

From the Principal Welcome to Term 1

Welcome to new staff, parents and students and welcome back to those who helped make the High experience so rewarding in 2015. We hope to really bed down the innovations of 2015 in response to our School Plan (2015-17): maximising potential, improving literacy, enhancing teaching, our performance development program and our changes in assessment and reporting in the Junior School. Our RAP analysis of HSC responses to individual questions shows a cross-faculty comparative weakness in extended responses that are unstructured. Our staff are going to try to improve this area of learning over the next two years.

Into our LOTE faculty we welcome Ms Catherine Hicks teaching French. Xanon Shirley is replacing Courtney Powell in drama. Lynnea Stewart is replacing Bonnie Collignan in visual arts who will be on maternity leave soon. Eric Choy is replacing Jacqui Chen who is on maternity leave. In English John Beringer is back for another block until the end of term 1, filling in for Marina Trompeter. In coming weeks, we will be making three staff appointments by merit selection: HT Teaching and Learning, HT English and 0.8 FTE Social Sciences teacher. We also welcome back Ellen Huttly who is replacing Andrew Nguyen as the SAO for pays.

High Talent

Despite intermittent inclement weather, our swimming carnival was completed on Monday, with many boys participating. New school records were set by William Lee (Rubie) 14 years – 100m freestyle 1'01.9 & 50m breaststroke 0'34.78; James Luo (McKay) 50m butterfly 0'31.69; and Nathan Wang (Rubie) 0'41.78. Congratulations to those boys and to everyone who competed at the carnival. Well done to Mr Loizou for his organisation. Our boys placed 3rd in the GPS 4 x 100m medley relay, behind Shore and Scots.

New Students Welcome

My speech at the welcome assembly for Year 7 and new students is reprinted below.

On behalf of all our extended High community – teachers, support staff, cleaners, coaches, Old boys and volunteers – I extend a warm welcome to all new students this morning. As we start the 2016 academic year. I look forward to a year in which we can at least reach the very high standard set last year by the Class of 2015. Tackle the task with confidence. This morning we are enacting our ritual of honouring new students who have joined the High community. As custodians of the High culture we uphold the rite of passage - clapping-in Year 7. This is a public, community-wide acknowledgement and recognition of the previous academic success of each student who earns a place at High. You were all selected by means of a rigorous entrance test. We understand that each one of you is an academically gifted individual with a unique suite of natural abilities. Our task is to galvanise these natural abilities into talented performances in several areas of school life.

To the new students joining us in Years 8, 9 and 11, I extend a special welcome to you from the High family. You were selected because of your all-round achievements in secondary school so far. You have demonstrated talent in a variety of activities or excellence in one and competence in others. We welcome you and expect you to add value to the High culture. You have a great opportunity to establish yourselves at our school by quickly getting involved in the co-curricular program. I urge you not to waste time waiting and watching. Get involved. Don't stick to only what you are good at. You need to grasp every opportunity. Get organised and be prepared to work really hard. Set yourself incremental academic goals and strive to achieve them. Lots of people are ready to help you.

We have a school-wide BYOD policy. Information and communication technology is increasingly integrated into the daily life of our school. Use your device and your researching privileges responsibly. Our teachers will be endeavouring to work closely with you to find out more about your preferred learning style and individual needs. We will be trying to improve your learning. We will be 'fussy about focus' in order to get more out of each lesson. We will need you to pay attention and participate, not hide in your own world of recorded music or in a virtual world within an iPhone or iPad. We expect that you will *participate positively* and *relate respectfully* in all your classes.

We will expect excellence from you not just adequate work. We 'care about compliance' – do all the work that is set for you. Our teachers will be

concentrating on consistency in completing tasks in class and at home to the required standard. We are dedicated trustees of our reputation and success at High. Together, if we work hard and help each other, we can maintain and enhance our excellent outcomes.

I expect that you will all adopt our all-rounder culture and take advantage of activities at High. We want you to work hard, train hard and play hard. We will also expect you to give some of your time and effort back into school and community service. Our High ritual comes full circle with a clapping-out of Year 12 at their final assembly. By then we will all acclaiming the person you have become. By then you will be celebrating your growth and achievement as learners. By then you will realise how fast your time at High seemed to go. We will be honouring boys who have become men.

I expect all students to involve themselves in co-curricular activities - the Student Awards Scheme identifies the main ones available. Sport is a very important part of life at High. Our traditional involvement in GPS and CHS competitions makes us unique. Sport training is offered on at least two afternoons. Membership of our weights room is excellent value for money. My strong expectation is that you will play competition sports on Saturdays. Participating in GPS competition is an integral component of our ethos. We focus on team sports for educational reasons – group cooperation, team building, goal setting, collaboration, time management, grit development and motivation skills – these are most necessary in modern work contexts. We are trying to nurture 'future earning skills': problem solving, evaluating information, working in teams, communicating ideas and fostering creativity and innovation. **Year 7 boys will have an assessment of these skills in various contexts included in their semester reports.** For each boy we want to build: positive emotions about High, engagement with High programs, respectful relationships with everyone, meaning in all we do and a sense of accomplishment for sustained effort. At school and in class show your teachers, peers, all staff members and volunteers in activities the respect they deserve. Ask them for help. Be responsible for your own learning. The pursuit of excellence is a lifelong discipline. Let's pursue our goals hard but have fun, too. I wish you all a happy and prosperous life at High.

Early Bird Discounts

In order to help all areas of the school we offer a substantial discount to parents who pay all their invoices in full before 26 February. It is not only a great demonstration by them of their commitment to the ethos of the school but also it's an encouragement for others to follow their lead and it helps to create a critical mass of financial support for our programs. The annual cash contribution by the DOE finances **less than one quarter** of our programs at High. The rest comes from the support of parents and the efforts made by School family volunteers, helping out in fund raising. Having substantial funds early in the year allows us to make sure that capital works are completed in the holidays, orders are made promptly and that the boys get the maximum benefit out of equipment and services

deployed for them this year. Quality services, extra staff and high standards come at a price. A very large number of parents see the package as value for money and contribute in full. Last year, 567 families (47.33%), saw the benefit of supporting the school in all of its activities early in the year and thereby earned the discount. We thanked them for their support and reset our target to attract 50% of parents this year. Let's carry on High's self-help culture to make sure we achieve our goals for your sons in 2016 and beyond!

Weights Room Policy 2016

High's weights room offers exceptional value for money. The room has appropriate equipment for preparing the bodies of teenage boys. Crucially, it is constantly supervised by one of our strength and conditioning coaches. When handling weights, technique is vitally important and boys need to learn the correct way to lift. Kurt Rich, our Head Strength and Conditioning Coach, is a well-credentialed and experienced trainer. His presence ensures that the boys are training safely and sensibly. So as well as getting gym facilities, clients have a supervisor and adviser to help them during their unlimited visits. Costs for this service are held down to a minimum and reduced by boys taking out a full year's membership. For 2016, a full year Weights Room membership costs **just \$231**. Boys wishing to have full year membership must register and pay by 26 February 2016. No payments will be accepted after that date until term 2.

This year **no term memberships** will be offered. Boys who restart after absences of a term in the Weights Room have to be retrained by Kurt when he should be concentrating on existing members. Boys will have another opportunity to sign up for the weights room at the beginning of term 2. The cost will be **\$200** for the rest of the year. No further membership opportunities will be offered.

Dr K A Jaggar
Principal

Outdoor Education Camps

The Outdoor Education Program is an integral part of the school's co-curricular program incorporating camps in Years 7, 8 and 9. The program involves physically and mentally challenging activities which are outdoor and adventure based. They are designed to be sequential but are structured so that the students can participate at their

own level. Attendance at all camps is an expectation of the school.

The program aims to develop teamwork, leadership and initiative skills. Students participate in challenging activities in order to increase self-esteem, self-reliance and self-confidence while promoting an appreciation of the natural environment. This in turn gives students the opportunity to develop kinaesthetic awareness, coordination and physical strength as well as build on teamwork and foster a greater sense of cooperation to create a more cohesive and integrated school community.

Dates

Year 7: 8 February – 10 February 2016
Year 8: 14 September – 16 September 2016
Year 9: 7 December – 9 December 2016

Electronic Devices

All Sydney Boys High School camps are technology free camps. Students are not to bring any gaming, tablet or lap top devices. If any such devices are found on camp they will be confiscated for the duration of the camp and returned once we get back to school. Mobile phones will be allowed, but no chargers as there are no power points in the dormitories. The same applies for any electrical appliances/power boards.

Parking

Buses for camp depart from Driver Ave. next to the Hordern Pavilion, Fox Studios. Please be aware that parking in Driver Ave is metered and Rangers regularly patrol the area. Parents are advised to park in the Entertainment Quarter cap park, entering off Errol Flynn Blvd. Parking here is free for the first 2 hours.

Kerryn Ibbott

Coordinator Outdoor Education

Meet the Prefect-Intern

Sydney Boys High has facilitated many opportunities for my growth and education across the board. During my school life I have participated in many co-curricular areas, including Legal Debating, Model United Nations, Debating and SRC. I have always been grateful that I am able to experience so much, along with my school sports of Sailing and Fencing. It has always been my belief that as the school has done so much to provide for my education, I in turn should return service to the school.

I also have a wide range of interests outside of school, and being a person with a preference for the more traditional, I have hobbies of collecting antiques (in particular chinaware and old maps), fountain pens, discovering history, and tea connoisseurship. Though with a more modern focus, I enjoy spectating on politics and watching TV. I very much enjoy my leisure sports as well, I like to play golf, swim, play tennis, archery and go horseback riding.

Tradition is part of this school's identity, and I would love to preserve that, as well as introducing new measures to ensure that everyone is able to enjoy school life as we move together into the future. My personal approach to leadership has always been of dedication to fulfilling my duties, achieving results, and bearing in mind the greater picture. As Baroness Thatcher once said; "If you set out to be liked, you would be prepared to compromise on anything at any time, and you would achieve nothing." I have always taken that advice to heart, believing now as a Prefect that the concerns and issues of the school are greater than myself. Furthermore I believe that especially as a Prefect, it is my absolute duty to preserve the school's greatest intangible asset; school culture. This obligation is everyone's responsibility, and as members of the High Community before have passed on this culture, I too will carry the torch. As the Prefect Ambassador I have set out to bring all aspects of the High Community closer, and to promote the school outside. Let's look forward to a great 2016.

Reach Out: Reach High!

Arthur Chao

Prefect Ambassador & Prefect of Sailing Elect

Debating MIC Report

Week	Date	Events
1	29 January	
2	2 February	Welcome evening for new parents
2	5 February	Show debate for Year 7, Great Hall, 12:40-13:20 END of sign-up period
3	10 February	DSG Meeting, Common Room, 18:00 Information evening for parents, Great Hall, 19:00-20:00
3	12 February	
4	19 February	FED: SBHS v Barker (Sport)
5	26 February	FED: SBHS v St Aloysius' Eastside: SBHS v Grammar (Education)
6	4 March	FED: Newington v SBHS (Education) Eastside: Reddam v SBHS (Religion and society)
7	11 March	FED: SBHS v Knox Eastside: SBHS v SCEGGS (International affairs)
8	18 March	FED: Redlands v SBHS (Media) Eastside: Rose Bay v SBHS (Gender issues)
9	25 March	Good Friday (Public Holiday)
10	1 April	FED: St Joseph's v SBHS

The information evening is a perfect opportunity for parents to come and find out more about the debating program and meet other parents. I urge parents to come to this event on Wednesday 10 February at 7pm in the Great Hall.

If your son is involved in debating this year, please send me an email with your son's name and year group to sbhsdebating@mail.com. Each week I send out an email to give important information about debating. We also have our own website <http://www.sydneyhigh.org.au/debating/> which is in the process of being updated. In addition we now have a facebook group SBHSDebating – like this and you will receive important updates as well as be able to see a range of debating photos.

ANNUAL BASKETBALL DINNER MEETING

MONDAY FEB 8, 7PM ROOM 901

(UPSTAIRS OF THE GYM)

Welcome back to Sydney High Basketball, and what a way to start the season with a 71% win rate! Congratulations to Campbell Green who lead 2nds to a low scoring 32-26 win dropping 10 of those points himself. A brave effort from 1sts despite all their injuries, who were defeated 50-63 in the unforgiving environment of Shore's gym. Congratulations to the 14Bs who managed to scrape a win in overtime, 21-20!

The basketball camp run by Sydney High Old Boys took place in the holidays. Going for five days, the attendants said that the mix of skills was a great part of it. There were scrimmages run every day during the camp, which let the players put their new skills to the test against bigger and older players. The players said they were really satisfied with the coaches, being able to relate to them through the Sydney High tradition on a schoolboy level. The next camp will be run during the holidays after term three and I encourage all basketball players to give it a go.

On 1 January, a group of 22 students and 4 adults departed Sydney for California as a part of the Sydney Boys U.S.A. tour. While there, the two teams played 8 games each, with Varsity (senior team) winning four games and Junior Varsity (junior team) winning three. The schools they attended were all very friendly, giving tours of their schools, and some even providing dinner for the players after the games had finished. While in California, they went to an Ice Hockey match, an NBA game and a College game where they were able to see Emmett Naar, old boy of Sydney High, play in the Saint Mary's Gaels starting 5!!

The tour was not only about playing basketball. The squad toured San Francisco, the Golden Gate Bridge, Alcatraz Island, Los Angeles, Disneyland, Universal Studios, Hollywood Boulevard and Venice Beach, just to mention a few locations. It was a time for the boys to experience a very different way of life to their own, enjoy the differences in culture that America offered, and learn more about basketball as an international sport. There are photos available on the Facebook page SBHSBball2016Horizons.

Good luck to all teams against Grammar this Saturday. Go High!

Go HIGH!

Play Hard, Play Smart and Play Together!

Brought to you by Archie Fox. Editor

MIC of Cricket Report

Welcome back to the start of the year. I would also like to welcome the new parents and players of year 7, 8 and 9. It's exciting to see so many boys eager to impress with their cricketing abilities. For the Year 7s we have 43 students trying out for their first GPS match against Grammar. On Saturday we were very impressed with the overall skill level across the board and we feel strongly that we're capable of winning the majority of our games.

We were up against Shore last Saturday. Traditionally this is always a very hard contest. Our 1st XI bowled very well, bowling them all out for just 107. The boys felt great about their chances. Unfortunately a few quick wickets caused a dramatic collapse and we were all out for 70 runs. The boys, as you can imagine, were very upset as this is our third narrow loss for the season. The 2nd XI, filled with a very young side, shows a lot of potential, but a lack of experience and power restricts our play. We are building a very strong team for the coming season and we feel confident that a win is just around the corner.

The most pleasing result is our U14As and U14Bs, both coming away with a victory. It has been a long time since we have beaten Shore at this age group. This is a very exciting year group for us with the A team now with a record of 2 wins, 1 draw and 1 loss. Adding to this the team's two best players play in the 2nd XI team. Therefore we are showing great strength and depth.

This Saturday all our year 7 A to C teams will be playing in their first fixture against Grammar in a one-day match. All Group I teams will be playing round 5 in their first day of a two-day match while all Group II teams will be playing round 7 in their one-day match.

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- They are not to wear thongs to and from their fixtures.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coaches if they are unable to attend training or their fixture.

Geoff Tesoriero

'Bring Your Own Device' Program: Advice for 2016

Application of this Advice

All students heading into Years 7 – 11 2016 are expected to bring a device of their own choosing and ownership to school each day. If you're looking at replacing your existing BYOD or DER program device for 2016, then the following applies to you.

Selecting a technology device is not simple, and the school's **Device Specification** is particular. Our recommended devices are designed to simplify your choices and purchasing processes.

Sydney Boys High School has again partnered with ASI Solutions to make our recommended devices available:

Microsoft Surface Pro 4

- 12.3" Touch Screen
- 6th Generation Intel Core Processor – Core m3 and Core i5 options available
- 4GB RAM, 64GB/128GB Solid State Disk
- Surface Pro 4 Type Cover
- 3 Year Warranty

The Microsoft Surface Pro is the best convertible multi-touch device available on the market. The device has an excellent quality screen and is supplied with the Surface Pro 'Type Cover'. The Surface is an exceptionally versatile device for use with our BYOD program.

Microsoft Surface 3

- 10.8" Touch Screen
- Latest generation Intel processor
- 4GB RAM, 64GB/128GB Solid State Disk
- Surface Pro 4 Type Cover
- 3 Year Warranty

The Microsoft Surface 3 is the Surface Pro's smaller, cheaper sibling. The device is well-suited to less demanding content creation work, but it has all the quality and versatility of the Pro variant.

Lenovo ThinkPad X250

- 12.5" Screen – HD and FHD options available
- 5th Generation Intel Core Processor – Core i3 and Core i5 options available
- 4GB RAM, 128GB Solid State Disk
- 3 Year On-site Warranty

The ThinkPad X250 is a thin and very light device that fits well in a school bag. Battery life is excellent. Looked after, the X250 should readily complete four years of high school service.

Lenovo ThinkPad 11e (Windows)

- 11.6" HD Screen
- 4th Generation Intel Processor
- 4GB RAM, 128GB Solid State Disk
- 3 Year On-site Warranty

The ThinkPad 11e is Lenovo's speciality education product. It features rubber bumpers and a thicker screen surround to help it withstand the bumps inherent with bringing a device to school. It's heavier and a slower device than the other options, but is well positioned for our BYOD program.

Apple MacBook Air 11"

- 11.6" HD Screen
- 5th Generation Intel Core i5 Processor
- 4GB RAM, 128GB or 256GB Solid State Disk
- 3 Year On-site Warranty

MacBooks are a popular and capable choice in the school's BYOD program. The 11" MacBook air is a small screened device that is very thin and light, but has the same power as its larger variants.

Apple MacBook Air 13"

- 13.3" 1440x900 resolution screen
- 5th Generation Intel Core i5 Processor
- 4GB RAM, 128GB or 256GB Solid State Disk
- 3 Year On-site Warranty

The MacBook Air is the most comparable device to (though physically larger than) the Lenovo ThinkPad X250 in specification and price point. It's a good all-round choice if you prefer the Apple platform.

Why Purchase a Recommended Device?

All our recommended devices are configured to meet the device specification comfortably. All feature solid state disks and so have no moving parts. Warranties are a minimum of three years. Devices feature an on-site warranty which means the device can be fixed by a technician at school, ensuring its maximum availability.

Additionally, Accidental Damage Protection insurance is available as an option for your peace of mind.

Recommended devices are available at a discount from their retail pricing through our device purchasing portal.

How to Purchase a Recommended Device

Visit the Sydney Boys High School BYOD Purchasing Portal at:

<http://sbhs.co/bbuy>

You need the following code to register for the Purchasing Portal:

sbhs@16

Note the code is CASE-SENSITIVE. Devices ordered through the Purchasing Portal will take **three to four weeks** to become available. You can opt to pick up your order from the ASI Solutions office in Botany (open through the January holidays) or from the school's BYOD Technical Support office (Room 703) during school term.

Other Device Options

If you're looking at other devices, take care to ensure your chosen device meets the Device Specification. Ensuring it meets the requirements for Wireless Network connectivity can be difficult when buying in store.

Find Out More

All information is now available on the Bring Your Own Device website – <http://www.sydneyboyshigh.com/byod>.

If you have questions which have not been addressed in any documentation, or you wish to make comment, please email the project team at: byod.feedback@sbhs.nsw.edu.au

Please check with the canteen before you order.		
2016 PRICE LIST							
8.30 to 9.00 am *Breakfast is available * Time to place lunch orders							
ALL CANTEEN PROFITS ARE RETURNED TO THE SCHOOL FOR THE BENEFIT OF THE BOYS' EDUCATION AND DEVELOPMENT							

Dear Parent/Guardian,

Each year, NSW Ministry of Health offers the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the School Vaccination Program.

In 2016 the following vaccines will be offered free:

- **Year 7 Students**

- Varicella (chicken pox) vaccine for those who have not previously received chicken pox vaccine or had chicken pox disease- one dose only needed.
- Human Papillomavirus (HPV) vaccine - 3 doses over 3 visits needed.
- Diphtheria, Tetanus and Whooping cough vaccine. This is a routine adolescent booster for all Students - one dose only needed.

All 3 vaccines offered are now on the one consent card. You will need to ensure you sign consent for each vaccine you request in the appropriate box provided, or the nurses will not be able to complete the vaccination for your child.

Please note that for parents/guardians must record their Medicare Number (all 10 digits and the 11th number beside the child's name) on the consent form.

Parent Information Kits / Consent cards will be sent home to parents/guardians. To consent to the vaccination of child, you are advised to read all the information provided, complete the consent form in blue or black pen ensuring all areas are filled out and return it to your child's school.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal. The procedure for withdrawal of consent can be obtained from the school and is also available on the NSW Health website at http://www.health.nsw.gov.au/immunisation/Pages/withdraw_consent.aspx

A record of vaccination will be given to your child to take home for each dose of vaccine they are given. Please keep these records in a safe place as your child will need them as a record of vaccination for future employment, travel and work experience. It is also recommended that you inform your local doctor that the vaccines have been given so they can update their patient records.

Some translated material for parent/guardians is available on the NSW Health website at http://www.health.nsw.gov.au/immunisation/Pages/school_vaccination_language.aspx you may wish to distribute or guide parents/guardians to this information but only the English version can be filled out and used.

To improve vaccine course completion, students will be offered any missed doses throughout the year at any of the scheduled clinics at school.

Please note that free vaccination is only offered to the above year groups. Vaccination outside these year groups will not be offered at school and will not be free at the GP.

Yours sincerely,
School Immunisation Team

BREAK THE ICE

We invite parents, teachers, coaches and managers of sporting teams, employers and community leaders to come together to learn more about the ICE epidemic that is affecting families around our community.

FREE COMMUNITY INFORMATION SESSION 'ICE'

CRYSTAL METHAMPHETAMINE
