Student Leadership Assembly 2022

At our recent Student Leadership Assembly,

seven student leaders spoke about the leadership groups that they represented. Our School Prefects received their badges and signed the Prefects Book. My speech to

the assembly is reprinted below:

Staff, students, parents and Prefects of Sydney Boys High welcome to our official recognition of student leadership efforts in our school and our investiture assembly for our 2022 School Prefects. I acknowledge this morning the Gadigal people of the Eora nation as the custodians of the land on which we meet and pay my respects to elders past and present and extend that respect to any Aboriginal people here today.

James Comey, the FBI Director who was sacked by Donald Trump because he refused to be manipulated into influencing an investigation into Trump's pre-election behaviour, later wrote a book entitled 'A Higher Loyalty'. It chronicled his career in

public service and the Department of Justice and outlined his work with three Presidents of America. He described how he came to value the search for truth and integrity in leadership as driving values during his outstanding career. He was a very effective and popular leader who was called upon to display moral leadership on several occasions in his job. He was sacked in the fourth year of his ten-year term as FBI Director. He refused to provide unconditional loyalty to a President. He believed he had a higher loyalty to the values that made his character rather than loyalty to a President who he believed was telling lies and acting inappropriately in office. Leadership can be shown by not doing, as well as doing.

As student leaders, you will develop a set of moral guidelines or values that suits you as your preferred method of leading. We expect you to understand your duties clearly and to carry them out ethically and faithfully. You are in a learning phase about leadership. Schools can be good places to train and build up your knowledge about what works and doesn't work. Nearly always, leadership involves compromise. Learn how to compromise within a framework of action governed by a pursuit of truth and personal integrity. If you ask yourself whether a course of action is the right thing to do, your honest answer will be the best next step to take.

Thank you to all the students who have served our school in various teams this year. SRC, Community Service, Peer Support, Equality, PAWS, Environment, Media – not matter where you served, you exhibited leadership. We really appreciate that it takes courage to put your name forward for a role and even more courage to carry it out well. Congratulations to you all.

The quality of our Prefect body is a reflection of the quality of our school life. We want our most engaged and committed students to be nominated as candidates for this important school role. If every eligible voter participates responsibly, we will get the best and most diverse team of Prefects possible. Our Prefect traditions are our anchors but can also inspire this cohort to emulate or build on activities and priorities that will become a new legacy. There have been so many great Prefects at this school that the current group must try to follow in some aspects of their role. The honour of such a long-established

and prestigious position exhorts our new cohort of leaders to emulate their predecessors' deeds.

The Senior Prefect leadership team for 2022 - Captain Joshua Suto, as Vice-Captain Rahul Pant and as the Senior Prefect, Ming Lee, have carried out their roles admirably. The long and professional stewardship of Ms Rigby as Prefect MIC must be acknowledged and thanked. She has set high standards and always held our boys to meet them. At the same time, she is unfailingly supportive of the students she mentors in these important tasks. I want to thank her for her dedication to the role and for her effectiveness in it.

To move from internship to the point of getting their perpetual School Prefect badges today, Prefects had to prove that they could meet the requirements for the role. These requirements were demanding. Prefect interns had to continue to meet a predetermined academic standard. They had to maintain their participation in school life, play two GPS sports and earn a Student Awards Scheme Award in their final year. They had to have exemplary standards in behaviour, school dress and punctuality. COVID has interfered with our process to a large degree for two years, but we remain committed to our qualifying framework.

The Internship of our Prefects lasts for a full year. From this annual investiture assembly onwards, a new cohort of candidates will have to meet the requirements to be placed on the ballot. They will have to pass the test of democratic election by a constituency of students in Years 10 and 11, teachers and outgoing Prefects. Once elected they will have to perform well until their induction assembly as Prefect Interns and then for the next three school terms until they reach this culminating ceremony of signing the Prefects' Book and receiving their perpetual School Prefects badges.

Sydney Boys High Prefects are particularly self-disciplined people – they have proven themselves worthy of the honour shown to them. They have earned their recognition and acknowledgement. I congratulate all the students who are to receive their badges and sign themselves into history today in the Prefects Register, a ritual since 1952, and thank them for their service'.

Interpreting Year 7 Reports – Semester One

Year 7 boys received their reports this week. Parents need to know that with scores for grades – HD (6), D (5), Credit (3) PM (2) P (1) or U (0) – boys are expected to score thirty points or 10 credits

equivalent, in order to reach the school standard. Proficiency levels for future-oriented earning skills, such

as problem solving and evaluating, critical thinking, working with others, communicating your ideas and being creative, are also reported. Parents will be able to trace the growth of their son in the five reported skills as he progresses through the Junior School. These skills are reported in their own textbox and are distributed among the Faculties. For more information on PEWCC skills reporting, go to

https://sydneyhigh.school/curriculum/pewcc-reporting

and click on Information About School Reports to peruse the skills continuum for each subject. In addition, multiple learning behaviours are reported on a rubric from 'rarely' to 'sometimes' to 'usually' to 'consistently'. These behaviours are controllable by students and attention to them can improve outcomes over time.

We understand that boys transitioning into Year 7 face many adjustment challenges. Positions in the grade will not be disclosed to Year 7 students for their first two reports. The top group of boys are acknowledged on the Achievement Unless Academic List. special circumstances preclude it, letters are sent to the parents of the boys in the Academic Support Group (those boys with scores of 27 or less). Boys scoring 27 points or less may be offered a special workshop presented by an outside provider; they may join 'Diary Club' to learn how to organise themselves better to complete tasks and submit work punctually; they may just receive an encouraging chat from their Year Adviser; they may be referred to the Counsellor; or they may be referred to an outside agency with their parents on very rare occasions. Some or none of these interventions might be judged appropriate in your son's case. It is our obligation to let you know of our interventions on behalf of students so that you may accept or decline our help. Unless you contact us, we will assume you are OK with us using our professional judgement on actions to assist your son. We want to help our underachievers using the most effective means possible. Parents are requested to talk over their son's report with him ahead of booking Parent-Teacher interview time slots. Your son's Year Adviser can be contacted about options to improve future outcomes

PARENT TEACHER INTERVIEWS

Years 7 and 11 will take place via zoom on Monday 27 June 2022 2.30pm – 7.30pm Years 8 and 10 will take place via zoom on Tuesday 26 July 2022 2.30pm – 7.30pm

Booking interviews with your son's teachers

We use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. The system works as follows:

- By 6pm Friday 17 June, all parents of boys in Years 7 and 11 will be sent details of the scheduling system and a unique code to be entered via email (N.B. Parents of boys in Years 8 and 10 will receive their codes via email at the very end of Term 2).
- This scheduling email will be sent to the address currently held by the school. If you have not received this email by the morning of Monday 20 June or if your email address has changed from what had been previously advised to the school, you should notify the school at office@sbhs.nsw.edu.au. Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you require an interview (if you hover over a teacher's name, the subject involved will be shown). At the same time, you can indicate your availability between 2:30 pm and 7:30 pm. You should provide this information by 9am on Wednesday 22 June.
- The overall schedule will be generated by the school and your individual schedule should be available for you to download and print from 6pm on Thursday 23 June.
- Periods will be shortened on the days of the interviews. Boys from all years will be dismissed from class at 2:25pm on the dates listed above. The light rail will run to normal schedules and there will be supervision available in the Junior Quad of boys waiting for these services.
- Interviews should not exceed five minutes' duration. If there is insufficient time, a further appointment may be arranged for a later date.

Similar arrangements will be in place for Years 8 and 10 interviews on Tuesday 26 July.

Uniform Requirements

Students and parents are reminded that all boys must be in the correct uniform both at school and in their travel to and from school. The way students are dressed not only impacts the school image but also demonstrates that they value being part of the school community and support each other to maintain the standard that represents Sydney High.

Of late, there have been a significant number of students wearing hoodies under either their jumpers or sports jackets, along with non-school scarfs and beanies, none of which are permitted. In cold weather, students may add extra layers below their normal uniform items providing these are not visible.

On normal school days students must only wear the blue school pullover with embroidered crest or the blazer (no other items should be visible on the outside of a student's shirt and tie – this includes sports jackets or other items). On sports days, boys may only wear the school sports jacket with embroidered crest and/or the school tracksuit pants (no other items should be visible)

If a student does not have the sports jacket or school tracksuit pants, he is permitted to wear the school uniform on his sports day and get changed for his activity.

Consequences will be issued for any breaches of the school uniform policy:

(https://sydneyhigh.school/wellbeing/uniform-policy).

Thank you in advance for ensuring that the high standards we expect of students in all parts of their education are being maintained.

Enrichment Activities May-June 2022 Philosophy at High

SBHS Philosophical discussion group meets each Friday at lunchtime under the tutelage of Mr John Goris. First term was devoted to preparing our Senior Ethics Teams for 2022 NSW Ethics Olympiad on the 5th May. Students cover a series of case studies and the tutor provides depth to the discussion by introducing the students to aspects of philosophical thought and theory.

The all-day event requires stamina. There are a series of inquiries, facilitated by an academic. Both of our teams received honourable mentions from the judges. Congratulations to: Vishruth Anand, Fynn Hopkins, Eric Sholten, Luca Miletic, Arnav Gupta, Andris Dang, Aayan Hafiz, Patrick Nguyen, Aarav Gandhi, Ranaveer Thorat, who have received merit certificates.

We are now preparing the Junior teams for their event in November.

Ethics at Rosebank

On Friday 27th May Year 10 students accepted an invitation from Mrs Cheryl McArthur at Rosebank to join students from a number of independent, catholic and GPS schools in a day of ethical exploration relating to 'The Rise of the Machine.'

Mr Greg Henshaw engaged students with the topic in a lecture designed to instruct on the Communities of Inquiry model and to stimulate thinking about our relationship with Technology.

This was followed by a series of inquiries which required students to create questions and interrogate the issues

raised. Our students were courageous in promoting a point of view and they were prepared to step outside their comfort zones by volunteering to present findings to the larger audience.

It was a wonderful opportunity for critical thinking and collaboration with the added benefit of meeting likeminded students.

Well done: Noah Allard, Eric Sholten, Aayan Hafiz, Ranaveer Thorat, Arnav Gupta, Andris Dang, Luca Miletic.

Da Vinci Decathlon

Once again, we were denied an opportunity to make the annual pilgrimage to Knox Grammar School to compete at Da Vinci Decathlon due to the pandemic. The students coped with the difficulties of completing challenges remotely and working with technological glitches to meet deadlines. The most enjoyable aspect of the event is the teamwork and camaraderie. The ethos of teamwork is strong at High and students are well equipped for activities that require sustained collaboration and problem solving,

Year 7: Charlie Cheshire, Ryan Park, Alay Mahedidia, Luca Dadi, Terence Wang, Stephen Faulder, Jack Lee, Sajan Thiagalingam are to be congratulated for their teamwork. Their preparation was systematic, and they met regularly in the weeks prior, to ensure that everyone knew his responsibilities on the day of the event.

Year 8: Adhruth Anand, Kabir Mudgil, Lachlan Nguyen, Michael Zhou, Delbert Zou, Hamza Ahmed, Zuhyr Haq, Aaron Huang. This team is to be commended for their enthusiasm and teamwork. It is a new combination which will benefit from the experience to make improvements in the future.

Year 9: Aayan Azhar, Ric Hou, Xavier Perry, Jeff Tse, Lucas Adamson, Micah Jouravlev, Jesse Wu, Andrew Pye. Arthur Qiu. This team is notorious for fastidious preparation and organisation. They did well to overcome some last minute team adjustments due to Covid.

Outstanding results! 5th Overall. Placed 8th in Geography, 2nd in Code Breaking, 1st in General Knowledge 3rd in mathematics.

Year 10: Tian Yang, Vishruth Anand, Fynn Hopkins, Justin Nguyen, Luc Tran, Daniel Su, Daniel Nguyen, Samual Hui.

They are to be congratulated on an outstanding overall performance which achieved medals for 2nd place overall. 1st in Geography, 2nd in Science, 7th in Mathematics, 1st in General Knowledge, 7th in English.

Well done to all of the SBHS students who represented us at Da Vinci Decathlon 2022.

The Grasshoppers Run - Siddhartha Sarma

The grasshoppers run explored the story of a young boy. The author's ability to enter the mind of an adolescent child was intriguing. The story was about the invasion of the Imperial Japanese army. Where they destroy a village, which the protagonist Gojen Rajkhowa tries to avenge. This story is a war novel, which explores the

ideas of hate and loyalty. The boy is the hero of the novel whose main agenda is to defend his people and kingdom. It is a gripping slice of historical fiction that uses military weapons such as guns and other armed forces in order to portray the effects of war in the novel. The story uses the emotions of the young boy to portray how he copes with the death of his friends and loved ones. Apart from the protagonist, other side characters are being integrated in order to create a more intriguing plot with higher details. Awanish Sainju (11S)

Details about vaccinations given at school will also be uploaded to the Australian Immunisation Register (AIR) to support complete vaccination histories.

Community Services Committee

The Community Services Committee continued its display of High spirit on Friday 27 May at the Salvation

The High event was hosted at Hyde Park with a similar cold seven a.m. start to the Starlight fundraiser two weeks prior. Despite the restriction to only year tens to twelves, forty senior High boys volunteered for the great cause. Considering the proximity to half-yearly exams, the unwavering commitment of the boys is admirable and shows the extensive interests of the High community. Over the course of two hours, the boys raised \$1030, an equally impressive feat to the Starlight collection. The selfless support of Mr. Ormsby, Mr. Writer, and the outgoing Mr. Davis Frank facilitated the fruitful event. The unparalleled success of the fundraisers and turnout of the

Army collection. The Salvation Army is a charity movement that supports disadvantaged and vulnerable citizens across Australia and internationally. Its presence in Australia has been poignant following the bushfires of 2020 and floods of 2022 with their disaster appeals providing critical funds, clothing, and shelter for affected individuals. SBHS FOOTBALL RECAP – GPS ROUND 2 vs St Joseph's College

Saturday 4th June

We finally got some decent weather last week to set up a great day of football on Saturday against St Joseph's College.

Some fantastic results from 2nds, 15As and 14As this week, alongside wins in 6ths, 7ths, 15Cs, 15Es and 15Fs. Individual highlights include Jason Sung (11T) slotting home the game winning goal for 2nd Grade, a hat-trick in 7th grade from Anay Baruah (12R), Eric Liu (8M) scoring a brace for the 14As, Jordan Komonen (9F) and loannis Chatzinikoloau (9T) both scoring 2 goals each in 15Fs, and a fantastic goalkeeping display from Alex Valanidis (10E) in 2nd Grade to keep a clean sheet and secure a win. Also, a special mention to Varenya Taneja (11M) for capturing some great moments from the 2nd Grade game – as seen below.

16s Rugby Report:

With ongoing sickness and injuries, a number of boys fell victim to illnesses. The absence of key players and captain Aidan Wong meant that it came to a 13 on 13 clash against Joeys. From the start the boys came out strong, with Ethan Hybler scoring twice early, 15s players Naeer Nibras following up with another impressive solo try, and the team able to defend valiantly. The start of the first half saw Ethan make a blitzing run through the Joeys defence before offloading it to myself for our 4th try. However, our lack of numbers meant that our stamina was put to the test, and Joeys was able to cycle through their players and claw back at our advantage. Honourable mentions to Joo-Young Kim, Chris Santoso and Leon Shen for their defensive efforts preventing Joeys from dismantling our score line. The last portion of the game became our toughest fight of the season yet, being 2 points down, a man down from a yellow card, and with no substitutions available, the boys had to put everything they had in. A massive team effort saw us regain possession off our own kick-off in the last 2 minutes of the game, and slowly but surely moving our way downfield, half-back Dylan Fernandez was able to swiftly distribute the ball to myself for a last minute drop kick to win the game by 1 point. Even without our usual team organisation, the boys were able to reverse the earlier 35-7 loss to Joeys for our first win of the season!

SBHS Fencing Report Saturday 28/05/2022:

AJ Rae Senior Foil Teams Event:

Last Saturday SBHS competed in the national qualifier AJ Rae Team Competition, submitting two teams in the event. SBHS A Team, consisting of Alvin Liu (12S), Dean Johnsun (10F), Jayden Chu (11M) and Henry Lin (10S), was placed in a pool with Knox A and Sydney Grammar D. As a collective, the team did not perform at their best against Knox A, falling short 17-27 however they fenced much better against Sydney Grammar D winning 27-9. SBHS B Team, consisting of James Pullinger (10T), Tony Guo (10T) and Andrew Wang (10S), was placed in a pool of four, losing against Grammar A, Newington A, and Knox B 11-27, 21-27, and 24-27 respectively. Overall, SBHS did not perform at their best, but it was a great experience for all the fencers, and everyone learnt something that they can implement in future trainings.

Alvin Liu (12)

AJ Rae Senior Sabre Teams Event:

Last Saturday was the AJ Rae Senior Teams Competition and the senior sabre squad had sent two teams, the A team and the B team. Both teams put their best efforts into fencing against tough opponents from Newington College, Cranbrook School and Trinity Grammar, with the A team performing exceptionally well, finishing in 1st place. The A team consisted of Yu Ming Lee (12T), Oscar Shi (10S) and Samuel Hui (10T). The B team consisted of Sungmin Choi (11S), Thomas McFarland (12E) and Jayden Ho (10M). A change to the points of the game, with the scores going up by 3 to a total score of 27 whereas a normal team bout would go by 5 to a total score of 45, meant that both teams had to change their strategies. Both teams adjusted exceptionally well, with

our fencers playing more offensive to minimise the risks of making mistakes on the defensive. The B team fought well, losing to Newington A, 26-27 and Cranbrook, 24-27. The A team overpowered their opponents and headed straight to the finals, with them winning 45-38 and receiving the gold medals. Both teams were able to perform so well by adjusting to circumstances that can't always be predicted. A special thanks to our Coach Leo for giving us valuable insight into our fencing on the day, parents for always supporting us and Mr Huynh for making the SBHS fencing program possible. With National competitions just around the corner, our senior sabre squad will continue to train hard to prepare for any obstacles ahead.

Sungmin Choi (11S)

AJ Rae Senior Epee Teams Event:

Last week the Sydney boys Epee senior squad members participated in the AJ Rae Senior School Teams Competition in a series of intense and eventful bouts. We were able to submit two competitive teams, the A team consisting of Nicholas Chen (12M), Jarrod Su (11R), Jack Wang (11M) and Brendan Alcorn (12M) while the B team consisted of Jack Huang (11T), Zhitian Mai (11F), Tian Yang (10E) and Daniel Nguyen (10M). Our teams were able to achieve two podium places, first and third for the A and B teams respectively, wrapping up the Senior National School Championship events with great results. Special thanks to Xavier Perry (9M) and Jamison Lai (9M) who gave up their Saturday to help referee the bouts and to Mr Huynh for supervising.

Roberta Nutt Shield Presentation:

SBHS once again took home the Roberta Nutt Shield this season. Our fencers collectively scored the most points across the 3 weapons and 2 age groups (Intermediate and Senior) of the NSWFA Roberta Nutt Shield Individual Competition that ran over the past couple of Saturdays. Well done to all of our participating fencers!

Pictured above is our newest foil coach and Old Boy, Kevin Chen (2021), with our Intermediate Foil A team Benjamin Pham (8R), Joshua Wang (9E), Daniel Kim (9M)) and MIC Mr Dat Huynh (2004)

The Push Up Challenge 2022

Over the past ten days, 109 of our students have been a part of the Push-Up Challenge for Mental Health. The challenge involves participants completing a total of 3,139 push-ups from 1 June to 24 June, signifying the amount of people who tragically took their own lives in 2020. Each day, our boys are challenged to complete a unique amount of push-ups, with the daily total relating to an aspect of mental health. This ongoing event aims to both engage people about mental health, as well as encourage a healthy lifestyle, and it's been great to hear all the positive feedback from those participating.

On behalf of the school, I would like to thank all of the donors and participants who are supporting our push up journey so far. It's amazing to see that we have raised over \$1,500 across just ten days. All funds raised will go towards the *Push for Better Foundation*, who aim to educate others about the importance of mental and physical health, as well as raising awareness of the mental health issues affecting everyday Australians.

We hope to keep this energy going for the remainder of the event and wish the best of luck to all participants. Feel free to show your support on our team page:
