

From the Principal

Firstly, I'm very pleased to say that there are a large number of individual feats to report on this week.

High Talent

Congratulations to Oscar Shi (10S) for his outstanding results in the 2022 Commonwealth Fencing Championships in London this week. Oscar won the individual Cadet U17 Men's Sabre, defeating his British opponent 15-12 in the final bout. In doing so, he won the first ever gold medal in the men's sabre by the Australian Team in the Commonwealth Fencing Championship. Furthermore, in the team division he won the bronze medal in both the Men's Junior U20 Sabre Championship and Men's Cadet U17 Sabre Championship Teams. Well done Oscar on such an incredible and historic achievement!

WELL DONE!

In other fencing news, Henry Lin (10S) came equal 3rd with the bronze medal in the NSW SFL U16 Foil Individual Competition held at Riverview last week. Well done Henry on a great result!

Isaac Ayoubi (12F) continues to excel in basketball. This week he competed in the NSW All Schools team, completing an undefeated run to win gold at Nationals. He has also been selected as part of the All Australian team. Congratulations Isaac on your continued success!

This week Jiazi Chen (8T) had the honour of being accepted into the State Wind Band for 2022, gathering together in Sydney under the direction of professional conductors. The program culminates with two performances in the Sydney Opera House at both the *NSW State Festival of Instrumental Music* and *In Concert*. We look forward to hearing more about your experience Jiazi.

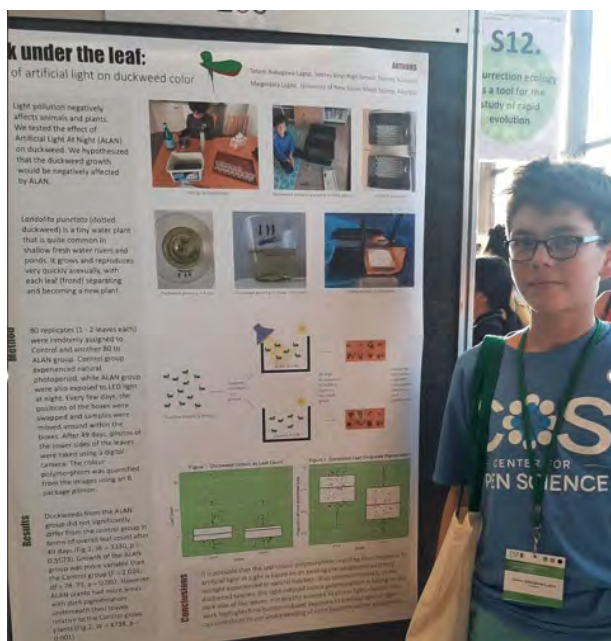

DEBATING

Meanwhile, debating continues to excel in our school. Jerald Joseph (12E) and Cosmo Song (12E) were selected as part of the GPS Representative Debating squad, with Archie Wolfson (12R), Timothy Hanna (12R) and Abrar Chowdhury (11F) selected in the combined CHS team. Well done to all of you on your achievements and we wish you all the best in the upcoming competitions.

Congratulations

Additionally, Totoro Nakagawa-Lagisz (8R) entered a student poster competition in the Congress of the European Society for Evolutionary Biology against approximately 400 international PhD students and was selected as a finalist. He was awarded a Special Outstanding Poster Award for the Youngest Presenter. Congratulations Totoro and I'm sure we'll be seeing more great things from you in the years to come!

whether giving up our seat for others on public transport, providing time and space for fellow passengers to move freely, keeping noise to a minimum to not disturb others, and being considerate of the things being said that others may not want to overhear. At this time, mask wearing is also a way to show compassion for others to help stop the spread of COVID. I ask all students to follow these principles at all times to demonstrate the values we stand for as a part of Sydney High.

Jamie Kay
Relieving Principal

Outside of all these incredible individual achievements, this week the Equality Team coordinated our Wear it Purple Day events for Friday. As an annual part of our school calendar, this is a day to reinforce the importance that all members of our school community and society at large always feel safe and can be proud of who they are. At High we will continue creating a supportive environment for LGBTQIA+ people both at school and outside through our words and actions. This Friday is a time for us to celebrate society's progress in this area and to continue reinforcing the powerful message of showing compassion for our fellow citizens.

**Transport
for NSW**

On this note, I'd like to remind students to continue this notion of compassion and respect when in public. It's essential that we're always mindful of those around us,

CAREERS LEARNING @ SBHS

The first two weeks of term has seen two new additions to the speakers' program on Mondays, representing Macquarie University Scholarships and an SBHS old boy who has traded round the world after studying Actuarial studies. We had over 50 yr 12's present.

As well as reinforcing the changing world of work where EQ, skills and mindset are the driving factors in what employers are looking for I was interested to see current research showing current and future work success is strongly influenced by developing skills in the following

Problem solving
Agility of the mind
Creativity
Empathising

PACE - (The Next Rules of Work 2021 G Bolles)

All year 12's have been offered interviews and most have taken this opportunity. Yr 10 subject selections information is next with a parent meeting in Wk7- see school calendar. We will lead the students through so they make the choices that are best for them.

For all Careers Info Yr11/12 Students can see their dedicated Canvas Careers Page which is updated with everything they need to know. Especially important is that they read the notifications and familiarise themselves with the home page

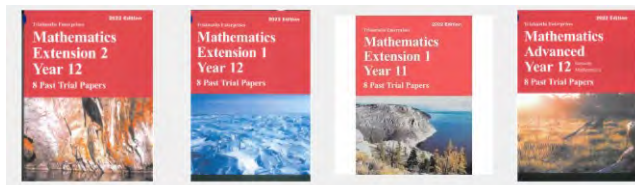

Matt Cotton
Year 12 Advisor

LIBRARY

It is my absolute pleasure to start working as the new Teacher-Librarian in the Senior Library at SBHS. Over the last few weeks, the Year 12s have been studying hard for their Trials and the Year 11s are now ramping up their studies in preparation for their upcoming Yearlies. Students have been incredibly respectful and have made me feel very welcome.

Study Guides

Our study guide collection has expanded and is now full to the brim with current guides on all subject areas.

Workshops

In preparation for their shift into Year 12, all Year 11 students will be attending note taking workshops in the last week of this term. Students will become familiar with different methods of notetaking and learn about the importance of taking and reviewing their notes that they take in class.

Fiction

Students have access to thousands of hardcopy books (fiction, non-fiction, graphic novels, study guides, manga), online eBooks and audiobooks through our Sora and Wheelers subscriptions and other materials such as magazines and journals.

The physical collection is currently being overhauled, with many of the outdated books going, so that the shelves are a lot easier to browse.

Meet the Teacher – Ms Dam

How long have you been teaching at High and, during this time, what has impressed you about the students here?

I've been teaching at High since 1991 (31 years!).

I have always been impressed with most of the boys' intrinsic nature to learn, for learning sake, rather than for grades & positions. Students who read books for leisure and not for course work, has always impressed me.

I also admire that most students who come to High are 'generally,' not sports minded but are willing to participate and give it 100% for their team and the 'High Spirit'.

As Head Teacher of Industrial Arts, what skills have you seen students develop in subjects like Design and Technology, Architecture and Engineering, and Software?

Through the subjects in our department, students have developed a wide range of problem-solving skills, through the nature of design briefs. This has allowed students to address all design problems and come up with solutions through innovative and creative projects. Rather than copy or reproduce existing designs, students now are given the capability and skills to solve real world issues through their own design and problem-solving skills.

As MIC of Cross Country, what do you think makes the sport an attractive option for High boys?

GPS Cross Country is a competitive sport where the competition can be between the student and their own physical / mental challenges or a competition at the highest level, against the talent of all GPS & CAS schools. Cross Country is an inclusive sport where students of all capabilities can join in and feel part of a community. When students put in 100% for themselves and their team, they reap many rewards; physically, mentally and socially.

Meet the Teacher – Dr. O'Driscoll

As a Year 11 year advisor, what has impressed you about the year 11 cohort?

The resilience of the cohort after 2 years of online learning due to Covid and the way they lookout for each other. There are many characters within this group.

In your experience teaching, what stands out the most to you?

What I enjoy most about teaching at High is that the students are mostly keen to learn and better themselves. Deep down we are all nerds.

What would you recommend junior boys do in preparation for senior science?

My advice for juniors who hope to do Science in the senior school is to master the basic concepts and to find wonder in the natural world around them as Science can explain what's going on.

From the Canteen Managers

Congratulations to the 2023 Prefect interns. We look forward to working with you in the Canteen.

Appreciation

Thank you to Hang Nguyen, who donated the ingredients and made Banh Mi and Rice Paper Rolls for sale in the Canteen.

We would also like to thank the following parents for volunteering in the Canteen over the past month.

Music Performance Program

It is never too late to join a music ensemble(s) and/or learn a new instrument. If you would like more information or have any questions, please do not hesitate to speak with the Music Department.

Music Storage Room

A reminder to all students in the Music Performance Program:

*The music storage room is ONLY for instrument(s).

*Please do NOT block the pathway inside when leaving instrument(s) in the Music Storage Room.

*Please make sure to place your instrument(s) neatly in the appropriate instrumental bay(s).

*Please ensure students have a clear name tag with their name/year on their instrument case.

*Students and parents are reminded that SBHS does not provide instrument insurance or cover. The Music Department will not take responsibility for loss or damage whether on or off the school property.

*Non-music instrumental items/accessories will be removed without any warning.

IMPORTANT – Covid Requirements

*Students who do not feel well should NOT be at school and therefore should not be attending ensemble rehearsals and/or private instrumental lessons.

*Students will need to bring their own instrument(s)/equipment/accessories (e.g. guitar picks/drum sticks/guitar leads etc.) - items will NOT be loaned and/or supplied by the Music Department.

Parent/Guardian/Student Communication

Parents and Guardians: Please download **SZapp** from the Apple App Store or Google Play and subscribe to 'MUSIC.' Installation guide can be found in the school's High Notes.

Students will be notified of any music news and notifications via the Music Performance Program CANVAS page, school's daily notices and High Notes. Students are responsible to read and keep updated of any Music Performance Program related events/material on a regular basis.

Athletics - Week 2 Update

After a solid first week of training athletes competed in the first GPS Athletics Invitational since 2019. In years gone past Year 8 students and above have been able to pass down wisdom from experience. Unique to this year, only Year 10 students and above have been to an invitational meet. More than ever the program requires senior boy leadership, and I am confident our boys are up to the challenge. Leading this call will be the Athletics Captain Klim Tsoutsman and Vice-Captain Caden Ma.

It was pleasing to see how much excitement and enjoyment the event provided our students. There were many impressive performances and the coaching staff, and I are excited to witness the development of the boys. Boys can review their results on CANVAS.

This upcoming Saturday the invitational will be at ES Marks, schedule is available for students to check on CANVAS Announcements. Note the change in start time due to access to ES Marks as the site continues to be developed.

Please see the training schedule for next week of the season below (full schedule available on CANVAS), if your son is unable to attend a training session please email me at richk@sbhs.nsw.edu.au and Absences.Sport@sbhs.nsw.edu.au by 5pm Thursday. If your son cannot attend the Saturday meet, please email before the start of the invitational.

Saturday 20 August 2022:

NSWSFL U16 Foil Individual Competition:

Last Saturday was the NSW Schools' Fencing League's U16 Individual Foil Event, hosted by St Ignatius' College Riverview. Competing in the event were Dean Johnsun (10F), Henry Lin (10S), James Pullinger (10T), Tony Guo (10T), Daniel Kim (09M), Benjamin Pham (08R), and Raphael Xiao (08S). A solid performance by our fencers, with Dean Johnsun, Henry Lin, James Pullinger and Daniel Kim all making it into the top 8. Unfortunately, only Henry progressed to the semi-finals, losing 10-4 and coming equal 3rd. Either way, everybody's results were commendable, despite not having trained at school for a week due to the Fencing season ending. I am certain all of us have taken this event as an opportunity to see what we can improve on in the off-season. Massive appreciation to Mr Huynh for supervising, Coach Kevin for assisting, Edwin Lapitan of St Aloysius' College and Andrew Szandurski of St Ignatius' College Riverview for managing the event. I'm sure all of our fencers will be roaring for more, training in the off-season to return with even better results.
