

From the Principal High Talent

Our 15 years' basketball team won the CHS

Knockout Competition at Terrigal last week. Carl-Joshua Gunther (9T) was named tournament MVP. Congratulations to Carl-Joshua and to Alexander Bassil (9T), Noah Casaclang (9T), Campbell Green (9S),

Steven Li (10T), Julian Markworth-Scott (9E), Varun Narayanan (9F), Carter Opperman (10T), Brendan Purdon (9R) and Kobe Shannon (10T), who all played so well together to bring home the trophy. Congratulations also to Justin Lin (12M) for his 2016 Ministers Award for Excellence in Student Achievement – highly Commended in Chinese.

Year 11 Reports

Too many students have not yet discussed their progress with me. *Clearance Forms* have been issued to all boys and they should be meeting their commitments. The boys are deciding on their courses for the HSC and it is imperative that I speak to them all before Thursday 24 November. Please ask your son for his report and his plans for courses for 2017. Boys need to start focussing on the important months of HSC learning ahead! As from 24 November, strong negative consequences will have to be applied to force boys to comply with school policy. They will be considered not to have commenced Year 12 if they have not met their commitments for Year 11.

Personal Security

To protect personal valuables, the school has taken the following measures. First, it has provided lockers for all boys who require them at a nominal charge. Second, it made laptop lockers available for a nominal charge. Third, in PE classes and at sporting events a 'valuables bag' is held by teachers and students are encouraged to lodge with them any wallets, phones, keys and other important items that students may have

in their possession. Finally, the school has some active CCTV cameras recording movements in high risk areas. It is important that parents reinforce with students the need to be responsible with valuables. Any cash brought to school for school purposes should be taken immediately to the main office for processing or safekeeping. Despite the best efforts of the staff and students, too much theft has occurred at High this year. The school response to this troubling outbreak is to reinforce our existing measures and to add supervision in areas where bags are left unattended. Teachers are being asked to be especially vigilant on playground duty and around the Great Hall during examinations when unattended bags are seen. Regrettably, it also means that our renewal and extension plans for CCTV will need to be fast tracked and will be funded as an item in the 2017 budget allocation.

Traffic Movement on School Grounds

Staff members have complained that car spaces in the Cleveland Street car parking area are unavailable in the mornings due to parents occupying the spaces waiting in their cars or parents blocking access to spaces. School policy is that parents are asked to enter Cleveland St. via gate one and drop off boys at the end of the tennis courts and then proceed out through gate two. Cars driving through the car park and doing three-point turns near the bus bay and driving out again cause congestion and can prove hazardous to pedestrian traffic through the area. The safety of our students is paramount. Parents are asked to try to stay out of the car park area around the gym.

Scholarship Applications

There are only two weeks left for students to apply for the Phillip Day Memorial and Sir Roden and Lady Cutler Scholarships. If you have financial needs due to family or special circumstances; if you are a great all-rounder; or if you have a special talent that needs extra resources to help you develop, please consider applying. Application forms can be downloaded from the school website: www.sydneyboyshigh.com/scholarships. Applications close on Friday 25 November.

Student Leave Requests – Reminder

Too many parents are ignoring or pleading ignorance about the school policy on **Student Leave of Absence Requests**. Parents are reminded that in Term 4, 2016 leave will not be processed or approved unless **four weeks'** notice has been given. The effect of this decision is that all leave requests that involve that last four weeks of term must be lodged with me for approval by the end of week 6, Friday 18 November. If you are planning to travel during the school term you need to download, complete and submit the form for my approval by the closing date.

Dr K A Jaggard
Principal

Cash Register Closing

Due to the End of Financial Year all student payments for excursions, co-payments, contributions, text books etc. must be made by **11.50am (lunchtime) Monday 21 November 2016**.

The cash register will be closed from the end of lunch (11.50am) and will not reopen until after the finance rollover (approximately 7 December).

Please finalise all outstanding items before the register closes and clearance forms are issued to students.

Thank you.

Meet the Prefect-Intern

"Success isn't measured by how far you get, but by how many people you bring along the way."

My time at High embodies this statement completely. From that first day in Year 7, when that little boy with white

blonde hair walked through those gates, I have strived to participate in as much as I could. Those days on the field, pushing your teammates to take that one more step, or in the rowing boat just trying to get that last stroke in. Striving together to

reach these goals has not only made me a better person, but has also made High a better place. In other words, to be the best is not our ultimate goal. Instead we are the ultimate underdog story. No matter how much we lose by, we get back up and we keep on fighting.

At Head of the River, I rowed in the 1st VIII who achieved one of the best times High has seen in years. As Captain of the 2nd XV, I led from the front, even as we lost. No matter what I was doing, from being a prominent member in the music program to a lowly speaker on the 3rd grade debating, I have always strived to do my best. No longer are we just scholar sportsmen, but we become people who we should be proud of, and this school and its people affect us all.

I aim to continue the ethics of High through my tenure as a prefect. Even if it's just in the little things, like turning up to carnivals and wearing the uniform correctly. We need people who everyone can look up to and hope to become. I want to be able to look back on this experience and see the changes that we made, and the effect that it had. It is the sacrifices that we make that define us, and I and this prefect body will sacrifice the most to help and further Sydney Boys High in 2017.

From PDHPE

There was an error in the Fitness Assessment reported last week. The correct information concerning multiple 1.6k run gaol achievers for 2016 should have read:

The following boys have achieved their personal goal in three consecutive years. Year 9: Rongxuan Chong, David Goh, Eric Holmstrom, Maadhavan Nadeswaran and Francis Nguyen. Year 10: Daniel Bounitch, Damain Chan, Andrew Guang, Allen Guo and Dimas Sanjoyo.

And a special congratulation to Year 10 students Daniel Bounitch and Damian Chan who achieved their personal goals in four consecutive years, which has been a sustained effort of high achievement over an extended period.

My apologies and congratulations to these students.

Cricket Canteen at Fairland Pavilion

The Cricket Committee has been trialling a canteen at the Fairland Pavilion over the past two weeks. The trial continues this Saturday 12 Nov.

Parents from the junior teams (U13s-U16s) are requested to come along and volunteer an hour or so of their time in running the canteen.

Go to the google spreadsheet where you can leave your name, phone number and a suitable timeslot when you can volunteer to run the canteen for that period.

https://docs.google.com/spreadsheets/d/1NL7OKmQtchncCttsVvYd_xudIIzERa6oa0aEvT5M0-Q/edit?usp=sharing

Cricketers, their parents and well-wishers from High as well as the opposition teams are invited to come along and purchase cold drinks, powerade, water, lollies and snacks all at nominal prices. The generated funds will be directed towards the advancement of cricket at High.

Please also advertise the canteen with your fellow SBHS and opposition parents and students.

Thank you

ASX GAME 2. 2016

Adam Steele 1st in NSW and Aland Goran 2nd in NSW

Another successful Stock Market game for High students with over 400 students participating. Congratulations to Adam Steele Year 10 (Hall of Fame), who ranked 1st in NSW, receiving a trophy and a cheque for \$400. Aland Goran Year 10 (Face the Music) finished 2nd in NSW. Both students were in contention to be placed at the top of the national rankings until the bears attacked on the last day of trading.

- The All Ordinaries (XAO) was down -2.95%
- Only 2 sectors finished in the positive, these were materials up 2.96% and financials up just 0.04%
- The worst performing sector was telecommunications down -11.08% followed by consumer discretionary, health care and energy all down over -7%.
- The top stocks were KAR - Karoon Gas up over 60%, then WHC - Whitehaven Coal up over 45% and ISU - iSelect up 36.6%.

- The worst performing stocks were TRS - The Reject Shop down over -50%, followed by APO
- APN Outdoor group down -45.3% and TPM - TPG Telecom down -42%.
- Only 16% of syndicates finished in profit with the average portfolio value being \$48,705. Our leading syndicate, "Hall of Fame" Adam Steele achieved a portfolio value of \$58,422 on a \$50,000 investment.

Adam bought six times and sold out towards the end of the game. The stocks he purchased were AMP, DXS, AIA, KAR, MIN and EVN. The sectors he focused on were financials, industrials, energy and materials.

Adam's Strategy:

"My strategy was to take advantage of the volatile energy sector. This seemed to work and my most successful investment was KAR - Karoon Gas, on which I made approx. \$11,000. Towards the end when success appeared in the bag, I resisted the sensible urge to cash out of everything the day before the game ended and as a result dropped \$2,000 on the last day! Fortunately for me that downturn took everybody by surprise and I managed to stay ahead of my rivals."

High Sailing

MIC Report

Sailing this week involved High sending out five boats initially, but only three boats sailed. Increasing gusts put an end to the day's competition with winds peaking at 28 knots per hour. This was deemed to be past the safety threshold for school competitive sailing so for safety reasons a full cancellation of all racing was made at 10:30am.

Early in the day in calmer waters, the three fortunate boats to sail were skippers and crew members Patrick Han and Jack Vorgias, Dallas Yan and Jarrod Khaw, and Alex de Araujo and Robert Hoang. They sailed quite well amidst worsening conditions. and managed to adjust to the changing weather conditions calmly. As the weather deteriorated, they finally sailed into the safety of the shore before the cancellation of racing was imposed. Skippers and crews gained some valuable experience sailing in varying weather conditions, adjusting their seamanship as was demanded on the day. With winds increasing and waves strengthening, the other two boats skippered and crewed by Edward Heaney and Nathan Jones, Kim Nicholls with Xander Singh and Hanyang Zheng did not venture out.

For the second week running, Year 7 sailors Hanyang Zheng and Nathan Jones were left stranded ashore only to observe the prevailing conditions and to see their fellow sailors battle strong winds and rough seas. They also gained a lot of practice in rigging and dismantling their boat.

Jarrod and Dallas salute what was to become a difficult morning due to unpredictable winds.

HIGH TENNIS

1st Grade Tennis Report

Last weekend the 1st Grade team travelled to North Parramatta to The Kings School, to play at the annual Top 6 Tennis Tournament. We were met with a typical Kings day. It was very windy. We were able to come away with a major win last year, when Stevie Young took out the top division for the 2015/16 season. Unfortunately, this was not the case for Stevie this year as our number one player was unable to retain his title, facing a very strong opponent in the latter stages of the day. Samuel, Matthew and Justin were denied their routes to the finals early on in their respective divisions as they were unfortunate to face tougher opponents in the early rounds, but showed great efforts and results in the rest of their matches. High came away with an impressive 2 out of the 3 division titles. Andre Putilin won the 2nd division and Antonio Li won the 3rd division. An impressive effort from the boys. The Top 6 was good preparation for the nearing of the real GPS season. Keep working hard boys!

Matthew O'Sullivan (10S)

2nd Grade Tennis Report

Last week's match was a whopper against Newington in gale force winds. It was impossible for a tennis ball to fly straight in those conditions, making for some very interesting plays. The team, I am proud to say, continued their good form from the previous week against Grammar. We won all three doubles comfortably in straight sets despite the conditions and moved on confidently to the singles. In singles, Cyrus and Aaron just missed out on scoring double bagels. Danny, despite feeling out of whack, won 6-3 6-3, and I managed to win against my opponent with a sore shoulder 6-1 6-3. Wanyu had a very close match at number 1 once again, putting all the members of the team on the edge of their seats. Luckily, he was able to finish the job in straight sets. Khobi, despite winning the first set, was unable to capitalise on the momentum and lost in a very tight third set tiebreak featuring passionate yells from Wanyu. All in all, it was a good performance from the team, and hopefully we can build on the experience to improve the scoring even more.

MIC Tennis Report - Trial Round 4 – High Vs Newington

Thank you to all the boys and families who helped out at the parking on Saturday.

Overall an impressive performance against a school that has a strong tennis program. There were still some boys arriving late for warm-ups. To perform to their best ability and reduce risk of injury warm ups need to be sufficient.

Welcome to this week's edition of Shootin' Hoops! Last weekend's game was against Newington College, where the majority of teams brought home a win, while the 15s went off to the CHS State Champs, bringing home the championship undefeated!!

Things are looking good, as we played Newington last Saturday, where 16 out of 26 were wins! Unfortunately,

the firsts couldn't get into that rhythm. The seconds found themselves winning 61-45! Congrats to Oscar Dumas for 22 points and 12.5 efficiency in the firsts game, and Adam Yang for dropping 15 in the second's game. Well done to the rest of the grade teams as well, for wins from 2nds through to 8ths!

Last week, the 15s CHS team faced up against other schools from all around the state, where they brought back the championship to SBHS. Congratulations to this team for achieving such a great feat, and Mr Hayman, for leading this team to another great success.

A great way to get involved off the court is with the Sydney Boys High School Insta page. Shout out to the Old Boys for making it happen. For any other Old Boys this is an excellent way to stay involved in the High basketball program, despite not being a student anymore.

In other news the Sydney Kings are tied for first in the NBL, with a 5-2 record thus far. A great turnaround from last season. And with Old Boy Craig Moller in the wings, things can only get better from here, right?

This weekend's game is against St Josephs College. Make sure to bring your A game, and represent High Basketball proudly. Play Hard, Play Smart, Play Together. Go High!

*Top: U15s celebrate their win in the CHS State Competition.
Bottom: U15s in the group huddle.*

Go HIGH!

Play Hard, Play Smart and Play Together!

Thanks to everyone who makes Shootin' Hoops possible

Brought to you by Adam Gordon and Alex Zhou

For 1st and 2nd XI GPS points ladder please go to:
<http://aagps.nsw.edu.au/summer-sports/cricket/>

Day one of round two against Joeys and the majority of the teams have huge run chases ahead of them. Self-discipline, determination, attitude and self-belief will play a huge part in helping us chase these totals. Hopefully the boys train hard and back their ability.

Tejas Chaudry raising his bat on his way to 60*

After the 15Bs disappointing start to their GPS season they managed to bounce back well and had a convincing win. Hopefully this spirit will translate to all age-groups. Well done boys.

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coach if they are unable to attend training or their fixture.
