

Year 8 2025 Language Selections

SEPTEMBER 2024

Year 8 Languages

Students choose from ONE of the following options:

- ▶ Chinese
- ▶ French
- ▶ German
- ▶ Japanese
- ▶ Latin
- ▶ Latin AND Classical Greek
- ▶ Latin AND another language (if enough demand)

Language choices should be based on:

1. Interests

- ▶ What provides you with enjoyment?
- ▶ What will motivate you to apply yourself?

2. Strengths

- ▶ Which course are you more likely to succeed in?

3. Future study needs (including Stage 5, HSC or University)

- ▶ Which course might you consider studying in the future?

N.B. Should align with points 1 & 2 anyway

Language choices should NOT be based on:

- ▶ What your friends choose
 - ▶ Different interests, strengths & potentially different classes
- ▶ A specific teacher
 - ▶ The teacher might not teach the subject next year or may teach a class that you are not in

Language prerequisites

- ▶ Students may choose a language not studied in Year 7
 - ▶ Require at least a credit in both languages for Semester 1
 - ▶ Are required to catch up on Year 7 work & demonstrate requisite knowledge at the start of Year 8

N.B this is largely for students who could not do a language they wanted to study in Year 7

- ▶ Students picking up Latin in Year 8 who did not study Latin in Year 7 must choose this as an additional language (offline) – i.e. studying TWO languages in Year 8

Choosing Languages

- ▶ Students make their choices online through Edval
- ▶ You are encouraged to select a course you have studied previously (Classical Greek the exception)
- ▶ Nominate ONE preference, with an optional reserve
 - ▶ Choose ONE language if you only want to study one
 - ▶ Choose Latin + Classical Greek if you'd like to study Classical Greek (this includes a morning class)
 - ▶ Choose Latin + another language if you're interested (will include a morning class)
 - ▶ Add a reserve option if you'd be happy to do your other current language instead
 - ▶ Select the EITHER option if you don't mind which language you study at all out of the two studied in Year 7

Language Preferences

You know what you want (and studied in Year 7)

Chinese (not studied)

French (not studied)

German (not studied)

Japanese (not studied)

Latin (not studied) AND another language

How are these preferences used?

- ▶ Languages are grouped into 4-5 classes on each of the two lines based on student preferences to maximise student choice
 - ▶ Chinese teachers determine appropriate level for each student
 - ▶ It's not always possible for every student to study what he has chosen
 - ▶ Highly demanded courses may have limits due to staffing
 - ▶ Natural cut-off numbers may be needed
- e.g. 32 boys might choose a subject and only one class of 30 may be running. 2 boys will have to be eliminated.

Language Lines

Based on student needs & change most years

- Languages grouped together into two lines with 90 students on each line

Some considerations

- ▶ No decisions on languages made until 9am Tuesday Week 10 – just enter preferences on time
 - ▶ Students submitting late will be assumed to not mind which language they study in Year 8 and allocated a Year 7 language they studied
- ▶ Enter your preferences in Edval early to confirm your access
 - ▶ you can go back and change later if needed
- ▶ Decision on entry into Year 8 Chinese Advanced course based on Year 7 performance in Chinese
- ▶ If choosing TWO languages:
 - ▶ this may be difficult to manage if doing a lot of music programs
 - ▶ You will need to keep both languages all year unless you drop Latin (Classical Greek students must keep both languages all year)
 - ▶ Latin 2nd language is before school, other languages are during school
 - ▶ Offline classes are 8am every week on Tuesday and Thursday
- ▶ Classical Greek may only be selected by students studying Latin in Year 7

What if I change my mind?

- ▶ Preferences close 9am Tuesday Week 10
- ▶ In Week 7 of Term 4 ONLY, after reports distributed, students may email any language change requests to Mr J Kay

N.B. Once timetable lines are formed and the timetable is underway, your new preferences may or may not be possible

- In demand-courses
- Line clashes

N.B. Changing courses at the start of Year 8 is highly unlikely as 90 students fixed on each line

Confirmed Languages

- ▶ Course places finalised end of Term 4
- ▶ Confirmation of places in courses emailed Term 4 Week 9
- ▶ Any students picking up a new language must see Mr Zheng by the end of Term 3 to get resources
