

From the Principal

It is encouraging to participate in an international day that takes the time to recognise and honour the contribution that teachers make to the world. Its theme for 2022 is: The transformation of education begins with teachers. It is an opportunity for everyone to thank any teacher / coach / instructor who has contributed to their lives. In honour of the occasion, the P & C have kindly funded additional recreational seating to be installed facing the tennis courts and have provided a morning tea for staff.

Interpreting Year 11 Reports-Semester 2

Year 11 students have discussed their results with me and been given their reports. Please discuss your son's report with him so that you are aware of his eligibility for the HSC – 10 units and four subjects.

Teachers record individual marks for courses, and these are run against an ATAR predictor program. All the raw marks are converted into scaled marks per unit. In the iterative scaling process, students' marks in one course are compared against all the other students who completed the same course and against their performances in their other courses. The data we use are last year's HSC results for High. The essential comparative assumption is that boys will perform at around the same standard this year as they did last year. Means and standard deviations are derived from our HSC results from the previous year and applied to our results in the current year. A scaled score out of 50 is calculated for each course on a one-unit basis. Where candidatures are very small – eg visual arts and LOTE- we use historical results in that course in our school to calculate the mean and standard deviation to be applied to this year's results. We use **all 12** Preliminary

Units to calculate our ATAR estimate for two reasons. First, we would like students to receive a realistic appraisal of their progress in state terms as well as relative to their peers at High. Second, we want them to know their relative performance in each of their courses, to inform their subsequent choices. Third, it assists them to drop their weakest two units on the basis of scaled marks rather than raw marks. Next April, the estimate process will be moderated against the 2019 HSC results and calculated for the best ten units for each student.

At this stage of the year, every Year 11 student faces a choice, some have more choices to make than others. Will I do 12 units, 11 units, 10 units or less? For those students who have a guaranteed entrance into Extension 2 Mathematics, they can drop two courses immediately (Extension English and a 2-unit course) and still have ten units to present at the HSC. Students who really want to exit a course and have made the rank cut – off for extension 1 Mathematics, can keep their Extension English and drop a course. Most accelerants remain doing ten units until their HSC results in the acceleration course are published. Acceleration students have a choice to reduce their load to 8 units if they believe their HSC marks for their completed acceleration course are high enough. Students qualifying and choosing to do four units of English can drop one course. High performing students tend to use acceleration results as insurance and do ten units for the HSC anyway.

Others want to be rid of a weak course and explore choosing others – e.g. picking up one or two-unit studies of religion, or taking an extension unit in History, Music or LOTE. Some love all their courses and want to carry 12 units to the HSC. I have no problem with that choice provided that their tertiary course has a lower entrance requirement than their current ATAR prediction and that they are well organised enough to do well in twelve units. Students I speak to when discussing their reports are thoughtful about their strengths and weaknesses and mindful of their preferred tertiary options. Pragmatism often informs their

decisions. At this important time, future tertiary intentions are important considerations. Choices are made to maximise enjoyment, ATAR ranks or both. I hope all Year 11 students choose sagely.

Summer Sport Co-payments - Term 4

The rolls for summer sports and activities have now been finalised. In many activities co-payments are levied for the season – in this case Term 4 2022 and Term 1, 2023. Other sports have a policy of fixing co-payments on a term-by-term basis. In either case, invoices have now been posted. For Years 7-10 this means that the summer invoice will be included on individual *Clearance Forms*. These forms will need to be cleared prior to boys receiving their reports. The base co-payment for sport for a season is \$180 for 2022-23. Higher charges are levied by individual sports as a result of resolutions passed by the Incorporated Associations or P & C Support Groups responsible for supporting particular sports. Year 11 boys have been invoiced for Term 4 or their full summer sport, too. Parents would not have had these charges on the Clearance Form for their sons prior to them receiving their reports. It would help the MICs for these sports greatly if families could pay for their sports in the next ten days or so.

EXTENDED LEAVE

This form is if you require **extended leave** for your son for **five days or more** please apply in writing using the departmental application leave form available on the parent portal or front office. Your son must then present this application to Dr Jaggar for permission for extended leave. Please note: Leave applications need to be submitted **four weeks prior** to your son's leave of absence.

Opal Card Reminder

Please remember to **tap on and off** when travelling with a school opal card.

Dear Parents and Friends,

The Annual General Meeting for the SBHS P&C will be held on **Monday, 14 November 2022 at 6:30pm** via Zoom. To join online you will need to register via the link provided above. Please attend the AGM and support your son's school. It is only with your support that we can build a strong school community at Sydney Boys High and a provide supportive environment for our kids and school staff.

Annual reports will be presented by the President, and the Treasurer before all P&C positions are declared vacant.

Elections will then be held for all P&C positions at this meeting

Please consider nominating yourself for a position for one of the various roles available in P&C committee. The P&C needs your skills, experience, and some time in providing support to students and parents in 2023 – there is lots to do! Taking up a position in the P&C Committee is a great way to engage with the school executive team, contribute to the direction of P&C activities as well assist parents in their journey at High.

If you would like to nominate for a position then please complete the form at this link: <https://forms.gle/TbjB4EiEncJj9JNk7> or email sbhs.pandc@gmail.com. Available positions include:

President Vice President Secretary Treasurer Assistant Treasurer Canteen President Communications Officer Year Group Reps Coordinator Events Coordinator – Open Day Events Coordinator – Orientation Day Events Coordinator – Year 12 Farewell Tea Events Coordinator – New Parent Welcome Evening	P&C Representatives to School Council P&C Representatives to Sports Council P&C Representatives to SHS Foundation P&C Representative to Governors Centre Ltd Sub-Committees Coordinator Working with Children Check Compliance Coordinator
---	---

More information on the positions can be found [here](#), along with other [governance documents](#) including constitutions, by-laws and Code of Conduct.

If you have any questions or concerns which you would like to raise, please email the P&C at sbhs.pandc@gmail.com.

From the Senior Library

New 2023 ATAR Notes have just been ordered and should be here in time for borrowing over the Christmas holidays. We have also ordered almost all the Nobel, Booker and Pulitzer Prize winners and those that made the short lists for 2022. They will be on the shelves in the next few weeks.

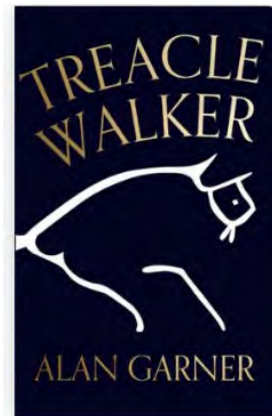

New Titles

A grizzly bear goes on the run after eating a teenager. A hotel room participates in an unlikely conception. A genetically altered platypus colony puts on an art show. A sabretooth tiger falls for the new addition to his theme park. An airline seat laments its last useful day. A Shakespearean monkey test pilot launches into space.

A humorous and rousing set of literal and figurative sojourns as well as a mission statement about comprehending, protecting, and truly experiencing the outdoors, fuelled by three journeys undertaken by actor, humourist, and *New York Times* bestselling author Nick Offerman.

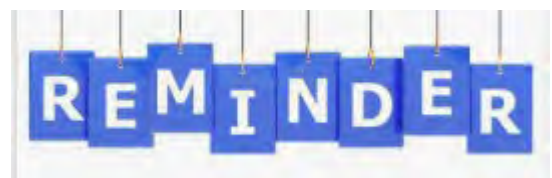

An introspective young boy, Joseph Coppock squints at the world with his lazy eye. Living alone in an old house, he reads comics, collects birds' eggs and plays with his marbles. When, one day, a rag-and-bone man called Treacle Walker appears, exchanging an empty jar of a cure-all medicine and a donkey stone for a pair of Joseph's pyjamas and a lamb's shoulder blade, a mysterious friendship develops between them.

A fusion of myth, magic and the stories we make for ourselves, *Treacle Walker* is an extraordinary novel from one of our greatest living writers. Shortlisted for the 2022 Booker Prize.

SBHS SAILING

Overview

Coming into the second week of sailing this term, our boys felt confident and comfortable enough to begin sharpening our racing skills in earnest.

We put the medium winds on Wednesday to good use, practicing both one-on-one situations before races and three-versus-three tactics during races. These drills saw excellent performances from skippers Ryan Fang and James Pullinger, as well as promising improvements from up-and-coming sailors Nathanael Thie, Mahib Fazley and Oscar Shi.

Saturday Results

Despite the wind being forecasted to be dangerously high, we found ourselves sailing the fleet races with a moderate breeze. While the newbies in Year 7 strengthened their basic skills in Optimist dinghies, the rest of our sailors took the opportunity to race Ascham School and the Scots College in Pacers. Although finding wins proved to be difficult, we walked away from the day having gained valuable racing experience. Unfortunately, teams racing was cancelled due to the ominous wind forecast.

SBHS SAILING

A few details for here for Sailing including new systems for all session information etc.

1. **ACTIVE KIDS**- I have arranged for us to have a program which allows us to use to our best knowledge the Active Kids Voucher. It would be a massive help to Sailing if you could download your vouchers ASAP and get them back to me so we can claim them this Term.
Please send just

1. Child's name
2. D.O.B.
3. Voucher number

If everybody gets on board this will have a huge impact on the enjoyment and learning of your boys. Any questions please let me know. It cannot be used to decrease the co-payments unfortunately.
I have attached the link.

Camp Report

Rowing season is what all rowers look forward to, not only for the beautiful scenery, and the calm relaxing rows with their friends on a nice sunny day on the clear, calm blue water of the Parramatta River, but also for the camps. On the 13 October, rowers went to the sheds, unsure of what to expect. Due to COVID, camps had not been active for 2 years, so this was a first for many. After the row, rowers took a hot shower and then were treated with delicious salads, pasta and kebabs cooked on the barbecue. For the last two weeks, every Thursday, rowers are provided this food by the wonderful parents who volunteer their Thursday afternoons just to cook magnificent food for us and make sure that we can be as fit as we can for the Head Of The River next year. SHS Rowing cannot be what it is today without these parents, who make rowing all the more enjoyable as it can possibly be.

SBHS Athletics

A special mention to Lachlan Leung who after just 1 GPS Athletics season won the U14 Long jump at the Championship. This was one of two 1st places in the Long Jump, as always well done to our Long Jump Davina Stauss. Lachlan went on to compete in the NSW All Schools Athletics Championship during the

school holidays representing Sydney Boys High School in the 14 years long jump event and took out the bronze medal with a jump of 5.84m, narrowly missing out being selected into the NSW squad by a mere 0.03m.

This is a strong demonstration of what can be achieved with focused intensity in training and competition. A reminder to all students that the school offers year-round speed & agility training at the following times:

Tennis Update Week 3

It has been pleasing to see the overall efforts of the boys in the Tennis program. A reminder that all Tennis Athletes are to arrive at least 30 mins prior to their match on Saturday's. There were some pleasing results in the Tennis on Saturday, special mention to the 14C and D who beat Joeys A and B teams. Additionally, 2nd Grade overcoming adversity at the start of their fixture to get the win in a close fixture.

I am seeking out parents keen to be part of a **SBHS Tennis Parent Support group**, the main role is to recruit parents and student for parking, other duties may include

running the end of season function. If you are a Tennis parent and keen to be part of this group, please email me.

Tennis training schedule below, if your son is unable to attend a training session please email me richk@sbhs.nsw.edu.au & Absences.Sport@sbhs.nsw.edu.au by 5pm Thursday. If your son cannot attend his Saturday fixture, please email before the start of the match. Training & Fixtures can now be seen on **Clipboard** which is a new sports operating system that the school is now implementing. If your son identifies any error regarding their clipboard schedule have him contact me asap.

A reminder that when it is raining the morning Tennis training will be on in the gymnasium gallery steps.

1st Grade Water Polo

The second round of the combined GPS/CAS Water Polo competition proved to be a successful one for Sydney High's Water Polo program, winning 4 out of 6 games. After a tough defeat last week and a week of working on extra man and cover defence drills with Mr Rowlands, the first-grade boys were yearning for a win against Waverley College. At the sound of the whistle, High successfully won the swim-off and with aggressive offensive efforts from our centre forwards, we quickly established ourselves as the more dominant side. Nearing the end of the second quarter the Waverley boys were showing

signs of exhaustion and as the fitter and faster team, we planned to use this to our advantage. At the first half's conclusion, High was up 5-2 following strong goals from Brian A and Fynn. In the second half, we slightly deviated from our structure and defensive efforts. However, goals from Edwin and Joe ensured the score was still in favour of High. With a final score of 8-5 and immense room for improvement, the boys plan to carry this momentum into next week's fixture against Kings.

1st XI Report

Losing the toss the boys were sent into bat. After a loss of early wickets the batters chipped in within the middle order, Raunak Roy (20), Xavier Nath (23) helping the team at first drinks to 4/70. Aayush Madan (33) and Nishanth (25) helped steady the teams collapse taking us to second drinks at 6/110. Udey Gill (27*) helped anchor one end chipping away as wickets fell on the other end, with High ending up all out for 167 in the 42 second over. Our bowling innings started perfectly with Xavier Nath taking two wickets and Udey Gill taking one putting joeys 3/0 after 4 overs. Although Joeys reclaimed momentum ending up 3/60 at first drinks. Both high spinners came on and restricted runs with Raunak Roy

1/29 and Arthav 1/31 giving high a chance at seconds drinks. Poor fielding mixed with poor bowling led to a disappointing loss for high. We look to next week where High plays Scots hoping to bounce back after the defeat.

Raunak Roy
1st XI Captain

2nd XI Report

The first GPS game of the season had the boys pumped and ready. We had the perfect start, winning the toss and bowling first on a beautiful green top. However, our pacers were unable to make early headway but eventually, their wickets fell due to the brilliance of our spinners. With 20 overs and 7 wickets between them, and some excellent bowling from Zayn, we were able to stem the flow of runs to a reasonable total of 192. The boys were great in the field and didn't fail to let Joeys know we were on top throughout the first innings. After a brilliant lunch and Arin's top-tier birthday cake, our openers padded up to begin the chase. Unfortunately, with a batting collapse at the top of the order, we were on the back foot from the start. Zarif and I managed to accumulate a steady partnership to bring our team's total to 138, falling short of Joey's score. With some good training sessions, I'm sure this side, which is full of potential, will see many victories throughout the season.

Ranaveer Thorat 10M
2nd XI Captain

Team of the week – 15B's Report

With the second game of the season underway, we were riding off the momentum from our last win and eager to get another one. We won the toss and chose to bat. However, the top-order batsmen collapsed to leave us reeling on 4/18 at drinks. However, the middle order and tail started punishing the bad balls and were finding the boundary every other over, with Mahtab top scoring with 20* and we were able to get to a respectable score of 64. Their opening batters came out blazing and got off to a flying start, reaching drinks at a dominant 1/41. However, our bowlers started pulling it back with tight bowling and they needed 16 off the last 5 overs. Our pacers were doing well to restrict the runs, and the atmosphere was tense as the match went down to the wire. Unfortunately, though, they were able to get timely boundaries and a few mistakes in the field proved costly and they chased down the total with 2 balls remaining. Hopefully, we learn our lessons and get back to winning!

Last weekend was an awesome round against St. Joseph's College, with a vast number of High Basketball teams taking home a convincing win. The majority of the 14's teams won their games, as well as the 15E's, 15B's, 16F's, 16E's, 8th and 10th grade sides. The first grade side played St. Joseph's College first grade side, in a very tough loss 59-64. The game was very hard fought by High and they were unlucky to not come up with the win. The High second grade side were up against Joey's second grade team and they played a great game but lost by single digits, similarly to the first grade side. Both games were unlucky losses but High was performing at a level of excellence for the majority of the time on the court. Let's hope they can continue playing this level of basketball throughout the season. Thanks to the high basketball community for their help with the canteen and their support, and in particular a massive thanks to the Basketball MIC Ben Hayman for the hard work week-in and week-out. Go HIGH!

In NBA news this week, the 2022-2023 season has officially begun, and fans are getting a glimpse at the new lineups, with many fan favourites returning from injuries. In particular, Kawhi Leonard, a superstar who took the entirety of the 2021-2022 season to rehab his reconstructed right ACL, is now back on the court after 476 days, but, Los Angeles Clippers head coach Tyrone Lue is easing him back into the lineup, with Leonard only seeing 21 minutes of action in the recent game against the hometown rivals, the Lakers. The Clippers have also told the media that Leonard will have to miss games, as he undergoes 'injury management' and that it will be some time before we see Kawhi Leonard play back-to-back games. In other news, Toronto Raptors rookie Christian Koloko, and Miami Heat's Caleb Martin were

both ejected in the third quarter of the Raptors vs Heat NBA game last Sunday. Early on in the third quarter Koloko and Martin were jostling for a rebound off a missed corner three by Toronto's Pascal Siakam, when Martin pulled Koloko onto the ground. Martin stepped toward him, as Koloko bounced up onto his feet, and it escalated into a brawl. On a lighter note, Portland Trail Blazers superstar Damian Lillard, as well as Philadelphia 76ers James Harden are looking like they are returning to their peak form, and could likely be high MVP candidates in this season.

JUNIOR KIOSK REPORT

The Junior Basketball teams kicked off with their first home game on 15th Oct and it was the very first time our Junior Kiosk opened to sell snacks and drinks to the spectators and players after the Covid. Many thanks to SBHS basketball parents who volunteered to help on the last two Saturdays and those who donated food. Especially the year 7 parents who were newbies to join our School Basketball community, they managed to help last Saturday along with the Junior event coordinator Grace (Year 8 parent). We would like to encourage more basketball parents to help Senior and Junior games and raise funds for the basketball committee by helping basketball canteens, senior BBQ and parking events. **All profits will be used for the school basketball teams and our children will be benefited the most if we can all help a bit!** We also welcome food donations please contact the junior event coordinator (Grace Guan) and senior canteen coordinator (Hebert Lau).

Thanks to these parents helping on 15 October, Christine Zeng (14E), Christine Luu (14B), Rachael Flynn (14F), Meilina Thie (15D), Rosaline Perry (16B), Juliet Z (15B), Qihua Xu (14C), Carmen Chan (16A), Jenny Chang (15A), Shiromi (15A), Donna Lees (15B), Grace Guan (15B).

Special thanks to Year 7 parents on 22 October, Christine Zeng (14E), Wynona (14E), Saumitra Sharma (14A), Penty Wang (14D), Kaddy Zhou (14D), Lisa Cheshire (14B), Kee Tram (14B), Qihua Xu (14C), Adnan Pal (14B), Fiona Zhang (14B), Francois Flocard (14A), Patrick (14A), Henry Pan (14B), and Juliet Z (15B), Especially **Grace Guan (15B)** and thanks to Mr Hayman for opening at 6:30am and closing late on the Saturday for us all.

thank  you

2022 schedule

eSafety's free webinars provide parents and carers with the knowledge, skills and tools to support children to have safe, positive online experiences.

Our live webinars for parents and carers attracted record attendance numbers in 2021. To meet the growing demand, our education and training team is expanding the program in 2022 to include more dates and topics to support school communities.

Each month, we will present either a new webinar topic or a video with simple tips to keep young people safe online.
