

From the Principal High Talent

Congratulations to Kieran Shivakumaarun (11E) on his award of a medal in the International Competitions and Assessments

for Schools (ICAS) - Science. Students with the top score in each subject in each year level are awarded a medal

and a medal winner's certificate. Well done indeed. A great CHS tournament from our open tennis team. The boys competed for two days and only dropped one set to Endeavour Sports High, winning 4-1 in the semi-final. The team of Stephen Young (11R), Matthew O'Sullivan (10S) André Putilin (9S) and Samuel Yu (9T) qualified for the state final for NSW government schools competing for the Stan Jones Cup. Unfortunately, the boys went down 1-5 against Chatswood High to claim the silver medal at CHS - an impressive display from our young team. The CHS Convener invited the team to play at All-Schools. Last week at the CHS Cross Country Carnival Jayden and Luke Schofield claimed 1-2 placing in the 17 years Division to qualify for the national cross country competition. Eric Holstrom finished second in the 16 years' age group. An outstanding set of results for our Cross Country program!

Great news for the fencing program! After a ten-year drought, the 13As finally won gold last Saturday against arch rivals SGS in the U13 Foil competition. Great work by Lachlan Ho (8T), Ben Bao (8F) and Matthew Bui (8E) saw them breakthrough for a win. Our sabre teams continue to sweep all before them in local competitions. Well done boys!

Enrolments for Years 8-12 2017

Enrolment applications have been assessed by a team of teachers and a check score added to the top ranking candidates. A 'best fit' addition of three of the closest four scores is calculated and the group re-ranked. An interview list is generated comprising the top rated applicants. The number of interviews depends upon how many places are vacant and on how many should be on the Reserve

List. We normally operate with a Reserve List of five places. Interviews are being held each afternoon for short-listed applicants. A round of offers will be made next week. No offers are made for students entering Years 10 and 12. Thank you to Maria Glenn, Lynne Williams and the SASS staff for their rapid and accurate processing of applications, recording of data, arranging of interviews and responding to enquiries. Thank you to the High team of Teacher Assessors who read, assessed and scored the 214 applications so efficiently.

UNSW Research Project – Parent Participants Needed

High has a partnership with UNSW for professional learning. We have access to research resources at the University. One such resource is Dr Jennifer Jolly who is working closely with us in professional development, practicums and mentoring for early career teachers. Dr Jolly is interested in researching what influence parental beliefs have on the learning motivation and academic self-concept of gifted students. We need parent participants to find out more, using an anonymous survey. Their sons will complete a parallel questionnaire as comparison participants. We think we might find out more about how students are socialised and how they feel about their learning. Please be a part of this research. Contact unswqerric@gmail.com for more information about the research or to register as a participant.

Winter Sport Co-payments

All winter sports depend on prompt payment of invoiced co-payments to pay coaches. Parents are reminded that all programs have to meet their budgetary obligations and cannot do so without maximum support from everyone. Our sports are delivered at a fraction of their actual cost, being subsidised by parking revenues and ASF donations, along with the structural support and supervision provided by the school with assistance from the co-curricular support levy.

We are about to move from winter sport to our athletics season lasting four weeks. For most boys, summer sports training will commence with the athletes training separately. Please settle up your son's winter sports co-payment now.

Year 12 Letter to Parents

All Year 12 parents should have received a copy of a letter from me, posted last week. The letter sets out the important events and dates marking the end of secondary schooling for Year 12 students. Information about reports, references, scholarships and the farewell assembly is included. Our zero tolerance policy on disruptive or offensive behaviour during the final weeks of school is also explained. There is also information about scholarships. If you are a Year 12 parent and you haven't received this letter, please contact the School Office.

Dr K A Jaggar
Principal

McDonald Senior Library

What's News in The Library

At the beginning of Term 3 our Oliver library became two library branches composed of Junior Library branch and

the Senior Library branch. This means that all resources in the libraries will show which branch they belong to. Both libraries will have their own Homepage which will appear as

Senior or Junior library branch homepage. Although some information is the same, each homepage will also show Senior or Junior library appropriate links, resource lists, new resources and information. To search for resources, select ADVANCED search which gives you the option of searching ALL or SENIOR or JUNIOR libraries.

Genres for Fiction

To assist borrowers to select fiction books, the Senior Library has begun the process of allocating Genre labels to each fiction title, hopefully making it easier for our students to find a suitable book to read. The genre labels are a general indication of the subject matter of the story. Students are also able of course to use the Oliver Library Homepage Enquiry screen to search by subject, series, author and title. The genre identification just gives one more tool to help students select books.

Author Event Coming Up

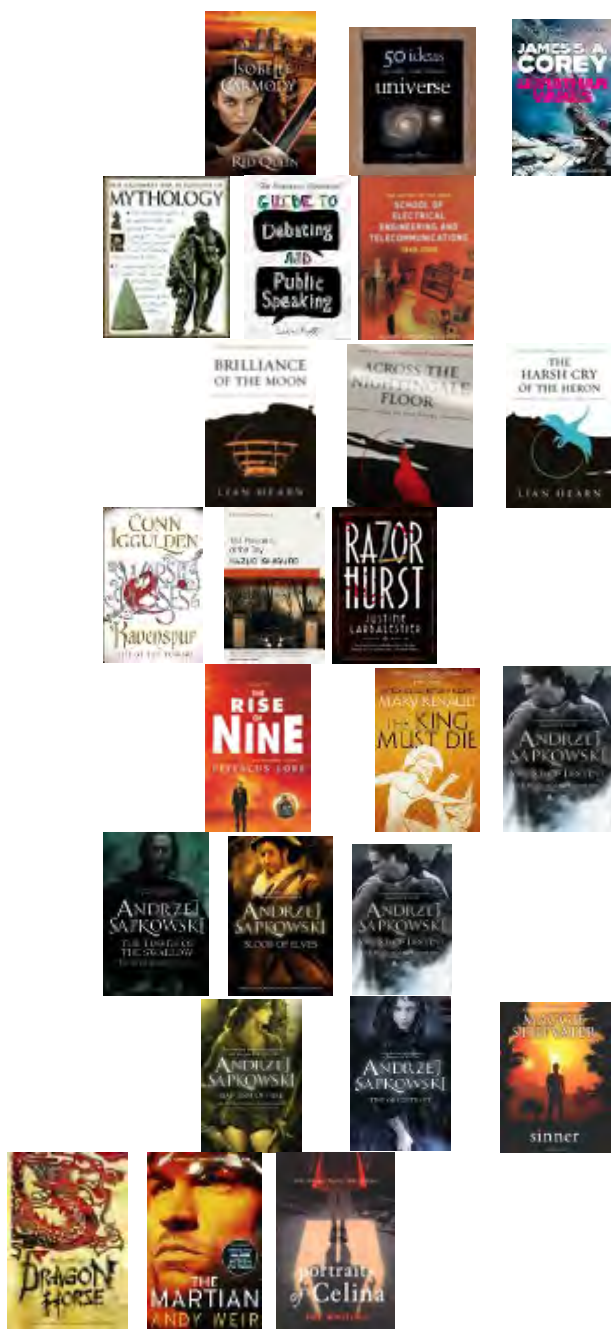

To celebrate Literacy week and as a **school wide literacy initiative**, we are pleased to announce that the Senior Library will be hosting an author visit by **James Roy**, a writer of award winning fiction for young people. James has won The Western Australian Premier's Book Award for *Anonymity Jones* and also the NSW Premier's Literary Award for his collection of linked stories, *Town*. Other titles by James and also available in the library are *City*, *Hunting Elephants* and in non-fiction, *The 'S' Word: A Boy's Guide to Sex, Puberty and Growing Up*. All Year 10 students will be lucky enough to attend this event on Tuesday 30 August in the Senior Library.

James will be discussing his work as a writer as well as giving tips on creative writing, which is especially useful for students when they are about to begin their studies in English in the senior school and approaching their HSC. Our students will benefit from James' vast experience and skill as a writer and as a presenter of workshops on creative writing generally. "Regardless of the topic or the audience, James is well known for a presentation style that is fresh, entertaining, relaxed, inspiring and informative." (Lateral Learning webpage).

New Resources

New books include requested titles by Polish author Andrzej Sapkowski based on the cult videogame *The Witcher*, *The Red Queen*, Book 7 in the Obernewtyn Chronicles by Isobelle Carmody, *The Martian* by Andy Weir which is the book behind the recent exciting film of the same name and a useful title for debaters *Guide to*

Debating and Public Speaking. These and many more fantastic new titles are being added to the Senior Library collection every day and will be gradually added over successive weeks and made available to borrow.

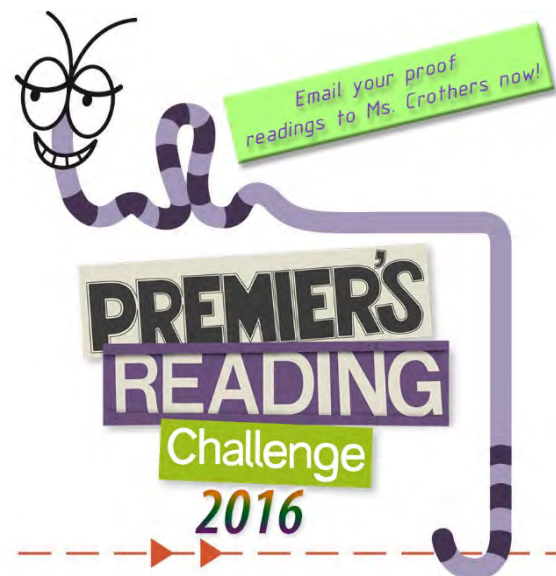

Senior Library Open Tuesdays After School

As requested by the SRC, the Senior Library will be trialling opening Tuesday afternoons this term after school for those students who would like to stay and study. If this service is utilised the library will continue to be available in Term 4 and ongoing.

Ms Gordon

Teacher Librarian

Junior Library

The Premier's Reading Challenge closes next week on **19 August**. Would parents and boys please collude to send me an email with proof of reading. I need to validate your reading.

I need your Oliver reading record – Oliver/Current loans/Loan History copied onto the email or your local library reading record from last September 2015 until August 2016. Parents may also send me a list of the books they have seen their son reading only over the past year. My email address is library@sbhs.nsw.edu.au.

Any boy who is representing our school in this prestigious annual challenge will be given three Award Scheme Points. Participants have to read 20 books – quite a challenge as the books get larger!

Emails from Your Library

Boys can alter their preferred email on their Portal so that we send emails to an address they can check on their phone or their laptop at home. Oliver automatically sends overdue emails when I run them and reserved books emails. Emails are also sent every month to tell you about new books or new eBooks. Please make a habit of checking your email regularly. A Premier's Reading Challenge email was also just sent out.

Two Libraries/Two Branches – Senior Branch/Junior Branch - Hazard

Senior boys now look only at an Oliver Front Page designed specifically for Seniors. The front page was a bit busy with carousels and messages for both libraries on it. However, it is limiting our boys' database to only senior resources or only junior resources if you do not make this permanent change to Oliver so you can access **all the books** that our two libraries possess. Go into

Oliver/Advanced Search/Branches/*choose* School Resources.

New eBooks 2016

Over 1500 Books Now Purchased for You – See Displays On Library Windows

Both Libraries have now made their eBook purchases for 2016. I have just purchased \$2600 worth of books from OverDrive. A few months ago I purchased 900 eBooks from Wheelers. Both Seniors and Juniors can borrow from the same two eBook suppliers - Wheelers and OverDrive – click into your Oliver Front Page to borrow from the bright and beautiful eBook websites. Parents are asked to be aware that your son is now able to read online using his laptop. Every boy now has access to specially selected books for boys 24/7. It is also impossible for these books to become overdue. Boys can see quite large displays of some of your new eBook collection up in both libraries. There is a lot more that we are not showing you.

Research Participants Needed

Dr Jennifer Jolly of UNSW's School of Education is seeking participants for her research study investigating *The Influence of Parental Beliefs on Academically Gifted Students' Learning Motivation and Self-*

Concept. There is a common perception that academically gifted students enjoy numerous school-related advantages compared to other students. There is growing evidence, however, that academically gifted students experience a variety of external pressures that may undermine how they define and evaluate their academic abilities (i.e. self-concept) and produce barriers to learning motivation. The aim of this project is to explore the influence of parental beliefs on academically gifted students' learning motivation and self-concept. Researchers to date have relied on either parent reports or students' reports. Rarely have researchers investigated parents and their children together, leaving a current gap in the knowledge base. In this study, mothers will be asked to fill out questionnaires related to the expectations for her child's success in mathematics, science, English, and sport, and assessment of her child's abilities in these same four content areas. Students will be asked to fill out questionnaires related to their self-concept and interest/enjoyment for mathematics, science, English, and sport in order to make direct comparisons of the parental socialisation process.

If you are interested in participating in the online survey, a link will be emailed to you. The survey is expected to take 20 minutes to complete. For more information or to participate, please email unswgerric@gmail.com

Opal Card Reminder

Please remember to **tap on and off** when travelling with a school opal card.

Chess News

This year we entered six teams in the NSW Junior Chess League Inter-School Competition. Congratulations to all of the boys who participated and conducted themselves so well in representing Sydney Boys High School during Term two.

The following teams have won their divisions and qualify for the Metropolitan East Finals:

Intermediate A

Peter Boylan, Henry Chen, Amerthan Thevathasan, Ryan Kc, Nam Anh Dang

Intermediate B

Gorden Zhuang, Vishesh Sarda, Jagath Narayan, David Zeng Yin

Junior A

Kalaish Stanley, Mridul Pant, Jinghan Wu, Justin Wayne-Lowe, Ryan Lee, Matthew Ye

Rowena Barr

MIC Chess

Weightlifting

Jerry Gek 2nd in Sub Junior 83kg at the National Powerlifting Competition

Last Friday 5 August, Jerry and I travelled to Melbourne to compete in the National Powerlifting Competition on Saturday 6 August 2016. Jerry lifted very well and was finally placed 2nd. He lifted against some very experienced powerlifters and showed that the competition was a great way to gain confidence ahead of his HSC trials. Jerry and I are new to the sport, so there is a lot of progress to be made by both of us. It was a fantastic experience and we came away learning a lot and feeling very proud of the achievements made.

Kurt Rich

Head Strength & Conditioning Coach

Parent Volunteers Needed

Sydney Boys High School Open Day

Thursday 8th of September
9.30am to 12.00pm

Please come and help the **P & C** to welcome prospective parents to the School.

We need volunteer parents to help serve morning tea and chat to visiting parents, answering their questions such as

"How did your son settle in?"

"What sport does your son play?"

"Is your son involved in music?"

It will be an enjoyable morning and all you need to bring is your friendly smile.

Please contact Ms Dora Shapiro
via email md171@optusnet.com.au
if you are able to help.

Thank you

SHOOTIN' HOOPS

198

The AAGPS basketball season is coming up soon for High and we are already seeing signs of readiness and preparation. With seasons starting up again everywhere, the hype has just begun for the wonderful world of basketball.

The 2016 Rio Olympic Games started on Saturday, and Australia hopped right into the action in the Men's basketball competition. Their first opponent was France on Saturday, and started their trip with a triumphant 21-point win over France, which has given everyone high hopes for their upcoming games. Congratulations to Patty Mills, Aron Baynes and Matthew Dellevadova, for a magnificent scoring performance in their first Olympic match this year, scoring 21, 8 and 10 points respectively, and great effort against another NBA superstar, Tony Parker (San Antonio Spurs). Eyes are also on Team USA with a superstar line up of players including Carmelo Anthony of the Knicks and Kevin Durant of the Warriors. They also played on Saturday, against Team China, with centre Zhou Qi playing for them, and got drafted this year to the Houston Rockets. Team USA won with ease with a whopping win of 119-62.

And who could forget the women's team coming off a terrific win against the hosts of the Olympics, Brazil, winning 66-84. Terrific effort by Liz Cambage, beasting and feasting down low resulting in a double-double, dropping 20 points and grabbing 14 rebounds. Other stars include Penny Taylor (captain), who shot 17 points and 60% FG, and Leilani Mitchell racking up 18 points, 6 assists and 3 steals. Outstanding performance by the Aussies overall. We are one of the top-contenders for the competition this year, so bring home the gold Australia!

The SBHS CHS Opens team have now completed their fantastic season in the entire state knockout, and nearly took out the whole state, dropping only one game to the mighty Westfield Sports in a tough game. This was an extremely good effort as the senior year 12 players stepped away from the side to let the team rebuild with this upcoming AAGPS season's players, displaying excellent dedication to High basketball. Well done to them!

The SBHS CHS 15s team is about to begin their exciting knockout this month. Fortunately for them, they will receive byes in the first two rounds as they have been seeded in the top 8 in the state! Well done and good luck to them!

Now jumping back to the NBL, much hype has been afloat as the Sydney Kings have scouted and signed 195cm shooting guard Michael Bryson, out of the University of Santa Barbara. He played for the Phoenix Suns in the recent Vegas NBA Summer League. The Kings are looking for a better result this year following last year's disappointing performance, slumping into last place. SBHS Old Boys Christian Jurlina and Bailey Musulin are currently training with the Sydney Kings. Mr Hayman participated in the league 15 years ago too!

We all look forward to the summer of basketball ahead. Let's go High!

Go HIGH!

Play Hard, Play Smart and Play Together!

Thanks to everyone who make Shootin' Hoops possible

Special Orders					Seasonal Foods			
# If you have specific dietary needs or your favourite sandwich is not on the menu - all you have to do is ask! We may be able to make it for you. Make sure you order before school.					**NB Not all food items are available all the time. For example, home style lunch boxes - pasta, rice, salads, soup etc are all seasonal. Please check with the canteen before you order.			
2016 PRICE LIST
