was somewhat basic, but it fuelled us for another 4 hour bushwalk looking for more herds of animals. Our adventure complete, tired and hungry, we set off back to Audi camp with some fantastic photos and the experience of a lifetime. We spent a third night back at Audi camp, making the most of the shower and toilet facilities at the site (despite the infestation of giant moths!).

Elephants!

## HIGH RUGBY

The season is nearly upon us and now is the time to enrol and be part of the sport which epitomises the spirit of Sydney Boys High and what promises to be a great year ahead!

### New Parent and Student Intro

**Misgiving 1**.....we are too small for rugby.....Rugby is a game for all shapes and sizes and what we lack in size you can guarantee we more than make up for in smartness and spirit.

**Misgiving 2**.....we might get hurt playing rugby..... Rugby is a contact sport but major injuries are very rare and no more prevalent than in most other NON-contact sports. The last thing we want is injuries so we play only at a level that minimises risk of any injury.

Please take a second to consider a letter written to High by a parent of a student playing the game and is part of the rugby committee.

"We want Year 7 boys that have never played Rugby to consider playing. The coaches expect no prior knowledge and yet bring together the new players in the team so well. It is a joy to watch that very first game.

Rugby at High has a very special home ground of which we can be proud: McKay Oval at Centennial Park with Fairland Pavilion for our afternoon teas. The amazing High spirit shown at the final game against Grammar last year was a wonderful example of what it means to be part of High Rugby.

To say you went to Sydney Boys High is one thing. To say you played Rugby for Sydney Boy is another. "

## Try Rugby Day Year Seven

All Year 7 made it down for our annual try rugby day at the great Fairland Pavilion and attached grounds in Centennial Park where we play and practise. Some great potential was shown and the boys really got stuck in. See some of the action below

GREAT TACKLE!!

## YEAR SEVEN HOUSE OZ TAG

Some great skills shown by the boys some of whom had never played before. Torrington defeating McKay in one tight semi and Saxby defeating Fairland in the other. Both 1-0. The final was delayed due to rain but great support from all Years watched a great grand final that was 3-3 at full time before a magnificent run from winger Kazi Hasan saw him seal the victory in golden point 4-3 for Saxby. This week against Riverview was a thriller. A consistently intense game from Seconds was an amazing game to watch. They won 55-43. First grade was down most of the game due to the athleticism of Riverview, but in the second half, they dominated with skill and precision, going on to win 97-87.

Almost all 15s teams won again, except for Cs which was a close game. The 13s teams are having a hard time, but next season, those scores will flip around if they keep working hard.

For most of the students, it will be the last game of the season next week. To some however, it will be their last game for Sydney High.

Both firsts and seconds can win a Premiership at Kings next week! Support your school and get your voice there!!!

Congratulations to Jack Hutchison, Nathan Sutton, Noah Fowler, Bailey Musulin and Luke Schroeder who made the AAGPS rep sides 2015.

B'ball dinner tickets are on sale now get excited! Is an NBA2K15, NBAJAM or SUPER-SPLASH (Mario) Brothers highlight video the best idea? Let Mr Hayman know your thoughts ASAP....

Once again, great work to all teams and good luck for the upcoming game against King's. Go High!

## Summer Sports Reports for The RECORD!

Captains are to submit their Summer Sport Reports to Ms Dam ([damr@sbhs.nsw.edu.au](mailto:damr@sbhs.nsw.edu.au)) by Friday 27<sup>th</sup> March. Check your school email for details. Come to the Industrial Arts staffroom if you need further instructions on your task or if you did not receive the email.

## GPS Swimming Report: SOPAC Carnival 2

Carnival 2 proved rather competitive with all GPS schools fighting for CIS spots. In a night of injuries it was not really our night. Well done to swimmers who performed their personal best and to those who continued to swim despite injuries. Our top performers and 1<sup>st</sup> place spots were as follows:

### Event 8 Boys 18-19 50 Metre Freestyle Championship

Name	Age	House	Finals Time
1 Mah, Leonard	18	Sydney Boys High	25.41

### Event 47 Boys 13 Years 50 Metre Backstroke Championship

**Rowing Dinner Saturday 21 March 2015**

**The Great Hall**

**6.00pm**

**The Rowing Committee invites you to the traditional 'Boatshed' Dinner**

It is a very special opportunity to celebrate the efforts and achievements of all our boys as well as acknowledge staff, coaches and supporters.

All crews will be introduced on the stage and there will be speeches by -

- Stroke of Year 8 1<sup>st</sup> Quad – Marcus Borscz
- Captain of Year 9 Quads – Tim Trent
- Captain of Year 10 crews – Shane Wei
- Captain of Boats – Josh Maloof

**All rowers are required to attend and should wear full school uniform.**

The evening is both a formal introduction of our representative crews for the season and a great opportunity to socialise and show support for the boys after their efforts in the GPS Head of the River and the NSW CHS Championships.

**The cost of the dinner is \$30 for adults and \$30 for students.**

Soft drink and mineral water will be provided.

We look forward to a full house with all boys and their parents attending.

Kind regards

### MIC of Cricket Report

Saturday 18<sup>th</sup> February, 2012. Not many people would remember this day, but this was the last time our 1<sup>st</sup> XI won a GPS game....Until last Saturday. It has been a long time coming, but finally our 1<sup>st</sup> XI managed to pull off a miraculous victory over, the always very competitive, St Joseph's College. Last week ended with us losing first innings and Joey's declaring straight away to get 30 minutes of bowling at us. We held out at stumps without losing any wickets with a slight lead. We continued day two where we left off. Started well, but unfortunately we collapsed and went from 0-27 to 8 – 59. Thankfully we had a 9<sup>th</sup> wicket partnership between Tully Moffat (40) and Sura Raunak (17) putting on 38 runs. Tully batted superbly looking at ease at the crease and batting maturely by rotating the strike and putting the bad balls away. Sura has had a rough trot with the bat recently but he played a vital role in supporting Tully and then also for the last wicket with Kabir Agrawal to get our total to 114 which gave us a 113 run lead. Our boys felt that we had a total to defend but we had to bowl and field well. We took an early wicket and had them 1-7. Joeys then batted well and put on a 60 run partnership slowly wearing us down. We then got the breakthrough we needed with great fielding taking two quick run outs and you could sense Joey's felt unease. In comes Sudarshan Arvind. Not our regular spinner, but he bowled well this day and cleaned up the tail order to secure Sydney Boys High School's first victory in almost exactly three years to the day. When the final wicket was taken the boys were ecstatic and celebrated in true style. The photo below captures the moment of the final wicket. We later discovered that for the Year 12 boys this was their first GPS victory for the school ever. This will be a moment they will never forget and I am excited for them that they managed to experience such a feeling for their last match at McKay 1.

*Sudarshan Arvind taking the final wicket to secure our first win in three years*

Our 5<sup>th</sup> XI also had a very exciting day against Riverview. The match ended in a tie and the coaches to their credit decided to take the initiative and have a super over match.

Unfortunately we did not come out on top, but I am sure the boys had a very enjoyable experience with the game played in great spirit.

On another positive note our U14As secured their first victory as well for the GPS season.

The boys set a competitive total and were eager to get the win. Soneeshun Selvarajah bowled very well for his four wickets which also included him being on a hat-trick. Maadhavan Nadeswaran also took two wickets in two consecutive balls helping them win by 60 runs.

*Vivek Mahajan from the U13As playing a cover drive*

Next Saturday there are no fixtures for all teams due to the Head of The River. I strongly encourage all boys to attend the day to help cheer the rowers on.

In the July holidays 2015 we are aiming to participate in a once in a life time opportunity to play in a cricket tournament hosted in Sri Lanka. We will be representing our school and Australia in the "World Premier Schools Cricket Challenge" Tournament. This is open to anyone in the current U15s-Opens cricket teams. If you are interested in attending please notify me by email.

I have created a Twitter account for regular updates in results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account. <https://twitter.com/SydHighCricket>

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats, tops and long white pants.
- They are not to wear thongs to and from their fixtures.
- Apply plenty of sunscreen throughout the day.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coaches if they are unable to attend training or their fixture.

# Sydney High Annual Basketball Dinner 2015

Celebrate another fantastic year of basketball at High by organising your team to attend the 11<sup>th</sup> Annual Basketball Dinner and finish the year in winning style!!

Every team will receive trophies for the Most Valuable Player and Most Improved Player. 1 minute speeches will be made by staff members about their age groups and players will be able to show their thanks to them as well! (Buy your coach a present) There will be a big screen projection of the Annual Highlight video presentation and the best meal in the history of the dinner.....

**When:** Friday, 20/3/15, 6:00pm. End of Night 9:15pm.

**Where:** Great Hall, Sydney Boys High School

**Who:** Players, parents, friends, supporters and coaches of all teams!

**Why:** 1) Because the friendships made through SBHS basketball last a lifetime  
2) Because the program has improved significantly again this season and requires your support for this to continue.

## STUDENTS TO ATTEND IN SCHOOL UNIFORM

All drinks will be provided on the night. Advise when booking if a vegetarian meal is required. 210 seats only= Limited seats- PAY AT THE OFFICE TODAY! Especially if you won an award; make sure you pay ASAP. All meals are halal.

NB: Proceeds from ticket sales etc go into the basketball program to help improve future basketball experiences for our students.
