

From the Principal

Welcome back to Term 4

Our Year 12 start their HSC examinations this week and we all wish them well in the weeks ahead. We welcome Susanna Millett who has been appointed to the Social Sciences Faculty, replacing Graham Moody. Michael Aldous is Acting Head Teacher of Sport for Term 4 2016 and Term 1 2017.

High Talent

Congratulations to our 2016 nominations for possible inclusion in Encore: Harrison Li (11E), Jie Sen Lin (12F), Jason Loh (11E) Jayden Schofield (12M), Luke Schofield (12R) and Andrew Wu (12M).

Solar Project Completed

During the holidays, Solgen installed 84 x Solar Honey Mono 280w modules in 42 panels in seven arrays of six panels along the roof of the senior library in McDonald Wing. A SMA STP 25000TL inverter was also fitted. The 23.52 kW system is valued at \$40k retail but with discounts was installed for the ex-GST outlay of \$25,000. The system is up and generating. Thank you to James Rudd for overseeing and managing the project, including spending many days in the holidays to ensure its completion. If you were thinking about donating to this project, please do so now, before we have to pay the bill! To donate, go to www.sydneyboyshigh.com/donations. When donating, please pay to the SHS

Building Fund but indicate you want the funds to go to the Solar Project. Another \$10,000 is needed to fund the project outright from parent donations.

Urgent! Parent Responses Needed - Tell Them From Me Survey

In order to inform our decision making and to validate our community involvement we seek data from parents each year, indicating how they feel about certain aspects of our school's operation and culture. The *Partners in Learning Parent Survey* will close on Friday

21 October. Information given is confidential and will not be used in any way that identifies a person or the school. Additional information for parents, including parent FAQs, can also be found on the CESE website at: <http://surveys.cese.nsw.gov.au/information-for-parents>. I urge you to participate. Parent voice is very important to us at High. Let your voice be heard! To access the survey go to <https://sbhs.co/pil16>

Application for Extended Leave – Travel

Parents now need to download, complete and submit the form which is located on the parents' portal registration. Parents are again reminded that **four weeks' notice** is required for such applications. Please submit applications to the Principal for **only 5 or more school days**. Leave for shorter periods of time can be managed by notifying your Year Adviser, prior to your son taking the leave for travel purposes. For term 4 applications for extended leave for travel during term time will NOT be accepted after Friday 18 November 2016.

Foundation Day Assembly

THE SYDNEY HIGH SCHOOL
FOUNDATION

This year we had as our special guest speaker, Joseph Waugh PSM (SHS-1987). Joseph is a Senior Policy Officer, Law Reform and Sentencing Council Secretariat. He has spent his professional career in law reform and was honoured for his contribution with a Public Service Medal in 2011. Joseph served as our School Council President (2003-2007) and as President of the OBU (2007-2013). He has been a tireless supporter of High for more than a decade. He spoke to the assembly about why he thought High boys had 'punched above their weight' over many years in public life and achievement. He praised our diversity and camaraderie. My speech to the assembly is reprinted below:

Special guest, Joseph Waugh PSM (SHS 1987), former Principal Bob Outterside AO, School Council Life Governor, Phil Lambert, Old Boy Prefect Richard Glover (SHS-1961), School Captain 2015, Luke Hoad, School Vice-Captain

2015 Niyaz Mostafa, representing the P & C, Elaine Sadler, parents, staff, Prefect 'Interns' and students - Welcome to our annual Foundation Day Assembly. The primary purpose of today's gathering is to celebrate the opening of the School on 1 October 1883. We also honour the student leadership traditions that have developed over 133 years since then. The investiture ceremony for Prefect 'Interns' preserves our past, revives the stories that bind us to it and reaffirms our vision for the future. Modelling cultural values through leadership is an integral aspect of our school culture. Continuity of purpose through rituals of office is important to all institutions.

Today I want to take us back 25 years to momentous world events. In 1991, the Soviet Union dissolved and Boris Yeltsin succeeded Mikhail Gorbachev. The USA and the Soviet Union agreed to reduce the number of nuclear warheads in each country to 7,950. Operation 'Desert Storm' forced Iraq out of Kuwait. Lech Walesa was elected in Poland. The Balkan Wars erupted resulting in horrific 'ethnic cleansing'. In South Africa a referendum established a multicultural constitution. Bob Hawke was rolled by Paul Keating. The Internet was made available for unrestricted use. Boris Becker won the Australian Open after a 5-hour marathon. Freddie Mercury from *Queen* died.

In 1991, in his final Headmaster's Report, Mr Outterside AO wrote that "High provides boundless opportunities for the boys". He commended them on their "corporate spirit" and propensity to participate. I am impressed by the same characteristics of this great school. His context then was one of change. The Education Reform Act of 1990 had come into operation. The Carrick Report and the Scott Review had recommended many changes that were needed to decentralise and improve public education in NSW. He praised the School's "capacity to adjust" to the proposed reforms. He celebrated the expansion of the selective intake to 180 boys with the announcement of two new Houses – Rubie and Torrington – in honour of long-serving Old Boys.

Between us, Bob and I have mentored > 5,800 young men as they have graduated from High. Eight teachers who were teaching with Bob in 1991 at High are still with us. We can have change without difference in some aspects of our institutional life. We have even more opportunities now and participation rates are very high. Back then the big push was to localise education in clusters of schools. Now we are centralising functions but promoting networks of schools.

This morning I want to take up Bob's 1991 themes of 'preserving' and 'adjusting well'. Business Intelligence and the Learning Management and Business Review are impacting on our culture today in as revolutionary a way as did the outcomes flowing from the Acts and Reports of 1990-1. Centralisation of accounting is the biggest change. Next year the School will go from having three bank accounts to having none. Ordering and acquitting accountability will move to an online process. Policy implementation and staff development will be monitored centrally. It is envisaged that timetabling will be included in the student management system. Business Intelligence will expand its online presence and increase data for local decision-making.

Plainly, preserving High's uniqueness, its six-day structure, its after-hours operation, its GPS commitments and its traditions, will be challenging in the short term. It will require stronger partnerships with parents, with Old Boys and with students. We will need to adjust well. We must build mutual trust and work together closely through our P & C Sub-Committees and our Associations – Incorporated and Unincorporated - to preserve our independence and cutting edge approach as the public alternative to private education. We will need to be nimble to remain in an education system but act in many ways as those very few independent public schools in Australia do. We will flourish by preserving and adjusting.

Our related purpose today is to introduce our Prefect Interns. Student leaders are the foundations of our ethos. Over the years School Captains have galvanised action among Old Boys to support school events, reunions, GPS Old Boys events, fundraisers and Committee memberships. They provide helping hands across the years.

Our Prefects have to be great role models and demonstrate high quality leadership at High. Each one of them must pledge to uphold and enhance the traditions of this fine school. Prefect Interns -you will have to maintain a high academic standard in state terms throughout your internship. You need to participate in two GPS sports in your final year starting from now. You will need to earn 100 Student Award Scheme points and qualify for an Award in this current year and in 2017. You will need to demonstrate to all your peers by your dress, demeanour and self-regulation that you believe in the ethos of the school.

There are certain dispositions that will assist you as a student leader. Stay authentic and you will be trusted. Stay true to your values. Keep an open mind about issues and always listen to the opinion of others. Know how to delegate tasks to achieve goals. You need to learn how to work with others. Learn from your mistakes, take responsibility for outcomes and suggest strategies for improvement. Seek knowledge so you can develop your skills. Experience is a great teacher. I congratulate you all on your achievements so far and wish you an enjoyable if demanding Internship.

Dr K A Jaggar
Principal

Meet the Prefect-Intern

I try to be careful not to take for granted what a wonderful education I've been given at Sydney Boys High School. When many people are unfairly denied an education, it's so uplifting to see young, intelligent, passionate boys gain greater knowledge and insight at this school. We've been given so many

opportunities at High, and I think it's important for us to take as many of those as we can.

For this reason, I play football and basketball for the school. I enjoy debating, drama, model UN and philosophy. My interests outside of these include politics, good food and quality television.

I'm honoured to be elected School Captain and I want to use that opportunity to make the school a more accepting and cooperative place. I want boys to be part of an environment where they have the freedom to do their best and to be themselves. We can promote school pride and diversity by celebrating our achievements and being optimistic about our failures. I'm thankful to teachers, parents and past students for their hard work and I can't wait to build on the many ways they've shaped the school for the better.

It's going to be a fantastic year.

Hugh Bartley
School Captain

Congratulations to Sydney Boys High School Student **Ikko Ehode Arimoto (8S)**

Ikko represented NSW in the Boys National Youth Football Championships 2016 in Coffs Harbour. I am pleased to advise that Ikko's team won the Under 13 Boys National Youth Championships. This tournament serves as a primary talent identification opportunity for NSW representative teams and the FFA various National Teams. To play at this level is a chance very few players achieve and an opportunity to test yourself against the best players from across the country all representing their respective States and Territories.

Spirit of Rugby Trophy - Dedication to Peter Goldman (graduated 1951)

Old Boy and lifelong supporter of Sydney Boys High, especially in rugby, Peter Goldman, passed away on Saturday 17 September, 2016, aged 81. Peter was a dedicated and always positive encourager of High Rugby players. He watched his son, David Goldman (1981) and his three grandsons, Alex Koerber (2010), Michael Hamilton (2014) and Daniel Hamilton (2017) play rugby for High. As a doctor, Peter developed a highly valued expertise in sports medicine and would treat High students and many others from his home in Bondi. Peter's legacy lives on through his family who continue to support High in many ways including through his daughter Wendy, who has been an executive on High's Rugby Committee for many years. Peter's grandson, Daniel won the inaugural Spirit of Rugby Trophy this year for his unwavering dedication despite injury.

Our sympathy is with his family at this time.

Cricket Report

For 1st and 2nd XI GPS points ladder please go to:

<http://aagps.nsw.edu.au/summer-sports/cricket/>

Over the term 3 holidays our Cricket Academy squad played 11 matches from schools all over Sydney and one from New Zealand. I would like to thank all the parents for getting their sons to the games. It was extremely beneficial for our players to help develop and prepare them for the up and coming GPS season.

Jaspar McCahon-Boersma ready to bowl against Newington

This Saturday we have a trial match against Kings and Trinity. Our 1st and 2nd XI have a mixture of junior and senior players. They have a huge challenge ahead of them and we wish them best for the season. Good luck to all the boys and remember to play positive cricket and run hard between wickets.

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- They are not to wear thongs to and from their fixtures.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coach if they are unable to attend training or their fixture.

SCHOOL STUDENT TRANSPORT SCHEME (SSTS)

School Student Code of Conduct – Students travelling on buses must: -

- Tap your Opal card when joining and again when exiting the bus. This is particularly important as the data collected from the on bus fare collection system may be used for service planning purposes
- Use school bus specials when provided
- Vacate seats for adults when requested
- Follow the driver's instructions about safety on the bus
- Respect the needs and comfort of other passengers
- Behave appropriately at all times (e.g. no offensive language, no throwing things)
- Protect bus property (e.g. no vandalism)

Students are reminded to: -

- Only use the Opal card for its intended purpose i.e. for travel between home and school during school days (does not include travel to and from Saturday sporting activities)
- Maintain possession of your Opal card at all times

Authorised transport officers are deployed to inspect **Code of Conduct** compliance on school bus services in the Eastern Region. Students who are found to have breached their obligations may lose their travel entitlement and possibly incur an infringement notice.
