

The Weekly Newsletter of Sydney Boys High School

Vol 23 No 20 01 July 2022

Congratulations to Oscar Shi (10S) who has been selected in the Australian Fencing Team (Junior) to compete at the London Fencing Championships of the Commonwealth Games from August 8 -19. Well done to our combined Volleyball GPS Honours Team representatives - Owen Seong (12E), Paul Fang (12S), Edward Ly (11M) and Dimitrios Logothetis (11E). GPS defeated CAS in a close 5- set contest. GPS was coached by Mr Kay. Congratulations to Alex Huang (9R) who will compete for the Table Tennis NSW U15B team at the Table Tennis National championships. Jason Yan (12S) has been shortlisted for the Top 50 Trailblazer Awards which recognise students who have used their final years at school to make an impact in their community. Good luck Jason!

End of Term 2

As always, Term 2 is the most hectic of the year with the compression of assessing, mark recording, giving papers back with feedback, writing reports and interacting with students about their progress. It is relentless in that there is only the June long weekend to break up the reporting cycle for six Year groups. I want to thank staff for the way that they have met deadlines and submitted report data to allow the process to run smoothly. The vast majority of students have had discussions with the principal and received their reports in person.

Our first full cycle of Sentral reporting took a lot of time to set up and manage. Thank you to Jamie Kay for organising and managing the process so well. Thank you to George Barris for his support. Additional stresses were placed on our administration and our teaching routines with the high rate of sickness due to COVID necessitating at least 5 teachers per day to cover our classes. It has increased John Prorellis's workload very considerably since February of 2020. I thank him on the school community's behalf for keeping our teaching and learning programs operational.

Interpreting Year 10 Reports - Semester 1 Boys in Year 10 have had their reports handed

out after consultation with the Principal. Year 10 is an important time to try out electives to help identify possible stage 6 courses that

students might be interested in studying. Equally, it can confirm which courses students do not enjoy and will not pursue in stage 6. Parents should be aware that there are changes to the way the rank order is calculated in Year 10. HDs (6 points) and credits (3 points) etc...are no longer added together to form the scores on which the rank order is based. We use individual marks supplied by teachers. We calculate ATAR equivalent scores for those marks based on twelve units (six subjects). PE is included in the calculations as 30% of two units (a course) because it has only four periods and is a practical course only in Year 10. PASS elective scores are calculated in the usual way. Boys good at PE and taking PASS may be advantaged in the ranking. Rank order variations can be large between Years 9 and 10 for these and other reasons. For example, boys take on additional electives which do not have to include history or geography. More than 60 boys are attempting stage 6 courses as accelerating students and they are assessed on stage 6 criteria which are more rigorous than those in stage 5. Sometimes, they spend more time than they should on their accelerated course and get their time management out of balance.

Some of their other subjects might have weaker results as a consequence. This can lead to a large rank fluctuation and a reduced ATAR estimate. Some stage 5 electives, like commerce, robotics and filmmaking, are infused with stage 6 concepts and content. The Online elective can only be calculated as the average

of the rest of the students' scores because it is a masterybased elective -that is, successful completion of 120 hours of self-selected courses with a certificate as proof of completion. That calculation may lower a student's rank or advantage him because he would have done worse in any other elective. Science is delivered in a series of modules - chemistry, biology and physics. Some boys are much more engaged with one science module rather than another. Regrettably, some boys switch off in subjects they are not planning to pursue in Year 11. These subjects can be electives that they just picked for enjoyment because they had already decided on their Year 11 courses or ones that they chose but with which they have not become engaged. Please bear in mind the possible impacts on ranking in the cohort of these changed contexts when discussing the report with your son. Quiz him about his three electives and how he is engaging with them and whether he is enjoying them and if he is thinking about his stage 6 course selections.

NAIDOC Week Assembly

We were scheduled to hold an assembly to recognise NAIDOC on Thursday. Due to the industrial action this week on Thursday, and there being no other available time slot, we have had to postpone celebrating our NAIDOC week (July 3-10) until Friday, July 22 in week 1 of term 3. We will hold the assembly then.

DEBATING

Congratulations to the Legal Debating Team

Legal Debating comprises of Mock Mediation (Year 9) and Mock Trial (Years 10 and 11). While the Mock Trial boys have one more round to go before they find out if they progress further in the competition, the Mock Mediation team have found out this week that they've made it to the Quarter Finals.

After several years of not managing to do this, we've now had two years in a row where our students have advanced to the final rounds of this tough competition.

Congratulations to the boys and massive thanks to their incredible coach, Anson Chan, who graduated from SBHS in 2021 and is currently studying Law at UNSW.

From the Canteen Managers

To help keep warm during the colder months of July and August, a variety of homemade soups, including chicken and pumpkin, will be available at recess and lunch. Hot Chocolate will also be available for purchase before school.

Appreciation

As Term 2 draws to a close, we would like to thank our incredible volunteers for their hard work and continued support. Each day, 3 – 4 volunteers work in the canteen to help prepare and serve food. It's a massive effort, and we thank everyone for their time and commitment.

We would also like to thank the following parents for volunteering in the Canteen in June:

2 June - Rosaline Perry, Delia Leung, Wei Gao, Nithya Neelakantswaran

3 June - Sureka Thiagalingam, Renee Levitt

6 June - Yanshui Huang, Čatherine Fung, Anita Kwok, Razni Nazar

7 June - Na Li, Katherine Cowan 8 June - Yingxia Zhang, Suiying Lin

9 June – Cecilia Chan

10 June - Fiona Yang, Lindy Masya

14 June - Leanne Ly, Cynthia Leung, Kannas Pang

15 June - Wei Gao, Mai Pham, Janet Lam

16 June - Qihua Xu, Xiao Feng Zhang

17 June - Michelle Feng

20 June - Yuexin (Lily) Liu, Prarthana Devi

21 June - Wei Chen, Hanh Nguyen

22 June - Qing Guo, Liming Wang, Alice Wei **23 June** - Sunny Song, Fan Ding, Amy, Lynn Teo

24 June - Nicole Ma, Clara Qiao

27 June - Yan

28 June - Carol Han, Lijie Rong, Rosaline Perry **29 June** - Ye Li, Xiaoyan Xu, Becky Zhou

Please consider joining our team of volunteers. We are highly flexible and will gratefully accept any time you can donate to the canteen and the students. If you have time to spare on a regular or ad hoc basis, please get in touch with us by any of the following means:

- fill out the <u>Canteen Volunteer Registration</u> form
- send an email to <u>canteen@sbhs.nsw.edu.au</u>
- call us on 9662-9350

It is an excellent opportunity to meet other parents, share stories and learn from each other. No prior experience is required as we will provide full training.

Meet the Teacher

For the last meet the teacher of this term, we will get to know Rian Wiramihardja, our senior librarian

Describe a little bit about yourself and your role at this school.

I am the Senior Teacher-Librarian here at Sydney Boys High. I also coach 4th grade Cricket and am the Eastside Debating Coordinator.

Describe a little bit about your background in education and how you came to be the senior librarian at this school.

I initially trained as an English (7-12) and LOTE Teacher, teaching Arabic and Bahasa Indonesia for the senior years (HSC and IB programs). After a few years teaching, I completed an M Ed (Teacher-Librarianship) in 2017 and have pretty much been a Teacher-Librarian since. Although I love my job, I still enjoy learning and teaching languages – I am currently trying to brush up on my Urdu! That's one of the great things about being in education. It

gives you the freedom and flexibility to explore your passions and pass it onto others.

What do you find unique about teaching at SBHS?

High is a special place with a very unique culture. There is a deep sense of tradition here, which I found quite

compelling. The glue that binds everything together are the students and the staff – it has been great working with such curious minds and passionate teachers.

Given you will be going to Qatar shortly, what are some things you are looking forward to, and some things you are going to miss?

The decision to go to Qatar was not taken lightly. I love teaching here at High, but life sometimes presents opportunities that you can't say no to. I'm looking forward to living in the Middle East with my family and sharing some of my experiences in the region with my children. I spent a few years as an undergraduate in Madinah and loved my time there. The Middle East has such a deep and rich history and it would be great to be in close proximity to that. Also, the FIFA World Cup will be held in Qatar which is cool. In terms of things I'll miss, obviously extended family and friends as well as everyone here at High. Another thing I'll miss are my daily walks around Moore Park during my lunch break – not much greenery in Qatar.

What is a fun fact about you?

I was born and raised in Sydney to Indonesian parents, but ended up with a Lebanese accent.

All the best with the move Mr Wiramihardja, we will miss your presence in our library! We will continue this series Term 3!

World Refugee Day

Members of the Equality Committee volunteered at the UNHCR's World Refugee Day fundraiser at the Sheraton Grand Sydney, taking donations and selling raffle tickets.

Together with students from Cherrybrook Technology High School, they helped to raise \$250,000.

The boys also got the opportunity to hear some of the speakers at the event and understand more about the plight of refugees.

Several participants, and UNHCR staff, commented on how well behaved, polite and helpful the students were. Well done, boys, and thank you for being such a credit to our school.

Hazel Stephens Teacher

Parent Pick Up and Drop-Off

Over the last two years during the peak of Covid times, the school provided flexible arrangements for parents to pick up and drop their sons off at school. We employed additional staff to ensure that these processes were followed for the safety of all students.

As we return to a new normal, commencing the start of Term 3 the school will be reverting to our standard practice prior to 2020. This means that parents will no longer be permitted to drive along Cutler Drive (the image below shows our No Parent Entry sign at the start of Cutler Drive). All parents must also enter the school gates via Cleveland St.

These processes are in place to ensure vehicles are not moving through high pedestrian areas unnecessarily.

The following is the process that the school is reverting to regarding movement of parent vehicles. We appreciate your assistance with this to create a seamless process that also maintains the safety of all students.

Drivers Entering from the West

Use Gate 1 to Enter

Drivers entering from the east

Use Gate 2 to enter

Thank you for your assistance in ensuring vehicle movement at the start and end of the day is as seamless as possible.

LASTING FRIENDSHIPS- HIGH SPIRIT-PASSION – RESPECT -TEAMWORK DISCIPLINE – INTEGRITY

SBHS vs Moriah Results:

1st XV: 19-14W Saxon Gerstl

Rugby Report:

Another week without GPS fixtures gave our boys a great opportunity to knuckle down and train hard. All teams

pushed themselves to develop their skills and teamwork to build as a squad in preparation for the back half of the season. 1st XV was given the opportunity to play a friendly match against Moriah College on Wednesday afternoon. It was the first time High has played Moriah and we were able to come away with a 19-14 win by the final whistle. The boys were sloppy earlier, as we lost a lot of ball at the ruck and didn't play to our structures or our strengths. However, we were able to turn it around and pull the game back together as a team, on top of some great individual playmaking. Thanks to taking advantage of broken play and building momentum over Moriah, we came away with a win that could have been a lot more emphatic. Moriah were great opponents and on behalf of the whole program we would like to thank them for coming out to play. Hopefully this is a tradition that will continue on into the future, it was a pleasure for all of the boys involved.

Saturday 25/06/2022:

SBHS Newbie Trophy Competition (Foil and Sabre):

Last Saturday we ran the SBHS Newbie Trophy Competition for our beginner Foil and Sabre fencers. It was their first opportunity to experience a fencing competition in a safe and controlled environment under the mentorship of our volunteer squad fencers and coaches.

The day ran smoothly with both events running through pools to determine seeding for the direct elimination rounds – progressing all the way to the final matches.

Final top 4 results are as follows:

Beginner Foil:

1st place: Tom Ye (7T) 2nd place: Jentzen Lim (7F)

Equal 3rd: Louis Wang (8S) and Kaiwen Wang (7F)

Beginner Sabre:

1st place: Oliver Xie (7R) 2nd place: William Cahyadi (7R)

Egual 3rd: Aaron Li (7S) and Wesley Hamilton (7E)

Congratulations to all of our beginner fencers who showed outstanding effort and sportsmanship on the day. Trophies will be presented at the final Saturday Fixture BBO in Term 3.

A big thank you to our squad fencers who volunteered to assist with refereeing and mentoring the newbies.

Special thanks go to our amazing Fencing Parent Committee and the parent volunteers who organised morning tea for the parents and students attending.

Furthermore, thanks to our dedicated coaches, Kevin and Leo for helping to run the event, and Emily for your moral support.

Note: The Newbie Epee Competition is still ongoing as it is being conducted during the training sessions.
