OUR SCHOOL SPIRIT.

The phrase is heard so often at school that it is in danger of becoming a mere empty saying. We are apt to forget that it has a real meaning—a truly great significance.

School spirit involves more than wearing ribbons and cheering at sports meetings. Firstly, it means enthusiasm, the guiding light of every boy on first entering the school. He is proud of having won, by his own efforts, a place among the boys of Sydney High School, and is keen to make a name for himself among its heroes. However, he finds it hard to drop his boisterous, primary-school habits and settle down under the new conditions. He sees his name occurring frequently in the Detention Book. What he needs to realise is that the respect for the school which he professes includes respect for those in authority—the teachers and the prefects. In addition, if he has sufficient regard for the school, he remembers that the whole school is judged by his conduct in public, and does nothing to bring discredit on its name.

Finally, school spirit means loyalty—putting the school before oneself in everything. That is the *esprit de corps* that makes cricket and football teams, the combination that wins matches.

The acquisition of this school spirit is one of the main benefits to be derived from attending S.H.S. If a boy has passed through the school, guided always by his school spirit, he will have attained the main object of education—manliness.

29'6

SMART ISN'T IT?

Asks the lad at left

Fits me well, and it's made from all-wool tweed. Take note of the half belt at the back, and the dandy double-breasted front.

You can't see the linings or the colour but, believe me, they're both A1. In all sizes from 13 to 2½. Priced at 29/6

Boys' Dept.—Fourth Floor

If more convenient, make a Lay-By. It costs no more.

MINE, TOO!

Says the boy at right

Mine's a little smaller, but every bit as smart. It's made from medium-weight all-wool tweed, and it's double-breasted, too

The half belt at the back and the set-in sleeves suit me, don't you think? Sizes from 7 to 12. Price, 25/-

Take advantage of Farmer's Lay-By service. It's the easy, worryless way.

25/-

Athletics: R. Clark, B. Dickinson, F. Street, E. Garrett.

THE LIBRARY.

The Library is taking a more prominent place in the school activities again. The difficulties in the way of its freer use have been largely overcome, and it has again been possible to allow certain classes there during school periods. Arrangements have also been made to allow groups under approved leaders to work there during free periods. This applies mainly to honours students, and already the benefits of such increased opportunities are noticeable.

A willing team of librarians are again assisting under the capable leadership of J. Pogson, and, as usual, certain privileges are given these boys as some reward for the time which they spend on this important school activity.

The School Union was asked to renew its vote to the Library, and also to make it an annual contribution of considerable size. This year twenty pounds was voted for the purchase of books. The selection of these books is a long and difficult task, but many have been ordered. The Parents and Citizens' Association has also come to our assistance with a further vote.

THE RECORD.

The Library is still without a modern Encyclopædia Britannica, and apparently it is hard to convince people of the necessity of this set of books in the school. A proposal that Fifth Year should purchase a set as their farewell gift to the school was in the air, but has so far failed to come to anything, because a new one is too expensive and because a suitable second-hand one has not yet been located.

A. M. H.

Modern Language Library.

Thanks to assistance at various times from P. and C., our Modern Language Library has been a great help to the school. We have just purchased a set of excellent records of spoken French, which will be of great benefit to senior pupils. It is outside reading that really gives pupils a grip of the foreign languages.

UNION NOTES.

The Annual Meeting of the Sydney High School Union was held in the Great Hall on March 4th, a considerably later date than is usually the case, on account of the early visit of the inspectors this year.

Mr. Saxby, the President of the Union, presided, and delivered a short speech, in which he reminded the boys of their obligations to the Union and the advantages and privileges that membership of the Union entailed. He also congratulated the executive on the very satisfactory balance sheet which it was able to present, and pointed out that this achievement was only made possible by constant vigilance and careful supervision of the Union's finances and the utmost care and economy in the use of material. The balance to our credit in the bank for last year's operations was £73, which we regard as eminently satisfactory, particularly when one considers that the depression was then fully upon us, and numbers of our students found it difficult to find the fee for membership.

I should like to point out once again, however, that although the Union is commencing the year with a substantial credit balance, there is still the necessity for every boy straining his efforts to become a financial member, fully paid, if possible; if not, then to avail himself of the privilege extended to him for this year of paying in instalments, and also to exercise all care in using the Union's property.

It must be remembered that our expenses this year will probably be heavier than for many years past. The tennis courts are an expensive item, their re-grading and top-dressing costing over £130. The Rifle Club will need new barrels for its rifles, which will cost somewhere in the vicinity of £20, and we are under an obligation to pay £40 towards the upkeep of the grounds in Centennial Park. These amounts are over and above the sum of £220, which is the total of the expenses budgetted by the various clubs for this year. All this money has to come from Union funds, the source of supply being, for the

THE RECORD.

greater part, the subscriptions paid by the members. In this connection it is well to remember that our income from other sources is steadily dwindling. The Athletic Carnival, Regatta, trip to Taree, Swimming Carnival are all yielding less and less revenue. In spite of all these unpleasant facts, I feel confident that the Union can and will weather the storm and finish the year owing very little, if anything.

At the March monthly meeting of the Union Committee a motion that the design of the blazer be altered was turned down unanimously. It was the opinion of the Committee that the existing design was tasteful and distinctive, and that before any change was made to a striped material it would be desirable to ascertain, as far as possible, whether the present taste in stripes was likely to be permanent.

We wish to remind our members that this is the Jubilee Year of the school, and that special efforts are being made to make the celebrations worthy of the school. A special committee, composed of members from the O.B.U., Parents and Citizens' Association, and our own organisation, has been busy for some time now devising a suitable programme for the occasion. When their efforts have been finalised the school will be advised as to the plans that have been made and the part that we will have to play in the celebrations.

N. L. JAMES,

Hon. Secretary.

There are Tremendous Opportunities for Ambitious, TRAINED Young Business Men **WIN SUCCESS** through **EVENING STUDY**

You MUST add Business Knowledge to your Cultural Education if you would succeed. So, after you leave school, keep up your studies. It is much easier to study now than later, when you "get out of practice."

Do what other wise youths have done.
Directly you get a position, use a portion
of your first salary as an Investment.

Take an M.B.C. Course in ACCOUNTANCY or SALESMANSHIP, and so gain knowledge which will be a life-long asset to you, whatever business or profession you may ultimately adopt.

All M.B.C. tuition is "INDIVIDUAL."
Commence at any time, in person or by
post.

Ask for our free booklets—"Modern Business Careers," "Accountancy," and "Salesmen Carry the World"—and tell us your plans or problems—without obligation. Our 37 years' successful experience is at your service. (43 FIRSTS in Public Exams. last year.)

TELL YOUR SISTERS

we can help them, too, through our Metropolitan Girls' Secretarial Institute or M.B.C. Business Training Courses.

THE RECORD.

EMPIRE DAY.

Empire Day was celebrated once again at S.H.S. on Wednesday, 3rd of May. The first hour and a half was devoted to lectures given by the students in the various classrooms. A marked improvement was noticeable in the addresses. Later the school assembled in the Great Hall, where the Headmaster presided. The celebrations opened with the "Recessional Hymn," conducted by Mr. James, and a piano-forte solo was rendered by D. Arnott.

The Captain of the school, Arthur Homer, then addressed the assembly on the "Spirit of Empire." He synonymised it with loyalty, and showed how it could be applied in our own school life.

The next speaker, John Walker, told us about the seven essential qualities of an Empire, and compared ancient Empires with our present Empire.

The hall then rang to the strains of "Advance, Australia Fair," led by the school choir.

John Einfeld spoke on the "Development and Growth of Australia." He enumerated the five stages of progress, from the landing of Captain Cook to the opening of the Federal Parliament at Canberra, and showed how they are celebrated to-day.

The final address was given by Maurice Henry, who outlined Australian history until the time of the First Federal Parliament.

Mr. Saxby then concluded the proceedings by explaining how he interpreted the word E-M-P-I-R-E, and the assembly was brought to a close by the singing of the National Anthem and three hearty cheers for the Empire.

F. L. H.

Membership.

The 1933 Membership Committee, with Dr. A. L. Buchanan as Chairman, and J. P. Metcalfe as Secretary, is setting out for a record membership for this, the Jubilee Year of the school's foundation. Last year a record number of new life members were enrolled, namely, 20. This year we hope to set a new record in life membership enrolment, and also in ordinary membership.

The £5/5/- life membership subscription is paid into a trust account, but the effect is to stabilise the O.B.U. affairs. Membership entitles one to receive posted notification of all the O.B.U. activities, and to receive copies of each "Record" in which the Old Boys' Pages are published. Subscriptions: £5/5/- Life Membership; 7/6 membership, 1933, should be forwarded to the Honorary Secretaries.

Names of Old Boys who are not members of the O.B.U. should also be sent in so that we may communicate with them.

Life Membership subscriptions have been received this year from F. C. Bryant, J. H. Commens, E. L. Brake, J. E. Clifton; whilst E. Millikin paid his just at close of last year.

GREAT NEWS

Prices Down!

Sydney High can now buy their Blazers and Badges

DIRECT FROM THE ACTUAL
MANUFACTURER.

Caps, with badge and rubber peaks, only 3/6.

Blazers, from 12/11, ready to wear.

Blazers, from 15/11, made to measure.

Blazer Badges, hand worked, 8/11. Dates, 2d. per letter.

Although the prices are low, the quality and make is the very best.

The cause of low prices is: You are getting your goods direct from the manufacturer, hence you are cutting out the middleman. Hard lines on the middleman. But charity begins at home.

SCHOOL UNIFORMS STORE

277 ELIZABETH STREET

Directly opposite the War Memorial in Hyde Park. MA 2923.

THE RECORD.

Rugby Union has once more begun, and now that the Regatta is over, progress is no longer hampered by the absence of rower-footballers, and practice is now in full swing.

Prospects for the 1933 season seem fairly bright, as eight of last year's 1st XV., which succeeded in running second to St. Joseph's in the G.P.S. competition, have returned. This should provide a solid foundation for the new team. The forwards will be heavy and should combine well after some practice, while some good, though rather light, material has already shown up to fill the vacancies in the back line.

With the sports ground close to the school at their disposal, the senior teams should produce some very fine football, and we hope that adequate support and interest will be shown by the school at all matches during the oncoming season, in which we hope to be even more successful than previously.

F. J. G.

Dressing Shed and Storeroom Fund.

The object of the O.B.U., assisted by the P. & C. Association, is to mark the Jubilee Year by endowing the school with a Dressing Shed and Storeroom for the school teams at the Centennial Park Sportsground. To this end the O.B.U. issued a booklet early in May, inviting donations to this fund. All those who have not received a copy, or who wish to do something towards fostering the welfare of the S.H.S. in this, its Golden Jubilee Year, should inform the O.B.U. Honorary Secretaries. Donations should be sent direct to the O.B.U. officials.

THE RECORD.

SOCCER.

Although it seems too early in the season to comment upon teams and forecast results, there is every indication that soccer will have a most successful year. The 1st XI. has half its last year's members back, the vacant positions being filled by boys from 1932 second grade team. The players began training a month before the competition was due to start, and are already combining well, defeating North Sydney High in a practice match by 11 goals to nil. H. Jackson is the captain, B. J. Kreuter is vice-captain, and Mr. Bembrick is once again the coach.

The seconds are less fortunate, as most of last year's seconds are playing first grade. Of the newcomers, few have any extensive experience of soccer, but as all are very keen, efficient coaching and conscientious training should mould them into a good side. Mr. Cummings is in charge. D. Kearney is the captain.

Last year the 1st XI. came second, while the 2nd XI. was fifth. This year, if enthusiasm and effort are any criterion, the school can depend on these results being even bettered.

R. ERMANN,
Secretary.

16in. GLOBITE ATTACHE CASE

Carried by most Students in all High Schools throughout Australia.

LOOK FOR THE BRAND.

THE RECORD.

S.H.S. RIFLE CLUB.

It is pleasing to note the increasing number of boys who are taking an interest in this sport. Compared to the forty odd boys who went to Wednesday afternoon practices last year, we have seventy this year. As usual, elimination rounds were carried out and the Club reduced to 40. We find it a big handicap having only 20 rifles, but decided that we would extend the usual membership of 30 to one of 40, owing to the greatly increased number of boys wishing to take up the sport.

A team was again entered in the D Grade of the Metropolitan District Rifle Club's Union. Although we started off badly, we were gradually improving our position, but withdrew the team from the last stage on 900 yards, as the Boat Race fell on the same day. I would like to thank Mr. A. S. Taylor for the trouble which he took in coaching the team, and also the Sydney Rifle Club, who gave us the use of their club room, and so hospitably provided us with afternoon tea.

With Earl and Cutler, members of the running-up team for the Buchanan Shield last year, and Molesworth, Pink, Fraser, Bowler, Webb, Ashdown, and Stewart back at school, we hope, with the support of such promising shots as Colyer, Wade, Fletcher, and Welch to carry off the Buchanan Shield.

We would like to congratulate our ex-captain, George Walker, on his exhibition, and wish him every success in his university career, and also members of this Club who have left school and branched out into the world. Two of the old first team, R. Morris and N. Turk, are giving up their Wednesday afternoons to help coach the new members, an act which the Club greatly appreciates.

At the first meeting of the Club this year office-bearers were elected, as follow:—

R. Cutler, Captain; R. Earl, Secretary; A. Pink, Treasurer; J. Fraser, R. Molesworth, N. Webb, C. Ashdown, Committee.

I am sure that all boys who were in the Club last year appreciate Mr. Lynch's interest in the members and the Club as a whole, and gladly welcome him again as Master-in-charge.

A. R. CUTLER, Captain.

COMMEMORATIVE PLATE.

Mr. H. K. Prior, one time President of the Old Boys' Union, has presented the Sydney High School, through the Old Boys' Union, with a very fine brass plate, commemorating the opening of the new building at Moore Park on the 9th June, 1928.

The plate has been erected at the school, and it is proposed to erect another in October to commemorate the Jubilee Year.

THE RECORD.

CRICKET REPORT.

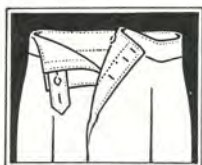

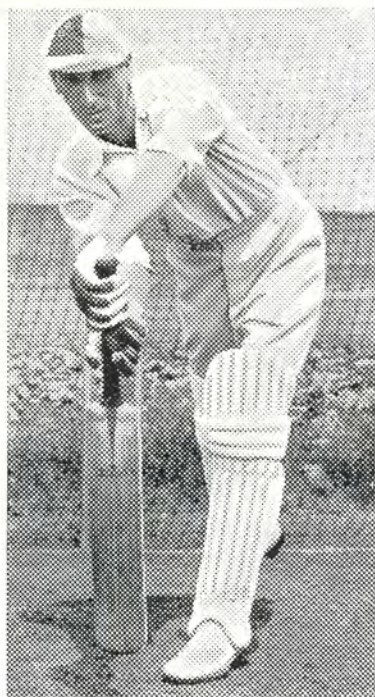

First Half, 1933.

The first half of the current year is a memorable one from the viewpoint of cricket. In both the G.P.S. series and the High Schools fixtures, our representatives are the only undefeated teams. It was apropos to the environment that the Firsts should achieve such unprecedented success in the Jubilee year. These pleasing results became possible owing to the *esprit de corps* engendered and fostered, the enthusiasm and improvement of individual players who practised assiduously, the capable leadership, and fine, all-round play of the Captain, R. Hill, and the inspirational performances of G. Stone (Vice-Captain), in all departments of the game. Where all players assisted so materially, it is invidious to single out individual performances, but it might be stated that Hill, Stone, Delavere, Grover, and Macpherson were usually the most prominent; but Sweet, Duggan, Moore, Daly, and Khan rendered invaluable assistance on specific occasions. The out-cricket reached a high standard, both individually and from the point of view of team work, as the small scores made by opponents would indicate. The wicketkeeper is the hub around which a smart fielding side revolves. This leads to a reference to A. Delavere, who eagerly accepted the chances offered, and also gathered in the returns from the field very consistently.

A summary showing the matches played and the chief performances is appended.

One button adjusts waistband tension!

That's an exclusive feature of Gripu Trousers. No side straps, no belts. Simply fix this inside button as you want it. After that, Gripu Trousers fit with perfect ease every time you put them on. Note how smoothly they set to the hips in this photo of the English Captain, D. R. Jardine, who, like every other Test player, wears Gripus.

PAT NO 20696

Gripu Trousers are available from men's suppliers everywhere, in sizes to suit all. See the label and patent number on every pair.

THE RECORD.

PERSONNEL OF THE FIRST GRADE CRICKET TEAM.

Players and Their Characteristics.

- R. Hill:* Thoughtful captain; has sound grasp of cricket tactics; graceful batsman, with wide range of strokes; slow bowler of quality, with a well-concealed "googlie"; alert and safe fieldsmen.
- G. Stone:* Vice-captain; quick-footed, hard-driving batsman, with solid defence; brilliant cover-field with sharp return to the wicket; medium-paced opening bowler, with a command of spin and swing.
- A. Delavere:* Successful wicketkeeper, rarely missing a chance; free and enterprising batsman; good in "destiny" situations.
- R. Grover:* Slow left-hand bowler; varies pace and flight very deceptively, keeping a good length at the same time; does not make many runs, but is capable of doing so; reliable fieldsmen.
- R. Macpherson:* Fast-medium right-arm bowler; makes full use of his height and gets "lift" with his deliveries; swings the new ball effectively; heads list for catches; shapes well with bat, but lacks confidence.
- J. Sweet:* Confident batsman with ability to select the right ball to punish; good in "drab" plights; bright fieldsmen; medium-paced, right-arm change bowler.
- J. Price:* Free batsman who times the ball well; rather nervous at beginning of innings; keen and smart in the field; a leg-break bowler, who should improve with practice.
- J. Daly:* Batsman with impregnable defence; cool in a crisis; can bat freely when necessary; tries hard in the field, and is fairly safe; change bowler of the slow leg-break type.
- F. Duggan:* All-round player; accurate medium-paced bowler, who flights the ball well; skilful fieldsmen and dogged batsman.
- K. Moore:* Batsman of the hard-hitting type; invariably successful when playing his natural game; resourceful in unpromising situations; dependable in field.
- E. Khan:* Opening batsman; fairly successful in that difficult role; brilliant at times in the field; usually safe.

Batting Averages—G.P.S. Matches.

Batsmen	Innings	Not Out	Highest Score	Aggregate	Average
Stone	7	1	118 n.o.	264	44.0
Delavere	7	1	106	211	35.2
Hill	8	1	107	242	34.6

R. GROVER.

FIRST ELEVEN, 1933.

THE RECORD.

R. Macpherson's achievement in heading the bowling averages in G.P.S. cricket with 14 wickets for 72 runs, average 5.1, is a highly meritorious performance.

G. Stone qualified for honourable mention, by leading in the aggregates and averages in both G.P.S. and High School matches.

F. Duggan was top of the list in the bowling averages in High School games.

R. Grover bowled the greatest number of overs, viz., 117.1, and secured the most wickets, viz., 30, in all competition fixtures.

R. Hill, who was second in batting and second in bowling in all matches, displayed excellent form as an all-round player.

The Headmaster, Mr. G. C. Saxby, invariably attended the matches at Centennial Park.

The official opening of the Cricket Ground in Centennial Park has synchronised with the Jubilee Year Celebrations. An eternal debt of gratitude is due to the Old Boys' Union and to the Parents and Citizens' Association for their generosity and for their interest in the welfare of the school.

The Ladies' Committee deserves a special vote of thanks for so kindly providing the refreshments in connection with the matches played at home.

In the local matches private transport of visitors and their opponents was supplied by Old Boys, parents of the present boys, and friends of the school. This generous co-operation proved a great boon.

It is pleasing to see the wicket at Centennial Park responding to the care and attention lavished on it by the groundsman.

This ends the first chapter in the history of Senior Cricket at S.H.S. in the Jubilee Year. The second chapter will be written in the final term.

K. J. ANDREWS.
O. S. SMITH.

Second Eleven.

The Second XI. of this year experienced a strong combination of good play and bad luck. The team did not gain full strength until late in the season, and then, after a most exciting match at North Sydney, the combination showed great improvement and were undoubtedly superior to their opponents in the remaining games.

The team was solid in all departments, the bowling of Christie and the batting of Leggott being outstanding. The fielding was safe, and Parsons was always reliable as a wicketkeeper. Christie's bowling was one of the features of the competition. He showed marked ability, and was always on top of the batsmen. A little more experience and this lad should prove an acquisition to the school in the G.P.S. competition.

The team wishes to pass a vote of thanks to Mr. Wilson, who took a deep interest in the team, and gave us the benefit of his experience in his advice.

W. NOSWORTHY, Captain.

THE RECORD.

The Second Eleven is fortunate in having such an able and fair-minded captain as W. Nosworthy, whose performances with the bat during this half of the season are highly praiseworthy.

W. S. WILSON.

Second Eleven Averages, First Half, 1933. Batting.

Prior	12	3	37	2	18.5

Third Grade.

Sydney High School Third Grade cricketers, under the able leadership of R. Burt, are, undefeated, at the head of their competition table, and the prospects for the next round are very promising.

The following are the results of the matches which have been played to date:—

S.H.S. v. Fort Street: Won on the first innings by 90 runs.

S.H.S. v. Canterbury: Won on the first innings by 20 runs.

S.H.H. v. Hurlstone: Won by an innings and one run.

S.H.S. v. Parramatta: Won by 7 wickets on the first innings.

The success of the team is no doubt due to the interest and enthusiasm shown in the matches and practices, not only by the members of the team, but also those others who are in constant attendance at the practices.

The team work of the members has been good on the whole, and an excellent sporting spirit has prevailed throughout the season. This phase of the game could, however, be improved by better fielding and returns to the wicket.

The batting has been very consistent in all matches, the best individual performers being Knox, James, Shaw, and Burt, while

THE RECORD.

Hercus, Cooper and Biddulph, by good bowling, have been responsible for the dismissal of our opponents for small totals.

The Third Graders and those keen enthusiasts who practise with the team are eagerly awaiting the re-opening of the cricket season.

Fourth Grade.

Fourth Grade Cricket Team is doing satisfactorily. The team defeated North Sydney, tied with Fort Street, and was beaten by Canterbury.

There are several players who will reach the Firsts in a year or two.

A. Fielder, of 2C, has done best with both bat and ball. He scored a dashing 109 in the first match, and made good scores in each of the other games.

The captain, Whelan, 2A, Irving, 2A, Darmody, 2A, McLeod, 1C, and Hyham, 1A, all show promise.

The bowling lacks sting, and, apart from A. Fielder and Ross, is never dangerous.

The fielding is patchy and generally lacks that dash that makes Internationals.

TENNIS REPORT.

A number of boys have played during the Summer on the school courts, and considerable improvement has been made in the form of some of the leading players, although tennis is supposed to be more or less in recess.

Great efforts have been made this year to prepare a team for the G.P.S. Competition early in May. This competition is decided largely on singles form, and in the past singles form has often been a weak department with us. Out of a welter of challenges emerges a team from which we hope great things, and although our principal stand-bys for years back have now left, we have confidence in the capacities of this new team.

<i>Seniors.</i>	<i>Juniors.</i>	<i>Second Juniors.</i>
J. Sweet	G. McKay	J. Dennett
D. Stecum	L. Slater	B. Kerr
L. Cohen	R. Blacket	A. Clark
R. Hill	W. Mitchell	B. Nathan
N. Dunett	B. Cassar	W. McAuliffe
E. Goode	M. Cox	W. Sims

The Winter season is just commencing, and many boys are placing themselves on outside courts. Grade teams for the C.H.S. Competition are well in hand and should do well.

The school courts have had a thorough re-modelling this year, and have been top-dressed in liberal fashion with Sodwall's granite—an expensive but durable material. This has been a very costly business, and represents an expenditure of about £150. Hence special efforts have had to be made to keep these surfaces in the best order. More rolling and watering was necessary in the Summer, somewhat restricting practice time on the courts. This was regrettable, but unavoidable.

ROWING.

Rowing Master's Report.

First I wish to congratulate the Rowing Club on its splendid results in the Regatta. Four crews participated and won two events (1st and 3rd Fours), came second in the 2nd Fours, and fourth in the Eights.

Our congratulations are extended to St. Joseph's. Theirs was a wonderful crew and a wonderful victory. Our narrow defeat in the 2nd Fours occasioned almost as much pleasure as disappointment. We were delighted at the first victory of Scots in the Regatta. The courage, skill and judgment of this crew were admirable.

One of the most pleasing aspects of rowing activities this year was the happiness of camp life. The Eights, instead of occupying an unfurnished house, were lodged in luxury at the home of our old friend, Mrs. Nelson. Camp life was simply home life with the added zest of

THE RECORD.

rowing. The Fours again occupied Drummoyne sheds. The camps were unusually free from sickness. We are grateful to Dr. C. E. Winston and Dr. G. Hardwicke, who attended to various casualties, and to Messrs. Penn and Segal for medical supplies.

Finance brought forward our generous supporters, the P. and C. and the O.B.U. These associations and their executives we sincerely thank.

Supervisors again sacrificed much leisure to help the camps. To these gentlemen and to the Rowing Sub-committee of the O.B.U. (Messrs. A. O'Neill, C. Hirst), and to Messrs. C. Fairland and H. Wiederohn, of the O.B.U., we owe a great debt of gratitude. The tone and conduct of the camp, which this year reflected so much credit on the rowers, are helped considerably by the presence of responsible supervisors.

The supply of "comforts" to the rowers permitted our many supporters to "do their bit." The school contributed liberally each Monday. Gifts of money were received from Dr. S. Smith, Dr. O. Diethelm, Mrs. Stevens, Mrs. Budger, and Mrs. Kohlhoff, while Mrs. Saxby, Mrs. James, Mrs. Longley, Mrs. McClean, Mrs. McGrath sent "comforts," which helped the rowers at lunch hour. Mesdames Brookes and Bross were tireless in "treating" the Eight with luxuries.

MOORE'S BOOKSHOP LIMITED

Booksellers to the Public Library of
New South Wales

for

Books on matters of importance—Economics,
Politics, Government, Travel, Biography, Novels.

Books for the Children.

Circulating Library.

60 King Street, Sydney

THE RECORD.

Mr. Wise's gift of Vita-B to the crews helps to explain the health of the camp. Mr. G. Southward also helped us. Sydney Girls' High lent us their starting pistol.

Messages wishing us success were received from Mr. Thomas, Director of Education, Mr. Cramp, Inspector of Secondary Schools, Dr. Diethelm, Mr. A. O'Neill, of the O.B.U. Rowing Committee, Mr. and Mrs. Macarthur (parents of Gordon), Mr. P. Madden, Mr. F. Whitter, Mr. J. Kemp (Morpeth), and Mr. L. Hyde. Letters of congratulation were received from Mr. Marks, Secretary of the G.P.S. Rowing Committee, and Mr. Webster, coach of Scots' Second Four.

No report would be adequate without reference to the wonderful work of our coaches, Messrs. Hancock, Livingstone, Nicholls, and Duffy. Mr. Duffy supervised the Four camp during its entire period. The happy tone of the Drummoyne camp reveals how well his work was done. Mr. Andrioli's assistance in coaching was also appreciated. Mr. Speedy's renovations to the bedsteads withstood camp usage. Praise, indeed!

I should like to acknowledge the work of Messrs. James and Cropley (of the School Union), Messrs. Clarke and Abrahams (Supervisors), A. Hunter and M. Lawton (captains of crews). Finally, I wish to thank Mr. Saxby for his sympathetic support and the staff for its helpful attitude during the camp period.

A word of appreciation is due to those boys who, though ultimately rejected as members of the crew, loyally gave of their best. I am thinking chiefly of Lew Simms and Kevin Moore.

Many assisted whose names do not appear in this report. The high tone of conduct maintained by both camps, the freedom from sickness, and the successful results will be adequate thanks to these friends of the school.

V. HYDE, Rowing Master.

"Eights" Report.

This year we were camped under ideal conditions, with Mrs. Nelson to tend to our healthy appetites. This camp was much more comfortable than in previous years, and could not have been better in any respect. This year we are glad to be able to report a complete absence of boils.

The house was situated about 300 yards from the shed, a fact which was greatly appreciated at 5 a.m. on a cold, wet day.

Music (?) was provided by a tenor horn, which Athol Rose very kindly brought in, along with a "uke.," the proud possessor of one string, which Don Jackson brought in.

Altogether the camp was conducted under much more pleasant and hygienic conditions than in previous years.

We had much pleasure in receiving as our guests a party from the school, comprising Mr. G. C. Saxby, our Headmaster, Mr. Thomas,

THE EIGHT.

Photo. by courtesy Melba Studios.

THE RECORD.

and Mr. Harkness, from the Education Department. Mr. Hyde, our hard-working rowing master, was also included in the party.

The crew's sincerest thanks are due to the providers of the early-morning snack by means of the "blanket collection," to Miss Mac for her Good Luck charms, and to Dr. Winston and Hardwick, who unselfishly gave voluntary medical attention, which fortunately was required but little, and the admirable work done by camp supervisors.

Lastly, we would like to express our thanks and appreciation for the services and sacrifices of our coach, Mr. "George" Hancock.

Again, we thank all those supporters and helpers of the S.H.S.

A. G. HUNTER,

Captain, Rowing Club.

The Race.

Contrary to the usual custom, the crew rowed from the shed to the start of the race all in the "pink of condition," after covering 516 miles during the training. The "Herald" describes the race thus:—

"St. Joseph's College and S.C.E.G.S. appeared to get the most out of the first twelve strokes. Before reaching Blaxland's Beacon, Shore had taken the lead. After turning, Joey's headed Grammar and came up on the leader, but Shore had increased the rating and had drawn away before Bottle Point was reached. At this point it lead from Joey's by almost a length, while High had improved its position and was level with Joey's, with Grammar a quarter of a length behind. Shore and St. Joseph's were still separated by half a length when Tennyson Wharf was passed. Nearing the finish, only a few feet separated the pair, but Shore, with a great effort moved away again. Both crews increased the rating to 36 in the final sprint for the finish, but St. Joseph's greater weight gave them the victory in a hard-fought race."

The crew congratulate St. Joseph's College crew on their excellent win.

Time, 7 mins. 49 secs. This time was only two seconds off the record held by S.G.S.

A. G. H.

"Fours" Report.

The Fours again found shelter in the Drummoyne Club's shed for a period of ten weeks. As in previous years, the meals were provided by Mrs. E. Mitchell.

After a week at the Eight's camp, four boys came back to join 16 others, from whom the Fours were picked. Max Lawton was elected captain of the Fours, and at the end of two weeks the crews were picked, and also two reserves, who remained in camp for a few

SECOND FOURS.

Photo. by courtesy Melba Studios.

THE RECORD.

weeks in case of sickness or accident to any member of the crews.

Fortunately the camp was almost free from any kind of sickness and boils—thanks to Vita-B—and many thanks to Mr. Wise, who so generously provides the Vita-B for the crews.

With five weeks to go for the Regatta, the stroke of the 1932 Champion 2nd Four, Frank Gay, came into camp to stroke the 1st Four, which was to prove victorious. The crew settled down to hard work under their coach's watchful eye, and soon showed signs of becoming rowers. Besides having two members of last year's Fours included in their crew, the 1st Four were very fortunate in not losing a member through illness, as was the case last year.

Congratulations to Scots, the winners of the 2nd Four race, and to our crew on their valiant effort of coming a good second.

The 3rd Four are to be congratulated for their fine win on Saturday morning. The "sporting pals" walked home by three lengths, which is a very good win in a half-mile race, and we are all proud of them.

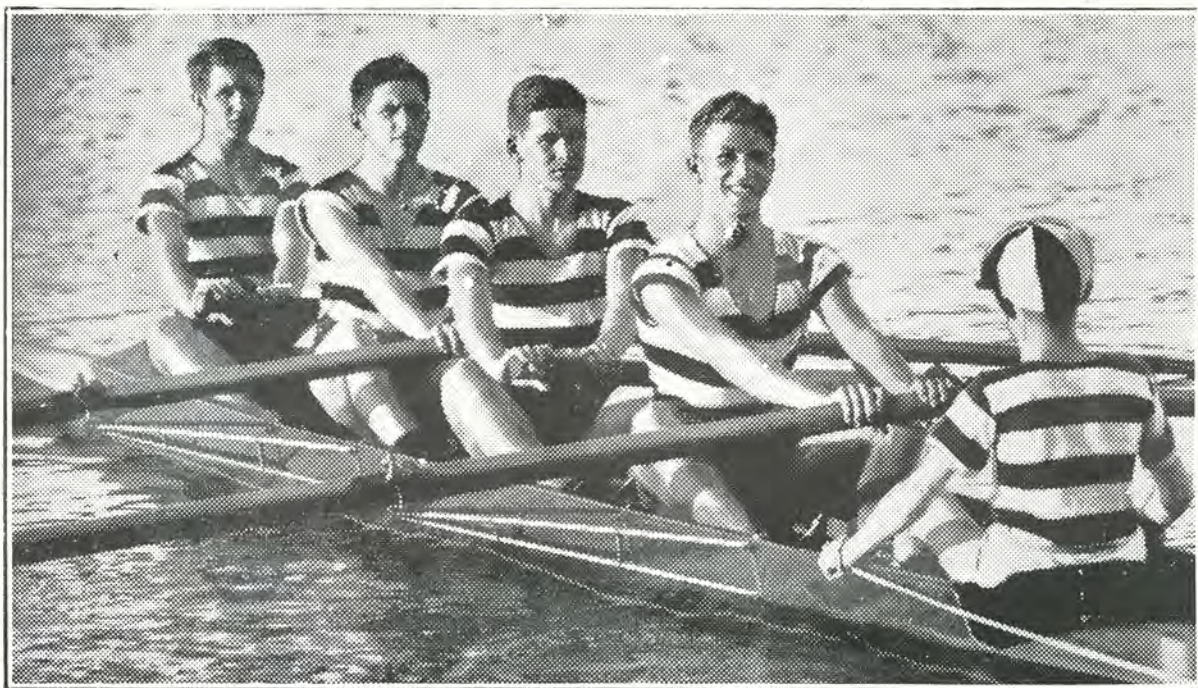

During the latter part of camp training the three crews vainly made attempts to better the record time from Elliot Street to Rod Island, but the first few attempts could have been timed on a calendar. Before camp had finished each crew had the pleasure of breaking the existing time of 6 mins, 20 secs., put up by the Champion 1st Four, 1931, and also record holders. The best time to date was that put up by the 1st Four, 1933, on the Thursday night after the heats, the mile and 200 yards being covered in 6 mins. 3 secs. (official). The Fours put up a very fine performance this year, winning two races and being narrowly beaten for first place by Scots, to run a good second. The Yaralla Cup winners put up a fine time of 5 mins 48½ secs., which is 1½ seconds outside the record.

"Mum" Duffy, supervisor of the camp and coach of the 3rd Four, had not seen very much of the upper reaches of the harbour, although a member of the 1927-28-29 Eights, and his crew kindly consented to take him to these distant parts. New rowers, kindly note: that "Mum" has completed his map of the Parramatta River, so do not be afraid; but he has not seen Manly yet.

The Eight paid us a few friendly visits, and they made our beds and cleaned up the shed for us. The shed certainly looked much better. On our return we found that they partook freely of tooth paste and boot polish for services rendered.

The Fours were rather unfortunate in having their quarters at Drummoyne broken into twice, and once suffering many losses. The intruder dismantled our only wireless and took many other valuables, including two watches.

We had much pleasure in receiving a visit from our Headmaster, Mr. G. C. Saxby, accompanied by his son, and also Mr. Thomas and Mr. Harkness, of the Education Department, and Mr. Hyde, our hard-

FIRST FOURS.

Block kindly supplied by "Referee."

THE RECORD.

working rowing master. The Fours wish to thank the contributors to the "blanket collections" to provide our early morning "snacks," and many thanks are also due to Drs. Winston and Hardwick, who voluntarily gave medical attention to the camp; to Mr. Penn, who contributed freely to our camp "medical kit"; to Messrs. Simpson, Abrahams, Pauling, and Broadhurst for supervising and coaching during the absence of Mr. Duffy; and also to Mr. C. A. Fairland for his wonderful help, he being ready at all times to fulfil any request; and to Miss Mac for the black cats. We also wish to thank Mrs. Robinson and Mrs. Bennett, of Drummoyne. To Miss Simms also we wish to extend our thanks for her help and gift to the crews.

Many contributions of jam and honey were received, and all the rowers are very grateful to Mrs. G. C. Saxby in starting the ball rolling.

All the rowers are under deep obligation to Mr. Hyde for his untiring services as rowing master and camp organiser, and to Mr. Cropley as our capable treasurer. Last, but not least, we come to the coaches. Nothing is more appreciated (by the boys in camp especially) than the services and many sacrifices of the coaches, Messrs. W. E. Livingston, F. Nicholls, and D. J. Duffy. The crews also wish to thank the coaches' wives; those who have been on the Fours' launch after the finals know the reason why. By the way, "Mum" is not married; but to the "Pres.," as he is known to the "Sporting Pals," we offer our sincerest thanks for the way in which he supervised the camp and "mothered" the boys during training.

We wish once more to thank all who have given their services so generously to S.H.S. rowers.

MAX. LAWTON,
Captain of Fours.

Second Fours—Description of Races.

Positions at the start: The Scots' College, 1; Sydney High School, 2; Sydney Grammar School, 3; Sydney Church of England Grammar School, 4.

There was a little breeze from the south when the crews lined up for the start, but the water was smooth, and the tide was running with the crews. The starter had little trouble in despatching the four crews. Sydney Church of England Grammar School was best away, and after covering 100 yards it had a lead of a quarter of a length from Sydney High School and Sydney Grammar School, Scots' College having dropped back a few feet. Sydney High School had drawn level with Sydney Church of England Grammar School at Putney Point, the pair being a quarter of a length ahead of Sydney Grammar School, with Scots' College half a length farther back. Sydney High School took the lead crossing to Gasworks Point in the same manner as it did in the heat. Passing the Point, Sydney High

THE RECORD.

School led Sydney Church of England Grammar School by a length, with Sydney Grammar School only a few feet back. Scots' College was rowing a lower rate than the other crews, and was only a quarter of a length behind Sydney Grammar School. Sydney High School kept the rate and went away from the field, and at one stage led by a couple of lengths, but, passing Tennyson, Sydney Grammar School and Sydney Church of England Grammar School began to pick up the leeway, while Scots' College, still rowing a lower rate, but a long sweeping stroke, had improved its position, and was almost level with Sydney Grammar School and Sydney Church of England Grammar School. Sydney High School spurred to maintain its lead, but gradually the other three crews pulled it back. The Scots' College crew, as in the heat, made its effort on reaching the laneway, and at the Cabarita mark it was almost on even terms with Sydney High School. Sydney High School fought to maintain its lead, but it could not hold the Scots' College Four, which over the last 50 yards took the lead and won a great race by half a length. Sydney Grammar School and Sydney Church of England Grammar School had been left in the titanic struggle over the last quarter mile, Sydney Grammar School finishing two lengths behind Sydney High School in third place, with Sydney Church of England Grammar School last. The time was 5 mins. 56½ secs. The heat times were 6 mins. 30½ secs. and 6 mins. 32½ secs. Last year's time was 6 mins. 27½ secs.

Sydney Church of England Grammar School holds the record for this race—5 mins. 47 secs., which was made in 1917.

M. L.

First Fours.

Positions at the start: Sydney Grammar School, 1; Sydney High School, 2; Sydney Church of England Grammar School, 3; Scots' College, 4.

Scots' College and Sydney Church of England Grammar School gained a slight advantage from the start, but the other crews were on even terms when 50 yards had been covered. When 100 yards had been rowed there was no appreciable difference in the position of the crews, but nearing Putney Point Sydney High School established a slight lead. Rounding Putney Point Sydney High School led Sydney Church of England Grammar School by half a length, with Sydney Grammar School and Scots' College on even terms, only feet behind. Sydney High School crossed to Gasworks Point, rowing a high rate, but Sydney Church of England Grammar School settled down to a slower and longer stroke. At the Point, Sydney High School had increased its lead to a length from Sydney Church of England Grammar School, while the other two crews were a length and a half away. Sydney High School further improved its position on the way to Tennyson Wharf, and it had settled down to a powerful stroke. It

THE RECORD.

led Sydney Church of England Grammar School passing Tennyson Wharf by a length and a half, while Sydney Grammar School and the Scots' College were still level from two and a half to three lengths further back. Sydney Church of England Grammar School made a determined effort to regain the lost ground, and succeeded temporarily in bringing Sydney High School back, but the latter, rowing a vigorous stroke, with plenty of power, responded to each effort, and was able to open out again. At the Cabarita mile mark a little over a length separated the leading pair, and a "crab" in the Sydney Grammar School boat allowed Scots' College to run into third position, some lengths behind the leaders. Sydney High School and Sydney Church of England Grammar School put up a great race along the laneway to the finish. Both were hitting 33 strokes a minute, and were rowing at full pressure. Sydney Church of England Grammar School sprinted and managed to overlap the Sydney High School crew, but the latter was able to open out again and win a great race by a length and a quarter. The Scots' College finished five lengths behind Sydney Church of England Grammar School, with Sydney Grammar School a length further away in fourth position. The time was 5 mins. 48½ secs. The heat times were 6 mins. 27 secs. and 6 mins. 30 secs., and last year's time 6 mins. 39 secs.

The record for the 1st Fours race was established in 1931 by Sydney High School, when the course was covered in 5 mins. 47 secs.

M. L.

SWIMMING.

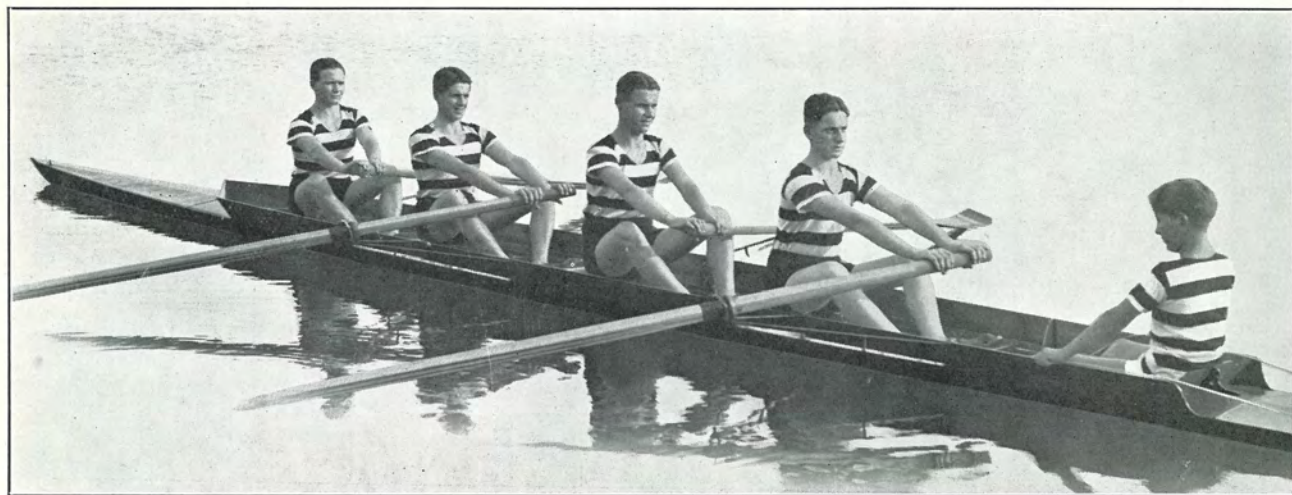

The season just passed can be considered to have been a successful one for the school. Our carnival was held at Drummoyne Baths on the 3rd March, and, despite the bad weather, the meeting was a success. It was unfortunate that particularly heavy rain forced the abandonment of the House Relays. The Senior Cup was won by Ivo Wyatt, the Junior by J. Bott, and the Under 14 by R. Biddulph. In the Senior Division, Ivo Wyatt broke three records and H. Hall one.

In the C.H.S. Carnival we won the (Senior) Brilliantshine Shield from North Sydney by 122 5/6ths points to 70, and the Under 14 Shield, after a most exciting tussle with Technical High, by 78 points to 77. Ivo Wyatt won all five free-style events, and again annexed the Keiran Memorial Rawson Cup, and broke the record in the 880 yards. Our relay team broke the record in the Senior Division. S. Blyth and M. Sutton were consistent performers.

In G.P.S. swimming, Wyatt lost the 100 Yards Championship by a touch, and we swam second to Scots' in the 200 Yards Relay.

Our relay teams tied for first in the 300 Yards Relay at Fort Street Carnival, and won the 200 Yards at the Canterbury Carnival.

Our juniors were weak this year, but most of them were only just old enough for this division, and we hope to do better next year.

THE RECORD.

THIRD FOURS.

Photo. by courtesy Melba Studios.

THE RECORD.

Aspirants for positions in next year's team should begin serious training as soon as the new season starts. I should like to see better performances next year in breast-stroke and diving events.

Owing to the abandonment of the Life Saving Classes, it is proposed, with the consent of the donor, to award the Tressider Shield to the winner of the Senior Breast-stroke Championship. This shield is donated annually by an Old Boy, Mr. Bradhurst, in memory of his friend, the late Claude Tressider. It is hoped that this will give added interest to breast-stroke swimming.

The thanks of the school are due to the Swimming Committee for the work in connection with the Swimming Carnival.

Results.

S.H.S. CARNIVAL, MARCH 3, 1933.

SENIOR CHAMPIONSHIPS.

50 Yards.—1, I. Wyatt; 2, S. Blyth; 3, H. Hall. Time, 26 secs.

It will be seen that under the new system of swimming in divisions every competitor is able materially to assist his school in the aggregate point score. Swimmers should bear this in mind, and all boys should aim at representing their school. I hope that competition will be very keen for places next year. Juniors especially are wanted.

F. JONES.

Water Polo.

The first half of the competition for the Shaw Cup is now completed. The third and fourth rounds will be played before Xmas. We had a good team, but they did not finish as high up in the competition list as was expected. The drawn match should certainly have been won, and another match should not have been lost. Absences from the team were partly responsible. Members of the team should follow the lead of Technical, who won well, because they practise regularly and assiduously.

The team was:— Goal: Cameron and Coleman. Backs: Scott, Sutton, Allen. Forwards: Hall, Wyatt, Clarke, and Blyth.

M. Sutton was particularly strong in defence.

We should look to our team for 1934. At present we have a very inadequate supply of reserves. Swimmers who aim at representing the school in 1934 should get training and practice in the early half of the season. There will be many places to be filled.

Results: v. Technical: Lost 5-4, lost 6-1.

v. Fort: Lost 3-1, won 6-2.

v. North: Drawn 2-2, won 7-2.

Points gained, 5. Technical and Fort Street both lead us.

ATHLETICS NOTES.

Even at this early stage considerable interest is being taken in athletics, and it seems possible that High will be able to field a worthy team for its Jubilee Year.

Several of last year's record breakers are still with us, set on still further improving existing figures.

For the senior team good hurdlers and good broad-jumpers are most urgently needed, whilst the mile and half mile teams need filling. In any case, no athlete will be selected merely on last year's performances—new aspirants will be given every opportunity to gain a place in the team. It is intended to run a series of novice championships after school from time to time to select likely candidates.

THE RECORD.

Many of last year's junior team are now over age, and here again new athletes are needed.

About one hundred boys in the under fourteen section have already been tried out, and some promising material revealed. There may still be others who have not yet realised their ability.

The Committee wish to point out that a 440 yards track has been marked out on the school ground, and that a well-grassed "hundred" is obtainable.

Early, steady training is advisable, speed work being reserved until muscles and lungs are both fitted to take the strain.

Incidentally, outside clubs are very willing to accept boys as junior members (free), and the experience thus gained is extremely valuable.

Mr. Jack Metcalfe.

The Athletics Committee wish sincerely to congratulate Mr. Jack Metcalfe on his great high jump of $6.3\frac{7}{8}$, which is now awaiting recognition as an Australian record.

A member of the only High team which has yet won the G.P.S., this versatile athlete, by intelligent training, has so improved that he is now recognised as probably the best all round athlete in Australia.

All High boys watch his progress with an almost proprietary interest, for Jack has not ceased to be an active member of the school; his assistance in training our present athletes being greatly appreciated.

We look forward to the time when Jack will be our first track representative at the Olympic Games.

PARENTS AND CITIZENS' ASSOCIATION.

President: A. R. Sullivan, Esq., Commercial Banking Company, South Kensington.

Vice-Presidents: A. E. James, Esq., Castlefield Street, Bondi; Captain A. C. Stevens, 142 Belmore Road, Coogee.

Hon Treasurer: O. W. Earl, Esq., 22 Flood Street, Bondi.

Hon. Secretary: E. H. Oliver, Esq., 2 Yanko Avenue, Waverley.

Since the last issue of the "Record" in December, the Association has been steadily carrying on with the work it set out to accomplish at its inception eight years ago. Each and every month brings with it problems to be faced, and each month as it passes finds the Association still sticking to its job of raising funds to help the school achieve the objects for which it was founded nearly fifty years ago.

The reports of the Hon. Secretary and the Hon. Treasurer submitted to the Association's Annual Meeting, held at the school in March, showed that although the "depression," to use the expression

THE RECORD.

quoted in the last issue of the "Record," is still an "unwelcome guest," the Association was still proving successful in meeting the many and varied appeals for assistance in carrying on the activities of the school.

During the year the Association was responsible for the erection of splendid lighting facilities in the quadrangle and at other points in the school building. It also subsidised the Gordon Macarthur Memorial Cup; made its usual donation towards the cost of rowing, and defrayed half the cost of darkening the Assembly Hall, in order that the cinematograph could be used during school hours. Funds were provided for the purchase of new books for the Library, and other school equipment; financial assistance was given towards the upkeep of the new sports ground at Centennial Park, and attention was given to the numerous small items which are continually being brought under notice by the Headmaster, so that the work of the school may uninterruptedly go on.

The usual functions, such as the "Head of the River" Dance, the "Coaches' " Dance, the "G.P.S." Dance, the "Prefects' " Dance, and several other gatherings were recognised and successfully carried out with the assistance of the usual band of willing workers. The Ladies' Committee was to the fore, as usual, at these functions, as well as carrying on their good work in providing lunches for the cricket teams at their regular fixtures.

A pleasing feature of the Annual Meeting was an influx of many new members and a number of willing workers, and although it is extremely heartening to find new workers coming forward to take the place of the inevitable losses, brought about by the retirement of old members, there is still room for many more. While it is realised that it is not possible for many parents to attend the monthly meetings, the Association feels that, in a school accommodating approximately 800 boys, the work should not be left to the comparatively few who make it their duty to assist. It should be realised by all parents that, although a splendid building and an efficient staff is provided by the Department of Education, much remains to be done in equipping the school so that the institution may continue to uphold its fine traditions.

The Association appeals, therefore, to all parents to put something into the school out of which their sons reap so many benefits; this can be done by joining the Association and assisting it to carry on the work for which it was formed.

THE RECORD.

SYDNEY HIGH SCHOOL GOLDEN JUBILEE, 1883-1933.

Jubilee Programme—Jubilee Object—History of the S.H.B.

A joint Jubilee Committee has been formed of representatives of the school, Old Boys' Union, and Parents and Citizens' Association. Dr. S. A. Smith has been elected chairman of the point committee. Its object is to organise fitting celebrations for the close of an era of the S.H.S. and the commencement of a new one, and to arouse pride and interest in the welfare of the S.H.S.

The following tentative programme has been drawn up. Full details of the final arrangements will be made available at a later date. Any suggestions will be welcomed:—

Monday, 9th October: Reception in the evening at the school by the school authorities. Unveiling of a brass plate commemorating the Golden Jubilee.

Tuesday, 10th October: Garden and Bridge Party and Tennis Tournament to be organised by the P. & C. Association.

Wednesday, 11th: The Old Boys' Union's 20th Annual Dinner.

Thursday, 12th October: A Golf Tournament, open to all.

A Re-Union of Past and Present Members to be held by the P. & C. Association.

Friday, 13th October: A Concert to be held at the school and a Bridge Party, probably in town.

Saturday, 14th: 1. School open for inspection.

2. A Cricket Match, S.H.S. v. O.B.U., with the possibility of two matches.

3. An Athletic Carnival to also be staged at the School Sportsground, S.H.S. v. O.B.U.

4. The Official Opening of the Dressing Shed at the Sportsground.

5. A Tennis Tournament, P. & C. v. O.B.U., S.H.S. v. O.B.U.

6. Two Dances to be held in the evening—one at the school and one in town.

Short History of the Sydney High School.

A short history of the S.H.S. will be published about June, and those wishing to obtain copies should forward three shillings to the Honorary Secretaries, or else intimate that they will require a copy.

Thanks are due in this connection to O. D. Oberg, H. Mylchreest, A. H. Henderson, H. E. Harper, M.L.A., M. Moore and E. A. Southee, for forwarding information required in its compilation, and to F. S. Bradhurst, B. L. Moses, E. J. H. Colvin, and T. Pauling, for having helped in other directions in the work done on the history this year.

THE RECORD.

28th Annual Dinner.

The 28th Annual Dinner of the Old Boys' Union was held on Wednesday, 9th November, 1932, at the Allora Cafe. This dinner was the most successful for some years, and the re-union of the Old Boys, the standard of the speeches and the cuisine, tended to make this Dinner one of the happiest on record.

The guests of the evening were, the Minister for Education (Hon. D. H. Drummond), Mr. G. Ross Thomas, Under-Secretary for Education, Mr. G. C. Saxby, Headmaster, Hon. T. D. Mutch, Mr. W. Moore, Deputy Headmaster, and Mr. R. McKinnon, School Captain.

The toasts honoured were: "The King," "The Department of Education," proposed by Mr. C. A. Fairland, responded to by the Minister and the Under-Secretary for Education; "The School," proposed by the President (Mr. H. F. Halloran), who, in a most interesting speech, outlined the growth of education from the establishment of the colony, responded to by the Principal (Mr. G. C. Saxby) and the School Captain (Mr. R. McKinnon); "The Old Boys' Union," proposed by Mr. W. Moore and responded to by Dr. A. L. Buchanan; and "The Chairman," proposed by Hon. T. D. Mutch.

On the menu card was printed a complete list of O.B.U. Honorary

Treasurers throughout the years. Mr. S. Cash forwarded a donation towards the Dinner expenses. The Honorary Secretary (C. A. Fairland) and the Assistant Honorary Secretary (H. H. Wiedersehn) organised this dinner.

The date of the Jubilee's 29th Annual Dinner has been fixed for Wednesday, 11th October, in the Jubilee Week.

SPORTS GROUP—CENTENNIAL PARK.

Since last issue further progress has been made in the preparation and use of the School Sportsground in Centennial Park. The school has played its home matches in the G.P.S. competition on the ground; also regularly using it each Wednesday in the High Schools competition.

The pitch being in its first season of use was naturally expected to play somewhat on the low side. After the preliminary matches had been played, extra work in preparation soon considerably benefited the pitch. With the rest over the Xmas vacation, the grass became well established, and from February to the close of the season much improvement was noticed.

Owing to the funds for the equipment of the ground not yet being sufficient to enable the O.B.U. to purchase a motor mower, to keep the outfield in good order, and to lack of a Store Room at the ground, arrangements were made by the Hon. Secretary to obtain the use of a motor on hire at regular intervals to cut the outfield. It was pleasing to notice the great improvement shown each time the area was cut, particularly over that portion which has not yet been top-dressed with soil. The grass has become well and firmly set in the sandy surface. This has given much encouragement to the Committee.

The fielding area for cricket was defined by flags, set out along the boundary, and a tent was placed in a suitable position each day to provide shelter and protection to players' clothing.

A score board, with numbers was supplied, so that all reasonable facilities were provided. The visiting school players used the dressing rooms at the school for changing, and then by regular help from Old Boys, and Mr. Taylor of the School Teaching Staff, the players were conveyed to the playing field, and back to the school for lunch each match by cars. Special thanks are given to those gentlemen who assisted in these duties, as it was of much assistance to the school.

DRESSING ROOM AND STORE ROOM.—As mentioned in last issue, a plan had been prepared by Old Boys for a suitable building, and an estimate had been obtained as to cost, which showed to be £900. The difficulty then was how to arrange to have the building in actual existence.

Mr. A. Howie, an Old Boy, was approached, and he showed a

THE RECORD.

kindly disposition to help. After considering the plan, and some minor alterations in the internal arrangements of the building, Mr. Howie offered to build the room, provided the Old Boys Union made satisfactory arrangements for the repayment of the cost within three years. This fine offer was then given earnest consideration, and by the co-operation of the Parents and Citizens' Association, it has been determined that the offer be accepted if possible. This decision was endorsed at the Annual Meeting in January last.

The next difficulty was to obtain permission from the Minister for Agriculture to place the building in a desired position at the ground. We are, however, pleased to be able to announce that permission has now been obtained for a Dressing Room and Store Room to be placed on the area, where it will be readily suitable for its purpose. Approval is now awaited to the altered detail of the plan, and it is anticipated that at an early date the work shall be started.

The provision of the building will make the working of the ground much easier, as machines, tools, etc., will be easy of access, and the players will be able to always proceed direct to the ground. It is hoped that the Dressing Room will be available for use at the

ANGUS AND ROBERTSON LTD.

89 CASTLEREAGH STREET, SYDNEY

THE RECORD.

outset of the G.P.S. Football Season, and the full benefit will be derived during the next cricket season.

As the provision of this building is the important object for the Jubilee Year, all financial assistance possible from Old Boys and friends of the school is asked for, contributions in regular payments as instalments will be readily accepted by the officials of the Old Boys' Union. As reported in the Jubilee Report: a "Dressing Shed and Store-room" Fund has been opened for donations.

Some assistance was obtained in providing for the maintenance of the ground by outside cricket clubs using the ground on Saturdays, when the school did not require its use. The payment of fees went towards the payment of the labour regularly required to tend the ground. It is hoped that it will be found possible to provide a second cricket pitch for the next season, so that at times two school teams can play, and also provide a better opportunity to increase funds towards maintenance cost.

The G.P.S. Football Programme has been fixed for the coming season, and suitable arrangements will be made to secure that the playing field will be kept free from spectators interfering with the play. Old Boys and friends must also understand that motor cars and vehicles will not be permitted inside the rail fence, but the park regulations provide that cars must keep to the defined road, and they will therefore have to park in the definite area.

Mr. A. J. Trier, an Old Boy, who made the first survey of the area in order to provide the O.B.U. with a definite idea as to how the playing area could be set out, has again made a survey of the No. 1 oval. He has now set out and marked with wooden pegs the courses that can be set for the purpose of athletics, providing a full 440 yards course, and a level running track for up to 150 yards in length. The definite marking of the oval in this manner, will now enable the Sports Ground Committee, as soon as funds are available, to arrange for top-dressing the running track, so that eventually it will be possible to hold the School Sports Meeting on the sports ground. The thanks of the Old Boys' Union must therefore be accorded to Mr. Trier for his generosity in this service.

EMPLOYMENT OF OLD BOYS.

The Old Boys' Union has been the successful medium by which several Old Boys have obtained posts. If any Old Boy is recruiting juniors to his staff, or knows of any jobs vacant, he is requested to either ring Mr. Saxby, who could probably recommend some worthy lad, or else communicate with the Old Boys' Union Secretaries.

THE RECORD.

SOCIAL COMMITTEE REPORT.

The Jubilee Year is one in which the 1933 Social Committee, under the chairmanship of Mr. A. J. O'Neil, keenly desires to surpass the successes of previous years. Much has already been accomplished.

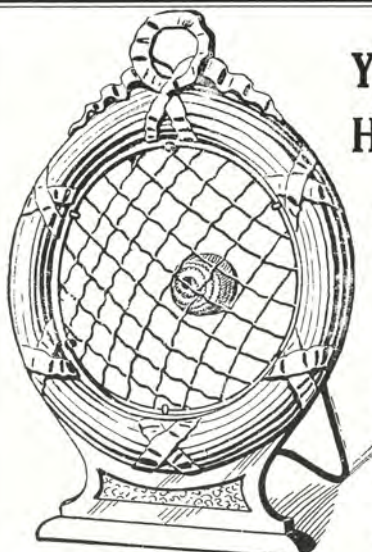

Moonlight Excursion.

A Moonlight Excursion on the harbour was held on Friday, 10th February, but had little support in the way of attendance. Whilst those present had a most enjoyable evening, with dancing at Rodd Island, the Committee nevertheless recorded its first financial loss in the last four years of activity. E. J. H. Colvin acted as organising Secretary-Treasurer for this function.

Comedy Play, "Thark."

A Play was presented for the third successive year, and was a remarkable success judging from the conduct and remarks of three enthusiastic and appreciative audiences and the record financial return. The Play presented was Ben Travers' comedy, "Thark," and was staged in the Great Hall at the school on Thursday, Friday and Saturday, 16th, 17th and 18th March.

The O.B.U. Council has placed on record its sincere thanks to those who worked so untiringly for the success of "Thark." Firstly,

Your Room Needs a HECLA RADIATOR

The Hecla is an ornamental, portable, room and person warmer.

It radiates the invisible INFRA-RED-RAYS

which are claimed to be beneficial in nerve and rheumatic troubles as well as room-warming. Prices are:

THE RECORD.

to the girls who took roles, Miss Miriam Jowitt, Miss Margery Annan, Mrs. E. Brunton-Gibb, Miss Meg Service, and Miss Mary Doudy, and to other girls who volunteered for roles and helped in the preliminary stages. Secondly, to Mrs. B. Rae, who acted as prompt, to Miss Alta Rowe, Miss Myrtle Beards, Miss Lorna Roberts and friends, who sold sweets. Also to the producer (Miss May Hollinworth), who spared no effort to ensure the success of "Thark," and to whom much of the credit for our three presentations of plays is attributable.

We also extend our thanks to F. D. Wilkinson, who fulfilled the onerous task of electrician; to the School Orchestra, which rendered the musical items; and to C. Levick, P. Reed and H. Oliver, who assisted S. Hirst in designing and executing much of the scenery; to Associated General Electric Industries Ltd., to T. Evans, of the Conservatorium, to Messrs. Webster, Jack and McDonald, to the Public Services Musical and Dramatic Society, to Anthony Horderns Ltd., and to J. C. Williamson's Ltd., for the loan of various properties, stage necessities and electrical equipment; to J. Metcalfe (Senr.), who made posters, and to the schoolboys who acted as ushers.

All other parts of the organisation were carried out by Old Boys.

The male cast comprised F. S. Bradhurst, M. W. Flannery, C. G. McDonald, W. N. Wiedersehn, J. V. Lusby and V. Barnes.

The other offices were filled by E. J. Colvin (Stage Manager), B. L. Moses (Property Manager), D. McCallum (Asst. Electrician), A. G. Kingsmill (House Manager), H. H. Wiedersehn (Publicity), R. Tobias, V. Bamford and brothers (stage hands), B. C. Dickinson (chief usher), whilst many Old Boys acted as ticket distributors. In this regard we must record that F. S. Bradhurst disposed of well over 100 tickets, and M. W. Flannery, over 80.

The combined efforts of the many Old Boys and well-wishers resulted in a worthy culmination and a great success, and their work has enabled the O.B.U. to continue aiding the welfare of the S.H.S.

B. L. Moses acted as Organiser and Treasurer, and E. J. H. Colvin as Assistant Organiser for this event.

Regatta Dance.

On Saturday, 29th April, the night of the G.P.S. Regatta, the recently-formed Council of the Old Boys' Union of the G.P.S. held a combined dance at David Jones' Ballroom—the first of its kind ever held. The O.B.U. joined in this function in lieu of holding its own Regatta Night Dance. The function was a brilliant success, nearly one thousand persons attending, of which some two hundred and fifty were Old Boys and supporters. The coaches of the S.H.S. crews were our guests at this function. Mr. A. J. O'Neil, Secretary of the Combined Council, was in charge of the dance organisation, and its remarkable success justifies similar combined functions in the future. H. H. Wiedersehn organised our part of the function, and A. Ferguson

FURTHER FUNCTIONS arranged by the Social Committee:—

Saturday, 27th May: O.B.U. Dance at the school.

Saturday, 24th June: O.B.U. Dance at the school.

FRIDAY, 21st JULY: JUBILEE CHOCOLATE AND BLUE BALL AT THE BLAXLAND GALLERIES.

ANNUAL MEETING.

The 27th Annual Meeting of the Old Boys' Union was held at the school, Moore Park, on Tuesday, 31st January. The attendance was quite good, and the 27th Annual Report and Statement of Affairs were adopted.

The special reports of the 1932 Jubilee Committee and the Sportsground Committee were also adopted. H. H. Wiedersehn was appointed Editor of the "History of the S.H.S.," to be published this year.

The election of officers took place, and the gentlemen mentioned above were elected to the various posts. We are honoured this year, the Jubilee Year, by the patronage of His Excellency the Governor and the State's leading citizens.

The retiring President, Mr. H. F. Halloran, deserves the gratitude of all those interested in the welfare of the S.H.S. During his term of office he fulfilled the Presidency with the tremendous zeal and enthusiasm which he has displayed for many years in all that concerns the S.H.S. and its Old Boys' Union.

OLD BOYS v. THE SCHOOL CRICKET MATCHES.

On Thursday, 8th December, 1932, the Annual Present v. The Past cricket match was played on our sportsground at Centennial Park. The S.H.S. proved too strong for the Old Boys' XI., and won the match. The scores were: O.B.U. 103, and the S.H.S. 9 for 149 (innings declared closed).

The Old Boys' XI. was comprised of C. A. Fairland, G. Williams, J. Kelaher, V. W. Hyde, K. McCredie, H. E. Harper, S. J. Burt, G. Shaw, S. Bilbe, H. Hardy, and A. Llewellyn.

On Thursday, 23rd March, 1933, the 1933 match was played. The school team once again proved too strong and won.

The scores were: S.H.S. 162, O.B.U. 78.

The Old Boys' team was comprised of K. McCredie, G. Williams, A. Llewellyn, R. McKinnon, H. E. Harper, T. Roughley, G. Shaw, C. K. Paton, J. Kelaher, C. A. Fairland, and H. Hardy.

There will probably be a second match against the school at the end of the year. Old Boys wishing to play should inform the Honorary Secretaries.

BROADWAY :: SYDNEY

THE RECORD.

Our New President.

Dr. S. A. Smith, who was elected to the honoured position of President of the Old Boys' Union, has had a long and brilliant career, and all Old Boys are pleased that he accepted the position.

Dr. Smith was an all-round athlete at the S.H.S. during the 'nineties, and in 1897 won the School Championship Cup, presented by the Sydney Girls' High School, for the 220 Yards Championship. At the University his career was brilliant, and in 1902 he held the

S. A. SMITH, M.B., M.S.

Monte Luke.

Presidency of the Undergraduates' Association, the highest post to which an undergraduate could be elected at that time.

Dr. Smith has held many posts of honour and distinction in the medical world. In 1902 he was President of the University Medical Society; from 1903-1913 he was Demonstrator and Lecturer in

THE RECORD.

Anatomy at the University; in 1913-14 he was Acting Professor of Anatomy; in 1926, Acting Professor of Medicine; and this year he has been appointed Lecturer in Clinical Medicine. For some years Dr. Smith was an examiner of Medicine.

In 1927 Dr. Smith was elected to the highest post of honour in the Medical world, namely, the Presidency of the British Medical Association (N.S.W.), whilst he was the Listerian Orator of 1932 in South Australia delivering Listerian Oration.

Dr. Smith is also an Honorary Physician at the Royal Prince Alfred Hospital, and is brother to the school's most famous Old Boy, Professor Grafton Elliott Smith, and to Mr. S. H. Smith, formerly Director of Education.

Dr. Smith has been a life member of the O.B.U. for some time, and his name appears on the list of donors to the School Fund in 1925, and the Cinema Fund in 1928, whilst he has this year opened the Dressing Shed Fund by forwarding his cheque for twenty-five guineas.

It is an honour and pleasure to have as President of the O.B.U. for the Jubilee Year a gentleman whose career and achievements are a credit to himself, a pride for the Sydney High School, and an example for all the men in the making from and at the S.H.S.

THE COUNCIL OF THE OLD BOYS' UNION OF THE GREAT PUBLIC SCHOOLS.

Last year a meeting was called by our Past-President, Mr. H. F. Halloran, of representatives of each Old Boys' Union of the G.P.S. to found a Council to look after mutual interests and to act as a consultative body. Mr. Halloran was elected Chairman and Mr. A. J. O'Neil, our O.B.U. representative, was elected Honorary Secretary by the first meeting.

A constitution was drawn up and submitted to each O.B.U. for approval. The draft constitution was finally adopted, and the "Council of the Old Boys' Unions of the Great Public Schools" was established.

Mr. R. C. M. Boyce, from "Shore," is the President this year, whilst our representative, Mr. A. J. O'Neil, has been re-elected Honorary Secretary.

This Council organised the Combined Dance held on Regatta Night, the first all-combined G.P.S. Dance ever held. A report of this function is in the Social Committee's report.

OLD BOY CIVIL SERVANTS.

In the last issue of the "Record" we published a list of Old Boy Medicos. Here we publish as complete a list as possible of Old Boys who have risen to senior posts of honour and eminence in the Civil Service:—

THE RECORD.

- S. C. Barnes, Secretary to Sydney Harbour Trust.
F. E. Barraclough, M.A., LL.B., Deputy Master-in-Lunacy.
R. H. Beardsmore, B.A., D.S.O., Col., Member Superannuation Board.
F. H. Burt, Revenue Accountant, N.S.W. Treasury.
S. C. Cash, Chief Draftsman, Mines Department.
A. S. Davies, Officer in Charge of Migration Branch, Department of Labour and Industry.
W. O. Day, Assessor and Receiver, Metropolitan Water Sewerage and Drainage Board.
L. C. Egar, Member of Public Service Board.
R. Ewing, Federal Commissioner for Taxation.
R. C. Huntley, Superintending Inspector of Factories.
T. W. Irish, Assistant Under-Secretary for Lands.
F. S. Mance, Under-Secretary for Mines.
W. H. Myers, Chief Electrical Engineer for Railways.
J. A. McIntyre, Apprenticeship Commissioner for Conciliation.
R. T. McKay, M.Inst. C.E., Sydney Harbour Trust Commissioner.
J. G. McLaren, B.A., C.M.G., Secretary to Commonwealth of Australia in London.
R. J. Noble, B.Sc. (Agric.), M.Sc., Ph.D., N.S.W. Government Biologist, Department of Agriculture.
J. Spence, B.A., LL.B., Auditor-General of N.S.W.
J. B. Telfer, M.A., Member Public Service Board.
G. R. Thomas, B.A., Under-Secretary for Education.
T. Waites, D.E.C., N.S.W. Government Statistician.
H. Wenholz, B.Sc. (Agric.), Director of Plant Breeding, Department of Agriculture.
W. C. Wurth, LL.B., Assistant Under-Secretary for Labour and Industry and Industrial Registrar.
W. G. Woolnough, D.Sc., F.G.S., Commonwealth Government Geologist.

The following Old Boys have only recently vacated important Government posts:—

- W. J. Cleary, B.Ec., Ex-Chief Commissioner for N.S.W. Railways.
J. B. Cramsie, Ex-Chairman N.S.W. Metropolitan Meat Board.
P. S. Hunt, Ex-Estate Agent for Railways.
R. W. May, Ex-Commissioner of the Government Savings Bank.
A. W. Turner, Ex-Commissioner of the Government Savings Bank.

OLD BOYS IN SPORT.

Jack Metcalfe is Australia's outstanding athlete of recent times, and is continuing a remarkable athletic career. This 'Varsity "Blue"' has established a list of victories never equalled in Australia. Here we list a few of his efforts:—

1. Scoring of most points for his club in inter-club events.
2. Competing in six events in Dunn Shield, winning three.
3. Competing in seven events in Ogilvy Cup, winning three.
4. Magnificent hop, step and jump of 49ft. 6in. in N.S.W. v. Victoria.
5. The winning of the Pentathlon Championship.
6. The winning of the Decathlon Championship with State and Australian record points.
7. First N.S. Welshman to throw Javelin over 175ft.
8. Award of Coombes Medal for outstanding Australian Athlete.

* * *

THE RECORD.

In the world of tennis Vivian McGrath has had a meteoric career. Since leaving S.H.S. he represented Australia against the visiting American tennis team, beat the world's champion, E. Vines, and was chosen in the Australia Davis Cup team, which sailed for Europe in March. It is not since J. Clemenger's time that an Old Boy has been in the Davis Cup team.

* * *

S. G. Webb at the end of last year played for the barristers v. solicitors in their annual match, and topped both batting and bowling achievements.

* * *

Any Old Boy in the St. George District who would care to play Rugby Union Football for that district should communicate with J. Bennett, Stony Creek Road, Bexley. LW 4286.

* * *

R. Forbes, who played full-back for North Sydney last year and is a brilliant all-round athlete, was moved to Orange.

* * *

R. Clark, of the school, put up remarkable exhibitions against M. Kalili, the American swimmer.

* * *

S.H.S. was runner-up to Joey's in the G.P.S. Cricket Competition last year, this being the first occasion that the school has reached such a high position in the competition battle. This year no match has been lost in the first season, and the S.H.S. is leading the competition.

* * *

S. J. Burt played brilliantly throughout the season for Western Suburbs' XI.

* * *

H. Wines played for W.S. 2nd XI.

* * *

C. K. Paton, Captain of the S.H.S. 1st XV. last year, is now playing for St. George 1st XV.

* * *

Several Old Boys are active in the athletic world.

A. J. Hodsdon, T. Pauling, G. Pauling, W. Bainton, and R. J. Oxley are running for Western Suburbs' Amateur Athletic Association.

J. P. Metcalfe, R. Ashbarry, and F. Fulton are with the University A.A.C.

W. McKenzie and B. C. Dickenson are with St. George A.A.C.

J. Newton, R. Corish, and W. Cartwright are with Botany A.A.C.

O. K. Bellmaine, W. Collins, and R. Ralph are with East Sydney A.A.C.

E. Belschner is with Northern Suburbs' A.A.C.

I. Haines is with Randwick-Kensington A.A.C.

THE RECORD.

W. Cartwright recently pole vaulted 12ft. 3in., being the only New South Welshman to perform this feat.

* * *

B. C. Dickenson is the best junior Hop, Sten and Jump in Australia.

* * *

T. Pauling won the State Discus title for the third time.

* * *

H. Rees and E. Shepherd are playing with the University 1st XV. T. Pauling is playing with Western Suburbs' 1st XV.

CARS WANTED FOR S.H.S. FOOTBALL MATCHES.

This year four G.P.S. football matches will be played on our own home ground in Centennial Park—Saturday, 8th July (St. Ignatius), Saturday, 15th July (Newington), Saturday, 29th July (St. Joseph's), and Saturday, 12th August (Scots).

The teams will dress at the Gymnasium at the school, and we want cars to convey the visiting and S.H.S. teams to and from the ground, as was done last year.

Any Old Boy who can provide a car on any of the above dates is requested to inform the Honorary Secretaries.

For every cleaning job!

THE RECORD.

OLD BOYS v. S.H.S. FOOTBALL MATCH.

Old Boys desirous of playing in the O.B.U. XV. against the S.H.S. team should inform the Honorary Secretary immediately.

OLD BOYS v. S.H.S. DEBATES.

Old Boys wishing to be members of the O.B.U. teams to debate against the S.H.S. teams should inform the Assistant Honorary Secretary immediately.

ROWING.

Following the practice adopted in previous years, the Old Boys' Union again undertook to provide Supervisors at the Rowing camps. It was again necessary, in order to suit the convenience of Mr. Hancock, coach to the "Eight," that the boys should camp at some suitable house at Abbotsford. Arrangements had to be made accordingly, and the Rowing Committee, we are glad to record, were able to obtain enough Old Boy enthusiasts to fill the roster, and each took a week in the duty of supervision.

The duty of each was this year considerably lightened by the fact that the "Eight" were housed at the home of Mr. and Mrs. Nelson, Altona Street, Abbotsford, where they were extremely well provided for. Special thanks on the part of the Old Boys' Union have been given to these good people for the good care they took of the boys, and for the very fine facilities that were made available. Our Old Boy supervisors had little to do beyond seeing that the crew were at all times ready for the coach and that any necessary details required by him were attended to.

The "Fours" were housed at the Drummoyne Rowing Club shed. Mr. D. J. Duffy, an Old Boy, who was appointed coach of the reserve crew, undertook to supervise the camp, and this he did continuously, with a little assistance at periods from other Old Boys.

The racing boat "G. E. Hancock," we are glad to state, was kept in a wonderful state of good preservation, and the cost of repairs and overhaul was only a minor item. A new set of racing oars had to be obtained, as breakage of oars takes place from time to time in the course of training. The "Charles R. Smith," the racing boat for the Fours, was also in good order, and after re-varnishing was in splendid order.

Speed launches for use by the coaches of the crews, both in Eight and Fours, were made available as required, and the cost of these had, as usual, to be provided out of the funds of the Old Boys' Union.

It is always hoped that the sale of tickets for the ferry on the day of the Regatta will materially assist the expense of rowing, and we are glad to report that our steamer, "Kai Kai," on the day of the Finals, Saturday, 29th April, was well patronised. The receipts from

THE RECORD.

this source will go towards rowing expenses, but it is not anticipated that all costs will be fully met by these receipts.

Whilst the S.H.S. Eight did not win the "Head of the River," we can earnestly commend them for the great interest they showed at all times during their period of training, and for the care taken to carry out instructions. They were a somewhat younger crew than the school has had before, but proved themselves to be a fine set of sportsmen, and we are satisfied that they put forth their very best effort to uphold the honour of their school.

Congratulations are offered to the members of the First Fours for their very fine efforts in the heats and final, which they so well won on the Saturday. Expectations prior to the event were favourable to this crew winning, and Old Boys again have the satisfaction of knowing that their school has obtained at least one victory in this year's contests. The Second Fours put up a very fine performance, and made a most strenuous effort to obtain victory.

The Reserve Fours won their event in convincing style, and we offer them our congratulations. These boys, although selected as reserves, kept up a fine spirit of interest, and during their training were showing commendable form.

ANGUS & COOTE LTD., 500 GEORGE ST., SYDNEY

THE RECORD.

The result of these contests shows that our school has some fine material available for rowing at next year's Regatta, and the whole results of this year's efforts only lead us to be still of the opinion that the participation in rowing has led to a wonderful display of interest both by the boys at the school and amongst our Old Boys generally. The Old Boys' Union tenders to Messrs. George Hancock, W. Livingstone, F. Nicholls, and D. J. Duffy, the coaches of the respective crews, their hearty thanks for the time, trouble and care taken in the training and attention given to the boys.

What was also particularly noticeable this year was the absence from any illness of any kind on the part of the boys. The general health and condition of the boys was remarkably good.

Thanks are also given to the Old Boy doctors who attended to the wants of the boys as required; also to those Old Boys who generously gave and provided for medical comforts that were of much valuable help to the boys.

The members of our Rowing Committee carried out their duties earnestly, and must feel satisfied that experience in preparation over previous years has resulted in making their task somewhat easier this year.

We are glad that in this, our Jubilee Year, rowing has generally had pleasant results, and appears to have brought forth a further display of enthusiastic support.

The Old Boys' Union offers to the St. Joseph's College crew their very hearty congratulations in the very fine win in securing the title "Head of the River" for 1933. The finish was a wonderful effort. Also a like measure of praise to Scots' College for the win obtained by their Second Four, this also having been a particularly splendid finishing effort.

HONOUR CAPS AND CENTURIES.

The award last Speech Day of an Honour Cap to R. Clark makes it interesting to recall the history of award of Honour Caps at the S.H.S. The first such cap was awarded in 1917 for the following qualities:—

1. Ability in a particular sport.
2. General interest in the school.
3. Credit brought to the S.H.S. in representative sport.

Later it was awarded for general proficiency in sport. The Honour Caps awarded since 1917 are:—

1917—W. S. Bain

F. S. Bradhurst

S. G. Webb

S. H. Willsher

1918—S. G. Webb

1919—K. McCredie

S. J. Burt

THE RECORD.

1920—G. Robertson

T. Housden

1924—S. C. King
1926—K. C. Hardy
1932—R. Clark

Centuries.

Some persons have the erroneous impression that the century made by L. C. Hynes in 1930 was the first century scored by S.H.S. in the G.P.S. Cricket Competition. We would, therefore, like to correct this impression and provide herewith a list of all centuries gained by members of S.H.S. 1st XI's:—

10/11/1909—J. Bogle, 100 n.o. v. Newington.
20/10/1909— — Body, 101 n.o. v. Cleveland Street.
24/11/1909—J. Bogle, 121 v. Shore.
19/10/1910—J. Bogle, 123 retired v. St. Ignatius.
16/11/1910—O. D. Oberg, 104 retired v. Training College.
19/11/1910—O. D. Oberg, 132 v. St. Joseph's.
19/11/1910—R. Bardsley, 148 v. St. Joseph's.
3/3/1911—O. D. Oberg, 150 n.o. v. Chemists.
29/10/1913— — Cook, 113 retired v. Fort Street.
3/2/1915—L. F. Claremont, 127 v. Technical High.
18/10/1916—J. Clemenger, 170 v. Fort Street.

OLD BOYS AT THE UNIVERSITY.

Several scholarships and prizes at the Sydney University have been won this year by Old Boys.

K. H. Hartley, B.A., was awarded the French Government's Travelling Scholarship.

E. G. Pont, B.Sc. (Agric.) was awarded the Walter and Eliza Hall Research Scholarship.

J. G. Crawford, B.Sc., was awarded the Economics Research Scholarship.

W. A. Hillman won the Haswell Prize for Zoology 1.

I. A. Butler won the John D'Arcy Memorial Prize in Public Administration.

W. J. McElrea won the Smith Prize for Physics 1.

F. S. Brett won the University Prize for Geology 1 (aeq.).

Student Elections.

Several Old Boys have been elected to posts of honour at the 'Varsity.

Students' Representative Council.—H. H. Wiedersehn, Dip. P.A., is the only Old Boy on the S.R.C., the supreme body in student affairs. Mr. Wiedersehn is Senior Vice-President and Honorary Treasurer, and is serving his second term of office on the Council.

Undergraduates' Association.—H. Rees, representing Agriculture, is the only Old Boy on the Undergrads' Committee.

Evening Students' Association.—There are six Old Boys on the E.S.A. Committee. H. H. Wiedersehn, Dip. P.A. (President), R. Edleston-Pope, Dip. Comm. (Honorary Secretary), B. L. Moses, B.Ec., J. Chapman, I. A. Butler, and T. Pauling.

THE RECORD.

Festivals Committee.—H. H. Wiedersehn was Chairman of the Festivals Committee this year, and R. Edelston-Pope was Director of the Festival Dinner.

Economics Society.—The Old Boys on the Economics Society Committee are I. A. Butler, V. W. Hyde, B.A., H. H. Wiedersehn, Dip. P.A., E. W. Hyman, and T. Pauling.

Agricultural Society.—B. C. Gardiner is a member of this committee.

Cricket Club.—S. G. Webb, B.A., LL.B., is President of the Cricket Club and its delegate to the N.S.W. Cricket Association.

Athletics Club.—M. F. Albert is Vice-President, J. P. Metcalfe is Honorary Treasurer, and R. E. Ashbarry a member of the Committee of the Athletics Club.

Boat Club.—E. L. Pilkington, B.Sc., B.A., is a Vice-President, and C. E. Hughes, B.D.S., is a member of the Committee of the Boat Club.

Tennis Club.—V. W. Hyde, B.A., is a member of the Committee of the Tennis Club.

University Degrees.

The following Old Boys had degrees conferred on them at The Conferring of Degrees at the Sydney University on 6th and 13th May:—

Master of Arts—M.A.: *

Farrell, Ralph B., First Class Honours and University Medal in German; Woolley Travelling Scholarship.

Hartley, Kelver H., French Government Travelling Scholarship.

Bachelor of Arts—B.A.:

Clarke, Arthur H., Second Class Honours in French and in German.

McKibbin, Arnold W.

Odgers, John K.

Robinson, John B.

Silk, Eric C.

Bachelor of Laws—LL.B.:

Jones, Dudley F., B.A., Second Class Honours.

Bachelor of Science—B.Sc.:

Saxby, Colin A., Third Class Honours.

Harrod, Ross M.

Stening, Samuel.

JOTTINGS.

H. F. Halloran has been elected a Fellow of the "American City Planning Institute," the world's greatest body of its kind.

* * * *

Professor F. A. Todd, one-time President of the Old Boys' Union, recently wrote some fine articles on Italy of the Roman period.

* * * *

J. B. Telfer and L. Egar have been appointed members of the Public Service Board.

* * * *

Sam Stening gained his medical degree at the recent examinations.

* * * *

W. N. Myers has been appointed Chief Electrical Engineer for the Railways.

* * * *

C. A. Fairland was recently re-elected to the Hunters Hill Council, on which body he has served for many years. He has also been re-elected Vice-President of the N.S.W. Rugby Union.

* * * *

Old Boys appreciate beyond measure such actions as the presentation of fifteen volumes of the "History of English Literature" to the school Library by the members of last year's Fifth Year when leaving the school. Well done, lads!

* * * *

Thanks are due once again to P. Moses, F. S. Bradhurst, H. F. Halloran, and Miss Iris Millikin for having much typing done for the O.B.U. Also to J. B. Calvin for having some of our circulars run off.

THE RECORD.

The school's most famous Old Boy, Professor Grafton Elliott Smith, and brother of the O.B.U. President, has been appointed Fulleraian Professor of Physiology of the Royal Institute at London.

* * * *

J. G. MacLaren, B.A., C.G.M., was appointed Secretary to the Commonwealth at Australia House, London, and sailed early this year.

* * * *

Old Boys admire the spirit of Brian Badgery, who insisted upon being carried in to the L.C. Examination last November, although both his legs had been broken in a recent accident.

* * * *

J. A. McIntyre was recently appointed Apprenticeship Conciliation Commissioner.

* * * *

A. E. Waddell presented the school with etchings of the two previous school buildings, which have been hung in the foyer of the school, and one small set of the three buildings.

* * * *

D. W. Barclay, who was member of the O.B.U. Council in 1932, has been transferred to North Broken Hill Commercial High School. Mr. Barclay was a member of the Social Committees of 1930, 1931, and 1932, and has been active in all the O.B.U. play and dance organisations of recent years. At the University he was Hon. Secretary of the Evening Students' Association, a member of the Students' Representative Council, and Chairman of the Festivals Committee last year.

* * * *

J. R. Nield has been appointed an Acting Judge of the Supreme Court.

* * * *

A. L. Clay, B.V.Sc., has been appointed Veterinary Surgeon to the Department of Agriculture.

* * * *

C. E. Hughes, B.D.S., one-time all-rounder at the S.H.S., was one of last year's graduates in dentistry. At the Varsity he had a distinguished sporting career, playing rugby, cricket, and golf, besides winning his rowing "blue" three years in succession. He is also an expert in Scottish dancing, piping, and marching, and has a tremendous list of winning achievements registered at Highland gatherings.

* * * *

The O.B.U. officials would like to place on record their appreciation of the assistance which has been rendered to them by Government officials, especially of the Education and Agriculture Departments, on the many occasions when they have come in contact with the Government departments.

your play-ground with—*

STRAD RADIO

All tones of music are richly preserved,
every accent and inflexion of speech
faithfully reproduced.

A STRAD SUP-HET. 5 VALVES

RECEPTION AS CLEAR AS CRYSTAL.

7-prong Penthode, 3—6-prong Screen Grid Valves,
Amplion Dynamic Moving Coil Speaker, Gramo-
phone Pick-up attachment.

Price **£16/16/-**
Terms Arranged

FIRST CHOICE FOR ECONOMY AND
DURABILITY.

The sheer delight and amazing efficiency will at
once convince the most exacting enquirer that the
"Strad" is a unique production in low-priced radio.

Marcus Clark & Co. Ltd.

Central Square, Sydney

THE RECORD.

C. A. Rodgers, B.Ec., was moved at the commencement of this year to the staff of the Parkes High School. At the University he held many posts of distinction, having been on the Economics Society Committee for two years, the Evening Students' Association for two years, being Honorary Treasurer at the time of his transfer; on the Union Debates Committee for three years, and the Union House Committee for two years.

* * * *

Col. R. H. Beardmore, B.A., has been appointed a member of the State Superannuation Board.

* * * *

V. C. Browne was married in March. Congratulations!

* * * *

J. Spence, B.A., LL.B., Auditor-General, was appointed Chairman of the committee to assist the Government in framing new legislation to simplify the taxation laws.

LITERARY CONTRIBUTIONS.

A special issue of "The Record" is being compiled for the Jubilee celebrations in October. Consequently, all literary contributions are being held over till then.

The fiftieth birthday of the school is a great event in its history, and the Jubilee "Record" should be an outstanding one. Every boy should do his bit towards this by sending in a contribution.

—THE EDITORS.

THE S.H.S. DANCE BAND.

About this time last year, two chaps in the school, Stan Brown and H. Doyle, set out to make up an orchestra to "help the school, and to save it some expense," they said. It happened that two essential units of any orchestra were at school at the time, namely, F. Finklestein, Saxophonist, and Doug. Grosvener, trumpeter. "Fink." was already a saxophonist in a popular Bondi jazz band, so his services and knowledge were invaluable to the others. A pianist was secured also, and the pioneers set out, practising on tunes that had died natural deaths long ago. The general criticism of the listeners was not very appreciative. Three months later the same listeners marvelled at the improvement. Then the time came to offer their services to the P. and C. Organisation.

The band was given a trial on G.P.S. night—they were highly successful. Their first big order soon came, and they were asked to supply the music for the last dance of the year—the "White Dance." Again they were successful. The time was perfect, but the harmony was at times a little astray, and the S.H.S. Dance Band became established in the eyes of the school and also in the eyes of the P. and C.

THE RECORD.

The band was not heard again at school until it appeared at the recent Old Boys' play, "Thark," rendering popular selections. Several additions had been made to the combination. The orchestra now consists of F. Finkelstein (violin and saxophone), leader H. Doyle (trumpet), D. Grosvenor (trumpet), S. Brown (saxophone), J. Macdonald (violin), L. Blashki (saxophone), E. Watson (banjo), H. Conway (pianist), A. Mann (Trombone), and L. Opitz (drums)—ten players in all. At our recent fete, the dance band was again in prominence, and dancers appreciated the perfect time.

Contrary to expectation, the band did not perform on Regatta night. The orchestra is now first-class, and will feature prominently at this year's dances and festivals. Dancers, then, can look forward to future fixtures, and will enjoy that which we have sometimes lacked in the past—a good jazz orchestra.

ROBIN H. JANSEN.

S.H.S. PICTURE SHOW REPORT.

Just before the School Fete Mr. Saxby's attention was drawn to the fact that the cinematograph had scarcely been used since its installation, and it was pointed out that it might be utilised as an educational asset and a source of revenue to the school.

Due to the interest displayed by Mr. Beveridge, of Greater Union Theatres, a very good programme was obtained at short notice for the School Fete. Invaluable service and advice is being rendered by him to those concerned in the management, and we take this opportunity of extending our gratitude to him. We also wish to mention Mr. Watts, of General Theatre Supplies, who re-conditioned the machine, for which service we are very grateful.

Letters of thanks were also written to the film companies for supplying the films free, to General Theatre Supplies for their services, and to Mr. Baker, who assisted at the piano both on Friday and Saturday of the Fete.

The "White Hell of Pitz Palu" was screened on the last day of school before the Easter holidays. Owing to the absence of 25 per cent. of the boys, the attendance was not as good as might have been, but those who saw the show described it as an excellent programme. The management desire their thanks for the interest displayed by the members of the school, and we intend to maintain this high standard of programme. In passing, we wish to announce that "Ben Hur" has been booked for screening.

Interest has been engendered in the probable installation of a talkie picture machine for the school; this is only a possibility, which we hope will be realised during the Jubilee Year.

Although this picture show is a new movement in the school, a firm footing has been established, and we soon hope to see a balance

THE RECORD.

on the sheet, for we still have a few pounds to pay off on the machine.

Mr. Wilmott is in charge of the projector, and has rendered great assistance to the operators, for which they are very grateful. The operators are looking for two or three boys from the senior school who will be instructed in how to work the projector, in order that they may carry on when the present operators have left.

The staff necessary to organise and conduct the performances is considerable in size, all the school prefects participating, as well as several others. We wish to thank heartily all those who help, particularly the two boys who so willingly paint the posters, and those who supply the music.

Just a word to you, boys: S.H.S. is the only school in Australia which has the privilege of a moving picture projector of its own, so make the best of it and assist the school by attending screenings arranged for you. Do not forget that you are entertained at the same time, so you are repaid for saving that threepence up.

THE MANAGEMENT.
