

From the Principal High Talent

Zenith is a Student Opportunity Handbook that has been emailed to students and placed on the student portal. It is a comprehensive compendium of activities that students at High have access to. It is entirely a student conceived and executed initiative. Thank you to Harry Wu (11R) and his editorial team for all their work – Ryan Ong (11M), Yifei Wu (11E), Ashwin Rao (11M), Teodulfo Jose Reyes (11S), Dean Nguyen (10S), Anson Chan (11T), Yu Ming Lee (10T) and Abrar Chowdhury (9F). Thank you to Ms Pride for her mentoring of the boys during this project. At the 2020 Sydney Olympic U15 Cup, Oscar Shi (8s) won a bronze medal in sabre. Great job, Oscar! Kieran Guan (12R) represented Australia at the Winter Youth Olympic Games held last month in Lausanne, Switzerland. Kieran was the only short track speed skater from Australia qualified for the competition. Kieran competed in two events 1000m and 500m. His final ranking was 14th out of 32 for the 1000m. Congratulations, Kieran, on your efforts as an Australian Youth Olympic representative!

At the first GPS swimming carnival our High team had some great results. Peter Zhao (9T) won the 14 years 50m freestyle Division in 28.41. Fraser Wait (9S) won the 15 years 50m freestyle Division in 26.80. Brian Ahn (8M) won the 50m breaststroke in 36.35 and came 2nd in the 14 years freestyle Championship in 28.12. Jaden Yi (9T) won the 15 years 50m freestyle in 26.65, placed second in the 15 years 50m

breaststroke and came 3rd in the 100m freestyle. Leo Zhuang (7M) won the 13 years 50m breaststroke in 39.39. Ike Matsuoka (11M) came 2nd in the 17+ 400m individual medley and

3rd in the 800m freestyle. Jasun Xu (8E) was 2nd in the 14 years 50m breaststroke. Benjamin Marcellino (8R) placed second in the 14 years 100m freestyle. Brian, Benjamin, Peter and Jasun teamed up to win the 14 years 4x50m freestyle relay. Jaden, Fraser, Edward Brownlie (9M) and Edwin Cho (9S) won the 15 years 4 x 50m relay.

Weights Room for 2020

High's weights room offers exceptional value for money. The room has appropriate equipment for preparing the bodies of teenage boys and crucially, it is constantly supervised.

When handling weights technique is vitally important, and boys need to learn the correct way to lift. Kurt Rich, our Head Strength and Conditioning Coach, is a well-credentialed and experienced trainer. His presence ensures that the boys are training safely and sensibly. So, as well as getting gym facilities, **members have a trained supervisor and adviser to help them during their unlimited visits.** The Weights Room operates much more effectively if all boys get their training in how to use the various pieces of equipment and in proper lifting technique, as soon as possible. Kurt Rich provides this service at the beginning of each year and can tailor individual programs for members after the introductory sessions. Having a fixed clientele makes his job more productive and leads to a better training experience for members and better strength outcomes for participants. Hence, we decided to close off memberships by the end of February each year. Boys who have not paid by that time can no longer attend the weights room.

Costs for this service are held down to a minimum and reduced by boys taking out a full year's membership. For 2020, a **full year Weights Room membership costs just \$258.** Boys wishing to have full year membership must register and pay by **Friday 28 February, 2020.** There will be no extensions of time. MICs or coaches wanting to enrol a team or squad in the weights room after 28 February may negotiate with the Principal.

Appreciation for Doing The Right Thing.

I received the following email last Friday.

'By chance yesterday I found myself travelling from Surry Hills to Central on the light rail. It was a little after school had finished for the day, so the carriage was full of boys. As I entered two of your boys stood, without any encouragement, left their seat and asked me to take it. While no doubt I look old to young boys I am only in my early 60s, fully mobile and thus their actions were not necessary. I was surprised, being used to typical student behaviour on other lines, and very impressed - they are great young gentlemen. You and your team are doing a wonderful job if those boys are typical of your school. Best wishes to you, your team and your boys...'

I commend the students concerned and hope that every High student travelling by bus, train or light rail, would behave in the same way. Be mindful of others when on public transport.

Summer Sports Assembly

Our special guest, Peter Nevill shared with the assembly his story of persistence, disappointment and eventual success as a professional cricketer. His key message was to persevere against the odds if you have a dream. Peter had to leave Victoria when his contract was not renewed and move to NSW in 2009 for a fresh start. Ultimately, he played test cricket for Australia 2015-16, taking 61 catches and making 468 runs @ 22.3. He was proud to have been able to live his dream and realise his goal, no matter how long it took. My speech to the assembly is reprinted below:

'Turning to our other focus for this morning's assembly, summer sport, I extend a warm welcome to our special guest Peter Nevill, NSW Blues cricket captain. I want to acknowledge our teams on their term 4 efforts in 2019 and encourage them to work hard together for the rest of the season. Our cricket program is being led again by David Smith as MIC and cricket Coaching Coordinator and Darius Visser first XI coach. Thank you to all our coaches and to the members of the Cricket Committee for their work. In basketball, MIC, Coaching Coordinator and first grade coach, Ben Hayman, has again managed a successful program. The Basketball Committee members are as tireless as ever in their support. Thank you to everyone involved! In sailing, I want to thank MIC Matt Cotton for his efforts again this year. His relationship with Woollahra Sailing Club is strong. The boys have their own coaches. I would like to recognise the work of Sailing Committee in raising funds for sailing through their catering for school events. Thank you to Jessica Millar, MIC of Water Polo for her efforts this year. Peter Loizou is continuing as MIC of Swimming. Thank you again, Peter. I trust school support for the GPS carnival will remain strong. Well done to Kurt Rich has managed tennis very effectively as MIC of tennis and to David Deep, our Coaching coordinator and Head Coach. We have high hopes for the GPS

competition this year. I congratulate all boys selected in GPS teams this season. Remember, automaticity in skills can only evolve from sustained, deliberate, intense and purposeful practice. I wish you all well.'

Meet the 2020 Prefect Intern

Could you give us an introduction about yourself and your role?

My name's William Winter, I turn eighteen in May, I'm a Taurus, pop culture lover, Feminist, amateur singer, creative writer who's usually lost in my own thoughts, and lover of the oxford comma. My pronouns are he/him. As the Equality Prefect, my role in the school is to lead the Equality Committee in advocating for equal treatment for people of all ethnicities, religions, genders, and sexualities through programs such as Wear it Purple Day, as well as Poster competitions held throughout the school years. As the Arts Prefect, my role is to advocate for the Arts (and Humanities) as an important part of any student's education, and essential to a holistic experience in high school.

Why do you consider the Arts important in school?

The school has strong Art, Music, and Drama programs, and as the school's current longest-serving drama student, I feel it's so important to promote the great work our students not only perform, but often devise themselves. The Arts are integral to people's lives – we all consume art, and music, and cinema, and television,

and cultivating artists who help produce this content is so important in ensuring the future is full of creatives helping ease life's sorrow and reminding us of the joy we so often forget.

What changes would you like to see in the culture at High?

Often, phrases used by students which find their origins in bigoted opinions are employed due to a lack of knowledge/understanding of the implications they can have. As a once closeted gay student at the school, although the community and teaching staff were highly supportive, hearing people passively use homophobic slurs felt degrading, not because they were necessarily homophobic, but as a vulnerable student it affected me easily. This can be applied to other minority groups in the school, especially considering our wide diversity of ethnicities and faiths which find their home here. I guess the biggest change I'd like to see is more understanding from students on the impact their words can have on vulnerable communities, especially in times like now with the extreme polarisation and politicising of people's identities.

What advice would you give to a student needing support?

Firstly, if the situation is urgent, go see a deputy or year advisor and speak to them. It can be intimidating and scary, but the staff at the school are here to support you, and will always prioritise your welfare. The school's anti-discrimination officer is Ms. Stephens, and you can report discriminatory incidents of any severity through the

'Discrimination and You' section of the Student Portal anonymously. The Prefects are also able to support you if you don't feel comfortable talking to a teacher or feel you can't, especially myself if you're seeking support regarding your gender or sexuality. I think the biggest thing to remember is that there is a whole world outside of school, and this is not your final form. You will grow, and change, and find your people if you haven't had the chance to do that here.

A P&C Welcome Evening for new parents will be held in the Great Hall from 5:30pm to 8pm, having been postponed due to the 14-day coronavirus quarantine period.

This event is a great opportunity to learn a bit more about the school and its processes including a Q&A session, while also getting the opportunity to meet other parents and staff within the school.

Please register your attendance on this link: <https://bit.ly/2vAV3Hu>

Please do not bring your son (the newly enrolled boy) or other younger children. There is no crèche available and sitting in the hall may be uncomfortable for some young children.

High Canteen Needs YOU

Open daily from 8.30am, High Canteen raises substantial funds for school projects each year. This is possible only due to the prudent business model adopted by canteen managers Karen & Tracey as well as the generosity of our parent volunteers. Our parent volunteers in fact, form the backbone of our school canteen.

Each day, 3-4 parent volunteers are required to help

**Thanks
to Our
Volunteers!**

prepare our extensive menu that includes soups, salad, hot and cold rolls, sushi, wraps, sandwiches, burger, rice and pasta. Parents also serve at canteen windows during recess & lunch. This greatly reduces our operating costs and allows canteen to revert all profits to P&C. Our extensive menu and reasonable prices can only be sustained due to the valuable contributions of the parent volunteers who so generously give their time.

If you have a few hours to spare each month, please ring 9662 9350 or email canteen@sbhs.nsw.edu.au.

Many hands make light work. Full training will be provided and language is no barrier. Canteen is a welcoming workplace and offers a great opportunity to network and learn about High values & ethos. **Working with Children's Check is essential.**

Seeking New Committee Members

High Canteen is managed by a sub committee of P&C. We are urgently looking for parent volunteers to take on committee positions such as president, secretary, volunteer coordinator. Committee meets at school on a second Friday. Full training will be provided by outgoing members. Bulk of role can be conducted remotely. All members of current committee retire in 2020.

High Canteen is a Healthy Canteen

Please continue to support the school canteen as we expand on the healthy eating initiatives. Embracing fresh and wholesome foods, reducing portion sizes and knocking back sugary treats are the pillars on which the strategy is founded. Our already extensive menu is constantly updated with seasonal variations and daily specials. We also cater to special dietary needs. Check out the new menu. Did you know that you can pre-order online and in person before morning bell. This will also help reduce food wastage and cut back waiting times.

Cashless Payments

We encourage more students to use the tap n go payment option through Student TAG. Check student or parent portal for further details. This greatly reduces waiting times and cash handling.

Sydney High Regatta 8 February 2020

The Rowing Committee did a fabulous job in preparing Bayview Park with food, drinks and programs to ensure the annual Sydney High Regatta was a well-prepared event. Not even the predicted high winds and heavy rainfall stopped the parents from putting on a wonderful event. All quads got to showcase their improved skills and all learnt valuable lessons in how to row hard and well on race day.

only two of six races in Melbourne the Sydney High School Year 10 Vllls stormed out of the blocks to win the opening races of the Sydney leg. After some hard racing on a wet and windy day of racing on Friday Sydney High won back the Parra Yarra cup.

Crew of the week – Year 9 3rd Quad – finished 2nd place at the High Regatta

SHOOTIN' HOOPS

259

Welcome again to another Shootin' Hoops for the 2020 Season! Last week, High faced St Joseph's College, one of the weaker teams in the competition.

1st Grade

High's Firsts played out a very comfortable game against Joeys, winning by an ensuring 13 points. Led by Eoin Fitzgerald with his effortless scoring, as well as Mitch Sawyer with an impressive 18 productivity, High followed Mr Hayman's plan and dominated the majority of the time. Joey's big crowd made for some great energy in the gym once again, keeping things interesting and tight at certain joints of the game. Our Firsts' multiple efficient defensive possessions inevitably meant trouble for Joeys, who found themselves helpless against our lethal offensive weapons inside and out. Promptly, another easy game for First Grade, who maintain their insatiable hunger for winning the premiership this season and play a lot of great teams in the coming weeks. Support them in our gym this week!!

2nd Grade

Seconds also faced Joeys this round, and were down a crucial big man, with Yi Tian Zou unfortunately out for the season with a dislocated finger. Nonetheless, our relentless thirst for a comeback from the last game we

played still shined through. Talent and skill from William Jovanovic, with his sweet 15 points, and Andrew Kim's 9-point debut were positives that essentially guided the way for a 53-42 W. However, the most vital part of this win was doing the deed of what Seconds were told to get done. *Limiting turnovers, boxing out, grabbing boards, and staying positive towards each other all the time.* High accomplished all facets, and as such it came to no surprise when we eventually overcame Joeys when the buzzer sounded. Seconds look to take out a 'must win' game this coming Saturday against Scots.

15's

The 15A's were the only 15's team that competed, due to the rainy conditions. Unfortunately falling short by ten points in the loss, many positives were taken from this game. Once again Danil Vasiliev led with 15 points, as the 15A's strive to improve their chemistry and overall game. Gallant effort boys!

Make sure to keep grinding, and remember to come and support Sydney High's 1st and 2nd Grade teams this Saturday. The 2nd's ball up at 10:00am and the 1st at 11:15am on the High Courts.

Award scheme points if you get your ID card scanned after the firsts with Mr Higgins.

Go HIGH! Play Hard, Play Smart and Play Together!
Thanks to everyone who makes Shootin' Hoops possible

HIGH RUGBY COMMITTEE AGM 2020

Help be part of another great year of High Rugby

Monday 24 February 2020 6.30 pm - SBHS Staffroom

Everyone welcome.

Many boys leave SBHS saying the best decision they made at SBHS was to play Rugby because **friendships made through High Rugby last a lifetime.**

We encourage all SBHS parents to attend the AGM for Rugby. All positions are vacant and all nominations are invited via email to: CottonM@sbhs.nsw.edu.au

The program can't function without parent support so please come along and join the team.
