

From the Principal

Valé Evan Higgins

Last weekend our school community was shocked and saddened by the news of the passing of a much-admired teacher – Evan Higgins. Evan was appointed to the English Faculty in September, 2013. Prior to that he had been teaching in a casual and temporary capacity at High since 2012. This year he was serving as a Year Adviser, Coordinator of Public Speaking and mentor for boys involved in UN and Legal debating competitions. Evan was an accomplished English teacher. He taught the courses at all levels with success. His students were engaged by his pedagogy and responded to his personal warmth and candour. He related well to people generally and was perceived as insightful, compassionate and caring by everyone with whom he interacted. His smiling presence will be missed by us all.

High Talent

Congratulations to Ryan Chan (10T) and Terence Mui (10E) who have qualified to compete in the Australian U17 Badminton Championships to be contested in Launceston, Tasmania. Congratulations to our Combined GPS Swimming Representatives who qualified after the final GPS carnival last Friday. Jake Rowlands (12R) was elected Captain of the combined GPS team – a great honour for him and High. Other boys selected were: Kevin Guo (12E) – opens, Adam Feng (11S) – 17 years, David Goh (10R) – 16 years, Ike Matsuoka (8M) – 14 years, Patrick Yee (7F) – 13 years and Alexander Lee (7M) – 12 years.

Caught Doing the Right Thing!

I recently received this email. I want to congratulate the boys involved. Your behaviour can really create a big impression on commuters – in this case a very positive one. "On a train going to Penrith I had some lovely young men on the carriage on the train. Most got off at Parramatta, one got off at Blacktown. The one that got off at Blacktown had a cricket bag, which he put in a place where it was not in the way. The boys that got off at Parramatta, I think one was named Chris, kept seats free for older people and made it

easy for others to get off and on...Thank you for having great young men at your school."

Trusts for the benefit of High boys

The *Sydney High School Foundation* holds trusts for the benefit of the school. Audited accounts for our trusts show that as of December, 2016 balances of: \$119,206 (2015 -\$108,858) for the *Ethel Killip Memorial Trust*; \$107,552 (2015 -\$100,709) for the *Prizes Trust*; \$87,294 (2015- \$83,884) for the *Phil Day Memorial Scholarship Trust*; \$47,010; \$42,169 for the *Student Support Trust* and \$8,113 (2015- \$7,853) for the Mitchell Seow Memorial Prize Trust. Usually, half of the interest earned on these Trusts is donated to the School for uses determined by the Trust Deeds. However, due to recent very low interest rates, interest has been retained 2014-16, in the interests of maintaining the real capital value of the trusts.

The Seow Trust funds a specific prize commemorating the sudden death from unknown causes of a much-loved student who had just completed his HSC. The *Student Support Trust Fund* supplements the DoE Student Equity Funds with direct financial help to students in necessitous circumstances. The Phil Day Memorial Trust funds an annual scholarship worth \$1,500 in memory of an Old Boy and long serving teacher, Head Teacher and Swimming MIC. The Prizes Trust helps to pay for some of the \$32,000 worth of prizes awarded each year to students. The Ethel Killip Memorial Trust pays for the replacement and upkeep of honour boards, memorabilia of Old Boys, photographs on walls and the school artworks collection. The Trust purchased >\$25k.(2014-16) of indigenous artworks for our collection in McDonald Wing. We are always seeking donations for any of these Trusts, of which only the Scholarship Fund is tax deductible.

Cultural Diversity at High

Students at High speak a great many languages in their homes. A recent census found that Mandarin / Cantonese / or Chinese dialects were spoken by 630 students. Other major linguistic groups: were Vietnamese (102), Bengali / Tamil (94),

Korean (44), Hindi (36) and Indonesian (26). In an interdependent world, it is encouraging to know that Australia will have educated people with additional skills in languages, to help us interact in the Asian region. Our future growth in trade, services and tourism will come with the countries whose languages are represented in our school.

Tell Them From Me Survey

The online survey of student opinions about school life has opened. I encourage parents to talk to their sons about the importance of using an opportunity to express their views and influence possible change. The survey gives students a voice in our development of policies and processes. It is

very simple to access and easy to complete. This year there are several questions designed specifically for our school. The survey closes on the last day of term. We are now relying on data from this survey as part of our *School Excellence Framework* evaluations. The survey closes on April 7!

The Technology Levy

At High, the annual budget for technology in teaching and learning exceeds \$500,000. To support technology, the Department of Education **used to make** a direct annual grant to High of >\$53K. **This support has now been removed. We are not an eT4L school.** Our specifications for ICT exceed DoE standards and we support these higher standards ourselves. In 2016, parents contributed \$275, \$219 by way of their contributions to the *Technology Levy*. The wages bill for our three staff members and teacher relief is \$380,000. Consequently, the *Technology Levy* **doesn't cover the recurrent costs** of the wages to support our network. In addition, recurring maintenance costs for data projectors, classroom desktops, printers, software and consumables is \$52,000. We need to upgrade ageing equipment and replace data projectors at the end of their useful life (8 years). We have high priority projects to be implemented at a cost of \$74,500. In order to support our BYOD policy and maximise learning opportunities for your sons, these works need to be done. This year, we will add 'Clickview' to stream video content to classrooms to enhance engagement possibilities for our boys. The budget shortfall has to be made up from *General Service Contributions* and *Building Fund donations* for refurbishment works.

In the second decade of the 21st century, there is nothing more important than acquiring sophisticated ICT skills for

everybody wanting to find employment in the new economy. We make technology a major priority in our development plans each year. We have pushed for and received 100mb bandwidth from the DoE. Our enduring motto is 'opportunity for excellence' – we want to deliver that in **all aspects** of education. If every family paid their *Technology Levy* in 2017, it would raise >\$350,000. It would be really beneficial for our learning improvement if as many parents as possible supported our technology in teaching and learning program by paying their levy.

Meet the Prefect Intern

Many people will say "It's the thought that counts" and never touch the subject again. But Sydney High lets our wildest dreams become a reality. When I came to High, there was a pattern in what everyone was saying – "make the most out of High". I think that while we all struggle for the prestigious 'Merit List' ranking we may forget to take up all the opportunities that are offered such as fencing, rifle shooting or chess which may create life-long friendships that are worth far more than a few extra rankings. So, moving through High, I've been living by the words of Oscar Wilde, "people know the price of everything and the value of nothing," always grasping new opportunities as they come and go despite the costs and as a result, I've had an incomparable experience.

I think the most important aspect of High is immersing

yourself in the culture. Cheering when your mate scores his first try. Screaming as loud as you can when our star athlete is pushing himself to

his limits. The small things have accumulated and formed the foundations of my best memories at High including the days I struggled with my mates in the mud during rugby training, to the hours of practice in rifle shooting and the sleepless nights pondering over seemingly unsolvable questions. We all fail once in a while, but I feel that the friendships made at High make it much easier to pick ourselves up and push forward, into brighter days. As the Prefect Ambassador, I strive to do my best in providing opportunities for future

Students of Sydney High alongside an extremely capable prefect body.

From the Canteen

Run by the P&C, the High canteen not only provides an extensive range of healthy hot and cold options for our

hungry boys but also raises substantial funds for specific projects. Last year, canteen contributed \$80,000. This is possible primarily due to the support of our dedicated parent volunteers who

assist canteen managers Tracey and Karen. Infact, we are one of the few high school canteens to do so. If you have a few hours to spare each month, please do consider joining our canteen roster by calling 96629350. Besides keeping costs low, it is a great way of making new friends and staying in touch with extended High family. Language is never a barrier and full training will be provided.

We would like to acknowledge the following parent helpers for the past two weeks:

Football – 2017 Term 1 Week 8

MIC of Football Report

The wet weather has continued for the past month preventing any fixtures or internal trials. With better weather forecast, let's hope we can have a trial match against Cranbrook this weekend.

Will all families please make sure their son follows the instructions below:

Note:

- All boys must turn up at least 60 minutes before the start of your match.
- They must turn up in SBHS football uniform and if they wish to wear a tracksuit this must be a SBHS tracksuit.

- All boys must be wearing boots and shin pads
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If your son is unavailable to play you MUST notify your coach, MIC and Sports Absences well in advance. Just doing it online is not sufficient.
- No glasses are allowed to be worn on the field. If he needs glasses they must be approved optical sport goggles.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.

Highlights

The 16s performance against St Pius was just a small display of the positive potential that was on show for a bright season ahead. The match showed some unbreakable defence, some slick passing as well as a winning attitude in which we want to carry into the season. The game was split into thirds of 25 minutes each and huge praise for their efforts during the first third of the game. In this third, we scored two tries and put on a defensive show that had the opposition buried in their own twenty the whole time. These first 25 minutes represented what we were about as a team and what kind of statement we bring to our game. The match finished early with a 21 – 21 score line with Pius scoring some late tries. Special mention goes to Oliver Gao with some crunching hits as well as Tyler Harapin for a solid performance. If this attitude brought into the GPS season 16s rugby will be very formidable.

Great tackle and tackle assist.

Jefferey Zheng sets off on another great run

13s worked well for a win and an amazing start to the season! As they grow as players and learn the game we can't wait to see where this group will take us!

Opens- Ahad Zafar was the standout in a 1st XV display showing plenty of courage and hope for the season ahead!

14s put on a solid display although were beaten on the day. Vincent Dorahy and Christian Lam both setting great examples in the season opener.

15s had a tough opening morning with St Pius showing great quality in this age. High showed resilience and some great periods of play that once we can sustain for longer will be sure to reap rewards.

GPS Swimming Season 2017

Following the school swimming carnival, it was not long before the GPS competition began. This season the competition intensified as the strength of GPS swimming became evident through the many records that were broken this season.

After the departure of a strong senior team last year the emphasise this season was to gain GPS selections based on individual performances rather than relays. Our relay teams have performed credibly throughout, finishing on average in 4th to 5th position just missing out on selections. Over the qualifying carnivals at Newington and Riverview our performances were strong, but those results did not eventuate at the championship carnivals 1, 2 and 3.

The atmosphere on the last carnival at SOPAC was electrifying with 225 supporters showing up which made the night special for our team, especially for Jake Rowlands (SBHS and GPS captain), who went on to win the 100 m championship blue ribbon event.

A special thanks to Dr Jaggar and Mr Aldous for supporting the team and to the parent community who go to extra lengths to facilitate the swimming needs of their children.

The 2017 GPS Team Was Made Up of the Following Boys:

12 years – Ashwin Berrett , Adison Chen, Alexander Lee and Mahmoud Adel

13 years – Song Chen, Jason Yan, Patrick Yi and Nathan Wang
