

From the Principal High Talent

Congratulations to our impressive open basketball team who won the CHS Knockout Competition last Thursday remaining undefeated in the championship. The team was: Nathan Sutton (captain), Brendan Fattore, Noah Fowler, Jack Hutchison, Tim Jeffery, Max Menzel, Ethan Merrick, Bailey Musulin, Luke Schroeder and Anthony Wu. This was an excellent result for a very effective and highly focused team culture. Congratulations, boys! Sam Musgrave was selected in the Combined states Rugby team – a very impressive achievement for Sam. Manson Luk (Year 10) qualified for the National Taekwondo Australian Opens Championship – great job Manson. Our table tennis team won the CHS Knockout Championship, disposing of James Ruse in the semi-final and Murray High School in the final. The team was: Edward Belokopytov (Year 11), Lenny Han (Year 9), Roy Lin & Alex Yeung (Year 7). Edward and Alex are also representing NSW at the Pacific School Games in Table Tennis. Alex will be a reserve for the U18 team as a Year 7 student! Great effort, boys! Congratulations also to Kieran Guan (7R) who won all four events in the 12-14 years Division of the Endurance Plate in short track ice racing. Kieran will represent NSW at the Duke Trophy competition in Queensland in July. Well done to our boys in the recent Latin Reading competition. In Year 10 'Highly Commended' awards went to Sanishka Balasooriya, Joshua Ng and Roy Yi for their reading of Ovid. In Year 11 Elias Hall was awarded 'Highly Commended' for his reading of a passage from Lucan.

Thank You!

End of Term 2

It has been a very busy, satisfying and challenging term. Staff members have had added responsibilities and compliance demands but have risen to the occasion with their customary High spirit. The impact from the plethora of 'frameworks' and templates has increased workloads across the board. Unique challenges have involved quite a few staff in out-of-hours additional work. Successes in various competitions have resulted in more staff, more often out of the school accompanying students to competition venues of various kinds. Interschool visits to Armidale and Melbourne High School have also added time burdens to staff. I want to thank everyone involved for the confident, seamless and efficient manner in which these co-curricular activities were planned, organised and executed. It is a privilege for me to be your Principal. Have a well-earned rest.

Guys and Dolls Co-production

Congratulations

Thank you to all the staff, cast and crew from SBHS and SGHS who worked so well together to produce the enjoyable and impressive school production of *Guys and Dolls*. Courtney Powell was tireless in her efforts to deliver the choreography and support the cast members. In particular, I congratulate Andrew McNaughton, Noah Fowler and Jasper McCahon-Boersma on their performances in leading roles. If speaking in public is rated as one of the most daunting challenges we face, then singing in public must be a huge ask. Thank you all for an uplifting evening's entertainment.

Old Boys Union Initiative

Mentoring Program

The SBHS Executive has approved the proposal by the Old Boys Union to run a 'pilot mentoring scheme' for current students of High who are members of the OBU. The OBU has an existing program whereby Old Boys in tertiary education connect with OBU mentors, including: QCs, surgeons, partners in law firms, entrepreneurs, partners of accounting firms, University professors and many other influential people. Feedback suggested that this program could be extended into the high school setting as a supplement to existing careers advice offered by the School and Mr Cipolla, the Careers Adviser.

Prefect Induction Assembly

This week we held a delayed assembly to induct our School Prefects for 2015. Prefect Interns have had to meet standards in academic performance, participation in school life, canteen duty, representational duties, attendance and school uniform wearing. Not everyone completed the induction period successfully. Those boys who received their perpetual School Prefect badges, have satisfied the criteria for being a High Prefect and have signed their names in the Prefects Book. I congratulate each of the 32 students who have reached this significant milestone in their school lives.

Valé MIC Prefects Clay Kesting

Thank You!

After ten years of dedicated service in the role of MIC Prefects, Mr Kesting is retiring from the role.

He brought much wisdom, experience, an avuncular style and mellifluous vocals to the demanding job of mentoring up to 36 of our most committed High all-rounders. He was instrumental in reforming the standards required of Prefects many years ago and has raised the status of the office by his calm, firm and industrious leadership. I acknowledge and thank him for his contribution to the student leadership program of our school.

New MIC Prefects – Ms Rigby

I have signalled the importance placed upon this role by moving it into the Executive domain. Ms Rigby, HT of History, has been appointed to the role with a brief to take a fresh look at all qualifying standards, roles, accountability and voting procedures, concerning the high profile position of School Prefect. I look forward to working with her, the Executive and the student body to enhance the quality of the Prefect System as it operates at High.

Governors Centre 2015 Appeal

High Community, please consider contributing to the Governors Centre Appeal. The Appeal was launched over a week ago and we have had a tremendous response to date. All families and Old Boys have received letters or emails on how you can contribute.

I encourage you to get behind creating a centre of performance excellence for both Sydney Boys High School and Sydney Girls High School.

Please visit the Foundation website: www.shsfoundation.org.au and like us on Facebook, Twitter and LinkedIn.

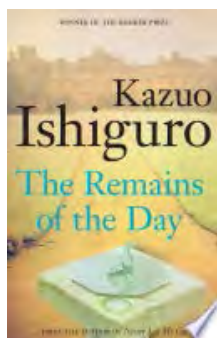

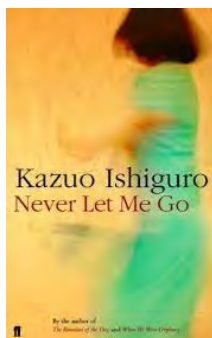

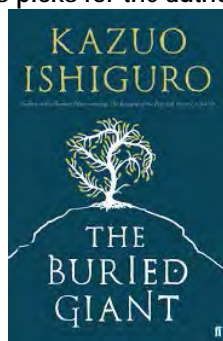

What's Up in the McDonald Senior Library? 26 June 2015

Great reading available in the Senior Library for these school holidays

The school holidays are nearly here so we are encouraging senior students to catch up on their reading for pleasure with some fantastic new fiction which will be on the new book display shelves this week and of course study guides which are of interest to Year 12 students who are currently preparing for their HSC examinations.

Librarian's picks for the author of the month

The latest novel by acclaimed British author Kazuo Ishiguro *The Buried Giant* is set in early Britain after the departure of the Romans in the mythical time following the reign of King Arthur. It is in an eerie mist-filled and war ravaged land that a couple, Beatrice and Axl, set off on a journey which was to be filled with hazards both dangerous and other-worldly. This story is about love and redemption and how long forgotten truths are revealed and relationships tested.

"Sometimes savage, often intensely moving, Kazuo Ishiguro's first novel in a decade is about lost memories, love, revenge and war." (Blurb 2015 edition)

I loved the characters in this story and their adventures and concerns kept me reading compulsively till the end as have Ishiguro's other wonderful books. His other novels include the Booker Prize winning *Remains of the Day* (1989) and another favourite of mine *Never Let Me Go* (2005), also shortlisted for the Booker, about a group of young adults living in a dystopian version of contemporary England. At the forefront of all Ishiguro stories are his characters and in this one he examines the possibility of institutional harvesting of human organs, questions about what it is to be human and how memory functions to erase loss and pain.

All of Kazuo Ishiguro's books are suitable for using as a related text in HSC English curriculum theme of "Discovery".

All these titles are available to borrow in the SBH libraries.

Enjoy a relaxing and reviving break for those students up to Year 11 who have an opportunity to read and relax and for Year 12 HSC students good luck in their final preparation for the Trials!
