Views of the Quadrangle.

THE RECORD

THIS IS YOUR SCHOOL

Three things that have happened in 1969 are, I am sure, giving us all considerable pleasure —

- the commencement of the new building,*
- the re-surfacing of the tennis courts,*
- the beautification programme in the quadrangle, in the gardens and in the vestibule.*

Our grateful thanks go to the Department of Education for the first two: their purpose is to provide needed services and amenities.

The third, however, is something that comes entirely from within the school and all credit goes to the staff member and a number of boys for their imaginative and unselfish work. Before school, after school, at week-ends and even during vacations these good people have worked quietly and devotedly. The result is their pleasure and their reward.

This result, let us assure them, also gives us all pleasure — and, I hope, a renewed pride in our School and its surroundings. And with this pride should come an increased sense of ownership. The School belongs to us, to you, to every single one of you. The grounds, the gardens, the quadrangle, the buildings and everything in them — the furniture, the pictures on the walls, the books that we use in the classroom and in the library — these all belong to you, to every one of you.

Look around you and renew your pride in what is yours. And as you feel proud, and as what you see gives you pleasure, resolve that you will not spoil any of it, not the smallest part of it, rather that you will yourself, do something, to improve these physical things that are essential parts of our School.

You have all seen unfortunately, even here within the School, acts of vandalism. Sometimes these are careless, thoughtless acts, sometimes they are even vicious. But they never occur when people feel a sense of ownership and of pride — so they should never occur here.

You have a wonderful School — care for it proudly!

M. R. CALLAGHAN,

Headmaster.

STAFF CHANGES

During 1968-'69 the following members of staff left Sydney High: Messrs. F. Gallie, M. Jenkin, M. Musleah and C. Wegener accepted positions as Subject Masters; becoming Special Masters, Mr. J. Rigby left after some 16 years at S.H.S., and will be remembered for his work in cricket and at the Union Office, and Mr. F. Fielding after 10 years as Sportsmaster; Messrs. H. Congreve, P. Butler, were transferred to other schools; whilst the following went interstate or abroad to further their studies and accept teaching positions, Messrs. G. Sims (Malaysia), K. Cowan (Canada), R. Coupe (Europe), J. Haynes (W.A.), L. Banbury (England) and M. Page (W.A.). Mr. R. Cunningham took up a position in Adelaide.

The good wishes of Sydney High go with each and every one of them and we all trust that they will have the fullest success in their new fields of activity.

The school welcomes the following teachers appointed to the staff during the same period: Mr. I. McLeod from England as Classics Master, Mrs. F. Stone, Miss M. Ford and Messrs. R. Gouttman, R. Cunningham, J. Moore, J. Callaghan, D. Mowbray, P. Olde, R. Melrose, K. Mogenson, M. Green, J. Tierney and D. Kerns (from U.S.A.).

DISTRIBUTION OF "THE RECORD"

This magazine is distributed to a large number of schools throughout and beyond Australia. In N.S.W. it reaches eight G.P.S. schools and 93 State High Schools, of which 37 are metropolitan schools. It is also sent to several other schools and colleges throughout N.S.W., including the Methodist Ladies' College, Sydney Church of England Girls' Grammar School, Waverley College, St. Pius X College, Hawkesbury and Yanco Agricultural Colleges, and N.S.W. University. Interstate, the magazine is sent to Melbourne, Adelaide, Hobart, Marion (S.A.), and Port Pirie High Schools, Ivanhoe Church of England Grammar School (Melbourne), the Royal Australian Naval College, Jervis Bay, and the Royal Military College, Duntroon.

The overseas circulation is as follows: Christchurch Boys' High School (New Zealand), Balfour Technical School (Canada), Glace Bay High School (Canada), Glasgow High School (Scotland), Jeppe High School (South Africa), Marlborough College (England) and Scott Collegiate Institute (Canada).

TEST YOUR WITS

WHAT'S GOT FOUR LEGS AND FLIES?

Unscramble the three jumbles below, one letter to each square, to form three ordinary words:

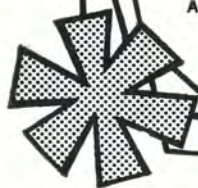

TEBS
□ ○ □ □

HOSLOC
□ □ ○ □ ○ □

RAGE
□ □ ○ ○

Arrange the circled letters for a 2-word answer:

□ □ □ □ □

UNSCRAMBLE THE ABOVE LETTERS INTO WORDS

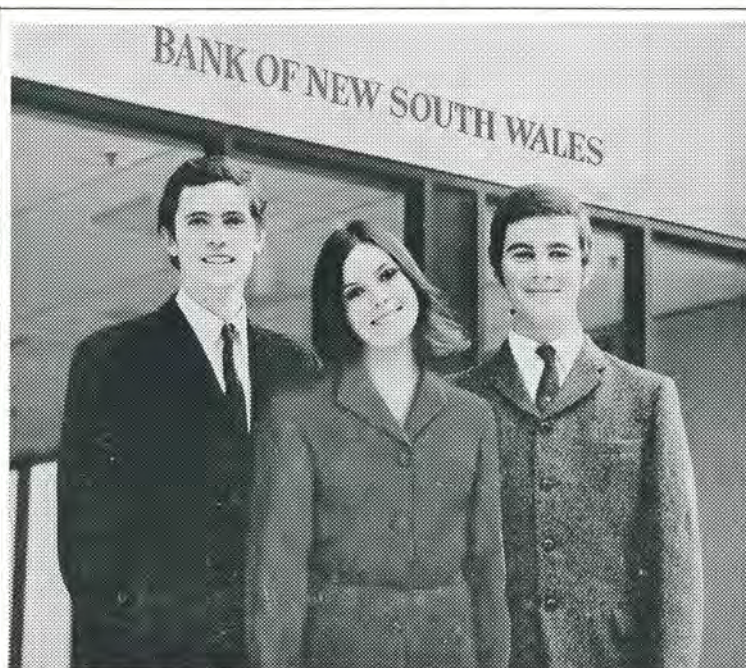

There isn't any prize offered, but you can have fun with parents and friends; time yourself when competing to find the solution to this puzzle.

OPPORTUNITIES WITH CSR

The Colonial Sugar Refining Co. Ltd. will have vacancies for staff appointments in 1970.

THE CSR COMPANY

CSR is one of Australia's largest industrial and commercial organisations. It employs about 12,000 people in Australia, New Zealand and Fiji. The company's main business is the manufacture and marketing of raw and refined sugar and sugar products, building materials and industrial chemicals. The company also has important interests in mining such as those at Mt. Newman, W.A. and Gove, N.T. The company and its subsidiaries operate 55 factories.

CSR OFFERS AN EXCITING FUTURE

CSR offers a wide range of opportunities in a modern, widely diversified and constantly growing company. The many fields of work include:

- accounting, finance and commercial work**
- agricultural research**
- chemistry and chemical engineering**
- engineering**
- field staff**
- marketing and sales**
- research and development**

all of which can lead to responsible and challenging positions in top management and administration.

TRAINING

All newly engaged officers receive training appropriate to their work. The company's training programme includes:

- Formal courses in tertiary education at a university or other teaching establishment. Officers start their courses on a part-time basis but may take opportunities to complete them on a full-time basis. (Each officer's course largely depends on his final school examination results.)
- An organised plan of training and rotation of appointments to give wide experience of the many different facets of work in the company.
- A programme of development, including internal training courses, to encourage young men of ability to better equip themselves for promotion.

Salaries paid to CSR staff members compare favourably with general industry standards. The company has a well established superannuation fund and, for married officers, a generous house advances scheme.

APPLICATIONS

Applicants must have obtained the Higher School Certificate, or equivalent, or be sitting for the examination in 1969.

They should submit hand-written applications, preferably before the end of October, 1969, to:

**The Chief Staff Officer,
The Colonial Sugar Refining Co. Ltd.,
1-7 O'Connell Street, Sydney. 2000**

THE RECORD

THE SCHOOL CAPTAIN WRITES

Contrary to some opinion the school returns all the essential advantages of the past. Academic and sporting standards are maintained. In addition there has been an increase in extra-curricular activities, such as the "Electronics" and the "Committee of Nine" Clubs, which help to broaden the interests of the students.

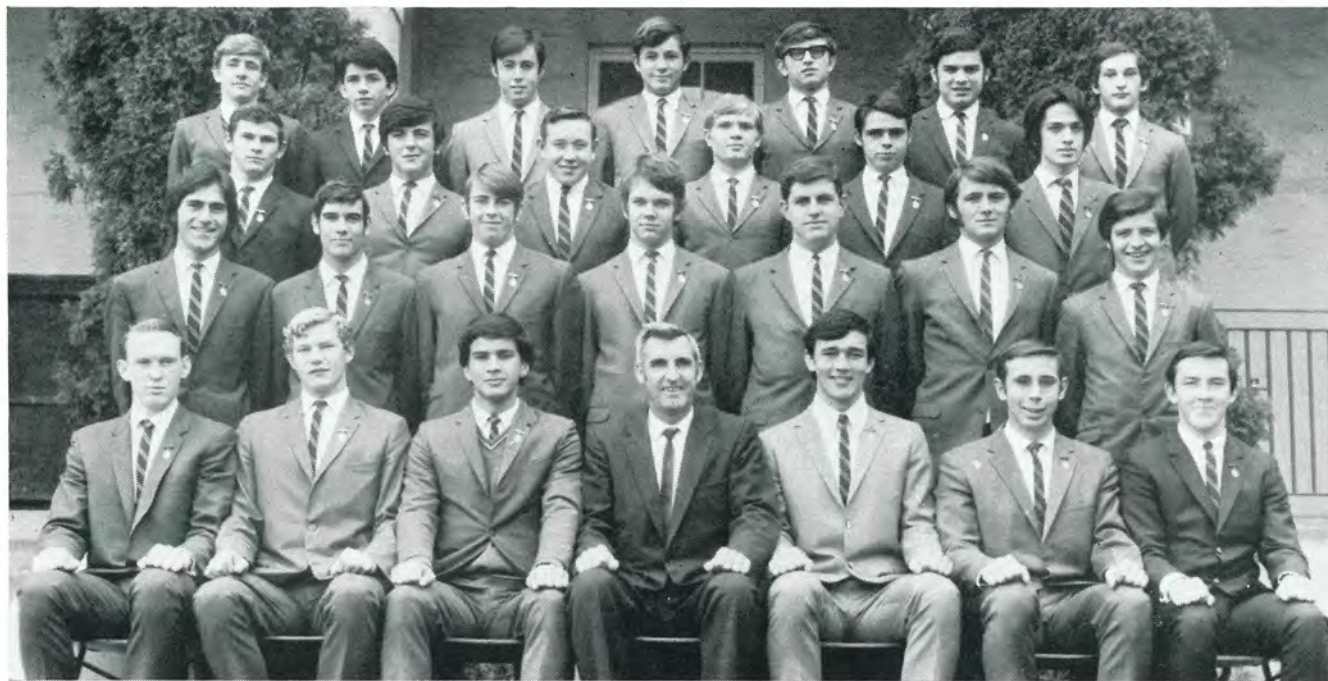

The effect of an extra year at school has had some interesting developments. The most important of these has been the increased freedom of the Senior Forms. This helps to promote greater independence and individuality in the students.

It would seem that in spite of this many students fail to take full advantage of the opportunities offered. If the students undertook a greater responsibility in the school they would be equipped and more capable to find their place in society.

THE RECORD

SCHOOL CAPTAIN

Captain of the school for 1969 is Alexander Tzannes. The spirit and dedication with which Alex has applied himself to his duties has earned him the respect and admiration of his fellow pupils and staff alike. Through his years at Sydney High, Alex has built up an impressive sporting and academic record.

As well as sitting for Level I passes in Art and English, this year saw Alex complete his third season in the First XV and also captain of the First XI; his selection as a reserve for the combined G.P.S. football squad was a fitting climax to a fine career in school football. Also active in extra-curricular activities Alex was president of the Interact Club this year and played the leading role in the Drama Club's presentation of "Oedipus Rex".

Alex has led the school admirably, has headed a very fine body of prefects during 1969 and undoubtedly will bring credit to his school for years to come.

SCHOOL VICE-CAPTAIN

The enthusiastic support which Barry Jakeman has given to the school has well justified the faith placed in him as Vice-Captain of the school.

An outstanding and versatile sportsman, as well as a dedicated scholar, Barry was Vice-Captain of the First XV and was selected in the combined G.P.S. First VX; he was also a member of the First Grade basketball team and has proved himself to be a more than competent athlete and swimmer.

Barry's easy going personality and capable leadership have won him many friends and he has proved an excellent example for the school to follow.

W.J.F.

BARRY JAKEMAN

THE RECORD

SENIOR PREFECT

Steven Murchie this year has certainly upheld the high standard set by his predecessors, giving able support to both Alex and Barry. He has a feat that will probably never be equalled—rowing in the senior VIII and playing for the XI and First XV; at the same time Steven has maintained a creditable scholastic record. All who know Steven are struck by his outgoing personality and enthusiastic endeavour to give of his best.

R.B.T.

STEVEN MURCHIE

PREFECTS, 1969

A. Tzannes (Captain), B. Jakeman (Vice-Captain), S. Murchie (Senior Prefect), G. Barr, R. Bartlett-Taylor, T. Booler, J. Brabant, L. Dunn, W. Foley, M. Garside, S. Giadina, G. Hardacre, D. Hinds, R. Lawrence, M. Livingstone, R. McCormick, C. Miller, E. Morgan, P. Paitry, D. Paling, R. Piggot, A. Reid, B. Russell, G. Russell, J. Warr, C. Whelan, D. White.

SPEECH NIGHT, 1968

The 85th Annual Speech Night was held on December 10, 1968, when the school was honoured by the presence of many distinguished guests, in particular Sir Harold Wyndham, Kt., M.A., Ph.D., and Lady Wyndham. This was Sir Harold's last official visit to a departmental school before his retirement as the Director-General of Education in N.S.W. Mr. E. C. Colman, Esq., B.A., Dip.Ed., Director of Education, Central Metropolitan Directorate, was in the chair. Sir Harold Wyndham delivered the Occasional Address.

THE RECORD

In his annual report the Headmaster began by welcoming all who were present. He gave a review of Sir Harold Wyndham's achievements, paying tribute to him for his part in the success of the Wyndham Scheme.

The Headmaster then went on to point out that the name of Sydney High School had lost none of its prestige in 1968. He farewelled the 11 teachers who left at the end of 1968, mentioning in each case their various services to the school. He reported that many activities and events had taken place during 1968, too numerous to mention, but he commended all these activities to the pupils and parents, advising that every pupil should take advantage of what is offered to him at the school.

In conclusion he reported that, as from 1969, the award of the School Certificate would depend not only on examination results, but also on a cumulative record, translated into an assessed mark in each subject. This, he noted, would reflect the pupil's total performance, and the use he had made of his opportunities.

A very pleasant programme of choral and musical items was presented by the school Brass Band under the direction of Mr. C. D. Goodchild, the School Orchestra under the baton of Miss Harvey, and the School Choir — conducted by Mr. F. Murphy.

P.C.G.

SIR HAROLD WYNDHAM

FATHER AND SON DINNER

The eighth annual father and son dinner was held this year on June 25. Steve Murchie said Grace, so enabling us to begin the serious task of consuming the well-cooked food prepared by a small group of mothers to whom our thanks are gratefully extended.

A choir of First Form boys, under the direction of Mr. F. Murphy, then presented an entertaining jazz version of *Jonah and the Whale*. Following dinner, Mr. Merv. Wood, a distinguished Old Boy and three-times Olympian, spoke humorously about his various rowing experiences. Then we were entertained by a young singer, who was engaged after Mary Jane Boyd fell ill at the last moment and found herself unable to attend. She was accompanied by an organist and pianist along with Steve Fenton on drums and Tony Reid on guitar. Together they presented numbers such as *To Sir with Love* and *Harper Valley P.T.A.*

In all, it proved once again to be a most enjoyable evening.

A.C.

THE RECORD

BRASS BAND

Back Row: L. Liskowski, D. Ling, I. Madden, R. Orr, P. Barr, P. Bazzanna, S. Sergestroen.
Middle Row: M. Cordato, G. Brand, P. Gerber, I. MacPherson, R. Evans, M. Gerber, P. Warrimer, P. Perrie, A. Douglas.
Front Row: G. Eldering, T. Baret, S. Kenny, T. Disher, D. Woods, T. Sakalidis, S. Martin, B. Carpenter, G. Gardiner.

CHOIR

Back Row: S. Simeon, J. McGrath, I. Bray, J. Harris, P. Faulkner.
Third Row: B. Banwell, G. Skernig, J. McGuigan, S. Coe, I. Brigden, C. Freeman, M. Barr, S. Lynan.
Second Row: P. Bell, J. Bloomfield, G. Gill, C. Sherwood, J. Dellatolla, L. Llewelyn, S. Judd, T. Disher, M. Fatouris.
Front Row: I. Finlayson, M. Mcss, P. Gerber, D. Ling, Mr. F. Murphy, R. Waddell, B. Evans, B. Welsh, C. Gardiner.

THE RECORD

CHOIR

In view of the number of obligations which the Music Department has to meet, choral activities have had to be curtailed this year. However, a small group of boys from First and Second Years sang at the Welcome and Reunion Evening held in the Great Hall in March. The items included Keel's "*Windy Nights*" and Sculthorpe's "*Sea Chant*".

The traditional fare for the Father and Son Dinner is music in a somewhat lighter vein and this year's items included a piece for the treble voices and piano entitled "*The Jonah Man Jazz*". The programme for third term includes performances at the annual Church Service and Speech Night.

F.M.

BRASS BAND REPORT

This year has been one of varying success for the School Brass Band. The year started well with a City Council engagement in Green Park, opposite St. Vincent's Hospital, on February 23. Items included such popular numbers as "Puppet on a String" and "The Black and White Minstrels". The band was helped on the day by enthusiastic old boys Peter Kelley, Warwick Beard, Greg Hunter, Robert Evans, John Pretty and Gary Dodds, who also made transport available for the engagement. Pat David, Jerald Barry and Geoff Embleton all from Waverley Municipal Band, helped to reinforce our band also.

On April 24, the School Band provided music for the school Anzac ceremony, under the baton of Mr. F. Murphy. During the afternoon of this day, eight members of the band played in a Combined Secondary Schools Military Band which accompanied a special Anzac service for schools at the Hyde Park War Memorial. Two members of the band later represented S.H.S. in a similar type of military band and orchestra which played at two Combined Instrumental Festivals held in the Sydney Town Hall, during June.

Two contests were entered in this year, the State "B" Grade Junior Championships and the School Band Championships. Our School Brass Band was the host at the latter contest, which was held in the Great Hall.

In the junior championships the School Brass Band gained third place in the tone test playing "All in the April Evening", and its final placing in the contest was fifth. In the school championships there was a slight improvement in playing, but it took quite a while for the band to "settle down". Second place in the march was gained, playing "St. Kilda", whilst the final placing was once again fifth. The band attempted a very ambitious selection, "Homage to Pharaoh", this year, which gave the band invaluable experience for more successful contesting next year.

After six years of enthusiastic playing, B. flat bass players Tasso Sakilidis and Steven Martin are leaving the band. It is unfortunate that the band will be losing players of such high calibre.

THE RECORD

Junior boys, with an interest in music are always invited and encouraged to join the band to fill the spaces left by Sixth Form players.

For the rest of the year the brass band will be preparing for the Cadet Unit's Annual Ceremonial Parade, and the school's Annual Speech Night, and will be increasing its repertoire for next year's engagements.

Finally the Brass Band would like to thank Mr. Goodchild, the man who keeps the band going, for his hard work and encouragement during this our eighth year of formation.

B.D.E.

OEDIPUS REX

The cast was Oedipus, Alex Tzannes; Jocasta, Michele Chapple; Creon, Colin Whelan; Tiresias, Tony Reid; Shepherd Boy, Ron Ehrlich; Priest, Ashley Deacon; Messenger, Sam Dando; Shepherd, Stephen Layman; Attendant, Mark Livingston; Antigone, Kim Wilson; Ismene, Rhonda Barren; Attendants, M. Hurst, I. Luxford; Citizens, F. Kunjusz, M. Symonds, V. Bryers, C. Henning, M. Morris, G. Ricketson, D. Blomberg; Chorus, F. Allen, S. Bogner, D. Campbell, A. Deacon, G. Dunn, J. Ehrlich, M. Falk, H. Glatstein, S. Jones, C. Prince, S. Rumsey, P. Stern.

The Production Team was: Set, Mr. A. Dyball, G. McLean, Miss M. Ford; Lighting, R. Hotson, M. Fielder, G. West; Sound, I. Coss; Costumes, Mrs. F. Stone, Mrs. Clark; Programmes, Miss M. Ford; Box Office, Mr. J. Moore; Stage Management, C. McGrath; Production, Murray Foy.

In July, with the co-operation of the Randwick Girls' and the Randwick North High Schools, members of the senior school presented three performances of Sophocles' **Oedipus Rex** directed by Mr. Foy.

Were we to describe this production in terms of a "school" play, we would undoubtedly search for superlatives and hail it as brilliant. But such an approach would be unnecessarily patronising. Judged solely in the light of its own achievements, it was a good production. Indeed, it would be more unjust were we to compare the achievements of Mr. Foy and his cast with the embarrassing efforts of those Sophoclean misfits in that other "professional" production at Sydney University.

The difficulty in producing such a metaphysical play as **Oedipus** is in conveying its **universals** effectively and meaningfully for a modern audience — how to bridge the gap of time. And there are many who believe that the conventions of Greek tragedy cannot be effectively presented. On this occasion they were proved wrong: the text did live and the Chorus was a part of the drama. Only occasionally were the choral comments boring, but even these moments did not hinder the principal actors or diminish the audience's involvement.

And seeing was believing. **Oedipus** is a powerful text and this production, on the whole, was exciting. One entered the doomed world of Oedipus and was held there; his experiences reached us (this part of the audience at least), in strains of fear and uneasiness. As sixth form students witnessing the **play** we forgot, for a brief moment, the **pseudo**-nature of much of our education.

THE RECORD

The performances of Alec Tzannes (Oedipus), Tony Reid (Tieresias) and Ashley Deacon (Leader of the Chorus) were outstanding, while the majority of the cast reinforced the professional approach of these actors. But there were moments, unfortunately, when we were reminded that some of the actors were schoolboys.

If the set, the costumes and the lighting went almost unnoticed, it was because they were part of the total impact of the tragedy. Yet when one recalls the visual beauty of the production, one realizes how much the people who created it contributed to the tone and meaning of the play itself. Colour, light and sound underscored the vibrant qualities of each turn of events in the tragedy.

Oedipus Rex is a challenging play for any group of actors and only a professional approach can do it justice. To be successful in an undertaking of this sort one must feel for it; otherwise it will look terribly affected. In this production Mr. Foy, the cast and the production team took up the challenge, and with such success that it almost seems incongruous that the play was performed in a school hall.

The production was also a financial success.

S.F., R.G.

"JULIUS CAESAR"

The scenes chosen for this presentation of "Julius Caesar" are sufficiently well-known to pass over without comment: and space precludes a detailed criticism of each actor's performance. Suffice it to say that the central scene was the diatribe delivered by Mark Antony, but executed in such a fashion as to translate a competent production into a piece of most exciting theatre. Without ignoring the solid effort of the cast as a whole, the performance turned in by Joe Weinstein was one of the most revealing and stimulating character portrayals I have ever seen in school theatre. I found myself completely caught up in the role of Mark Antony, which dominated by virtue of the script let alone its portrayal. This is not an easy part as the actor has to build up the speech carefully in tones evincing a surging emotionalism beneath a controlled surface quality finally realising itself in a welter of scarcely veiled invective. Joe achieved this most professionally.

In the opening scene the producer caught the interest of his audience by processing Caesar and his cohort through the auditorium drawing attention to the actors and so to the proscenium. The stage itself was impressionistically dressed with columns and a thematic bust of Pompey, a device rendered more effective by the use of pre-recorded sound and clever lighting. The principals proved on the whole well cast but special mention could be made of the crowd scenes which were most convincingly staged, indicating much skill beneath the apparent artlessness.

This then was a thoroughly enjoyable first of two exceptional productions from the English/History departments. But events behind the scenes were of even greater significance for while the cast was a large

THE RECORD

one, the enthusiasm of the production team was itself an apocalypse. The activity in the make-up and wardrobe departments was as hectic and exciting as the play itself. The rehearsed efficiency of the stage-hands and technicians added immeasurably to the quality. It is regrettable that the co-operation and enthusiastic response of all, under Messrs. Hodge and Whitehurst, was ad hoc. The cast and hands were for the while a team gaining useful insight into the art of theatre. This gives sufficient grounds for the contemplation of theatre as a more organised activity allowing continuity of experience both behind the footlights and the scenes. In this way such entertainment as we have seen this year may not be quite so occasional.

The Cast were:

Caesar: C. Henning.
Mark Antony: J. Weinstein.
Marcus Brutus: J. Sutton.
Caius Cassius: V. Bryers.
Metellus Cimber: N. Athanasou.
Popilius Lena: Mark Morris.
Decius Brutus: B. Hacobian.
Cinna: J. Wolfson.
Cicero: D. Hadzi-Pavlovic.

Trebonius: G. Ricketson.
Soothsayer: A. Sheldon.
Artemidorus: M. Symonds.
Antony's Servant: D. Blomberg.
Cinna (the poet): R. Lain.
Roman Soldiers: L. Jurman, D. Luscombe.
Senators: G. Cruikshank, I. Besomo,
P. Wertheim, E. Mycak.

Citizens: 1st, R. Orr; 2nd, W. Miller; 3rd, R. Smith; 4th, P. Jonson and
Halliday, A. Lewis, J. Coe, J. Loxton, G. Aroney, P. Huxtable, R. Lain, R. Pedley,
Quick, J. Thompson, D. Ling, B. Jelfs and M. Abeles.
The Production Team were:
Sound: R. Hand, A. Allen.
Lighting: D. Churchill, J. Churchill and K. Plummer.
Design: A. Whitehurst.
Stage Crew: D. Ling, B. Jelfs, D. Benson, T. Baret.
Production: B. Hodge.

W.C.L.R.

DEBATING REPORT

The senior team had some very interesting and at times very trying debates this year. Their original intention was to carry home the Humel trophy for the twelfth time in the history of Sydney High, but this was not to be. Against Randwick and Maroubra Bay the team, Samuel Dando, Stephen Fenton, Laurie Kohan and Len Limpus were successful, but against Vauluse they did not triumph.

Circumstances were not as auspicious as far as G.P.S. debates were concerned. However, both success and defeat have strengthened the team and each member feels he has benefited by his experience at High. We hope that the teams that follow in the years to come can equal if not surpass the qualities of the Senior Team, 1969.

It seems as if the Fifth Form team is on the way to doing just this. Once again they have triumphed over the "Skirts next Door" in the opening debate; the girls once again must acknowledge our superior debating skills. Our thanks to the adjudicator, Mr. Wilkinson. In the first debate against Maroubra Bay and Randwick, the team of Anthony Cordato, Ian Coss, Craig Gibbons, Leslie Szekely and Allan Wilkinson showed great merits, however, were unfortunate in their debate against Vauluse. Although not altogether successful in G.P.S.; they did achieve a remarkable victory against Scots — over a 40 point lead. Maybe next year they can win the competition.

THE RECORD

We cannot help but express our optimism in the abilities of our junior team; Dudley Ling, John Sutton, Peter Wertheim, John Wolifson, who have done exceptionally well this year. They were C.H.S. zone winners, and made it to the quarter-finals.

In G.P.S. they were successful against Scots but went down fighting to Kings and Grammar. What more could we want from this team!

Optimistic hopes for debating in future years have risen, and now seem realistic with the transforming of the dormant Debating Society. Teams have now been formed in each of the junior forms — this puts us equal with the C.H.S. schools who virtually teach the students "talking before walking", by the time the juniors reach Fourth Form they will have had three years of topics: history, achievement, politics, culture, philosophy, society and topics of a lighter vein. With this groundwork they will be ready for the competitions: no longer will our excuse for failures be "lack of experience".

But for the man who makes all this possible is behind the scenes, as are all organisers. The new debating season brought a new debating master, Mr. Tierney, to Sydney High. As a debating enthusiast he has undertaken the task of arranging our debates, organising the Society, and catering for the need of our prospective speakers. It has been our privilege to work with him and we extend to him our gratitude for making this season an enjoyable one.

THE ELECTRONICS CLUB

The Electronics Club, inaugurated at the beginning of 1968, under the leadership of Mr. Anderson, is affiliated with the Wireless Institute of Australia through the Youth Radio Club Scheme. It provides graded examinations on the general principles and application of electronics up to the P.M.G. amateur standard. The club also gives background tuition for these examinations as well as practical work.

The examinations so far attempted through the club have been the Elementary, Junior and Intermediate. Results from the two former have shown a high standard and pass rate; 30 candidates being successful. (The results from the latter have not yet been received). However, due to the range of members (the club is open to interested students from First to Sixth Form), the more advanced students are aiming to pass externally the examination for the P.M.G. Amateur Transmitting Licence. This has already been achieved by John Wolifson and several others in the club expect to sit for this examination soon.

As a result, a transmitter is now under construction and will be in use by 1970. This has been made possible, largely, by the availability of the newly completed club room, where personal practical work as well as work on the transmitter is carried out, during most lunch-times. The club room is situated at the back of the Chemistry Laboratory and necessary tools and equipment are available for club members use on their constructional projects.

Apart from everyday work in the club room, the Electronics Club meets in Dem. I on Mondays and Fridays for instruction and assistance from Mr. Anderson, and sometimes to listen to lectures given by members. The club is therefore open to all (particularly junior students) who wish to learn about, or are interested in electronics.

THE RECORD

THE STAMP CLUB

After an absence of two years the Sydney High Stamp Club resumed again during 1969. The main aim was to provide a meeting place for philatelists to discuss philately, buy, sell and exchange stamps.

The club has been patronised by mainly the junior school. Competitions have been planned with prizes of stamps.

I would like to take the opportunity to thank all those who helped to make the stamp club what it is and especially B. Kermode and T. Stuart whose assistance has been invaluable.

E.G.W.

CHESS CLUB

This year there has been a renewed interest in the school's Chess Club, especially in the junior Forms. Although there has been a decline in the number of senior members, the club was still able to enter six teams in the Chess Association inter-school competition — one A Grade, one B Grade, two C Grades and two D Grades.

The general results of the teams we have in the inter-school competition has proven most pleasing, notably "A" grade for obtaining second place in their competition. Even though the other teams did not fair so well we are looking forward to them using their new experience with greater effect next year.

We regret that Mr. Wegener, who has supervised the club in the past, was forced to leave the club when he left the school last year. As a result of this, the club was left without a teacher-in-charge for a number of months. However, this year Mr. Grant, of the mathematics staff, has taken over and is efficiently running the club's affairs.

Our thanks are given to the Headmaster and Deputy Headmaster, who have allowed teams to leave early to play at distant schools, and for the use of room 19, at lunch time and after school, for grade matches. Our thanks are also given to the School Union and the P. & C. for their financial assistance, and to Mr. Grant for his efficient supervision and running of the club.

The club extends an invitation to all those who wish to learn to play chess or who just wish to play a game, to join us in room 19 at lunch times.

H.D.

CHESS RESULTS

Competition Results: **A Grade:** North Sydney, 21½; Sydney High, 20; Meadowbank, 18½; Crows Nest, 0. **B Grade** (Division 2): North Sydney, 22½; St. Aloysius, 16½; Sydney Grammar, 15; Cranbrook, 12½; Sydney High, 9; Crows Nest, ½. **C. Grade** (Division 4): Merrylands, 26; Randwick North, 24½; J. J. Cahill, 21½; Grammar, 20; Cranbrook, 18½; High, 17; High, 13½. **D Grade** (Division 4): Moriah, 21; North Sydney, 16; High, 14; Enmore, 11½; J. J. Cahill, 10; High, 2½. **Best individual scores** (Boys' and co-educational schools), A Grade: A. Field (equal first). D Grade: M. Szwarc (equal first).

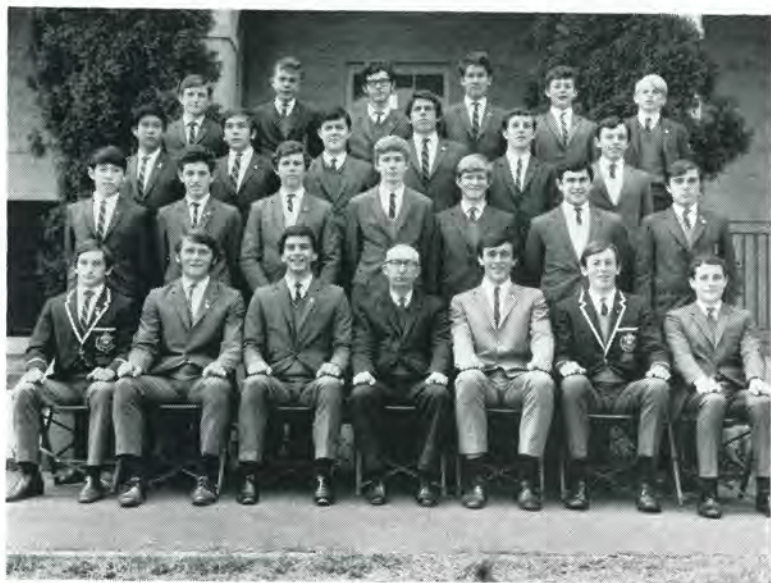

THE RECORD

INTERACT REPORT

Ever since Jon Isaacs formed the Interact Club four years ago, each year has brought increased success to the club. This year has probably been the most successful since the club's inauguration. The club this year was led by Alec Tzannes, as president. He was assisted by B. Jakeman (Vice-President), C. Whelan (Secretary), and M. Livingstone (Treasurer). Behind these four were a club, usually enthusiastic, always willing and reliable. The club functioned more as an entity this year rather than separate groups doing separate jobs.

The motto of Interact is "Service before self" and thus the main consideration of the club is service. In the preceding year the then secretary J. Firbank suggested that in his term too much emphasis had been placed on service, to the detriment of the other aims of the club. This year service was again put to the fore but the other aims (international understanding, interclub activities) suffered less. Once again the club provided helpers for separate stalls at the school fete. Life-line was our main beneficiary this year, with the club holding a door-to-door clothes collection and also donating a large amount of money (\$50).

The club sponsored a Japanese boy for six years of schooling. This

child, a promising pupil, comes from a family too poor to enable him to keep on studying. Interact paid \$65 to give this child a complete primary school education. The club also answered several letters from South-East Asian countries concerning questions about our club and country.

The club would like to thank Mr. J. C. Murphy for his advice, and Mr. Stevenson of Kings Cross Rotary Club for his help and encouragement which was of great benefit to all who had contact with him.

C.W.

INTER-SCHOOL CHRISTIAN FELLOWSHIP

I.S.C.F. is a subsidiary of the Scripture Union Movement, a non-denominational Christian group set up for Christ's work. This aim is also the aim of the I.S.C.F. in the school, to mature as Christians in the knowledge of Christ by Fellowship with one another and to make known to the rest of the school the love and joy that we have found in Jesus.

I.S.C.F. in the past year has not grown so much in numbers as in quality. Many have matured considerably to become capable leaders, strongly and firmly planted in Christ. Our deepest and sincere thanks must go to our counsellor, Miss P. Noller, who has spent so much time helping, organising and guiding continually throughout the year.

Meetings are held every Friday lunchtime in Room 6. Prayer meetings are held every Wednesday and Friday morning at 8.30 a.m. in Room 20. All are very welcome to come. Why not try it? You may want to come again.

F.D.W.

HISTORY EXCURSION TO PARRAMATTA

A group of boys from 3A departed on the 8th of August at 9 a.m. for a tour of the Old Parramatta. Mr. Hodge, who very kindly organised the trip for us, accompanied us. We arrived at St. John's Church, Parramatta, at 9.50 where we were greeted by Archbishop Loane, who had kindly agreed to tell us something of the story of St. John's Church which is one of the finest of the early churches.

Back in the coach we moved a short distance to St. John's Cemetery where we inspected the graves of some of the notable of Sydney's early history. We then travelled to the Experiment Farm cottage where we were met by Mrs. Berry, who guided us through the house which was 171 years old and still in fairly sound structural condition. Among the many original appointments was a cellar containing some of Ruse's implements and other period tools. Leaving here about midday, we went to the Lancer Barracks where we were shown Linden House and the contents therein. These were articles from the history of the Lancer Corps from 1835. We then inspected some old armament and construction equipment in the Barracks square. We had lunch in the Parramatta Park where we were shown old Government House and other points of interest. After about

THE RECORD

twenty minutes, we were taken over to Hampden cottage which was once part of Elizabeth Farm and is now in a small park. The highlight of this was the high amount of original appointments inside.

Our last stop was a quick look at the outside of Elizabeth Farm cottage which has not yet been opened by the National Trust.

We arrived back at school at 4.00 p.m. and left the driver after an interesting and enlightening tour through old Parramatta. We were very grateful to Archbishop Loane, The National Trust (and those therein), the coachdriver and, most of all, for the organisation by Mr. B. Hodge.

THE RECORD

HILL END EXCURSION

At 8 a.m. on Friday, April 18, 1969, about 45 Third Form boys and two teachers (Mr. Cunningham and Mr. Anderson) set out from the school in a luxurious Cotrill's Clipper Tours bus. After picking up Mr. Free near his home at Springwood, we forged on over the Blue Mountains and generally enjoyed the running commentary by Mr. Anderson on the formation of the Sydney Basin. Just before lunch we stopped at the historic Kelso Church and were there told many interesting facts by Archdeacon Ellis. We stopped briefly at Bathurst for lunch and were soon back on the road again. By 4 p.m. we reached the old boom town of Sofala where we met up with the advance party comprising Mr. Hodge, Mrs. Stone, Mr. Frazer and the six cooks.

After pitching our tents we had tea around 6 p.m. Following that we decided we were missing Sydney High so much that we had to hold a school assembly accompanied by a general sing-song. The next morning it rained, so we all piled into the bus and climbed the ranges toward Hill End. By 9 p.m. we were all, thanks to the kind-hearted Hill End citizens, settled in the warm, dry Civic Hall. Before lunch we were taken on a tour of Hill End and Hawkin's Hill by Norm Cross, a prominent Hill Endian and after lunch we were given an exhibition of gold panning and cradling by (Red) Jack Ellis, a local miner. We then drove out to Merlin Lookout, a short distance from Hill End.

We woke early Sunday morning to a new breakfast delight devised by our cordon bleu chefs, barbecued porridge. We were so happy with it we decided to share it with the local canines and adorn the local shrubs with its fragrant substance. We were then taken to within walking distance (5 miles!) of the Tambaroora roasting-pits. After that we limped through the "Golden Gully" and the historic Tambaroora cemetery, arriving back at Hill End just in time to attend a tree-planting ceremony, our token gift in return for the hospitality extended to us by the Hill End community.

Sunday afternoon was free and we all found many interesting things to do. That night it was obvious, by their rosy countenance, where most of the teachers had spent their afternoon. Next morning we had an early start in order to make "Maitland Camp", a sheep farm owned by one of Mr. Hodge's uncles, Roll Hodge. At the camp we saw sheep being crutched, some sheep dogs in action, a prize stallion and water being divined with two pieces of wire. We all lunched at a river crossing near Turondale where some of us braved the icy water, whilst most of the others commenced the Turondale Hydro-electric Irrigation Scheme, by building a dam across the river.

After a cheery trip we arrive in Sydney at 6 p.m.

P.C.

Another view of the Quadrangle.

THE SCHOOL GROUNDS

It is only when one is working on the school grounds that one realises how enormous they are and how much a full time gardener is needed.

In the meantime the school owes an enormous debt to the boys who give of their spare time at week-ends and even during holidays to do the many tasks essential for keeping only a section of the grounds in proper shape. The list is a long one and most of them prefer to remain anonymous, but they range from first formers to sixth formers.

The work these boys do has an educational value, too. A school ought not be simply a factory for ramming facts into *tabulae rasae*. That this is so is common knowledge. By helping with the grounds these boys not only get a better understanding of the concept of service, but they also become socially involved in the day to day running of the school so that the school becomes *their* school, rather than simply the school to which they go.

Because of its protected position, the most rewarding work has been done in the school quadrangle. The old twisted hydrangea stumps have been removed from the garden on the western side and this is now regularly planted with showy annuals. Other improvements have been made too, chief of these being the installing of the fountain given by the 1969 outgoing sixth formers. Here the school owes a very special thanks to Mr. Ivan Cvitkovic who gave freely of his time and skill to act as major-domo for this project.

THE RECORD

Looking after school grounds is always a frustrating job, but it is also a rewarding one. It is good to know that we are on the credit side and are able to look forward to next year with confidence thanks to the fine team spirit shown by High boys.

L.L.B.

CAREERS

The demands of expanding Australia have placed a considerable burden on the labour force in this country. Good wages are offered for practically any job that is in demand. Then where do you fit into this picture? What sort of job will you fill? You are confronted with a decision which asks you to decide between thousands of different sorts of employment. What will your choice be? Today offers opportunities that never existed before; today you can be selective as you like and still be financially secure; today offers you the chance to select the job that you would really like to do. Where do you begin?

In Third Form, the school arranges a test for you with the Vocational Guidance Bureau. They can tell you of your suitability for a particular range of jobs. This can help you narrow down the choice. Towards the end of that year, you receive *free* a copy of "Background to Careers" which contains information on most careers available. This enables you to frame your choice more knowledgeably.

From here until you decide to leave school, you are strongly urged to consider your future as earnestly as possible. Don't forget about it until the last minute because by then it will (most probably) be too late to enter the career of your choice.

In order to help you, I advise you to begin by trying to imagine yourself in a job. Then ask yourself: "Is that me?" Perhaps then you will be able to narrow down your choices. At this stage the careers adviser can help you with information from pamphlets and other sources and can perhaps enable you to crystallise your ideas.

Excursions can be arranged by the Commonwealth Employment Service during the holidays for "on the job" visits. There are careers exhibitions held at various times throughout the year, including an official Careers Exhibition held in the lower town hall in September.

But in the final analysis, the choice is entirely up to you. Remember to be wary of making a career out of a hobby because when a hobby becomes a job, the interest usually wanes. The criteria of a good job for you, are:

- Will the job be satisfying?
- Does it provide me with financial security?
- Does it offer scope for improvement?

It is a choice that can be arrived at only after consideration; you do not make a sudden decision about something which affects your whole future. Remember finally, that what you do at school, your classwork, your attitude, your behaviour, all play a part in forming habits which will help you enter a satisfying career.

P. M. OLDE (Careers Adviser)

CADET UNIT

A Cadet Under Officer's Grandfather

C.U.O. Jeremy Glass's grandfather, Benjamin Sidney Glass (1892-1959), was a member of the Sydney High School Cadet Unit 1907 to 1910. The following biography has been taken from "The Cadet and His Destiny" published 1911.

Lance-Sergeant BENJAMIN SIDNEY GLASS

(Late of the Sydney High School Senior Cadet Corps)

WINNER OF THE FIRST PRIZES IN BOTH STATE AND COMMONWEALTH ESSAY COMPETITIONS

Lance-Sergeant Glass, fourth son of Mr. and Mrs. Jacob Glass of Bulli, received elementary education at Bulli and Thirroul Public Schools, and early in life gave evidence of precocious talent for literary composition. Whilst a pupil of Thirroul Public School, he was awarded a State Scholarship, entitling him to three years' free secondary education at the Sydney High School. As a scholar at the Sydney High School, he was one of the first to join the then newly-inaugurated Cadet Forces and has since steadily won his way up from the ranks, gaining three stripes and the Marksmen's badge in November, 1910. As an essayist, his success was from the first assured. In the Cadet Essay Competition, set on foot by the late Colonel J. C. Neild in 1908 Lance-Corporal Glass, as he then was, easily carried off the first prize of £10 for the State of New South Wales. Recently, again he has succeeded in winning first place in a Cadet Essay Competition open to the whole of the Cadet-forces of the Commonwealth, together with a further cash prize of £40. Mr. B. S. Glass passed the University Junior Public Examination in June, 1909, and the University Senior Examination with Matriculation Honours in English in 1910. He is entering the legal profession, and here again he gives ample promise of a distinguished career, his name appearing first on the list of candidates in the Legal History Examination held in November of last year in Sydney, under the auspices of the Solicitors' Admission Board.

As regards the Essays themselves the first, it must be admitted, bears clear impress of the faults and tautologies inseparable from school-

S.H.S. CADET UNIT, 1969.

THE RECORD

boy composition, but the most carping critic must allow that the more mature effort of Lance-Sergeant Glass is a splendid achievement for a youth of seventeen.

O.C.'s REPORT

In this, my last report as O.C. of the Sydney High School Cadet Unit, I wish firstly to thank the members of the unit, the Staff and the school body as a whole for the assistance and co-operation extended to me as Officer Commanding during the last two years. Special thanks to Lt. A. J. Dyball 2IC/Trg. Offr., whose untiring efforts in all cadet activities have ensured them of success. Special thanks also to the C.U.O.'s and N.C.O.'s whose enthusiasm and capabilities increased as the year went on.

To see the Unit numerically strongest for 17 years with a fine stock of N.C.O.'s and Junior Cadets on the way up — to see the Senior Specialist Platoon providing Communications and First Aid Posts at Carnivals and other school activities is most rewarding, and knowing that the Unit faces a period of growth and development makes relinquishing command far from easy.

I wish the Unit well.

J. C. BROWNLOW, Capt., O.C., S.H.S.C.U.

REPORTS

Invitation Shoot

On Friday, May 2, a party of five Cadets from this School travelled to Marist Brother School, Parramatta for a small bore competition shoot. A particularly enjoyable afternoon resulted with some very good scores being obtained. Sgt. Hacobian of the Sydney High School Unit was the most consistent firer on the day although the Parramatta boys gave him some keen competition. Capt. Brownlow and Lt. Dyball accepted the Headmaster's invitation to dinner at the School following the shoot.

3 Bravo's Bivouac

Although not a direct Cadet Activity, this section decided they would like to taste the outdoor life following the disappointing cancellation of our Bn. Bivouac due to wet weather. The area selected was the Glenbrook region of the Blue Mountains. Headed by Cpl.'s Perry and Madden and L/Cpl. Pederson the party left Central Station at 0710 hrs. on Saturday morning. On arrival a camp site was selected and prepared. Following lunch, lessons were held in camp hygiene, bush camp constructions, during the lessons on camouflage and concealment. Capt. Brownlow and his family arrived and a very enjoyable barbeque was held.

Day two was used to explore the local region, a swim and a general relaxation. All the boys enjoyed the weekend and learnt a few ideas about living comfortably "in the field".

Adventure Training

The C.O. of 2 Cdt. Bde. has introduced an Adventure Training Award for 3rd and subsequent year Cadets. This course has just been completed by three of our cadets and the report appears below. The

THE RECORD

course is basically in three parts, rifle shooting, a confidence course and a navigation exercise.

From the 16th May to 21st May three cadets, C.U.O.'s Gerber and Keleman and C.Q.M.S. Bradford attended the newly introduced Adventure Course at Singleton. Cadets must be efficient in field craft and map-reading to succeed and must be physically fit to have any chance of completing the award. Five of the six days are spent in the field with cadets preparing all their own meals from one man ration packs. Before the actual exercise proper commences a series of "warm up" exercises are held. This exercise was approximately nine miles in length. Navigation was of extreme importance otherwise this distance could be easily added to. The first leg of the course was about five thousand yards in length and over hilly country, the hardest part then came with the ascent of Mt. Vere, approx. 1,000 ft. of hard climbing. The country is extremely rough and took its toll of cadets. The long walk home finished us and this was only the "warm up".

The confidence course is an obstacle course constructed about five miles from the base camp. The course, approx. 500 yards long is to be completed in four minutes forty seconds. The course consists of the crossing of logs across a creek bed, a seven foot wall to be scaled, an eighteen foot rope climb and descent, under barbed wire entanglements, through underground tunnels, up on over a cargo net, all this in full pack.

On May 19 and May 20 "Exercise Crunchy" took place. This exercise was held in the Pokolbin Ranges, an extremely rough and isolated section of ranges near Singleton. The Cadets were divided into six reconnaissance patrols which had to find out some information about the "enemy" who had been seen in the ranges from aircraft. On the 19th the patrols moved up the side of the ranges from a number of different start lines, along the ridges, through a checkpoint to a base camp in the Ranges, the night was spent here.

Each cadet carried a pack weighing about forty pounds as well as a rifle. The patrols had maps, compass, navigational aids as well as material to signal the helicopter if a medical evacuation was required. The helicopter was in the air most of the time and teams of medical orderlies were on stand by for the whole exercise. The helicopter was also used to locate and redirect lost patrols.

The hardest part of the exercise was scaling the steep sides of the mountain and in some cases a foot in the wrong place would mean a drop of hundreds of feet. The Sydney High cadets drew possibly the hardest course of all, the region called "Brokenback" a steep feature rising to over two thousand feet.

Although full results are not to hand at the moment all cadets agree that the exercise was extremely arduous and not all cadets managed to see it through. This will ensure a high standard is maintained for the Adventure Training Award which would do justice to any commando course seen.

Hint for future attempts — Make sure your boots fit.

THE RECORD

It is hoped that many more boys from this Unit will attempt this Award, a true culmination of a cadet's training.

Range Day

On Tuesday, 27th May, approximately 85 members attended a range practice at Long Bay Rifle Range. The Bren gun was fired first over a distance of 100 yards, and maximum scores were attained by Sgt. B. Hacobian, Cpl. B. Jelfs and Cdt. Priestly. The rifle was then fired over a distance of 200 yards and the best scores were attained by Cpl. Perry and Cdt. Wurz. Overall it was very successful and was ably organised and run by Lt. Dyball and Capt. McLeod.

Field Day

On the 27th June, 1969 the Unit went on a field day at Holsworthy. All recruit training was aimed at teaching the new cadets the basic tactics and fieldcraft missed through the cancellation of the first term bivouac. Senior cadets utilised the day as a revision of these facets of cadet training in preparation for camp and "Exercise Guerrilla". We were very fortunate on this day in that the weather conditions were not against us as they had been on the bivouac weekend: on arrival at the area the Unit was split into two groups (senior cadets under Capt. Brownlow and the two recruit platoons under Lt. Dyball), with the Sigs. Section supplying communications. After the morning training, which consisted mainly of the theory side of infantry tactics, the Unit moved back to the

Taking the salute.

THE RECORD

buses for lunch. The afternoon was used in putting into practice what had been learnt in the morning: the seniors having a minor infantry exercise and the juniors moving in sections under the supervision of Lt. Dyball and the two junior platoon C.U.O.'s.

All in all the field day can be regarded as having achieved its aim, judging by the results exhibited in Annual Camp, with the seniors performing creditably in the bush and the juniors showing great promise on their own exercise.

Note: Who was the bespectacled 5th Form *Cadet* who commandeered the Armoured Personnel Carrier?

Annual Camp

The highlight of the cadet year, the Annual Camp at Singleton proved to be the most successful for many years. This was due to a daily training programme organised by Lt. Dyball, an extended period in the field, air familiarisation flights and the fact that cadets themselves worked as a team and not as individuals.

The Unit this year left for Singleton by bus arriving there in time for lunch. The next 1½ days were spent in general administration and training for the bivouac — junior cadets how to live in the field and basic fieldcraft, while senior cadets prepared for "Exercise Guerrilla", and on day two joined in a S.L.R. range practice, where they showed above average skill in adapting to the S.L.R. This was due to the fact that the Unit was fortunate enough to have already fired the S.L.R. on previous shoots (the S.L.R., self loading rifle, is the weapon currently on issue to the A.M.F.). On day three we moved to the bivouac site, just north of the Pokolbin State Forest and immediately erected shelters and made the area comfortable. As this bivouac was longer than usual, bush showers were erected which proved to be most popular in the warm pleasant conditions. The main purpose of the bivouac, especially for the junior cadets, was to teach cadets how to live comfortably in the field. Senior cadets left the bivouac site early on day five to join in Exercise Guerrilla in which they gained moderate success, while the junior cadets went on an internal unit exercise ("Exercise Smalltime"). On the last night of the bivouac a barbecue was held and we had as guests, Major Mills, our Battalion Commander, Padre Gerber (an old-boy of S.H.S.), and W.O.1 Wilton, our Battalion R.S.M. All those at the barbecue enjoyed themselves immensely and every one was in high spirits as was shown in a rather noisy campfire sing-song. Next day the Unit returned to Singleton where stores were returned and that night went to the movies. The following day 56 members of the Unit were taken up in Caribou Transport planes, and even though the flight was fairly short all cadets were able to get some idea of the workings of the aircraft. Top speed on the flight was 350 m.p.h., which surprised most of us, as it was not apparent until we slowed down just before landing. Unfortunately Iroquois helicopters were not available but we have been assured that next year they will be. Luckily we were blessed with fine weather till the very last day which helped to make the camp such a very great success.

THE RECORD

This year the Unit was fortunate in having the assistance of two extra Officers of Cadets, Lt. Brownlow from Parramatta Marist Brothers and Lt. Barker from Newington College.

Scots N.C.O. Course

Last December, our Unit sent eight cadets to attend the junior N.C.O. Course at the Scot's College. The course was over a period of seven days, during which they were taught the responsibilities and duties of a junior N.C.O.

In the final examinations the Unit fared extremely well, gaining several places in the top 10.

The Unit would like to publicly thank Scots College for the time and effort taken to train our cadets on this course.

(Left to right): Capt. J. C. Brownlow, C.U.O. J. Glass, C.U.O. R. Keleman, C.U.O. M. Gerber, Lt. A. J. Dyball.

THE RECORD

Maitland Boys' High School

Exchange Pages

1969 AT M.B.H.S.

1969 has been a year of great change at Maitland Boys' High School. First of all, Mr. R. J. Cochrane retired at the end of 1968 and his place as Principal has been taken by Mr. F. M. Badger, the former Deputy Principal of Newcastle Technical High School.

In addition two new multi-storey blocks, incorporating additional classrooms, science laboratories, an art-room, a study centre and canteen have been used for the first time this year. These new additions were officially opened in October by Hon. J. L. Waddy, O.B.E., D.F.C., M.L.A., Assistant Minister, Member for Kirribilli and son of an old boy of the school. His uncle, Dr. Granville Waddy, the first Rhodes Scholar from Maitland Boys' High and a student from 1899-1902 was also present at the opening.

Changes are also pending for 1970. Mr. I. A. Pettit, after a brief stay at Maitland as Deputy Principal has been promoted to the position of Principal at Wallsend High. His place will be taken by Mr. C. Ellis, a former science teacher at the school. Hinder House, the Maitland Boys' High School Hostel, first conducted by R. J. ("Boss") Hinder, will be closing down at the end of this year, thus bringing to a close another chapter in the history of the school.

In 1968 a number of our boys did particularly well in the H.S.C. and two achieved the distinction of gaining five first level passes. This year outstanding academic achievements have included those of three boys from the senior school — one of whom attended the Science School at Sydney University; another won a certificate in the State Mathematics Competition and a third attended a Mathematics Vocational Guidance Seminar at Canberra.

This year in sport we returned to the Newcastle Zone Competition and played a variety of sports against Newcastle Boys' High, Newcastle Technical High, Hamilton Marist, Broadmeadow High, Newcastle Junior High, St. Pius College, Kotara and Maitland Marist Bros. Old boys of the school will remember that this was the original competition until the new grouping or zoning commenced. Our school managed to bring off the big double by winning the combined Athletic and Swimming Carnivals against all opposition. In the winter competition we won four out of 10 League grades but found that we had a lot to learn from the Newcastle schools about Soccer

THE RECORD

and Basketball. With the cricket season commencing, we have four grade teams entered in the Newcastle competition. Our first grade players are keenly looking forward to their annual clash against your school at the end of this season.

The school Cadet Unit continues to grow in strength. Again this year our Cadet Band won the Band Competition held at Singleton Camp in May, while our Drum-Major was placed first in the Drum-Major's Competition. After this camp 16 of our cadets attended the Adventure Training Course and from these, seven received the Award. Not long after the commencement of second term approval came through for an increase in the size of the unit to 289 cadets and officers. With this increase our O.C., Captain J. Palmer, was promoted to Major. At present the unit is hard at work preparing for the Annual Ceremonial Passing Out Parade.

At the end of second term a concert was held as part of Education Week. A number of items were performed by the school choir and orchestra while both Fifth and Third Forms contributed plays.

Finally, we would like to convey our best wishes to the pupils of Sydney Boys' High School, to its Principal and Staff and to wish them a year of continued achievement in 1970.

ROSS WHYBIN, PETER GODWIN, LINDSAY BEGG,
JOHN O'CONNOR, JOHN PALMER, Fifth Form

CONSTRUCTION WORK DURING 1969

During June this year, work commenced on the construction of a new accommodation wing, which is expected to be completed and officially opened in the latter half of 1970. Provision has been made in the plans for three general classrooms as well as several specialist rooms for music, art, science — both laboratories and demonstration rooms, and implementing proposals under the Wyndham Report, senior study rooms. Included also are new administrative offices for the Deputy Headmaster, and Careers Advisor, and also a conference room. A new canteen will be built on the same level as the flat and as well as a new internal courtyard around the existing bear pit, provision has been made for the covered playing space.

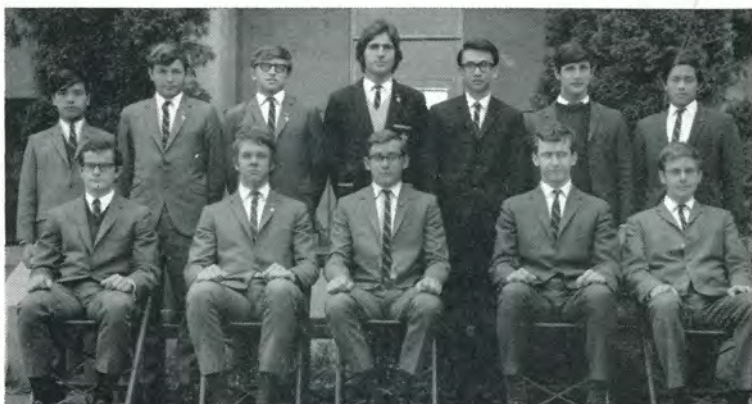

The long-awaited tennis courts, which were begun in the Christmas Holidays, were completed in August, so that we are fortunate in having four all-weather courts available for both practice and competition games enabling tennis to again become a vital sport at High.

A RIGHT DECISION

When you leave school, what are you going to do? Get a job? Enter Teachers' College or University? Go to Tech?

No matter what path you choose, you will be called upon to assume new responsibilities and make decisions. The right decision now is to open a Savings Bank account at your High School, if you have not already done so. This account will be most valuable to you when you enter your chosen field and even more valuable should you later wish to start a business or acquire a home.

For further information, contact your school or the most convenient office of

Passing the Baton

SPORT

CRICKET

Cricket's votary, Mr. Fred Gallie, has left us, and cricket in the school is the poorer. Nevertheless, despite a quiet year following the G.P.S. Premiership success of the previous year, there are signs which suggest that the interests of the teacher, parents, and cricketers, fostered so well in previous years by men like Mr. Gallie, may produce a 1st XI that will seriously be a contender for the G.P.S. honours: a young 1st XI, a strong 2nd XI, and an unbeaten 16A team. But perhaps in the long term a healthier sign is the increase in the number of junior teams playing competitive cricket. In 1969 S.H.S. fielded 13 teams. This in itself becomes but popular and a challenge for school and parent administration, as in the past season occasionally teams were compelled to "rest" because of a lack of facilities. Additional wickets for junior competition are now an urgent requirement. A further problem is the shortage of coaches for Saturday cricket, an inevitable problem for S.H.S. in its unique position. Grateful thanks are due to members of staff, parent-coaches, senior lads, and ladies who helped with the administration of school cricket at the weekends.

The school's cricket should also benefit greatly from the opening of the new practice wickets at McKay Oval. Well-prepared by Mr. Brown, whose co-operation and thoughtfulness is appreciated by all, they are allowing batsmen to make real progress against the style of bowling most common to G.P.S. teams; the accurate medium pacer. It is also planned that all-weather practice wickets will be laid in the school grounds, close to the new tennis courts.

In conclusion, I must wish teams their measure of success in the following season. More than their share of victories will result if they build up a common team psychology, with aggression and determination as its core.

B.H.

**FIRST XI**

Back Row: J. Clarke, W. Lewis, I. Tabrett, S. Murchie, V. Kline, T. Grose, D. Clarke.

Front Row: G. Dunn, A. Tzannes, Mr. E. Griffiths, B. Russell, D. Hinde

THE RECORD

FIRST XI

Team: A. Tzannes (Capt.), B. Russell (V.-Capt.), D. Campbell, D. Clarke, J. Clarke, T. Grose, D. Hinds, V. Kline, W. Lewis, S. Murchie, I. Tabrett.

Coach: Mr. E. S. Griffiths.

As often happens, following a premiership-winning side, 1st Grade failed to live up to expectations. Following a great performance against Grammar in the first match the results which followed were disappointing. That the side had a great deal of promise is demonstrated by the fact that three players won selection in G.P.S. teams — equalling the achievement of last year's team. Bill Lewis and Alex Tzannes, who were appointed vice-captain, were chosen in the G.P.S. 2nds, while Ian Tabrett deservedly gained selection in G.P.S. 1sts.

The causes of the team's failure to live up to its possibilities are perhaps threefold; the tendency for the batting to collapse under pressure at just the wrong times; the surprising lack of penetration of the bowling which had virtually carried the side during the latter part of the previous year, and, by no means unimportantly, a great deal of bad luck. This element of misfortune was present from the first match, when only time saved Grammar, one of the competition's strongest teams. Again, in the next match — against Shore, after a rather poor batting effort High had a great chance to win when Alex Tzannes broke through and brought Shore to 6-44. However, Shore the eventual winners, fought back well to take out the match. These two games set the pattern for the season and we won only one game, but there were many fine individual performances.

G.P.S.: After an early setback, High got on top of the Grammar attack and through a fine 50 by Tony Grose and the efforts of Brian Russell (32) and Ian Tabrett (24 n.o.), reached 8-165 (dec.). Alex Tzannes (3-32) gained the initial breakthrough and David Clark (4-18) brought Grammar to 8-105 and High to within reach for victory. However, the Grammar tailenders held out doggedly and forced a draw.

The next match against the powerful Shore side saw High defeated after great fightbacks by both teams. The pick of the High batsmen were T. Grose (28), John Clarke (42), while A. Tzannes again bowled well, taking 4-38.

After a good start against Kings — having dismissed both their opening batsmen at a cost of only 14 runs — High was lucky to escape defeat. King's compiled a massive 8-178 (dec.). Dennis Hinds (4-32) and David Campbell (3-49) bowled well on a plumb pitch. High's innings saw a disastrous middle order collapse and it took J. Clarke (15), Vic. Kline (19 n.o. in two hours) and Ian Tabrett (13 n.o.) to pull High through for a draw.

Against Scots, High was only saved from a complete debacle by Bill Lewis who scored a magnificent half-century while the rest of the batting fell in disarray around him. High was all out for 86. High's attack again presented the team with a chance for victory, but dropped catches let Scots off the hook and they steamed home by five wickets. In the second innings W. Lewis scored 32 n.o.

THE RECORD

The next match saw High lose narrowly to Newington, who, batting first, took advantage of their good fortune in the form of dropped catches and reached 165. For High D. Hinds (1-9) and D. Clark (4-35) bowled steadily. High started well on their long chase with B. Russell (11) and I. Tabrett (50) putting on 21 for the first wicket. D. Campbell (18) and V. Kline (20) carried on the good work until High was within easy reach of victory. Inexplicably there was a collapse and we were all out four runs short. After this match it was suggested that a psychologist be a requirement for all future Sydney High teams.

High at last gained victory in the match against St. Joseph's. High batted first after a late start due to rain and B. Russell was in brilliant form and hit a magnificent 75 (3 sixes) before being dismissed when a big hit didn't quite make it. I. Tabrett again batted soundly and compiled a solid half-century. This was a solid foundation and the middle order took advantage of it. The innings was closed at 6-157. A. Tzannes broke through the Joey's ranks to take 8-25 and they collapsed for 96.

Following this great win High, now showing their best form of the season met Riverview at McKay. Again batting first High started well with B. Russell (36) and I. Tabrett (47) and assisted by J. Clarke (62). High declared at 6-186. Riverview wickets fell slowly but steadily and they were 5-60 and High was pressing towards victory when an appeal against the light was upheld, ending the match.

Congratulations to Shore on their well-deserved win and I. Tabrett, A. Tzannes and W. Lewis on their G.P.S. selections.

C.H.S.: High was very successful in the new C.H.S. competition instigated this year, winning all their games this season and thus having a good chance of taking out the premiership at the end of the year.

SECOND XI

Team: I. Besomo (Capt.), R. Bartlett-Taylor, S. Halliday, N. Sherring, R. Juchau, P. Dymock, A. Williamson, P. Castles, G. Sawyer, N. Odze, J. Robinson, G. Dunn, R. Christie.

Coach: Mr. B. Hodge.

The 2nd XI finished the G.P.S. competition with two wins, three draws, and two losses. The C.H.S. competition was won easily against weak opposition. Outstanding individual efforts were made by our two mainstays Bob Bartlett-Taylor and Bob Juchau, who each bagged over 20 wickets in the G.P.S. matches; Ian Besomo who topscored in six out of eight matches. The bowling department was very sound with its six regular bowlers. It was particularly noticeable that the fielding improved, and had reached a high standard by the end of the season.

Although the G.P.S. competition could have been a bit better, it was nevertheless a very enjoyable season. The team was a team in all aspects and the fact that every person enjoyed his cricket immensely, regardless of win or loss, is a credit to our coach, Mr. Brian Hodge. He more than sparked the enthusiasm of each boy, and was able to impart to us priceless pointers, from his many years of experience. Perhaps if all the cricket seasons could be as successful as the last, then maybe some boys could be grabbed from "that other glamour sport".

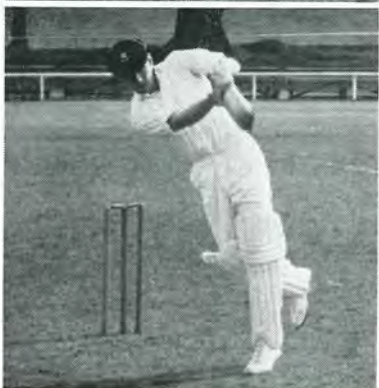

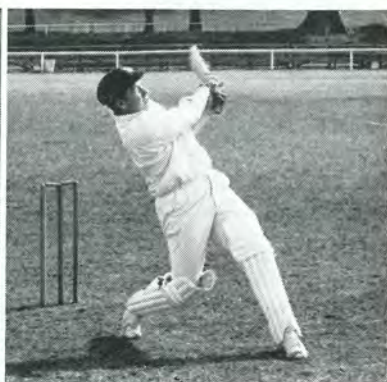

THE RECORD

THIRD XI

Team: K. Moon (Capt.), B. Bradford (V.-Capt.), D. Fraser, W. Foley, J. Dodds, G. Sawyer, P. Castle, H. Blackett, P. Jonson, R. Allsop, G. Taylor, R. Teepel, S. Epstein, A. Cordato, S. Manchester, P. Bear,

Coach: Mr. A. Whitehurst.

Sixteen enthusiastic players was the excellent response for the 3rd XI this year. Each individual player had at least one game, mostly two and more. Although we were far from being victorious the team fought convincingly in an attempt to win each and every game. The two opening bowlers, K. Moon, and P. Jonson, usually took the first few wickets between them, followed by B. Bradford and J. Dodds, both very competent spin bowlers who took the remaining wickets. Probably the most exciting batsmen were G. Sawyer who scored an exciting 68 against King's with whom we drew. Following him was P. Bear's 52 against our 16A's. Wicket-keeping was shared by practically the entire team, the most successful being G. Sawyer.

Bottom Left: Bill Lewis straight drives a ball (G.P.S. 2nd XI representative).

Top Left: Alex Tzannes (captain G.P.S. 2nd Grade representative).

Top Right: Brian Russell, vice-capt., a natural hitter.

Bottom Right: Brian Russell (vice-captain), outstanding, close to the wicket, fieldsman.

SECOND XI

Back Row: N. Sherring, N. Odze, A. Williamson, R. Bartlett-Taylor, J. Robinson, R. Juchau, G. Dunn.

Front Row: G. Sawyer, I. Besomo, Mr. B. Hodge, P. Dymock, S. Halliday.

THIRD XI

Back Row: D. Fraser, R. Teepel, W. Foley, S. Manchester, P. Bare, P. Jonson, J. Dodds, H. Blackett.

Front Row: P. Castle, K. Moon, Mr. A. Whitehurst, B. Bradford, G. Taylor.

16A XI

Back Row: P. Molina, G. Goddard, A. Dobeson, I. McDonald, R. Marshall, R. Allen.

Front Row: D. Francis, A. Brown, G. Errington, R. Smith, D. Benson.

THE RECORD

I'm sure the matches were enjoyed by all and I hope there'll be as much enthusiasm next season. I should also like to extend the team's thanks to Mr. Whitehurst who has coached us now for two seasons.

16A XI

Team: G. Errington (Capt.), R. Smith (V.-Capt.), R. Allen, D. Benson, A. Brown, A. Dobeson, D. Francis, G. Goddard, R. Marshall, G. McDonald, P. Molina, R. Orr.

Coach: Mr. A. Smith.

1969 saw the 16A's develop into a powerful unbeaten combination. The team's spirit was high and they played as a team. Practices on Sunday mornings were keen and well attended. There were some outstanding individual performances. The main stay of the batting was G. Errington (85 n.o. v. Grammar, 85 n.o. v. King's). His concentration was an object lesson to all. He was supported by R. Marshall, who was at times devastating, hitting two sixes against Shore and three against Newington; D. Francis, A. Dobeson, G. McDonald and A. Brown. The opening bowlers, G. McDonald (14 wickets) and A. Brown (30 wickets), were the key to the team's success. They were fast and bowled accurately for long periods. The fielding was good, R. Marshall being brilliant, and the 'keeper R. Smith supported the bowlers very well taking some fine catches.

The thanks of the team goes to Mr. Smith without whose coaching and enthusiasm the team would not have developed into an undefeated G.P.S. team.

16B XI

Team: G. Aroney (Capt.), R. Hogan (V.-Capt.), R. Baes, L. Blomberg, I. Gilchrist, B. Hacobian, R. Hand, P. Jonson, L. Jurman, D. Ling, D. Luscombe, J. Loxton, W. Miller.

Although a rather makeshift team, lacking the benefits of organised practice and a full-time coach, the team managed to perform creditably in all of its matches, finally gaining a prized victory against Newington. Opening bowler, R. Hogan, performed particularly well, capturing seven or more wickets on a couple of occasions, while also showing ability with the bat (35 v. Riverview). Supporting bowlers were G. Aroney, L. Blomberg, and D. Ling, when available.

In the absence of visible success, it is necessary to state that the season was by no means a failure, as it was genuinely enjoyed by all. This was in a large part, due to the generous interest of Mr. Orr, who frequently gave up time to assist and umpire for us even although his son was not in the team, and to whom therefore the team is sincerely grateful.

15A XI

Team: P. Carlisle (Capt.), D. Dellamarta (V.-Capt.), P. Annetts, J. Bolton, R. Brown, C. Dunn, M. Jameson, P. Lathouris, R. Middleton, I. Moore, C. Paulidis, G. Saphin.

Coach: Mr. N. Power.

THE RECORD

15A XI

Back Row: C. Paulidis, I. Moore, G. Saphin, R. Middleton, R. Brown.
Front Row: J. Bolton, P. Lathouris, P. Carlisle, Mr. N. Power, D. Dellamarta, P. Annetts, M. Jamieson.

14A XI

Back Row: G. Kendall, G. Kelly, G. Loughman, D. Lewis, R. Shonburger, P. Robertson, G. Morgan.
Front Row: R. Walker, G. Eldering, B. Francis, Mr. K. Angles, R. Tabrett, L. Wright, D. Clarke.

Sitting: S. Carter.

13A XI

Back Row: P. Rigs, I. White, M. Lichfield, G. Sakalidas, S. Judd.
Front Row: G. Jennings, C. Dunn, B. Banwell, Mr. F. Murphy, T. Blackett, B. Medcalf, W. Rich.

THE RECORD

The team in 1969 played with marked improvement with only one loss to its credit. The team now has a deeper batting strength and has improved greatly in fielding. The batting was dominated by P. Carlisle and C. Dunn while the bowling was led by P. Dellamarta and J. Bolton. Probably the best fielder was I. Moore who with his outstanding throwing arm saved many a match.

The team would like to thank Mr. Power for coaching both the 15A and 15B XI's throughout the season.

15B XI

Team: G. Brand (Capt.), R. Long (V.-Capt.), P. Ball, C. Dennewald, M. Hahn, G. Jackson, G. Kendall, A. Miller, M. Morgan, N. Simmons, P. Simmons, T. Raynor.

Coach: Mr. N. Power.

After a bad start to the season against Shore the team improved greatly. In the next two games against King's and Scots performed well to go down narrowly. The team had its only win of the season against Newington when in the last over Miller took a diving catch to dismiss their batsman. In the final match against St. Ignatius, the team performed badly and were easily beaten. The bowling was sometimes erratic with Hahn by far the best of the bowlers. In the batting department Kendall and Morgan did well while Jackson and Miller were the best of the fieldsmen. The team would like to thank Mr. Power greatly for coaching them.

14A XI

Team: B. Francis (Capt.), R. Tabrett (V.-Capt.), P. Robertson, A. Kendall, G. Morgan, R. Walker, D. Lewis, G. Eldering, D. Clarke, S. Carter, P. Kelly, G. Loughman, L. Wright, R. Shoneburger.

Coach: Mr. K. Angles.

Although we were beaten thrice in the G.P.S. competition and drew two others, the team showed plenty of promise in defeating Scots, almost recording an outright victory. In C.H.S. the team went through the season undefeated. The batting was sound: Tabrett (55 v. Randwick, 50 v. South Sydney, 45 v. Riverview); Francis (33 v. Newington, 51 n.o. v. Maroubra Bay); Robertson (38 v. Scots). Our bowling was inconsistent, but some good averages were recorded: Robertson (5.5/wkt.); Eldering (8.7/wkt.); A. Kendall (9.9/wkt.).

We would like to thank Mr. Angles for the time he spent coaching us this season.

14B XI

Team: D. Long (Capt.), M. Winters (V.-Capt.), G. Annetts, J. Gustard, T. Johnson, W. Marlow, N. Miller, D. Nosworthy, N. Saucis, B. Tucker, S. Westheimer, D. Wilcox, J. Williams.

Coaches: Mr. Johnston and Mr. L. Booth.

THE RECORD

Considering our coach is from outside the school, he put a great deal of effort into improving our standard of play. However, our displays were quite disappointing, being undefeated in C.H.S. but unable to gain victory in G.P.S. Despite our poor results we improved noticeably with every game and should prove a threat to the next competition. Our team would like to thank Mr. Johnston for being present for all our G.P.S. games and also for his great coaching effort. We are grateful to Mr. Booth for his interest and for gaining for us the services of Mr. Johnston.

14C XI

Team: G. Cliffe (Capt.), C. McDonald (V.-Capt.), P. Bazzana, P. Burley, G. Condor, N. Fatouris, J. Forrester, B. Hill, P. Lewis, M. Murray, P. Rack, J. Reeves, R. Renshaw.

Coach: Graeme Errington.

Under the coaching of Graeme Errington, the team had a fairly successful G.P.S. season, winning two, drawing two, and only losing one game. Our main bowlers Hill and McDonald were impressive at all matches, but a game can't be won on bowling only; our batting and fielding held room for improvement. We didn't reach the half-century very often, two or three batsmen usually holding up the score — McDonald, Cliffe, and Hill passing the 'teens several times. Outstanding outfielding by Condor and Forrester saved us from many fours. Although players were consistently leaving the team, Graeme Errington managed to keep intact the only "C" team Sydney High has besides the 13's.

13A XI

Team: B. Banwell (Capt.), S. Judd, T. Blackett, C. Dunn, G. Jennings, P. Rigg, I. White, G. Sakalidas, B. Medcalf, M. Litchfield, W. Rich.

Coach: Mr. F. Murphy.

During the season, the team did fairly well seeing it was their first season together. We won one game, and lost four. In the C.H.S. competition we lost one game and won the rest. Highlights of the season were B. Banwell's batting, T. Blackett's bowling and S. Judd's wicket-keeping, whilst in the field I. White and G. Jennings, turned in creditable performances. Our thanks are due to Mr. Murphy for his coaching through the season.

13B XI

Team: M. Fatouris (Capt.), T. Lee (V.-Capt.), K. Luciano, M. Webby, S. McLennan, B. Willot, T. Douglas, W. Frumar, M. Cordato, S. Harrison, C. Hanky, M. Dellamarta.

Coaches: J. Robinson, N. Odze, T. Sawyer.

Last season was not very successful, losing all games. This was our first season together and we are all hoping for bigger and better things. The best batsmen were M. Webby, and K. Luciano. The best bowlers were S. Harrison, T. Lee, and B. Willot, while the best fieldsman was S. McLennan. We would like to thank our coaches very much.

THE RECORD

13C XI

Team: B. Becroft (Capt.), P. Morris (V.-Capt.), A. Barrass, A. Symeou, E. Calligeros, J. Buckley, R. Mitchell, V. Mitchell, P. Coursaris, P. Wright, R. Adams, D. Richards, H. Llewelyn.

Coach: P. Carlisle and D. Dellamarta.

This being our first season together, it was not successful, losing all five games. The best bowlers were P. Morris who took 15 wickets, and, R. Mitchell who took 13. The best batsman was J. Buckley who scored 66 against St. Joseph's. We unluckily lost to St. Joseph's by four runs. We would like to thank our coaches for their efforts, Peter Carlisle and David Dellamarta.

A.R.L.

RUGBY, 1969

The school continued to play its unique part in fielding teams in both C.H.S. and G.P.S. competitions.

The relative success of the teams is in no small way representative of the efforts of the coaches, composed of school masters, school pupils, recent old boys and old boy fathers.

There is obviously *always* room for improvement. Some of the more obvious means of improvement are firstly, more qualified senior coaches — principally old boys, and secondly, greater emphasis on fundamentals, particularly with juniors, so that boys progress to senior ranks well skilled. Training times are then able to be more fully utilised in developing teamwork and moves around a basic pattern.

N.B. This area has not been entirely neglected. This year all A and B Age teams had experienced senior coaches, but as yet a basic pattern has not been evolved. 1970 will see a more definite move in this direction.

Thirdly, greater pupil participation is vital. This season saw only six open grade teams fielded. Certainly the 16 Years division has depleted the numbers, however, *more* senior boys should take the opportunity to represent their school and share in the resultant benefits (a sound mind in a sound body). One of the most heartening features of the season was the fielding of three 12 Years teams — a school first. Not only that but *all* performed well — the C's having three or four reserves for every match and finishing the season undefeated. 26 teams in all took the field on Saturdays — this represents in excess of 400 boys in the football effort.

Additional playing fields are badly needed since it is now physically impossible to accommodate all 26 teams on the four McKay fields for "home" matches. Our fifth oval is now urgently required and its use will alleviate the problem of one age group (4 or 5 teams) playing at home even on home days.

N.B. A recent innovation which proved successful was the reciprocal agreement with Waverley College to use one of their fields in Queen's Park on our home days when it corresponds with their playing away.

THE RECORD

An increased number of qualified referees is required, but an insufficient number of boys take advantage of the Junior Referees Course offered and so the burden of furnishing officials for home games falls on the shoulders of a small band of regulars. It should be noted that a Referees Appointments Panel has been set up and it is hoped to overcome some of the major problems in this area, including insufficient numbers and incorrect attire.

There needs to be a greater awareness of the magnitude of work required to be done on home Saturdays. This work falls "traditionally" on the shoulders of the "willing few". None of the tasks are particularly heavy but they are many and an influx of new (or even old) blood is required.

Finally a revival of school spirit in regard to spectators is required — and I know all the inherent problems which come up here. But I'm sure the frenzied support for the St. Joseph's game did much for the efforts of our teams. School Prefects, here is an area where *you* can make a *more* significant impact.

Now for some facts and figures:

C.H.S.

S'xteen teams were fielded in 10 divisions and results were as follows:

1st Grade, Premiers; 2nd Grade, Runners-up; 3rd Grade, Premiers S.H.S. 4th XV Runners-up; 16 Years, 16A's Premiers; 15A, Semi-finalist; 15B, Runners-up (undefeated until final); 14A, Premiers; 14B, Runners-up S.H.S. 14C's Premiers; 13A, Premiers; 13B, Premiers.

Some idea of the relative strength of the C.H.S. competitions can be gauged from the following:

1ST GRADE

S.H.S. defeated Matraville High in the final 15-12 (3 tries to nil). Matraville were runners-up to Epping High in the State wide Waratah Shield. Other semi-finalists were Randwick High — also very strong, and Vaucluse High, a Waratah Shield semi-finalist.

2ND GRADE

Randwick High defeated S.H.S. (8-3) in the final. Sydney High were also runners-up to St. Joseph's in the G.P.S. Competition. They lost only five matches in a season of 31.

3RD GRADE

S.H.S. fielded their 3rd, 4th, 5th and 6th XV's against the opposition of Randwick and Cleveland Street — little wonder our 3rds finished up defeating our 4ths in the final (19-3), but not without some stern opposition.

16 YEARS

S.H.S. 16A's was to prove a class above the opposition. A reason for their supremacy, besides their good play, was that most other High Schools require the pick of their 16 Years boys for their more senior teams.

15 YEARS

S.H.S. 15A's were well in the running until a clash of examinations and some stern opposition brought about their downfall — still their undefeated effort in G.P.S. testifies to their final worth.

THE RECORD

15B's went through to the final undefeated only to go down to Randwick High (6-3). All teams play the occasional poor game and it was bad luck for the team that it coincided with the strong Randwick side and in the final match.

The 15C and 15D teams also played in the 15B division substituting for Maroubra Bay and South Sydney respectively — both sides gave a good account of themselves.

14 YEARS

Sydney High emerged Premiers in both A and B competitions. The 14A's proved vastly superior in team work to the other sides and this alone swung the balance in their favour in some of the close games.

The 14B's and 14C's (substituting for Maroubra Bay) battled out the division together with the C's winning through 6-5 in the final match.

13 YEARS

Once again Premierships came our way in the 13A and 13B divisions, but only after some close encounters in which the teamwork of the Sydney High teams won the day. The 13C's were far from disgraced by their efforts in the 13B division, substituting for Maroubra Bay.

As mentioned in previous years the standard of Rugby throughout the C.H.S. is on the upgrade, owing to the numbers playing the game at school as well as playing in week-end junior club competitions. Usually though the school teams suffer somewhat from the point of view of teamwork, however they are noticeably improved in fundamentals and techniques.

G.P.S.

Twenty-six teams in all were fielded and this represents in excess of 400 boys in the football effort. The breakdown of teams is as follows:

Open Grade, 1st to 6th XV (6); 16 Years, A to D (4); 15 Years, A to E (5); 14 Years, A to D (4); 13 Years, A to D (4); 12 Years, A to C (3).

In terms of match results the totals below tell the story:

Won 42, Lost 86, Drawn 15.

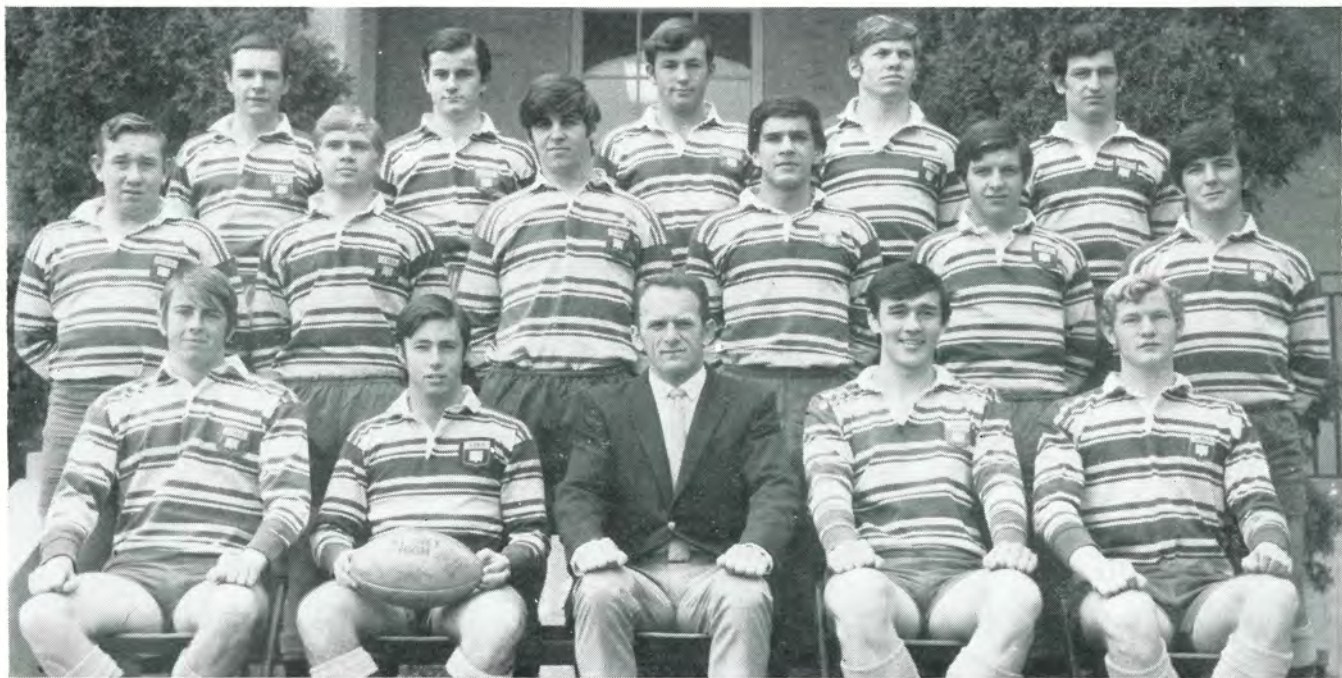

The series of games against Newington College was restricted to the two senior competition teams because of flooded fields.

The best performed of our senior teams was the 2nd XV which entered the final competition game against St. Joseph's one point ahead. To go down 6-0 was certainly no disgrace for they tried right up to the final whistle.

The team and their coach, Mr. Parker, are to be congratulated on their wholehearted efforts. I am certainly not being derogatory when I say the 2nd's did not have a great try-scoring potential, but still they did score their share of tries. They were not a physically large side and yet they did win a more than fair share of the ball from all phases of play. This surely tells its own story — they were well coached and they were a team.

The 1st XV did not feature towards the top of the premiership ladder. Several deficiencies could not be overcome and contributed towards their lowly position. The team suffered from: (i) lack of size in the forward pack — lightest in the competition.

(ii) Lack of speed in the back division — slowest in six years experience.

FIRST GRADE

Back Row: S. Hamilton, P. Morrison, R. McCormick, G. Russell, S. Prodes.
Middle Row: B. Russell, N. Morgan, J. Zeitsch, A. Tzannes, R. Piggott, F. White.
Front Row: J. Brabant, L. Dunn, Mr. Ryan, B. Jakeman, S. Murchie.

THE RECORD

(iii) Failure to convert penalties within range — narrowly, but points are not awarded for being close.

How then did they manage to fare so well against the three top teams? No one simple answer can be given for the drawn games against Shore and St. Joseph's or the victory over St. Ignatius except to offer that the team's defence second best in the competition coupled with an "everything to win and nothing to lose" attitude with the ball was principally responsible.

Other teams to perform well in their grades, compared with other schools were the 16C XV — coached by old boy Steve Fortey, 15A XV — coached by old boy "Doc" Bentivoglio and 12C XV — coached by senior boy Chris Miller, with the valuable assistance of his old boy brother, John (1963 1st XV). These teams, and indeed all teams other than the 1st's and 2nd's play unofficial competition matches and so no premier-ships are awarded. However, they did share the greatest number of successes in their grades.

On behalf of all who participated to all who contributed in making it all possible — thank you.

NEIL RYAN (Sportsmaster)

FIRST XV

C.H.S. PREMIERS

L. Dunn (capt.), B. Jakeman (vice-capt.), J. Brabant, S. Hamilton, C. Kiriazis, R. McCormick, E. Morgan, P. Morrison, S. Murchie, R. Pig-gott, B. Russell, G. Russell, A. Tzannes, C. Whelan, D. White, J. Zeitsch, S. Prodes.

Coach: Mr. N. Ryan.

This year's 1st XV met with mixed success during the long 1969 season. The number of games lost and won is not indicative of the strength and ability of the team but possibly of the experience of the majority of the team.

Although we only won one G.P.S. game and drew in two others it was clearly evident that victories should have been inflicted over several other teams. It was characteristic of this team to concede needless penalties to the opposition. It was often the case to see promising back-line movements or forward rushes thwarted by a needless penalty.

We were not a big team by G.P.S. standards, but what was lacked in size was made up with spirit and tenacity. Our forwards generally conceded a stone a man and our backs likewise. There was no over-abundance of pace but mobility and teamwork were our keynotes.

Draws against the Premiers Shore, and St. Joseph's were very heartening, but I think that every team member feels that we inflicted moral victories as did our opposition. A win over Riverview, who finished third in the Competition illustrates our real ability. In this game we conceded approximately 1½-2 stone per man.

The 1969 season has been a particularly long one because apart from our social Saturday matches we continued to play C.H.S. matches during and after the G.P.S. Competition. By doing this, match fitness was maintained and teamwork developed. During the past few years the C.H.S. Competition has become very strong. Trials were introduced this

THE RECORD

year and we played Matraville, who were Waratah Shield runners-up, in the trial in a bruising game which we won 15-12, scoring four tries to one.

I could not single out any really outstanding players in this year's team, for teamwork was everything. However, the selection of B. Jakeman (1sts), G. Russell (2nds), R. McCormick (2nds), B. Russell (3rds), A. Tzannes (3rds), and S. Hamilton (3rds) in the G.P.S. Representative Teams is indicative of the high standard of the team. Our forwards were led by Barry Jakeman, who showed his ability by being selected in G.P.S. 1sts. I only wish he had started playing football two years earlier.

The team would like to thank Mr. Ryan for the hours upon hours he put into training the 1sts and I know that every team member has benefited from it. His close contact with and guidance of all team members leads us to call the team the 1st XVI. Although next year's 1sts may enjoy more material success I know they could not obtain any more enjoyment from the football than did the 1969 First XV.

S.H.S. v. Grammar. 14-6-69, at Weigall.

High made a strong start to the G.P.S. season despite going down to Grammar at Weigall 8-12. The highlight of the match was the try by Geoff Russell, who ran 85 yards, evading tackler after tackler on his run down the sideline. All of Grammar's points came from the boot of winger Sullivan, while High's points came from a try by G. Russell and a goal and penalty goal by B. Russell, who used his kicking ability to the utmost with many territory gaining kicks. The handling of both teams improved greatly throughout the game.

High 8; Grammar 12.

S.H.S. v. Newington. 21-6-69, at McKay.

The second G.P.S. match was played on a flooded McKay Oval. Play started with sloppy handling and a mishandling by High allowed Newington break-away Clementson to score after three minutes 0-3. However, five minutes later High hit back with a penalty goal by B. Russell 3-3. As play continued the teams were able to adapt to the slippery conditions and ball handling improved. On two occasions the High backline came to life only to be stopped just short of the line. At half time the score was 3-3. In the second half High's backs appeared to rely too much on their forwards and too often wasted their chances, allowing Newington to dominate play, and 10 minutes from the end Newington winger Brown outpaced High's defence to score in the corner. Brown again scored on full time after evading three tacklers 3-9.

High 3; Newington 9.

S.H.S. v. St. Ignatius. 28-6-69, at McKay.

Riverview kicked off in perfect conditions and from the start pressed High's line but were kept out by good tackling and some good line kicking by B. Russell. For most of the first half play fluctuated up and down the field with both sides penetrating the other's defence. Five minutes from half time Riverview kicker Cameron potted a 40 yard penalty goal to put his team in front 3-0 at the interval. From the

THE RECORD

start of the second half Riverview pressed High's line but once again B. Russell's line kicking relieved the pressure. From a lineout High breakaway Prodes broke through and passed to centre G. Russell who sent winger Piggott over in the corner 3-3. High now attacked vigorously and were rewarded with a try by prop White 6-3. Riverview's spirited attack late in the half was just kept out by a determined High defence, and full time saw High still pressing Riverview's line.

High 6; St. Ignatius 3.

S.H.S. v. Shore. 5-7-69, at Northbridge.

High showed great promise by drawing with Premiers Shore at Northbridge. In the opening minutes of the game both teams missed penalty kicks, but after 11 minutes Shore kicker Wall put Shore ahead with a penalty goal 0-3. High's backline was beginning to move more fluently and several breaks took play deep into Shore's territory. At half time the score was still 3-0 in Shore's favour. From the restart of play Shore pressured High and within minutes scored the only try of the match to lead 6-0. After narrowly missing a try, High were gradually being pushed back until from a lineout 30 yards out Shore were penalised and B. Russell landed an outstanding goal to bring High within striking distance of Shore 3-6. Play was now centred around Shore's 25 when Kiriazis, fielding a kick and finding himself surrounded by defenders kicked a field goal on the run to make the full time score 6-6.

High 6; Shore 6.

S.H.S. v. Kings. 19-7-69, at Gowan Brae.

Kings kicked off and after a few minutes of play High made a thrilling raid on the Kings' line which was halted by a forward pass. For the next 20 minutes play was very loose with much kicking on both sides resulting in a number of lineouts and scrums. At half time the score was 0-0. Soon after the resumption of play an attempted field goal by Dunn just fell short. From a scrum infringement 30 yards out Brian Russell put the first points on the board for High with a fine penalty 3-0. Kings pressured High's line but a diving tackle by McCormick prevented a certain try. Soon after the Kings' forwards barged over for the first try 3-3. The conversion was successful 3-5, from a ruck infringement Brian Russell put over a difficult angled goal to make the score 6-5. Kings added the final points of the match with an opportunist 40 yard intercept try which was duly converted 6-10.

High 6; Kings 10.

S.H.S. v. Scots. 26-7-69, at McKay.

In the opening minutes there was a series of long kicks by both sides. After seven minutes of play B. Russell put over a penalty goal for High 3-0. However a few minutes later Scots also goaled to level the scores to 3-3. After 25 minutes of play another penalty goal put Scots ahead 6-3. From a scrum five yards out from the High line a Scots player dived over for a try which was converted making the half-time score 3-11. Early in the second half High made several good attacking moves and from a penalty B. Russell goaled to make the score 6-11. However once again Scots hit back with another penalty goal to make

it 6-14, High now made a strong attempt to crack the Scots defence but to no avail.

High 6; Scots 14.

S.H.S. v. St. Josephs. 2-8-69, at McKay.

Joeys kicked off. In the early minutes of the game, play was very fast with both teams attacking, with High backline appearing superior making many fine breaks. Joeys now pressured the High line but a penalty relieved the pressure for High, taking play to half way. From a ruck the ball sped along the backline and centre G. Russell, after making an exciting break, sent Kiriazis diving over for the first try of the match 3-0. Despite the fact that St. Josephs now threw everything into the attack the half time score remained at 3-0. High were playing superior football and looked set to cause a major upset. What appeared to be a try by winger Piggott was ruled a no try by the referee, but High still pressed the Joeys line but Joeys relieved with a kick. After a missed penalty goal by St. Josephs, High again narrowly missed scoring. St. Josephs now started to force play upfield and from scrum on the High 25 and right in front of the posts a penalty was awarded to St. Josephs and with one minute remaining the kick was successful.

High 3; St. Josephs 3.

L. Dunn tries a tactical kick.

THE RECORD

SECOND XV

G.P.S. RUNNERS-UP, C.H.S. RUNNERS-UP

M. Lakeman (capt.), W. Foley (vice-capt.), P. Berghouse, R. Day, T. Farrah, M. Fischer, R. Furness, M. Garside, D. Hinds, W. Hooper, T. Keen, S. Layman, I. Luxford, S. Martin, S. Prodes, J. Santifort, B. Welch, R. Williamson, C. Whelan.

Coach: Mr. J. Parker.

This year's 2nd XV were runners-up in both the G.P.S. and C.H.S. Competitions. Thus, in terms of results, it was a rather frustrating season. Still, for the team and coach it was a thoroughly enjoyable season. The coach, Mr. J. Parker, and in fact the whole team, thought we had little chance of winning the C.H.S. and G.P.S. Competitions when the season commenced, however Mr. Parker built up such a great team spirit that this was one of the main reasons for our team going so close to winning both their Competitions. Add to this team effort Paul Berghouse's goal-kicking (G.P.S. 2nd Grade highest point scorer — 44 points) and Mr. Parker's inspirational coaching effort and you have the key to S.H.S.'s 2nd XV of 1969. In the trial matches before the G.P.S., High lost only two out of twelve matches and as the G.P.S. competition drew nearer it became obvious that no team was going to find the seconds easy to overcome. This turned out to be true as High won four, drew one and lost only two matches throughout the season. The game against Newington was perhaps the team's worst effort in the G.P.S., and although the team went down to St. Joseph's 0-6, they went down fighting and with the amount of ball they had High performed extremely well. One feature of the team that must not be overlooked was the manner in which they came from behind at half time to score their points in the second half and thus win the game. Against Shore, Kings, and Scots the team was down at half time but in all the above matches, except against Scots, seconds came back and won. Seconds also performed creditably in the C.H.S. Competition where they lost only one game throughout the entire season. That game was, unfortunately, against Randwick in the Phillip Zone Final.

Seconds opened the G.P.S. season with a strong win over Grammar 12-6 at Weigall. The High team outplayed Grammar in every facet of the game. Fullback Berghouse scored all of High's points with a try, culminating a beautiful backline movement and some great goal kicking.

At McKay on a sodden and very muddy field, High were defeated 3-11 by Newington. High were unrecognisable from the previous week's game. A lack of possession and a muddy field, from which the strength and size of the Newington forwards told, gave Newington their win. High looked better in the second half in which Newington didn't score a point. This turned out to be very costly later on in the Competition.

Against St. Ignatius, on a light and fast ground, High proved that they were one of the best contenders for the Premiership. They soundly defeated St. Ignatius 14-9, in what was one of their best displays of the season. High led 8-6 at half time after a good try by Santifort and a goal and penalty goal by Berghouse. In the second half most of the play,

THE RECORD

except the last 10 minutes was in Riverview's half. High played some brilliant football with both backs and forwards handling well, however some of these movements broke down just short of the line.

High came from behind 3-6 to defeat Shore 16-9 at Northbridge. Penalties against Shore nearly saw Shore win, however High fought back after trailing 0-6 with a beautiful try by Fischer. High started to gain the upper hand in the second half and two glorious tries by Santifort resulted. The fact that all of High's tries were scored by its wingers was indicative of fast, attacking back-line football. As a result of this win High now shared the G.P.S. lead with St. Joseph's.

High took a further step towards winning the premiership when they defeated Kings at Gowan Brae 11-3 in a hard fought match. Again High were behind at half time 0-3 and it was not until well into the second half that they took control. Berghouse kicked two fine penalty goals and converted an excellent try by Santifort. In this game High were late starters and found Kings harder to overcome than they had expected.

The next game against Scots, was perhaps the hardest game High had played during the season. A win was imperative if High were to have a chance of winning the Competition, but this was not to be and High had to be content with a 6-6 draw. Luckily, St. Joseph's were defeated by Grammar leaving High one point ahead on the G.P.S. table. High played some of its best football against Scots in attack and defence. As usual High were down at half time after an unconverted try by Scots and a penalty goal. Berghouse breached the gap with a fine kick. The opening minutes of the second half were thrilling, with High fervently attacking the Scots line. From a lineout the ball moved out along the backline to Santifort who just failed to go over. Prodes cleverly recovered the ball and it was again sent flying along the backline. Berghouse joined in the movement and appeared to go over for a fair try. The Scots linesman however, controversially ruled he had put a foot into touch. Berghouse then kicked a hair-raising penalty to level the score. Scots now launched attack after attack on the High line but solid defence kept them at bay. High looked superior in the 2nd half but were unable to grasp a win, which would have made them at least G.P.S. Co-Premiers.

The match against St. Joseph's the next week loomed as the Premiership decider. However High could not defeat the strong Joey's combination. Although High played their hearts out in what for most of the team was to be their last G.P.S. match, they simply did not win enough ball. Penalties were decidedly in St. Joseph's favour and many times High gained valuable ground with good moves only to see this gain lost through penalties.

The team is indebted to Mr. Parker for his inspirational coaching and his unflagging patience and determination without which the team would have never got off the ground. Also thanks go to all those who supported the team throughout the season and to the women who provided supper after each game for the players.

THE RECORD

THIRD XV C.H.S. PREMIERS

G. Barr (capt.), D. Hinds (vice-capt.), P. Andrews, R. Bartlett-Taylor, G. Berret, I. Crichton, J. Glass, G. James, P. Logan, S. Layman, S. Lumsden, S. Martin, D. Paling, W. Steele, S. Theodore, P. Wall.

Coach: Mr. K. Cowan.

Third Grade this year finished the season being C.H.S. Premiers and being placed high up in the unofficial G.P.S. Competition.

The season began well with good wins over St. Pius, North Sydney, R.N.C. and T.A.S. However, with injuries in the higher grades, we lost key players and a subsequent loss of form resulted in our defeat by Grammar. However, we then had two good wins over Riverview and Shore. We were beaten narrowly by Kings but the following week overwhelmed Scots 22-3. In the final game against undefeated G.P.S. Premiers St. Joseph's we lost 11-14 after being in front 8-0.

The team's thanks go to Mr. Cowan for his expert guidance and perseverance throughout the season and we would also like to wish him well in his new teaching post in Canada.

FOURTH XV C.H.S. RUNNERS-UP

T. Katri (capt.), G. Parsons (vice-capt.), R. Allsop, D. Bathis, L. Byron, R. Christie, L. Cotterill, G. Fagg, J. Gamble, L. Gilbert, G. Gilsenan, S. Jones, C. King, E. Kritzler, S. Rumsey, K. Searle, B. Voyages, P. Willcox, D. Wittervan.

Coach: Mr. R. Free.

Fourth Grade has been one of the unlucky teams this season. Difficulty in forming the team during the trial games marred its chance of winning games. Once a team was formed, late in the season, repeated reshuffling of players due to injuries and replacements resulted only in losses. Although the team did well in the C.H.S. Competition it managed only a draw with Shore in the G.P.S., playing five of the seven games. Even though the team didn't have a very good season every member enjoyed himself and undoubtedly tried his best.

The team would like to extend its thanks to the coach, Mr. Free, for the time and support given to the team.

FIFTH XV — GENTLEMEN'S XV

P. Dymock (capt.), V. Copp (vice-capt.), T. Booler, D. Campbell, G. Hardacre, D. Joffe, V. Kline, R. Lawrence, M. Livingstone, M. Luciano, A. Reid, W. Russo, G. Ryan, I. Tabrett, B. Thornhill, J. Shearer, K. Breakspear, R. Brown, M. Hurst, D. Huban, P. Johnson, R. Juchau, C. Miller, J. Warr, W. Nosworthy.

Coaches: Mr. A. Anderson, W. Nosworthy, V. Copp.

Fifth Grade started the season well and in six pre-season games were undefeated amassing 181 points for only nine against. However, in G.P.S. our lack of condition and injuries prevented us winning any further games, although we managed draws on two occasions and always looked as good as, if not better than, our opponents.

THE RECORD

13A XV

Back Row: B. Francis, G. Eldering, P. Vidal, S. Treble, S. Carter.
Middle Row: G. Morgan, P. Perry, S. Coe, P. Robertson, C. Pateman, P. Ingle.
Front Row: N. Fatouros, N. McGill, Mr. M. Kerr, N. Adamopoulos, G. Mallos.

12A XV

Back Row: P. James, J. McGuigan, R. Josephs, D. Skelsey.
Middle Row: R. Steck, S. Clarke, I. Robertson, B. Banwell, A. McDonald, P. Armstrong.
Front Row: B. Stocker, R. Ingle, Mr. J. Paling, P. Bell, T. Blackett.

12C XV

Back Row: M. Cordato, S. Harrison, M. Fatouros, E. Calligerous, S. McLennan.
Middle Row: T. Lee, P. Coursaris, P. Rigg, A. Douglas.
Front Row: P. Morris, R. Klye, Mr. C. Miller, S. Daras, G. Schofield.

THE RECORD

We totalled in 15 games seven wins, five draws, and three losses and 241 points for and 68 against.

We would like to thank Mr. Anderson and his assistants for the help they gave us throughout the season.

SIXTH XV

B. Bradford (capt.), M. Gerber (vice-capt.), T. Grose, G. Dunn, I. Squire, S. Dickson, R. Forrest, R. Glass, J. Dempsey, G. Sawyer, R. Brown, R. Keleman, B. Dymock, B. Ramsay, M. Goldrick, R. Teepel, S. Moore, G. Taylor, R. Winters.

Coach: Mr. I. Wales.

This year's 6th Grade consisted of a comparatively small and inexperienced side. The backs were good, but received little ball from the forwards, who were hopelessly outsized on most occasions. When the backs did get the ball they proved to be outstanding penetrators especially Tony Grose and Geoff Dunn.

The team started the season well with a series of good wins over Knox, Waverley, Grammar and Randwick 3rd Grade but due to lack of practise wilted to the end of the season. Most of the team enjoyed their football and the practise which was very limited.

Thanks are due to Mr. Wales who spent much time training us and organising the team on Mondays, Wednesdays and Saturdays before and during games.

16A XV

C.H.S. PREMIERS

D. Blomberg (capt.), I. Besomo, P. Castle, P. Connell, J. Demetriou, P. Flambas, G. Franklin, M. Gibson, G. Haig, G. Handley, S. Kerr, R. Marshall, N. Odze, P. Santifort, C. Tremont, S. Vidal.

Coach: Mr. J. Zemancheff.

This year's 16A team was very successful, winning the C.H.S. Premiership and performing creditably in the G.P.S. In the C.H.S., although not playing up to their Saturday standard, they suffered only one defeat, on which occasion the team was greatly handicapped by lack of players. In the G.P.S. the team managed only two wins, one draw and three losses, scoring eight tries and conceding only four. The victory over Scots and draw with St. Joseph's in the last two games revealed great improvements in the team's skill and courage which augur well for next year.

Sincere thanks must go to coach Mr. Zemancheff, whose untiring efforts and undaunted interest, unfortunately not always responded to, was what moulded the 15 players into a formidable side.

16B XV

G. Castles (capt.), P. Anderson, P. Brennan, P. Burgess, D. Daley, W. Falkingham, M. Fischer, G. Goddard, S. Jones, S. Kerr, R. Marshall, A. Pateman, C. Quick, A. Spigelman, G. Waibel, M. Williams.

Coach: Mr. N. Blacklock.

The 16B's of 1969 have had a memorable and successful season. The commencement of the season saw three convincing victories over

THE RECORD

Knox, St. Pius and Grammar, and a thrill-packed 3-3 draw with a fighting Waverley side. The next game, however which signalled the beginning of the G.P.S. Competition, saw the Grammar side determined to avenge the whitewashing that they had received only two weeks previously, and despite the fact that the High side scored two tries to nil, the Grammar side ran out narrow winners. The remainder of the G.P.S. games saw two wins, two losses and a draw, all of which were hard-fought matches. As injuries took their, perhaps greater than usual, toll, the team was compelled to field on numerous occasions players who had already played earlier in the day. However, all the opponents of the 16B's found them a formidable, if relatively small, side. All in all, an enjoyable season with a large amount of talent being unearthed.

Finally, the thanks of the team go to its coach, Mr. N. Blacklock, particularly for his valuable advice and calming half-time talks.

16C XV

UNOFFICIAL G.P.S. CO-PREMIERS

R. Smith (capt.), J. Clarke (vice-capt.), D. Clark, A. Cordato, C. Gibbons, B. Hacopian, D. Ling, D. Luscombe, W. Miller, G. Moloney, D. Nemeny, S. O'Neill, R. Orr, K. Pope, S. Prince, B. Suen, R. Vanderweide.

Coaches: Mr. S. Fortey, Mr. G. Theodore.

The 16C's capped a fine season by being the only team in the school to defeat St. Joseph's. All in all the team won four games, drew one, lost one and had one washed out. This placed them equal first in the unofficial G.P.S. Competition.

The forwards led by R. Smith won 80 per cent of the ball from set play but didn't win quite their share from loose play. The long runs and general hard play of 2nd rower "Norm" O'Neill heartened the team tremendously. Breakaways Pope and Suen, who gained vital knowledge from coach S. Fortey (himself a former S.H.S. 1st-grader), always covered well.

The backs, although very speedy were at times let down by bad handling. Centres Nemeny and Moloney often put their wingers in the clear but lack of backing-up spoilt many tries. Fullback J. Clarke with his accurate kicking was able to relieve the pressure greatly in times of great defence. His excellent goal-kicking was to win many matches.

The team would like to sincerely thank coaches G. Theodore and especially S. Fortey together with many parents who helped make the season so successful.

16D XV

N. Madden (capt.), W. Perry (vice-capt.), G. Baes, G. Cowcher, D. Djuric, G. Errington, I. Gilchrist, J. Hutchinson, S. Illiopolis, L. Jurman, D. Kelly, M. Levy, J. Loxton, J. Prior, R. Wadell, A. Lewis, R. Pedersen.

Coach: Professor Roper.

The team this year, although not highly successful, had a very enjoyable season. The team was formed late in the season and was without a coach until the second competition match, but with the help of the Sportsmaster, Professor Roper was engaged in the role of coach.

THE RECORD

The team improved out of sight, having its best performance against Scots, winning 13-3. This result came from phenomenal play from the backs, who sliced the defence to ribbons, scoring three tries to nil. The forwards played well winning most of the ball. The team would like to thank Professor Roper for his valuable time and effort in coaching the team.

15A XV

UNOFFICIAL G.P.S. CO-PREMIERS, C.H.S. RUNNERS-UP

N. Sherring (capt.), S. Halliday (vice-capt.), J. Appelby, C. Barris, L. Blomberg, S. Burniston, P. Carlisle, W. Docker, S. Eccleston, D. Hadzi-Pavlovic, W. Hughes, B. Jelfs, P. Jonson, G. O'Brien, G. Stein, D. Stracey, M. Symonds.

Coach: Dr. E. A. Bentivoglio.

The 15A's enjoyed a successful season, being undefeated in the unofficial G.P.S. Competition. Although we met heavier teams in most matches we were able to overcome this disadvantage and capitalise on their mistakes.

Perhaps the highlight of the season was the match played against St. Joseph's College which ended in a thrilling 3-3 draw. Throughout the season Dr. Bentivoglio was able to inspire the team to play fast football, giving the wingers as many opportunities as possible.

All of our success was due to the untiring efforts of Dr. Bentivoglio, our coach, and Phillip Eccleston who helped us throughout the season.

15B XV

C.H.S. RUNNERS-UP

P. Molina (capt.), V. Moulis (vice-capt.), C. Adamou, A. Brown, S. Bell, J. Chapple, S. Codey, A. Dobeson, B. Jenkins, G. Nicholas, K. O'Brien, S. O'Dwyer, M. Oram, S. Robson, J. Roper.

Coach: Mr. J. P. Callaghan.

This year's 15B's had a moderately successful season. After being undefeated in the C.H.S. the team was defeated by Randwick in the Final 6-3. However, in G.P.S. the team did not fare so well, winning three out of six matches. Throughout the year we played as a team, however mention must be made of our captain P. Molina for his brilliant match play. In the forwards no one player can be singled out as they were tiresome in their open play.

The team's thanks go to our coach Mr. Callaghan for his time, patience and energetic effort on our behalf throughout the season.

15C XV

R. Middleton (capt.), M. Gilsenan (vice-capt.), R. Parr, M. Seres, C. Hodges, R. Monley, G. Bell, K. Bennet, J. Sulman, M. Burley, C. Dunn, K. Peard, P. Brown, C. Henning, D. Francis, C. Siou, P. Sullivan.

Coaches: G. Dodds, S. Marks, J. Mitchell.

The 15C's had an enjoyable season of football. In the C.H.S. Competition the team just missed out on reaching the semi-finals. The G.P.S. games were, although greatly influenced by the loss of our captain Robert Middleton in the first match, played well.

TRY THIS
SIMPLE SNACK IDEA

Toast bread on one side and spread with Corn & Bacon. Top with grated or sliced cheese and grill until hot and bubbly.

Ralph Lewis OPTOMETRIST

**IN THE NEW PARADE CENTRE
826 ANZAC PARADE, MAROUBRA JUNCTION
PHONE 349 6034**

THE RECORD

The team showed their best form in the match against Grammar, which they won 17-0.

Thanks go to our coaches Gary Dodds, Steve Marks and John Mitchell for their great help in the transformation of fifteen individuals into a team.

15D XV

J. Koumi (capt.), M. Hills, S. Hibell, C. Dennewald, N. Simmons, M. Morris, G. Henderson, M. Burns, P. Annettes, I. Gallegos, W. Downs, R. Sawyer, D. Della-Marta, C. Dunn.

Coach: Mr. J. Firbank.

The 15D's have had a successful season, both in G.P.S. and C.H.S.. In the G.P.S. Competition the team managed to record two wins, but suffered five losses. In the C.H.S. Competition, the team managed to win seven out of the 12 played. This is very good for a 15D team entered in a 15B Competition (C.H.S.).

Able led by Jim Koumi, and the patient coaching given to them by old boy Jim Firbank, the forwards developed into a pack which were always able to upset the opposing forwards.

The backs played good football throughout the season especially against Scots, Kings, Riverview and Shore.

The team would like to extend its thanks to our coach Jim Firbank (1968 1st XV) for devoting much of his time and effort in teaching us to play good football.

15E XV

A. Hollington (capt.), I. Cash (vice-capt.), P. Barr, P. Brake, J. Buckingham, S. Dwyer, B. Evans, G. Gardiner, R. McPherson, I. Madden, R. Milne, W. Morgan, I. Nicholson, R. Williams, P. Gerber.

Coach: Mr. D. Milne.

During the season the 15E's did not have much success but all members of the team had an enjoyable season. The team's lack of experience was made up by its enthusiasm. The backs and forwards combined well but couldn't do much with the ball. On many occasions the team went on to the field a few players short yet still managed to hold the opposition.

Even though we drew one match and lost the others, our spirits remained high and for this we are indebted to our coach, David Milne, who persevered with us throughout the season.

14A XV

C.H.S. PREMIERS

R. Brown (capt.), S. Greig (vice-capt.), D. Pauling, B. Milan, B. Knock, D. McDowall, R. O'Connor, E. Zemancheff, G. Kendall, C. Nelson, R. Whitehead, P. Harper, B. Mercer, I. Moore, H. Lazar.

Coach: Mr. A. Harper.

In the past season the team has performed very well in both C.H.S. and G.P.S. Competitions, winning the C.H.S. Competition and doing reasonably well in the G.P.S. Competition. Many of the new players in this year's team fitted in and performed very well.

THE RECORD

Our thanks go to Mr. Harper for his time and effort in coaching the team.

14B XV

C.H.S. RUNNERS-UP

W. Cann (capt.), G. Harper (vice-capt.), P. Bazana, J. Bourke, G. Boyd, N. Christie, W. Dunn, P. Georgouras, G. Harris, H. Hudak, I. Proctor, G. Papaellenas, T. Raynor, R. Reid, R. Tabrett, L. Wright.

Coaches: Mr. R. Goutman, Mr. Raynor.

The 14B's did not have a highly successful season. However, as the season progressed there was a notable improvement in the whole team, which was due to the coaching assistance of Mr. Raynor. In the first match of the G.P.S. Competition we went down narrowly to Grammar and then lifted our form to beat Riverview 5-3. In the next two matches, several costly mistakes lost us any chance of taking out the premiership. After these games we were more aware of our mistakes and, as a result, had a good 12-0 win over Scots. In the last game High went down to a far superior St. Joseph's combination.

The team's thanks must go to our coach Mr. Goutman and to the assistance of Mr. Raynor.

14C XV

UNOFFICIAL G.P.S. RUNNERS-UP, C.H.S. PREMIERS

C. Jones (capt.), B. Gibbons (vice-capt.), G. Crawford, R. Epstein, I. Fagg, J. Gilbert, R. Gooch, A. Hacobian, G. Hardaker, M. Honnery, S. Kelly, B. Kermode, N. Liaker, W. Marlow, S. McCormick, R. Turner, G. Young.

Coaches: Mr. Gooch, B. Dymock, S. Jones, B. Ramsey.

The 14C's this season have had great success as C.H.S. 14B Premiers and G.P.S. runners-up. The team was very talented with hard running backs who could also defend well. The fullback was very rarely caught out of position and kicked intelligently. The forwards won a lot of the ball but their play tended to be too loose.

There was a fairly good spirit in the team although failure to attend practices by a few tended to break the team's play.

Many thanks go to the coaches for their help and encouragement throughout the season.

14D XV

C. Pavlidis (capt.), M. Thomas (vice-capt.), G. Annettes, G. Armstrong, C. Cox, C. Dorbis, L. Erikson, R. Hobby, G. Howard, T. Johnson, G. Lee, J. Manchester, D. Mansfield, C. McDonald, R. Mills, P. Murray, J. Neale, M. Saul, D. Stern, R. Turnbull.

Coaches: B. Dymock, S. Jones, T. Whyte.

This year's 14D's had mixed success during the season. Their standard improved during the season, this being shown when, in a pre-season game, they lost to Grammar 20-0 and in the G.P.S. they defeated Grammar 6-5. Other wins included a well deserved victory over Kings 10-3. St. Joseph's proved too strong in beating us 22-3 as was the case against St. Ignatius 3-14 and Shore 5-27.

THE RECORD

The team's performances were hindered by failure to attend practice and team changes. These factors upset their co-ordination and team work.

The team appreciates the assistance given by the coaches throughout the season.

13A XV

C.H.S. PREMIERS

N. McGill (capt.), B. Hill (vice-capt.), N. Adamopoulos, S. Carter, S. Coe, G. Eldering, N. Fatouros, W. Francis, P. Ingle, G. Mallos, G. Morgan, C. Pateman, P. Perry, P. Robertson, S. Treble, P. Vidal.

Coaches: Mr. M. Kerr, Mr. J. Morgan.

This year the 13A's were very successful in the C.H.S. Competition, being Premiers and going down only to Matraville. However, after a very encouraging start we could only manage one win and a draw in the G.P.S. against Grammar and Scots respectively.

The team would like to thank Mr. Kerr and John Morgan for a very enjoyable season under their enthusiastic coaching.

13B XV

C.H.S. RUNNERS-UP

D. Clarke (capt.), J. Rains (vice-capt.), R. Mundell, P. Jelfs, P. Burley, I. Powell, C. Williams, R. Bowey, A. Kendall, N. Miller, G. Cliffe, M. Davis, C. Mitchell, P. Pearce, I. Parr.

Coach: Mr. P. Bentivoglio.

The 13B's won only one of their G.P.S. matches, but were improving with every match. The team was C.H.S. runners-up. Although we had a good set of forwards, the backs, mainly because of their inexperience, were unable to make the most of their opportunities. Despite this, the team shows all the signs of being a formidable combination in the future.

13C XV

M. Murray (capt.), J. Buckley (vice-capt.), P. Wright, P. Lewis, M. Viser, D. Kite, S. Kenny, W. Rich, R. Mitchell, V. Mitchell, C. Logan, K. Luciano, D. Gill, T. Disker, D. Richards, A. Bryan, D. Ryan, P. Daniels.

Coaches: D. Benson, G. Cruickshank.

Although the team did not win any G.P.S. matches they played fairly well. Most of the boys had not played football before and so they had to be taught the fundamentals of the game and did not begin to play as a team until the end of the season.

We would like to thank our coaches Dennis Benson and Gary Cruickshank for devoting their time to coaching us.

13D XV

M. Goldberg (capt.), A. Woods, J. Bloomfield, B. Taylor, R. Bathurst, P. Daniel, J. Dunn, L. Szockaly, R. Brennan, G. Sherwood, J. Gonan, T. Jennings, P. Mills, R. Doel, M. Phillips.

The 13D's had a very unsuccessful season, in that they lost all C.H.S. and G.P.S. games. This was due to the lack of co-operation of the team earlier in the season, but we improved consistently towards the end of the season. In the G.P.S. matches we lost by a much smaller margin of points than earlier in the season.

THE RECORD

12A XV

R. Ingle (capt.), P. Armstrong, S. Baldwin, B. Banwell, P. Bell, T. Blacket, S. Clarke, C. Freeman, P. James, T. MacDonald, J. McGuigan, I. Robertson, D. Skelsey, R. Steck, B. Stocker.

Coach: Mr. J. Paling.

This year's 12A team has had great success in the G.P.S. Competition and look forward to the C.H.S. Competition next year. The team though playing together for the first time, played very well and never gave up. Our only defeats were against Riverview 5-10 and St. Joseph's 0-5 which was only 30 seconds from the end.

We would like to give special thanks to Mr. Paling for the wonderful coaching he gave us and for not missing one of our matches. We all hope to get into the 13A's next year and are confident of a premiership.

12B XV

B. Beecroft, R. Adams, G. Riley, M. Webby, A. Finlayson, J. Harris, P. Henry, M. Della-Marta, R. Keyes, N. Sauces, P. Blaylock, D. Curray, B. Willot, B. Metcalfe.

Coach: Mr. M. Green.

During the season we had five wins, two losses and one washout. The highest point scorer was B. Metcalfe with 12 points. I think that the 12B's went well this season because no one in the team had played together before.

The 12B's want to thank Mr. Green for giving up his spare time to attempt to perfect our playing.

12C XV

G.P.S. CO-PREMIERS

R. Klye (capt.), P. Coursaris (vice-capt.), G. Schofield, J. Harrison, S. Darris, D. Goldwyn, M. Fatouris, P. Morris, M. Cordato, S. McClenan, E. Coligeros, T. Douglas, W. Frumar, P. Rigg, T. Lee.

Coach: Chris Miller.

The 12C's this year were G.P.S. co-premiers and went through the season undefeated, although the final match against St. Joseph's ended in a 3-3 draw. Our coach, C. Miller deserves most of the credit for his sound coaching and for keeping us under control. We are all looking forward to next season and hope for two more premierships in both the G.P.S. and C.H.S. Competitions.

SOCCER

In its initial season at Sydney High, soccer made steady progress, and promises to be one of the schools strong points as far as sport results go. Despite the fact that it was the first season, lack of numbers, and general "newness" to C.H.S. soccer, the results were quite reasonable. Thanks must go to Mr. Trussell and "Tibor", our coach, for providing the spirited interest needed for good results. Next year, and in those to follow, more rapid progress to success is ensured.

THE RECORD

SOCCER RESULTS

SYDNEY HIGH versus	Cleveland Street	Randwick	J. J. Cohill	S. Sydney	Vaucluse	Dover Heights	Maroubra Bay
1st Grade 1st match	Lost 5-1	Lost 2-1	Won Forfeit	Lost 6-2	Drew	Won 4-0	Won 5-0
1st Grade 2nd match	Lost 2-1	Lost 3-0	Won Forfeit	Lost 2-1	Drew 0-0	Won 4-0	Won 5-0
2nd Grade 1st match	Drew 1-1	Lost 3-0	Lost 15-0	Lost 4-0	No Match	No Match	No Match
2nd Grade 2nd match	Drew 0-0	Lost 3-0	No Match	Won 2-0	Lost 2-1	No Match	No Match

1ST GRADE

Team: J. Ehrlich (Capt.), A. Cordato, A. Field, M. Green, K. Howland, M. Hurst, M. Livingston, C. Moon, K. Moon, A. Mucsnik, C. Soiu, G. Ujvary, L. Waldock.

Coach: Mr. G. Trussell.

This year the school entered a 1st Grade Soccer Team in the C.H.S. Competition. Although the team was a very young one we had a reasonably successful season, winning six games, losing six, and drawing two. In the first round we lost our first three games by fairly wide margins. This was mainly due to the fact that the teams defence broke down late in the game, conceding two or three goals. Towards the end of the first round we improved greatly and won 4-0 against Dover Heights and 5-0 against Maroubra Bay. In the second round the team again lost its first three games to South Sydney, Cleveland Street, and Randwick, all by a margin of 2-1, and we were unlucky not to at least draw two of these. These games were followed by a hard fought nil all draw against Vaucluse and two good wins against Maroubra Bay and Dover Heights. The top goal scorer of the season was J. Ehrlich tallying 11 goals. The teams strength lay mainly in the half back line where K. Moon, L. Waldock and A. Mucsnik played particularly well all through the season.

The team's thanks are extended to Mr. Trussell for the time given to the team.

2ND GRADE

Team: A. Deacon (Capt.), A. Cordato, I. Coss, B. Damski, H. Doel, M. Falk, J. Tomasich, B. Sussman, P. Green, G. Barass, R. Vanderwelt, R. Vardy.

This year, for the first time, soccer was introduced as a school sport in the C.H.S. competition.

We began the season well with a 1-1 draw against Cleveland Street. However, we did not win the next six games and our only win of the

THE RECORD

season was in our last game in which we defeated South Sydney 2-0. The reason for our losses could have been due to lack of experience.

Considering this was Sydney High's first soccer season the team played well and the win in our last game showed that we should continue to improve in following seasons.

The goal scorers during the season were A. Deacon, B. Damski, K. Moon and B. Sussman.

WATER POLO

In the short period that water-polo has been played in the school, a great amount of success has been achieved by all grades. 1969 has been no exception with all teams finishing near the top of their respective competitions.

The most pleasing aspect of the water-polo camp has been the large numbers, especially evident in the younger grades. Enthusiasm has been high throughout the year and is indicative of the success of all our grades. It is the first year where competition for positions in teams has been tough, and we are now in the fortunate position of being able to reject players lacking enthusiasm or purpose. Only a handful of players will be leaving at the end of the year, so the strength of both senior and junior grades will not be greatly effected. Intensified training methods, introduced by the senior grades' "fiery" coach Mr. Frazer and also by the junior coach, Mr. Stover, have been very beneficial and brought immediate results.

1ST GRADE

L. Dunn (Capt.), L. Cotterill, G. Gilseman, W. Turnbull, P. Connell, S. Codey, S. Vidal, R. Day, A. Field, P. Willcox, E. Kritzer.

Coach: J. Fraser.

1st Grade had a relatively successful season but their main goal eluded them again. We thought that we had the experience and ability to win the State Championships this year, however, we soon realised that we lacked the first quality. Apart from the fact that we didn't win the C.H.S. Knockout. Firsts were undefeated Zone Premiers and convincingly defeated every team. The selection of three of our "young" players in the State side reflects the high standard of the team. We were in the lucky position of having these three "stars" — G. Gilseman, L. Cotterill and W. Turnbull, but yet still unable to beat a team with our stars. The lesson learnt was that a team of champions won't beat a champion team. So next year the school will be presented with that elusive State Shield.

All our thanks go to our two champion coaches, Mr. Frazer and Mr. Stover, for their time and efforts on and off the water-polo field.

2ND GRADE

M. Fischer (Capt.), J. Santifort, J. Warr, P. Brennan, P. Burgess, G. James, S. Layman, P. Santifort, S. Theodore, R. Williamson, C. Young, G. Parsons, R. Vanderweide, G. Handley, S. Kerr.

Coach: J. Fraser.

THE RECORD

FIRST GRADE

Back Row: P. Connell, G. Gilsenan, A. Field, R. Day, P. Willcox, S. Vidal, S. Codey.
Front Row: W. Turnbull, L. Dunn (C.), Mr. J. Fraser (Coach), L. Cotterill (V.C.), E. Kritzler.

SECOND GRADE

Front Row: R. Williamson, G. Handley, M. Fischer, Mr. J. Fraser, P. Burgess, P. Brennan, G. James.

15 YEARS

Back Row: J. Pearce, G. Bell, I. Cash, B. Denn, M. Saul, P. Perry.
Front Row: E. Zamenchef, M. Gilsenan, S. Bell, P. Bell, J. Dunn.

THE RECORD

2nd Grade, this year, has shown itself to be a well-moulded team, made up of boys from 4th, 5th and 6th Forms. The team has done well this season in finishing with an unblemished record of undefeated C.H.S. Zone Premiers. It would be unfair to all concerned to name anyone in particular as a star or as a future star, because, as it should be with a team, there were none — every boy did his job and did it well.

The team would like the opportunity of thanking its coach, Mr. Frazer, for the fine job he did throughout the season.

15 YEARS

G. Bell, S. Bell, P. Bell, I. Cash, E. Zemancheff, J. Dunn, M. Gil-senan, C. Williams, P. Perrie, P. Ingle, M. Saul, J. Buckingham.

Coach: J. Stover.

This year's 15 Years Water Polo team, although not as impressive as previous 15 Years teams, performed very creditable. The losses sustained by the team were very unlucky. The team combined very well, the most outstanding player being Mark Gilsenan. The team would like to thank Mr. Stover for his attention throughout the season.

14 YEARS

D. Pauling (Capt.), R. Ingle, P. James, B. McDonnell, D. McDowall, J. McGuigan, A. Nicholson, D. Pisk, R. Sansonetti, T. Schwarz, P. Summers, B. Winter, C. Leamon.

Coach: J. Stover.

The team was very successful in its initial season of water-polo, only losing to South Sydney and Dover Heights. The team showed a lot of talent, even though most of the players were playing their first season of water-polo. The team, with experience and depth of talent should develop into a strong combination next season in the 15 Years division.

The team would like to thank their coach, Mr. Stover, for his time and effort.

THE RECORD

ROWING REPORT

The Rowing season started early in August, 1968, when Mr. N. Grounds met all the rowers who had competed in the 1968 G.P.S. Regatta, and who were available for selection in 1969 G.P.S. crews. A 1st VIII squad was formed from a crew which has had reasonable success during the season. The 1st VIII was placed many times in Club events, won the C.H.S. Head of the River, and sixth in the G.P.S. Head of the River. The 2nd VIII and Penrith IV's were not finally selected until January, 1969, as some boys became unavailable for health and personal reasons. The IV which did not have a great deal of success as far as records go were composed of particularly young, light, boys who should form a nucleus of competent, experienced rowers for the next two years. At the time of writing, August, 1969, these boys have been already organised into the 1970 G.P.S. 1st VIII, 2nd VIII and 1st IV; with a wealth of rowing experience behind them, the school hopes for favourable results in the coming season.

Open Day, 1969, was once again a very successful function, and saw the christening of a new regulation four, purchased from the rowing appeal funds. The new regulation four was named the "O.B.U.", and was christened by Mrs. F. Dear, wife of the retiring O.B.U. President. The craft was so named to mark O.B.U. generosity to Rowing in the school.

Looking towards the coming season, Mr. N. Grounds will be coach of the 1st VIII, Mr. N. Smith coach of the 2nd VIII, Mr. A. Simons, coach of the 1st and 2nd IV's, Mr. G. Knight, coach of the 3rd IV, and Mr. K. Goswell, coach of the 4th IV. It is hoped that the time and effort put into the rowing season will be amply rewarded with respect and friendship from the boys, as well as results, and that increasingly more boys will make themselves available for rowing selection.

A warm expression of appreciation must be recorded for the splendid work of last seasons coaches and supporters and to those who, during this winter, were able to renovate the pontoon. A special thank you is extended to Mr. K. Breakspeare for his invaluable support in this regard. Mr. Gordon Cheers has retired from coaching this year after many years of valuable and loyal service to the school and we record, with gratitude, our appreciation of his magnificent contribution to the rowing club and the development of the boys who have been in his care during his long period of continuous service as a coach. We look forward to many more years of helpful associations with Mr. Cheers as a member of the rowing committee.

R. ROBINSON.

1ST VIII

Crew: J. Ehrlich (bow); W. Russo (2); P. Logan (3); P. Wall (4); C. Whelan (5); J. Brabant (6); R. Lawrence (7); G. Franklin (stroke); D. Paling (cox).

Coach: N. T. Grounds, Esq.

**THE SENIOR VIII**

D. Paling (cox), G. Franklin (stroke), R. Lawrence (7), J. Brabant (6), C. Whelan (5), P. Wall (4), P. Logan (3), W. Russo (2), J. Ehrlich (bow).

THE RECORD

The season started in July, 1968 and Mr. Grounds used as the basis for his "eight", the members of last season's Penrith rowers. A squad of nine was finally chosen and, after switching the members around, Mr. Grounds announced the eight in September. The crew remained unchanged for the rest of the season.

The crew was extremely small averaging only 11 st. 8 lbs. at the start of the season and a great deal of work, in and out of the boat, was needed to make the eight a match for the heavyweight crews of the other schools.

November saw the eight enter its first regatta, and after a good row, the crew came in a close third. Two other regattas were entered before Christmas and the crew recorded a fourth and very good third. These two regattas were held at Penrith and the crew gained valuable experience on the "dead" water.

During the season much out-of-the-boat work was done, concentrating on the strength in the arms and shoulders. Mixed in with these exercises were 4-mile runs for conditioning purposes and leg muscles.

After a short break over Christmas, the eight resumed training with a week in camp in which over 90 miles were covered in 6 days. This week culminated in a second placing in the Sydney Twilight Regatta. Training throughout the season consisted of many sets of 1½ minute pieces, 3 minute pieces giving way to the longer 1½ mile courses. The eight did about 20 x 1½ mile courses during the season. About the best of these was a 7.45 effort in dead conditions.

Between Christmas and The-Head-Of-The-River the eight competed in 5 regattas. The first produced a fine win at the Leichhardt Regatta, the school's first win in a club regatta for 7 years. The next two regattas produced two well-rowed second placings. These were followed by the C.H.S. State Championships held at the North Shore Course over 1500 metres. Although it was not a good row, it provided for the eight its second win of the season with a comfortable 2 lengths margin between High and Telopea Park, the previous year's champions.

Mr. Grounds decided that the eight would enter only one more regatta before the Head of the River. This was the Riverview Gold Cup in which the eight gained third place in its heat, only one length from the eventual winner, Sydney Rowing Club.

The move to Penrith was made on the Wednesday before the big race and the eight, with 1,200 miles of experience behind them, began final preparations. The dead water seemed to suit the crew and they rowed particularly well during this vital stage. On the day of the race the eight had been classed as third favourite and approached the line fit and confident of a good showing. Despite rowing well under the circumstances, the crew only managed 6th place, about 3½ lengths behind the winner, Kings.

During the season the eight had a welcomed amount of success and this is all due to our coach, Mr. Norm Grounds. The crew would sincerely like to thank him for making the season such an enjoyable and

THE RECORD

successful one, the only disappointing factor was we couldn't have done better for him at Penrith.

With 20 Penrith rowers returning for next year's crews there is a strong foundation for our chances on the river. The eight would like to congratulate the Kings School crew on their great win to bring up the hat-trick.

Racing Record of the 1st VIII:

Sydney Regatta: Maiden VIII — 3rd (final).

Nepean Regatta: Maiden VIII — 4th (final).

N.S.W.R.A. Regatta: Maiden VIII — 3rd (final).

Sydney Twilight Regatta: Junior VIII — 2nd (final).

Leichhardt Regatta: Maiden VIII — 1st (final).

North Shore Regatta: Maiden VIII — 2nd (final).

N.S.W.R.A. Regatta, Penrith: Maiden VIII — 2nd (final).

C.H.S. State Championships: 1st (final).

Riverview Gold Cup: 3rd (heat).

G.P.S. Head of the River: 6th.

2ND VIII

Crew: P. Flambas (bow); P. Harvey (2); K. Breakspeare (3); T. Booler (4); C. King (5); E. Morgan (6); I. Crichton (7), G. Barr (stroke); P. Stern (cox).

Coach: G. Cheers, Esq.

The second eight was selected in late January, 1969. The average weight was 10 st. 10 lbs. and much keenness in training on and off the water tried to remedy this disadvantage.

In the early regattas performance was poor but improvement had shown at the Riverview Regatta heats when the crew came in third — 1½ lengths behind the eventual G.P.S. winners, Grammar. Training improved even more on the Nepean but on the night previous to the race, Ian Crichton (7) became ill and lost much weight. Possibly because of this and our weight disadvantage our performance was not up to expectations.

The crew's thanks go to Mr. Gordon Cheers for all the time and effort he put into his coaching during the season.

Racing Record of the 2nd VIII:

Haberfield Regatta: Maiden VIII — 5th (heat).

Newington Invitation Regatta: School 2nd VIII's — 3rd (heat).

Riverview Regatta: School 2nd VIII's — 3rd (heat).

G.P.S. Regatta: School 2nd VIII's — 8th.

1ST FOUR

Crew: T. Schindler (bow); T. Reid (2); B. Ramsey (3); D. Luscombe (stroke); R. O'Connor (cox).

Coach: N. C. Smith, Esq.

The season started early for this year's First Four, yet the crew was not finalised until a week before the return to school. Camp followed two weeks later and the crew settled into a routine of hard training sessions. The crew only showed mediocre form in the early regattas, but soon, under the coaching of Neil Smith the crew was producing

THE RECORD

FIRST IV

T. Schlinder (bow), T. Reid (2), B. Ramsey (3), D. Luscombe (stroke), R. O'Connor (cox).

some fine rows. At the Metropolitan Regatta the crew gained a close second behind King's, who eventually won the Yaralla Cup. This boosted the crews confidence of performing well at Penrith, but the crew had to settle for a close sixth after being well up all the race. The crew also had the pleasure of rowing in the newly purchased four, the "O.B.U."

The crews appreciation goes to coach, Neil Smith, not only for his expert coaching but for his friendship and encouragement throughout the season.

Racing Record of the 1st Four:

Haberfield Regatta: School Regulation 1st IV — 4th.

St. Ignatius Regatta: School Regulation 1st IV — 3rd (heat).

Metropolitan Regatta: School Regulation 1st IV — 2nd

Metropolitan Regatta: Maiden IV's — 6th.

G.P.S. Regatta: 6th.

2ND FOUR

Crew: B. Voyages (bow); R. Lasar (2); M. Godfrey (3); I. Luxford (stroke); P. Huxtable (cox).

Coach: N. C. Smith, Esq.

The second four was finalised just as school recommenced and was looking forward to a rewarding season after some very good rows during the first few weeks of school. After a disappointing result in the first

TT005

THE RECORD

race, results started to improve which were indicative of the crew's potential.

Throughout the season the only crews which remained unbeaten by the 2nd IV were Shore and Newington, and the crew moved to Penrith hoping to put up a good performance, knowing they had the ability. For only one week before the Head of the River they gained a close second to Kings ($\frac{1}{2}$ length) who were eventually to come 2nd to Shore at Penrith. However, the disappointing row on the day did not do credit to the crew or its coach Neil Smith whose efforts deserved a better result. The crew would like to give special thanks to Neil Smith for making the season an enjoyable one and for his efforts aimed at our benefit.

Racing Record of the 2nd Four:

North Shore Regatta — 5th.

Newington Regatta — 4th.

Drummoyne Regatta — 2nd.

Haberfield Regatta — 4th.

St. Ignatius Regatta — 4th (heat).

Metropolitan Regatta — 2nd.

G.P.S. Regatta — 7th.

3RD FOUR

Crew: T. Baret (bow); R. Pedersen (2); C. Henning (3); C. Quick (stroke); P. Jelfs (cox).

Coach: A. G. K. Simons, Esq.

The third four was tentatively formed early in the Christmas vacation, however, this crew could not be retained. The crew was finalised about the end of the Christmas holidays. All through the season, it was hampered by their size, the average weight of the crew being only ten stone, the lightest 3rd IV on the water at Penrith. Due to our lack of weight and of experience the crew did not go as well as we would have liked in competition, gaining only one place, at the Drummoyne Regatta, the whole season.

We would like to thank our coach, Al Simons, for all the trouble and effort he put into coaching us.

Racing Record of the 3rd Four:

Colleagues Regatta — 5th.

Newington Regatta — 7th.

Drummoyne Regatta — 3rd.

Haberfield Regatta — 5th.

Riverview Regatta — 4th.

Metropolitan Regatta — 5th.

G.P.S. Regatta — 8th.

4TH FOUR

Crew: C. Barris (bow); D. Ling (2); D. Blomberg (3); M. Symonds (stroke); P. Barr (cox).

Coach: A. G. K. Simons, Esq.

This years fourth four was the lightest on the river and therefore a

THE RECORD

lot of conditioning and rowing skill had to be obtained for them to beat their heavier opponents. Many miles were rowed and the crew fared reasonably well in regattas before Penrith. Unfortunately they could only manage a 7th at Penrith.

We would like to thank our coach, Al Simons, for making the season so enjoyable and devoting so much time to us.

Racing Record of the 4th Four:

Colleagues Regatta — 6th.
Newington Regatta — 4th.
Drummoyne Regatta — 5th.
Haberfield Regatta — 4th.
Riverview Regatta — 3rd.
Metropolitan Regatta — 2nd.
G.P.S. Regatta — 7th.

JUNIOR EIGHT

Crew: J. Sulman (bow); G. Cruickshank (2); T. Sheldon (3); P. Brownlee (4); B. Keleman (5); G. Ricketson (6); B. Jelfs (7); W. Perry (stroke); M. Goldberg (cox).

Coach: K. Goswell, Esq.

The crew was picked quite early in the season and then began training. Due to sickness and injury everybody in the crew held up training for some time. At Riverview the eight had a new coxswain, and with two other changes, the crew performed well below standard. Although not a successful season it was a very enjoyable one and the crew would like to thank Mr. Goswell for his devoted time and effort.

Racing record of the Junior Eight:

Riverview Regatta — 4th in the heat.

1969's several junior crews, who show new enthusiasm for the sport in the school, have predominantly been formed by second formers. Despite high enthusiasm, none of our junior crews (except the 5th IV) scored with success at Riverview Gold Cup Regatta.

All the crews thoroughly enjoyed the rowing and their coaches, happy that the crews have learnt the fundamentals, predict many fine rowers for the future regattas.

5TH FOUR

Crew: R. Parr (bow); H. Lazer (2); B. Harris (3); I. Gallegos (stroke); D. Skelsy (cox).

Coach: Mr. R. Woodham.

This year's fifth four was fortunate enough to be coached by Mr. R. Woodham, an old boy of the school.

Formed mid-way through February, two crew members experienced their first year in rowing. They immediately commenced training showing plenty of enthusiasm and combining with the patience of an experienced coach. The crew improved greatly displaying what they had learned, at Riverview.

Racing record of 5th Four:

Shore — 3rd (heat), 2nd (final).
St. Ignatius — 1st (heat); 2nd (final).

THE RECORD

6TH FOUR

Crew: G. Mallos (bow); I. Powell (2); R. Ehrlich (3); N. McGill (stroke); N. Fraser (cox).

Coach: Mr. R. Woodham.

This crew was coached early in the season by Phil Cullen and Graham Cheers. Their coaching showed out with a pleasing fourth place in the Scots Regatta against more senior crews.

We were then picked as the sixth four under Ross Woodham. Besides hard training on the water, the crew followed a regular training schedule in the gym for several weeks before Riverview where only a margin of one foot kept us out of the final.

The crew would like to thank Ross, Phil and Graham for their enthusiasm and good coaching which made the season a very enjoyable one.

Racing record of the 6th Four:

Scots Regatta — 4th.

Shore Regatta: Tub IV (1) — 3rd (heat, 6th (final).

Newington Regatta: Tub IV (1) — 3rd heat, 6th (final).

Riverview Regatta: Tub IV (2) — 3rd (heat).

7TH FOUR

Crew: K. O'Brien (bow); G. Nicholas (2); I. Madden (3); A. Hollington (stroke); M. Crocker (cox).

Coach: I. Falson.

The crew, which was finalised very late in the season and because of this, had a very hard training programme. Because of our coach, Ian Falson, we were improving and enjoying ourselves at the same time. However, all our hard work did not show off in the regattas we entered.

Racing record of the 7th Four:

Shore — 4th.

Newington — 6th.

Scots — 4th.

Riverview — 4th in heat.

8TH FOUR

Crew: S. Dwyer (bow); P. Gerber (2); A. Armstrong (3); I. Fagg (stroke); R. Hopkins (cox).

Coach: Mr. Bruce O'Meagher.

The eighth IV was made up of four boys completely new to rowing. Although they did not manage to gain a place in any of the races they entered in, the experience they gained, it is hoped, will enable them to be better rowers in the future. Sincere thanks go to Bruce O'Meagher, himself a former S.H.S. rower, for his help and encouragement.

A.R.L.

THE RECORD

BASKETBALL

Heading the news on this year's basketball scene was the introduction of a round of games against several G.P.S. and C.H.S. schools. It is encouraging to see this fast and exciting game, that demands such a high standard of teamwork as well as individual ability, has finally been recognised in this way. The High basketball teams were successful in the first games played in this largely experimental series of games, however, through the determination displayed by our fellow G.P.S. opponents in other areas of sport we can expect tight play and hard fought games in future rounds. (These games were played on Saturday mornings and our thanks go to those parents who helped transport our players to the more remote venues.

1ST GRADE

Team: R. Furness, K. Howland, B. Jakeman, D. Joffe, C. Kiriazis, M. Lakeman, M. Luciano, P. Paitry.

Coach: Mr. M. Green.

Sydney High Basketball during 1969 has had varying success both on and off the court. Early in the season the 1st Grade side visited Narrandera High School in the Murrumbidgee Irrigation Area for a Shell Cup trial game. Unfortunately we lost, but the friends that were made and the hospitality shown to the boys made the trip very worthwhile. We would like to thank formally, through "The Record", and extend our thanks to the Headmaster, parents, boys and girls at Narrandera High School for the hospitality and friendliness. Let's hope that we may return the favour in the near future.

Our 1st Grade were C.H.S. Zone Premiers and unofficial Premiers of the Private Schools' Competition which was played on Saturdays. The latter competition was introduced during 1st term as an experimental competition and it proved very successful and shall be continued in future years, as an official competition.

Everybody involved in the basketball this year has noticed the attention and work that Mr. M. Green has put into the sport both on the coaching side of 1st Grade and on the social side. Thanks for a job well done, Mr. Green. On the representative side; Barry Jakeman was selected in the C.H.S. 2nds Basketball Team and Paul Paitry in the C.H.S. 3rds Team.

2ND GRADE

Team: A. Price, S. Dickson, T. Thatri, G. O'Brien, C. Sioux, G. Monoley.

The team had a fair season this year and in the C.H.S. matches, it went down only to Cleveland St., Vacluse and Randwick, but was successful in the other games. In the G.P.S. and associated Schools Competition on Saturdays, the team played good basketball and were defeated only once by Barker College. The most improved player of the season would be T. Thatri, who if he keeps playing will improve even more. S. Dickson and G. O'Brien would be the best attacking players the

team has and with practice should go well next year. Overall the team has had a fairly successful season and has a bright future ahead of it.

— A.R.L.

15 YEARS

Team: D. Stacey (Capt.), N. Christie, A. Easton, P. Green, A. Mucsnik, D. Hadzi-Pavlovic, P. Warrimer.

Coach: Mr. R. Cunningham.

The team performed with mixed success in both the C.H.S. and Saturday competitions, the main problem being to combine individual playing styles into a team effort. With more time spent in practice, improved performance is expected in the next round. The team would like to thank Mr. Cunningham for his time and effort while coaching.

14 YEARS

Team: A. Shewan (Capt.), K. Mawson, R. Hauer, P. Harper, D. Frere, G. Godwell.

Coach: Mr. R. Cunningham.

The team commenced the season rather shakily but later settled down to better play in the C.H.S. competition, heartened by successes in their Saturday games. Of their own accord the team has embarked on a programme of regular training and tends to further lift the standard of its play during the next round. The team would like to thank Mr. Cunningham for his time and effort while coaching.

13 YEARS

Team: W. Downs (Capt.), Adampolous, B. Carpenter, Gardiner, Gill, McDonald, Nall, T. Szokoloy, Bathis, Phillips.

Coach: Mr. R. Cunningham.

From the size of the team there was no shortage of applicants when the team was formed for the first time this year. Most had little or no experience at basketball, but all played hard and learnt surprisingly fast with the advice of Doug Satracey. From the table of results (losing only two out of twelve games) it can be seen that this age group should provide High with good basketball results in the next few seasons. Three of the team, Gardiner, Davis, and McDonald, attended a Statewide Basketball camp at Narrabeen during the May vacation where they were able to exchange techniques with and match their skill against players chosen to attend from many N.S.W. schools. The team would like to thank Mr. Cunningham for the way in which he coached them.

THE RECORD

Very big on bread

Over bread, over scones, over crumpets, over to you. Ignore the wrapper, this is the most deliciously sp'breadable margarine in the country.

Marrickville makes it.

27,489

THE RECORD

THE RECORD

FRESH CHIP

Pick the Fresh Chip. ETA Krunchi-Krisps.
They're the freshest chips around,
because of the exclusive double seal bag.
So if an ETA Krunchi-Krisp winks at you,
best thing to do is eat it. It's really fresh.

31.169

THE RECORD

PHILLIP ZONE CROSS-COUNTRY CHAMPIONSHIP TEAMS — JUNE, 1969

Zone Team for C.H.S.

These are the boys from Sydney High who represented their zone in the C.H.S. Cross Country Championships held at Moore Park on June 2, having been chosen from the second school cross-country run.

Eight competitors are selected from the zone in each age group as well as four reserves. Below are the Sydney High representatives.

12 Years:

P. James, G. Sakalidis, I. Robertson, P. Henry, R. Ingle.

Reserve: K. Poppert.

13 Years:

D. Currie, J. Forrester.

Reserve: P. Pearce.

14 Years:

I. Fagg.

Reserves: G. Crawford, L. Wright.

15 Years:

M. Seres.

Reserve: W. Eichmann.

16 Years:

L. Blomberg, G. Aroney, D. Blomberg.

Reserve: D. Churchill.

Open:

G. James, G. Fagg, J. Zeitsch.

Reserve: R. Glass.

SUPPORT OUR ADVERTISERS

High Honours

JOHN CHARLES VOCKLER, O.G.S., S.S.F.

Sydney High School has produced not a few distinguished churchmen, one of them being the Right Reverend John Vockler, formerly Bishop of Polynesia.

Born in 1924 he came to High in 1936 but only stayed for three years, till the Intermediate, when he left school and worked with a business firm for three years. In 1942 he entered Moore Theological College, Sydney, while studying for his matriculation at night school. The following year he transferred to Saint John's College, Morpeth, whilst teaching at Newcastle Church of England Grammar School.

In March, 1948, having gained his Licentiate of Theology, John Vockler was made Deacon and later that year ordained priest. The then Father Vockler served at Newcastle Cathedral for two years when he was appointed Vice-Warden of St. John's College, Queensland University, where he was awarded his Bachelor of Arts.

Father Vockler was then appointed Vice-Warden of his old seminary, St. John's in 1953, and then he went to the United States for post-graduate work in Church history. Whilst he was a Fellow of the Episcopalian General Theological Seminary he gained a Bachelor of Theology, a Master's Degree and a Doctorate of Theology.

In 1956 Father Vockler returned to Australia as lecturer at Morpeth and three years later he was consecrated Anglican Bishop Coadjutor of Adelaide till he was elected to the diocese of Polynesia in 1962. However, after six years of work in Polynesia, Bishop Vockler resigned to test his vocation to the religious life at a Franciscan Friar Novitiate in England.

Besides the notable achievements already mentioned Bishop Vockler has an outstanding academic record.

At Queensland University he gained his B.A. with First Class Honours in history and the University Gold Medal besides three different scholarships. He received his Th.L. with the Forster Prize for Greek in 1947. Bishop Vockler was awarded another B.A., this time from Adelaide *ad eundem* grader and is author of two books, "Can Anglicans Believe Anything?", and "Belief in God", as well as being a contributor to many journals.

Bishop Vockler is sympathetic to the plight of modern day youth. He feels that there is too much condemnation of youth today because of the often undesirable activities of a small minority and that not enough people know about worthwhile youth organisations like A.V.A. and V.S.O., organisations aiding under-developed countries. Bishop Vockler finds vandalism hard to understand. However, he believes that student unrest is motivated by some sort of desire to become directly involved in society and by righteous indignation and frustration over the society in which they must live. It is the instability of our society which is to blame.

THE RECORD

The poverty, fear, and uncertainty which is so prevalent will continue unless everyone of all nations unite in remedying the terrible present day conditions, especially for those in under-developed countries. And present day youth, the generation which will, in the future, have to cope with these problems, must become more responsible and mature, especially because of its increased freedom. Youth, says Bishop Vockler, must become involved creatively in all aspects of life, especially at school, at Sydney Boys' High School where so many opportunities and advantages are offered. For it was at Sydney High that Bishop Vockler feels he learnt the value of intellectual enquiry and tolerance.

Bishop Vockler is proud to be an Old Boy of Sydney High and honoured to be a Vice-Patron of the O.B.U.

(Right Rev. J. Vockler was interviewed by R. Waddell).

JOHN CHARLES VOCKLER

High Honours

MR. FRANK S. BRADHURST

HON. D. Sc. (U.N.S.W.), A.S.T.C., A.R.A.C.

Mr. Frank S. Bradhurst, a most distinguished Old Boy, attended Sydney Boys' High School from 1914 to 1918. Mr. Bradhurst claims that his school career gave him a solid foundation for his later life and rightly so, as can be shown by his extra-curricula activities. He was the organiser of the 1917/18 athletics carnival at the Sydney Cricket Ground, was Tuckshop manager, held numerous positions in the clubs that then existed, was a fully commissioned lieutenant in the School Cadet Corps and a Prefect.

THE RECORD

He also led a distinguished sporting career, as well as being Captain of the Soccer XI on Wednesdays, he was a member of the 1st Rugby XV on Saturdays and won the Silver Medallion for Lifesaving. Despite all these extra activities, his academic performance did not suffer. He gained good passes in the Intermediate Certificate and Leaving Certificate (including Honours in English) and achieved the unique distinction of winning both the John Waterhouse and Old Boys' Prizes.

In 1916 he made up his mind to study Science at Sydney University and the following year to specialise in the Food Industry, but an accident on the football field resulting in a broken leg, caused him to change his mind and decide upon a Diploma Course at Sydney Technical College. He gained an Honours Dip. in Organic Chemistry and won the College Medal. During his studies, at Sydney Technical College, he was active in the foundation of the Science Association and its first President. Later he was active in the foundation of the Science Graduates Association and held the office of President, in the formation of the Associates' Institute merging students and graduates from various departments and in the transition from this to the Students' Union (again President).

In 1919 he joined James Stedman Henderson Ltd. as a laboratory assistant where he remained for two years before joining Holbrooks (Australasia) with whom he has been associated until recently. Beginning as a junior chemist he ascended the ladder through the production field. He was appointed factory manager in 1924 and was elected to the Board in 1946, becoming Managing Director (two years later). With this company, he started the laboratory and developed quality control, added many products to their range including jam manufacture and canning, can making and glass bottle making. He designed and installed a modern glass-making furnace using Escher heat resisting steel recuperators for the first time in glass furnace work. In 1947 he went to England and U.S.A. to study developments in Food Technology and Glass Production, and again in 1951 to England and Europe and U.S.A. for the same purpose. During the Second World War he was a lieutenant in the Volunteer Defence Corps Chemical Warfare Company, which was staffed and manned by reserve personnel, mainly technical men. The unit was developing coloured smoke to identify forward positions in the rugged areas of New Guinea when the war ended. During the war years he actively collaborated in the development of a series of lectures sponsored by the Sydney University Extension Board on Food Technology, taking advantage of the presence of Professors serving with the American Army and gave one lecture in the series. In 1947 he investigated and reported on Technical Education abroad with particular reference to Student Activities and Food Technology instruction, visiting many English and American Universities and initiating liaison with the American Institute of Food Technologists, being accepted as a member.

In conjunction with the officers of the Sydney Technical College and University of Technology, he organised a number of short courses of

THE RECORD

instruction in various phases of Food Technology at operative and technical levels.

In the same year he joined other interested men to form the N.S.W. Food Technology Association, which has been responsible together with the C.S.I.R.O. Food Preservation Unit for lifting the technical standard of food production in Australia.

He has been a member of the first Technical Education Advisory Council from its foundation in 1936 until its termination in 1949 and then a member of the new Council, the present N.S.W. Technical Education Advisory Council from 1950 where he is chairman of its Education Committee. He is also a member of the recently formed Council of the Institute of Technology. In recognition of his efforts in food technology and other scientific fields he was awarded an Honorary degree of Doctor of Science (*Honoris Causa*), University N.S.W. 1955.

As Past President of the R.A.C.I. and also of the F.T.A. his work in the scientific, technical and managerial aspects has always been a great source of satisfaction to him until his formal retirement at the end of 1961.

Most people would have looked forward to a relaxed retirement but not Mr. Bradhurst who is either a member of or holds offices in over 25 organisations, clubs and committees. Two years after retirement his ever-present drive brought him a continuance in his work, taking part in the U.N. Technical Assistance Organisation in Singapore and in 1964 as a member of a U.N. industrial survey mission in Iran.

For recreation Mr. Bradhurst indulges in lawn tennis, swimming and golf and maintains a keen and avid interest in technical education.

Mr. Frank Bradhurst's life has been one of intense activity and exuberant drive. He has effectively applied the principles of Science and his leadership qualities to produce advances in scientific processes particularly in the Food Industry, in Technical Education and a host of other fields in which he readily and whole-heartedly participates.

His dynamic approach and integrity towards his work throughout his life have set the highest standard for the younger generation to reach.

Mr. Frank S. Bradhurst was interviewed by Robert Keleman and Philip Bear.

THE FINAL GATHERING

Fools.
Gathered in groups
There at the edge of the desert.
Anonymous men huddling together
Welded together by mutual hopelessness. Men,
That have dreamed and not awoken
That have looked and not seen.
Fatalistic empty faces
Belonging to bodies that stretch
Beyond the eye
Sitting on sands that like their hopes
Shift away and back and across and away.
Drawing circles and crescents and crosses
In the sand and watching them
Carried away in the wind
Shattered and dispersed by the motion of a hand.
Tired bodies, tired of searching
They exist, and wait.
Maybe it will rain.
Maybe.
maybe.

Some say there is a better way
Beyond the distant cactus line
But there are none who know the way
So here they will stay
Waiting for the rain.
Waiting.
A cloud.
Could it . . . ?
But no
They do not know
The summer is yet come.

D. HADZI-PAVLOVIC, 4A

THE RECORD

LIFE

A word of advice, a word is needed. To replace it there is a wall, a high, barbed fence. As time passes it grows higher, thicker and harder to climb. There is a state of desperation and confusion. The younger people are at war with the elders and in both corners life is being destroyed and created by immorality.

A tender girl, her skin clear, her eyes soft, has died. In her place a pimp eyed drug addict emerges as the elders look on, then turn their backs in disgust. Youth is dead, the Aged are dying and the World waits its turn to die.

R. HAND, 4A

"RELAXANT"

Michael Luciano, 6E

THE RECORD

ATOMIC EXPOSURE

Right angled monolith of greyed cement
Blackened windows without security
Prism of concrete solidity
Stripped of strength by the gash of windows.

Inside, the bodies of faded life
White sills and framework
Hiding nothing . . .
No warmth of escape.

Tiles
Geometrical corners
Discoloured open windows
So easy to fall.

Beyond, the grey horizon
Of hazed, motionless, crumpled sea.
So easy to fall before the featureless walls.
Prey to the distant sea and the bleaching empty sky.

Behind the varnished khaki desks
Behind the space divided by white frames
Behind each other
They wait together for the sea to come.

The sea rises!
Lifts with the strain of fibrous verdant muscles
A massive towering wall of grey green foam, coldly radiant
Advancing unswervingly, growing across the empty flattened ground.

Then the sky! enflamed,
Pocked, infected with the run of red,
Bloated glaring sores of yellow,
Contaminating, coldly burning their eyes and bare skin.

The water comes endlessly, silently
Covering the ground, swallowing the crusts of buildings
Dripping, swishing, surrounding the concrete base of the building.
Shallow blue water rising slowly up the walls.

Their bodies lie . . . exposed
Purged of their last colour
And the water flows higher
Silently, eternally over their bodies.

THE RECORD

The swollen blotched red sores of the sky
Are gone.
Only the bones
Bleached and glaring.

J. SUTTON, 4A

THE STORM

Not a bird twitters,
Not a leaf rustles,
All the world stands still —
A mysterious heaviness
Has descended upon us,
While above, the black lion
Still stalks his prey,
Awaiting his chance for the kill.

Now all that's around us is suddenly LIT!
The lion bellows
A savage roar,
And ferociously springs
On its terrified prey,
Sending to earth
A storm of sweat and blood,
The battle rages —
The entire earth trembles
With the violence
Of the conflict above —
No now it's subsiding,
The lion victorious,
As it drags away the kill.

Clear sky —
A single bird twitters;
And now the whole flock joins in,
Chirruping gaily away.
A single leaf rustles;
And now the whole tree gives a sway,
Yes, it's regained its soothing lull.
But best of all,
In all its glorious beauty,
Proudly displaying its vivid colours —
God's promise.

INTERPRETATIONS OF SHAKESPEARE

"Alas Alas!"

Term begins.

"Alas master, I am not able to stand. You go about to torture me in vain."

Absentee of Prefects Detention seeing Mr. ———

"Three hundred ducats! Tis a good round sum."

Mrs. ——— to boy talking in library.

"Was it so late, friend, ere you went to bed, that you do tie so late?"

Secretary talking to boy wanting late note.

"Peace-you mumbling fool!"

Prefect not accepting excuse of boy.

"Mine eyes did sicken at the sight, and could not endure a further sign!"

3B Maths Exam Papers.

"Take up the bodies!"

After first training session of season.

"Ecstasy!"

Term ends.

R. MacPHERSON, 3B

THE RECORD

THE STORM!

Nothing moves in the dense jungle. Ill-omened, threatening clouds are low overhead and the air is heavy. There is a dreadful, ominous calm.

A breath of wind. The leaves rustle. A drop of rain. Lightning flashes across the sky. The thunder rumbles like a thousand cannons while the piercing, shrill screaming of the whirling wind is heard. There is now a torrential downpour. Pellets of rain are driven at breakneck speed towards the ground by the roaring wind in all its savage fury. Violent, vehement and vicious the storm rages on. The earth shrinks back in terror and fear. Now a tremendous gust of wind, with violent suddenness, tears the entire force of the storm apart and gradually the riot dies down.

The bush is now a picture of depression. A lone bird cries dismally from one of the sadly drooping trees. The mark of the gale, however, is only temporary, for tomorrow the bush will again be a place of liveliness and happiness with animals darting about and birds chirruping gaily. The sky will be clear and the air light when the new day dawns.

T. COLMAN, 1A

DOOMSVILLE — NOT QUITE

As I heard my brother's car pull away I realised that I had at least a quarter of an hour to pass till it would be the time to catch my bus.

The volume faded, and, as it was loud, I could still hear the crackling coming from the groove in the disc. I noticed a strange silence but put it down to my maladjusted ears. As I replaced the disc in its cover I found it to be two minutes past eight, just time to make the bus. With my watch being five minutes slow I decided to walk the half mile to my school. Nowhere on the way did I notice movement but for the wind on the leaves. Not a moving car was to be seen, not a bird, not even an ant could I see in the vicinity.

On arrival at school I found that, although the gates were open, there was not one pupil in sight. Finding an open door, in the new wing, I decided to investigate. As my footsteps echoed around the corridors I noticed nothing till I stopped, and as the echoes seemed to linger they became more pronounced and seemed to be getting closer. Just then Carol, my girl friend, stepped around the corner and ran to me. Still shaking we related our stories to each other and set off for further furtive investigation. After searching the whole building, we, on not finding a trace of habitation, left to investigate further afield.

As Carol had already searched the technical college she attended, we decided to head towards the city and find some refreshment. After we finished our small snack, of bread and Coke, we left the small arcade milk-

THE RECORD

bar and proceeded to the music shop next door. At first I hadn't realised that the flapping end of a tape on a rather large and expensive recorder had only been free for a few minutes and that the tape had been going for two hours. After a lengthy rewind we found that the last hundred or so feet emitted a soft but notable transcendental like whine of varying tone:

Then a voice stuttered

"I will follow and obey."

"Just as I will — "

Here it started flapping again so I switched it off. Turning the reel over and rethreading it I hadn't noticed that it was twisted. It started to emit the other track but in reverse. At this point Carol called me and as I reached the street corner a car flashed past in reverse. A leaf floated up from the ground and landed on a tree.

After 10 minutes there were people and cars running in reverse everywhere. So I returned to the shop and stopped the tape. The moment it ceased to play everything had returned to normal, but for Carol's and my curiosity as to what had happened.

We returned to our original setting and continued as normal, for we found that no one believed a word we spoke of the "Transcendental piped music affair".

T. WHITE, 5F

CONSCRIPTED TO KILL

It is quiet now, except for the groans of
The wounded and the screams of the dying.

But it wasn't a few minutes past.

Then the boy became a man; He had to, to live.

His life depended upon how well he was taught to kill,
How well his rifle performed, how true his eye.

You don't often get a second chance here,
Here in the garden of Hell.

It's either kill or be killed, be dead or just as good as.

It is quiet now and the boy has time to think,
Think about home, his family, his country.

If he has time, he will think about his mates,
The ones who weren't so lucky, or were they, who knows?

He thinks about what all this killing and destruction is leading to, why he
should be a part of it, and why others, the innocent, should suffer as
a result of it.

THE RECORD

Why should a mere mortal have the right to pull his name out of a barrel and put him in the middle of all this?
Why won't they just leave him to live in peace?

A. PEARCE, 6F

BREAKTHROUGH

He was swept away in a vortex of space and time. The blurs about him took shape and he found himself standing in a large empty room. It was very still, and very quiet.

Yes, they had done it. Time Staff Mission Control Room was nowhere to be seen. It would be somewhere, but somewhere else in the infinite reaches of the universe and the distances of time. This was the breakthrough. Creation and destruction, birth and death meant nothing now. The powers of the universe were tamed. Man had beaten time, he had conquered God.

The room was a warehouse, dark and cold. He had to find some indication of his location and, if possible, his position in time so that he could report the success to Time Staff. His eyes scanned the surroundings for a clue. There, something on the floor . . . a human. Asleep? Dead. Must have slipped and fallen on something. He walked over to the body and looked down at it. My God! He jumped back in astonishment. It was himself.

Suddenly . . .

Eyes, everywhere. Watching him.

No!

The blurs about him took shape. He was in Time Staff Mission Control Room.

Captain Milles stepped up to him out of a complex of technicians.

"We can't let this happen, it might ruin our work here. You must have gone there sometime in one of our future experiments and something happened to you.

"What we'll do is send you back there a few moments before your accident and you'll have to stop yourself from doing whatever you did, O.K.?"

The blurs about him took shape and he was back in the warehouse, in a corner. He looked around and saw his body on the floor. They couldn't have sent him back far enough! Just then he noticed a man standing in the centre of the room. Where did he come from? The man was gazing about and hadn't noticed him. He walked over to the body, which he must have just seen. He looked down and started back with a frightened look on his face.

The blurs about him took shape and he was in Time Staff Mission Control Room.

Captain Milles explained, "I'm afraid we miscalculated slightly. But

THE RECORD

we've got everything set now. We shall have to send there again to straighten this out."

The blurs about him took shape and he was back in the warehouse, but they still had not corrected their error, his body was on the floor.

Someone was standing in the corner, he couldn't have seen him. The man seemed also to be interested in the body. He suddenly jumped, something had startled him. What had happened? There. There was another man in the room, standing in the centre. He must have noticed the body now, he was walking over to it.

The blurs about him took shape, and there was Time Staff Mission Control Room, and Captain Milles.

"Now, I know what you're going to say, we're still out in our calculations. But don't worry. We'll sort things out."

The blurs about him took shape and he was in the warehouse, but the body was still there.

E. COLLESS, 6D

SALESMAN

The trip to my destination was hot and long. At times I was frightened, but as I remembered that my job was important, and that so many depended on me, I continued till I reached the spot.

"Good morning, gentlemen," I said as I entered.

"Huh, what's good about it?" grunted one.

"Get on with it! We haven't got all day!" exclaimed another.

Having expected this kind of talk, my determination was by no means shaken.

"I am here," I commenced, "to persuade you all to buy my product, as so many people have remarked how good it is. It helps you, it speaks for you, it agrees with you when you are right and corrects you when you are wrong."

"Why, who of us here would want that?" asked one. I knew that I had slipped up on that point. From there onwards, I decided to change my line of attack.

"Possibly you are correct, but my product is worth more than a million dollars; more than all the women, banks and jewellery in the world." I noticed that eyes began to gleam, but still they were doubtful.

"All right," I said, "this product of mine keeps you living."

"Very well", said the leader, "what is this product? We'll buy it, but first we must know what it is!"

"My product, gentlemen, is Conscience!"

Having proffered these words, I left the Devil and his contemptible executives to return to Heaven.

G. COSS, 1A

THE RECORD

AN OVERTURE

Nightly dancing in streams of chance
A luck-filled boy, estranged from fear.
Skipped across a well lit stage
And fell — by chance — to touch the floor.
He rose with saddened eyes,
A tender-hearted lad,
For he found the light now touched,
Beneath his feet, a cold stone ground.

E. COLLESS, 6D

SHACKLETON'S ARGONAUTS

The South Pole is nearing, the ship creaks and groans;
Shackleton's Argonauts venture alone.
Slowly the icecaps close in on the ship;
It comes to a standstill, caught in their grip.

And still they lock tighter, and hope seems to pass;
Soon the ship crumbles, as the ice holds it fast.
They live on an iceflow with three tiny boats;
Hunting the sealife that past them floats.

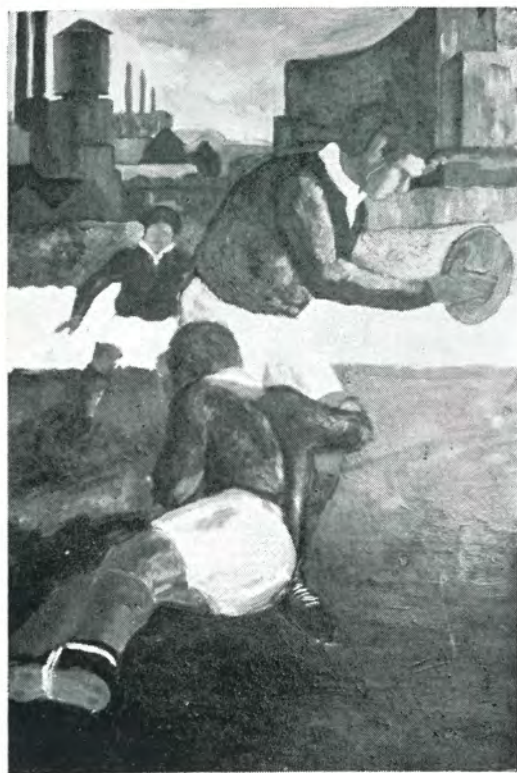

Freeing the boats they set out for land;
And spirits are high among the lost band.
On Elephant Island, all is frozen and chilled;
The men live each day their hearts with hope filled.

Under the boats they are camped on the beach —
Shackleton searches for land within reach;
Sheltered from storms in their haven they stay,
Trusting that help is not far away.

Early one morning a ship comes in sight;
A fire is lit to send out a light.
Rescue at hand, the men give a cheer,
For safety, for home and for loved ones so dear.

THE RECORD

"THE TACKLE"

Ron Glass, 6E

THE RECORD

THE TIRED OUTLAW

In front, a saloon,
Beside, a lonely man.
Behind, a bright horizon,
Silhouetted on the sun's horizon is a cowboy named Dan!

Horseless are his legs,
Empty is the saloon.
One can imagine how he begs
That he was once a groom.

Standing like a little mouse
Leaning against a grand piano.
As if he doesn't live in a house,
Missing is his halo.

Missing is his whisky,
His gun can do no harm;
Once he lived quite risky,
But now his mind is calm,

Lonely is the soldier,
Lonely is the saloon.
Tired is his revolver
Tired is the moon.

R. HUBAN, 6th Form

DANCE

On past the glimmering lantern fire
With heels toward the cobbled street
While mists of evening drowsiness float gently by;
I came to the edge of a stronger light.

I lie beneath the dark grey skies,
Before me lies the sombre city river;
And here all embraced are we by nightly haze.

Within a crystal flash of time,
We shared a universal joy
And thereon lived, endowed,
With hope against this prison of nights shroud.

E. COLLESS, 6D

THE RECORD

HEAVEN'S PAINT

I never saw a blue like you —
Rich, true, you. Nor ever felt anew
Like your new. I know you.
O blue moment! What jumping joy
Strides by my eyes. Why silent
Colour cry, blind sighs you, beauty
Too. You are so shout, a size no tears
Blundering blue, arise skies and rout.

R. GOLDBERG, 6E

A HERO

Veni, Vidi, Vici,
Out aloud cried he.
In his wild imagination,
With his iron determination,
He had already clasped this country
As he had already grasped the world.

Up the banks he stormed,
While all of England mourned
The coming of this arrogant man;
And in vain did they scan
A refuge, a leader, or merely hope —
For with an invasion, they could not cope.

T. COLMAN, 1A

HOPELESS WASTE

Black limbs tire in black dirt,
Only multiplying slowly to die,
From the lack of morality by the "blind" people.
The young, full of new hope and wishes,
Blinded to reality by their innocence,
Ignorant of the destiny of these futile wants,
And as time drags, limbs drop and bodies swell
They only desire the essentiality,
Mocking those who want "extravagance".

D. SELIG, 3A

THE RECORD

NOW

It is the age of discovery
And of uncertainty and pain.
The continual hunger for love,
And the desire to share with another
One hidden truth.

It is the age of communications,
But not communication.
We move in a mist of clichés,
So fear kills passion,
And a caged solitary love stays within.

V. KLINE, 6B

FEARS OF THE ESTABLISHMENT

The establishment today is afraid of change.
Afraid to stop, think, look rearrange.

They're afraid of the imminent revolution.
Afraid of what it will do to institution.

They're afraid of the end of age old tradition.
Afraid of sincere beings with moral inhibition.

They're of what man must eventually find.
Afraid of the ideas hiding deep in his mind.

They're afraid of when all men will be one.
Afraid when black and white stand united under the sun.

They're afraid of a better world in which to live.
Afraid of a world that will not only take but give.

They're afraid of people who give, not take.
Afraid of people who help, not hate.

They're afraid they might see the end of war.
Afraid they might see justice in every law.

They're afraid that money must fall from the top.
Afraid that greed and lust must stop.

They're afraid they're members of a dying race.
Afraid of the reformists that will take their place.

They're afraid of an inevitable time.
Afraid when the world will be yours and mine.

THE RECORD

GIANTS OF WAIMEA

I was sliding down the face of a big one, it was about 20 feet. Suddenly I saw the tube ready to curl over on the top of me. To avoid this disaster, I crept forward to the nose and rapidly increased the board's speed, and just got through. With the tube collapsing behind me I relaxed and let the board ride itself. I looked back and saw the curl many yards behind me so I cut back sharply into the foam. Then a bottom curve brought me to the top of the curl where I did a re-entry. Unfortunately I lost my balance and fell flat on my back. Thousands of tons of white foam fell on top of me. I was swirled around like a twig in a giant flood. The sheer force of the water made me unreactive, it kept my muscles in check, I couldn't move them. I longed to swim to the top. Air. Why did I ever start this adventure. Air, I wanted air. My lungs were bursting. The air inside wanted to break my lungs apart like an overfilled balloon.

Air, I wanted air.

I felt the force of the wave ease and I was able to control my muscles again. I swam to the top and saw my board being washed against the rocks, and then began the long swim in. Why did I start this foolish thing.

I reached the shore and lay on the beach wondering once again why I started this thing. I would probably paddle out on my board again and catch another 20 footer or so then lose my board, swim in, and this would be repeated several times until sunset and then I would go home.

Next morning it would start again.

P. BURLEY, IC

INDIAN MUSIC

Suddenly in 1967, mainly because of the Beatles' use of the sitar in "Norwegian Wood", Indian Music has become the "in-thing". No hippy is complete without an album of Ragas tucked under his arm. (The Raga is the basic form of Indian music and it is a fixed sequence of tone on which the player elaborates. Each Raga represents a certain mood and is to be played at a specific time of day). But not like the wilting flower-power Indian music has become more than a gimmick or passing fashion. The acclaim given to the sound of the sitar by such major names of Western music as Yehudi Menuhin and the Beatles has brought Indian music to the ears of the public; but the increasing interest in it is based on its lyrical, almost hypnotic charms.

The traditions of Classical Indian music are even longer standing than those of Western music. The Senia schod, the major school of Indian music, dates back more than 700 years to the great "guru" Mian Tan Sien, doyen of Indian music. While Hungarian music, for example, changed dramatically after only 20 years of Russian influence, the 250-year-long British occupation of India did nothing to change Indian music, so deep are its concepts.

The sitar which is the dominant instrument of Indian music has been in its present form for some 700 years and is similar to the European lute.

THE RECORD

The neck is made of teak wood with a gourd at either end to amplify the sound and it can have as many as 20 strings. The next most dominant instrument is the tabla which provides a complex rhythmic foundation to the sitar. It is similar in appearance to the African bongo drum. There are two drums of different sizes and they are played with the fingers and palm of the hand. The tabla can be tuned by adjusting the tension of the skins which is done by driving wooden wedges between the thongs which hold them to the side of the drums.

The beautiful flowing tones of Indian music and its rhythms, rich in overtones, provide an immense and gripping charm.

M. AIVALOTES, 3A

A TRAMP STEAMER

She lay there, placidly beaming the swell that limped on down the harbour. The tugs whizzed around her, the liners churned past, the pregnant tankers crawled by, the gulls wheeled and screamed, as though it was their last day of survival, but she did not move.

Charlie, the agent, came down and wagged his head saying that she would never make the next trip. He had been shaking his head for a long time now, but his wags were becoming more certain. The idle labourers looked on, bored, she was so like the others; and yet she was different, with an aura of disguised reliability hanging around her rust gouged sides. She was waiting, waiting for the captain who would transfer himself from being drunk on terra firma to taking his drunk chances on the outside swell. But she did not need the unsteady hand on her well worn wheel — she could do the run blindfolded, using her ears to listen to the guiding cries of the gulls that wheeled and screamed as though it was their last day of survival — but she did not move.

There went another old steamer, and as it passed she seemed to shudder in dread. Who knew, maybe this would be her last trip, as it was her sister's the week before. They were getting old now and they, and everybody else seemed to realise it. Her crew knew she was on her last leg, but they would never let her go, she had been so good to them, chugging on and on with the gulls wheeling and screaming as though it was their last day of existence — but she did not move.

The larger liners seemed deliberately to snub her with their foamy wakes, but the proud old steamer only appeared to stick her tawny rust roughened prow higher into the air. She was independant now, the last of her kind, and the old tin can knocking on her waterline with the ebb and flow of the swell, reminded everyone of the immensity of the scrap merchant's hammer. She didn't shrink from the symbolic noise though she steadily rode down the harbour, a drunken captain at the wheel, as though eager and willing to get the end over. The parasitic gulls followed, screaming and diving as if it was their last day of existence.

THE RECORD

ODE TO THE WEST COAST OF TASMANIA

No longer now do Zeehan's smelters smelt the silver ore,
No longer now do Lynchford's axemen chop firewood by the score.
The population has fallen in Tullah Town's main street,
No more do the lanes of Crotty echo to the tramp of feet.
No longer at Mt. Balfour shall copper ores be mined
For Tasmania's West Coast population has declined, has declined.

No longer at Linda or North Lyell shall copper ore be panned
And the ashes of Penghana are buried under slag and sand.
At Corrina Town no longer sounds the shovel and the pick
And Argenton works are covered in dust deep and thick.
Gormanston is but a shadow of its former self,
Renison Bell has partially lost its wealth, lost its wealth.

At the Kelly Basin ships no longer call
And Strahan sees a ship rarely at its loading stall.
The Mount Bischoff Mine is silenced and there is no crushing row;
At the Magnet Mine and Waratah few people live there now.
At Heemskirk and Trial Harbour the people will never be regained,
Only at Queenstown and Rosebery has prosperity remained, prosperity
remained.

The story has been told before; it will be told again
How hopes of sudden wealth attracted many men,
How towns and smelters, mines and railways all were built,
And how they struck poor ore and the population did wilt.
They closed the towns and railways and mines at a great cost.
While many a man's life savings were lost, were lost.

And swindlers tricked investors into paying much good cash
By producing false prospectuses that contained a lot of trash.
And how companies were founded and then they boomed and died,
While some never got off the ground because the promoters lied,
And mines were often valueless and often soon were sold,
And the West Coast's seen better days, I've been told, I've been told.

Yes, no longer do Zeehan's smelters smelt the precious silver ore,
No longer do Lynchford's axemen chop firewood by the score,
The population has fallen in Tullah Town's main street,
And no more do Crotty's lanes echo to the march of feet.
No longer at Mt. Balfour shall copper ores be mined,
For the population on the West Coast has declined, has declined.

THE RECORD

AUSTRALIA

Australia! Australia! Most beautiful land!
Of fertile green valleys and bright golden sands.
Of beauty both envied and cherished and rare,
Of beautiful creatures and fowl of the air,
Of wonderful prospects and hopes for tomorrow,
Where freedom's so strong that scanty is sorrow.
Oh give me a song to praise your fair name!
Give me an anthem to echo your fame!
For what national anthem is there I can sing?
But "God save the Queen" or "Long live the King?"
Where in your theatres? And where in your schools?
Is your glory far echoed, Oh nation of fools?

L. C. LIMPUS, 6th Form

ROBYN MACDONALD AND OR SHARON WILLIAMS

Standing on the street corner watching all the guys go by. She was. Smeared mascara, a striated bruise under the right eye of the tarnished face. Perhaps a remainder of an over-excited customer. Rough and hard and tough and ugly, in the way of her profession. She's working for the Man. Maybe he gave her the cut eye, because of her reduced takings. Confident she still remains. Scornful — she hasn't given up — not yet. Amazing. She lives for experience. She's felt, enjoyed, hated a multitude of experiences. She never rose, so she couldn't have sunk to this. She wasn't given the chance — the opportunity to elevate herself. She was taken advantage of. Her pink dress, hoisted high. Advertising the goods for hire. No education. No attempt to lift herself from the clutches of the Man — and men. Raven hair and a chipped tooth.

She saunters over to the cashier's box. He asks her if she solemnly swears to be bound to the warrant officer until such time as she is summonsed to the court, providing she has paid the \$100 bail. Yes. Grudgingly the Man pays. She signs. Robyn Macdonald. The cashier claims she signed Sharon Williams when she was brought in. So she did. The cashier sneers dirtily, having punned the word bind, and writing both names, sees he has other clients to attend to. For the queue has grown. Now 10 She's stand behind Robyn. Or Sharon. Unashamed, not regretful. None of them. All ready to pay their \$100 bail. But not ready not to do it again.

THE RECORD

ICE BLOCKS

Grating, grinding, pulsating agony
Pouring on the wallowing mind.
Scraping raw till senses throb
With the screech of chalk on board.

Men with souls of stainless steel,
The heartless cogs of our social wheel.
They talk but not communicate,
They preach but can they really teach!

Each id that lives must one day die.
And yet we cannot use our eyes
But gaze through tinted glass unclear
As propaganda fills our ears.

All of us are uniformed,
Ground to make us dread the morn
When we awake to human scorn.
Little pink ice-blocks.

L. SZEKELY, 5A

ETERNITY

He sits without a word —
A nauseous heap.
He who is so violent,
Yet a whimpering pup.

Tense muscles quiver,
Ghostly lips form a silent question.
These restless limbs will soon find peace —
Eternal sleep.

Two transparent orbs,
Two glassy fear-filled lights.
Two milky fixtures,
So intent but looking nowhere.

His temple of thought,
Twisting and turning,
A forehead of wrinkles,
And a twitching brow.

His mind is a turmoil,
Yet thinking of nothing.
A deathly switch is thrown,
And he droops his head in shame.

G. RICHARDS, 5A

THE RECORD

APOLLO

Those of Hellas called him God,
They called him God of Sun;
His father was Zeus,
And Zeus was the God of Gods.

Those of America call their spaceship Apollo,
They call him God of the Moon;
Its inceptors were scientists,
And scientists are Men of Men.

From Zeus came forth Apollo,
From an oracle came forth a rocket,
From a rock came forth steel,
And soon the tide will drown Apollo.

A. LEWIS, 4A

THE FUTURE OF THEOLOGY

In recent years Protestantism has shown a remarkable movement from revealed or supernatural theology to natural theology, which in the past has always been the province of the Catholic Church. Thus a trend followed by Protestant churches since the Reformation has been reversed. Whether this has been a progressive or retrogressive step is the subject of this brief discussion.

Modern natural theology leans most heavily on the arguments from First Cause and Design, at least in the popular presentation currently flooding the booklet and tract market. This reversion to unaided reason is undoubtedly a reaction against the conflict between science and religion. The premise is that science, which explains the universe naturally, whilst inconsistent with supernatural religion, is reconcilable with "natural" theology. The difficulty remains that the very bases of these two arguments, even in their more sophisticated forms of contingency and natural law, are, on the basis of scientific knowledge, very shaky. First Cause and Design also suffer from certain logical difficulties in tending to beg the question.

Religion consists of three basic doctrines. The first is that the Universe has a purpose; the second that there is an absolute ethical code; and the third that the absolute code of morality is included in the Universal Plan in fixed ways which are determined by ecclesiastical thinkers.

Modern day Christian apologists contend that science was only incompatible with the metaphysical bridging doctrines (e.g. that the earth must be the centre of the universe as it is the focal point of creation). The concepts of Plan and Design, they affirm, are conclusively demonstrated by scientific knowledge, whilst science has nothing to say of ethics. Thus they conclude science has placed religion on a new and firmer basis with only

THE RECORD

slight alterations in explanatory doctrine needed in the light of new knowledge.

With the breakdown of causality in the microcosm and of the deterministic mechanics of Newton in the macrocosm, however, the concept of the great Universal Plan has been blunted. Knowledge of Cosmic, and in particular biological, evolution has generally confirmed purposeless mechanism at the expense of the guidance in vitalism and finalism.

The rise of new systems of ethics, such as "evolutionary humanism" (Huxley) and, for want of a better term, "rationalism" (Russell) is an attempt to remove the objection that science has no place in ethics. While admiring these concepts I doubt if they will ever be of practical value unless they spread to the general population.

In conclusion, the attempt to retreat from dogmatism and embrace rationalism has been a failure, for natural theology has now become the receptacle for dogma. However, in popularising Christianity I believe it has been an unqualified success — possibly because it has allowed wishful thinking to become enclosed in a cloak of rationality.

Although it is often prophesied that religion is dying, I find this doubtful for the moral maxims imbibed at mother's knee remain as strong as ever and unless replaced universally by a better code of ethics will remain a potent force for social good in the future.

D. CLARK, 5A

THE END OF THE WORLD

A sudden, ominous roar boomed across the picturesque countryside, shaking the ground, uprooting and toppling trees as though they were matchsticks. Crevices appeared in almost every direction, apart from south, where a small hill barred our sight. A distant farm-house collapsed in a cloud of dust and fury due to the violent vibrations.

If the world survived this catastrophic event, this would be history in the making. Yet if the scientists' prophecies were correct, we couldn't, and wouldn't survive, even if we travelled to the other side of the world. Our group stood perfectly still, staring at something rising above the top of the hill.

Suddenly the group fled in terror in the opposite direction of the hill. I was left standing alone, wondering what it was that made them flee. Mystified at first, I soon realised that it was a lava flow, sweeping down the hill at tremendous speed. I wheeled and ran towards a clump of trees.

The others were standing motionless in a valley to my left. I glanced over at them, and then I stopped and stared at the huge crevice opening up around the group. They were trapped, bounded on all sides by a deep, wide crevice. Then I started to run again, hearing screams of agony and terror from the group. I reached the small forest, just as the island of land on which the men were standing collapsed into the now lava-filled fissure. I plunged into the forest.

D. SKELSEY, 2A

THE RECORD

A REVERIE

Should I be late —
I stand awaiting the outcome;
Exempt from the pleasures of class.
In spite of the realisation
And remembrance of those who have fallen —
I will remember them

Eternally reminded of my heritage,
Continually plagued by current affairs;
Incessant in direction and magnitude,
I must not retrogress
Yet my comrades remain forever lagging,
Extended beyond endurance and hope.

Grey are the days gone by;
Painted to arouse interest
Of participation in virile pursuits.
White are the walls of high spirits,
Brown are the boards inaccessible
Only attended by few.

Flowers bloom again,
Shields of success shine equalled,
Names important yet held.
The days of servitude and rights imagined
By those suffering in the rooms outdated,
Engravings enlighten the occupants.

Taught to learn,
Taught to respect the management,
Taught to excel now for later.
Segregated and separated from greener pastures.
Yet always yearning, wishing and hoping —
Most of all wanting.

Join now, support your teams,
Succumb to the wishes of your superiors —
Be in it or be singled out.
Weekends relieve surmounting tensions,
Released on some inanimate body
Hit, or kicked about.

Enclosed by mettle and rotting wood,
The people know — the times know:
Coats fit men and boys,
Tied down are they, yet unrestricted
In desires of freedom and laxity . . .
What of tomorrow?

THE RECORD

THE COUNTRY BOY — A MEDIC, AN IRONMONGER

He strides, a mile from victory,
To him the anguish that frightens,
For he is in foreign territory,
And all his muscles tighten.

Wounded bodies covered in blood,
He sees as he passes,
For he is young, nerves a flood,
As he wipes his trusty glasses.

His mother, lonely she waits at home,
While the medic he battles,
Her face that shows a worried tone,
Her son, from the land of cattle.

The war is over now, and home
The soldiers come,
Their fighting and sad misery is now no longer,
He hardly waits to see his mum,
A medic, an ironmonger.

School Councillors:

Messrs. A. J. Foster and W. F. Halliday

Meetings: Third Thursday of each month at 7.45 p.m.

The Annual General Meeting of the Association was held in the Great Hall at the School on Thursday, 13th March, 1969. The retiring President, Mr. R. A. Blomberg, was re-elected for a further term. Messrs. N. F. Jelfs and M. K. Symonds were elected Vice-Presidents in place of Dr. E. Bentivoglio and of Mr. A. E. Dymock, the latter accepting the post of Honorary Treasurer in place of Mr. A. J. Foster, who retired. The retiring Honorary Secretary was re-elected for a further year.

Following these elections the President paid a warm tribute to Mr. A. J. Foster for the fine service he had rendered as Honorary Treasurer during a period of five years in this office and to Dr. Bentivoglio for all he had done during a long period of service in various capacities—tributes that were warmly supported by other members—and expressed a welcome to the two new Vice-Presidents taking office for the first time.

As usual the prime tasks facing the Association were those of helping to maintain various sporting and social activities at the School and of raising substantial funds to enable this to be done and to supply items of equipment for the School and library needs over and above those items normally supplied by the Education Department.

Funds

Budgeted expenditure for 1969 was \$12,900 which included \$4,200 for school equipment and library needs, \$2,000 for rowing, \$3,500 for

THE RECORD

upkeep of the McKay Playing Fields in Centennial Park and contributions for other sporting activities, school prizes, debt reduction in respect of the Fairland Pavilion at the McKay Grounds and of the Boatsheds at Abbotsford and numerous other smaller items, these large sums being raised mainly through the agencies of the Ladies' Auxiliary, the Canteen at the School, the Headmaster's Appeal and the Annual Fete in the School grounds.

The Report of the Ladies' Auxiliary which follows will give details of its activities during the year and this branch of the Association is mentioned here only to draw attention to the importance of its activities and to the great debt we all owe the ladies for their ceaseless, generous and highly effective efforts—effective both from the point of view of raising funds and also—and very importantly—on the social side. It is chiefly to the efforts of the ladies of the Auxiliary, this year under the Presidency of Mrs. Bolton, that we owe the friendly family atmosphere that pervades so many of the School functions and we record here our warm appreciation of the very many things the ladies do to help throughout the whole of the busy school year.

The Canteen Committee in 1969 once again worked hard and long to provide facilities at the School for students to purchase meals and refreshments and various items of stationery which is kept in stock for their needs and the several thousand dollars raised annually by this Committee is an eloquent tribute to the untiring labours of the ladies who help with this service. 1969 has been more than ordinarily hectic in the Canteen, partly because of the perennial shortage of mothers to help and partly because of quite a lot of disruption caused through building operations at the School and the noise, dust and general inconvenience they bring with them. This Canteen is a very necessary and wanted service and mothers who have helped here have the satisfaction of knowing that they have, in a very real and direct way, done much to help their sons at the School.

The Headmaster's Appeal in 1969 raised \$4,529 from 383 subscriptions. The target was \$6,000 and, since there are more than 800 boys at the School, this would work out at an average of less than \$8 per family. As can be seen by the foregoing, in the event more than half the parents gave nothing and the remainder averaged some \$12 per family—a rather unequal sharing of responsibility for something which represents the only general appeal made to parents in the course of the School year and the proceeds of which are used to benefit all the boys in the School. \$4,529 is a good sum to raise and we thank all those who so generously contributed—but we hope that in future years we, or our successors, will be able to thank a very much larger number of contributors and for a much larger total sum. Expenses increase year by year and the money from this Appeal is particularly needed usually at the time the Appeal is launched—mid-year—as other funds have by that time generally been fairly heavily depleted for School needs and there is no other major fund-raising activity until the Annual Fete in September or October.

THE RECORD

This Annual Fete this year was held on 27th September with Mr. W. F. Halliday once again turning his long experience to account as organizer. For the past couple of years the experiment of opening the Fete on the Friday evening as well as on the Saturday was tried but this year we reverted to the Saturday only opening mainly because some of the stalls have to be set up on the Friday evening and it is not possible to operate them until the next day. The success of the Fete is a tribute to Mr. Halliday and his Committee whose work starts many months before opening day, but it is also a tribute to those who manage and supply the stalls and the many other parents and friends and business firms who donate money or goods and all those who come and spend on the day.

Other Activities

The unique position occupied by Sydney High School as a member of the Combined High Schools' and the Great Public Schools' Associations requires of the boys at the School high standards of work, sportsmanship and general conduct and it requires of their parents not only money but also considerable effort in the fields of organization and management.

The Association maintains various standing Committees to deal with different aspects of the work, such as the McKay Committee, the Rowing Committee and Grounds and Maintenance and Dance Committees and these operate throughout the year, sometimes alone and sometimes in conjunction with members of the School staff and with appointees from the Old Boys' Union.

Thus Messrs. H. C. Bell, N. F. Jelfs, E. Uren, K. Breakspear, G. Cordato and R. Lakeman were appointed the Association's representatives on the McKay Grounds Committee and their efforts and the efforts of many parents, not forgetting the ladies, who helped on working bees or on the buffet or drinks stall on the days of the home football matches did much to ensure that school sporting fixtures went off smoothly and satisfactorily and that the grounds and equipment were in good order and condition. A permanent groundsman is maintained at McKay and he does a sterling job but there are other things besides the work he sees to that have to be done—goal posts erected and later taken down, sight screens the same, painting, upkeep of the pavilion and keeping it clean and tidy, damp patches on the grounds drained and so on. This year a major effort is being made to complete the new No. 5 Field to give a total of five playing fields at the Grounds.

The Rowing Committee, Association members of which were Dr. Bentivoglio and Messrs. K. Baret, K. Breakspear, L. Franklin, K. Luscombe and A. F. Russo, saw to the care and maintenance of the rowing fleet and the boatsheds at Abbotsford and this year performed a major task in repairing the pontoon, which had been only very precariously afloat for some time and, indeed, on a number of occasions had actually been found below water level. That this was a good job well done may be better appreciated when it is realised that the repairs carried out by the

THE RECORD

devoted efforts of a small body of parents have saved the Association for the time being the expenditure of something like \$11,000 for a new pontoon.

The Maintenance and Grounds Committee which looks after general maintenance within the School grounds found an unexpected ally this year in the person of Mr. L. L. Booth of the School Teaching Staff, who seems to have made the ordering of the grounds—especially the area of the quadrangle this year—his personal responsibility and with most gratifying results. The tennis courts were at last re-surfaced this year through the Department of Physical Education, something Mr. Ringham of the Committee has been campaigning for for many years. This Committee is necessary also because, provided it is in being, the Education Department allows a small grant of up to \$200 annually for maintenance purposes and this can be very useful at times. Once the present building operations at the School are completed the Committee can expect to have a busy time on its hands.

Mr. Carpenter and the Dance Committee ran a number of very successful and popular dances during the first two terms of the year. The remaining dances set down for the third term had to be cancelled because of the building operations going on and the difficulty of ensuring, with the grounds open at night for the dances, that there was no interference by unauthorised persons with the valuable equipment and supplies of contractors. The dances that were held brought in a good financial return and the Committee was helped very much by the Students' Dance Committee which took an active interest. It is to be hoped that these dances can be resumed early in the new year.

Thanks again to Mrs. Couani and her assistants. "High Notes" again made regular appearances and helped to keep parents informed of Association activities and Mrs. Carpenter and Mr. Lakeman provided active liaison with the Federation and the Eastern Suburbs District Council of P. & C. Associations.

General

In conclusion we should like to take the opportunity of recording our thanks to the very many parents who have served on Committees and helped in so many other ways throughout the year, and to the Headmaster, the Deputy Headmaster, the teaching staff, the School secretaries and the caretaker, Mr. O'Brien, who have done so much to help us and our boys. We are particularly pleased to record once more appreciation for the very happy relationship which exists between School officers and the Association. We hope this will continue throughout 1970 and we hope that the efforts of our Association coupled with the efforts so freely made by the School staff will ensure that the important years our boys spend at Sydney High School are indeed some of the most rewarding and satisfying years of their lives.

THE RECORD

LADIES' AUXILIARY

OFFICE BEARERS — 1969

President: Mrs. M. Bolton

Treasurer: Mrs. W. Halliday

Secretary: Mrs. I. Vagg

At the beginning of this year I would not have imagined it possible that so many rewarding experiences could eventuate from being a part of the Ladies' Auxiliary. We have led a busy life, with a new executive under the leadership of Mrs. Bolton, our President, and from the first social event in the year, which was a luncheon to welcome first form mothers, it has been a most interesting and eventful period in our lives.

We have endeavoured to make our social activities as varied as possible, for we need your support to make our efforts worthwhile. Our functions have included a Fondue Demonstration, a Pearl Exhibition, a beauty products consultation, Progressive Dinners, a Barbecue and Games night, a wonderful dinner and fur parade at the Rugby Union Club, a palm reading afternoon and a "Beef and Burgundy" night at the Journalists' Club. For added interest we arranged visits to the Sydney Observatory to look at the stars, a tour of inspection of the Opera House and a visit to the Sydney Stock Exchange, to learn how to invest that spare money we all have lying around! Our luncheon, with Mr. Cliff Ryan, the "Housewives' Friend" of journalistic renown, as guest speaker, was designed to appeal to every mother who insists on value when she buys for her family.

Our most sincere thanks to all the parents who offered their homes for luncheons, dinners and demonstrations. Without your help we could achieve very little.

We must mention at this stage our gratitude to everyone who worked so hard to make the Father and Son Dinner such a wonderful success again this year. It is the eighth year this dinner has been held, and it proved to be as popular as ever. Our thanks must go, not only to our very entertaining Guest Speaker, Mr. Mervyn Wood, a former Olympic World Champion Sculler, or to Mr. Murphy and his promising pupils, or the very talented guest artists, but also to the ladies behind the scenes, who work so hard to ensure that the night is enjoyable for their menfolk.

We still have several functions planned for the end of the year, so, please, as always, make sure you get your monthly notices from your sons, and keep up to date with the forthcoming events. The aim of the Ladies' Auxiliary is to raise at least \$3,000 a year, to assist the P. & C. Association. We need your attendance at the functions, and, indeed your assistance in any way that is possible.

The Canteen, despite problems of building and a serious lack of helpers, still manages to raise the funds to help the school. Thank you, Mrs. Appleby, the Canteen President, and her executive officers, Mrs. Morgan, Treasurer and Mrs. Hacobian, Secretary. In fact, to all the voluntary workers who, with our efficient and hard working supervisor, Mrs. Enid Simpson, keep the Canteen operating, our most grateful thanks.

Once again our group of mothers from the north side, under the

THE RECORD

leadership of Mrs. D. Barr, have supported the Auxiliary fund raising continuously through the year. To these ladies, our thanks. Indeed, to all our faithful supporters, who never fail to help when we need them, bless them, we offer our sincere gratitude.

We thank the Headmaster, Mr. Callaghan, the Deputy Headmaster, Mr. Bradford and the staff for their help and advice during the year. The school secretaries, Mesdames J. Byrne and B. Braithwaite have been, as always, kind and helpful on every occasion. Finally, our gratitude to Mr. T. Blomberg, President of the P. & C. Association, for giving his advice and support whenever needed.

I. VAGG,
Hon. Secretary.

KEITH CAMERON MEMORIAL LECTURE

Invitations are extended to senior form students at the School, old boys at the University or scholars of mature years to deliver the 1970 Keith Cameron Memorial Lecture at the High Club on June 4th, 1970.

The subject of study must be related to the history of the school, either a personality or perhaps a period in its growth.

The sum of \$40 is paid for the presentation of the lecture.

After the lecture has been delivered, a copy is lodged in the archives of Sydney High School and, it is hoped, will be printed for limited distribution.

The lecture aims to perpetuate the memory of a man who gave much to the well-being of Sydney High School and also inspire research into the history of the School.

Applications setting out the subject should be forwarded before December 31st, to the Secretary of the High School Old Boys' Union, 81 York Street, Sydney.

LODGE SYDNEY HIGH SCHOOL No. 631 UNITED GRAND LODGE OF N.S.W.

As the highlight of a very happy and successful year, Wor. Bro. Jack Levi (1933), Master of Lodge Sydney High School, installed Wor. Bro. Robert Thomas Milbourne Clark (1949) as his successor on Friday, 8th August. Bob, who left High in 1953, made a name for himself whilst at school not only as a scholar and Prefect but also as an outstanding sportsman. He was a member of the 1st XV, 2nd XI and rowed in the S.H.S. Head of the River crew of that year. Later he rowed in the 1957 and 1958 King's Cup crews for N.S.W. We look forward to a very enjoyable year under Bob's guidance.

THE RECORD

The spectacle of father initiating son never fails to tug the heartstrings and when Jack Levi initiated his younger son, Chris, in February there were many who recalled similar splendid ceremonies of bygone days, as Chris was the ninth son to join his father since our inception in 1929. Chris is in final year Dentistry and will be remembered as a Prefect and member of the 1st XV G.P.S. Premiers 1963, 1st XV 1964 and the 1st XI 1962-'63-'64.

Our annual visit to Lodge Artificer in Newcastle in November, 1968, included an inspection of Williamtown R.A.A.F. Station on Sunday morning, with a barbecue and cricket match at Grahamtown in the afternoon. We returned the hospitality in March by taking our Newcastle friends on a tour of Cockatoo Dockyard, followed by the usual barbecue and cricket match at Primrose Park.

Our Ladies' Night at the Randwick Rugby Union Club in June was a most enjoyable evening thanks to the organisation of Ron and Marge Pickering and was well attended by both young and old members and their ladies.

Our heartiest congratulations were extended to Don Dunn (1935) on his elevation to Grand Lodge as a District Inspector of Workings and to Allan Callaway (1933) as coach of our Olympic Eight, which finished second to West Germany. Our other Olympian, Ray Smee (1945) was present to see the exciting finish.

During the year Harry Middleton (1943), Kerry Rubie (School Captain 1957) and Chris Dunn (1957) were married, Kerry being in Toronto, Canada, for the occasion.

Also still overseas are Ken Stuart (1926) in San Francisco and John Hunt (1946) in Geneva. Ken was able to join our fraternal delegation to Lodge Torchbearer in February whilst on leave. Warwick Jackson (1955) left for England at the end of July to take up a research associate-ship at Middlesex Hospital Medical School and expects to be away for two years. After a six months tour of Europe with wife Vera, our highly esteemed Wor. Past Headmaster, Ken Andrews, was given a warm welcome on his return in October, 1968.

We were saddened at the loss of two of our older brethren, Alan Beveridge (1913) and "Mick" Alexander (1915). Alan, who died in November, 1968, was one of the School's most diligent supporters, having been a past secretary and past president of the O.B.U. and tireless worker for S.H.S. Even though not enjoying the best of health for some years he rarely missed a G.P.S. football match during the season. "Mick" was one of our foundation members and a stalwart in his support of the School.

Lodge Sydney High School meets on the second Friday of each month at the Masonic Temple, Castlereagh Street, and our secretary, Sid Pointing, telephone 2-0245 (business), would be very happy to give full details to any old boy, master or ex-master interested in joining. Many of these would be well known to our members and Sid would be pleased to arrange a meeting with old friends.

THE RECORD

Sydney High School Old Boys' Union

Founded 1892

Office-Bearers, 1969

Patron

His Excellency Sir Roden Cutler, V.C., K.C.M.G., C.B.E., K.St.J.
Governor of New South Wales.

Finance Committee

C. E. Rubie (Convenor), A. S. Wills, J. Foster, A. Clubb, A. Blomberg, K. Shields.

Classical Society

B. Murray (Convenor).

Debating Society

B. O'Meagher (Convenor).

Membership

Financial membership of the Union reached 1,020 during 1969. There are now three year-groups operating: the class of 1965; the class of 1967 and the class of 1968. We still need many more members and if we could achieve something commensurate with 10,000 old boys who have passed through the school, the activities of the union would know no bounds. At the moment we are restricted because there are not sufficient members to produce more than the financial return, sufficient to provide contributions to the well-being of the school. There is not enough for an adequate service to our old boys.

Church Service

The Rev. E. R. Rogers, an old boy of the school, delivered the sermon at St. James' Church to commemorate the 86th anniversary of the founding of the school.

The High Club

The High Club continues to provide a meeting place for all old boys of the school and their friends at 81 York Street, Sydney. Membership is open to old boys of the school, former masters and their friends who may join as associate members.

Auxiliary

This group of mothers, wives and friends of old boys has done much to keep the Old Boys' Union an effective force in the life of the school. Our gratitude is extended to them for the valuable help provided so

THE RECORD

willingly. A warm welcome awaits those who would join its ranks. They meet at 1 p.m. on the first Wednesday of each month at McDowell's Demonstration Centre.

Football

In the annual match played against the school, three teams took part and we congratulate the school on a very convincing victory by 22 points to nil. John Thornett led the first Old Boys' XV, which also contained another international representative in Peter Crittle and Randwick captain John Quick, but even their mighty presence could not stop the school team. Three teams of old boys were entered in the metropolitan junior Rugby League competition and played matches throughout the season. The Judd Cup team won the final of its division but went down to Knox Old Boys in a thrilling match in the play off. Colin Wood received the award for the best and fairest player for the season. Matches were played against Bathurst Teachers' College and also at Young, where a most enjoyable week end was spent. Appreciation of the efforts of popular Club Secretary Wayne Donaldson and Philip Madden is recorded with pleasure. These two, with Coach Vern. Dosser, played a big part in the success of our teams this year.

Back to School Sunday

More than 100 old boys visited the school this year with their friends at the annual Back-to-School Sunday afternoon gathering. The Rev. Peter Smith (1892) and Professor Oscar Von Willer (1897) were most distinguished visitors.

Societies

Our professional groups continue to meet regularly at the High Club: the Medical Association; the Legal Association; the University Staff Association, and the classes of 1965, 1967 and 1968, and the Mary-Anne Group were most active. Philip Madden can supply further information. His number is 40-4209.

Cricket Group

The cricket club, under the leadership of Chris. Chapman, continues to provide cricket for old boys who wish to wield the willow and bowl at the middle stump. Matches were played against old boys of St. Ignatius, Newington, Scots, Grammar and Kings. The highlight of the season was a match against the old boys of Melbourne High School played at Melbourne High School for the John Elden Challenge Cup. After a most exciting game our team ran out winners and hold the cup for 1969. The Melbourne old boys entertained us most lavishly and this gathering, the first of its kind, will always be remembered. The John Elden Cup was donated by the Mary-Anne group of the High Club and was named the John Elden Challenge Cup as a tribute to the President of the Melbourne High School Old Boys' Association. The next match has been set down for January 4th, 1970, when the Melbourne High School Old Boys' team will come to Sydney and play us at home. It is hoped to play this match at McKay Oval and to entertain our visitors

THE RECORD

at the High Club. All old boys are welcome to join with us on these occasions.

Keith Cameron Memorial Lecture

The 1969 lecture was delivered by Mr. Ron. Garson on "John Waterhouse — his Life and Times". John Waterhouse was the second Headmaster of the school and the lecture delivered by Ron. Garson was excellent. Forty people attended and listened with interest to the problems of the school in the depression of the 1890's when it nearly floundered and the problems Mr. Waterhouse faced to lift the school through the early years of this century to its present status as a member of the Great Public Schools. He inaugurated the prefect system and the publication of "The Record". Members of the Waterhouse family were present at the lecture, including his eldest surviving son, Laurie Waterhouse, and his grand-daughter.

Applications are now being invited for a scholar to present the 1970 lecture at the High Club on June 4th next. The Secretary of the Old Boys' Union, Philip Madden, will provide further information.

Honorary Life Membership

The Union conferred honorary life membership on Mr. Philip Howard for his outstanding service to the school and to the Union.

Congratulations to: Philip Smith and Allan Skinner on being selected in the Australian Rugby Union team to visit South Africa; to Mr. Jack Buggie on becoming Director of Secondary Education in New South Wales; to our Ladies' Auxiliary who celebrated their 20th year at a special function; to Judy Huxtable, new President of the Sydney High School Old Girls' Union:

- to Bob Clark, new Master of Lodge Sydney High School.
- to Jim Spigelman, president of Sydney University Students' Representative Council.
- to Stan Livingstone, appointed Professor of Chemistry at University of N.S.W.

High Ball

Five debutantes were presented to our President Sir Gordon Wallace and Lady Wallace before a very big crowd at the 1969 High Ball.

The debutantes were Megan Nelson, Carolyn Campbell, Joan Foster, Pamela Warnecke and Vickie Lawlor. The Matron of Honour was Mrs. Sylvia Henke president of our Ladies' Auxiliary.

In the official party Sir Gordon entertained the Headmaster Mr. Murray Callaghan and Mrs. Callaghan, representatives from Old Boys' Unions of other G.P.S. schools and officers of the organisations associated with the well-being of the school.

Karen McMurchie, a former school captain, was a charming choice for Miss High 1969 and richly deserved that honor. She looked lovely.

Music by Ray Price kept everybody's feet dancing and a really wonderful night was had by all.

Winner of the Guessing Competition — Mr. E. Adelstein No. 11899.

THE RECORD

Debating

Bruce O'Meagher, Keith Kinstler and Bill Halliday (jun.) defeated the school debaters Sam Dando, Laurie Kohan and Stephen Fenton in the annual contest.

Subject of the debate was "That Hair is here to stay" and adjudicator was Jon Isaacs.

Undaunted the school flung down the challenge and a return debate is planned at the school.

Most exciting thing to come from this evening was the formation of an O.B.U. Debating Society. It proposes to enter teams in the City of Sydney Competitions.

Annual Cricket Match O.B.U. v. The School

The O.B.U. team managed to defeat the school for the first time in many years, and for the first time in the 86 years of the school's existence two teams from the O.B.U. and two from the school played in this annual match.

This "first" was due to the excellent organising of Chris Chapman, President of the O.B.U. Cricket Club.

Rowing Appeal

Fred Randall organised the appeal to provide a new racing four and other equipment for the School Boat Club. His efforts are deeply appreciated.

NEWS FROM FAR AND NEAR

School's First Rhodes Scholar Passes On

It is with deep regret that we record the death of the school's first Rhodes Scholar, M. E. A. Southee, O.B.E., M.A., Oxon.

Mr. Southee was principal of Hawkesbury Agricultural College for 33 years having retired in 1954 and was 78 years old at the time of his passing. We extend our deepest sympathy to Mr. Southee's son, Dr. C. E. Southee, like his father, an Old Boy of the school and a Life Member of the Union.

THE RECORD

Brisbane Ahoy

Peter Phillips (School Captain, 1958) is keen to make contact with old boys living in Brisbane. He is living at 4/53 Dell Road, St. Lucia 4067.

Olympian Jack Campbell is also in the fair city where he is manager for Glassop and Sons.

They are trying to form a branch of the O.B.U. in Brisbane and we are all for it. Please write to them if you live in Brisbane. Peter is president of the University's Sports Union. John and Peter rowed in the University four in the State Rowing Titles — average weight 15 stone.

In Chemistry 1 at Sydney University term exams — there were 600 passes amongst 1,600 students. How does a 96 per cent pass seem to you? Yes you might have guessed it, none other than our Dave Mitchell (1968).

Ned Kelly Retires (Again)

Mr. O. N. Kelly, now 80 years, has retired a second time. Once from High where he taught the Classics and now from Sydney University where he has lectured in Elementary Greek for 20 years.

Margaret and Terry Velkou came back for a short stay in Sydney before returning to Greece.

David Griffith is playing Rugby with Oxford University.

T. P. Lawrence is trying to organise a Canberra dinner and has our strongest support. His address is Research Division Department of Supply, Canberra. Please get in touch with him or us if you can help.

Sir Charles McDonald celebrated his birthday recently. We sent him our warmest felicitations in Latin to remind him that Classics are still a first love at High. Yes Bill Lucan-Roberts had a hand in it.

Bill Harper is still in hospital in the Webb House, Frank Whiddon Masonic Home. He would appreciate visitors.

Ray Aitken is General Manager, Boyded, Bankstown.

John Dexter took out more prizes at the Coff's Harbour Show than any other exhibitor.

Viv Littlewood is due back from Vietnam.

Clive Kessler (1959) returns to London this month. After graduating from Sydney University, B.A. (First Class Honours and University Medal in Anthropology) in 1965, Clive went to London to continue his graduate studies at the London School of Economics (University of London). For the last two years he has been living in Kelantan, Malaysia, pursuing research towards a London Ph.D. concerning Islam, peasantry and politics in twentieth century Malay society. After his return to London, Clive will be an assistant lecturer in Anthropology at the London School of Economics.

Rev. Bill Jobling is back from the west of Queensland where he spent a couple of years with the Bush Brotherhood. Bill looks remarkably fit, he is teaching at Cranbrook and assisting Barry Theiring, former school Captain and now the Chaplain at Cranbrook.

Dr. Les Sampson (1941) returns this month from the U.K. for family reunions and the 25 years reunion of his 1944 graduating class in Dentistry.

Miss Pratt, the 87 year old sister of Percy Pratt, one of the original

THE RECORD

office bearers of this Union at its foundation in 1892, has passed away leaving \$1m. to charity.

After a short illness, Syd. Donnan passed away. Our sincere sympathy goes to his family on their loss.

The following note from H. D. Allen will revive a few memories. "Have just returned from overseas and regret missing the Cameron Memorial Lecture on Boss Waterhouse. I well remember the dear old Head calling me out for caning — the offence alleged was 'copying' by looking over another boy's shoulder (unjustly alleged of course Ed.). Fyvie Watt and Charles McDonald were two of my contemporaries."

Robert Wills (1962) is at Reykjavik University, Iceland, on a scholarship studying Old Norse, with him is his wife Sue (Nee) Dixon, Sydney Girls High School, 1963.

Peter Rufford is with the Department of Main Roads at Moree.

Sid Willsher has built himself a new home at Wamberal.

John Leaver celebrated his 84th birthday recently.

Alan May is with the Asian Development Bank in the Philippines.

J. W. Bailey's letters are being returned from Oxford University. Anybody know his address please?

John Tonkin is Hon. Treasurer of Sydney Legacy Club.

John Chapman is with the Australian Trade Commission in Vancouver.

Arthur Castleman is Hon. Secretary of Manly-Warringah Surf Life Saving Association.

Ian Stewart (1959) is a M.O. at Royal Prince Alfred, Camperdown.

London Branch Wanted

Ron Watts at Clare College, Cambridge, and John McGill (C/- Commonwealth Trading Bank, Australia House) are trying to organise a branch of the Union to meet occasionally in London. Cranbrook has one and so has Grammar.

Jack Buggie is Director of Secondary Education in N.S.W.

Kerry Rubie is Vice-President of the Leo Burnett Advertising Company, one of the biggest in Canada.

Frank Close is the Chairman of VAM Ltd., and is the new Chairman of Pacific Mining.

Gary Nehl is back in the big city.

Ken Dutton, President of the O.B.U. University Staff Association is Professor of French at Newcastle University and would welcome some news of Old Boys in those parts. Ring Department of French, Newcastle 68-0401.

Ex-SHOBS players Jeff Williams and Alan Hoiles continue to shine in the Randwick first fifteen. The result of the experience gained with a team which plays real football (like the SHOBS).

Dave Rowley is playing with Randwick thirds. Amazing that the Green selectors can't see the talent in this youngster.

H. W. Wood has been transferred to W.A. to take over as manager of the I.B.M. Data Centre in Perth.

Dr. John McKay is at Gosford Hospital.

Rodney Olsen (1965) is teaching at Ebor.

Jonathan Delaney is on the H.M.A.S. "Anzac".
