ARRIVING AT ETERNITY'S GATE

The V-Fest Student Video Festival run by Rose Bay Secondary College have announced the competition results and Matthew Awad (SHS-2021) has come first in the Senior Division and Eric Wu (SHS-2021) was selected for the People's Choice Award. Well done, lads!

Scholarships Awarded

I was pleased to award this year's scholarships to very deserving students in a very impressive, strongly academic and involved group of applicants. Matthew Lam (10M) was awarded the Sir Roden and Lady

Cutler Foundation Inc Scholarship for 2022-23 valued at \$6,000. Martin Lee (11E) won the Phillip Day Memorial Scholarship (\$1,500). Encouragement Awards were given to Xavier Perry (8M) for \$500; Landrie Zuo (10F) for \$300 and Ric Hou (8R) for \$200. Congratulations to all!

The Old Boys Bursary Program

The *Old Boys Bursary Program* began in 2018 with the generous support of Bruce & Annie Corlett (SHS 1961). Along with Ron Schwartz (SHS-1961), Bruce set up the first group of four bursary recipients who were granted \$2,500 each to support them in their involvement in school life. The rationale was that students whose families were struggling financially might have to limit the opportunities available to their sons because of the cost of participation. A

powerful driver of the program was a newspaper interview of an Old Boy who remembered feeling different to others in his year because his family couldn't afford to buy him a school blazer.

Old Boys from graduating years 1952 to 1994 have rallied around to support this cause. In 2019, we were able to fund 11 bursaries @ \$2,500 each. For 2020, there were 22 bursary recipients, supported by donations from 40 Old Boys. In 2021, we offered 25 bursaries at a cost of \$62,500. For 2022, we have granted 29 bursaries to families in need to the value of \$72,500. Pledges to the program now total >\$617,000. Our target is to raise \$2,500,000 to establish a self-sustaining fund to assist students in necessitous circumstances who have the academic ability to be a High student but cannot engage fully in school life even though they would like to, due to their personal circumstances. If you are an Old Boy and would like to help, please contact me at jaggark@sbhs.nsw.edu.au and I will put you in contact with the Old Boy from your Year group who has been the trailblazer in donating to this most worthy and rewarding project. *Public Education – Worth Investing In!*

Collection of Reports

All boys should have collected their reports. Regrettably, there are still some students in each year group who have not fulfilled their commitments and completed their *Clearance Forms* and booked an appointment time to see me to discuss their progress at school. This is an important step in our feedback loop, and I insist on speaking to boys **personally**. Boys can come and get their reports before or after school and at lunch or recess on most days, unless I have appointments or have already set aside a time to chat with boys about their reports. There are also sheets provided for '*Stragglers' Reports*' for an hour or so on selected days. Boys just need to make an effort to comply with policy and come and see me. Once I have had a short feedback session with each boy, his report is loaded onto P drive and from there to each student's folder. Appointments can be made up until the end of the school year by filling in one of the sheets on the Waterhouse desk in the corridor or by just dropping by before school, recess and at lunch

(except Tuesdays). The benefits of my interactions with boys lessen if the discussion is too far removed from the assessment events being discussed.

Year 12 Portfolios

Year 12 Portfolios can be collected from my office on presentation of a completed Clearance Form. Included are school references, any certificates earned, unclaimed hard copies of reports, Student Award Scheme medallions and plaques. Trophies and higher-level awards are reserved for Presentation Night in 2022. Everything has been delayed due to the later HSC timetable. Drop in next week and get your portfolio.

Notice to Year 10 Students and Parents

The *Life Ready* course is **mandatory** for all students in stage 6. At High, we cover the bulk of the course in the **last few days of Term 4 in Year 10**. The workshops and guest presenters are only available once, and in this time period only. Any student who misses this course will have to work through **25 hours** of DOE materials in his own time, incurring significant extra cost. It is very important for all boys in Year 10 to be at school in the last days of the year. **Parents of Year 10 students are advised that they should not plan holidays beginning before the end of Term 4 for their families and thereby miss this mandatory experience.** I am giving advanced notice that I will **not be approving extended leave for travel to Year 10 students** during this important curriculum time unless the circumstances amount to an emergency.

THANK YOU VOLUNTEERS!

Another year has passed, and it's been great to see the High Spirit in full display throughout the year. Although it's been a difficult year, our wonderful volunteers have continued to work tirelessly in the background, supporting the school, our students, sports, and co-curricular activities. A special shout-out to the School Canteen as it requires many volunteers on a daily basis. THANK YOU for your contribution!

We have a number of parent volunteers leaving SBHS as their sons graduate Year 12. SBHS P&C would like to thank all Year 12 volunteer parents leaving SBHS for your service and we wish you all the best. Please stay in touch through our social media.

PDC and WESTMINSTER CHALLENGE!

Despite the Debating season having officially finished, Debating continues! This last week, the Year 10 PDC team of Abrar Chowdhury, Octavio Carbajal Zapata, Landrie Zuo and Agastya Govind made it through a tough

debate against Concord High School and will compete this week in the Semi-Final of the PDC against Penrith High School. Thank you to Ms Cook who has been organising this competition for the boys. Good luck!

To keep their skills up, the Year 11 Team of Jerald Joseph, Tim Hanna, Archie Wolifson and Nikolai Shchekochikhin as well as the Year 10 team competed in a couple of friendly debates against the Westminster School, London. Starting at 6.30pm for our students (and 7.30am for Westminster) it was a great opportunity for our students to compete against a school with a very different debating style. Our boys did very well.

A huge thank you to our Head Coach, Alex De Araujo for arranging this opportunity as well as coaching the boys and sharing the adjudication duties.

Debating will start again in Term 1 next year with Friday afternoon coaching, the Eastside Competition (coordinated next year by Rian Wiramihardja) and the FED Competition (coordinated by Jeanette Cook).

What do you love about Music at High?

High has always had a strong music program. The Music

Camp provides the opportunity to immerse yourself in a dynamic environment where you learn and are inspired by teachers, old boys, and current students. I still remember the 2018 Music Camp Concert in the Great Hall. I recall being swept away by the Senior Concert Band playing the main

theme of Star Trek - Into Darkness. Nothing beats live music. High's Music program is captivating and beneficial for students due to the dedication from our passionate teachers and tutors. No matter your skill level or instrumental background, High caters to students with a variety of orchestras and ensembles that provide memorable experiences and performances for High's community. If you are someone who is passionate about music, I encourage you to be involved in one of the many orchestras or ensembles offered at High.

What is the Old Boys Union and the SHS Foundation?

The Old Boys Union (OBU) is a network connecting all the current students, old & recent graduates, teachers, and parents of Sydney Boys with each other. The OBU embodies High Spirit with Old Boys giving up their time to contribute back to the school through various webinars and information evenings. Within these events, students and parents are given a deep insight into different industries (e.g. IT, Law, Commerce) and the transition from high school to university and beyond, through the speaker's life experience. I urge you all to come to these events as they give great insight for possible future paths beyond the school. The OBU also organises reunions for previous years. These events provide a great way for old boys to network and catch up with High classmates.

The SHS Foundation provides and manages facilities and programs which improve students' experiences during their time at SBHS by overseeing crucial facilities like the Outterside Centre, Fairland Pavilion, Governors Centre (jointly with SGHS) and the High Store.

Please feel free to reach out to me if you have any questions about the Music Program, Old Boys Union or SHS Foundation.

For our last *Meet the Teacher* for this year, we'll get to know Mr M Gainford

Describe a little bit about yourself and your role at this school.

I have had the pleasure of teaching Math at this great school since 1975. During that time, I have been OC Cadets (for twenty years), coached Rugby for about thirty-five-years, and been involved with junior rowing up until the present day. I have been made a life member of CHS Rowing twice.

Describe a little bit about your background in education and how you came to be a mathematics teacher at this school.

I did degrees in Science (Computer Science) and Chemical Engineering at Sydney University, before deciding to be a teacher. I applied for and was granted, a position at High, and I have never left.

What do you find unique about teaching at SBHS?

Firstly, the boys, and their mutually supportive attitudes to study and success in the academic field, and secondly the AAGPS/CHS connections which make the school unique, in the sporting field. These two aspects of the school, when in balance, lead on to success for the pupils, and the school as a whole.

Do you run any co-curricular/extension programs at this school, and if so, what are they?

I am not currently running any programs, except if you count the house points arrangements, but have done lots over the years as indicated above. In addition, I served on the AAGPS Committee for thirty years, until 2019, including fifteen years as Honorary Secretary.

What is a fun fact about you?

I have taught 36 Year 7 classes, and all but one was called 7E.

We'll get to know more teachers in the new year!!

Escape Room CHALLENGE

YEAR 9 ESCAPE ROOM CHALLENGE!

During the week commencing 29/11, all the Year 9 History classes participated in an Escape Room Challenge. The theme of the challenge was the Cold War. The immersive experience of the escape room helped entice us to understand aspects of history while also engaging us in an entertaining way. The escape room was comprised of numerous puzzling aspects that if completed right allowed us to decode and unlock secrets, that ultimately led us to decrypt and open the final bomb box to prevent mass destruction. The rooms were set in the 400s and the darkened room alongside the intense music helped set the scene that we were truly defusing a bomb. The use of Cold War puzzles enables a fun and educative environment to deepen our understanding of the topic. The escape room was an enlightening experience and helped break the canvas of normal classroom work. It added an interactive aspect which was able to help engagement within the topic. The use of posters and other props such as typewriters further

helped engage us throughout the experience as it helped set the mood of the Cold War. The use of Cold War propaganda also helped create the scenario that we were really in the Cold War. The skills gained such as problem solving, observation, and teamwork are all essential in the school environment and helped accentuate our learning.

The escape room required insightful awareness to spot the unassuming clues, and piece all the pieces of the puzzles together in order to progress to the next stage and see the bigger picture. The highlight for us was working together to solve all the clues as well as have fun during this one hour of solving. We strongly recommend the escape room as it was very educational, entertaining, and it gave the much-needed enjoyment and socialisation after such a tough lockdown for many people.

I would like to thank the History faculty for organising the escape room for our cohort and carefully crafting each puzzle and riddle within each escape room. We appreciate the effort put into our learning.

Music NOTES

THANK YOU 2021 - 2022 Music Performance Program

This year has been another challenging year for everyone, and the Music Department would like to THANK YOU for your support for the Music Performance Program at Sydney Boys High School.

ALL music ensembles and private instrumental lessons will recommence from Term 1 Week 2 i.e. from Tuesday 8th February unless advised of an alternate start date communicated by the ensemble conductor and/or private instrumental tutor.

Please note:

*Students in music ensembles are responsible and must regularly check the Music Performance Program CANVAS 'Announcements' page for update/changes.

Thank you again for your support this year. We wish you and your families a wonderful Merry Christmas and a great start to the New Year.

Music Storage Room

The Music Department will be clearing out the Music Storage Room from Friday 10 December.

Students who have instrument(s) in the music storage room are advised to take their instrument(s) home by Thursday 9 December.

Any instruments/accessories left in the music storage room will be disposed from Friday 10 December.

Term 4 Music Performance Program

ALL music ensembles are cancelled for the rest of this term. All music ensembles will re-commence in 2022 Term 1 Week 2.

Private Instrumental Lessons will take place onsite again from Wednesday 1st December (before or after school only)

Please note re. Private Instrumental Lessons:

- Students/Parents/Guardians will need to speak with their instrumental tutor directly whether lessons will be online or onsite
- Students will need to bring their own instrument(s)/equipment/accessories (e.g. guitar picks/drum sticks/guitar leads etc.) - items will NOT be loaned and/or supplied by the Music Department
- Students should NOT be participating in private instrumental lessons onsite if feeling unwell and/or showing symptoms (cough/shortness of breath/sore throat/fever/runny nose]
- Parents/Guardians will not be allowed on school site

Parent/Guardian/Student Communication

Parents and Guardians: Please download **SZapp** from the Apple App Store or Google Play and subscribe to 'MUSIC.' Installation guide can be found in the school's High Notes.

Students will be notified of any music news and notifications via the Music Performance Program CANVAS page, school's daily notices and High Notes. Students are responsible to read and keep updated of any Music Performance Program related events/material on a regular basis.

Attention Music Ensemble Students: If you are in the Music Ensembles Program and have not yet received a Music Performance Program Canvas invitation, please email the Music Department: music@sbhs.nsw.edu.au Please note: Students will also be notified of any music related events during ensemble rehearsals.

HIGH SAILING

This week, the Year 11 sailors were out on exams for Wednesday's afternoon session. However, for the remaining crews there was some fantastic sailing in the light winds and only a few minor collisions with no damage to the boats. Thursday's session had the new Year 7 sailors accustom themselves with crewing and skippering the pacers, a large jump in setting from the optimists.

On Saturday, the Year 7 sailors practiced their upwind and downwind sailing under the coaching of Samuel Ezra, the more experienced junior and senior sailors took part in a sausage course Ascham Regatta race, applying their skills learnt from sailing under the guidance of both Hugo and Sam. Returning boys Dylan Huynh and Arion Sclavenitis competed in the Regatta after completing their HSC exam block which saw them place quite well in the third race. After the Regatta, the boys enjoyed a nice Christmas lunch party in the upperpart of the Sailing club. As always, the boys have constantly improved their skill

in their starts and boat control which will see them placing strong in the Term 1 Fleet and Teams racing.
