## SBHS Canteen Committee

Sydney Boys High is proud to be one of the dwindling number of school communities that run their own Canteen. The advantages include quality prepared food, caring service and a policy of returning all the profits to the school. However, to keep this highly desirable model going, we need parental support, particularly on the Canteen Committee. We need people with experience in meetings or in financial management. We need volunteers also to serve a day a month in the Canteen. If you can help either just as a Committee member or as a volunteer, please call 96629350 and speak to Tracey or Karen.

## Old Boys Afternoon Tea

Sydney High Development Director, Chris Brown, welcomed Old Boys, Philip Lambert (1955) Ross Tzannes (1956), Dennis Schultz (1959), Alan Powell (1960) and Ian Heads (1960) to an afternoon tea this week. The Old Boys were impressed by the demeanour of the boys and the enhanced facilities the school now enjoys. Thank you to our musicians Nathan Trinh, John You, Archie Woodhouse and Tiger Zhang for their fine playing and to Niyaz Mostafa, our Vice Captain and Thomas George, our two host Prefects. These boys brought great credit to the school.

## High Achievers Evening

On 27 August at 5.45 pm in the Great Hall, the SHSOBU is holding another *High Achievers* evening. This is a

free event designed to showcase the life and careers of High Old Boys as well as to gain publicity for the OBU and demonstrate its relevance to current students. The inaugural evening, held last year, was very informative and entertaining. The feedback from the boys who attended was very positive. This year's organisation promises to be even better, with a wide variety of professions and experiences represented. I urge all boys who are starting to think about life after school and possible vocation options to come along and hear from some great role models who attended High. Register at: <http://www.shsobu.org.au/high-achievers-2015-speakers/>

## Tell Them From Me – Survey for Students, Staff and Parents

We have been collaborating with the researchers at *The Learning Bar* for a couple of years to gather data about the school from the perspectives of students, parents and staff. We have learned about our school climate, how students feel about having an advocate for them at school and about

how high the incidence of engagement with school life is. The surveys have certain shortcomings in the wording of some questions and in the inferences drawn from answers to single questions, but nevertheless the instruments are valuable for the senior management team to inform our planning. This year there is an opportunity for us to ask some of our own questions and add them to the survey. By this means we hope to make the responses we receive more pertinent to the context of High and consequently, more meaningful for school planners.

I commend the surveys to the High school community. An Award Scheme point is on offer as usual for boys who complete the survey. The Partners in Learning Survey can be accessed from Monday, **August 17** at <http://sbhs.co/pil15> They will be live until Friday, **October 16**. The survey window applies to all three surveys: parents, teachers and students.

### From the Canteen

Keen to try out the fabulous range of food in our canteen, but pressed for time? Desperate for pasta, rice boxes, sweet chili wraps or focaccia but keep missing out?

We have a wide range of hot food on offer and limited oven space. While we try very hard to second guess what all you boys (and teachers) will want to eat on a given day, it is very hard to get it right and minimize waste! The answer is simple!

### Order ahead and reserve what you want!

Simply call at the canteen first thing in the morning, place and pay for your lunch order and it will be ready and waiting for you at lunch time. How easy is that!

Thank you to last week's volunteers:

- MON: Wendy Yao, Olivia Yinzhu and Binita Ghosh.  
TUE: Jun Wang and Tina Zeng.  
WED: Kunyi Ye, Lin Yang and Letty Chan.  
THUR: Rita Wu and Su Ren.  
FRI: Thajeewa Pingamage and Theothe Tsirbas.

Anyone interested in joining the Canteen Committee please call Karen or Tracey in the canteen on **Ph: 9662 9350**.

## MIC Debating Report

Congratulations to the Hume Barbour team: Ganeshmoorthy Chandrasekaran, Masrur-ul Joarder, Max Koslowski and Thomas Shortridge for being Runners-Up in the 2015 Hume Barbour Competition.

This is quite an achievement for a debating team which is made up mostly of Year 11s. I am sure everyone who was

lucky enough to watch the debate will agree that our team did an excellent job and deserve to be proud of their achievements.

Further congratulations to Max and Thomas for winning the NSW Dr Evatt Competition. They now go on as part of a team with 8 other students to represent NSW at Nationals.

Our Mock Trial team consists of Arthur Chao (Legal Debating Captain), Max Koslowski, Thomas Shortridge, James Goh, Thomas Nguyen, Hugh Bartley, Louis Saunders and Dominic Leal Smith. These boys have been very successful in the competition so far and on Monday they had a convincing win against Kirawee and now move into the top 32 teams in the State. Well done boys.

Our Year 10 PDC team are going strong in their competition and will be at regional Semi Final level next. I wish them good luck: Louis Saunders, Louis Shapiro, Akeedh Razmi, David Wu and Hugh Bartley.

We had another triumphant round of debating against Shore on Friday where once again on home territory we won all but one of the debates. This week we are off to Riverview and with only 3 more weeks of the competition it is all getting very exciting. If you want to check out the results then go to:

<http://www.sydneyhigh.org.au/debating/>. This is our school debating website and I would like to thank Symeon and his team for their ongoing work on the website to get it up to date.

Debating coaching runs for three more weeks and then I will be collecting coaching rolls and awarding points to those of you who have consistently attended coaching for all three terms.

Also the latest Cambridge Checkpoint series for 2016-18 are being processed and will be out soon. New fiction and non-fiction have also been added. Here are just a few.

### E Books

After the exciting debut of e-books via Overdrive into our library collections this

year we will be adding another supplier of e-books via Wheelers Books very soon, so watch the front screen of Oliver Library as a new link to our new ebooks portal should be up soon. Having both gives us a balanced and exciting selection of international literature.

## MIC of Football Report

In my second season as MIC the 2nd XI have finally won their first GPS game. Jun Park was the man of the moment scoring two goals celebrating in style by doing a Ronaldo and taking his top off. He was rightfully awarded a yellow card for his actions, but I am sure it was well worth it. After their gallant draw against King's the previous week the boys gained confidence in their defence allowing them to go on the attack more. The passes were fast and controlled and Jun Park scored two great goals. The 1st XI continually defends well and gains possession through the centre. It's our finishing touches that let us down and prevent us from creating chances. We finally scored our first goal for the season on the back of a header from Thomas Nimac that came from a corner.

On the day we also introduced our new Sports Physiotherapist, Kate Mahony, to the program. This has been a huge step in allowing us to quickly assess the boys and then have them reassessed on Monday mornings in trying to best prepare them for the following Saturday.

### Team of the Week

#### 13B XV

The season has been very challenging for our youngest rugby team. Each week the thirteen 13B players have shown great courage and determination to do their best against more experienced teams.

After conceding over 180 points in the previous three games, the team was looking for a more even contest against the Shore 13G's. The day didn't start well, however, when two of our players failed to turn up. This left eleven gallant High players, reduced to 10 early in the second half when a player was sent from the field, to

take on a team that played 12 players throughout the entire game.

High controlled the ball in the early stages and was close to scoring on a number of occasions. Simple errors, poor defence on our part and superior opposition numbers saw Shore score two tries in the first half to lead 10-nil at the break. As has been the case in previous matches, High lifted in the second half. On the back of more consistent possession High was able to gain consistent field position and mount pressure on Shore. Typical determined and incisive running by halfback Andrew Pearson led to tries by Mathew Shuman and Harris Nguyen, with classic "pick and drive" forward support play. One of the highlights of the season, and again last Saturday, was the lineout with Christian Lam out-jumping his opponents ably supported by his powerful lifters Akif Kazi and Mathew Shuman and his lineout drivers Harris Nguyen and Ivan Liang. Each week the backline is gaining confidence. Five-eighth Sam Colgan and inside centre Vincent Dorahy have developed a cohesive combination. As a result the outside backs of Arnav Sojan, Max Xie and Alex Zhou were given time and space to run with the ball.

High's tackling improved in the second. Andrew Pearson tackled his heart out again and Christian Lam, the smallest player on the field, on several occasions felled bigger players by tackling low "around the legs". The final score was 30 – 10 to the Shore 13F's. A bye next week, then bring on St Ignatius.

"What sport does your son play?"

"Is your son involved in music?"

It's a very enjoyable morning and all you need to bring is your friendly smile.
