What you need to know about Vaping

**No vaping.
It's the law.**

Vaping devices were introduced in the USA in 2007 as aids to help people quit smoking. They are popular among young people because of their enticing flavours and perceived lack of negative health effects. Evidence now suggest that prolonged vaping may introduce high levels of dangerous chemicals into the body with the potential to cause lung injury and even death. Vaping can affect periodontal health negatively and can produce (decay and crumbling of teeth), due to the chemicals (sucrose, ethyl, maltol) used in the flavourings. The sweet flavours attracting teenagers are highly cariogenic. Apart from the serious potential health effects, vaping is very addictive. Nicotine in cigarette smoke is inhaled in smaller quantities than is the case with vaping, which delivers considerably more nicotine with each inhalation. Selling vaping products to anyone under 18 is prohibited. A 2021 report on vaping commissioned by Public Health England, found that since May 2016 there have been three fatalities in the UK linked with vaping products. Surveys of young people found smoking prevalence at 7.1% and 5.3% for vaping among more advantage groups aged 11 to 18. The most common nicotine strength was under 20 milligrams/litre (54%) but 6.6% used 40 milligrams/litres or more. The report found 18.4% of current vapers aged 11-18 reported experiencing urges to vape almost all the time. The proportion of vapers (11 to 18) who thought that vaping was less harmful than smoking had declined from 66.7% in 2015 to 43.3% in 2020. I have reports of vaping behaviour, particularly among Year 10 students. Peers have expressed concerns about the vaping habits of their fellows. With the chance of addiction running as high as one in five among young people who vape, students experimenting with vaping are exposing themselves to risk of serious harm. Parents are urged to have a conversation with their sons about this public health issue which now rivals smoking in importance. For more information, go to

Scholarship Applications

There is only one week left for students to apply for the **Phillip Day Memorial** and **Sir Roden and Lady Cutler Foundation Scholarships**. If you have financial needs due to family or special circumstances; if you are a great all-rounder; or if you have a special talent that needs extra resources to help you develop; or if you are going into Year 11 and you have a strong background in community service, please consider applying. Scholarships are valued at \$1500 in school credit per year. Application forms can be downloaded from the school community website – sydneyhigh.school/scholarships. Applications close on Wednesday, November 30.

Student Awards Scheme

The Student Award Scheme for points to be earned for this calendar year will close on Wednesday, November 30. All students will have their points calculated as of this date. Check your points' status on the Student Portal to see how close to an award you are so that you can make up the difference. If you see something missing, contact the MIC for the activity to make sure a text file is created and sent to Mr Dowdell. Year 11 Prefect Interns will have their final points calculated and must have qualified to continue as Interns by earning an award this year. Even if they have carry-over

points, they must earn 100 this year to stay as a Prefect Intern. The 2023 Scheme commences on December 1, 2022. Boys who are close to getting an award should fire up now. Look for service areas in parking, school-related working bees or volunteering, in order to reach the threshold required.

Student Leave Requests – Reminder

There is a Department of Education and school policy on **Student Leave of Absence – Extended Leave Travel** requests. This applies to leave that is **five school days or more** in duration. Parents are reminded that as a matter of policy leave may not be processed or approved unless **four weeks'** notice has been given. Also, **cogent reasons** for travelling during school term need to be supplied. The effect of this decision is that all leave requests that involve that last four weeks of term should have been lodged with me for approval by the end of week 6, each term. If you are planning to travel during the school term you need to download, complete and submit the form for my approval by the closing date.

Ms 'Fabulous' Kilmore Meet the Teacher Interview

What is your background in education and how did you come to be a Maths teacher at Sydney Boys High School?

I grew up in Sydney, moving to Queensland as a teenager. I taught in Queensland Public High Schools for about 30 years and then moved back to Sydney. In 2010 I applied for a job at SBHS, and I have been here since.

Considering you will be going soon, what will you miss about teaching at SBHS?

The two things I will miss are the students (who are amazing) and my Maths colleagues.

What do you find unique about teaching at SBHS?

The students are unique in their keenness to learn, their delightful personalities and the fact that nearly all of them have a happy disposition.

What is a fun fact about you?

In my spare time I enjoy creating pottery

Theatre Sports Semi-Final success!

Congratulations to our Junior Theatre Sports team who made it to the semi-finals of the Theatre Sports School Challenge. The team played at Tara Anglican School for Girls on Tuesday 15 November against some of the best teams in the competition. Some of their favourite improvisation games included: 'word-at-a-time story'; 'emotional replay' and a new favourite: 'sing about it!' Their performances were enhanced by a talented musician whose keyboard improvisations really brought their scenes to life. Well done to Alex Pidcock; Nathan Nguyen; Max McLeod; Michael Zhuo and Gordon Guo. Thank you also to our coach, Cameron Ryan, who did an excellent job guiding the boys through their first competition.

All semi-finalists take a bow!

 **HIGH BEFORE I**

What do you love most about High?

I think the competitiveness at High has helped shape so many boys into better people. Students compete with each other to achieve greatness in both academics and sport, pushing each other to work harder and pour 110% into everything they do. It is this desire to excel which provides the impetus for boys to climb upwards, while pushing their peers to do the same. The boys at High compete against and alongside each other in the classroom and on the playing field, and the rivalries and struggles each boy experiences only builds them up to be better than the person they were yesterday. Although not everybody wins, it is the countless 'failures' which really count. It is the losses and the mistakes which allow one to learn and improve. To win and lose together as a team builds High Spirit – the driving force behind High boys' successes as brothers in brown and blue; as scholar-sportsmen.

What is the weights room like at High?

The weights room is a place where boys from all grades and levels of experience can learn and lift together, supporting each other to become stronger and healthier individuals. Under the watchful eye and mentorship of Mr Rich, the school gym is a great place for boys to connect

with their peers doing something which they can continue to do after their time at High. Going to the gym is as mentally beneficial as it is physical. To wake up early or stay back after school, to aim high and work to achieve, and to take responsibility for the safety of others as well as your own, by staying diligent and holding yourself accountable. These are some of the most important lessons which have shaped the experiences and values of many boys at High, not only in the gym, but in academics and in family life as well.

What advice would you give to a younger student at High?

Cherish those special moments, and seize the opportunities which are open to you. Throughout your time at High, you will be able to experience so many different things, discover new hobbies and meet new friends. So often are these opportunities taken for granted – there is only a limited time for you here at High, so make the most of the time you have, because it will fly past.

Welcome to Alison Dao, who has been appointed Canteen Committee President. We thank her for her commitment to the canteen and look forward to working with her.

There are still positions on the Canteen Management Committee for a Treasurer and Secretary; if you would like to contribute to the running of the canteen and have a few hours a week to contribute, please get in touch with us at canteen@sbhs.nsw.edu.au

As the end of term approaches, some menu items may not be available for sale. However, please speak to the Canteen Managers if you have specific dietary requirements. We aim to minimise wastage and thank you for your understanding.

The last day for placing lunch orders through Flexischools is 15 December 2022. However, please visit the canteen in person if you want to order lunch on the last day of school.

On November 6, elements of the SHSCU participated in the Paddington RSL Remembrance Day service. Commencing at 1100, the same time that WWI ended when all the guns fell silent, members witnessed exemplary drill performed by the Catafalque Party comprised of CDTSGT D.Johnsun, CDT CPL J.Yin, CDT CPL E.Xue, CDT CPL M.Zhu and led by CUO S.Xia. Highly ranking Officers of the Australian Army & Royal Australian Navy paid their respects towards people who sacrificed their lives during both World Wars for their nation. CDT E.Ma & CDT E.Wang also presented an exquisite & enlightening speech, acknowledging the animals and people who played crucial roles in the Allies' victory during the World Wars. This speech taught everyone at the service something new about the commonly unheeded involvement of animals, which greatly assisted in the Allies' victory. CDT F.He and CDT E.Wang presented SHSCU's wreath, alongside many other wreaths laid on the behalf of organisations, families and local schools. Following the minute of silence, I raised one of two Australian Flags for the National Anthem, which was gracefully performed by a SCEGGS Darlinghurst band.

Shortly after, the service was over and the RSL was generous enough to provide free lunch to those who participated in the Service. This time was a rare opportunity for us to speak with many venerable people both related to and not related to the ADF. Many senior

officers, with whom we spoke, shared their knowledge and expertise in many aspects of life in the army and navy. This included, but was not limited to, leadership, teamwork, personal development and strong relationships.

We also had a chance to learn from veterans, who gave us insights into their experiences during the war and we gained a newfound understanding of how it felt to participate in a variety of roles during war. This understanding at a personal level helped us further appreciate the courage, bravery and patriotism displayed by soldiers during a fight for our nation's liberty. By the time we left the venue, we had not only developed a deeper understanding of Australia's past but also a better understanding of what it means to be an active member of the Australian Army, even if we were just cadets. We took home a reconceptualized idea of what the AAC & ADF stood for and were motivated to dedicate ourselves to our duties, just like the many gallant individuals we were inspired by.

CDT Bhavesh Kothapalli 10M

On 11 November, we remember those who have sacrificed their lives during the World Wars. At 10:45am, an assembly was held to mark Remembrance Day and the end of the First World War 104 years ago. 11 cadets, headed by CUO Oscar Chen and CDTSGT James Wachsmann stood as the flag guard as the flags in the Junior Quad were lowered to half-mast. A speech was

delivered by CDTSGT Liam Fiene to remember those who tragically lost their lives in WW1, followed by 2 poems and the Ode and The Last Post was then played, followed by a minute of silence, where we think about those who died on the battlefields. This was then followed by the Rouse, which broke the minute's silence, and symbolised the awakening of the dead in the next and better world. The Flag Guard then departed, concluding the service for the day.

CDT Kridaya Singh 10R

Last Saturday, CDTWO1 Sophie Jin (SGHS) and I represented the cadet unit in an intimate yet moving ceremony at the Coogee Fallen Lifesaver monument to commemorate Remembrance Day. The ceremony consisted of wreath-laying and a reading of The Ode with Warrant Officer Jin and myself laying a wreath to remember those who have fallen in conflict. Following the ceremony, we were invited to a lunch at the Coogee Digger's Club hosted by the Coogee-Randwick RSL sub-branch. It was a wonderful opportunity to liaise with the community as well as to remember those who died in war. It's always wonderful to have High cadets represented at community events and I thank 2LT(AAC) Andy Li as well as 2LT(AAC) Meredith Thomas (Ms Thomas) for the opportunity.

2nd XI Report

The fifth GPS game of the season had the boys pumped and ready as this was the match to get our first win. With Ranveer gone with family commitments, we were without our captain and wicketkeeper, however, Zayn stepped up and kept for us and I was given the captaincy. It didn't start off well for me losing the toss and being thrown into bowl first on a flat deck and fast outfield. However, the boys were enthusiastic to rip through Newington. Our opening bowlers were unlucky as many edges flew past our fielders and we were unlucky in conceding runs. However, an inspired bowling change from Shikar saw the first wicket fall at 37 runs. Newington bounced back until miscommunication leading to a runout caused a massive collapse going

from 1-72 to 8-92 seeing them lose 7-20 with Abhinav taking 3 wickets and myself taking 2 wickets. Some good catching by Arin and runouts by Harry and myself saw us get right on top. With Newington having nothing to lose they went for a slog, so Arin was brought back into the attack to clean the tail up which he did exceptionally, getting 2 wickets. High's impressive performance saw Newington get rolled for 120 in 29 overs. After a scrumptious lunch, the lads were eager to chase down this small total and get our first win. Our top order suited up and got ready to face an average bowling attack. High was under the pump early losing 2-31. Although the loss of early wickets, myself and Afnan dug deep and got us over the line getting 57 and 39 respectively handing ourselves our first win of the season in a very comprehensive victory winning by 7 wickets in 32 overs. I'm overjoyed with our young team's performance and growth which has improved drastically throughout the season.

15A's report

We won the toss and elected to bat first, although starting slow and losing some quick wickets, Abhinav Inala scored 22 runs to keep us in the game until drinks. Our tail then finished the game with a 50 run partnership with Sid Memon scoring 29 and Tafheem Choudhury scoring 17. With a defendable 124 runs, High was pumped to go into the field showing great intensity. With some quality fielding of 4 catches and a runout Newington were put onto the backfoot with Adhruth Anand taking 4 wickets. Overall High showed great intensity, spirit, and grit to fight till the end and get Newington all out for 99.

Team of the week 14A's report

We went into the game feeling confident, winning the toss and electing to bat. We started strong in the first four overs, but we started to lose wickets fast following the unlucky dismissal of Himinesh. However, Shiven remained determined and managed to stay in until the 18th over managing to score 40 crucial runs. Dhuryah and Arit later built a brilliant partnership and scored some quick fire runs to finish off the innings. We went into the second innings feeling a bit nervous, however within the first over itself Alex had struck and took a quick wicket. Arit and Alex bowled a fabulous spell and managed to keep the run rate low. Shiven then in the 9th over took 2 wickets putting us in a very comfortable position, taking out three of their top order batsmen. Dhuryah and Om also took two important wickets. After drinks, Vivaan got a fabulous wicket, but then Newington started gaining runs fast. Himinesh brought on our key bowlers and Shiven and Arnav were able to bring us back with 2 wickets. In the last 7 overs Newington needed 40 runs but we contained them and won by 10 runs.

1st Grade Water Polo Report

A rematch against Barker College was a challenging encounter for Sydney High's 1st Grade. Having already played Barker College before and losing by the slightest of margins, the boys were ambitious to get revenge. The game started off strong with good defensive work to keep their centre forward quiet but goals from the outside and silly errors on the offensive end cost us with Barker scoring 5 goals in the half. A motivational talk by Mr Rowlands showed that we were still in the game and to keep pushing as the game was not done till the final whistle was blown. The second half of the game was much better. Our team took advantage of the extra man and multiple 5m penalties against Barker

which helped us surge and try to come back from the massive deficit that we caused in the first half. 4 goals from Brain Ahn and a memorable goal which included a flick that stunned the defender and amazed the crowd by Brian Cho were not enough. Even though we had won the half, we had lost the game 9-7. The game was just a learning curve knowing that we could have won. It was still a good day with the 16B's smashing Waverly 9-3. The boys are looking forward to another exciting match against St Josephs on Saturday.

SBHS SAILING

Overview

The wind this week was high and gusty, pushing our sailors to their limits to keep the boats in control. This was a good contrast to the rest of the season so far which was mostly light winds. This allowed us to recognise some flaws in our techniques that weren't shown in the light wind.

Although some of our manoeuvres in the heavy winds were sloppy, our boat speeds were generally quite good and comparable to the other schools.

Saturday Results

Fleet racing in the morning went well despite the tough conditions. The younger skippers especially showed some signs of improvement, such as Jacob Jim's second place finish in one of the races.

A few members of our first grade team were away this Saturday so only second grade sailed in the afternoon teams session. Unfortunately, we did not manage to win any of the races against Scots. However most of the races were fairly close, with Akira Ha able to catch up many placings in each race and almost granting us several comeback victories. Overall, this week has proved to be a great learning experience and we hope to improve our high wind sailing capabilities in the future.

Third Grade side after their win on the buzzer

In the latest round against Newington College, High Spirit shone. The energy in the crowds was electric, and especially so for home games. The 14Fs, 16Ds, 16Es, 16Fs, 9th grade, 6th grade, and 3rd grade teams all grabbed great wins against Newington, and all the High basketball sides should be proud of the effort they put in, and how they represented Sydney Boys High. The 3rd grade side won 24-23 by an insane win on the buzzer, which had the crowd losing it. This round was an excellent reminder of the resilient, electric, maintained High Spirit surrounding the Sydney High Basketball program and its long established culture. A huge thanks to everyone partaking in the High Basketball community, and the great work on parking, especially with the T20 and ODI cricket world cup occurring at the moment. Also a special thanks to everyone who worked at the canteen, coaches, and in particular Basketball MIC Ben Hayman, for making everything possible week-in and week-out.

The USA TOUR COMING UP FOR 3 SIDES!! Everyone is super excited and can't wait to see the NBA. Speaking of the NBA, Luca Doncic has continued his amazing start to the season. After the first month of NBA he is the clear MVP favourite averaging a whopping 36 points per game, 9 rebounds per game and 8 assists per game. He is followed closely by Jayson Tatum, who is leading the Boston Celtics with the best record in the league. After his slow start, Ben Simmons has started to get going, scoring over 20 points in his last game. He has continued to assist his teammates and rebound the ball but his scoring abilities are starting to return as he continues to improve back to his previous All-Star form.

In other news, Kyrie Irving has returned from his suspension over his support of free speech on social

media with some fans not too happy about that. A large group of Jewish people gathered around the Nets home stadium handing out fliers that didn't support Kyrie.

The Los Angeles Lakers have continued their bad start to the season, dropping to 5-10, being one of the worst teams in the league. The Utah Jazz have continued to shock expectations, being the top team in the Western Conference at an amazing 12-6 record. Steph Curry and the Golden State Warriors are only 11th in the West but they had an impressive win with Klay Thompson scoring 10 Threes. And finally, the Sacramento Kings have shot up the standings, currently on a 6 game win streak and are sitting at 5th in the west with a 9-6 record.

Dear Sydney Boys High School

Thank you for your generous donation of funds.

Stewart House provides children with twelve days respite care in a safe haven at no cost to their parents. Children are afforded dental, optical, hearing and medical treatment and screening. They are involved in educational programs and excursions designed to develop their social and emotional skills, build self-esteem and improve their overall well-being.

Since 1931, and only through the generosity of the staff and community of public schools, individuals, organisations and corporations, has Stewart House been able to change the lives of over 150,000 children in difficult circumstances and to give them hope and aspiration for the future.

You may like to visit our website www.stewarthouse.org.au, to see more of our work.

Stewart House, as a not for profit organisation, must raise \$5.2 million to cover annual operating costs. Your commitment enables quality care for more than 1600 children each year. With support such as this, we will confidently meet the future needs of children from public schools across NSW and the ACT.

Once again, please accept my sincere thanks for supporting Stewart House.

The Community of Wentworth has called for strong climate action!

But what does it mean to reduce emissions to Net Zero? And how long will this take?

Join us on Sunday 27 November at Wentworth's first ever Climate Summit: *Powering Wentworth to Net Zero* to hear from local and industry experts as we analyse where Wentworth's emissions come from and explore the technologies, products and lifestyle changes needed to reduce our individual impact and collectively respond to the climate emergency.

This family friendly event is coordinated by our local Federal MP Allegra Spender in collaboration with the Smart Energy Council, local State MPs and our three local Councils.
