School Counsellors and Psychologists Recognition Day

This week on November 10, school communities celebrate the important work of School Counsellors and Psychologists. This day is intended to be a time to celebrate the *contribution, collaboration* and *care* that the counselling service staff add to our school communities. Because their work is confidential and carried out behind closed doors, School Counsellors do not have the public profile of other members of staff. They have a large caseload, often including very complex and time-consuming matters. They must interact with many departmental and community officers and stakeholders, requiring advanced communication, negotiation and liaison skills. They have to develop relationships with students who are traumatised or suffering from various mental illnesses. Their job is very important but unpublicised. Thank you to our School Counsellors – Estelle Harman and Jan Noakes for all the work they do for our students' wellbeing.

Interpreting Year 9 Reports – Semester 2

Students in Year 9 should have collected their yearly reports by the end of Week 5. There are often violent fluctuations in rank order as a few marks can determine the difference between a D and a HD. Many boys have really taken to their electives and have achieved well in Semester 2. Parents should be aware that boys who have decided to discontinue an elective after Year 9 for any reason, may have reduced their effort, with a negative impact on their overall result. Also, those who will not continue core subjects (such as History or Geography) may lose motivation and not perform to their potential in those two subjects. Such actions can also result in large movements in the rank order. Encourage your son to maintain a high standard in the core

subjects, English, Mathematics and Science, as these are compulsory in Year 10. An honest effort ought to be applied to all subjects while students are enrolled in them. 'N' awards may be issued in Year 9 for History and Geography students as these are Stage 5 compressed curriculum courses. Failure to resolve Stage 5 warning letters may result in denial of entry into Stage 6 courses. Many boys apply for entry into acceleration courses. The procedure for entry is published on our website at [sydneyboys-h.schools.nsw.gov.au/Sydney High Community /curriculum/ subject acceleration](http://sydneyboys-h.schools.nsw.gov.au/Sydney%20High%20Community/curriculum/subject%20acceleration). Head Teachers consider applications and make recommendations to the Principal on the Individual Learning Plans signed off by parents and submitted by students. Students need to be in the top 100 students to qualify for acceleration and the 'online learning elective'(OLE). The rank order is one used for dux calculations and is calculated using marks, not points as for the HD-D-credit-PM-P system

(6-5-3-2-1). Mr Dowdell uses z-scores to track the contribution of the results of each subject to the overall rank. We expect to see the subject that a student wants to accelerate in close to the strongest that a student is undertaking in Year 9. Students who are denied entry to an acceleration course have a right of appeal if they consider they have met the criteria for entry and they have the strong support of the teacher who is currently teaching them in the subject. We accept around 60 boys into acceleration each year. About 50 each year complete their HSC in their accelerated course. There is always a safety net for those who, for whatever reason, do not go on to complete the Stage 6 course. Mr Kay is assigning Year 9 students to their electives and to their acceleration and online courses this week, based upon their submitted preferences. Parents should peruse the *learning behaviours* profile on their son's report. We expect at least 'usually' if not 'consistently' for these behaviours. We aggregate these learning behaviours to produce a list of those judged by teachers as having too frequent 'sometimes' or 'rarely' ratings. Year advisers are made aware of these students at our report meetings. There is a high correlation between the names on the monitoring register for achievement and those on the learning behaviours list.

Cars travelling on school grounds

Parents and visitors to the school are reminded that they must travel at a safe speed (10km/h) whilst in the school grounds. When entering from Cleveland Street by Gate 2 they should park rear to the buildings or tennis courts. Doing so will assist their vision when exiting through an area frequently busy with boys walking to and from the gymnasium. Parents are asked NOT to travel up Cutler Drive in the mornings. Staff use that driveway from the east. The designated area for drop off is between Gates 1 and 2. Parents and visitors should avoid using the Anzac Parade entrances to drop off their sons. If they have to come that way, they should come into the carpark before dropping off as halting in or near the gates blocks other traffic. They should then proceed to exit by Gate 10.

Three-point turns in the bus bay area at the end of the gymnasium have posed serious risks to students coming up from The Flat, walking beside the Great Hall and the buses or walking along the path next to the tennis courts and coming down the stairs. The bus bay area is not a drop-off point for students. Parents should drive in Gate 1, drop off their sons and drive out Gate 2, as per school policy. Please be vigilant in the interests of the safety of our boys!

Meet The Teacher – Beth Hinton

Describe a little bit about yourself and your role at this school.

After 21 years of teaching English, I thought it time for a bit of a change. I've taken up my Masters in Education (Teacher-Librarianship) this year. I am really loving my time here in the Senior Library. I hope to get the boys reading a little more for pleasure than they do now. I certainly have my work cut out for me.

Describe a little bit about your background in education and how you came to be the Senior Librarian at this school.

I started my career out in Western Sydney and then moved to Beijing. I taught at an international school over there and loved every minute of it. After returning home, I took up a position at the Conservatorium High School as an English Teacher and then a permanent position out in Kogarah.

What do you find unique about teaching at SBHS?

After teaching at an all-girls school for the past 7 years, I find everything unique! In all seriousness, I think it's wonderful to hear the boys have some really esoteric conversations here in the library. I have heard boys in deep conversation about all sorts of things - Quantum fields, Philosophy, Poetry, Politics and of course, Maths!

What is a fun fact about you?

I love to learn about the world of fungi! I consider myself an amateur mycologist.

CHANGE OF ADDRESS or CHANGE OF CONTACT DETAILS

If you have moved or changed your contact details please notify the school via email at office@sbhs.nsw.edu.au

To ensure your contact details are correct, please check the parent portal located through www.sydneyboyshigh.com. At the bottom left of the page there is a link to registration for new parent portal users and a log in for current users. Click the relevant link and go to the Student Details section. If the details showing require updating, please contact us via email at office@sbhs.nsw.edu.au. Alternatively, send a note to school (including your son's name and roll class) detailing the changes.

EARLY LEAVE REMINDER

The school **does not** accept early leave applications via email or telephone.

The procedures for early leave are as follows:

Students must bring a note to the office that has been signed by **both a parent AND a Deputy Principal BEFORE 8.55am**.

The note must contain the **student's name, roll class, date, time of departure and reason for leave**.

The student then returns to the office at the stated time and collects an early leave pass.

Please note: Early leave requests submitted after 8.55am and / or sent via email or telephone will not be accepted or processed by the office.

JUNIOR LIBRARY CHESS TOURNAMENT

This week saw the finals of our annual knock-out chess tournament in the Junior Library. Over 60 students signed up, and we had two weeks of preliminary rounds. The semi-finals were last week, and the battles for the top four places happened this Monday. The winner was Quan Nguyen (8E), beating Aaron Huang (8S) 2-0.

**Aaron Huang (2nd place) and
Quan Nguyen (1st place)**

Kayden Santoso (8M) secured the number 3 spot, edging out Agastya Govind (11F), leaving us with an all-Year 8 top 3!

**Agastya Govind (4th place) and
Kayden Santoso (3rd)**

The winning prize was a \$50 Gift Voucher from Kinokuniya, and 2nd to 4th winners won a \$20 voucher each. All prizes were sponsored by the Chess Club, thanks to MIC Ms Barr. Well done to all the winners, and

**Competition Organisers
Agastya Govind and Nestor Chan**

thanks to all the boys who participated. We will be hosting the competition again next year, so anyone who missed out can try their luck then. Also, a big thanks to Agastya Govind and Nestor Chan for volunteering to be the co-ordinators for the competition. They did a great job organising the registration, the brackets, and the adjudication for the games.

The final game between Quan and Aaron

I look forward to hosting the chess tournament again next year. It seems to be a popular part of the Junior Library calendar!

SBHS SAILING

Overview

This week, our boys were faced with a wide variety of weather conditions that put our adaptability to the test.

On Wednesday, the winds were gusting up to 30 knots, forcing the coaches to cancel the on water training session. Luckily, the heavy winds had eased by Thursday, allowing our junior sailors to practice their race starting and boat speeds through a series of fleet races.

Saturday Results

The wind throughout Saturday was highly inconsistent, frequently shifting in both direction and strength. During fleet racing, we raced against both Ascham and Scots, with skippers Ryan Fang and James Pullinger claiming many top two finishes while the breeze dwindled.

Thanks to the snacks generously provided by sailing parent Florence Li, we launched for teams racing feeling invigorated and confident. Both of our teams fought hard, but the fierce competition and erratic winds gave us trouble. Although 1sts found a single win against Scots, we left the day knowing there is still a long path ahead of us.

Tennis Update Week 5

A tough weekend against Grammar in Tennis. A reminder that all tennis athletes need to be attending 1 speed & agility session per week. Being physically prepared is the best way to avoid injury, maximise opportunity for skill development/exhibition and improve performance.

Final call for parents keen to be part of a [SBHS Tennis Parent Support group](#), the main role is to recruit parents and student for parking, other duties may include running the end of season function. If you are a Tennis parent and Keen to be part of this group, please email me.

Tennis training schedule below, if your son is unable to attend a training session please email me richk@sbhs.nsw.edu.au and Absences.Sport@sbhs.nsw.edu.au by 5pm Thursday. If your son cannot attend his Saturday fixture, please email before the start of the match. Training & Fixtures can now be seen on [Clipboard](#) which is a new sports operating system that the school is now implementing. If your son identifies any error regarding their clipboard schedule have him contact me asap.

A reminder that when it is raining the morning Tennis training will be on in the gymnasium gallery steps.

St Joseph's Regatta Report

Last Saturday boded well for our crews with near-perfect racing weather, a complete opposite from the week before. Both senior VIII's improved leaps and bounds in time even accounting for the difference in weather. The 1st VIII improved over 45 seconds, a length ahead of Cranbrook and up with Grammar at 500m, and the 2nds by more than a minute, holding their place in the pack for a significant portion of the race. The 2nd year 10 VIII also had their first foray into racing and left with valuable experience. Our rapid improvements with only four weeks of training under our belts spells success for our next Regatta Week 1 next year.

1st Grade Water Polo

On Saturday, Sydney High's 1sts Grade Water Polo Team encounter against St Aloysius was a win our team will never forget. With the stakes being high and a place in the quarterfinals it was, a must-win. After a very strong week of training which included working on our defence. The first quarter started off extremely well with strong defence and constant drives that exhausted St Aloysius. Goals from Joe, Brian Ahn, Ren and Brian Cho helped our team finish the half with a 7-0 lead and set the tone for a more relaxed second half. Mr Rowlands's brilliant guidance kept us away from being complacent with our lead. The boys had the mentality to keep pushing and take advantage of our ability to outswim the other team. The second half started off strong with not allowing one shot on target and taking advantage of St Aloysius's mistakes with quick goals from Fynn, Jason, Ryan, myself, and a tremendous backhand from Edward. The final score was 14-1. Massive saves from our keeper Allan and our hardworking defence meant that according to Mr Rowlands, the goal margin was the biggest difference during Mr Rowlands's coaching career. Overall, it was a successful Saturday for the Sydney High Water Polo Program, dominated 4 out of 5 games and the boys intend to carry this confidence into our quarterfinal matchup against Newington College.

Jaden Luu 11M

1st Grade Water Polo Captain

2nd Grade Water Polo

The fourth round of this term proved to be an exciting win for the 2nd-grade team with a score of 8-4. We were all eager to have a successful match against St. Aloysius - not with just a victory, but huge bounds in our teamwork as well. This longing for improvement was emphasised by our collective disappointment at our performance last week against Scots, with failures in fundamental skills such as coordination and driving forward. In response, the team worked faithfully in our training sessions before the match, smoothing out any major issues. The drastic improvement of the 2nd Grade team was evident in our game. Our year 10 and 11 boys dominated St. Aloysius in our offence, consistently finding ways to turn defenders and move the ball up. Our defence was exceptional as well, with everyone managing to cover each other when needed and repeatedly stealing the ball from the opposition.

Amazing saves from our goalie and aggressive pressure from Kevin Ji additionally cemented the team's advantage over St. Aloysius. Even with our success, we know there is room for improvement and strive to perform better. We are all excited to see how far we can improve over the next couple of weeks.

Gerald Franklin 11S

16B's Water Polo

On the back of three successive wins in previous weeks, hopes were high in our game against St. Joseph's 16A's. After having lost to them and barely beating them in previous seasons, we determined to display our pre-season training had paid off. Early in the game, good drives culminated in two goals, yet defensive errors had us barely leading two-one after the first quarter. From there, a mixture of physicality and swimming ability saw our team score three early within the second quarter, to which Joeys only responded with one. The third quarter saw lots of scrappy and physical play, yet ultimately our swimming training prevailed including a great drive by Ethan, resulting in a seven-two lead. Going into the last quarter, our efforts focused on defence because we knew that the game was still up for contention, but great defensive efforts by Ryan coupled with impressive saves by our keeper, John, limited their attacking opportunities. The nine-four victory for the boys showed how our dedication in training had helped us improve this year, and we hope our undefeated streak will continue.

1st XI Report

Looking to bounce back after a disappointing loss against Scots, High won the toss and elected to bat first against Grammar. A good solid start from the openers saw Pranav Sampath go on with his start for a well-crafted 42. The batters around him tumbled seeing High 3/50 at the first drinks. After a few loose shots High were on the back foot scrapping to an under-par total of 10/150 after 48 overs. The bowling innings started off strong with Udey Gill taking a crucial wicket in his first spell which saw High on top early. Arthav anchored one end holding the batsman tight and bowled a great spell of 10 overs - 1 for 35. Poor fielding and loose bowling saw High out played with Grammar chasing the runs down in the 30th over. We look to next week where we face Kings.

Raunak Roy 11S

1st XI Captain

2nd XI Report

Arguably the most anticipated game of the season for our squad, the boys turned up early to Mackay for what looked like perfect conditions for a good game of cricket. Winning the toss, we opted to bat first, and some quality hitting from Naeer and Zayn pushed our score up to 128; not bad for an incredibly spin-friendly pitch. After another great lunch set-up by the High parents, we made early inroads with some quality swing bowling from Harry. Further down the innings, our spinner Abhinav worked his magic, taking 4 wickets for the game. Unfortunately, after what was a gallant fight by the High boys through some great perseverance in the bowling innings, we fell just short in what turned out to be a very close game. A big thank you to Mr Smith for umpiring the whole match, due to the umpires not turning up for the game.

Ranaveer Thorat 10M

2nd XI Captain

Team of the week 16A's Report

After a disappointing loss to Scots the week before, we headed into the Grammar round ready and hopeful for a win. Winning the toss, we chose to bat, preferring to put a big score on the board to defend rather than chase. But as starts go, ours was not a good one, both openers being dismissed for not very many in the first few overs. But Afnan Ahmed and Kalan Cusick came out to steady the ship, batting until the 15th over and creating a 50-run partnership to put us back on the front foot, with Afnan scoring 31 and Kalan 22. But with the drinks break came both of their wickets, and myself and Eddie Barks found ourselves needing to rebuild an innings. Although we got off to a shaky start, we managed to work our way to a 90-run partnership by the 31st over, Eddie ending up on 43 and myself 54 to get us to a total of 186 off our 32 overs. Heading into the second innings we were quietly confident, although we knew we needed to bowl well to defend our total. But we got off to a flyer, myself and Abraham Joseph dismissing both of the openers for very few, and Kalan Cusick dismissing one more. But for the rest of the first half of their innings, Grammar managed to consolidate and not lose any more wickets. Resuming after the drinks break though, they kicked into another gear, and, despite some very economical overs from Afnan and Sabir, managed to chase down the total with just 2 overs to spare to finish off a very disappointing loss for our team. Heading to Scots again next week, we hope to have fixed our mistakes to achieve a big win.

It was an outstanding weekend for High Basketball, with several major wins across the board in the latest round against Grammar, with the 1st grade team barely losing in a high scoring 2-point nail-biting double overtime loss. Star player Henry Lau had a phenomenal game, scoring 38 points, playing one of the best games statistically of all time, by a High student, making High proud. The second grade side was again in a very similar situation, losing to Grammar in a thrilling 69-70 double overtime loss. Both sides should be very proud of the way they played as it was very high quality basketball. The 15A side picked up their first win of the season in a great 39-34 win against Grammar. Other teams that won were the 4th, 5th, 6th, 7th, 8th, 9th and 10th grade sides all won along with the 16A, 16D, 16E, 16F and 15B sides. Huge congratulations to all of those teams on getting the win against Grammar. Thank you to all the parents, teachers, coaches and students who helped with High Basketball this week. Big thanks to MIC of basketball, Ben Hayman for overlooking the entire basketball program and putting in the work to make it an excellent season. Go HIGH!

In recent NBA news, Nike has cut ties with Brooklyn Nets star Kyrie Irving, and has been suspended by his team due to current social media controversy surrounding him

and other NBA figures and celebrities. The Milwaukee Bucks are continuing their superb form with a flawless 9-0 record in the East, and the Phoenix Suns are leading the Western Conference with a 7-2 record. Paolo Banchero, the 1st pick in the 2022 NBA draft has exceeded expectations, with his composure and game IQ of a veteran, alongside his elite scoring ability, has proven to be a great pick for the Orlando Magic. Sacramento Kings young star De'Aaron Fox hit a crazy overtime buzzer-beater from near half court, to secure the win for the Kings, helping them to their 3rd win so far this season. The Golden State Warriors, the 2021-2022 NBA champions, and favourites going into this season have had a surprisingly rocky beginning to the season, only winning 3 of their 10 games so far. In the Eastern Conference, rumours are circulating that Kevin Durant's trade request could be fulfilled this season, between the controversy surrounding Kyrie Irving, and the uncertainty surrounding Brooklyn's head coaching search, it seems as though the Nets line-up may look very different soon. As the season goes on, trades will continue to happen and shake up the season for the better.

Basketball Junior Kiosk Report

The Year 9 volunteering parents were the shining stars on 5 November. With the Year 9 teams being the only juniors competing at Sydney Boy High Gym, we still managed to recruit a team of Year 9 parents who kindly donated snacks, muffins, ice blocks and sacrificed their relaxing Saturday mornings to help at the kiosk. Everyone had a great time chatting and getting to know each other while watching our boys trying their best as a team to compete against Grammar.

We would like to encourage more basketball parents to help Senior and Junior games and raise funds for the basketball committee by helping basketball canteens, senior BBQ and parking events. All profits will be used for the school basketball teams and our children will be benefited the most if we can all help a bit! We also welcome food donations please contact the Junior event coordinator (Grace Guan) and Senior canteen coordinator (Hebert Lau).

Thanks to these parents helping on 5 November, Amy (16F) Rita Bratanis (16F), Grace Liu (16E), Xiudan Wen (15B), Sophia Xue (16C), Bonnie Wong (16C), Kim Chu (16C), Carmen Chan (16A), Helena Chen (16A), Rosaline Perry (16B) along with Junior Event Coordinator Grace Guan (15B). Last but not least Mr. Hayman for opening the School GYM at 6:30am and closing late on the Saturday for us all.

Go HIGH!

Play Hard, Play Smart and Play Together!

Thanks to everyone who makes Shootin' Hoops possible.
Brought to you Yves Rinaldi and Charlie Caro.

2022 schedule

eSafety's free webinars provide parents and carers with the knowledge, skills and tools to support children to have safe, positive online experiences.

Our live webinars for parents and carers attracted record attendance numbers in 2021. To meet the growing demand, our education and training team is expanding the program in 2022 to include more dates and topics to support school communities.

Each month, we will present either a new webinar topic or a video with simple tips to keep young people safe online.
