Year 12 Farewell & Graduation Assembly 2022

Farewell Booklet Message

It is sobering to consider that the Class of 2022 spent half of their time at High under pandemic conditions. Our society has been disrupted and weakened by the prolonged effects of the stresses of lockdowns, learning from home, constant vaccination requirements, social distancing and mask-wearing mandates and recommendations. You have had a lot to endure for a long time. I am proud of the manner in which the cohort coped during these hard years. From my perspective, I see boys maturing into men by just "getting on with the job." Most of you have shown the grit and

resilience to overcome the obstacles and try to pursue as 'normal' a life as possible in these troubled times. Luckily, we have been able to hold most events in our calendar in the usual format – despite the weather being so unusually wet. As we have seen politically, climate change is a big issue, surpassed only recently by cost of living rises. Let us hope that next year is closer to the 'normal' that we used to know.

CONGRATULATIONS YEAR 12!

It is fitting to acknowledge and congratulate again the Year 12 students who have achieved great results as individuals or as members of a team. At CHS Rowing, Jack Smiles and Maxime Jalbert-Locke won five gold medals each. In swimming, Adam Davies won the 18 years breaststroke at a GPS Carnival and gained GPS combined selection and All Schools qualification. Sam Ezra, Nathan Cox and Daniel Low were in crews that qualified from NSW to attend the National Schools Sailing Championships. Our CHS Knockout Basketball team won the NSW competition in dominant fashion led by Isaac Ayoubi, Zac Taylor, Richard Lu and Blake Mulholland. Isaac was selected in the NSW CIS basketball team.

At the Metropolitan District Rifle Association match, Jackie Wu shot a perfect 50 with 10 centres at 800m – a school record. Jackie, Martin Lee, Leo Weng, Eddie Zhang, Emmett Kim Narushima, Andy Xia and Cameron Young were members of the all-conquering rifle shooting first grade team – All Schools winners and GPS Champions. Jackie, Martin, Leo, Eddie, Emmett and Cameron were selected for the combined GPS team (an unprecedented number of seven shooters were selected from High). Jackie's record of four combined GPS teams is a new benchmark accomplishment at High. Terence Lim, Geoffrey Ma and Isaac Cheer were members of the Second Grade Premiership winning Rifle Shooting team.

Brendan Alcorn and Nicholas Chen won gold as a member of the epee team at the AJ Rae Schools Team Championships. In sabre Yu Ming Lee was in a gold-winning team. Paul Fang represented the successful Sydney East Volleyball team in its win in the NSW inter

regional carnival. Congratulations to Owen Seong and

Paul as members of the successful GPS Honours team which defeated CAS. Owen and Paul along with Eric Lin and Justin Chen were members of the CHS Knockout Volleyball Championship winning team.

Nelson Cheng won gold in his division at the NSW Weightlifting Championships. In athletics Kane Shields represented Australia at the Oceania Games in the 1500m event. Nicholas Francis was a member of the team that won the Friday Evening Debating Competition. Martin Lee, Yu Ming Lee and Dylan Freeman won gold medals in the National Latin Examination. Dean Nguyen was honoured with a Youth Community Service Award at Government House.

As you complete your final year at High, take with you this thought about your cohort's endurance and optimism. 'Resilience is based on compassion for ourselves as well as compassion for others' (Sharon Salzberg). We have this wider understanding of compassion as one of our school values. Your own wellbeing is important so that you can take on life's challenges. We nearly always work better in the company of others. We can help each other. I hope you take compassion with you as a lifelong character trait. It was my honour to serve you as your principal.

Farewell Assembly Speech

'Good afternoon Year 12, staff and parents. Welcome to our Farewell and Graduation Assembly for the Class of 2022. I acknowledge the Gadigal people on whose country we meet and pay my respects to elders, past, present and emerging. Lads, as you come to the end of your formal schooling I have to apologise to you for the cultural experiences at High forgone due to the pandemic and its effects. It was not the usual six years at High with all the customary events and rites of passage. We all tried our best, but important pieces were missing from our historical practices. You have had to revive the events and kick start the communal spirit that was lost during enforced isolation. You have made it easier for those who come after you to consolidate and deepen the High experience for new cohorts of students.

One hundred and seventy-four of you are completing your six

year journey at High. For half of that time you have been impacted by the pandemic. In my *Principal's Message* printed in the Year 12 Farewell Booklet, which you will receive today, I alluded to your grit and resilience in the face of ongoing obstacles. A selection of notable results by Year 12 students is included for your perusal. My thanks go to our executive team of Joshua, Rahul and Yu Ming. Leadership is often a lonely place where decisions have to be made. Thank you to all of our departing student leaders – Prefects, SRC, Community Service, PAWS, Equality, Social Justice, Environment – your growth in leadership and understanding of service will stand you in good stead in your adult lives.

I want to recognise and honour the six scholar-sportsmen who competed in two seasons of GPS Saturday sport and earned 99.5 ATAR or higher in the Trial HSC (2021-10). They will be presented prizes at Presentation Night next year. Well done to Jason Yan for participating in four sports in his final year. Seven boys played three GPS sports in Year 12. I want to thank the 77 Year 12 boys who showed pride in their school and represented High in at least two GPS sports in their last year. Another 68 played one sport. In this third COVID-19 year, 71.8% of the cohort showed their commitment to our scholar-sportsman ethos right to the end. These statistics again affirm that our students value participation in school sport. Twenty-five students played two GPS sports for six years and another 41, one sport. I applaud our graduating Year group for their dedication to our ethos.

Congratulations to the most able and committed Year 12 students who represented the school at the highest levels in multiple sports this year. There were 28 boys from Year 1 who competed in first or second grade in two seasons of sport this year. 'Triple Firsts' were Nelson Cheng, Klimenty Tsoutsman, Kane Shields and Ashwin Barrett. Our 'Double Firsts' were Anthony Wang, Albert Giles, Cody Robinson, Thomas Britton, Leon Chau, Maxime Jalbert-Locke, Jia Jie Sheng, Jack Smiles, Brendan Alcorn, Nicholas Chen, Samuel Ezra, Daniel Low, Yu Ming Lee, David Li, Thomas McFarland, Tarrant Williams, Song Chen and Nikolai Shchekochikhin. Our 'One-Two Club' comprised Danny Pan and Alex Xue. This year our only 'Double-Two' was Alexander Girdis. Thank you all for your commitment to the values of our school – dedication and integrity – combined with the pursuit of excellence. Thank you to all the MICs, coaches and parents who helped to make our best practice co-curricular programs successful.

I want to expand on the value of compassion in our lives that I offered in my *Principal's Message*. Arthur Schopenhauer believed it was the basis of all morality. Compassion is care for self and others. It is about the acceptance and forgiveness of weakness or error. Compassion is about caring for others and developing modes of behaviour that are respectful of others. It is about behaviour – right or wrong, good or bad, as measured by the yardstick of living with others and treating them humanely. As a first principle, treat people equally. As the black activist and politician Jesse Jackson said, "never look down on anybody unless you are helping them up". To be compassionate is to reach out to others in word or deed. It is to recognise that we all have strengths and weaknesses and share the frailty of the human condition.

People everywhere are trying to achieve goals, succeed, love, be loved, find happiness and intellectual satisfaction, enjoy friendships and have some fun. Our humanity is our equality. Having compassion is an indication of our otherness, of our commonality of hope, fear, hardship and suffering. It is a worthwhile value that we strive to model and inculcate at High.

I wish you all the best in your HSC results and I hope and trust that you will be all successful in gaining entry to your chosen tertiary options.

Good luck and goodbye!

Principal

CHESS NEWS

Exciting news for our competitive chess program! Last Friday our Junior A team played Baulkham Hills in the

NSW Junior Chess League Inter-Regional Finals and came away with a victory. We are so proud of these boys (Ahn Quan Nguyen, Ethan Paw, Leo Le, Nestor Chan and Vedantik Bhattacharyya) whose commitment to each other and the school and to the improvement of their game each week at coaching has been unfaltering. After two years of interrupted competition, we are thrilled to have such strong junior players.

Thank you, boys for your dedication to chess and for giving up your time on Friday afternoons and thank you to our coach Vladimir Feldman.

Year 10 VIII Report

As the new 2022/23 season is about to commence, the Year 10 Vlll's have been hard at work throughout the off-season. Almost all rowers have consistently shown up to Wednesday morning erg sessions throughout the winter season. On top of this, it has been great to see so many of our Junior Rowers, not just the Year 9's but the Year 7 and 8s diligently turning up to all sessions, getting them ready for the new season. The main focus of these sessions was to work on our fitness and technique through long-distance ergs.

The Year 10 Vllls are looking forward to finally being able to row in eights and to compete in the GPS Head of The River for the first time.

I strongly encourage all boys, of all years to participate in this prestigious and exclusive sport as it is offered by very

few schools and become a part of this great Sydney High Rowing community.

SHOOTIN' HOOPS

289

With the upcoming 2022-23 season, and tryouts for summer sports beginning, it seems an exciting season for High. Many of our athletes are coming back stronger than ever from our juniors. The first-grade side had an extraordinary winter, winning the CHS tournament, and was invited to play the winners of GPS, and CCC, and CAS, playing in the State Championship Final against Newington, and finishing 2nd out of all schools in NSW.

The 15's team also played in the CHS Championships and they did High proud, winning all games thus far in 2022 and qualifying for the State CHS Championships. The 1sts and 2nds squads for the upcoming season have also been entered into the Sydney All Schools Shootout and training taking place in the holidays. The annual Old Boys v 1sts and 2nds happened recently and the Old Boys beat the squads. It was an excellent game and it was great to see such a large crowd of Old Boys from many generations attend to support the players and high spirit.

The hype surrounding the basketball culture is only growing, with 28 teams already set up, and 6 more to join in year 7 2023. In other news, Old Boy, class of 2015, Geoff Gerlach is returning from California after completing his masters of Coaching. He's complementing Marquis with the Opens teams as Co-Coaches.

Great thanks to the high community for the outstanding basketball car parking again this term. **Massive thanks to Basketball Coordinator, Ben Hayman for making all of this possible!**

To start of the NBA offseason, Rudy Gobert got traded to the Minnesota Timberwolves for 4 1st-round picks, a pick swap and 5 rotation players, one of which being a first-round pick in the 2022 draft. Another big blockbuster trade was between the Utah Jazz and the Cleveland Cavaliers, with Cleveland receiving Donovan Mitchell, an elite explosive backcourt asset, for Collin Sexton, Lauri Markkanen, Ochai Agbaji, 3 1st-round picks, and 2 pick swaps. All-star Dejounte Murray moved from the San Antonio Spurs to the Atlanta Hawks, now set to play the 2022-2023 NBA season alongside Trae Young. He was traded for 3 first round picks, a pick swap and power forward Danilo Gallinari.

For all students, they can practice their basketball skills in the holidays by attending the camps run by coach Marquis Navarre. The camps are on the 4th and 5th of October and they are a great way to improve your skills before the season starts.

Go HIGH!
Play Hard, Play Smart and Play Together!
Thanks to everyone who makes Shootin' Hoops possible
Brought to you Yves Rinaldi and Charlie Caro.
