

From the Principal

Early Bird Discount Support

Thank you so much to the families of the 882 boys who supported the school financially by paying all their invoices by Friday, March 10. We reached our target of 70% (72.95%) and parents benefitted from \$221,126 in discounts. Considering the current environment where families are stressed by higher mortgage payments and inflationary pressures on household budgets, the support for our improvement plans, programs and co-curricular activities was outstanding. Thank you! We will honour your commitment by providing the best possible facilities, resources, learning experiences and co-curricular activities for your sons.

Rowing Assembly 2023

Our special guest, Sam Musgrove, spoke about how his experiences in the first VIII and 1st XV taught him so much about how mental discipline and toughness control our performances in sport. As he pursues a professional career in Iron Men competitions, he remembers how performance is about so much more than just winning – an insight he wanted the crews to take away with them. It is important to keep your mind in control to maximise your sporting potential. My speech to the assembly is reprinted below:

‘Special guest Sam Musgrove (SHS-2015), rowers of Head of the River crews, parents, students, teachers, welcome to our 2023 rowing assembly. We gather earlier than usual to honour and congratulate our crews as they prepare for their big test at the Head of the River regatta on March 25. We do so, in order to include all members of the first VIII in this ceremony.

I would like to congratulate George Barris (SHS-2001) for his high standard work as MIC of Rowing and Coaching Coordinator and for his recent promotion to Deputy Principal of the Senior School. Thank you to Con Barris who returned to High to help son George coach the first VIII. Thank you to Steve Comminos (SHS-2013) and Terry Fong (SHS-2014) for their guidance of the second VIII. Thanks to Daniel Xu (SHS-2016) for training the first IV. The Year 10 Vllls were managed by Gordon Su (SHS-2018) and Adrian Wong (SHS-2021). Thank you to them.

Our Junior crews’ training was overseen again by our long-serving coach Marguerite Pain. Thank you Marguerite. She was assisted this season by James Appleton (SHS-2019), Kevin Chen (SHS-2021), Gilbert Win (SHS-2021), Jack Ralph (SHS-2018) and Lenny Han (SHS-2018). Our SHS-2022 alumni helped out with Year 7 this term. Thank you to Nelson Cheng, Jack Smiles, Ivan Samsonov, Thomas Britton and Etai Zemack.

I want to thank the staff who assist George to run the program – Mark Gainford, Joanna Chan, Vivian Paul and Rosa Brown. Thank you again to the *Rowing Committee*, particularly the President Binh Johnsun, for her dedication and organisational acumen. Our thanks go also to Camp Coordinators Alan Shao and Kim Puah, Treasurer Niti Singh and parking coordinator Eric Wu.

An analysis of Head of the River results since 1999 reveals four important things. First, to win crews have to row 5.56. Second, High crews average 6.26. Third, the two targets we set in 2001 of winner’s time +10% and +7.50% are realistic, because they have been achieved by High boys like you on 42 times and 28 times respectively. Fourth, that High crews improve their times more than all the other crews during the season. Unfortunately, we also start from a slow base. We can lift that base for Term 4 this year by committing to maintaining if not improving, off-season fitness. The ways to achieve that include participating in a winter sport at the highest level possible; maintaining a program of strength and conditioning in the weights room all year; using a resistant band to work out at home regularly; sculling with a club on Sundays; or doing a session or two of ergs each week at school.

Coaches who inherit crews who can row 6.45 at the start of the season might expect to get boys to 6.15 by the Head of the River. What you choose to do as a group off season will determine your season starting base and also your improvement predictions, which are around 25-35 seconds of improvement over 2000 metres during a season. Collective efficacy is the capacity of a group to make

change happen to reach a goal. It is much easier to establish and stick to a routine in off-season training if you have your crew or team to do it with.

In 1994 there was a resurgence of rowing at High. Preseason the boys did endurance training and sculling and their early season erg times were good. The VIII won the C grade final at the North Shore and St George Regattas and rowed their way into the major final at the Head of the River. They won the U17 IV at the Australian Schoolboy Championships in Tasmania. Their mantra was attitude, dedication and commitment. Van Gencur, Captain of Boats, wrote in The Record in 1994, 'that at the end of the day, it was what we wanted to achieve that determined our success'. The opportunity to train and compete was presented to the boys and they grasped it. 'We put in the hard yards and more'. The coach in that year was Con Barris.

To improve in any sport you need to have a passion for it. 'Passion means that you care about the same ultimate goal in an abiding, loyal steady way. Grit is about holding the same top level goal for a very long time' (Tom Seaver, a major league baseball pitcher for 20 years). For rowers, long term preparation is necessary. Year 8 scullers who dream of earning a seat in the first VIII have to sustain their passion and grit for three or four years. They need to be dedicated and conscientious. The work hurts but the satisfaction from improvement makes you forget the pain and get up and train. The lessons we learn from our past successes include passion, commitment and an attitude to train more together to achieve a common goal.

I want to congratulate all the boys who have been selected to compete for High. You have become a part of a long tradition and your history will be written, as it was in 1994. Make your deeds something to be proud of in terms of your own goal setting. Good luck and give it your all out on the course right to the end no matter what your position. You are rowing for a place in High's history.'

Invoices for Summer Activities Co-payments

Later year enrolments in Years 8, 9 and 11, have had statements emailed for term 1 activities. Despite these charges, most activities are also heavily subsidised from school funds, particularly in direct grants from school funds (*voluntary contributions*), provision of MICs, teacher supervision, WHS compliance costs and first aid costs (*co-curricular supervision levy*) and parking allocation support. **Co-payments are used primarily for the provision of coaching.** In basketball alone, a team of 33 people delivers the program! We have staff, students, Old Boys, parents and volunteers working to

make your son's school experiences more enjoyable. It would be appreciated if you could make your co-payments promptly for your son's summer sport and co-curricular activities. Thank you.

SBHS Parent Operated Canteen

Our school is one of a declining number of schools with a parent-operated canteen. With the help of parent volunteers, our managers Karen and Eirini, deliver high quality, low-cost food options for our boys. They offer seasonal variety and nutritious foods in a certified operating environment. Each year we need parents to give some of their time, once a month for a few hours, to help keep prices low and quality high. Last year some of our Committee members retired once their sons left the school. We are relying on new and existing parents to fill the gaps under the leadership of our new Canteen Committee President, Alison Dao. We need volunteers to act as Treasurer and Volunteer Coordinator. The commitment is a few hours each month. Our High community has always filled these roles, helping to make possible a donation of c\$65k annually to school funds from Canteen profits. If you have financial management or organisational skills please contact Andrew Hybler, P & C President or Alison Dao for more details and a role briefing. pbhs.pandc@gmail.com

Sentence Conscious Pedagogy: Beware of fragments!

A fragment is a group of words that is not a grammatically complete sentence. It does not contain a finite verb. When

writing, always reread what you have written after each paragraph to check for possible fragments. Eg. Although I was

hardly ever late to school on Fridays...ate a great meal...developed a set of principles. These fragments need either a predicate or a subject to be made into a sentence. Check out what you have written. Is it a complete sentence?

Half Yearly Reports - Clearance Forms - Year 12

Clearance forms for report collection will be issued during the coming weeks. Please ensure outstanding payments and due book returns are received **before** the clearance form is printed.

Sharon Kearns
SAM

Rowing Assembly Speech by Zhangbo Wang

Rowing at High isn't a sport you come to this school in Year 7 looking to do. Yet all the boys competing this Saturday have found their own way to rowing, each with their own unique original story. I joined by mere coincidence and now I stand saying farewell to something that has changed my life more than anything else at High.

The last six years have sped past me in a blur, the day I've both anticipated and dreaded now just seventy-two hours away. I will miss the camps, the camaraderie, the sessions, even the ergs, the bus rides, the dinners, the pain. I'll miss when the boat moves just the right way, all nine minds fully in the present. I can't wait for the pin drop silence at the blocks.

To the nineteen Year 10s, you have developed close friendships with the boys next to you and you've proven yourselves to be able to hold your ground. Prove it once more and leave a mark on the course.

To the nine Year 11s, your attitudes and dedication to the sport are inspiring. You boys have been indispensable for the atmosphere around the sheds. You will be experiencing your first real Head of the River this Saturday and I hope it will be as impactful to you as mine was to me.

And for the final fourteen of you, this is your last time donning blue and brown on the water. Six years in the making. We know and trust each other. This Saturday, let's go out hard, grit your teeth through the middle and leave it all on the water one last time. Boys, let's cross that line, heads held high.

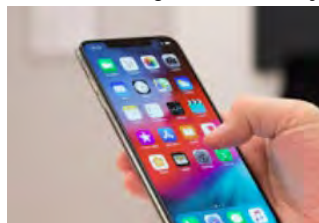

Zhangbo Wang 12R

We are fundraising with
 **The Entertainment Book**

The Entertainment Book

The Entertainment Book is on sale at Sydney High again this year, raising funds for the school. This is now available in digital format only.

For those yet to experience the benefits of *The Entertainment Book*, it's offered in a digital form using their easy to use app so that:

- ✓ You don't need to carry around a book.
- ✓ You get access to it almost immediately – just download *The Entertainment Book* app.
- ✓ You can easily see on a map all the eligible restaurants and activities (e.g. cinemas) around your current location or in a specific area.
- ✓ You can easily look up if the restaurant you are currently eating in has a discount before paying the cheque.
- ✓ You can share it amongst a few people with access on up to FIVE devices to use any time they're out.
- ✓ Memberships are now valid for 12 months from date of activation.
- ✓ You can monitor how much use you're getting out of it to easily see your savings.

There are two different region options, with 20% of all sales going to the school:

1. Single City for \$69.99
2. Multi-City for \$119.99

Only two or three nights out throughout the year will easily recoup the initial cost. So if you're interested in helping the school out while making some big savings, use the following link to order your copy:

<https://www.entertainmentbook.com.au/orderbooks/2h19779>

Jamie Kay
Deputy Principal

New Desk

A big thank you to Jim Crampton and John Prorellis for organising a new desk for the canteen. The new desk is more spacious and will make processing the daily lunch orders, ordering supplies and all the other tasks involved with running the canteen more pleasant.

Food Processor Donation

A big thank you to Kim Xile for donating a brand new Sunbeam Cafe Series food processor to the canteen. Many of the dishes sold in the canteen are handmade and require many chopped ingredients. This processor will be put to good use!

Flexischools System Outage

The Flexischools system, used by many parents and students to place recess and lunch orders with the canteen, was unavailable on the morning of 10 March 2023.

Should another outage occur in the future, students can place their recess and lunch orders between 08:30am and 09:00am in person at the Canteen.

Appreciation

Thank you to the following parents for volunteering in the canteen since the start of the new school year.

Monday 6 March: Dongyun He

Tuesday 7 March: Connie Luo, Delia Leung, Katherine Cowan

Wednesday 8 March: Arun Sehgal, Liming Wang, Shuang Liu

Thursday 9 March: Cicong Chen, Sulan Zhang

Friday 10 March: Cathy Shen, Fiona Yang, Val Tedjasaputra

Monday 13 March: Grace Guan, Jessica Tam, Kerrie Lane

Tuesday 14 March: Cherry, Min Yu

Wednesday 15 March: Claire Li, Dexian Ma

Thursday 16 March: Hari Krishna Kolli, Sandra Jouravlev

Friday 17 March: Catherine Hu, Meilan Gao

We require 3 – 4 volunteers each day to ensure the canteen functions smoothly. We are highly flexible and will gratefully accept any time you can donate to the canteen and the students. If you have time to spare on a regular or ad hoc basis, please get in touch with us by any of the following means:

- fill out the [Canteen Volunteer Registration](#) form
- send an email to canteen@sbhs.nsw.edu.au
- call us on (02) 9662 9350

Alison Dao

Canteen Committee President

Parent Survey Results

In recent weeks, we asked parents to provide their perspective on what we should be focusing on as a school over the duration of our 2023-26 school plan. 211 parents responded to the survey and some of the key findings are outline below.

Academic results were the highest factor attracting families to the school (86%) and is an area many parents indicated we could improve. Writing technique (88.2%), close reading of the question (60.7%) and literacy support classes (51.7%) were some of the most identified areas to focus on as a school to help lift these results. Growth goal setting (76.3%) and tasks to engage students (68.7%) were the other main areas parents suggested we focus on outside of reading and writing.

Within the comments, a number of parents referred to focus areas that complement what the school is implementing this year, such as:

- the need for structured and explicit teaching of writing from Year 7, with writing technique already a bigger focus across all year levels from the start of this year
- various strategies to encourage more reading, with our school team already looking at some of the parent suggestions for 2023.
- all students being challenged at the appropriate level, which the school is focused on to increase the use of pre-testing and differentiation tasks for students in Years 7 and 8 this year.
- extensive use of explicit teaching, exemplars and regular checking for student understanding, all of which have been a focus point for the school executive this term, to ensure all teachers are aware of best practice.

Regarding sport and co-curricular activities, 72.5% of parents enrolled their child at High due to our sporting opportunities and 64.9% said that sports participation is one of our most successful areas, followed by the quality of the sports programs (56.4%). Co-curricular programs were also considered a successful aspect of the school (41.7%).

Comments related to these areas included:

- Easier communication of students' schedules for all co-curricular activities, which is something our recent introduction of Clipboard aims to improve in the near future.
- More physical training and quality coaches to develop their sporting skills and maintain status in the GPS, something that is currently being developed within all sports.

Highlighted student wellbeing focus areas include: Student leadership opportunities (69.2%), Sports programs (55.5%) and Co-curricular programs (50.7%). Some aspects of student wellbeing that were suggested by several parents included:

- Continue to develop personal skills to create independent, responsible, resilient and autonomous adults with positive relationships, something that our values education classes and co-curricular programs look to achieve, including suggestions on how to continue developing respect within the school.
- Greater focus on time management and study planning, which we are looking to refine within our wellbeing programs, along with other concerns raised such as online gaming, social media and communication in online forums.
- A mentoring program for older students to support younger students both academically and socially and the potential for industry experts to mentor students, which is something we will look into.
- Creating a team culture across the school, with all the boys supporting each other. This is where our value of compassion could be further reinforced with the boys.
- More opportunities to engage with Sydney Girls, which is something that we've looked to improve, including 25 minutes of lunchtime on Mondays and Tuesdays that currently overlap between the schools. We will be considering other ways for students to participate in combined activities in the future.

Other comments were related to adding air conditioning in classrooms and enhancing the quality of the toilets. Both of these are well into the planning stages of the school and are being pursued as a priority.

Several parents also stated that they would like more flexibility for the boys when choosing their subjects for the HSC, without any caps on numbers. Unfortunately, there are staffing and classroom limitations that prevent us from having enough classes to meet demand in several Year 11 and 12 courses, but we will always do our best to provide a range of options for the boys and maximise the number who can study their main preferences.

Thank you to all 211 parents who took the time to fill in the survey. Your feedback has provided valuable input into the future directions of the school and provided some great ideas for us to implement.

Jamie Kay Deputy Principal

Meet the Teacher - Ms Brown

Describe a little bit about yourself and your role at High.

My name is Ms Brown and I'm an English teacher. I also supervise rowing at SBHS on Thursday afternoons and Saturday mornings. In addition to this, I'm the CHS Rowing Convener, which means I'm responsible for the NSW state public schools rowing championships.

Describe a little bit about your background in education and how you came to be an English teacher at High. What incentivised you to become an English teacher originally?

I've always loved learning about people and the social world around me as well as sharing and discussing important ideas. English teaching is a great way to do all of these things. I originally studied a Bachelor of International and Global Studies at the University of Sydney and did my teaching degree and a Master of English and History in Zurich, where I lived for four years.

Given you only came to this school recently, is there anything about SBHS that surprises you? What is different about the atmosphere at High than your last school?

I've previously taught at a selective school in Zurich, a school in Western Sydney and a selective school in Inner West Sydney. I had great experiences at all of them.

I'm really enjoying my start at High. I've been warmly welcomed by staff and students and really appreciate the atmosphere of collegiality and commitment here. A big difference to my previous schools is the range of sport and extra-curricular activities, and all of the

memorabilia on the walls!

What are you looking forward to at High in the coming years?

I'm looking forward to getting to know my students more, and hearing their opinions on the texts we study, as well as reading their creative work. I'm also looking forward to continuing to learn from the wonderful teachers in the English faculty.

What is an interesting fact about you, or a hobby that you have?

I've taken part in a number of social justice and climate change projects. My best friend from Zurich is similar, and to avoid the Co2 emissions from flying, she came to my wedding in Sydney via train and freight ship, and wrote a book about it.

Also, my sons are three years apart but have the same birthday, which happens to be today (14 March). Happy birthday Max and Leo!

SRC WEEKLY UPDATE Week 8 Term 1

Last week, we posted our first Meet the Teacher of year on High Notes, with Ms Lau (English) being interviewed.

We have confirmed the date for a lunchtime tetris competition on **Friday 28th April (Week 1, Term 2).**

If you have any suggestions, please feel free to message us on Instagram @sydneyhighsrc.

2023 Semester 1 Music Co-Payment

Thank you to parents and/or guardians who have already completed and submitted the Semester 1 Music Co-Payment.

We kindly ask and remind parents and/or guardians to check and pay the Semester 1 Music Co-Payment through the Parent Online Payment Portal and/or visit <https://pay.sbhs.net.au>

Mandatory Marching Band Holiday Rehearsals & Performance Uniform

All Marching Band students in Years 7-12 must attend both holiday rehearsals.

*Holiday Rehearsal #1: Friday 21 April, 9.30am – 12.30pm (GH, MPW)

*Holiday Rehearsal #2: Monday 24 April, 9.30am – 12.30pm (MPW)

*Anzac Day CBD Parade: Monday 25 April (Time TBC). More information will be sent out soon.

Students will be required to wear FULL school uniform for both holiday rehearsals and on Anzac Day. Students must wear: School Blazer*, White collared shirt**, school black shoes, school long grey pants, school tie, school socks.

*School Blazer – If your son does not have a blazer, either purchase one from the “High Store” or ask another student to borrow theirs for the 3 dates (holiday rehearsals + Anzac Day)

**White Shirt (Years 7-9) – No need to purchase one from the High Store, you can purchase a white collared shirt from Target/Big W/Kmart (examples).

If you have any questions/enquiries regarding Marching Band, we ask students to speak to either Ms S Lim and/or Mr P Aoun directly in the Music Department.

Please note: No Marching Band rehearsals in Terms 2 & 3. Rehearsals resume in Term 4.

Music Performance Program Term 1

If you are interested to join a music ensemble(s) and/or learn a new instrument, we ask students to come and speak to the Music Department.

It is never too late to join a music ensemble and/or learn a new instrument.

2023 Sydney Southeast Symphonic Winds (SSSW)

The SSSW provides outstanding music education opportunities for students. This includes a number of performance opportunities for students enrolled in public schools in and around the Sydney area.

The band regularly performs at leading performance venues such as the Sydney Opera House, Angel Place, Town Hall, Parliament House, Verbruggen Hall and also represents the Department of Education at official events throughout Sydney. Applications close on Friday 28 April 2023.

For more information, please visit: www.gspsembles.com

Music Storage Room

A reminder to all students in the Music Performance Program:

*The music storage room is ONLY used to store music instrument(s).

*Please do NOT block the pathway inside when leaving instrument(s) in the Music Storage Room.

*Please make sure to place your instrument(s) neatly in the appropriate instrumental bay(s).

*Please ensure students have a clear name tag with their name/year on their instrument case.

*Students and parents are reminded that SBHS does not provide instrument insurance or cover. The Music Department will not take responsibility for loss or damage whether on or off the school property.

*Non-music instrumental items/accessories will be removed without any warning.

Parent/Guardian/Student Communication

Parents and Guardians: Please download **SZapp** from the Apple App Store or Google Play and subscribe to ‘MUSIC.’ Installation guide can be found in the school's High Notes.

Students will be notified of any music news and notifications via Clipboard, Music Performance Program CANVAS page, school's daily notices and High Notes. Students are responsible to read and keep updated of any Music Performance Program related events/material on a regular basis. Students will also be notified of any music related events during ensemble rehearsals.

Attention Music Ensemble Students: If you are in the Music Ensembles Program and have not yet received a Music Performance Program Canvas invitation, please email the Music Department: music@sbhs.nsw.edu.au

2023 Music Ensemble Schedule

JUDY CASSAB
PRIZE

FOR PAINTING
AND DRAWING

THEME 'A SLICE OF LIFE'

Students from Sydney Girls and Sydney Boys
are eligible to enter **one drawing or painting**
for consideration in the Judy Cassab Art Prize.

The winner will be announced at the
Illuminate Festival opening night on 28 August
at the Governors Centre.

One prize of two thousand dollars will be
awarded to the successful entrant.

ENTER by 14 August here <https://sbhs.co/jc23>

Conditions:

Only one artwork per entrant

Size should not exceed one metre square

No HSC artworks

The shortlist process and judging is final.

Works must be collected on Friday 2 September
from the Governors Centre.

Health Routine School Vaccination being offered in 2023

NSW Health is working with schools to offer the following routine vaccines to Year 7 and Year 10 students in 2023 to protect them from preventable diseases:

YEAR	VACCINE	NUMBER OF DOSES
Year 7 Visit 1	Human papillomavirus (HPV)	1 dose Monday, 6 March 2023 Room 801
	Diphtheria, Tetanus and Whooping Cough (dTpa)	1 dose Monday, 6 March 2023 Room 801
Year 10 Visit 2	Meningococcal ACWY (MenACWY)	1 dose Thursday, 16 May 2023, Great Hall
	Year 7 catch up from Visit 1	
Year 7 and 10 Visit 3	Year 7 and 10 catch-up from earlier visits	Wednesday, 1 November 2023 Room 801

NSW Health will also be offering catch-up vaccination during 2023 to students who missed HPV, dTpa or MenACWY vaccinations in 2022 and the first and second visits of 2023. Where this is not possible, parents/guardians will be contacted and recommended to access free catch-up vaccine for their child at their local GP.

Please note that any vaccine offered to students at school requires the online consent of parents/ guardians through the ServiceNSW app.

More information about the NSW School Vaccination Program is available at

[NSW School Vaccination Program - Immunisation programs](#)

1st XI Report and Team of the Week

The First XI headed to McKay for one last time. One opportunity to finish on a high and take their first win of the season. The skipper Raunak Roy won the toss and elected to bowl and took a wicket that looked to be a bit spongy. This proved to be a good toss to win as Xavier Nath took a wicket with his third ball. High were on top early taking regular wickets setting back Shore to 3/30 at the first drinks. The boys put their foot down and proceeded to take another 4 wickets by second drinks as Shore were 7/90. Udey and Xavier came together to wipe out the tail in the 46th over and claiming three wickets each. High were chasing 122 to win and to claim their first win of the season. Sumanth and Pranav headed to the crease for one last time representing High and guided the innings perfectly being 0/40 at first drinks and setting a

great foundation to chase the total down. Exceptional shots displayed by Pranav saw him get a well-earned 36, and a hardworking 22 for Sumanth. Aayush Madan came to the crease eager than ever to finish off on a high as he crafted a well-made 26. Although it was Xavier's fireworks at the end that saw the hosts home with 4 wickets to spare. This saw High's first win of the GPS season. I would like to congratulate these Year 12 boys on completing cricket at High, Sumanth, Pranav, Aayush, Nishanth, Xavier, Raunak, Kavin and Udey.

Raunak Roy

1st XI Captain

2nd XI Report

The last game of the season, and the last game for our Year 12s, Zayn and Ramin began with us bowling first on what was quite a green deck. After a strong start from Shore, our bowling near the middle overs made light work of their order, and with a collective of 7 wickets between them, Duvindu and Ramin led the boys into an early lunch on what was a very chasable total. Unfortunately, whilst the runs flowed in our batting innings the wickets continued to tumble, and we fell quite short of the target. Nevertheless, after an enjoyable grade season, the boys are pumped for the Davidson Shield, and are excited for our first game this week.

Ranaveer Thorat

2nd XI Captain

MIC Report

We had a great win in the 1st XI against Shore at McKay in our last game of the season. The atmosphere was like winning the grand-final with great support by the crowd. The boys sang their victory song in the dressing sheds with great affection and pride. This will be a win that everyone will remember who was at McKay on Saturday. As MIC of Cricket, I would like to give a big "thank you" to all the wonderful 1st XI parents for your time and effort on a Saturday at McKay Oval for our home games. The 1st XI parents who consistently gave up their time on a Saturday for the 1st XI were – Mr. Saheel Hafiz (President of the CC), Mr. Parveen Madan and Mrs. Neeru Madan, Mr. Pradeep Roy, Mr. Kamesh Rao and Mrs. Meena Rao, Mr. Ramakant Rajagopal, Mr. Sampath Pahalad and Mrs. Bhuvana Sampath, Mr. David Royal, Mrs. Bhavani Bodidi and Mr. Reddy Bodidi. A wonderful group of parents who kept the tradition going at High of having the best lunches in the GPS.

David Smith

MIC Cricket

Congratulations to Pranav, Aayush and Sumanth (left to right) who have played cricket at High for 6 years, from 13As to 1st XI.

Sumanth Bodidi
Cricket Prefect 2022/2023

Year 12 boys in the 1st XI played their last game for High.

Sydney Boys High School Cricket Dinner 2023

High Cricket invites all cricket boys and the families to the Annual end of season Cricket Dinner on Saturday, 25 March 2023. The starting time will be 5.30pm and conclude by 7.30pm.

We are excited to invite the cricket community back to celebrate the season. The dinner will provide an opportunity for us to recognise the achievements of the boys and the parent volunteers who have made this season successful.

There will be a raffle draw and a lucky door prize for a wide variety of prizes. These raffle tickets will be sold on the night. The night will involve a brief talk from the MIC of Cricket and each coach will present their teams with awards on the night. Each player who is at this presentation evening will receive an award for their efforts during the season. All teams will be presented with a best and fairest award for batting, bowling and fielding. There will be a highlight video of the 1st and 2nd XI matches and all other age group games. A good variety of food and drink to enjoy during the evening.

PLEASE NOTE: RSVP: ASAP - front office. **Dress:** All students must wear full school uniform.

Tennis Update Week 8

A big thank you to all the tennis coaches, athletes and their families for a wonderful tennis season. I will publish my end of season MIC of Tennis report next week. I look forward to celebrating the end of this season with all who can make it to this years end of season Tennis Social Dinner.

This week our 15's & 16's fixtures were mistakenly mixed up and our A and Bs versed the C and Ds and vice versa. Therefore, I have not included the results from these matches in the results table.

Year 12 4-8th Grade players after their last fixture for the school.
Thank you for your service.

1st Grade Water Polo Report

To finish off the memorable season the 1st Grade Water Polo Team had 2 games against Sefton High and Shore. Starting with the game against Sefton, having not played them before, the boys came into the match being confident that we could win the match. Even though it was a "friendly" the boys took the game extremely serious. Having been training hard all season the boys wanted to get at least one win while having a good time. The game started with Jaden Yi and me winning the swim offs and with goals flying everywhere. With at least one goal from everybody including goalkeeper Allan Tan, the boys had an amazing time. Dominating possession while also dominating the scoreboard. After the end of the first quarter High led 10-1. With a commanding lead at the end of 2 quarters. The boys focused on dry passes, setting up plays and extra man work. The game was fun and thank you to Sefton High for coming out and playing in the first inaugural friendly game against Sydney High.

For the final game of the 1st grade Water Polo GPS

season, the boys had the most confidence coming into the final game of the season. With 7 Year 12s on the team, it was the final water polo game of our illustrious careers. The game was hyped from the beginning, with the main message from coach Rowlands and me, to enjoy the moment, give it your all and have fun no matter the outcome. The game started on the back foot with goals coming from the centre forward, the team kept their spirits high and kept fighting till the very end. Even though the score was 10-3 with hard fought goals coming from Edward Brownlie, Edwin Cho, and Fynn Hopkins, it was a fun game with everyone having a good time. The Man of the Match was Edwin Cho with his goal while being fully submerged. For the team overall, it was not the way we wanted to end our season but the memories that we made, the friendships that we built during our time representing High and the lessons we learnt every week were invaluable. It has been an honour. Thank you, boys!

Jaden Luu

1st Grade Water Polo Captain

SHOOTIN' HOOPS

304

Last weekend vs. Shore School several teams grabbed the W. The high first grade worked incredibly hard, with Henry Lau scoring 30 points in a 71-55 win, the second grade side also won in a well-rounded team effort to close out the game in a 57-53 win. The 6th, 7th, 9th and 10th grade teams also won, and multiple teams in the 15's and 16's also got the win, and the 13F's got the W in dominant fashion, doubling the opposing team's score. Thanks to everyone who contributes to High Basketball culture and partakes in the community. Special thanks to everyone who took the time out of their day each week to go to High basketball games and made the commute to come and support high throughout the season, and all those who help to make High Basketball the strong community it is, and for their continuing support. Huge thanks to Basketball MIC Ben Hayman for making this all possible, and for making High Basketball a program to be proud of. This season has been full of wins and improvement, from rarely winning to rarely losing across all of our basketball teams. Good luck to everyone in the winter season!

With the NBA regular season having under a month left, we can see a rough idea of how the season will finish.

The Milwaukee Bucks and Denver Nuggets were the first 2 teams to qualify for the playoffs. For the first time in a while, Nikola Jokic has been replaced on the MVP ladder by Joel Embiid, who is currently averaging a whopping 34 points per game with 10 rebounds. Jokic is second on the ladder, averaging a 25-point triple double and is followed closely by Bucks star Giannis Antetokounmpo. The clear favourite to win Rookie of The Year is still Paolo Banchero, who averages 20 points and 7 rebounds per game. In other news, the biggest shock of this NBA season is the Sacramento Kings, who currently have the second best record in the West at 43-27. All the experts predicted the Kings to finish out of the playoffs at

the start of the season so this is massive for the organisation. The team is led by superstar De'Aaron Fox who is averaging 25 points a game, he is supported by Domantas Sabonis, the current leader in rebounds with 12.6 rebounds per game. Ja Morant, who has been involved in the biggest controversy this season involving him showing a gun on his Instagram live, has said this in a recent interview with Jalen Rose. "I feel mentally (better) than I have in many years. I'm in a space where I'm very comfortable. Honestly, I feel like we put ourselves in that situation with our past mistakes, and now it's only right that we focus in and lock in on being smarter and more responsible, holding each other accountable for everything." Ja is eligible to return on March 20.

Coach Gerlach in the huddle.
Firsts get the close win vs Shore.

Go HIGH!

Play Hard, Play Smart and Play Together!
Thanks to everyone who makes Shootin' Hoops possible.
Brought to you Yves Rinaldi and Charlie Caro.

Head of the River - March 25

The final week of preparation put the finishing touches on a season that saw record improvements across all Head of the River crews. Hopefully these improvements continue on Head of the River Day.

Sydney High School 1st VIII 2023

Boat Naming - March 18

On March 18 we were lucky enough to name two boats, The Doug Donoghue and the Les Cheng. Les took over as President of the rowing committee at the start of COVID and he became Mr everywhere man. With so few people allowed to be onsite Les took it upon himself to be Father of the night, head chef and maintenance man at the rowing sheds. He oversaw the downstairs refurbishment and always ensured the boys had access to whatever they would need to perform to the best of their abilities. The boat naming was a small appreciation to the countless hours Les spent making rowing a better place.

The second boat was named after Doug Donoghue. Doug was chosen as the name for the new 1st VIII boat for what

he meant to Sydney High and Rowing Australia. In 2020, Doug was elected to life membership of Rowing Australia for his endeavours. It was an honour to have John Coates AC christen the boat and commemorate such an impressive Australian and old boy of the school.

The Rowing Committee

Thank you to the Rowing committee who made the day, and every camp and special occasion this year, a great success. It is a team effort led by President Binh Johnsun. Check out SHS Rowing on instagram: <https://www.instagram.com/sydneyboyshighrowing/>

CHEER ON YOUR MATES!

Calling on all SBHS Boys to cheer on our rowers as
they compete at Head of the River Regatta on
Saturday 25th March 2023.

They trained hard all year so lets show them our
mighty High Spirit!

Non-Rowing Parents taking their son directly to
Sydney International Regatta Centre are invited to
join Dr Jaggar and rowing parents at the SBHS
Marquee. Please bring a plate of food to share.

Location: Sydney International
Regatta Centre, Penrith

HIGH SAILING

NSW Secondary Schools Teams Racing Championships

This week saw the conclusion of this year's sailing season with the State Championships, which took place over Friday, Saturday and Sunday. Each day started off with light winds that picked up over the day into a strong sea breeze. This proved to be a challenge to many teams including both High teams, who were forced to adapt to the conditions quickly.

Day One - Friday

Stage 1 of the competition began by splitting the 25 teams into four pools of 6-7 teams each. Each pool conducted a round robin with the bottom seven teams overall dropping down to Division 2. First grade had a strong performance throughout the stage, qualifying to Stage 2 with an impressive record of 4 wins and 2 losses. Unfortunately, second grade were knocked down to Division 2 with 1 win and 4 losses.

Day Two - Saturday

The boys arrived on Saturday reinvigorated and eager to sail. First grade secured another 4 wins, placing themselves at ninth on the leader board - just outside of finals qualification.

Second grade finally shook off their nerves and dominated Division 2, taking home 5 wins, 1 loss and a medal each.

Second Grade celebrate winning Division 2

Day Three - Sunday

Although first grade was originally told we were unable to qualify for the finals, an out-of-the-blue text message early on Sunday morning had each sailor scrambling out of bed to get to the sailing club. One race between St. Aloysius and Cranbrook was being redone and depending on the result there was a chance we could still qualify. Although the race ended up not affecting our standings, we are grateful to the whole team for endeavouring to arrive ready for such a small chance to race on such short notice.

An End to the Season

Overall, first grade and second grade went home proud of what they accomplished. First grade continued fighting through the many setbacks they faced and solidified themselves as a top 10 team in New South Wales. Second grade bounced back from an early slump and won Division 2 in dominant fashion. We look forward to the future and hope to see you next year!

Thank you to Dr Jaggar and MIC Matthew Cotton for the continued support of the program. Thank you to coaches Hugo Leeming, Sam Steinberg, and Samuel Ezra for leading us along this incredible journey. Thank you to Florence Li, Khlem Tran and the rest of the parent's committee for organising sailing-related events and bringing much needed refreshments to our boys. Finally, thank you to all the students in the program the hard work that you have put into sailing over the last season.

Sport absences must now be lodged through the Parent Portal:

- Go to the Parent Portal.
- Click 'Report Sport Absence'.
- Fill in the form.

An email to absences.sport@sbhs.nsw.edu.au / the HT Sport email / absences@sbhs.nsw.edu.au will no longer be accepted for absences.

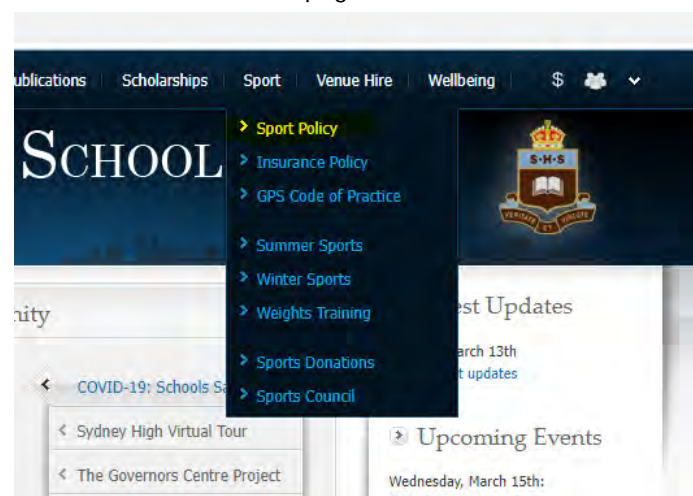

Co-Payments:

- Please check your email regarding Co-Payment information in the coming weeks.
- Co-Payments are a necessary component for maintaining high standards in Sport at High.
- Co-Payments help by supplying the funds needed for coaching/venues/officials and help fulfil our GPS commitment requirements.

Other important Sport related information:

- Winter season starts in Week 8. Trials will begin from Wednesday 22 March 2023.
- Students must be meeting their attendance requirements or receive a sport detention. This will appear in their Clipboard schedule.

The Sport Policy can be found on the school homepage.

Hannah Jackson
Head of Sport

Compulsory school attendance

| Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my Legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age of 17 years. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the NSW Education and Standards Authority for home schooling.

Once enrolled, children are required to attend school each day it is open for students.

The Importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school what should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department may apply to the Children's Court for a Compulsory Schooling Order. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The NSW Department of Education recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight
 = **4** weeks  = Over **1** year missed

1 day per week
 = **8** weeks  = Over **2.5** years missed
