

From the Principal High Talent

Congratulations to Luka Miletic (10R) who was invited to attend the Civics and Citizenship program last week, which included a visit to Parliament House. Well done to Zaydan Hassan (10 M) whose novel 'Sir Peter Eclis: The Mindral Death' was published last week – Kindle and paperback. A great example of passion and perseverance! High's U15 basketball team won the CHSSA basketball Knockout competition last week, defeating Westfields Sports High convincingly in the final after losing to them earlier in the week. A great team effort. Congratulations go to - Andy Zhang (9F), Nelson Lee (9R), Henry Lau (10S), Victor Chen (9S), Jeffery Qiu (9E), Xavier Perry (9M), Stephen Li (10S), Jerry Lau (10T), Daniel Bian (10E) and Jonathan Li (10M). Our 7A volleyball team won the Junior Schools Cup at Olympic Park, defeating Baulkham Hills in the final. Congratulations go to – Ryan Chai (7S), Adam Flocard (7E), Roger He (7E), Ethan Huynh (7M), Aaron Jin (7R), Axel Lam (7E), Anthony Ly (7E), Pradyum Nuggehali (7S), Ethan Wang (7E), Jamie Yeung (7M) and Daniel Yi (7S). Well done to our Sydney High Blue Team who won a silver medal this week at the *Middle School Ethics Olympiad*. Thank you to Ms Eggleton for her mentoring of the team and organising coaching.

Scholarships Offered at High

SBHS offers only two scholarships – the Phillip Day Memorial Scholarship and the Sir Roden and Lady Cutler Foundation Scholarship. All **enrolled or enrolling** students are eligible to apply for the *Phillip Day Memorial Scholarship*. It is a *one-year credit* on the school account for \$1,500. The Selection

Criteria covers talented boys in an academic area or a co-curricular endeavour. Good all-rounders qualify as do students with special needs – financial or otherwise. There are many boys in the school who would make good candidates for this award. I urge them to take the trouble to download and complete the application form. The *Sir Roden and Lady Cutler Foundation Inc Scholarship* is a *two-year* award with a *credit at the school account* for \$1,500 for each Year – 11 and 12. Only boys **enrolled or enrolling** in Year 11 are eligible to apply. The criteria for this scholarship are different. It has an emphasis on a prior record of service to others, to the school and / or the community. Boys with initiative, compassion, a record of school or community service and leadership skills, are invited to apply.

Look for the details on the website www.sydneyboys-h.schools.nsw.gov.au Hit bottom left *Sydney High Community* and then Scholarships from the navigation bar. Do not assume that you are not worthy or eligible. Applications close on Wednesday, November 30.

Electives Process for Year 9 boys going into Year 10

Students make an initial free choice with their electives. They are also asked to rank their choices so that if they do not get one, they will be considered for the next ranked choice. Many boys have shown interest in robotics, code-based game development and the online learning elective (OLE). Many others have aspired to accelerate in a particular subject. For those attracted to acceleration, a process is in place to apply and have applications assessed. For robotics and game development, Ms Dam culls applicants based on their demonstrated mathematics proficiency and previous interest in IA subjects. Usually, a D in mathematics is a minimum requirement for entry into robotics or game design. Boys who applied for both will be allowed to do **only one** of these subjects. For the OLE, students need to have an interest in autonomous learning, a proficiency in using excel spreadsheets and to have a rank of 100

or better to qualify. Mr Dowdell uses raw scores submitted by HTs to calculate the dux of the Year group, using z scores. I cull the **accelerant applicants**. The criteria are academic in nature. Students apply to Head Teachers who send the forms of recommended applicants to me for assessment. Students have to be above average across their subjects at the Year 9 yearly examinations. They have to have a HD or D in the subject area in which they wish to accelerate. On rare occasions, highly talented students in just one subject area may be considered if they fall just outside of the cut-off rank. Year 10 electives are designed for students to branch out and test their interests before settling into stage 6 study. Some of these electives are **competitive entry** subjects. Students need to choose carefully and follow their interests in a low stakes learning environment but may not always get what they want.

Student Awards Scheme

Last points for the **Student Awards Scheme** for 2022 can be earned up to Wednesday, November 30. If you check your participation file and detect that something is missing, it is up to you to notify the MIC in charge of the activity to have the text file of successful participants compiled and sent to the S Records participation file. Awards have to be determined and medallions/ plaques ordered before the end of the school year so that they will be ready in time for our awards assemblies early next year. We are on a tight schedule. Medallions have to be tallied, ordered and names engraved on them. Workplaces start to wind down for the holidays from now on so we need to be efficient with our process. The outcome is that all medallions and awards are ready in time for our Student Awards Assembly in Week 4 next year. Don't miss out on getting all the points you should! It is very important that individual students go to the R drive to check up on their activities and points. If there are discrepancies, we need to know about them so we can contact MICs or program organisers, so everyone gets what they deserve.

World Teachers' Day

A huge thank you to the P&C for providing morning tea to the wonderful teachers at Sydney Boys High School on World Teachers Day, Friday 28 October. It gave staff the opportunity to come together and celebrate the work of one another. The staff here at High work hard to provide the many academic and co-curricular opportunities to our students and the morning tea was a nice way to say thank you for all their hard work.

SBHS SAILING

Overview

Our focus for this week was to work on starting more on time and improving our boat speeds.

On Wednesday we did some drills, practicing starting sequences consecutively. By the end of the session, the fleet was able to start within 15 seconds of the starting horn going off on average. This was in stark contrast with the beginning of the session where many boats were up to 40 seconds late to the start line, highlighting the effectiveness of these drills which we will look to keep using to continue improving throughout the season.

Saturday Results

The session this Saturday was quite long and the wind was high and gusty, allowing us to get plenty of races against the other schools.

Below is a table of our results from the day:

Scots 1	Win
Ascham 1	Win
Scots 2	Win
Ascham 2	Win
Scots 1	Loss
Ascham 1	Loss

Grammar Regatta Report

Racing kicked off last Saturday with the Grammar Regatta, beginning relatively early compared to previous years. High hopes from the senior boys were unfortunately met with unforeseen harsh headwinds and choppy waters. Every school on the water posted times far below their expectations. Our training continues ahead of the St Joseph's College regatta this Saturday, where previous disappointments will hopefully be remedied. Good luck to the Year 10 VIII's who will be rowing their first race as a crew.

Camp Report

Over the past week, the rowers in the Year 10 VIII's had their first experiences of camping overnight at the Outterside Centre. It was a great opportunity for the rowers to get familiar with the routines and environment of the rowing camps. During our Thursday sport time, we were introduced to the indoor weights room where we participated in circuits as we got accustomed to all the new equipment and exercises. With the help and guidance of the Senior A rowers, we carried out the routines that take place at the camps. The following morning, we turned our attention to our race starts as our first regatta is just around the corner.

I would like to say a big thank you to Mr Barris, the coaches and the parent volunteers as none of this would have been made possible without them. Overall, all of the members of the Year 10 VIII's thoroughly enjoyed this unique and exclusive experience of the rowing camps, and we look forward to participating in more in the future.

Tennis Update Week 4

Despite coming up against the very professional Scots school on the weekend I am pleased to report that the High boys showed great courage and won an overall of 44% of matches. Well done to 2nd Grade taking another narrow win in a tightly fought contest. First grade despite being full of mostly young and inexperienced players in comparison to their opponents have shown signs of improvement taking out a win in the singles via Isaac Wang. Congratulations to our 15D's who won 6-0 and have only lost 1 match so far this season. A special mention to the 16A's and who despite missing 3 of their players due illness won 4-2, well done to those boys and the B's who stepped up in A grade.

I am seeking out parents keen to be part of a [SBHS Tennis Parent Support group](#), the main role is to recruit parents and student for parking, other duties may include running the end of season function. If you are a Tennis parent and keen to be part of this group, please email me.

Tennis training schedule below, if your son is unable to attend a training session please email me richk@sbhs.nsw.edu.au and Absences.Sport@sbhs.nsw.edu.au by 5pm Thursday. If your son cannot attend his Saturday fixture, please email before the start of the match. Training & Fixtures can now be seen on [Clipboard](#) which is a new sports operating system that the school is now implementing. If your son identifies any error regarding their clipboard schedule have him contact me asap.

A reminder that when it is raining the morning Tennis training will be on in the gymnasium gallery steps.

1st Grade Water Polo

Coming off a very solid win against Waverly the previous week, we were eager to continue our winning streak and culture. Kings being one of our rivals in the AAGPS/CAS Water polo competition and our next opponent, we knew that a win would be the only option for our team. Coming off hard training sessions of swimming, working on our defence and learning how to defend the centre forward from the other team. Winning the swim off from Nathan and starting the game off strong with fast breaks and lockdown defence led to quick goals from Brian and Fynn.

High leading 3 quarters of the game had started the 4th quarter off 4-2. But multiple silly and soft fouls from the team and calls from the referees helped in King's comeback, scoring 3 goals in the last 3 minutes. The game ended in a 5-5 draw, but the boys knew that it was supposed to be an easy win. It was still a good day with the 16B's smashing Scots 10-2. Nonetheless, we will keep our spirits and hope high for our next week's qualifying final against St Aloysius.

1st XI Report

A chaotic start to the day, the First XI lost the toss and were set out to field. Great stroke play by Scots saw High on the back foot early at 0/30 after 3. Udey Gill taking two crucial wickets early to slow down the runs and put high back on top. A flat deck didn't help the bowlers although Raunak Roy tightened the screws bowling 10 overs for 42 runs for one wicket. Scots at second drinks were 3 for 180. The boys stuck throughout it the whole day and great effort with Scots finishing on 279. High set out to bat with a great start from Sumanth Bodidi scoring a fighting 41 back up with Aayush Madan quick fire 41. Resilient efforts from Udey and Nishanth saw high fall 90 runs short and being bowled out 191.

2nd XI Report

We were up against Scots for the second game of the season. We lost the toss and bowled first on a very flat wicket. We were able to make an early breakthrough

with a runout but then the opposition's batsmen began building partnerships that led to them scoring around 400 runs in their innings. The boys batted well, however; the number of runs scored by Scots made it difficult to keep our wickets since we needed over 10 runs per over. Zarif and Abhinav had a very strong opening partnership of 60 runs which set the tone for the rest of us. Following suit, myself and Ayaan built a steady partnership of 55 runs to elevate our side's total to 192.

It was a great weekend for High with multiple teams picking up the win against The Scots College. The first grade side played a phenomenal game but were very unfortunate to come out with a 48-53 loss against Scots 1st grade side. The second grade side also played a great game but they also lost to Scots. The 6th and 7th grade teams won as well as the 14F team. Every 16s team won except for the 16A who suffered a very well fought single digits loss to the Scots College 16A side. Even this early into the season we can see that this will be a big year for High Basketball. The level of basketball that has been played in 3 games this season has been off the charts and if High can continue this level of play the whole season it would be fantastic. Big thanks to the entire High Basketball community and especially to everyone who helped with the basketball canteen. A massive thanks to Ben Hayman, Basketball MIC for all the hard work he puts in every week.

With the NBA well underway now the season is packed with interesting news. The Los Angeles Lakers, led by a 37 year old LeBron James, started the season 0-5 but picked up their first win against the Denver Nuggets. As expected, the Milwaukee Bucks have started with a great 5-0 start and Giannis Antetokounmpo looks better than ever, averaging 35 points and 14 rebounds per game. The Cleveland Cavaliers are proving their front office

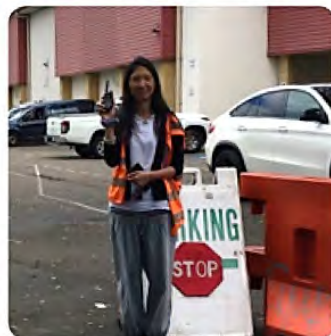

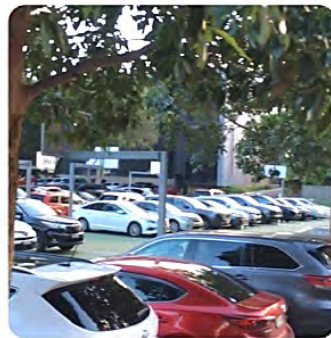

right once again, with their huge trade for Donovan Mitchell proving smart as their backcourt has helped them to a 5-1 start, placing them second in the Eastern Conference. The surprise team that is doing well is the Utah Jazz. Trading away both of their superstars in the offseason the team has surprisingly started 5-2 and look like a very strong team. The MVP favourite, Luka Doncic, has started the season off perfectly, almost averaging a triple double with 36 points per game and leading the Dallas Mavericks. Australian rookie Dyson Daniels came off the bench for the New Orleans Pelicans to get 11 points, 3 rebounds, 2 assists, 3 steals and 1 block. He really did everything! Another Australian, Ben Simmons has returned from an injury to average 6 points, 7 rebounds and 6 assists. With the season continuing, be sure to look out for all the Australian players in the NBA.

Our live webinars for parents and carers attracted record attendance numbers in 2021. To meet the growing demand, our education and training team is expanding the program in 2022 to include more dates and topics to support school communities.
