

From the Principal

Welcome to 2021!

To new staff, students and parents, welcome to High. To everyone else, welcome back. Let us hope that 2021 allows us to function more like the very busy, open and welcoming school that we usually are, not constrained by lockdowns or attendance restrictions on school and sporting events. I would like to pay tribute to all High staff who kept the timetable running through lockdown and held as many co-curricular events as they could. It was a steep learning curve and a very stressful experience for all. They handled everything thrown at them with an admirably calm professionalism. I know that the students appreciated their efforts. I certainly did.

Staff Changes

We welcome Dr Lynda Pinnington-Wilson as our Deputy Principal – Senior School, replacing Bob Dowdell (2001-2020). Lynda is an experienced Deputy Principal who held positions at Hurlstone Agricultural College and Tempe High School. Having taught stage 6 in

multiple disciplines, her strength is in programming and pedagogy. She has high-level leadership experience in state-wide projects. She will be attached to the English faculty for her teaching load. Fotini Tsavdaridis joins us in the English Faculty to replace Ms Anneliese Mack. We welcome her and wish her well, as we do Ms Cassandra Pride who is relieving Head Teacher English for 2021. I'd like to acknowledge and thank Ms Julie Eggleton for her work in the HT role for several years. Mr Lucas Matto has had his appointment into the Science Faculty confirmed, replacing long-serving chemistry specialist, Colin Harvey. Congratulations, Lucas! Mr Rian Wiramihardja has been appointed as 0.8FTE Teacher-Librarian for the Cec Rubie Senior Library, replacing Ms Suzanne Gordon who served our community well in that position for over a decade. Welcome Rian! Tom Dolan is taking some well-deserved leave from teaching and will be replaced by Tim Davis Frank (SHS-2002). Paul Scrivener (Industrial Arts) is also on leave and will be replaced by Allyson Faulkner this year. Terry Broockmann is making up the load of Mr Gainford and Mr Dowdell in mathematics this year. Best wishes to Tim, Allyson and Terry.

The Governors Centre Update

At the end of 2020, 200+ chairs were stored in the first-floor storage room and sixty or so examination tables. During the holidays, the sound and lighting system was installed in the Governors Centre. This was commissioned outside the SE contract by both schools. Staff training on the system will be conducted for representatives from both schools next week. We have obtained our Interim Occupancy Certificate but need to wait for works on the drainage pit and pumps to be finalised before a full Certificate is issued. The fence fronting Cleveland St. was repaired and painted at our expense. The Schools did not consider they ought to have to pay to have the damaged fence replaced, our preferred option. There are still

defects being attended to by the contractor, but they are of a minor nature. Classes have been held in the facility and the students and teachers are impressed.

Welcome to New Students

At the end of last week, we welcomed new students and their parents to High. The students were addressed by the Principal, Deputy Principal – Junior School Mr Kay, Mr Marcos HT sport, Ms Chan HT Wellbeing and by Messrs Rich and James, the Year 7 Student Advisers. There was a great deal of information given to them in a short space of time. Over the next few weeks, the boys will process it all and settle into school life well.

This week, witnessed by other cohorts, the Year 7 group were formally recognised with a modified 'clapping' ceremony, coinciding with our summer sports assembly. I welcomed them more formally to the school without their parents in attendance, as did School Captain Jivan Naganathan. We outlined what the School could offer them over the next six years and what they could do to maximise their opportunities. In order to compress two functions into one assembly time, we also had our MICs introduce our first and second grade summer GPS teams.

Welcome to New Parents

Thank you to Ana Egeressy (P & C President) and Binh & Daniel Johnsun, who hosted and managed our virtual welcome to new parents evening. Mr Kay and I shared information with parents about the history, institutions and culture of the School. Ms Egeressy made a presentation followed by a Year 7, 2020 parent reflection. Binh & Daniel coordinated a very lively Q & A session. At the height of the Q & A session, 218 people were logged on, some with multiple people viewing. Despite the lack of important face-to-face socialising, my sense was that those who logged on had plenty of opportunity to share comments or ask questions.

Weights Room for 2021

High's weights room offers exceptional value for money. The room has appropriate equipment for preparing the

WEIGHTS ROOM

bodies of teenage boys and crucially, it is constantly supervised. When handling weights, technique is vitally important, and boys need to learn the correct way to lift. Kurt Rich, our Head Strength and Conditioning Coach, is a well-credentialed and experienced trainer. His presence ensures that the boys are training safely and sensibly. So, as well as getting

gym facilities, **members have a trained supervisor and adviser to help them during their unlimited visits.** The Weights Room operates much more effectively if all boys get their training in how to use the various pieces of equipment and in proper lifting technique, as soon as possible. Kurt Rich provides this service at the beginning of each year and can tailor individual programs for members after the introductory sessions. Having a fixed clientele makes his job more productive and leads to a better training experience for members and better strength outcomes for participants. Hence, we decided to close off memberships by the end of March each year.

Costs for this service are held down to a minimum and reduced by boys taking out a full year's membership. For 2021, a **full year** Weights Room membership costs **just \$268**. Boys wishing to have full year membership must register and pay by **Friday, March 26, 2021**. For members who paid in 2020 but could not access the weights room during lockdown for six weeks, we have a discounted rate of \$200 for membership this year.

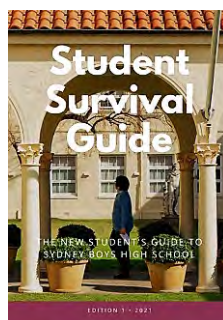

Year 7 only! For those who have qualified for an **early bird discount** by paying their invoices in full, there

is an additional special introductory weights room offer of a full year's membership for just \$155. Don't miss out!

Student Survival Guide

From Coordinating Editor, Harry Wu (12R): 'I'm pleased to present the final version of the Student Survival Guide for new students of Sydney Boys. It is available on <https://www.sydneyboyshigh.com/publications/survival-guide/> I want to thank Harry and his team for the effort and time they have put into this publication. I am confident

that all new students will find this publication enlightening. It works particularly well in combination with Harry's group's previous work - *Zenith: Student Opportunity Handbook* - which describes a wide range of activities offered at High. You can find it on the Student Portal at R:\School Admin\Zenith\Zenith Issue 1. I

commend these engaging resources to you as a quick and entertaining way to learn more about High and what it does. Mr Rich has also produced a PDF *Overview of Co-curricular activities @ High*. Year 7 students can find it on the Year 7 CANVAS page. It connects activities with the names of staff members who manage them.

SBHS P&C Welcomes and Invites Parents to Participate in P&C Activities in 2021

The P&C Team and I warmly welcome all parents, both new and those returning for another year at SBHS. On Tuesday, 2 February, evening we formally on-boarded new parents at our first event for the year. This was our New Parents Info & Welcome Evening. Unfortunately, this year due to COVID, we could not hold the event in the Great Hall where normally parents and staff could mingle over finger food and refreshments. We still had a fantastic turnout with the online format, having 218 participants attending this 2 hour event. We would like to thank all the presenters including Dr Jaggar, Jamie Kay, Steven Marcos, Paul Harapin (President SHSOBU) and Alan Shao (Year 8 Parent) for their presentations on how the school works, how their son can make the most of their education and opportunities at High and how new parents can participate in the school community, the High family.

We'd love to see you in our **February P&C Meeting on Monday 8 February at 6:30pm**. The meeting will be online using Zoom. You will get to hear about what is going on at the school from our executive teaching staff and have your say in our online forum. To keep you coming back to P&C meetings throughout 2021, we have lined up a series of guest speakers so parents can get expert views on issues relevant to them and have a chance to ask questions specific to their situation and debate issues.

To join our February P&C meeting next Monday 8th February, please register at the following link:

<https://au01web.zoom.us/meeting/register/u5UlfumgqDwoGdOr7Iam-oyTihZHPqJm6WxH>

At the P&C meeting, please stick around after the end of the formal meeting and introduce yourselves to us so we can get to know you better! We want to understand your experiences and ideas so we can help you make your time at SBHS enjoyable and productive.

Welcome to the new school year, and a special welcome to all new families joining High this year. I hope that everyone had a relaxing Christmas and New Year break. The High canteen look forward to serving our school community and we also seek your support to keep it operating throughout the year. All profits from the canteen are used by the P & C to fund equipment and learning resources for the benefit of all students.

The canteen is open every school day from 8:30am to 2:00pm for Breakfast, Lunch and Recess. We encourage students to place their lunch orders between 8:30am and 9:00am in person or online, to help reduce food wastage and decrease waiting times at Lunch and Recess. Please consider signing up to Flexischools where students can order online via the Flexischools App or website or pay using their School ID card to minimise the handling of cash. Students also have the option of paying by EFTPOS.

Our Canteen is an accredited "Healthy School Canteen". It serves a variety of hot meals, sandwiches and salads that are made on the premises daily. If a student has specific dietary needs, please discuss options with the Canteen Managers, Karen or Eirini, by visiting the canteen or by phone on 9662 9350. We value any feedback or suggestions to improve our service and menu items. Please do not hesitate to contact us.

Please join us on Wednesday, 10 February, from 6pm to 7pm, for our first Canteen Committee meeting for the year. Please register for the meeting via this [link](#).

2021 Volunteer Recruitment

Our school is very privileged to have a canteen that operates 5 days per week but this can only continue with everyone's support and commitment. All parents are welcome to volunteer at the High canteen. We require three to four volunteers each day for the canteen to function smoothly, so if you have a few hours to spare on a regular or ad hoc basis, please do consider joining our canteen roster by completing the [Canteen Volunteer Registration](#) form. We are extremely flexible and will gratefully accept any time you can donate to the canteen and the students.

Being a volunteer involves assisting in the preparation and packaging of food (i.e. sandwiches, burgers, fruit salad etc.) and serving students and staff at Recess and Lunch.

Volunteering at the canteen is a great way to make new friends and stay in touch with the extended High family. Language is never a barrier and full training is provided. We would like to thank all our parents who have committed to another year and to the new parents who have already signed up. We really appreciate your commitment and support.

1st XI Report v Grammar

For the first game of 2021, High was invited to the prestigious Weigall Oval to face Sydney Grammar for their first trial game of the year. Captain Bilal Abbasi (12S) lost the toss and Sydney High was put in to bat. With an overcast, threatening sky at the start the day, the game start was delayed due to a light drizzle of rain. Nevertheless, High favoured these overcast conditions with Adi Nigul (12M) and Bilal Abbasi picking up early wickets to put High in front early in the game. Anay Baruah (11R) also picked up 2 wickets on his debut for Sydney High. Toward the end of their innings, Grammar, began to pick up the run rate and looked to get the better of High amassing a great score finishing on 9/192. Requiring 193 to win, High in their innings got off to a blistering start with Adi Nigul and Cody Robinson (11T) posting a 45 run partnership before losing a wicket. With 2 more wickets falling, Bilal Abbasi and Adi Nigul out in the middle, managed to steer the innings making a crucial partnership to allow High to stay in the game. Adi Nigul stood out with the bat with 86 runs which provided the base of the innings. Highs bottom order managed to pull High over the line and get them a win to start off the year. Next week High face St. Ignatius at our own McKay Oval in an official game where we will look to get our first official win of the season if we play with same tenacity.

High Tennis Week 1 Summary

Unfortunately, the weather did not allow for much play this Saturday. This obviously has delayed our selections for Year 7 & Year 9. These selections should be finalised by the end of Thursday at 3pm.

Happy to report that some boys did get on the court for some training. In the trial game 1st grade were able to get on for enough time to beat Grammar 7-2 while 2nd grade were unable to complete their matches in what was shaping as a fairly matched day.

Please see the schedule below –

Note* Year 7s will be on camp next Monday 8 – Wednesday 10 February, therefore they will only be attending their Thursday sport time session your son is unable to attend a training session please email:

richk@sbhs.nsw.edu.au & Absences.Sport@sbhs.nsw.edu.au by 5pm Thursday. If your son cannot attend his Saturday fixture, please email before the start of the match.

Holiday Training Report

As with every season, the summer holidays are the last chance for all the rowers to really crack down and get that last bit of fitness work in before the racing season gets intense. With members of the senior squad participating in our annual holiday training competition that involved a mix of running and rowing over the 3-week Christmas break. This year it was won by Daniel who had completed 450km worth of running/rowing over the period. Where his dedication showed through when we returned as a group in January as he achieved a shed record for the annual erg test that had been unchanged for the past few years.

Despite the cancellation of our week-long January training camp, all the boys still managed to come down for two sessions a day and put in both the effort on the water and in the gym. Settling in and refocusing for the final stretch of the season, we find ourselves using what little time we have left to work on our technique and achieve the miniscule gains that compound and eventuate to form a large impact. Additionally, all the boys have worked hard to increase the morale and drive both within and outside of the boat, making the best of the current situation we are in to work collectively and hit a high peak at Head of the River. Remembering that it is with the rest of the boys in the shed that we are ultimately working toward bringing everything together.

Aside from the senior eights, a commendable effort has been put in by every crew in the shed, as even the relatively new junior quads have been putting in daily sessions to help their respective crews out. With the year 10s looking after the year 9s and the year 9s looking after the year 8s, this total sense of camaraderie inspires us as we prepare to tackle the remainder of the season together, hopeful for improving results after a relatively disappointing term 4.

Holiday Training Report

During the Summer Holidays, the High Rowers were busy training and working hard in the lead up to the upcoming Regattas and the CHS competition. When we were on the water we practised our race pieces as well as further refining our techniques. These rowing sessions not only prepared us for the races to come, but we were also kept fit in the holidays. It was great to meet up with my friends and coaches after a well-deserved break. Towards the

end of the holidays, we were fortunate enough to see our new incoming Yr 7 Rowers on the boats for the first time. It was great to see our new Rowers bonding with each other, making new friends and learning to row for the first time. I strongly encourage more Yr 7 boys to become a part of this prestigious sport and join the High Rowing Family. GO HIGH!
