

**From the Principal
High Talent**

Congratulations to Eric Yang (10S) who was judged this year's winner of the Judy Cassab Art Prize (\$2000), sponsored by her son Peter Kampfner. The work was titled 'social distancing'. The judge wrote:

"This is an ingenious and sophisticated work chronicling the state of the world in 2021. The artist has used the ubiquitous blue surgical mask as a symbol of the overwhelming and pervasive presence of COVID-19. In his statement he likens the masks to icebergs and cliffs that dwarf the human race, making his bleak "message" clear to the audience. This

moving work is beautifully painted with exquisite detail in both the mask forms and the miniature humans. The drab and omnipresent grey background, mimicking a corner, also depicts our place in time. This is a thought provoking, yet sensitive, painting revealing both a strong concept and very accomplished painting techniques". (Karen Profilio - Judge of the artworks submitted for the Judy Cassab Prize Competition.)

HSC Examination Progress

The HSC has gone off without a hitch so

far...touch wood. Examinations completed include English, Economics, Modern History, Music 1 & 2, Mathematics Advanced and Extension 2, Ancient History and PDHPE.

Caught Doing the Right Thing

I received a letter recently which I want to share with you. "I am a Chinese woman who is nearly 70 years old. When I took the L2 bus at 8:00am on 1/11 due to the unfamiliar route and poor English (I was anxious). I came across a schoolboy.... carrying a book bag and school utensils. I asked the kid if he could help me, and he said 'yes'. He asked the address very politely and then downloaded the map to help. When we arrived at the station, he saw me with a worried (look) that I was going the wrong way, so he took the initiative to get off the car in advance and accompany me to find the main street. I was moved and asked which school he attended...Thank you for your school's training and education...I hereby thank Gabriel San Zhang (of 7M) for his selfless help." Well done Gabriel!

End of Year Reports

All boys in Years 11, 9 & 7 should have discussed their reports with me. Students with completed Clearance Forms who have not yet had their appointment should sign up for one of the interview time slots on a 'Straggler Reports' that appear on the Waterhouse Desk. Failing that, I am often available for appointments but only out of school time or in breaks. Please make sure that your son meets his obligations to the school and then books in for an appointment to review his progress.

Interpreting Year 8 Reports – Semester 2

When coming to the end of Year 8, some boys do not put much effort into subjects that they do not intend to continue. This behaviour is regrettable but understandable. Parents should realise that such lack of interest in one or two subjects can result in big fluctuations in overall ranks. Such fluctuations will be reflected in ratings on skills and participation by teachers

on reports and by comments from the principal. From one perspective, parents can appreciate better what sort of learner their son is not. It is better not to persist in a discipline that does not excite you. For other students, doing well in the Yearly examination is their objective. They can turn around their cruising first semester with much more self-disciplined effort in the second half of the year. Elective choice going into Year 9 is very important. Students need to follow their interests in a low-stakes choice environment. Some boys change both electives again in Year 10! We offer a wide range of electives for students to experience different learning contexts, with varying content and required skill sets. *Information Processes and Technology* is offered in Year 9 as an accelerating subject and students need to apply using the appropriate form. They need to have their parents' permission and the faculty Head Teacher's support. Also, they have to have an overall rank in the top 100 of the cohort at the end of the year. By the end of Year 8, the generalist focus for secondary education is completed. Stage 5 is characterised by learner exploration and enlargement of perspective. Students start to prepare for stage 6 selections by trialling subjects. Of course, the core subjects are important, and students need to be held accountable for their satisfactory progress. Discuss your son's report from the two perspectives – core and future electives.

Principal

Meet the Prefect

There is a neoclassical sense of grandeur when you first

step into High, whether it be the grand colonnade that welcomes you, the sparse courtyard, or the statue of the god Apollo. High has built its culture on the foundation of those who came before, who walked these very same hallways, arrived late to the same classes, and succeeded in the most outstanding ways – today it is our turn.

The day the 2022 Prefects were announced was very different to the experiences of previous years. We found out from *High Notes* after months of learning from home. Our first meeting as prefects was not one of excited and nervous chatter in a classroom but rather a more muted

28 anxious faces on a zoom call, literally muted by Mrs Rigby. Yet, despite the uncertainties of lockdown, we were united in our determination to work hard for our school and to leave a positive legacy in a place imbued with so much history.

High is characterised by its opportunity and six years flies by. I have tried to get involved with all I can over the past five years and have enjoyed many activities, particularly music, from having inevitably been placed in Ms Miller's Intermediate Concert Band to becoming first clarinet in Ms Kim's Symphony Orchestra. My musical ability has grown; I have learnt to work as part of a team and enjoyed the camaraderie of our annual music camp. As we settle back into school life, I encourage everyone to seize every opportunity available at High and use them to learn new skills, have fun and nurture new and existing friendships.

Over the last few years, some students from boys schools have rightfully been called out for their inappropriate and even criminal behaviour towards women. Society needs respectful, empathic, and socially aware young men who are prepared to stand up against injustice and entitled behaviour even in the face of pressure from our peers. I am honoured to be a part of a group of prefects committed to leading by example, mentoring, and inspiring our fellow students in becoming conscientious young men.

On behalf of all prefects, please don't hesitate to come and talk to any one of us. Whether it's your first week at High or your last, a simple hello, or anything else, we are here to help.

Tim Davis-Frank

- Describe a little bit about yourself and your role at this school.
 - Describe a little bit about your background in education and how you came to be a social sciences teacher at this school.
 - What do you find unique about teaching at SBHS?
 - What is a fun fact about you?
1. I am a Social Science / History teacher who did a Bachelor in Political Economy/Philosophy and a Master of Teaching at Sydney University. I completed my school at Sydney Boys High and represented the school in Football (Soccer), Cricket and Debating. In my teaching job at Sydney Boys, I am teaching Geography, Commerce and Business Studies, and supervising Basketball and Football.
 2. I believe public education and the chance to learn and empower yourself is the most important thing that we have in this country. I have taught in countries all over the world including in a school for refugees in Lebanon, a school for adults learning English in Italy, and camps for teens in Spain and France. The education system we have in Australia is the envy of so much of the world and we must appreciate it and defend it. After working for 3 years helping teachers and communities across the Northern Territory I returned to Sydney with my young family and started working at SBHS in 2021.
 3. I think Sydney Boys is unique because it teaches you to be a whole person – academically brilliant, independent, and physically strong.

4. While I was at SBHS we were undefeated GPS premiers in 2nds Football in 2002. My highest honour!

Ingrid Pepe

- Describe a little bit about yourself and your role at this school.
- I'm a Science teacher at SBHS. This is my lucky 13th year working here!
- Describe a little bit about your background in education and how you came to be a science teacher at this school.
- I studied a Bachelor of Science at UNSW before working in a lab in a pathology practice then did my Graduate Diploma in teaching at Macquarie University
- What do you find unique about teaching at SBHS?
- Great kids of course! The students are always hungry for knowledge which is what a teacher loves. Also, I appreciate the wonderful collegial support here.
- What is a fun fact about you?
- I lived and worked overseas in my 20s teaching at an English language school in Slovakia

Sydney Boys High School P&C Notice

Announcing P&C Committee Representatives for 2022

The P&C held their AGM on 8 November and welcomed a new President, Andrew Hybler, and Executive Team, who will take the P&C through to 2022.

I'd like to thank all the outgoing Executive Team members of 2021 for their commitment to the school community while adapting to the numerous challenges the pandemic has thrown to them.

Thank you to all the parent and carer volunteers for supporting your sons' sporting and co-curricular activities and the school canteen this year. Your contributions were felt deeply and appreciated by our wider school community.

Our school teaching staff became a significant focus of P&C meetings with their presentations and support. Our community developed a closer insight into the important role they play in developing our sons' academic learnings and experience at High.

We farewell our Year 12 parents and students and send our best wishes for their HSC, future adventures, and opportunities.

Sydney Boys High Tennis Trials Continue

Teams are selected and are being prepped for their upcoming trial against Scots this Saturday 20 November, the schedule will be available on the school website. Besides 1st & 2nd Grade your son will be in a team of 5. Each week 1 member of the team will only play singles & 1 will only play doubles; they are referred to a reserve. The other 3 will play both, this rotates each week, however, if your son is late to the fixture then he may have to be a reserve despite who's turn it is. A reminder that at the end of your son's matches (both doubles & singles) they need to report to the coach at the venue to report their score and do their evaluation (see evaluation check list).

Please see the training schedule below. If your son is unable to attend a training session please email me richk@sbhs.nsw.edu.au & Absences.Sport@sbhs.nsw.edu.au by 5pm Thursday. If your son cannot attend his Saturday's fixture, please email before the start of the match.

Team of the Week – 16As

In the first trial match against Joey's, it was the first proper match that our players had faced in quite a while and our intentions were to get our season off to a good start. Winning the toss and electing to bat first, our openers got us a good start with a 56-run partnership. After scoring over just a hundred after the break, we were looking for a big partnership and that was brought about by Ayaan's 50 and Athar's 48 which brought up an 88-run partnership that allowed our tail (especially Zarif) to come in and end the innings well bringing up 267. Coming in to bowl, we

were only looking for wickets, aggressive in our fields and wanted to bowl them out early and this was brought about by Vishruth with a wicket in the first over. Everyone contributed with the bowling but with Vishruth leading the way with 2 wickets and as such we restricted them to only 62 runs thus comprehensively beating them by 205 runs!

Ayaan Hafiz
16A Captain

14As

We lost the toss and were put into bat. We started off well, with our two openers starting to build a partnership. Due to the many no balls and wides many of the runs were not scored off the bat, but the team showed great spirit and skill as they punished the bad balls and converted the good balls into singles and twos. Towards the end of the innings our team accelerated in runs, turning ones into twos and twos into fours. After a very strong batting innings, we were sent out to bowl. Our team showed discipline with their line and length, not bowling any bad balls. We took many wickets in the first few overs causing the other team to fall onto the backfoot. Due to our brilliant bowling, we took many wickets in quick succession getting their team all out. Overall, it was a good effort in batting, bowling, and fielding.

HIGH SAILING

This week, on the water training was cancelled for sailing due to the abnormally high wind. Instead, we decided to turn to the whiteboard and focus on the tactics required to win the race from the start in both match races and team races.

Afternoon teams racing was an educational session which was a reflection on the match racing from the previous week. Match racing really helps you understand the pairing up mechanics needed to win a team's race.

We mainly focused on the start of the race as when you win the start, you put yourself in a great position for the rest of the race as well as what to do in various situations to turn the race in your favour.

Overall, we learnt a lot about the first and most important section of the race. A new black RHIB has also been acquired to help our coaches teach more effectively on the water. Hopefully, when racing comes back, we will dominate from the start rather than have a close race.

WRITE like an AUTHOR

Andy Griffiths says

"I wish this camp had been around when I was a young writer. Storytelling is a craft and the more you learn, the more fun you can have!"

Online Writing Course

Are you a word warrior?
Do you love writing?
Have you ever thought that maybe one day you'd like to be an author? Or do you just enjoy making up stories for friends?

If you'd like to have a book published there are more opportunities for you now than ever before and this course will give you the skills and techniques you need to write awesome stories.

The Course

Write Like an Author was developed by award-winning author and writing coach **Brian Falkner** in consultation with English teachers. It has been tested and proven over many years in classrooms in Australia, New Zealand and the USA.

Who is it for?

This course is for middle-grade students who are enthusiastic about writing.

What will I Learn?

Write Like an Author will teach you the skills you need to construct well crafted, imaginative stories.

Working alongside a published author, you will be taken on a guided journey at the end of which is a story you have created entirely from scratch.

It's the first step on your own road to becoming a published author.

Where? When?

Our Lady of the Sacred Heart Catholic PS

193 Avoca Street, Randwick

18 Jan to 20 Jan
2022

Who?

The camp
facilitator is:
Nathan Luff

Nathan is the author of The Nerd Herd series and the middle grade novels Chicken Stu and Bad Grammar.

Students say

"The best thing was having an author supporting us all the way."
- James (11) - Lindisfarne Grammar School camp

"I loved meeting other young authors and learning awesome techniques that will help my writing."
- Gabriella (14) - Immanuel Lutheran College camp

"It made writing easier for me and explained aspects of stories I didn't really understand."
- Anna (12) - Southwell School camp

DRAW like an ILLUSTRATOR

Holiday Illustration Camp

What will I Learn?

Working alongside a published illustrator you will be taken on a guided journey of discovery. You will learn about thumbnails, storyboarding, character development and much more! You'll find out what makes a picture book great.

You'll discover how to creatively interpret the written word, how to explore colour and texture in new ways to make cool and exciting artwork.

You'll finish at least one illustration, perhaps a series of pictures that you could develop into a book.

But most of all, you'll have heaps of fun!

Students say

"I liked how we did lots of individual things and then a main illustration at the end. All the exercises were really fun!"
- Miro (12)

"They really care about what you are creating and do the best they can to help you achieve your goals."
- Ben (14)

"I learned to be brave and take risks."
- Carina (12)
