

From the Principal

Welcome or Welcome back!

Welcome to all our returning staff and students to what we trust will be a better year of learning and achievement for High. I want to welcome our 180 Year 7 students and our 38 new students in Years 8, 9 and 11. I want to assure you of our commitment to foster your rapid and successful integration into the High culture. We have five priority actions. We nurture your academic growth through a wide range of subjects, courses and competitions. We develop you as a whole person through the format curriculum and a large variety of co-curricular activities. We try to promote in you a sense of belonging to High through encouraging full participation in our six-day programs. We endeavour to develop you as global citizens and future leaders through our community service and school leadership opportunities. We support you in all your activities through our numerous support staff, incorporated associations, committees and governance organisations.

Our focus this year is on sentence conscious pedagogy. We want to try and teach sentence building and combining explicitly to enhance the clarity, coherence and quality of our written responses in all years. We have a small set of proven strategies that will be applied across the curriculum to support teachers and students in the collaborative task of improving whole-school literacy.

Early Leave Reminder

The school **does not** accept early leave applications via email or telephone.

The procedures for early leave are as follows:

Students must bring a note to the office that has been signed by **both** a **parent AND** a **Deputy Principal BEFORE 8.55am Monday to Thursday and 9.25am Friday**.

The note must contain the student's name, roll class, date, time of departure and reason for leave.

The student then returns to the office at the stated time and collects an early leave pass.

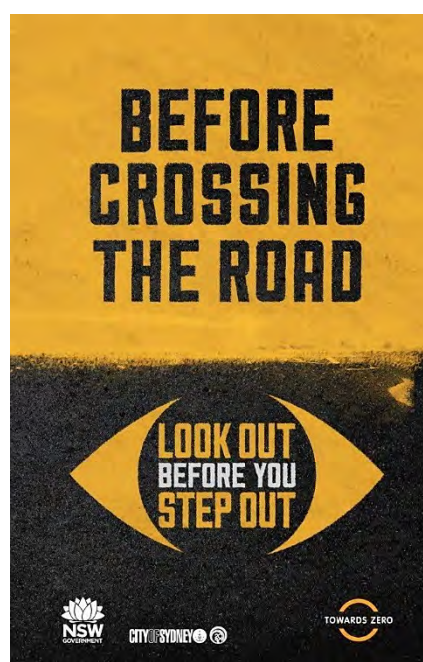

Please note: Early leave requests submitted after 8.55am and / or sent via email or telephone will not be accepted or processed by the office.

Please resubmit your request using the procedures above.

Opal Card Reminder

Please remember to **tap on and off** when travelling with a school opal card.

Informally known as the Junior and Senior Libraries, both libraries are critical centres for teaching and learning in the school. New students are encouraged to visit the library frequently to utilise both educational and recreational resources. Both libraries have wonderful collections of fiction and nonfiction titles that are forever growing and include many student recommendations. 'Wheeler's', our e-library, contains thousands of ebooks and audiobooks, and students have access anywhere and at any time. In addition, a digital replica of the physical copy of the Sydney Morning Herald can be accessed via the school's intranet page.

The library photocopiers can print, scan and copy, and students' printing accounts are charged accordingly.

The image displays two anime covers side-by-side. The left cover is for 'The Promised Neverland' (Volume 2), featuring a group of children in a large, circular, wooden structure. The right cover is for 'Bleach' (Volume 3), featuring Ichigo Kurosaki in a dynamic pose, holding a sword.

Dr Love will be giving a number of presentations to new Year 7 students in the first half of Term 1 about the Junior Library, accessing and using library resources, and the Premier's Reading Challenge. New students from other years, and of course continuing students, can ask the librarians for help or information at any time.

For returning students, all library books are now due back. This includes books borrowed at the end of term, as well as books that were due back sometime last year. Please return books you have finished ASAP, so that we can have them available for other students to borrow. If you would like to keep them longer, you can renew them online, or bring them in for us to return and reissue to you. Any English textbooks that students are not using this year are also due back now. These are school resources that will be needed for other students this year, so please return them immediately. Parents need to be aware that unreturned books will incur a fee to cover the replacement cost of the resources, so please check with your son that he has returned everything that is due.

Sydney High School Cadet Unit (SHSCU)

Wrap-up of 2022 and Dining-In Night

2022 has been an eventful year for the Sydney High School Cadet Unit where cadets were able to partake in a range of activities from ceremonial parades to field exercises after surviving the tragic onslaught of activity cancellations in 2021 due to COVID. For the first time since 2019, SHSCU participated in the Annual Field Exercise (AFX) where cadets managed to outlast the harrowing downpour and witnessed the transformation of their campgrounds into a swamp only second in size to Lake Sydney High. However, the disappointing weather was not enough to dim the spirits of the cadets who were able to engage in new learning experiences and enjoy numerous activities such as abseiling and the weapon training simulation system (WTSS).

Near the end of Term 3, SHSCU was honoured to be in the presence of multiple high-ranking officers from 23 BN and even NSW 1st Brigade to farewell the graduating Year 12s in the 2022 Marchout Parade. As per tradition, the parade also saw the promotion of Bravo Company from the recruits to fully-fledged cadets after completing their 1A course. On our last parade night, the unit gathered for the annual Dining-In Night, which for the first time in history was held in the SBHS Great Hall. Cadets, staff, parents and distinguished guests were able to assemble for a delectable meal to celebrate the perseverance and progress of each cadet through the weekly lessons, the 0600 reveilles and the 6th 'as you were' at opening parade. Of course, this remarkable year could not have been achieved without the diligence of the NCOs who have been toiling tirelessly behind the scenes and the vigorous efforts of the staff, who have made countless sacrifices to support the cadet program.

CUO Nicole Zhang

NSW ACC Brigade Promotion Courses

From the 7th to 14th of January 2023, 4 High cadets participated in the HQ NSW AAC BDE promotion courses. On the CDTWO/CUO course were CDTSGT Dean Johnsun, CDTSGT James Wachsmann and CDTSGT Haoran Zhang. CDT CPL Andy Huang was on the Sergeant's course. Over 300 cadets spanning all over NSW converged at Holsworthy Army Barracks for this event, with individuals coming from as far as Canberra and Norfolk Island. Traversing over the week at Holsworthy Army Barracks, we were taught a variety of things such as leadership and administrative skills taught by the cadet and adult instructors.

On the CDTWO/CUO course, we were split into 3 syndicates of around 10 but, due to the small nature of the course, everyone worked inclusively and not only helped but uplifted their peers in times of need, such as when we were taught sword and cane drill by Army Warrant Officer Gilson, something in which we were foreign to. This allowed us to form strong bonds with our fellow course members gaining memories that we won't forget. I would like to extend forth a special thanks to CDTSGT Pratley from the 22nd Brigade for making my course experience that much more memorable.

One of the most enjoyable activities for me was the mess hall, which is a luxury that not many cadets get to enjoy when we visit Holsworthy Army Barracks. Each day, there was new cuisine, and all the meals were delicious. Mealtimes were a great opportunity to socialise with other

cadets from other Units. At the end of the week, we closed the course by performing a marching out parade for our family and friends. The promotion course was an amazing experience for all of us and it taught us many useful things to bring back to our Unit and strengthened relationships with cadets from all over NSW.

Online Lance Corporal Course

On 21 and 22 January 2023, 18 cadets from Sydney High School Cadet Unit and Hurlstone Agricultural High School Army Cadet Unit (HAHSACU) participated in an online LCPL promotion course from 0900 to 1700. Ran flawlessly by the NCOs of both units and the ACS who put the course together. Since this course was online, a few cadets who were overseas, were able to wake up at 1AM and still attend the course and get the promotion they deserved. Due to the problems with the administration of the original LCPL promotion course in November 2022, our cadets were, unfortunately, unable to attend the last course. However, instead, an online course was offered as a remedy to this incident. Learning online brought forth many problems but despite the distance that was put between us and our goals, we were all able to get through the two-day course with relative ease. NCOs from both SHSCU and HAHSACU taught during the course, including CPL Jin Shim, SGT Dean Johnsun and WO1 Sophie Jin. During the course, we were taught how to teach others effectively and the responsibilities of a Lance Corporal. Subjects ranged from Risk Management to the Types of Leadership and Responsibilities. Lessons were generally one hour long and concluded with test of objectives, where we filled out a Google form which was to be marked to gauge how much of the information, we had taken in.

WEIGHTS ROOM

Sydney Boys High School Weights Room

Please be aware that the school's weights room is open and free for trial until the 10 March. The weights room is a great place for students to improve their movement competency, confidence and learn a great life skill. The weights room is always supervised, and programs are designed to progressively increase skill, strength and power.

The weights room is open 7-9am Monday – Friday and 3:15 - 5pm Monday and Wednesday. We also open the weights room up during the school holidays. ***When new to the weights room we ask that students arrive no later than 7:15am to allow for a smoother introduction to the weights room.*** There is no formal booking process when trialling, students just need to arrive on time and introduce themselves to the coach.

Payments can be made online.

Costs for this service are held down to a minimum and reduced by boys taking out a full year's membership. For 2023, a full year Weights Room membership costs just \$285. Boys wishing to have full year membership must register and pay by Friday, March 10, 2023.

Year 7 only! For those who have qualified for an early bird discount by paying their invoices in full, there is an additional special introductory weights room offer for a full year's membership for just \$165. Don't miss out!

A Message from Weights Room Prefect 2021

What lessons has weightlifting taught you?

The school weights room has come to instil the values I wish to strive for: perseverance and respect. Under the guidance of Mr Rich, who has done an extraordinary job of maintaining the legacy of the gym, boys from all year groups are provided with an equal opportunity to train for their own physical and mental growth. Beyond the programs, barbells and weights, our gym has taught us to always be aiming to learn and perfect our respective disciplines. No matter how experienced we may think we are, there is always knowledge we can gain. These principles further transition onto other facets of life, such as academics and family life. Through countless missed lifts, failures and early mornings where we wish we could just sleep that extra 30 minutes, we build our grit and appreciation of hard work. The gym and Mr Rich have reinforced the need to hold ourselves accountable for our failures and to accept ownership of our wrongdoings. These experiences, as with any other tough discipline or activity, will always stand as a fundamental aspect of my journey through my final year at Sydney High and beyond.

Captain of Boats Holiday Report

A new year has been ushered in which marks the last few weeks of the rowing season and the boys have not spent these summer holidays idle. Holiday training began after the first half of the break, easing back into sculling in preparation for selections. Once PB's were crushed and crews were selected, the rowers entered the last few gruelling holiday sessions training in Eights for the first time since the last Regatta. The purchase of a new eight - made possible through the rowing communities' wonderful efforts in volunteering and parking - greatly benefitted every crew as the previous top boat is passed down to the crew below. The senior rowers adjusted to their new boats with tough interval pieces, traversing more than 100km on land and water. Momentum is being picked up again, and I can't wait to see what each crew can do at the Scots College Regatta this Saturday.

The holidays also saw seniors become nostalgic at the arrival of 40 Year 7 students to the sheds for Try Rowing Day, an important event in the rowing calendar where the new intake try out the different facets of rowing. The day was a major success with many parents intent on having their boys sign up and everyone quickly getting into the spirit of rowing by venturing the Parramatta river and braving the heavy rain.
