

The Weekly Newsletter of Sydney Boys High School

Vol 23 No 24 12 August 2022

From the Principal Valè Robert 'Bob' Outterside AO

The school community was saddened this week to hear of the passing of Bob Outterside, former Principal of Sydney High from 1977-91. Bob commenced his days in the school as a Mathematics teacher spanning 1958-60, during which he also played rugby at a club, State and national level, earning two test caps playing for Australia in 1959.

On returning as Principal of the school in 1977, Bob brought a wealth of experience as an educational leader and sportsman to strengthen High's scholar-sportsman ethos. His services to education and the community led to him being appointed an Officer of the Order of Australia in 1990.

A number of current staff worked with Bob in his days as Principal and he is always spoken of fondly. His legacy as a highly respected educator and leader is well known across the school and will continue to be felt in the years to come.

While leading the school, Bob drove the concept of the Sydney High School Foundation, established in his time as Principal. To this day, his name continues to be heard on a regular basis across the community, with our Abbotsford boatsheds - the Outterside Centre named in honour of him.

In order for the school to celebrate Bob's incredible life and contributions to the High community, we will be holding a commemoration service in The Great Hall later this term. Details will be provided in due course.

High Talent

In sporting news, the final fixture of the NSW Schools' Fencing League - Foil Team Premiership was held last weekend. Our U19 Foil Team of Dean Johnsun (10F), Alvin Liu (12S), Jayden Chu (11M), Daniel Low (12T), Henry, Lin (10S) and James Pullinger (10T) were undefeated in their matches and won the gold in their age category. Our U14 Foil Team of Benjamin Pham (8R), Lyndon Chow (8E), Pranav Gupta (9M), Raphael Xiao (8S) and George Mermelas (8F) finished with silver. Well done to all the boys on a fantastic achievement!

Community Services BBQ

On Monday this week the Community Services Committee organised their first BBQ since Covid began, with the smell of cooked sausages wafting across the school grounds and enticing a long line of eager boys to queue for a taste. The team's effort raised \$1,690 for Headspace, while promoting the importance of mental health services to the boys. Well done to the CSC on your efforts for such an important cause!

Prefects Elect 2023

In other news, this week we saw a number of Year 11 students proudly sporting their new prefect ties. Congratulations to our Prefect Interns of: Austin Ah-Koon, Sumanth Bodidi, Octavio Carbajal Zapata, Samuel Choi, Abrar Chowdhury, Liam Fiene, Harrison Francis, Edward Ly, James Matthews, Mohammad Medlej, Subhan Mustafa, Hikun Nguyen, William Nguyen, Isaia Park, Benjamin Pirom, Rachit Saini, Aditya Sharma, Jason Sung, Allan Tan, Moshi Tao, James Wachsmann, Tony Wang, Ryan Woo, Jaden Yi, Samuel Yun and Tommy Zhang, who will be led by the 2023 leadership team of Sean Lim (School Captain), Matthew Lam (Vice Captain) and Landrie Zuo (Senior Prefect). We look forward to seeing you thrive as outstanding role models, inspiring students of all ages in the year ahead.

This weekend the Prefect Interns will be leading the way in cheering our sporting teams on for the final round of the GPS winter season against Grammar. It would be fantastic to see as many boys as possible there to support the 1st and 2nd teams as they look to wind up the winter competition (and in many cases their school sporting careers) on a high.

Your Son's Life Membership with the Old Boys Union

Dear Year 12 Parents,

Congratulations on your son completing his journey at Sydney Boys High School.

We hope that you will now help him join the Sydney High School Old Boys Union under the Student Life Membership Scheme.

By joining **before** he leaves school, he can secure lifetime membership at a reduced fee. I also joined my son up in 2019 and hope you can as well, as being part of the Old Boys Union has been a great help during my life and career.

Life Membership will provide your son a lifetime of academic, professional, business, social and sporting connections with his old school, his classmates, the other 7,000 old boys in the OBU data base and the alumni of the other GPS schools.

It will provide outstanding networking opportunities in one of the most successful, distinguished and the **oldest** alumni groups in Australia.

Life Membership will also open access to the Old Boys Union's Mentorship Program where a network of young High Old Boys provides one-on-one academic and career advice to students going through university. The Union is also in the process of establishing a job board where students can find jobs during and after University.

Another group, of over 100 more senior Old Boys with experience in many areas of business and the professions, are also available to provide one-on-one mentoring to students finishing university and in the early years of their careers.

Life Membership will be a wonderful memento of your son's time at High and one of the most valuable gifts you can give him as he starts the next stage of his life, now more than ever during these challenging times of COVID19.

If you would like your son to join the OBU and be presented with his Life Membership Certificate and Badge during a special ceremony with named seating, at the Old Boys presentation at the Year 12 Farewell Assembly in September, please pay the discounted fee of \$450. If you have already paid in instalments then only the additional amount is needed. If you are not sure please email membership@shsobu.org.au

- * on-line at the <u>Old Boys web site</u> If above, Please register under your son's name so his membership is under his name and NOT yours.
- * by scanning and emailing this online form to membership@shsobu.org.au
 - By scanning the code

CAREERS LEARNING @ SBHS

The first two weeks of term has seen two new additions to the speakers' program on Mondays, representing Macquarie University Scholarships and an SBHS old boy who has traded round the world after studying Actuarial studies. We had over 50 year 12's present.

As well as reinforcing the changing world of work where EQ, skills and mindset are the driving factors in what employers are looking for I was interested to see current research showing current and future work success is strongly influenced by developing skills in the following

Problem solving
Agility of the mind
Creativity
Empathising

Regional Athletics Championship

The Sydney East Regional Athletics Carnival went ahead

on Tuesday 2nd and Wednesday 3rd August for the first time since 2019. Forty-six students from all years of Sydney Boys High participated across both days. With no GPS season last year and the covid season of 2020, our boys were keen to compete, and it

was great to see them getting involved. A lack of experience cost a few boys the opportunity to make it through to State, however, these situations are great learning opportunities. I was on timekeeping and judging over both days and was proud of the effort the boys put in, with training and experience there will be big improvements in the upcoming GPS Athletics season which commences next week (see schedule below).

A big congratulations to Dylan Dutt of year 9 who is the u15 boys regional age Champion. Below is the list of students who have successfully made it through to state CHS which will be held at SOPAC on 7-9 September.

Saturday 6 August 2022:

NSWSFL Foil Team Premiership – U14 Event:

On Saturday, all the foil teams participated in the final round of the Foil Team Premiership, where the under 14s fenced Barker and St Aloysius. The Under 14s team consisted of Ben Pham (8R), Lyndon Chow (8E), Pranav Gupta (9M), George Mermelas (8F) and Raphael Xiao (8S). Our first match was against Aloysius, where we won 5-4. While we had a decent sized lead at the start, nearing the end, Aloysius began catching up until we were neck and neck. However, Ben Pham managed to win the last bout. After nearly losing, we were feeling less confident and realised we had to step up our game against Barker.

After Pranav Gupta lost his first bout against Barker, he decided to sub off the rest of the game, as he had been underperforming in his past few bouts, due to the fact that he had only recently recovered from an injury where he had taken a two month break from fencing altogether. This proved to be the correct decision as George Mermelas would go on to win both his bouts. Along with combined team efforts, we were able to win 6-3 against Barker. With our past win against St Ignatius, we were able to secure second place for the Foil Team Premiership.

Thank you to all the hosts, and the schools, Barker, St Ignatius, Sydney Grammar and St Aloysius. Thank you to our coach, Kevin Chen and Mr Huynh for making this whole fencing program possible. And last but not least, thank you to all the parents who attended to support us. Raphael Xiao (8S)

NSWSFL Foil Team Premiership – U16 Event:

The U16 squad faced challenging opponents last Saturday at Barker College. Our team was comprised of Joshua Wang (9E), Steven Zheng (10M), Ethan Low (11R), Daniel Kim (9M), Tony Guo (10T), and Andrew Wang (10S). Our first match was against St Aloysius College. An early string of losses placed us in a terrible position of 3-1, and although we put up a valiant effort, we lost 4-5. The second match was against Barker College, a challenging opponent. Again, the opposing team gained

many early victories to defeat us 2-7. We came 5th in the competition, which was quite disappointing, but we hope to do better next year. This competition reminded our team of our weaknesses both individually and as a team, but also allowed us to gain experience and improve. After the competition, we were able to participate in social fencing with the other schools and had some friendly bouts. Some fencers stayed and were able to acquire more knowledge on fencing as well as experience. Overall, this event was extremely beneficial to the team and vital for our development as fencers. Finally, I would like to thank the organisers of this event, as well as the coaches, parents and other fencers who supported us. Andrew Wang (10S)

NSWSFL Foil Team Premiership – U19 Event:

Saturday was a great day for all of our foil fencers, with two out of three teams achieving podium positions in the NSW Schools' Fencing League, hosted at Barker College up in Hornsby. Fencing in the U19 team were Alvin Liu (12S), Jayden Chu (11M), Daniel Low (12T), Dean Johnsun (10F), James Pullinger (10T) and Henry Lin (10S). Congratulations to Alvin Liu and Dean Johnsun attaining the 3rd and 1st amount of victories respectively. The boys trained hard throughout the winter sport season to achieve this goal, and all of these training sessions would not have been possible without our foil coaches, Kevin Chen and Lachlan Blair. All the boys fenced to the best of their abilities on Saturday, securing the bouts against St. Aloyisius College and Barker College by a large margin. Shoutout to our year 12 fencers, for this week was their last competition. I commend our Year 12 fencers, Alvin Liu and Daniel Low, who displayed their hard work and dedication throughout their years of schooling and fencing, and wish them all the best after high school. This was an exceptional day for our fencers to end the season on a high. Hopefully many of the boys will be training hard in the off-season to return next year and take the championship again.
