

## From the Principal High Talent

Congratulations to Tommy Xu (10E) who has been selected to represent Australia in Epee at the Asian cadet Fencing Championships in Tashkent, Uzbekistan at the end of this month. Congratulations also to Rahul Pant (SHS-2022) who was our second student awarded a UNSW Co-op Scholarship.

## Early Bird Discounts

For much of what we do as a **six-day school**, particularly on Saturdays, High is a self-help, self-funded organisation. In order to help maintain all of our many activities we offer a **substantial discount** to parents who pay all their invoices in full **before Friday, March 10**. It is not only a great demonstration by them of their **commitment to the ethos of the school** but also, it's an encouragement for others to follow their lead and it helps to create a critical mass of financial support for our programs. The rest comes from the support of parents and the efforts made by School family volunteers, helping in fund raising. Having substantial funds early in the year allows us to make sure that capital works are completed in the holidays, orders are made promptly and that the boys get the maximum benefit out of equipment and services deployed for them this year. Quality services, extra staff and high standards come at a high price. A very large number of parents see the package as value for money and contribute in full.

The early bird discount is available for students who were invoiced in 2023 and doesn't apply to new students who were invoiced in October 2022 and subsequently came to Orientation Day in November and had the opportunity to pay all invoices on that day and obtain the discount. New Year 7-11 boys who **were not**

**made offers before Orientation Day** and hence could not attend, are eligible for the discount. Returning students in Years 8-12 have the chance to make a saving by paying in full by Friday, March 10.

Last year, **66.8% of families** saw the benefit of supporting the school in **all of its activities** early in the year and thereby earned the **early bird discount**. Together they saved \$199,125. I thank them sincerely for their support. We achieved our target and reset our 2023 target to attract 67.5% of parents this year. Let's carry on High's self-help culture to make sure we achieve our goals for your sons in 2023 and beyond!

## HSC 2022 High Achievers – State rankings

*Mathematics Advanced* – Venkatesan Darshan (8); *Mathematics Extension 1* – Stan Tse (3), Eric Qin (7); *Ancient History* – Yu Ming Lee (10); *Chemistry* – Hugo Leung (10), Aggarwal Saarthak (11), Addison Chen (14); Hao Wu (19); *Music 1* – Allen Fang (5); *English Advanced* – Hao Wu (14); and *Biology* – Ruiyu Zhang (20). Congratulations to all our highly successful students!

## The Sydney High School Building Fund

The *Sydney High School Building Fund* is a capital fund managed by the *Sydney High School Foundation Ltd* on behalf of the school. The object of the Fund is to provide facilities and resources for the use of students at High. Some of these assets are located **off-site**. The Foundation owns, maintains and operates the Outterside Centre and manages the Fairland

Pavilion. It also negotiates and manages Deeds of Licence with third parties for medium and long-term legal arrangements for the *High Store* and the *Tennis Courts* which the Principal cannot do. It delivered finance for one half of the c \$14,750,000 major project the *Governors Centre*, a joint endeavour with SGHS completed in 2021 after 10 years of effort. Contributions by

parents for 2022 were \$530,240. *Monthly Giving* from parents added another \$24,010. This *culture of ongoing generosity* is the principal reason why High has acquired the assets it enjoys over 139 years and the access it has to facilities at Moore Park, Abbotsford, Malabar, Sydney International Shooting Centre, Rose Bay and Centennial Park. The Foundation funded half of the installation of our **new demountable science lab**, c \$475,000 in 2022. Our

current projects are to **air condition the Junior Library** for \$75,000; build a retaining wall, pathway and entrance way at the Outterside Centre c \$100k and build a **meeting/lunch/physio room** for the tennis courts c\$85,000. Please help us to achieve these important goals in 2023 by making your annual contributions to the *Sydney High School Building Fund* as so many of our existing and previous parents have done over many years.

***WE NEED YOUR HELP***

***at the HIGH CANTEEN***

### **SBHS Parent Operated Canteen**

Our school is one of a declining number of schools with a parent-operated canteen. With the help of parent volunteers, our managers Karen and Eirini, deliver high quality, low-cost food options for our boys. They offer seasonal variety and nutritious foods in a certified operating environment. Each year we need parents to give some of their time, once a month for a few hours, to help keep prices low and quality high. Last year some of our Committee members retired once their sons left the school. We are relying on new and existing parents to fill the gaps under the leadership of our new Canteen Committee President, Alison Dao. We need volunteers to

act as Treasurer and Volunteer Coordinator. The commitment is a few hours each month. Our High community has always filled these roles, helping to make possible a donation of c\$65k annually to school funds from Canteen profits. If you have financial management or organisational skills please contact Andrew Hybler, P & C President or Alison Dao for more details and a role briefing. # Online consent for school vaccination Parent Communication Toolkit

## Sydney Boys High School

### Online consent for school vaccinations

Dear Parents/ Caregivers,

If your child is in Year 7 or Year 10 this year, you can now provide online consent for their routine school vaccinations.

In Year 7, students are offered free vaccines for diphtheria-tetanus-pertussis (dTpa) and human papillomavirus (HPV). In Year 10, students are offered the meningococcal ACWY vaccine.

Vaccination will only be provided at school if consent has been received.

### How to provide consent:

1. To complete online consent for your child's school vaccinations, visit:  
<https://nswhealth.service-now.com/school>
2. Follow the steps to log in to your existing ServiceNSW account. This is the same account you may already use to renew your driver's licence. If you don't have a [ServiceNSW](#) account, refer to [ServiceNSW](#) to create one.
3. Update or confirm your personal details in ServiceNSW as required.
4. Complete the School Vaccination Consent Form for your child/ren. You will need to:
  - a) Enter your child's personal details
  - b) Provide the Medicare card details for you and your child
  - c) Read the [linked Parent Information Sheet and privacy statement](#)
  - d) Provide consent

If you or your child do not have a Medicare card, consent can still be provided by requesting a paper-based consent form directly from your child's school.

### The benefits of providing consent online:

- easily update your child's details
- receive SMS and/or email notifications when vaccinations are given
- faster upload of vaccination records to the Australian Immunisation Register (AIR)

For more information on routine school vaccinations, please visit [www.health.nsw.gov.au/schoolvaccination](http://www.health.nsw.gov.au/schoolvaccination).

If you require information in your language, please visit

Dear Parents

## SCHOOL VACCINATION PROGRAM UPDATE

Keeping your child up to date with routine vaccinations helps to protect them from serious preventable diseases. As part of the NSW School Vaccination Program, students in Year 7 are offered free vaccines to protect them from diphtheria, tetanus, pertussis (dTpa) and human papillomavirus (HPV). In Year 10, students are offered the free meningococcal ACWY vaccine.

Your consent is required for your child to receive routine vaccinations at school. If your child is in Year 7 or Year 10 this year, **you can now provide this consent online**.

This year's school vaccination clinics will be held on March 6 (for Year 7 students) and June 22 (for Year 10 students). You can provide consent for your child's vaccinations via ServiceNSW using this [link](#).

From February 2023, **only one dose of HPV vaccination is required** to be fully vaccinated. This change has been endorsed by the Australian Technical Advisory Group on Immunisation (ATAGI) based on the latest evidence showing that one dose provides the same level of protection against HPV as two doses.

If you have already consented to your child receiving two doses of HPV vaccine, they will only receive one dose.

If your child is in Year 8 or above and previously missed their second dose of HPV vaccine, they are now considered fully vaccinated and do not require a second dose.

A small number of students who are immunocompromised are still recommended to receive a three-dose course of HPV vaccine. If your child is immunocompromised, it is important to discuss their immunisation needs with their GP.

If your child misses a school vaccination clinic, the school immunisation nurses will try to catch them up at their next visit. Alternately, you can speak to a GP or pharmacist about catching up on vaccination.

For more information on school vaccination visit: [health.nsw.gov.au/schoolvaccination](https://health.nsw.gov.au/schoolvaccination) or if you have any questions, please contact South Eastern Sydney Public Health Unit on **9382 8333 (Ext 2)**.

### SBHS Sports Assembly and GPS Swimming Leadership Function 2023

Congratulations to Jaden (Captain) and Edwin Cho (Vice Captain) who represented our school at the swimming leadership function on Thursday night at St Joseph's College. Jaden's speech at the GPS function and at the schools sports assembly both focused on TEAM work, the unique nature of the GPS competition, the importance of hard work and a never give up attitude. He importantly encouraged young swimmers to pursue their dreams. Well done boys.

### 1<sup>st</sup> XI Report

The boys turned to Scot's looking for a promising win against a tough side. The captain Raunak Roy won the toss and elected to field. Although the home side capitalised on this and were at 80 for 2 after the first 16 over bowled. Scots captain batted a beautiful knock of 113 to put the hosts in front with 272 to chase for High. Honourable mentions to Xavier Nath 1/63, Udey Gill 2 for

68, Atharv 2 for 27 and Harry Royal 1/35. High were confident to chase down this total. A horrible start to the innings put High 3 for 10 after the first three overs. Raunak Roy and Udey Gill dug in and built a 140 run partnership to put High on top. Raunak Roy 81 of 81 put Scots on the back foot with Udey Gills second hand of 50 off 100. Although quick wickets put High under pressure we fell short by 40 runs ending on 222 at the 48 over mark. A great fight by the boys and one to be remembered. We look to Grammar next week to take our first win of the season against our rivals.

### 2<sup>nd</sup> XI Report

We were up against Scots for the second game of the new year. We lost the toss and bowled first on a very flat wicket. Our bowling innings started great, with Scots only tallying up 150 runs in 34 overs. Unfortunately, because of some sloppy fielding, we went into bat chasing more than we expected. With the pitch starting to play a few tricks, our top order crumbled under the Scots attack, however, Ashwin and I were able to knock up a few runs to push up our total. We had a very close game was in our first meeting, we look forward to hammering Grammar away from home.

### Team of the Week 15B's Report

Coming off an unlucky loss, we were looking for some fortune in the form of a win against Scots. Scots batted first and got off to an amazing start, with their openers forming a 100+ run partnership. We put down many chances looking for a breakthrough. However, it was Nehan Rahman who found the breakthrough on the last ball before drinks, with a fabulous bumper. After drinks, Scots saw a top order collapse with 4 wickets down in a matter of minutes due to some beautiful tactical bowling and a clean run out for a diamond duck! However, it was not enough as Scots rode off a century from the opener and ended up making 217/7 in 32 overs. Our openers Vedantik Bhattacharya and Rabaab Chowdhury got off to a flier in this monstrous run chase. Vedantik got 40 runs and his partner Rabaab had scored a lovely 32 runs. When the 70 run stand was broken, Abithan came in and started whacking 6's from the get go. Things were looking comfortable as SBHS were on track to an amazing run chase at 1/110 at drinks. However, Abithan and I fell in quick succession and the runs stopped coming, and the wickets tumbling, as things came to a screeching halt. This left us needing 45 runs off 3 overs. Briz Chudal almost saved the day with a quick knock smashing 31 runs from a struggling position. However, we didn't have a batter on the other end which left Briz needing to

squeeze in a single at the end of each over to keep strike. Needing 26 from the last over, Briz almost took us all the way with 2 sixes including a monster six that went on the full to the neighbouring pitch and 2 fours but a late wicket saw this hope fade away. Scots won by 4 runs in the end. Overall, a good performance by both teams and an incredibly entertaining game with a nail-biting finish.

**Vedantik Bhattacharyya**

#### **Team of the Week 15A's**

After a shocking loss the previous week before, High were eager to strike back. Winning the toss, High chose to bat first and the openers looked to target their bowlers from ball one. Beautiful batting from Arjun Narayan brought up his well-deserved fifty. Although, losing focus and fishing for one down leg saw Adrian Sharafi coming off just after drinks, ending the 80-run partnership. With quick succession both Abhinav Inala and Gopala Govindan hit a couple boundaries increasing the run rate, allowing Nehan Hossein to come in and hit a quick fire 35, smashing 4 sixes and 2 fours. High was extremely comfortable after the first innings putting up 177 on the board yet were told not to be complacent. We went in with an abundance of intensity looking to send off Scots as soon as possible. Bibek Saha and Adrian Sharafi allowed this taking a wicket a piece at the end of the first spell. Bowling extremely good lines and some brilliant fielding brought Scots down to 63/5 at drinks. Bringing Adrian back in to clean up was ideal as he took a brilliant hat-trick to complete his High debut! Overall, it was a brilliant performance from all, showing great High Spirit and intensity to smash Scots out the park!

# SHOOTIN', 299 HOOPS

---

In a very tough matchup against The Scots College High had some very good performances. Majority of the teams that couldn't get the win on the weekend improved immensely from their last matchup against Scots and it was great to see so many basketballers playing with such good High Spirit. The first grade side suffered a very tough loss, losing 53-89. Even though the scoreboard doesn't show it, the boys played a well fought game and they should be proud with the way they played under very hot conditions when many had been away from school unwell. The second grade side also suffered the same unlucky fate, losing in a 31-57 game where Ross Zhou was the top scorer with 9 points. The High teams that picked up a win this week were 9th grade, the 16As who won 38-26, the 16Fs and the 15 Bs, Cs and Es. In other High Basketball news, due to popular demand, the House Basketball will start soon in the gym for years 7 and 9. Mr Writer and Mr Hayman have put the sign up sheets up in the gymnasium outside the PE office for years 7 and 9.

In NBA news, NBA Basketball School Australia has opened. Mr Hayman's friend, Ben O'Neil is running the program. It will be a great way to improve your skills, to check it out click the link (1) below. And the prefects want students to sign up for their upcoming lunchtime tournaments, which will be held Tuesday lunchtimes in the gym. You can have any level of experience but if you are unsure if you are going to play or not, sign up anyways so they can get a rough idea of how many people are interested. You can click the link (2) below to sign up. Again, thanks to everyone who helped at the SBHS basketball canteen on the weekend and huge thanks to MIC of Basketball, Ben Hayman.

In other NBA news, the Brooklyn Nets are not at all the same team they were just a couple weeks ago, let alone the start of the season. After now losing all three of their big three; James Harden leaving in early 2022, and Kyrie Irving and Kevin Durant both leaving over the space of the last week or so, the Nets are truly in a full-blown

rebuild, after having what should have been one of the greatest teams ever assembled. Kevin Durant was traded to the Phoenix Suns for Mikal Bridges, Cam Johnson, Jae Crowder and four unprotected future first-round picks, Phoenix gets the superstar they need to make it back to the finals once again and make a championship run, and the Nets receive two strong 2-way 3 point shooting wings, and a solid role player, as well as a bunch of first-round picks cementing them into their rebuilding status. The NBA witnessed a three-team mega-deal involving the Los Angeles Lakers, the Minnesota Timberwolves, and the Utah Jazz. The Lakers received D'Angelo Russell, Jarred Vanderbilt, and Malik Beasley, strengthening their defence and getting the 3pt shooting they desperately needed. The Minnesota Timberwolves received Mike Conley Jr, Nickeil Alexander-Walker, 2024 second-round pick swap, 2025 and 2026 second-round picks, swapping point guards and gaining picks to back up the franchises' future. The Utah Jazz received Russell Westbrook, Juan Toscano-Anderson, Damian Jones, and a 2027 first-round pick, getting worse for the sake of draft picks. In other NBA news, *Lebron James has broken the All-Time scoring record, scoring 38 points against Oklahoma City Thunder to pass retired NBA superstar Kareem Abdul Jabbar with an insane total of 38,390 points over his career.*

## SBHS SAILING

### Overview

During the week, the moderate to high winds greatly tested our abilities in preparation for the resumption of Saturday racing. Training on Wednesday focused on our control of acceleration and deceleration, a key component towards having good starts and mark traps.

### Saturday Sailing

In the morning, the wind was too low to sail in, resulting in the cancellation of our fleet racing session. However, the wind grew in power throughout the day, resulting in a strong sea breeze in the afternoon when the teams racing started.

First grade raced against Scots this Saturday, with skipper Liem Tran having an outstanding performance, securing first place in many of the races which allowed our team to beat them in half of our races. Unfortunately,

second grade did not find as much success, only winning one of their races against Scots and Ascham.

## High Regatta 1<sup>st</sup> Quad Race Report

It was perfect conditions as we set off towards the starting line. We were nervous, excited, and eager to prove ourselves and with the experiences of last week's regatta we felt confident we would be able to execute a better time. Moments before the race we thought of one aspect that we would focus on. The starter called us forward and gave us the signal. We were off like a bullet, completing our race start well and then settling into a race pace. The pace was tough and by no means easy to hold, but the boys were up to the occasion, and we were rowing like a well-oiled machine. There were no other crews in sight, but we didn't let that dishearten us as we put everything we had into the race. We were approaching the 3/4 mark when we were hit with exhaustion but thanks to our coxswain who encouraged us on we raced on through to the finish line to complete one of our best rows ever. As soon as we finished the race, we knew it was a good race, we had given everything and had rowed well together. We rowed lightly back to the sheds, which concluded our day on the water. Unbeknownst to us at the time we had smashed our previous time and were not too far off from the other crews. With more of this from the boys we will be sure to beat crews.

## High Regatta February 11

Thank you to all the parents, both old and new, that were there to lend a hand at the High Regatta on February 11. While the post covid boom of parents supporting their kids at sporting events has worn off and the crowd was low, the effort of parents to provide such wonderful food to those spectators, they still managed to raise a good amount of money for the rowing program. Thank you to the coaches (and Les Cheng) who stepped in to drive the boats, umpire and marshal the races.
