

From the Principal High Talent

At the NSWFA Sydney Olympic Cup U13

fencing competition over the weekend. Yu Ming Lee (7T) won Gold in the U13 Sabre category! Congratulations, Yu Ming!

PAWS (People and Animal Welfare)

Twenty students gave up their Sunday to volunteer with a variety of charities at the *Cruelty Free Festival* last weekend. PAWS had a stall there to teach young people about animal issues. The boys spoke passionately and eloquently about animal cruelty issues, gave out the flyers they'd made (which were incredibly well written and looked very professional) and inspired people from primary school age to uni to students. Their efforts received praise and endorsement from Lee Rhiannon. Over 6000 people attended this event. All of the boys involved deserve congratulating but in particular: Indigo Urbina (10S), Dinan Pingamage (10T), Dylan Chen (10R), Aryan Jani (10F) and Arshad Mohammed (10F). Congratulations, boys! Thank you to Ms Hazel Stephens for giving up her Sunday to support this group of caring boys.

United Nations Day

United Nations Day is observed in Australia on 24 October each year to commemorate the coming into force of the United Nations Charter in 1945. The Charter was signed on the 26 June 1945 at the conclusion of the United Nations Conference on International Organization and came into force on 24 October, 1945. The statute of the International court of Justice (now centred at The Hague) was an integral component of the

United Nations Day

Charter. The gathered nations determined: to save succeeding generations from the scourge of war...; to reaffirm faith in fundamental

human rights...; to establish conditions under which justice and respect for obligations...can be maintained; and to promote social progress and better standards of life in larger freedom

As we celebrate the vision of those who wanted to eradicate World War, establish international justice and help humanity to live a better life, we need to recognise that for all its flaws, this regulatory body has maintained world peace for 72 years and avoided a catastrophic nuclear imbroglio. Wars between nations have occurred of course, but the United Nations has played a significant role in keeping democracy safe in the world.

Summer Sport Co-payments: Term 4

The rolls for summer sports and activities have now been finalised. In many activities co-

payments are levied for the season – in this case Term 4 2017 and term 1, 2018. Other sports have a policy of fixing co-payments on a term-by-term basis.

In either case, invoices have now been posted. For years 7-10 this means that the summer invoice will be included on individual *Clearance Forms*. These will need to be cleared prior to boys receiving their reports. The base co-payment for sport for a season is \$156 for 2017-18, as adjusted for on costs. Higher charges are levied by individual sports as a result of resolutions passed by the Associations or P & C Sub-Committees responsible for supporting particular sports. Year 11 boys have been invoiced very recently for term 4 or their full summer sport, too. It would help the MICs for these sports greatly if families could pay for their sports in the next 21 days.

Reports

From early next week, Year 11 boys will be discussing their progress with me. They will have to have their *Clearance Forms* signed off if they require one. They will also be finalising their course selections for the for HSC year. Some decisions are dependent upon qualification for a particular course, for example – mathematics extension 2, English extension 1 & 2 or physics and chemistry. Others,

like for subject accelerants, might depend on the strength of their HSC results. As a consequence, not everyone will be ready for HSC study in all courses. Students are advised not to discontinue their attendance, nor to stop completing set work in courses until they are certain that their planned suite of courses has actually been approved. Students acting on assumptions may well be disappointed and then have to catch up on missed work.

Dr K A Jaggar
Principal

Meet the Prefect

I didn't know what to expect when first coming to High.

As the applause rang in my ears, I looked around the Hall, staring in wonder at the golden names engraved within the plaques. I knew that High was synonymous with success, with greatness. Now was my chance to make my mark on its long history.

My hopes deflated when I got put into the 13E's basketball team two weeks later. Not exactly the greatest start.

But over the course of five years, I've learned that success comes in many shapes and forms at High. That 13E basketball team? We won three games over the course of a short but sweet first season at High, an unprecedented achievement for all of us.

It's those successes that I'd like to think characterise my time here at High. Whether it's making my debut for 2nd

Grade Football, scared witless at how much better everyone else on the pitch was than me, or finally making a consistent GPS Debating Team for the first time in 3 years, I've found immense pride in everything I've done for this school, even down to solving those devilishly hard worksheets from Mr Choy. Sometimes, the smallest successes are the most meaningful, even if they don't result in any names on plaques.

It all comes down to the ethos that High promotes; where anyone can succeed if they work hard. It's what I love about this school, something that no other has ever been able to replicate - test scores or game scores regardless. The "High Spirit", the motivation for a student to succeed in all aspects of his school life, is what I have always looked to aspire to, and something I hope to share with all students that wear the blue and brown.

It's an absolute honour to serve as your Senior Prefect for 2018, and I sincerely hope to embody the values and traditions of Prefects before me. Let's make this an amazing year.

Justin Lai
Senior Prefect

Yearly Reports - Clearance Forms – Years 7 & 12

Clearance forms for report collection will be issued during the coming weeks. Please ensure outstanding payments and due book returns are received **before** the clearance form is printed.

Maria Glenn
SAM

Year 10 Camp 2017

Year 10 Camp is happening!!! What a fantastic way to finish the year on a HIGH and make some lifelong memories!

Students attending camp will work in small groups of their choice to successfully complete a 5-day, journey based program. Students will be working together to navigate their way to each campsite, completing challenges along the way, under the guidance of an OEG leader and SBHS teacher.

This is a once in a lifetime experience that the boys should not miss. They won't have another opportunity to spend a week with their mates, in the bush, developing life skills and creating memories they will be talking about long after school has finished.

For those students completing the Duke of Edinburgh's Award, this program meets the requirements for the **Silver Practice Expedition** and the **Silver Qualifying Expedition**. This means that boys will not need to go on any additional expeditions to meet the requirements for the Silver Award.

The cost of the program includes transport to and from camp, use of tents, backpacks, sleeping mats, wet weather gear (if needed), cooking equipment, all food (and heaps of it), a qualified OEG leader per group and specialist support leaders working behind the scene.

Those students who choose to remain at school, normal classes will not be scheduled. Instead, they will attend a variety of alternative activities. These include work experience, completion of elective projects, MOOCs or a "Project Based Learning task" under the guidance of their classroom teachers.

Dates: 11th December – 15th December 2017

Final payment is due now. Notes can be found outside the Science office, or on the Student Portal.

Cruelty Free Festival

Twenty students gave up their Sunday to volunteer at the Cruelty Free Festival last week. This is a big annual event, attended by 6-7000 people and over 70 animal welfare organisations have stalls there. Sydney Boys High students have been volunteering at this event for the past five years and their willingness to help, positive attitude and knowledge about so many animal protection issues is now a staple feature of the festival.

The boys did a variety of tasks, from arriving at 7.30am to help the event organisers set up to asking people to sign petitions to assisting sanctuaries such as Peanuts Funny Farm to run their stall. I received many expressions of gratitude for their help and comments on what outstanding ambassadors for our school the students were.

For the first time, the People and Animal Welfare Society (PAWS) had their own stall so that they could teach other young people about animal issues and fundraise for their chosen charity, Possumwood Wildlife Sanctuary. I have always known that the PAWS members were amazing but they exceeded even my very high expectations of them. Dylan Chen worked especially hard in the days before the festival to ensure that all of the flyers we handed out looked incredibly professional.

Congratulations to all the boys involved! We have already been asked to return next year and are planning how we can make an even bigger impact.

Hazel Stephens

Validation of Assessment for Learning & Individual Development (VALID) Test.

The *Validation of Assessment for Learning & Individual Development (VALID)* test for Year 8 students will be held on **Thursday 2 November 2017** in Periods 1 and 2. The test takes approximately 80 minutes. The *VALID Science 8* test is an interactive, multimedia test completed entirely on a computer.

VALID Science 8 contains multiple choice, short response and extended response tasks that are grouped around real-world issues, including scientific investigations. This is a diagnostic test, with tasks framed on Stage 4 outcomes and essential content in the NSW *Science Years K–10 Syllabus*. Students will be tested on their:

- knowledge and understanding of science
- understanding and skills in the process of scientific investigation
- ability to evaluate evidence, make judgements and think critically
- ability to access information and communicate scientific ideas.

Students also complete a survey about their opinions, attitudes and values about science.

Since students complete *VALID Science 8* on a computer, each student needs to bring **headphones or earbuds** that plug into a school computer. Earbuds for an iPod or portable player are suitable.

If your child has a disability that needs special consideration or has been educated in English for less than one year, please contact your child's school to discuss special provisions or possible exemption from the test.

Results of the test will be available during Term 1 2018. Information about each student is treated confidentially and held securely to ensure that the right to privacy of all students is maintained. A personal report for each student will be sent to parents/carers to describe the science knowledge and skills demonstrated by the student in the test. There will also be information about how your child's results compare with overall performance of all students in the test.

The principal of your child's school is able to provide you with more details about the VALID program if you require additional information.

MUSIC NOTES

Marching Band

Rehearsals have commenced from Tuesday 24 October, 3.30pm-4.30pm. Attendance is mandatory for students in the Percussion Ensemble, Stage and Concert Bands. New music will be distributed at next week's rehearsal.

Term 4 Yearly Exams

As Yearly Exams commence from Week 3, Years 7-9 are not excused from morning and/or afternoon rehearsal(s). Reminder: 80% attendance is required per semester.

Meet the Music 1 Concert #4

Last Meet the Music 1 Concert Series- Thursday 2 November, 6.30pm at the Sydney Opera House. Mandatory Attendance is required for students in Elective Music Students in Years 9-10. Tickets will be distributed in class.

End of Year Concert

Save the date! Our end of Year Concert [including a Jazz Workshop] will be held on Sunday 3 of December at school. Students in Junior/Intermediate/Senior Stage Band will attend a mandatory Jazz Workshop prior to the concert. Further details regarding both the Jazz Workshop & Concert will be announced soon!

Music Tour 2020

Details & expression of interest forms will be handed out at our End Of Year Concert [Sunday 3 December].

Raffle Prize- donation(s)

The Music Committee are seeking donation[s] at the "End Of Year Concert" Raffle Prize Draw [Sunday 3 December]. If you would like to donate any item(s) please contact the music committee on sbhsmusic@gmail.com [Please ensure to check item[s] are not expired and are in good condition].

Please note that the schedule is subject change (Check with ensemble conductor)

Tennis Update Week 2 Trials

Week 2 saw another great week of training and trials, every boy is getting plenty of time to prove themselves and improve to get a position in their respective team.

Tennis has a Sub-Committee. This is a group of parents who have volunteered to assist throughout the season. Thank you to – Jimmy Yu, Oliver Yoon, Milly KC, Angela Lam & Casandra Anguita Deep for their input and assistance.

Results from trial #2 against Shore

The 1st grade team played the first home match of the trial

season on the weekend against Shore. With some new faces in the first-grade squad, we aimed to continue the mark we left last season. One of our players, Antonio, was injured and was supporting the boys on the side-line. The team started the day on a positive note, cleaning up all three of the doubles very quickly. The same story was kept for the rest of the day, no player losing more than 2 games in one set. Shore lacked two of their better players, which didn't give us the intended practice we had hoped for. Nonetheless, the High team this season shows promising signs to be contenders for the title again.

SHOOTIN' 219 HOOPS

Hello all! The GPS season is now in full swing. An awesome start for the Opens, with all ten teams from **1sts to 10ths coming home with a win**. Congrats to Oscar Dumas in the firsts for leading in scoring with 17 in a 74-58 win, and Adam Gordon in seconds with 10 points, leading them to a 54-47 win. 16's + 15's are showing much promise, and 14's have continued to work extremely hard, especially 14D's, who came away with a nail-biting 35-34 win. Well done to everyone!

The 15's CHS team recently played the Kotara Hornets of the Hunter Region, competing for a top 8 placing in NSW. They won 75-18, with Ratch Prekpanarut and Adam Gordon top scoring in the game. The squad will now be progressing to the State Final 8 tournament in Terrigal

later this year. Thank you to everyone who came down to the gym to watch the game. Your presence was inevitably energetic and positive. Well done!

In the NBL, the Sydney Kings have had a tough start to the season, going 4-1. Can they turn things around like the Adelaide 36ers did last season and go from the wooden spoon to clinching a playoff spot? Meanwhile, the NBA season has just gotten underway. Make sure to keep tabs on your favourite team.

That's all for this week. Next game is against Joeys, so keep working and High is sure to succeed. LETS SEE A BIG TUNNEL THIS WEEK TO PUMP UP FIRSTS AS THEY MOVE FROM THE CHANGE ROOMS TO THE COURT.: ST JOSEPHS HAVE A PLAYER WHO PERSONALLY SCORED 68 POINTS LAST WEEK!!

Play Smart, Play Hard, Play Together.

See the following page for the results table.

Go HIGH!
Play Hard, Play Smart and Play Together!
Thanks to everyone who makes Shootin' Hoops possible
Brought to you by Adam Gordon and Alex Zhou

Now that Term 4 has started, the 2017-18 rowing season is truly underway. The senior and Year 10 rowers have begun the weekly Thursday night camps and all the boys are settling in for a long but hopefully rewarding season. In the last few weeks, we have experienced some adverse water conditions, but no amount of wind or rain will stop us from waking up at 5am for that valuable time on the water. All crews, especially the Year 7 rowers, have seen vast improvements in effort and technical proficiency, with the hope that we can all keep up the good work as we prepare for the first regatta of the season.

The senior Vllls have just finished their first round of testing after completing a beep test, a 2km ERG and a

single scull time trial. There were some very surprising results this week, with some boys making massive improvements, while others have shown that they have a lot of potential. Based on these results, the preliminary senior crews have recently been announced. The school 1st VIII currently stands as follows:

Archie Fox, Lenny Han, Bryan Herijanto, Dev Lawani, Leo Li, Sam Merrick, Jack Ralph and Tim Trent.

Unlike previous years, this crew is comprised entirely of Year 12 students. However, with just a fraction of a second separating them with some of the boys from the 2nd VIII, the stakes are high and the final boat selection in January is anyone's game.

Jack Ralph
Vice Captain of Boats

The newly selected 1st VIII prepare for their first session together

Cricket Report

Saturday saw the second week of Trials for the boys.

The 1st XI set out to recuperate after a tough loss against Kings last week, and saw the match as an opportunity to display the talent in the team. We met Riverview, who boast a strong batting side. Batting on a dodgy McKay pitch meant we needed to be smart and play confident shots. A failure to do this led to early dismissals and wickets falling in clumps. Credit to Aditya for taking it to the bowlers and to tail-enders, Nick and Symeon, who looked to give us a fighting chance. Unfortunately, the Riverview openers handled our attack calmly and won the day.

Middle order partnerships allowed Riverview to put on a large total to chase down. The batting innings started off well, with Jay and Saarangan setting a nice tone. However, wickets fell quickly and the boys couldn't find a solid partnership to stabilise.

Team of the Week: 15As

Congratulations to the 15As who saw their first win in a tightly fought contest. This team has consistently been improving over the years and I'm confident they can carry this pre-season success throughout. Well done lads!

Shoutout of the Week: 14As against Kings

The 14As showed a great team effort last week against Kings to secure a narrow 5 run win. Scoring 106 and then restricting Kings to 9/101 showed the grit and clutch bowling from the team!

This week, we will be playing against Joeys. Good luck to all and remember to play hard!

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.

Monday, Tuesday, Wednesday & Friday 10.30am to 1.30pm

Telephone 9662 9360

Free workshop for supervisors of learner drivers.

Ensure your learner driver has the best possible introduction to driving; their life could depend on it!
The City of Sydney aims to improve road safety with a workshop for supervisors of learner drivers.

Tuesday 7 November 2017
6pm to 8pm
Customs House
Alfred Street, Circular Quay

The two hour workshop will provide pertinent practical advice regarding:

- laws for learner and P-plate drivers.
- how to use the Learner Driver Log Book
- how to plan on-road driving sessions and supervise learner drivers
- understanding the benefits of supervised on road driving experience

Bookings are essential, please phone The City of Sydney on 02 9265 9333 or email lmconnell@cityofsydney.nsw.gov.au to reserve your seat.

Teaching someone to drive can be a **happy** experience.

You can learn all the simple steps on how to teach a learner driver at a **FREE** two hour workshop.

The next workshop in your area will be held:

TIME & DATE:
6pm, Tuesday
7 November 2017

VENUE:
Level 2, Customs House
31 Alfred Street Circular Quay, Sydney
