

From the Principal High Talent

Congratulations to Nathan Wang (7R) and William Lee (9R), breaststroke and Jake Rowlands (11R) individual medley, who qualified to compete at All Schools this week – a great achievement boys! In their final swim for High, the 4 x 50 relay team of Kalem, Christian, Luke and Andrew, set a time of 1.42.41 to beat the other two GPS representatives at the CIS Swimming Carnival, finishing a close 4th to the CAS schools. They have claimed the record for the fastest relay swim ever by High boys! Great job! Well done to Esmond Ye (12M) and Arthur Chao (12R) who have made it as one of the top 5 teams in Australia in the AusCase competition.

Staff Changes

As a result of a merit selection process Mr Michael Cinquetti, a teacher at SGHS, has been appointed as Head Teacher of English at High. He takes up his appointment on day 1 term 3. Mr Geoff Stein, Head Teacher PDHPE, is taking on the administrative and supervision functions of the LOTE faculty. Mr George Barris is the executive member in charge of the Practicum Program / UNSW partnership.

Vaccinations

Our HPV dose 1 coverage in term 1, 2016, was only 90.6% of students. To be most effective for everyone, the vaccination rate needs to be as close to 100% as possible. Many schools are in the 95-100% range. In the interests of public health and personal security from infection by preventable disease, parents are asked to enrol their sons in the full program of vaccinations as and when offered by the school.

Carpark Safety and Protocols

Parents are requested again to drop off their sons between gate 1 and gate 2 rather than driving up to where the buses are parked and then doing a three-point turn before driving out again. Also, parents waiting for their sons should not occupy staff car spaces, nor block entry to these. Staff

members have priority and need to be able to park and get to class on time.

Weights Room Memberships Now Available Until 27 May

The Weights Room operates much more effectively if all boys get their training in how to use the various pieces of equipment and in proper lifting technique as soon as possible. Kurt Rich provides this service at the beginning of each year and can tailor individual programs for members after the introductory sessions. Having a fixed clientele makes his job more productive and leads to a better training experience for members. Hence, we decided to close off memberships by the end of February each year. Boys who had not paid by that time could no longer attend the weights room.

As a transition measure **for 2016 only**, we are offering boys a second chance to join the weights room for the rest of the year at a cost of \$200. Memberships will not be available after Friday 27 May for the rest of the year. It is not our intention in 2017 to have two periods of time for boys to pay for their memberships. Boys should be organised this year to join up by the end of February 2017.

Student Awards Scheme - NAPLAN Results

Boys in Years 7 and 9 sit the NAPLAN tests this month. We want to incentivise performance in NAPLAN. We will be offering up to a maximum of 20 Award Scheme points for the four tests – 5 points each. Boys maintaining their expected growth trajectory will receive three points and those exceeding it, five. The idea is for all boys to try their best in each test to prove to themselves that they are progressing well at school, from Year 5 to Year 7 or from Year 7 to Year 9. Often, boys don't treat the tests as seriously as they might – rushing through just to finish early or working carelessly because the results don't count on their reports. We want to give them an extra reason to try hard, to use all the available time and to check their answers for careless errors or mistakes of logic or judgement. In short, we want to nurture the process of performing to your best ability under pressure.

Solar Energy Project

Since October 2009, High has had 35 solar panels generating electricity which is automatically consumed by the school and is not separately metered. The tracking technology on our school site indicates that

since installation, the 6.3kw capacity system has generated 41.2 megawatts of electricity with a calculated CO₂ saving of 36.3 tonnes. Regrettably, this output represents only 1/72 of our electricity consumption in the last 6 years. Our electricity bill exceeds \$100k pa. Our technology is superseded and the new generation of photovoltaic panels are much more efficient. To make a substantial difference to our costs we would need to put in a lot of panels. One quotation indicates we could install 300 panels on the north facing roofs of A block and the Great Hall. Our energy production could then exceed 54kw. For Stage 2 a more modest proposal is to install sufficient panels to generate 10kw of power and a second inverter. Whereas the initial system cost \$65k including a solar grant of \$50k., this system can be installed for c\$28k (approximately twice the generation for less than half of the cost). Not all investments are purely driven by economics. We are doing two things – modelling sustainability to our students and doing something locally to address a global climate change issue. Our fundraising target is \$20k. The remainder will come from school funds. If you are interested in making a tax deductible donation to this project, donate to the SHS Building Fund. Include a notation 'solar project' to distinguish the gift from those preferred for the Governors Centre Project. For more information about the project contact me on 9662 9320 or principal@sbhs.nsw.edu.au

Invoices for Summer Activities Co-payments

Families have had invoices posted for term 1 activities. Despite these charges, most activities are also heavily subsidised from school funds, particularly in direct grants from school funds (general service contributions), provision of MICs, teacher supervision, WHS compliance costs and first aid costs (co-curricular supervision levy) and parking allocation support. Co-payments are used primarily for the provision of coaching. In basketball alone, a team of over 50 people delivers the program! We have staff, students, Old Boys, parents and volunteers working to make your son's school experiences more enjoyable. It would be appreciated if you could make your co-payments promptly. Thank you.

Meet the Prefect Intern

My name is Marcus Plataniotis and I'm one of your 2016 Prefects. I love my football, the company of my friends, reading/writing and pumping a feel good tune. I was lucky enough to be accepted into Sydney Boys as a Year 9 student and within that time I have collected experiences and lessons

that I undoubtedly will carry with me forever. The real challenge that I faced when arriving at High was finding my purpose and position as a Sydney Boys High student. Coming into a healthy yet viciously competitive environment I struggled to find a benchmark, something

to strive for, whether it was being in an unfamiliar environment or having a fear of failure, I was constantly in limbo with indecisiveness. Around me I saw boys who were excelling and prospering and I started to think "what on earth do I have to do to get there?" and there was my issue. I placed unrealistic pressures on myself and developed out of character tendencies because I was trying to be what I wasn't. It took me a while but with the assistance of a top bunch of lads and participation in activities and subjects that I truly loved and enjoyed, I started to realise how lucky and fortunate I was to be a student at Sydney Boys High. I wasn't dux of my year and wasn't breaking any school records, but I was happy and privileged to attend High. Becoming a Prefect is perhaps my proudest moment. To merely say that I was a student of High was a phenomenal achievement for me, but to have the honour of leading the school would have been unimaginable if you were to tell that to my Year 9 self. But forget the title, being a senior student of the school places me in a position where I can help and guide individuals who perhaps are struggling to find their feet or just need a chat. So please (and I'm not saying this for the sake of it), pull me aside in the playground or approach me whenever you wish because I am more than willing to help and offer my advice anytime.

Sydney High Opens Rugby Camp 2016

During the break, the Sydney High Opens Rugby #squad spent 2 nights at the Outterside Centre for the inaugural 2016 Rugby Camp. Bunking together as a squadron proved to be an exciting and fulfilling experience; sleeping, eating, training, travelling and running as a single unit. Special thanks to the parent volunteers of the camp whose efforts were immensely appreciated and also to the Rugby Committee who subsidised the camp, both of whom made the camp possible. Although bonding through our intense conditioning side by side, our best memories were forged during the camps 'unique' activities.

After an unforgiving session at Cronulla's sand dunes, the boys hard earned break came in the form of an 'Amazing Race'. Abbotsford residents at the time could potentially witness teams lugging a bed frame through the streets, or participating in a gruelling eating competition in the middle of a several kilometres run. The task tested our teamwork skills, decision making under pressure and fitness above all else.

The "1st XV's Got Talent" competition gave an opportunity for small groups to showcase their limited skillsets in the arts of entertainment, providing a marvellous spectacle for our second night at camp. Acts included Daniel

Zhang's dramatic reading of EL James' 2011 novel, and Ethan May's 'Dab' Workshop, however it was David Kim's magic act that stole the show.

In all seriousness, the camp was a welcome addition to the program amongst the squad. Although fun at many times, the team developed a new set of values encapsulated by our undying work ethic and a newfound sense of togetherness amongst the boys. The unlikely bonds forged, along with a newfound confidence in our abilities developed throughout the camp has made this a pivotal part of High Rugby this season.

RIFLE SHOOTING

ANZAC Day Open Prize Meet

On ANZAC Day, the Sydney High School Rifle Club went out to Malabar to compete in the ANZAC Day Open Prize Meet. The team consisted of Ciaran Farrell (12M), John Huang (12R), Julian Tu (12E), James Jiang (11F), Wentao Ruan (11F), Nathan Wong (11S), Daniel Tian (11R) and Frank Zhou (9F). The conditions seemed to be nice, the sun was out and a surreptitious wind lulled us into a false sense of security as we looked forward to getting practice in for our matches at Cessnock and GPS. We had a shaky start with some of our shooters due to the strange and unpredictable wind changes throughout the shoots. Despite this, we saw it as a learning experience that we could use to gain an advantage if similar conditions ever arose at GPS.

Even in the face of these wind changes, our shooters didn't take long to adjust to the conditions, with John's 55.3 winning him 8th place in A Grade, a 53.3 from Nathan, and a 53.1 from James. Julian won 1st place in C Grade with a 51, with Ciaran winning 2nd place, having lost on countback. Frank ranked 3rd with a 50.1; a great performance by Year 9 student. Most students improved on results from their first shoot, showing our team's adaptability in even the strangest of conditions. The day ended with James having an aggregate of 101.3 and winning 3rd Place in B Grade, only 6 centres behind the leader, and having the highest score from our school. John finished with an aggregate of 100.06 but unfortunately his first score disadvantaged him greatly. Nathan finished with an aggregate of 97.5, with Ciaran winning 2nd place with a 97.1 in C Grade, just 3 centres behind 1st place. Julian won 4th place in C Grade with an aggregate of 95. All of our shooters shot exceptionally well given the circumstances; for the first full-bore competition in the year it's looking to be a promising season, especially if we keep putting in the hard yards at training.

NEXT MEETING – ALL WELCOME!

Monday 9 May 2016
Staff Common Room 6:30 – 8.30pm

The next P&C Meeting will be addressing a number of issues of interest, including the School's site development plan, and parents' and carers' priorities for maintenance and development.

It will also include:

Digital Nutrition: navigating 'screenagers' towards healthy tech-habits

Presented by guest speaker Jocelyn Brewer – Registered Psychologist

Technology is here to stay and is an integral part of 21st Century learning. How can we support young people to develop healthy online habits that maximise the benefits of digital devices and avoid traps of problematic internet use? Jocelyn Brewer is a psychologist and teacher who has been studying teens and tech for over 8 years. She'll provide practical strategies for parenting in the digital age and answer questions you might have about video games, social media and digital cultures.

Please note – this meeting will be longer than usual and will end by 8.30pm.

MIC of Football Report

Welcome back to term 2. We played a trial match against our fierce competitors, Sydney Grammar. The score lines may suggest a tough day at the office, but in years gone past we have actually reduced our average deficit for the week. I am very pleased with our 1st and 2nd XI results coming away with a scoreless draw. Our 1st XI was missing six of our front line players. This provides us a lot of confidence knowing we have a lot of depth in our program.

1st XI out on their feet with a 0-0 draw against SGS

The same goes for the U16s. Many of the top players are in the opens age group with many other players coming back from injury. This is a positive result to come away with evenly matched scores.

Two of the main things we focus on with all teams and players are discipline and communication. We are receiving mixed results with these two points for the U15s age group. It's important we respect our team and school values and do our utmost to be on time (1 hour

before kick-off) in making sure our coach can properly prepare his team.

Kore Wilson about to win the ball against SGS

As you will see the U14s are in a better position than 2015s age group. They are working hard at their fitness and ball skills and I strongly believe we will be competitive against Grammar come GPS season.

The 13s are still learning the basics of the game. We are quite a few years behind the other schools in regards to ball work, fitness and team work. As with the U14s if they continue to do the right things they will see huge improvements.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.

Team of the Week 1st XV

Coming into our first trial game, we were eager to face up against the Sydney Grammar 1st XV at their home ground, Weigall. The task at hand would test our physical fitness, technical proficiency, and above all, our team's collective resilience.

Immediately after kick-off we forced ourselves to match the high intensity and tempo of the Sydney Grammar

side, putting up the rigid defence that we had been training towards. However, an unfortunate turnover resulted in us conceding the first match points.

On the back foot, Eli Hall pulled off a remarkable kick to shift moment, gaining valuable field position through a well-placed kick. After a confident ball carry by our youngest squad member, Archie Fox, we worked slowly towards our first points, confirmed by Elliot Love's remarkable finish in the corner.

Moving into the second half, the team struggled to bring the intensity back up again, allowing an early try against us. Although we managed to piece together phases of proficient play, we were unable to recover from the increasing score line, resulting in a disappointing loss.

As a Sydney High team, we remain determined to improve upon our performance. Saturday's game showcased several of our weaknesses, which we work towards eliminating in the future. With one more game left until the regular season, we remain hopeful that through our 'never say die' attitude, our next meeting with Sydney Grammar will be much more favourable.

CHS Rowing Championships at Taree 2016

On Friday 29 April, 35 rowers from Y8, Y9 & Y10 departed Sydney Boys High at 3:15pm to compete in the CHS Championships. It was a fantastic trip and great way to cap off the rowing season. Over the three days the boys competed against some of the best rowers in the state to win the award for the best performing boys school in the state.

The boys behaviour was exemplary and their humour (eg David Oh Y8 - rating each meal MasterChef style) kept each other, the coaches, MIC and Motel staff entertained from start to finish. Their discipline, performance, bonds between the crews and the squad as a whole prove that there is promise for High Rowing in the near future!

Big thanks for all the rowing coaches who trained the boys all season and the coaches who came to Taree – Marguerite, Alan and Steve.

Thank you to the parents who came to Taree to support.

Thank you to the Caravilla Motel staff who provided us with accommodation, great food and even provided us with showers to use post competition on the last day after we had checked out. This was very much appreciated as the rain and mud could be washed off before the 5.5 hour bus trip home.

CHS Selection Trials

This year, the Cross Country event will involve a vastly smaller number of students and staff; **the whole of Year 7**, new students to the school, **20 students** from **each** competing age group and 7 staff members. The carnival will be held at Centennial Park, McKay Oval & fields.

Students selection will be based on the top 10 places from the previous year's cross country event and a further 10 competitive students who would like to register and compete in this year's event.

Students interested in trialling for the CHS Cross Country representative team are to see Ms Dam in the IA Department.

Parents:	Your son will be dismissed earlier than usual on <i>Monday, 9th May 2016</i>			
Program:	1.00 pm	17 & 18 years	6 km	3 Loops
	1.20 pm	16 years	4 km	2 Loops
	1.40 pm	15 years	4 km	2 Loops
	2.00 pm	14 years	4 km	2 Loops
	2.20 pm	13 years	2 km	1 Loops
	2.35 pm	12 years	2 km	1 Loops

Directions:	<ul style="list-style-type: none"> • Students are to attend regular classes for periods 1 & 2 (recess). Students leave for Centennial Park at the start of Period 3 for the Cross Country CHS Trials. • On the day of the carnival, Year 7 students are to wear either PE gear or sportswear for the day. • Students are to cross the road at lights only. • Runners should eat their lunch at the recess break, so as not to get sick while competing in the race. • New students will have a pre-race course walk to familiarise themselves with the course. • Stay in supervised viewing area and watch the other years until your race is called. • When your race is called go to the starting area. • At the finish you will be given a place ticket. • If you are in the first 15 places you go to the first 15 table to have your position recorded, and then proceed to your House Roll Table. • All runners to proceed with finish ticket to your House Roll Table to have your attendance marked. • Tell the teacher your name, roll class and finishing position. • After the race you will be dismissed by a teacher.
-------------	--

Rules:	<ul style="list-style-type: none"> • Everyone attends and must compete <u>unless you have a doctor's medical certificate for illness.</u> • Students with a Medical certificate must hand it in to Ms Dam by 9am on Friday morning. • You must run in shoes. • Stay on the course and follow directions from course marshals. • Spectators must stay within the viewing area and are not permitted on the course. • Winning house determined by the lowest total of the first ten runners to finish. • To qualify for the Award scheme you must compete & finish. • Top ten runners will comprise the provisional school team to compete at the zone. • Only the first 15 places will be timed. • Cross Country Champions will be selected from this event. • Any MIC ruling is final.
Additional Info:	<p>The School Cross Country is the first qualifying event within the CHS Competition.</p> <p>The first 10 runners for each age division will make up the school team for the Eastern Suburbs Zone Carnival. The first 10 runners at the Zone Carnival will compete at the Sydney East Regional Carnival and the first 10 runners from Regional Carnival go on to the NSW All Schools Carnival.</p>

Blue track used for all age groups.
