

From the Principal High Talent

I offer my belated congratulations to Max

Russell (11T) on his cross-country success as open champion for the season. Henry Lau (10S) has been selected in a squad of 14 to represent Australia at the U15 FIBA

Oceania Basketball Tournament to be contested in Guam in November. Congratulations, Henry!

SUBJECT SELECTION PARENT INFORMATION

Year 9 into Year 10 2023 - Subject Selection Information

On Monday evening Mr Kay outlined the electives that are available for students to choose going into Year 10. He described the system of recording student preferences and how it was used to determine how places in electives are allocated in the event of there being more places wanted than are available. I offered a power point presentation of subject acceleration – what it is, why we offer it, results from the last five years and how students apply and are selected for the intervention. I explained how Individual Learning Plans are integral to the management of subject acceleration and what possible outcomes follow from taking an accelerated subject. For Year 9 students or their parents who missed the presentation, it can be found on our community website at

https://sydneyhigh.school/publications/document-library/doc_view/8064-subject-acceleration-presentation

Mr Kay's presentation, for those who missed it, can be found on our community website at https://sydneyhigh.school/publications/document-library/doc_view/8457-presentation-year-10-subject-choices

Year 8 into Year 9 2023 – Subject Selection information

On Tuesday evening Mr Kay presented the elective choices and processes for Year 8 students going into Year 9 in 2023. For those

who missed it, his presentation can be found at https://sydneyhigh.school/publications/document-library/doc_view/7847-presentation-year-09-subject-choices

Year 10 Course Choice and Career Interviews

This week many staff were involved in one-on-one interviews with Year 10 students prior to them choosing their pattern of study for Year 11 next year. The boys prefilled a form probing their interests and possible career choices via tertiary course intentions. They had to think about a realistic ATAR and what their best suite of courses might be. It is an important process that we asked parents to be involved in to ensure broad consultation about possible pathways. This is the second year that we have run these sessions and we believe that they have proved to be beneficial, as evidenced by fewer requests for course changes during this year from current Year 11 students. Thank you to our relieving Careers Adviser, Matt Cotton for his management of this interview and accountability process. Thank you to our busy teaching staff who gave of their time so freely to discuss curriculum and vocational pathways with our students.

References for Year 12

We held our references meeting last Friday, at which students were given personalised information sheets about how their school references would be compiled. The process was explained and the deadlines for action outlined. The cover sheet with the three teachers' names on it had to be handed into the Main Office by Tuesday, September 6. The student paragraph had to be sent to reference@sbhs.nsw.edu.au by Friday, September 9. Many people are involved in this important process and a great deal of time is spent to ensure that the engagement and achievements of all our graduating students are recognised and acknowledged in the school references.

Open Day 2022

There was unprecedented interest in our Open Day this year, with 1000 people registering for the live event and another 200 for the afternoon

online session. The organisation of the event became much more complicated given the larger expected number of visitors. I want to thank Stephanie Francis for her very dedicated efforts in organising this Open Day. Thank you also to the Media Team and James Walker for their live streaming of the afternoon session and Q & A with prospective parents.

BANNED BOOKS WEEK 12th-16th September

Banned Books Week is an annual event celebrating the **freedom to read**. Banned Books Week was launched in 1982 in response to a

sudden surge in the number of challenges to books in schools, bookstores and libraries. Typically held during the last week of September, it highlights the value of free

and open access to information. Banned Books Week brings together the entire book community — librarians, booksellers, publishers, journalists, teachers, and readers of all types — in shared support of the freedom to seek and to express ideas, even those some consider unorthodox or unpopular.

Sydney High Old Boy
Connor Fisher - Class of 2017

In 2017 he coordinated the school's World's Greatest Shave Team raising nearly \$6,000 for the Leukaemia Foundation. Now studying medicine at Monash University, he has coordinated a blood donation drive

called the Vampire Cup. He himself has become (at 22 years old) the youngest blood donor to reach 100 donations nationally. His 100th donation will be on September 21. Sydney Boys helped establish his immense community spirit.

SBHS Athletics Week 4 Update

As we head into the final Athletics Invitational, I want to say that I have been impressed with the rate at which the GPS Athletes have improved. It has been a wonderful experience for me and the coaches to witness this development and I encourage all students to continue to train consistently hard all year-round. After the invitational on Saturday 10 September (we are the host school) a team will be selected for the GPS Championship which will be held on Saturday 17 September. Students not selected in the team or reserves will attend their summer Sport training in Week 9. If any student feels that they were overlooked in the selection process (selection policy on CANVAS) they can meet me in my office on Monday 19 September during Lunch

Klim Tsoutsman SBHS Athletics Captain & Kurt Rich MIC of Athletics at the Annual GPS Athletics dinner at the Kings School.

GPS Athletics Captains with the guest of honour Mr Richard Tombs.

Mr Tombs is an ex-Wallaby who suffered an injury later in life while playing Soccer. He spoke to the dinner guest about perseverance and the importance of being able to handle difficult situations with a positive and resilient energy.

This upcoming Saturday the invitational will be at ES Marks, schedule is available for students to check on CANVAS Announcements.

Please see the training schedule for next week of the season below (full schedule available on CANVAS), if your son is unable to attend a training session please email me richk@sbhs.nsw.edu.au and Absences.Sport@sbhs.nsw.edu.au by 5pm Thursday. If your son cannot attend the Saturday meet, please email before the start of the invitational.

Off Season Conditioning

Rowing at High is one of the most prestigious sports that this school offers, and the just like the athletes of other sports, Sydney High's rowers strive to become the best they can be. This is achieved in many ways, from hitting the gym to having a session on the ergs and more recently, a once-a-week cardio session sponsored by old boys. The aim of these sessions is to increase our conditioning and work on building muscles that we never thought would be useful. Many of the rowers taking part in these programs have never done activities like these and were surprised at the immense difficulty of these exercises. These sessions are really helpful, especially for what is hopefully our first pandemic-free season. The sessions provide rowers with a means to get back into shape for the upcoming regattas where Sydney High plans to make a bold statement about our new and improved rowing program.
