

From the Principal High Talent

This week there have been a number of sporting success stories shared across our school community. Kane Shields (12R) has been selected to represent Australia at the Oceania Games for the 1500m in Mackay this

June, at the same time that Ryan Chai (7S) will be competing at the NSW All Schools Swimming Championships. Congratulations gentlemen on such fantastic achievements. We wish you both all the best in your respective competitions.

Under 13s Rugby

Meanwhile, a fantastic success story from last

weekend that has been the talk of the school this week is how the Year 7 under 13s rugby team celebrated a

big win against Newington. Well done to the entire team on what was undoubtedly a satisfying victory, and we look forward to seeing your sporting development in the years ahead.

Year 12 Reports

Throughout this week I've had the pleasure of meeting the vast majority of Year 12 students to discuss their progress in the first six months of the HSC and how they plan to maximise their results for the remainder of their secondary studies. I have been consistently impressed with how each student has reflected on his results and study routines and articulated plans to reach his goals. It was great to see the boys

being honest in their reflections and mapping out their next steps. We all look forward to seeing the Year 12s maximise their efforts in the lead up to their next assessments and the HSC itself.

Year 9 Reports

Next week I will be meeting with all boys in Year 9 to discuss their own educational progress. With fewer compulsory subjects (English, Mathematics, Science, History, Geography, PDHPE and Values Education) and the addition of two elective courses in their studies, given the newfound freedom to choose their pathway, students often start to really shine.

While we always encourage boys to have a mature approach to their studies, this becomes more important as they enter Stage 5. Not only do the skills and study routines developed in the junior school place students in good stead for success in their latter years of schooling, but Year 9 boys at High also complete all Stage 5 requirements for the mandatory History and Geography courses in the one year. These compacted courses provide an appropriate level of challenge for the boys, while also allowing them to pursue an additional elective in 2023.

Any Year 9 students who intend to pursue highly competitive electives with limited places next year, such as Robotics or accelerating in a Stage 6 course, will be evaluated against their performance across all assessments throughout 2022. Through reflecting on their results and approaches to learning, the boys will be able to build on their strengths and address any deficiencies in their learning to maximise their study options in Year 10.

Additionally, by this stage in their education the boys should be well on their way to independent learning. The ability to effectively manage their workload within an organised schedule that balances academic, co-curricular and social activities not only provides them with an excellent platform for the future, it also provides them with a sense of empowerment and achievement. Any students requiring assistance in these areas are ably supported by our wellbeing team to help develop these skills.

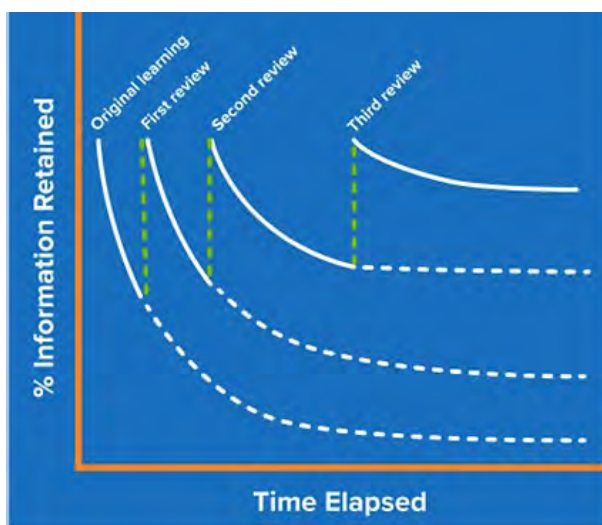

P & C Report

On a final note, at Monday's P&C meeting we had the pleasure of hearing from Ms Cassandra Pride, our Head Teacher English. Ms Pride addressed the importance of English as a subject

and how to better engage the boys in what is the only compulsory course for the HSC.

She went through the major challenges with boys studying English at Sydney High, how impactful the dedication of students to the subject can be on their success over time, as well as effective ways to study for English.

Many of the points Ms Pride raised were relevant to all aspects of our students' academic development. In addition to the effective use of feedback, she introduced parents to Hermann Ebbinghaus' Forgetting Curve. As illustrated below, this illustrates the importance of ongoing revision for retention of information in the long term, which will ultimately develop more successful learners.

I want to thank Ms Pride for her presentation which provided a lot of invaluable information that was very warmly welcomed by all parents who logged in. I'm sure the parents will be looking forward to the next P&C meeting as various members of our school community continue to share their expertise.

Meet the Teacher

In this week's Meet the Teacher, we will peer into the LOTE department to get to know Dale Burrow

1) Describe yourself and your role at this school.

Originally from England, I am but a humble teacher of Classics. I joined SBHS in November 2021, teaching Latin and Classical Greek to boys in Years 7-12.

2) Why do you teach Latin and Classical Greek and what do you enjoy about it?

Towards the end of my undergraduate degree, my passion for all things classical led me to pursue a life of wealth, fame and glamour as a teacher of Classics. Whilst I was evidently young and misguided, since I have attained neither wealth, nor fame, nor glamour, I do enjoy enabling pupils to take advantage of the privilege of studying the classical languages and seeing their subsequent development both as pupils and as people. However, of all my duties and responsibilities as a teacher, I derive perhaps the greatest pleasure and satisfaction from marking.

3) What do you find unique about teaching at SBHS?

The boys combine hard work with good humour, pupil enthusiasm for Gimkit is unrivalled, the marking is extremely enjoyable.

4) What is a fun fact about you?

I captained my college's team on the British TV show, *University Challenge* when I was an undergraduate.

From the Canteen Managers

Price Increases

Due to the increasing cost of ingredients, we have unfortunately needed to increase the prices of some canteen items. We delayed the price increases for as long as possible and have kept them to a minimum. We appreciate your understanding in this matter and continue to strive to offer healthy and reasonably priced food options for the school community.

The new menu/price list is included at the back of this week's *High Notes*.

Lunch Orders

We encourage students to place their lunch orders between 8:30 am and 9:00 am in person or online via flexischools.com.au.

By ordering lunch, you avoid missing out on your favourite foods, decrease waiting times at Lunch and Recess and help reduce food wastage. Please remember to pick up your orders. Any uncollected items will be sold, and unfortunately, refunds will not be provided unless there is a valid reason.

Have your Student ID card ready to show the canteen staff to speed up lunch order collections.

Appreciation

Thank you to all our volunteers for your ongoing support. Particularly to the following parents for volunteering in the final weeks of Term 1 and the first weeks of Term 2.

6 May - Hyun Joo Lee, Sureka Thiagalingam, Koung Are Sung

9 May - Jessica Tam, Lisa Fackender, Wenying Guan, Huaping Xu

10 May - Kannas Pang, Hui Zhang, Leanne Ly, Cecilia Chan

Also, thank you very much to our Prefects and SRC boys for helping out at the Canteen. We would not be able to cope without them and appreciate their assistance.

Please consider joining our team of volunteers. We are highly flexible and will gratefully accept any time you can donate to the Canteen and the students. If you have time to spare on a regular or ad hoc basis, please contact us by any of the following means:

- fill out the [Canteen Volunteer Registration](#) form
- send an email to canteen@sbhs.nsw.edu.au
- call us on 9662-9350

It is an excellent opportunity to meet other parents, share stories and learn from each other. No prior experience is required as we will provide full training.

SBHS Fencing Report

Saturday 07/05/2022:

NSWFA Senior Sabre School Championship:

The NSW Fencing Centre was back to its usual noise, hum and crowd on Saturday for the first senior competition of the season. Our Senior Sabre Fencers competed in the NSW School Championships against fencers from Trinity Grammar, Cranbrook, Katoomba High School, Penrith Selective High School, St Columba's Catholic College and Newington College. After supporting each other throughout the morning and receiving excellent advice from our new coach Leo Kershaw-Kostic, the Senior Sabre fencers achieved incredible results to begin our season. Yu Ming Lee (12T) and Oscar Shi (10S) placed on the podium with gold and bronze respectfully and Sungmin Choi (11S), and Samuel Hui (10T), who fought well against tough opponents, finished within the top 16. Thank you to Ms Wong for her encouragement and support throughout the morning.

NSWFA Novice Sabre School Championship:

On Saturday the 7th of May, three Sydney Boys High School students participated in the NSWFA Novice Sabre School Championship. These 3 students were Ethan Li (8F), Azam Mohamed (8M), and Lachlan Yuen (8S). We fenced well and all secured spots in the top 8. Excellent results were achieved with Ethan Li getting a gold medal. Highlights were when Ethan won, Coach Leo yelled at the top of his lungs, surprising everyone and making everyone laugh. Thank you to the Intermediate sabre boys for the support and thank you to Leo for helping out and coaching. A special mention goes to Ms Wong and Binh Johnsun for supporting the boys when they needed it the most. Another huge thanks go to Mr Huynh for organising this event for us and coming over from St Andrews to witness the win.

Ethan Li (8F)

NSWFA Senior Epee School Championship:

Last Saturday the Sydney High senior epeeists participated in the NSW Schools Championships. Nicholas Chen (12M), Jarrod Su (11R), Jack Wang (12M), Brendon Acorn (12M), Jack Huang (11T) and Daniel Nguyen (10M), as well as honorary epeeist Dean Johnson (10F) all fenced some amazing matches and learnt a lot in the process. After an intense semi-final, both Nicholas Chen (12M) and Jarrod Su (11R) tied for third place.

Congrats to Daniel Nguyen, who, in one of his matches - pulled off a glorious comeback while four points down. Thank you, Miss Wong for supervising and Binh Johnsun for the refreshments.

Jarrod Su (11R)

Saturday 07/05/2022

NSWSFL Epee Individual Round 3 (U14 and U16 pools):

U14 Epee pools

Last Saturday, our U14 Epee squad competed in 3 pools at St. Andrews' Cathedral School in Round 2 of the NSWSFL U14 Epee Individual Pools. Benjamin Wu and Xavier Perry won all of their bouts and they were both ranked first out of a total of 20 epeeists. Vihaan Rajit (8E) won 5 out of 6 bouts and came fourth overall! Lucas Wang (8R) won 2 out of 5 bouts and came 17th in the leader board. We all gave it our best shot and thoroughly enjoyed the experience. Thanks to our coaches Ted Elliot and Mr Huynh for supporting us in the competition, providing feedback and advice on the spot to help us lift our game. We all learned a lot from the experience, and we look forward to the Individuals' Direct Elimination rounds next Saturday.

Benjamin Wu (8F)

U16 Epee pools

The U16 epee squad trained vigorously following the holidays in preparation for the third round of pools at St Andrew's Cathedral School at the end of Week 2. Unfortunately, many of the squad members were unable to participate in several training sessions due to Year 9 having had their half-yearly examinations the first week back to school and the teachers striking for a day. However, given the short amount of time we had, we

managed to squeeze in enough training to be fully prepared for the upcoming competition. All of us arrived early and fenced multiple warm-up bouts to ready ourselves. Jamison Lai won almost all of his six bouts, losing only one bout to an especially tough fencer. Kelvin Chen did not manage to defeat the same fencer as Jamison but emerged victorious in the rest of his four bouts, also achieving impressive results. Zhitian Mai, despite not having stellar results due to issues with his epee, claimed a flawless victory against Noah Blender-Greene, an extremely skilled and difficult-to-beat opponent. Tian Yang unfortunately did not fence to the best of his ability but still won a bout. Tommy Xu won all of his bouts, placing him at the top of his pool. Overall, everyone in U16 epee performed at a high standard and achieved great results. We hope to continue at this level for our future competitions, especially our next competition: the Roberta Nutt.
