

From the Principal

High Talent

Congratulations to Max Koslowski (Year 11) who was selected to attend the National Youth Parliament after the NSW competition with Arthur Chao and Thomas Shortridge. Saarangan Arvind (7E) was chosen in the NSW Cricket Academy U13s Blue Squad after the recent selection trials. Great job, Saarangan! Oscar Dumas (9E) was selected to represent NSW in the U16 National Basketball Championship – well done, Oscar! Dibyendu Roy (10E) is representing NSW in the U17 Badminton team – great work, Dibyendu!

GPS Swimming

Thank you to the 106 boys who came to SOPAC to

celebrate the end of the swimming season at the GPS Carnival. Our team was weakened somewhat due to injury but the highlight of the night was the great win in the 16 years 4 x 50m freestyle relay. Congratulations to Luke Schofield, Isaac Haddo, Jake Rowlands and Kalem Best. Ian Lai won the 18+ 50m breaststroke (Division) and Jinmin Xu won the U13 50m breaststroke (Division). In the points score our Juniors were 7th, Intermediates 5th and Seniors 6th. In the relays High was ranked 5th overall. The results indicate that High has competitive swimmers and that our depth is more evident than in recent times. Thank you to Mr Loizou for organising the program again this year and to the swimming parents for their support and commitment to the sport.

Boys caught doing the right thing!

Bus commuter Maggie B writes: "Just a quick email to let you know how impressed I was with six of your students this morning

on the East Hills 7.41am service to the city. Not sure which station the boys joined the train but by the time I got on at Riverwood seats filled up very quickly and I and one other commuter were left standing. Your students quickly packed up their things and offered their seats to us. Most people would probably think this is not a big deal but considering what I witness most mornings from students travelling on this line, believe me this was a big deal and made my day!" Thank you to the boys on the East Hills line for making someone feel better and enhancing the reputation of the school.

The Record

Captains of summer sports teams have a responsibility to prepare a short report about the season their team had. A focus on the positives is appreciated and highlighting any good individual performances. Reports should be submitted electronically to Ms Dam. One enduring feature about The Record is the pleasure gained by Old Boys returning after 30 or 50 years who relive moments of their teenage years through the photographs, names and summaries preserved in The Record. Co-curricular activities need to submit reports also. Supporters with good action photographs are asked to email them as attachments to Ms Dam who might be able to use any interesting ones in *The Record*.

The Annual School Report

A PDF version of the Annual School Report 2014 can be downloaded at www.sydneyboyshigh.com/publications/annual-report. The report showcases the achievements of our boys in 2014. It contains a great deal of information about what was learned, what our plans and performance targets are and how our school operates. I commend it to you.

Year 7 Interim Reports

Each Faculty is responsible for producing and distributing the Year 7 Interim Report. Its purpose is to show parents how well boys have made the transition from Year 6 to Year 7. Usually the emphasis is not as much on achievement as on socialisation success and settling into the routines of high school.

End of term 1

Thank you to all staff, students, parents, Old Boys and friends of High who have made this term so memorable for me. The new performance and development agreement was implemented in trial format in term 1, ahead of schedule. Observations of teaching are taking place in a more structured way. The staff handled the new planning processes very well. We are implementing first steps in all three of our major focus areas in the Management Plan 2015-17. Future Staff Development days will focus on different aspects of the Plan. Two premierships were won in basketball, with two third places in tennis. GPS swimming was a solid result just below the middle overall. Our inaugural tournament for table tennis among GPS schools was a success. Above all, I am pleased with the way the school community modelled

inclusivity and cooperation and mutual trust when tested. Have a relaxing holiday!

Principal

SCHOOL UNIFORMS

Dear students please ensure that next term you have your names written clearly on your school uniforms. In the event of a student losing his uniform we will be able to return his belongings to him.

From the Canteen

Thank you to everyone who has helped in the canteen for Term 1, our much valued experienced mums and dads and all the new Year 7 mums and dads who have joined us this year. The canteen cannot run as well as it does without your help.

We have a new menu item for the vegetarian boys, it is a falafel wrap, made with falafel, tomato, lettuce, red onion, hommus and sweet chilli sauce. Come on in and give it a try.

Thank You

Thank you to our volunteers for the last two weeks:

World Challenge: an unexpected journey

After our village work we caught a bus from Mwandu to Livingstone where we were set to spend the last few days of the trip with some free time. Upon arriving in Livingstone we had to find our way to the Jolly Boys accommodation, getting assistance from locals who seemed to know where we were headed before asking. While in Livingstone we enjoyed a classy high tea at the Royal Livingstone hotel where wild zebras casually strolled along the lawn! This place also had amazing bathrooms with ice in the men's urinals.

The tree under which David Livingstone was received, when he arrived at Mukuni Village

A view of the Victoria Falls

We also had great fun at Victoria Falls, especially during our great experience at the Devils Cataract. The initial experience of Victoria Falls was amazing, the tower cliffs and the water plunging over the edge as well as the spray soaking us like rain. However, after we had viewed it we decided it was time to get amongst the falls, and we went in with some locals to the Devils Cataract where we jumped from small waterfalls and had great fun in the pools alongside the edge of the falls.

As well as seeing the sights, staying in the city was a great cultural experience in itself, shopping at the supermarkets and cooking dinner there, finding popular places to eat around town as well as their interesting history museum. While in the city and talking to some of the taxi drivers we learnt that Mokori village, the arts and craft centre of Livingstone, was not too far from town.

In the markets in the city we bought the local Chipolopolo football jerseys and watched the Zambian game against Tunisia with the locals. Finally, after a great last night out we got on the long flight home.

High Tea at the Royal Livingstone!

Thanks for following us on our journey!

MIC of Cricket Report

| Team | Score | Result | Highlights |
|---|---|---------------------|---|
| Alan Davidson Shield CHS Knockout Round 2 | | | |
| 1st XI | SBHS 2 – 68 v Lucas Heights 10 - 67 | Won by 8 wickets | Vivek Kashyap 4- 5, James Pope 3-6 |

Note: W/O = Washed Out

We may have finished the 2014-15 Cricket Season but we are already straight into the 2015-16 Alan Davidson Shield knockout tournament. We were given a bye for the 1st round since we won the South East Regional last season. So this was the 2nd round against Lucas Heights played at Camperdown Oval. We won the toss and with the weather radar telling us there will be thunderstorms in the afternoon we elected to bowl first in hope of getting them out cheaply and chasing the total down before the storm. Lucas Heights started well with a 33 run opening stand. From then on we were able to get through them with the skipper bringing himself on and taking 4 quick wickets setting a total of 67. James Pope took a one handed screamer at gully. At the change of innings the orders were to get the runs ASAP before the storm as we knew it was about an hour away. Credit to our boys; they followed the orders and chased the total down in just 8.5 overs.

On another positive note I just want to make mention and congratulate Saarangan Arvind for being selected into the U13 NSW Cricket Academy squad. This is a great honour and sets up a great pathway for him and the other students wishing to try out. Well done!

MIC of Football Report

I would like to officially welcome the football community to the 2015 Football season. This season we see 30 teams with every team having their own coach with many of them returning back from last year with each team having their own equipment to train with. Additionally we have employed Tony Dunn (last year's 1st XI coach) to be our school's coaching coordinator for all teams and age groups. We have two specialist goal keeping

coaches as well who will be working with the boys during the week. We have placed a lot of investment into football not only for this season but for the future years. We strongly believe SBHS Football will be one of the top GPS schools in the competition.

Last weekend saw our top teams play a friendly trial match against Riverview at Riverview. It was an important hit out. The boys should be proud of their efforts, but it was obvious many of our players were unfit and have not kicked a ball around. Most teams struggled for the first 5 minutes to find their feet and then performed well until the final 5-10 minutes due to fitness. The results indicate we need to work hard in the off season to improve our standards and be competitive. Well done to the U15s who have made a huge improvement from this time 12 months ago. Our 1st and 2nd XI teams played in the middle of the heat with no subs. Many of the boys had to play in both games with our 1st/2nd XI goal keeper, Ronnie Uchitel, having to play on the field as right back. He played his heart out and was one of the best players on ground. The 2nd XI went down 2-0 very early in the match and it was great to see them fight hard and stay in the game and deservedly scoring at the end thanks to Aryan Vatandoust breaking through 4 defenders before passing it across to Jun Park who had an easy shot at goal. The 1st XI had many boys backing up for them in the starting line-up and you could see the fatigue very early. Those who were not backing up had to work extra hard. For the last 20 minutes the majority of our boys had cramped up and could barely move. At times we only had 9 players on the field. It was a courageous effort from our boys; many of them are in the middle of their exams. I would like to thank all those boys who turned up and gave it everything and never wanting give up.

These holidays we will be hosting a football holiday camp. I have emailed you all in regards to details about the camp and the Celtic Football Academy. Please respond back to me ASAP. If you have not received anything from me please email me and I will pass on the details.

Swimming News – GPS 5 (The Finals)

Carnival 5 proved to be rather competitive with few spots available for the GPS team. Our team showed great spirit with many swimmers achieving personal best times. Well done and thank you to the 106 HIGH supporters who did the school proud with their enthusiastic singing and support for the boys.

Special thanks to all the parents who supported our swimmers throughout the season, Mr Pavone and Dr Jaggar for attending the finals and always supporting the school swimming program.

At this stage the GPS team has not yet been finalised, but congratulations to Dominic Mah for his selection as GPS swimming captain. (seen below delivering his final speech to the team)

Congratulations to the following swimmers for their 1st place position in the final carnival.

24th March 2015

Dear Principal,

The Bondi Junction-Waverley RSL Sub-Branch, together with Waverley Council, invites you and your students to join and participate in our **ANZAC Day Parade and Service** at Waverley Park on Saturday 25th April 2015.

Participants form up in Gray Street at 7.15am and **march from the Club at 7.30am to the Waverley Park** where the service will commence at about 7.45am.

The march will commence from the Club in Gray Street forming up at 7.15 am and departing at 7.30 am by proceeding via Oxford Street and Bondi Road to the Cenotaph in Waverley Park. At the conclusion of the service you are again invited to join the march back to our Club, at approx. 8.30am, and participants are cordially invited to join us for breakfast and light refreshments at the Club.

Once again thank you for your support and assistance to this sub-Branch and our members.

Yours sincerely

Mr Bill Harrigan JP
Honorary Sub-Branch Secretary.
