Caught doing the right thing

Last Friday we received an encouraging email from a commuter:

"Hi, I wanted to let you know that I was on the bus yesterday with some of your boys – they were commenting and were concerned that they had missed their bus stop – they were on route to UNSW. I let them know that the buses were re-routed because of the light rail work on High Street and they were so incredibly polite and grateful. Amazing ambassadors for your school"

Your behaviour in public is always being scrutinised. I'm glad that so many boys behave so well on public transport.

Full Uniform Policy

High is proud of the fact that its boys wear their school uniform. We expect boys to be in their appropriate uniforms at all times. In winter there can be extreme weather events but where adjustments need to be made in clothing, the High Store has responded to the requests from the SRC to supply approved supplementary items. The **school beanie** and **school scarf** can be worn at all times as part of the official school uniform. Students feeling the cold should not improvise with random items of clothing of various colours and designs. It is permissible to wear white skivvies underneath school shirts when it is really cold. Students in Years 7-9 are allowed to wear sports clothing on Thursdays and can add the school tracksuit for warmth. When it is raining, umbrellas or the new wet weather jacket are authorised. Non-uniform anoraks, jackets and non-approved wet weather gear are not permitted under any circumstances.

Second Joint School Development Day

This year's School Development Day with SGHS featured a keynote by June Maker, one of the top three world leaders in programming curriculum for gifted learners. Staff attended a series of workshops on: talent development laboratories, using SOLO taxonomy, creating innovators amongst gifted students, wellbeing for teachers of gifted students, physical exercise and gifted learners, Na Ngarra tour and MOOCS. Feedback from the day was very positive again. Staff from both schools

expressed their interest in collaborative sessions between the two schools. Many wanted joint faculty time to work on areas of mutual interest in gifted education or programming. Workshops on underachievement and self-management were also suggested. I look forward to working again with SGHS on another joint staff development day next year. Thank you so much to the organising team: Rachel Powell, George Barris (SBHS), Geoff Denyer and Carina Dennis (SGHS) for their efficient, effective and collaborative organisation of the day.

Term 4 Staff Development Days

In Term 4, the last two days of school are gazetted as School Development Days. At High, we have sought and received approval to vary that arrangement. This term we will hold a Twilight Staff Development evening – 1530-1830 on 1 August and another of the same duration on 16 October. These two sessions will count as one of the scheduled Staff Development Days. Each faculty, by arrangement during two terms, can organise two twilight evenings independently to develop programs and materials pertinent to the school's Strategic Plan 2018-2020. Such evenings will then comprise the second Staff Development Day. As a consequence, on the last two days of Term 4 (18 and 19 December), the only staff on site will be teachers who did not attend the twilight sessions, the Principal and SAS staff.

"Don't just practice your art, force your way into its secrets." - Ludwig van Beethoven

After 7 years of the piano and a bit of trombone on the side, I just knew inside that I wanted to pick up the violin. So much of music's secrets were still to be discovered. My time at High has not only provided the opportunity to pick up my third instrument in Year 7, but to further develop as a person.

High has taught me strength, discipline and teamwork in rowing, basketball and football, helped me battle fears of speaking through debating, and now given the chance to give back in community service and maths peer tutoring (maths is my "forte"!). Yet, just as Albert Einstein said, "I know that the most joy in my life has come to me from my violin" (and trombone and piano!). It's the clarity it brings to the mind, emotional enrichment, and the deep satisfaction of delivering a performance to our friends and family. It's all this that keeps me in firm belief of music's beauty. In now my 13th year of music, I can definitively say that in all my experiences, music at High has been instrument-al to making me the happy person I am today.

I'm proud to be part of a school that provides such multi-faceted opportunities for growth.

Science proves the link between music education and academic success. Music does wonders to you, boosting the compassion, creative and analytical thinking required in fields like medicine. I strongly encourage all to take the opportunities offered by music. Pick up a new instrument or just the one sitting in the corner, it's never too late and the journey of endless reward always awaits. Practice it and bring joy to not only those around you, but to your mind and soul. And whatever instrument that is, High's music program will surely support you along the way to elevate you to new experiences. Just ask any of the music teachers, it's always worth it!

As Confucius says, "Music produces a kind of pleasure which human nature cannot do without."

Clickview Goes Viral At High

970 videos were viewed in the June/July holiday period. 80% were viewed by students and 20% by staff.

After a push to put holiday entertainment films on to this new learning platform for students and staff to view over the recent school holiday it was pleasing and interesting

to see that students are prepared to make good use of this new teaching and learning platform.

As students are demonstrating such interest library staff will now put more educational programs onto ClickView for students to revise or learn.

While we are getting used to having this program we will advertise some of the programs we are installing in High Notes and the Student Portal.

It is easy to play a video on your computer or Smart TV or in your classroom – just find ClickView.com.au on the Internet and use your school email as your login.

Debating Report

GPS Week One

The GPS Debating season got off to a fine start with a wonderful speech from Jenny Leong MP for Newtown who spoke about how useful the skills of debating (and other extra-curricular activities) will be throughout your life and about how it is important to have a viewpoint on key issues so that we can put our debating skills to use to defend the things we believe in. She also talked passionately about the importance of working together for something bigger than oneself.

We were very successful in the Friday evenings debates against St Josephs College with a win in each division apart from 7B, C and Thirds. Well done boys and keep up the good work!

Debating Achievements (so far in 2017)

Year 11 have won the Sydney Region PDC Competition. The irony of being AFF on the topic "That the Greens should stick to environmental issues." was not lost on the team who had listened to Jenny Leong (Greens MP for Newtown) speak on a wide range of issues last week. Well done to them.

Building on their win in the University of Sydney Debating Competition earlier in the year, the Year 11 PDC team won the UNSW Debating tournament. They beat SGHS Year 11 in the final on a 5-2 split. Alex De Arujo was awarded 3rd best speaker, Guy Suttner 4th best speaker and Symeon Zeigler got 10th best speaker. More congratulations to this incredible team.

Furthermore, Hugh Bartley and Alex de Arujo have been selected in the CHS team and are currently being trained for the Representative Debates later in the year.

Hugh Bartley and Jasper McMahon-Boersma are one of fifteen teams to get through to the NSW finals of the Dr Evatt competition. Good Luck to them.

At the SUSMUN (University of Sydney Model UN Comp) the following students gained commendations:

Best Delegate (WHO) – Lincoln Hui (11M)
Best Diplomatic Manner (WHO) - Ryan Jepson (10F)
Best Delegate (1st General Assembly) - Branko Stajic (10T)
Best Diplomatic Manner (1st General Assembly) - Arshad 'Aman' Mohamed (10F)

Congratulations to the Mock Mediation team (Ryan Jepson, Ryan Borges, Aman Mohamed, Aryan Jani,

Branko Stajic and Ramana Paheerathan) who have achieved high scores in every round of this year's competition and are now through to the quarterfinals. The competition is an initiative of the Law Society of NSW and has helped the students improve on their dispute resolution and negotiation skills.

The Mock Trial Competition is a prestigious competition which has been running since 1981. This year's team is made up of Justin Lai, Lachlan Fong, Aaron Ruan, Alex De Araujo, Guy Suttner, Lincoln Hui and Nishant Suriyadeepan, and is Captained by Symeon Ziegler. The students put in a huge amount of effort preparing for each trial. Their hard work is evident by their outstanding performance at each trial. The team is currently undefeated and ranked 2nd out of 152 schools taking part in New South Wales. A fantastic achievement!

This year we have two representatives at the YMCA NSW Youth and Government Youth Parliament which is a program that aims to educate young people about parliament and law in a fun way. It focuses on policy not politics. The students have just completed the residential Camp and later in the year they will have a sitting in the NSW Parliament. The two reps are Syemon Ziegler who is Deputy Premier and Harry Wu is a backbencher.

Further Opportunities for Debaters

Thanks to Harry Wu who would like to promote the UN Youth Voice to you all because he recognises that it would be a valuable opportunity and an enjoyable experience for debaters because it requires qualities commonly found in debaters: persuasion, oratory and good ideas.

Voice is a public speaking competition run by UN Youth for students in years 7-10. Students are given nationwide or global issues. Students will outline their solutions to a panel of judges and then be asked two questions about it. The best people are invited to the inter-regionals, then state, then finally nationals.

The Voice runs throughout Term 3, and the topics will soon be given out, after which participants have 4 weeks to prepare. However, registration close only the day before the round. The first round starts on August 18th. Here is the link: <https://unyouth.org.au/event/voice-nsw/>

From the Canteen

High Canteen would like to encourage boys to pre-order recess and lunch before 9am daily. This will greatly reduce waiting times while also ensuring that you don't miss out on popular foods. We understand that it is frustrating to move up the queue only to find that an item is sold out. Please help us serve you better.

Our extensive range of reasonably priced, hot and cold foods include wraps, rolls, soups, sandwiches, pasta, focaccia and rice box, prepared on the premises as well as commercially sourced sushis, pies and pides.

High Canteen relies heavily on the support of our parent volunteers. If you have a few hours to spare each month, please consider helping out. Full training will be provided and language is no barrier. Karen and Tracey would love to hear from you (Tel: 96629350).

We would like to acknowledge the following parent helpers:

HIGH CLASS 2017 BRICK APPEAL

Dear Year 12 Parents:

Time flies and very soon our boys will sit HSC then start their next chapter of life. High school life will quickly become a memory. Before that happens here comes the opportunity for our boys to have their own class brick at The Governors Centre.

High Foundation has offered a wall of 1,000 commemorative bricks on The Governors Centre for families of Sydney Boys High to purchase. Each brick cost \$1,000. We, Year 12 representatives, have opened up this opportunity for all Year 12 students to purchase 1 brick or maybe 2 so they too can leave a legacy at SBHS.

This week your son will bring back a pre-printed envelope "Brick of High Class 2017". Simply encourage your son to donate \$10 or more to the High Foundation by Fri 25 Aug so we can fund 1 brick or 2 with "HIGH CLASS 2017" on the brick/s. Development Office is located close to Junior Library.

Don't forget you can also name a family brick at The Governors Centre by donating \$1000 or more. This will ensure your family's name is always remembered and honoured at SBHS.

Many thanks.

Yours truly

Sharon, Judith, Razmi, Nan, Sam, Asif

LOVE YOUR LIBRARY - JUNIOR LIBRARY 2017 3 LIBRARY SURVEYS – Year 7, Year 8, Year 9 - 500 responses

Thank you to all the really helpful Year 7, 8 and 9 boys who responded to our Junior Library survey this year. Over the next two weeks I will be harvesting your names to give you an award scheme point for your cooperativeness and school spirit. I am saving your suggestions on books and series to purchase. I do purchase everything you suggest if we do not have these resources already. As I have now spent all the money allocated this year I will act upon your suggestions early next year.

Both Parents and Students might like to know some of the questions our library asked and your responses. The issues we were particularly interested in concerned changes which either the library made or which have occurred in our fast moving digital environment. We wanted to know how

reorganising the Junior library into genre had affected student use and enjoyment of the library – did it confuse you and make you read less paper based books? We wanted to see whether students still searched the library catalogue in our googling world. We know you use both of our libraries in amazing numbers - so what are you doing while you are in there? We wanted to know if your local library has your loyalty more than our school library. We wanted to know if you only read books your parents buy you. We wanted to know how many books you thought you read. We wanted to know if you preferred e books to paper based books or vice versa.

The statistics below answer some of these questions.

This is what Year 8 students do in the Junior Library

In 2017 I have used the library for these activities

In 2017 Year 7 came into a library where all fiction had been re-organised into genre and they had to look up titles online in order to figure out how a book was shelved. We wanted to find out if they hated this new arrangement so much they would not borrow. This was their response to our queries:

The Genre Re-Organisation of Fiction in the Junior Library 195 responses

- Put me off borrowing because I can't find anything
- Made it easy to find other books I like
- The librarian needs to give us a lesson on how to find books
- Means I have to use the catalogue and I am not sure how to
- Made no difference at all to me

Our library did not expect the following responses from Year 7 and 8 but knew something strange was going on

Year 8 - I never use the library catalogue – 28%
 Year 8 – I like reading ebooks as much as paper based books – 51%

Year 8 – I prefer borrowing books from my local library to borrowing books from my school library – 39%!!!!!!!!!!!!!!!!!!!!

This last response contrasts to Year 7's response:

Year 7 – I only read books from my local library – 11%

Year 7 - I only read books from home - 16%

SBHS Ski Team 2017

During the July school holidays eight students represented the school in the Interschools Snowsports Sydney Championships. This year the races were held at Thredbo Ski Resort. Although this year no team or individual from the school progressed to the NSW Championships all the boys represented themselves and the school with great pride. Adam Davies, Klimenty Tsoutsman, Eric Qin and Alex Loke got their first taste of racing. While Timothy Trent, Ryan Jepson, Christopher Jin and Alex Maksymow were back to test their skills for another year.

Although representing the

school in the races is both exciting and challenging not much can compare to sharing some turns with your teammates away from the races.

The ongoing success of the trip is due to the ongoing support of the families involved and my thanks go out to them. I would like to thank Pit Trent in particular for her help over many years.

If you are a keen skier or boarder then why not join the SBHS Ski Team in 2018. Next year's event will be held at Perisher in the second week of the July school holidays.

For the first time in a very long time, our 13As have managed to secure back to back wins. This is fantastic to see them providing a lot of encouragement for the coming seasons. The boys have worked hard and are very excited about what they have achieved. This comes on the back of losing 0-4 to Kings earlier in the trial season.

Our 14Es also remain undefeated with two wins and two draws.
