

From the Principal High Talent

Rudraksh Ahi (10R) has been short-listed for

his poetry entry in the Lionel Bowen Young Writers competition. He will be representing Sydney Boys High at the award

ceremony on 23 November at UNSW. Good luck with your entry, Rudi! Congratulations to our senior tennis teams for their effort last Saturday against St Ignatius. All grades from 1-6 won against a traditionally strong tennis school. Our first basketball team played well together with five or six players making big contributions to a tough win.

Solar Power Generation

Thanks to the expertise and commitment of our Network Administrator, James Rudd, we now have our monitoring of power generation and consumption up and running for our two arrays of solar panels and two inverters. We have a daily generation capacity of up to 29kW in the most advantageous conditions on a clear hot day. If you are interested in renewables you can see the data on <https://sbhs.co/solarweek>. For any eco warriors out there we can still accept any donations towards funding our renewable footprint through our donations page on our website www.sydneyboyshigh.com/donations

Year 11 Reports

All students in Year 11 should have brought home their reports to discuss with you. It is an important decision point for boys to set up their best ten units to maximise their ATARs. Many

boys do not have tertiary course plans and should complete 'Career Voyage', our free online career guidance survey, on the student portal and

research the 'Careers Website'. Uncertain students and those lacking focus or motivation are advised to seek an appointment with Mr Cipolla, our Careers Adviser, to discuss some big decisions about their future.

Summer Sport Co-payments: Term 4

The rolls for summer sports and activities have now been finalised. In many activities co-payments are levied for the season - in this case Term 4 2016 and Term 1, 2017. Other sports have a policy of fixing co-payments on a term-by-term basis. In either case, invoices have now been posted. For Years 7-10 this means that the summer invoice will be included on individual Clearance Forms. These will need to be cleared prior to boys receiving their reports. The base co-payment for sport for a season is \$152 Term 4 2016, as adjusted for 18% on costs charged by DoE. Higher charges are levied in some expensive sports such as sailing (\$305 per term), rowing (\$535 juniors / \$555 seniors), rifle shooting (\$400 small bore / \$500 full bore), archery (\$184), tennis (\$180), water polo (\$200 juniors / \$250 seniors) and cricket (\$200). It would help the MICs for these sports greatly if families could pay for their sports in the next ten days.

Resource Allocation Model Funding 2017

In 2012, the NSW Government announced its Local Schools, Local Decisions (LSLD) reform for NSW public schools. This reform places students at the centre of school decision making. It gives principals and school communities a greater say over how they use the available resources to best meet the needs of their students. To enable the shift of resources to the school level, a Resource Allocation Model (RAM) has been developed. The RAM provides a simpler, fairer and more transparent distribution of government school funding and changes the way resources are managed in our school system. Our RAM funding allocation for 2017 is: a base allocation for staffing (93.72 FTE) at \$9,336,176; school operational funding \$815,380; staff professional learning \$81,724; beginning teacher support \$16,323; minor maintenance \$25,959; and equity loadings for socio-economic background, Aboriginal background, English language proficiency and low level adjustment for disability - \$117,217. Total school RAM funding for next year is \$10,422,779.

Cars Travelling On School Grounds

Parents and visitors to the school must travel at a safe speed (10km/h) whilst in the school grounds. When

entering from Cleveland Street by Gate 2 they should park rear to the buildings or tennis courts. Parents and visitors should not use the Anzac Parade entrances. Three-point

turns in the bus bay area have posed serious risks to students walking beside the Great Hall and the buses or walking along the path next to the tennis courts and coming down the stairs. The bus bay area is not a drop-off point for students. Parents should drive in gate 1, drop off their sons and drive out gate 2, as per school policy. Please be vigilant in the interests of the safety of our boys!

Dr K A Jaggar
Principal

When I'm not pouring countless hours into the seemingly never-ending list of exams, I enjoy spending my time on some less arduous tasks. This may include highly productive pastimes such as furiously clicking away at a computer or lounging on the couch engrossed in a match of football, but I'm sure you get the general idea.

I am extremely thankful for the opportunity to represent my school as a Prefect. I know that I, and the rest of the Prefect body, wish to lead the school with the spirit and values that we've accumulated over our years at High. Having personally experienced what High has to offer, we can help other students to realise how fortunate they are to be in this school. After all, High is not only a school to groom us for the rest of our lives, but an enriching community which we will always be a part of. I look forward to working alongside the Prefect body of 2017 to lead our school.

Meet the Prefect-Intern

My five years as a High boy have been the most challenging yet rewarding of my life. This school has and continues to provide me with a wide range of opportunities that encompass an invaluable education. From the joyous moments on the basketball court to the excruciating pain felt on the track and rugby field, I'd say that I have experienced much of the High spirit that characterises this school.

Yearly Reports - Clearance Forms – Years 9 & 12

Clearance forms for report collection will be issued during the coming weeks. Please ensure outstanding payments and due book returns are received **before** the clearance form is printed.

Cricket Canteen at Fairland Pavilion

The Cricket Committee will soon be trialling a cricket canteen at the Fairland Pavilion during our home games.

Cricketers, their parents and well-wishers from High as well as the opposition teams are invited to come along and purchase cold drinks, PowerAde, water, lollies and snacks at nominal prices. The generated funds will be directed towards betterment of cricket at High.

When we open, please come along and support the cricket program by making a purchase or two from the cricket canteen at every home game.

High P&C Annual General Meeting Monday 14 November 2016 6.30pm Staff Common Room

The P&C AGM is coming up – all members of the school community are encouraged to attend. Annual reports will be provided by the President and the Treasurer, before all P&C positions are declared vacant.

Elections will then be held for all offices: President, Vice President (2), Treasurer, Secretary, and Committee Members (6). P&C representatives on the following bodies will also be elected or nominated: School Council, Sports Council, High Foundation, Wellbeing Committee, Library Committee. Coordinators for P&C catering and parking will be nominated.

The P&C needs your help – there is lots to do!

If you would like to nominate for one of the above roles, or would like to find out more, please email sbhs.pandc@gmail.com. We would love to hear from you!

The AGM will be followed by a short P&C General Meeting.

P&C Thank You Evening

All members of the High community who have contributed to our school in 2016 are invited to celebrate another successful year – details to follow.

From the Canteen

Did you know that High canteen donates a substantial amount of money to the school each year for valuable educational resources and infrastructure projects?

This is only possible because of fantastic network of volunteers, who assist canteen managers Karen and Tracey each day. In fact, we are one of the few parent-run high school canteens still operating in Sydney.

New parents are always welcome, even if it is only for a few hours. Volunteering is a great way to build new relationships and engage with wider school community. Full training will be provided and language is no barrier.

High Canteen offers a variety of nutritionally balanced hot and cold foods that are reasonably priced. Our range includes hot breakfast, freshly made foccacia, sandwiches, wraps and burgers, homemade pasta, rice boxes as well as commercially sourced pide, sushi and pies. Vegetarian and halal options are available and can also be pre-ordered. Those with allergies or on exclusion diets can be catered for.

We would like to acknowledge the following parent helpers for the last three weeks:

19/9

MON: Susan Mitchell, Grace Cochrane, Thuy Lam
TUE: Sharon Wang, Chuhong Chen, Lynn Chen
WED: Stephanie Fung, Mark Zhu, Emi Matsuoka
THU: Tasio Sclavenitis, Su L Lee, Jian Ping Li
FRI: Carrie Waring, Kath Cook, Ruzeng Rong, Baofeng Liu, Amy Wei

10/10

MON: Binita Ghosh, Lillie Urbina
TUE: Tara Yi, Terry Cao, Jun Wang, Annie Yu
WED: Carrie Waring, Letty Chan, Hong P Nguyen, Theresa Tran
THU: Stella Tsui, Su Ren
FRI: Sabrina Xu, Thajeewa Pingamage, Sam Guo

17/10

MON: Thuy Lam, Ling Cui, Susan Mitchell
TUE: Sharon Wang, Lynn Chen, Anna Goh
WED: Emi Matsuoka, Mark Zhu, Stephanie Fung
THU: Arti Shah, Yali Diao
FRI: Jenny Beer, Lien Tran

We would also like to thank outgoing Year 12 students for their generous farewell present – rice cooker, a wonderful addition.

The canteen committee will be holding its AGM on 18 November 2016 (Details to follow). All are welcome.

From The Junior Library

Improving Reading Literacy

The Junior Library has used Oliver (its new library system) reports to analyse its success with improving reading literacy and the following table is the result at examining *paper based loans* in the Junior School.

Zero loans	1-2 loans	3-4 loans	5-10 loans	11-20 loans	20+ loans		
23	56	33	39	21	6	178	Year 7
88	39	20	17	9	10	183	Year 8
122	48	17	8	6	5	206	Year 9
233	143	70	64	36	21	567	
							Total Juniors
41%	25%	12%	11%	6%	4%		

English has supported reading literacy for the last 15 years. Every junior boy is encouraged to find and read our library books by being brought to the library once every 3 weeks for a full period of reading during English lessons.

While the zero loans figure looks to be a matter of concern it is quite possible at present that these boys are reading e books which were newly introduced last year. E book loans have taken off at a great rate with the Juniors and e books are now responsible for 1/3 of our total library loans. E book loans can be part of our Oliver statistics but I am making a choice at present of encouraging the boys to borrow an e book via the OverDrive and Wheeler's websites as these are more attractive than looking for e books on Oliver. Separate statistics from the two websites have told us the number of borrowers of e books - 1571 - but not the names of the boys borrowing.

The message I can take from the paper based loan figures is that well over 60% of our boys are borrowing our Junior Library books. Of these boys who are borrowing 33% are borrowing quite well – more than three books so far this year and the year has not ended. *The purpose of this analysis was not just to look at Junior Library loans but also to look at the reading habits and behaviour of our selective students. So we looked at how many books each boy was borrowing not just at total loans.*

Junior Library Loans Over a One Year Period

For *The Record* the library examines several sets of statistics as *The Record* serves as an historical document recording change in our libraries. So, for one thing, each year we have reported on our loans. For people who do not read *The Record* I thought I would tell parents and other High Notes readers about our Junior Library's loan record over the past full year.

FICTION – 2687 loans
NON FICTION – 188 loans
E BOOKS – 1571 loans
MAGAZINES – 41 loans
TEXTBOOKS – 824 loans

Altogether there were 5311 loans in the Junior Library. There are 567 borrowers in the Junior School. Senior and Juniors are encouraged to borrow from both libraries but this is an extremely rare occurrence.

Junior Library Space Proves Its Usefulness

The Junior Library staff keep full /empty statistics for each of the three class size areas in the Junior Library - the Computer Class Area, The Quiet Study Area and the Class Teaching Area. This year the Junior Library was

"in use" for 88% of class time. A countback of library bookings showed that the Junior Library provided 423 hours of class teaching time over a one-year period. Both the Computer Class Area and the Class Teaching Area had 37% usage each.

Websites Can Be Found On Oliver

Before we got Oliver – our web based library system – our librarians regularly put websites vetted by teachers onto OASIS and need to do this again. Three useful websites we will put on immediately are: <https://www.grammarly.com>; <http://childrenlibrary.org> and <http://vietnam-war.commemoration.gov.au>

Grammarly is a free site that boys can submit any homework or assignments to and it will check their grammar and spelling and explain grammatical errors. This site is up on Oliver Front Page (Junior Library Branch) if you forget.

The International Children's Digital Library e-publishes significant historical and contemporary childrens' books from various cultural and language groups. Children around the world can access books in their first language, which helps them acknowledge their family heritage.

Australia and the Vietnam War offers a comprehensive range of information and resources related to Australia's role in the Vietnam War. Aspects of the conflict covered include combat personnel, defoliation, conscription, public opinion and the aftermath of the war.

Our library is engaged this very minute in adding catalogued websites vetted by other teachers into the Sydney Boys High Oliver library catalogue. Don't forget you can search the Library's Oliver catalogue at home or school for more suitable teacher and student vetted websites to assist you with assignments.

First Grade Tennis Report

Saturday 22 October saw the First Grade High team travel to Riverview to play against Saint Ignatius College for the first match of the trial season. We were immediately met with poor tennis conditions. The courts were wet and the weather was threatening with persistent showers, which did not allow the courts time to dry. The weather cleared enough to eventually allow the match to get underway. After an hour wait Riverview made an unexpected withdrawal from their side, pulling their 4th player out of the fixture due to a sudden "bicep injury".

This left Samuel no opportunity to play and left me with only a singles match to play. Due to the situation, we had to play the matches out of order. Andre and Stevie played their singles first with Antonio and Wanyu playing their doubles at the same time. The day didn't start perfectly for us as Andre was surprised by going down in the first set and Stevie wasn't having a very easy time with his crafty opponent. Despite this, we managed to win all first three matches. I won my singles, struggling to break my opponent's serve throughout the match. We had a second three-set match as Wanyu played in the 6th position, though Wanyu proved his superiority by hitting penetrating forehands and serves despite numerous unforced errors. Antonio outclassed his opponent with ease, showing his understanding of the game. Stevie and Andre were halfway through their match before time was up after winning the first set comfortably. We finished the day at a convincing 11.5-0.5 victory showing signs of a great season to come if we continue on the way we are going.

Matthew O'Sullivan (10S)

Second Grade Tennis Report

The boys did a fantastic job today building on experience from the Trinity friendly and two weeks of intense training. The team was able to win all their doubles matches, with Cyrus Dadgostar and Khobi Deep winning in three sets, while Danny Yu and Aaron Tang, and Kinzey Rahardja and myself won in two. The singles were similarly successful, with Khobi, Cyrus and Danny absolutely dominating their matches. Khobi, in particular, stepped up his game, playing in the much revered and dreaded number one position. I had a tougher game, going to a tiebreaker in the first set and having to comeback from 0-3 to win in the second. Unfortunately, Kinzey and Aaron were unable to best their opponents. All in all, it was an excellent start to the trial season, and I'm looking forward to the seconds team dominating, and potentially winning the tournament after successive years of close chances.

Final trial game of the season before we commence against Grammar. Our 1st XI put up a strong game and bounced back well from their defeat last week. This will undoubtedly provide plenty of confidence leading into the season opening.

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- They are not to wear thongs to and from their fixtures.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coach if they are unable to attend training or their fixture.
