

## From the Principal End Term 4

As the academic year draws to a close I would like to offer my sincere thanks to all the great people who make High the strong learning community that it is. Our staff (teaching and non-teaching) work tirelessly to support our students. Our coaches and Old Boys give back selflessly to the culture that nurtured them. Our parents who serve on committees, who help out at the canteen or High Store, or who help with catering or car parking add noticeable value to the overall learning experience at High. Much of the load of our governance bodies is carried by hard working Old boys and parents, very often behind the scenes. Thank you to all who dedicate themselves to the cause of nurturing scholar sportsmen. This is our final edition of High Notes for 2017. I would like to thank all our contributors, editors Meredith Thomas and Dave Te Rata and proof reader Brooke Ashton for their work in getting this publication out on time each week

## High Talent

Congratulations to our three first in course in the HSC students! Danny Yu (chemistry), Dibyendu Roy (engineering studies) and Kieren Shivakumaarun (physics). Great work, boys! Rowan Tan (8M) won a gold medal in the U14 Triple Jump (12.46m) at the Australian All Schools Track and field championship in Adelaide. Great job, Rowan! In the National Schools Volleyball Competition, every High team entered won a medal – an unprecedented result for High volleyball. The results pay tribute to the focussed junior development policy in the sport. Our results were: U15 Honours division – top two teams from each state and NZ – bronze medal; Year 11 – Division 1 – teams ranked 1-4 in each state – gold medal; U16 division 1 – silver medal; Year 12 Division 1 – bronze medal; and Year 7 – Division 2 – teams ranked 1-8 in each state - gold medal. Congratulations to Michael Kay and his team

of coaches who trained and mentored the teams in this prestigious competition. Our annual pilgrimage to the National Schools basketball Competition resulted in a silver medal for our team in the U15 division. Well done, boys! Kieren Guan (9R) scooped the pool at the Australian Open Short Track Ice Racing Championship. He won gold at all distances in his age group (333m, 500m, 777m & 1,000m) as well as two relays – one in the age division above his own. Congratulations on a fine effort, Kieren! Well done to our first XI cricket team who finished 3<sup>rd</sup> in the Five Highs competition and have qualified for the final eight schools in state in the Davidson Shield Knockout competition.

## Caught Doing The Right Thing

I was pleased to receive this email from a member of the public on Tuesday. "Today, while walking home from an appointment, I was approached by three very polite young men, who I later found out attend your school. They were collecting signatures and advocating for human rights with various cases of injustice being explained. Your students spoke with passion and conviction, as I asked many questions before agreeing to sign the petition. I was pleased to find out that these young men belong to a human rights activist group at your school and are so globally aware. Although I did not catch their names, they should be commended for their initiative and pleasing behaviour in the public eye. Also, to the staff who support them, well done." You know who you are boys. Keep doing the right thing when in public.

## The Record

Our annual publication, *The Record*, was distributed to all staff and students this week. It is an impressive work, representing all the activities that our boys engage in during their time at school. There are many articles, speeches, group, landscape and individual photographs and student achievements contained in its pages. Ms Jenni May, our long serving editor, has again produced a remarkable document, from conception to distribution. I would like to extend the thanks of

the wider school community to Jenni and her major contributors for such a professional standard demonstration of what a strong learning community can do. Mark Gainford and Taryn Evans worked hard on the captions. Daniel Cai took some compelling photographs. Other important people were: Bob Dowdell, Owen The, James Rudd, Ronald Luo, Oliver Gao and Raghav Ramanathan. A great team effort! Thank you to all concerned!

### Collection of Reports

All boys should have collected their reports. Regrettably, there are still many boys who have not fulfilled their commitments and completed their *Clearance Forms* and booked an appointment time to see me to discuss their progress at school. This is an important step in our feedback loop and I insist on speaking to boys personally. Boys can come and get their reports before or after school and at lunch or recess on most days. There are also sheets provided for 'Stragglers' Reports' for an hour or so on selected days. Boys just need to make an effort to comply with policy and come and see me. Once I have had a short feedback session with each boy, his report is loaded online against his personal file on *Find a Student*. Appointments can be made in the new school year before school, recess and at lunch (except Tuesdays). The benefits of my interactions with boys lessen if the discussion is too far removed from the assessment events being discussed.

### Meet The Prefect Intern

Sydney Boys High has provided me with endless opportunities and experiences that I would not otherwise have had. The idea of suiting up in several layers of clothing and wearing a fencing mask for hours on end for training and competitions was one of these unexpected experiences. Despite being smaller in stature compared to others, the community both at school and the community of fencers around Sydney are so supportive and caring. I would strongly encourage incoming Year 7 boys to consider fencing as a sport to satisfy their childhood dream of duelling like Monty Python.

Being in a school with so many like-minded ambitious individuals has continually motivated me to try my best and to join numerous extracurricular activities. Being in an all inclusive environment has

fostered friendships that extend beyond just my cohort, and it was been a truly rewarding experience to learn from students of all ages.

To the incoming Year 7s and all future High boys, I highly recommend grasping every opportunity that Sydney High has to offer, as it has compelled me to grow as a scholar sportsman.

## SBHS P&C Association Needs Your Help

Your SBHS P&C Association makes important contributions to the life of the school through the following activities:

**Engaging** with all parents at SBHS to ensure they understand how the school runs and being available should there be problems that are not easily resolved through the usual school mechanisms.

**Organising** forums and public discussions on important topics of relevance to the HSC.

**Assisting** to run fund raising and social events at SHS.

**Ensuring** that various school activities progress smoothly – such as providing community representatives on teacher recruitment panels and parent membership on various school committees.

**Overseeing** the parent support groups that are attached to the many co-curricular programs.

As parents at SBHS, we are very fortunate that our sons are being exposed to the most unique education possible in NSW, as SBHS is both a GPS school and an elite school within the NSW public education system. For SBHS to run its many varied programs requires an active P&C which can only come if we have dedicated parents involved.

Disappointingly at the last AGM a few weeks ago we could not find a parent volunteer to take on the role of P&C President. So now we are trying a new approach to recruiting members of the P&C Executive (President, Vice Presidents, Secretary, Treasurer and Committee Members). This will involve asking for volunteers to “shadow” current Executive members so that in 1-2 years we have willing parents to step into these roles. My particular job will be to work with 2-3 parents (hopefully from Years 7 or 8 or 9) with the goal being to have a P&C President ready to take on this important role by mid to late 2018. Other members of the P&C Executive will work with the new volunteers to ensure a smooth transition to the P&C Executive in the near future.

Can parents who would like to contribute to the P&C give me their names/mobile/email contact details and I contact you to discuss what is involved and how we might all work together to ensure there is a steady stream of volunteer parents taking on P&C roles.

I have a son Tim who is just starting Year 12. Since Year 7 my wife Pit and I have worked in various SBHS committees or school activities and it has been a great way to learn how the school works, what opportunities there are for boys, and how we can help our sons achieve their goals. Don't miss out on getting involved with the school and your son's education because time will pass very quickly.

Please contact me on [ronald.trent@sydney.edu.au](mailto:ronald.trent@sydney.edu.au) or 0417431677 if you are interested in contributing to the P&C or want to know more about the P&C. Early in 2018 we will get the volunteer parents together, meet with the Principal Dr Kim Jaggard, and move forward on this initiative.

Have a great Christmas break and a happy and safe 2018.

### From the Canteen

A reminder that canteen will only be open for breakfast and recess on last day of term.

We would like to acknowledge following helpers who came in last week:

- Mon:** Anita Bu, Xia Zhou, Razni Nazar, Usha Arvind  
**Tues:** Vivian Huang, Yu Liu Frank, Katherine Ng, Becky Ralph.  
**Wed:** Jennie Chiu, Joanne Wang.  
**Thur:** Xing Ping Zhang, Pit Trent.  
**Fri:** Sam Guo, Penny Chan.

Special thanks to parents who helped make lunches during the Cricket Five Highs Tournament.

If you can spare a few hours, please speak to canteen staff on 9662 9350. We rely heavily on support of parent volunteers to sustain our extensive menu and also keep costs down. We are therefore able to return all profits to school community.

On behalf of canteen committee, wishing everyone a restful break. We look forward to your support in 2018.

### CHESS NEWS

Our players had an enjoyable and successful day on Wednesday 6 December at the annual chess invitational at The Scots College. This year the competing students were from James Ruse High School, Sydney Grammar School, The Kings School, Knox Grammar School, Newington College, Randwick Boys High, Sydney Girls High, Pittwater High, Marist Brothers Eastwood, Glenside School, St. Ignatius College, Macquarie Fields High, Marcellin College Randwick, Homebush Boys High and of course the patrons, The Scots College.

Our players were Peter Boylan, Henry Chen, Amerthan Thevathasan, David Zeng-Yin, Harry Wu, Ryan Lee, Kalaish Stanley, Ryan KC, Jack Keating, Dean Nguyen, William Wibawa and Dean Rong.

Congratulations go to our winning teams from Junior As Harry Wu, Ryan Lee and Jack Keating, who won the cup for Best Junior Team and to our Senior A team consisting of Peter Boylan, Henry Chen and Amerthan Thevathasan who were placed third in the overall competition.

Well done to our boys and congratulations to the winner James Ruse Agricultural High School and also to Sydney Grammar School as were runners up.

### Animal Rights Workshop

The Animal Rights Workshop on Monday was an enjoyable and enlightening experience. *Voicelless*, an independent, non-profit animal protection organisation really opened our eyes to the cruelty facing animals while in captivity or caged during food processing. *Voicelless*. educate, inspire and mobilise a new generation to think critically and make positive changes for animal welfare. Not only did we learn a lot about how animals are treated, but we got to be in one of their YouTube videos too! The debate on animal rights was engaging and very enlightening. In the afternoon another animal rights group *Animal Liberation*, a charity organisation whose goal is to allow animals the right to live free from human intervention, came and lectured on taking a more proactive stance for the release of caged animals. They provided insight into several of their campaigns and campaign strategies. They also highlighted the many problems they face when trying to make a difference and put into perspective for us, what is truly needed to eradicate animal cruelty. Overall, the workshop was a complete success and made for a riveting day with many like-minded peers.

FROM THE JUNIOR LIBRARY

### Star Letters To Our Stellar Monitors

Our library staff were blown away by the courtesy, generosity and cooperation of our boys while visiting the Junior Library. We love the fact that you use your libraries in such great numbers. (over 80,000 users in our Junior Library alone) We love that you put your chairs in and do not mess up our shelves. We love to see you working quietly in our library.

And most of all we are so amazed by the incredible amount of work our huge team of library monitors does for us. Without their help our library catalogue would not have book covers for every book in our library. **Our library monitors have assisted us for 651 hours this year.** How incredible is that?

Without your help we would not have our count of break time users completed – 36,000 users in break times.

Without your help our shelves would not look perfect or be in perfect order or be so clean

Without your help our new book covers would not be beautifully and neatly displayed in our library corridor.

Without your help we would not keep up with trying to obtain complete series for you to read. And so many other jobs would not be completed!

**So we have entered you on the Star Letter system for over 5 hours of voluntary work.**

Parents if your son shows you a Star Letter please have a look at the hours he volunteered. Many of them are true heroes. Please tell them how proud you are of them.

Monitors particularly worthy of mention are: Dinan Pingamage 10T 50 hours this year, Nicholas Nguyen 11F 48 hours, Ricky Li 11F 47 hours, Yu Ming Lee 7T 36 hours, Liam Heng 10R 34 hours, Nathaniel Andrews 7M 31 hours, Kushal Sreedhar 8E 27 hours, Genting Lu 1F 26 hours, Lawrence D'Mello 9T 25 hours.

We would also like to thank the daily office boys who close our windows and shut down our computers every day. Your courtesy and help is greatly appreciated.

### CLICKVIEW over the holidays

If you have a Smart TV you might like to explore SBHS resources which our Library Staff have been loading onto SBHS resources in the way of films and curriculum or general knowledge documentaries. We are gradually building up a solid collection for students to view from home. Just get into ClickView.com and use your school email address to log in.

Happy Christmas and happy reading holidays!

# SHOOTIN' HOOPS

## 225

---

Welcome to the last Shootin' Hoops article of the year! Make sure to keep balling over the holidays, so High can be raring to go from day 1.

The 15s and Opens CHS competed last week in the National Championships in Melbourne. 15s had a strong run in the U17s competition, knocking off Knox Grammar and Mountain Creek State High convincingly on the first day. Day 2 was more challenging, but managed to get over the line against Whitefriars Secondary College by three points, but had a tough loss to McKinnon Secondary College in double overtime by one point. Their last pool game the following day was a comfortable win against Alkira, and the ladder saw a three-way tie for first place between High, Whitefriars and McKinnon, with High placing second for for-and-against. The quarter finals saw them facing off against Encounter Lutheran College, and High won by 14 points. The semi finals was a blowout win against Penleigh & Essendon Grammar, solidifying High's chances for a shot at the gold medal. Unfortunately, the team had saved their worst game to the worst time possible, and had an upset win against the eager Whitefriars. Still, the team showed a lot of promise going forward, **many of them going into senior school having played tough competition who were up to 2 years older than them. The future is promising.**

Opens were playing in the top division in U20s, and the first game was against a one-man show team, Hillcrest Christian College. The boys did their best, but went down in the end. Next up was a game against The King's School themselves. High was up for most of the game, but slipped towards the end of the game and narrowly losing. After a full day's break, the boys were fresh for the third day, and managed to grab a W against a St Josephs College of Victoria (that is, not the Joeys we know in the GPS). But the last game was a narrow loss to Henley High. Overall the team placed third in their pool, and in the quarter finals they played Barker College, but once again let the game slip through their fingers, missing out on a spot in the top four. The team had some discipline problems at times, was well coached and learnt a lot about how to improve going forwards. Let's see how Term1 progress'.

Thank you to everyone who went on the trip to Melbourne to make the trip possible - it was a terrific experience for all the boys. Thank you to Mr Hayman, Mr Higgins, Tom Neal, Peter Jeffery and Erik Dorbek for giving up their time to coach our teams and Bruce Gordon for managing our week and being at every game to look after us, and making sure our bodies always have enough electrolyte!

### Rowing Report Saturday 9/12/17

An early morning brought all the rowers to the sheds for the inaugural sheds race, a 'fun' 4km race from Kissing Point wharf back to the sheds. With all Sydney High crews participating in this staggered, handicap race, the Parramatta river was swamped with High crews racing. The sheds race is a great opportunity for some of the junior crews and the parents to see the progression going through the years, and definitely a highlight event of the season, wrapping up the year of racing before Christmas. Crews ranged from the Year 8 boys in their first season of racing, to the senior boys in their 5<sup>th</sup> and 6<sup>th</sup> season of racing, all participating and trying their best in the annual race. Special thanks go to MIC Mr. Barris and all the coaches who helped organise and run the chaotic, yet fun event.

Shortly after the sheds race, was the 1<sup>st</sup> VIII versus the Old Boy's Vllls (almost) annual race. Two Old Boy's crews (one being the classes of 2004-2006, and the other from classes 2013-2016) came down this year for the highly competitive, slightly unofficial race where winning was the priority, and crews making some slightly shady decisions to achieve such a goal. Some dodgy starts, some quite large washes and a couple of curvy courses affected all the crews, with the school's 1<sup>st</sup> VIII, Australian rower Dom Grimm's crew (sorry Mischa) and Wesley's coaches (and Dennis) crew having a very messy, yet fun race. Despite some controversy of where the finish line

actually was, the school 1<sup>st</sup> VIII managed to just pinch the race and ultimately won bragging rights. This was followed by a bite to eat and a time for the rowers to meet some of the old boys, wrapping up a fun day of racing and the 2017 half of the rowing season.

# Bring Your Own Device 2018

## PRODUCT OPTIONS

The Sydney Boys High School BYOD program applies across all year group. If you're looking at replacing your existing device for the 2018 school year, consider purchasing a recommended device.

Recommended devices meet the school's **Device Specification**, so no worrying about whether the device is suitable. All feature a **three year warranty** and optional insurance for peace of mind, and the school will act as your warranty agent.
